

## I'm Richer Than My Billionaire Ex-husband Chapter 262

Brodie has always been an impatient person and usually just calls Emma for three hours without seeing results, the call, then, will come in again.

At the moment.

When Emma saw the call from Brodie, her heart was in her throat and she was so annoyed that she wanted to slam her phone.

But she dared not refuse to answer this person's phone, afraid that Brodie will give what is in his hand to Alina.

If it really came to that, she can guess what price Emma would really pay for it.

Eventually, she picked up the phone.

"Hello."

"Why hasn't it arrived yet?" The man, very impatient and annoyed, angrily said to Emma.

Emma was already irritable, and now she was pinching her brow with a headache.

She said, "It's not that I won't give it to you, it's that I don't, right now, have any money."

"What? You bitch."

"My account has been frozen." Not surprisingly, Caleb's account has been frozen too.

This is definitely the handiwork of Alina.

And to think it was Alina, Emma hates even more.

Why did that damned woman have to push her like that? Wasn't it enough to humiliate her since she was a child?

"You tricked me?"

"I'm not fooling you, my account is now frozen and won't be unblocked until this is over."

"Then it seems that..."

"Brodie." Hearing the dangerous tone, Emma's tone was heavier.

Even if the man didn't say it outright, Emma almost always knew exactly how this man was going to threaten her.

Taking a deep breath, she said to Brodie, "We are grasshoppers on the same rope, I advise you not to be a jerk."

"I'm on the same rope as you? Are you crazy?"

"It was you..."

"Do you have any proof?" Just as Emma finished her words, she was directly interrupted by Brodie.

Yes, is there any proof?

At this moment, her heart was heaving.

Yes, she had no proof, there was nothing on her side of anything that Brodie did, but Brodie had evidence of what she had done.

"Even if I didn't, if I accused you, you'd be..."

"Are you tired of living?"

The man, hearing the threat in Emma's tone, sounded more dangerous.

Now Emma was naturally scared and very tormented, yet even so, there was nothing more she could do.

There was nothing left for her to do but to rise to the occasion, except to hear her say to the other side of the phone, "Don't push me, okay?"

She was, literally, about to be driven mad, and there was nothing more she could do about it.

"Hmph."

"..."

"You've got three more days." The man said in a malevolent tone.

Emma's heart was heaving.

"I said, my account..." Without waiting for her to finish, the man simply hung up.

And now Brodie is not going to listen to anything, he just needs his money.

Emma is going crazy.

“Ah.” A hysterical, frantic scream came out from her mouth.

It’s all because of Alina.

Why on earth is it that Alina is now able to stand on that dazzling height, while she has to suffer because of her?

“Alina, I won’t let you go.” At this moment, Emma said bloodthirstily.

The moment both hands clenched their fists, it was as if they were grasping at Alina’s body, fiercely tightening, as if they wanted to crush Alina.

...

The game was on.

Now, however, it was getting more and more intense.

When Caleb found out that Emma’s account had been frozen, he was simply about to explode with anger. He had someone send a card to Emma.

But because it was Caleb’s card, Emma naturally didn’t dare to do anything randomly.

Caleb was here.

Alina and Chester and the others, naturally, could not stay in a presidential suite, but Brandon and Joanna remained in.

“Caleb, you’re sick.” She was living with them solely because of her work, while this man was suspicious, and eventually Alina was still annoyed by Caleb.

She moved out of that presidential suite.

“What are you still doing here?” Alina did not have any patience at all.

“I’m going to live here.”

“What?”

Alina smashed the pillow in her hand directly at Caleb, although Caleb was used to her rudeness now.

“Alina!” It came out through gnashing of his teeth.

Alina, “Get out.”

“What the hell do you want?” At this moment, Caleb finally managed to open his mouth to ask.

She’s the one who should be asking that, right?

Was he allowed to do all sorts of things? And it was a mistake for her to even fight back.

Caleb, “Why did you freeze her account?”

“This is normal procedure.”

After all, Emma is one of the people involved.

Caleb’s already gloomy face sank at this moment.

Just as he was about to say something else, the phone rang and he picked up, “Hello.”

“Caleb, has your account been frozen too?” Emma asked.

Originally, she did not dare to use Caleb’s account, but she was forced by Brodie, so she wanted to transfer the money in small batches.

However it was not completed.

It made Emma wonder what she had guessed at the beginning.

At Emma’s words, Caleb’s face sank.

The moment he looked at Alina, all that glittered in his eyes was an icy light.

He then hung up the phone with Emma.

“You applied for a freeze on my account?”

“I have that right, don’t I?”

Yes.

She is entitled to it.

Now Alina’s thinking is not generally clear. Caleb just angrily refused the divorce.

She applied for an asset freeze, which means that until the divorce is completely finalised, Caleb will not have a good time.

Caleb's eyes glittered with rage.

Alina, "Until our divorce matter is completely over, don't even think about using a single penny."
