

His Insane Lust

Chapter 11 I've Fucked Many Men.

Shawn caressed her with satisfaction, and his hand gradually wandered in her secret zone. 'Let's try in the bathroom?'

His lips gradually moved to Nicole's ears, and the damp and hot breath sprayed on her cochlea, as if seducing Nicole deliberately.

Nicole couldn't help but pinch her legs. Her hands kept climbing Shawn's neck. Only when she pinched her legs, she felt a wet sensation beneath her.

Not only wet, but also very hot. Confused, Nicole nodded and promised Shawn.

The man suddenly got up, lying on the bed, and Nicole, with a lithe and graceful figure, got up from the bed. She strode towards the bathroom.

This was Nicole's first bath with a man. She was shy and forced Shawn to turn off the lights. 'Turn off the lights first.' Nicole was a little embarrassed when she sat in the bathtub. She reached out and pushed Shawn.

But Shawn wanted to take a bath with the lights on, and Nicole wanted to remember this feeling and make love with him.

He stretched out his hand and grabbed Nicole's hand, and bent Nicole's hand to the thick one beneath him. 'Ah ...'

Nicole couldn't help but want to pull her hand back because of the scalding and fullness beneath him. Nicole's cheeks were flushed, and even she could feel the scalding. She blushed and wanted to pull her hand back.

Just trying to pull it back was not so easy. 'Make it happy.'

Shawn gently twitched up and down according to Nicole's hand. Suddenly, he held Nicole to sit on his lap. The thick root was just aimed at Nicole's flower, and the glans penis pressed against the entrance and rubbed gently.

'I'll take a bath for you, and you'll live with it.' Shawn whispered in Nicole's ear, and he just grabbed Nicole's soft little hand and put it on the dick.

Nicole was still in a daze, and the idea of sitting on him and directly inserting his thick body was getting stronger and stronger in her heart, which made Nicole feel itchy.

She couldn't help but turn her eyes to Shawn. Just looking at him, he squeezed two pumps of shower gel in his hand.

He rubbed the white shower gel against her nipples, and he gently whirled around, gradually forming a delicate and dense foam, especially ... He pressed it, and Nicole even felt a little comfortable.

Nicole couldn't help moving his hands to Shawn's neck, sitting on his lap and twisting gently. There was a lot of water in the bathtub, and there was shower gel. Both of them were slippery.

'You're so good, have you served many women?'

With a snort of Nicole, she felt a little upset in her heart. This was the first time she's fucked a man. When she thought that he was a man who has fought many battles, Nicole has a knot in her heart.

'Eh? If you say so, you are not bad.'

Shawn suddenly lifted her up, hugged her waist and gently whirled and rubbed on her lap, and the dick also followed her gently whirled and rubbed, but she just slipped in directly.

'Yes, I am not bad. I have fucked many men.' Nicole was quick to talk, and obviously had nothing to do with other men, but she wanted to lie to Shawn here.

Shawn certainly didn't forget what it was like to fuck Nicole for the first time. She didn't look like an old hand when she was unfamiliar. He knew Nicole was lying, but there was still a burst of anger in her heart.

'Is it?' 'Then you are quite powerful.' 'However, I should be the best man you have ever fucked?' Shawn suddenly put his arm around her stiff ass, suddenly inserted it into her stamens, and quickly inserted it. 'Ah – uh-huh ...'

Nicole lost control of the sudden impact, and the groan in her mouth fell, and she hugged Shawn's neck tightly. Under a burst of water flooding out, and it merged with the water inside the bathtub. Am I good?'

Shawn's lust kept rising. Listening to her moaning again and again, the brawniness beneath her seemed to be getting harder and harder in her body.

Shawn's voice was somewhat forbearing.

He could even feel that the thick root was tightly wrapped in the garden beneath Nicole, and a graceful and tight feeling came to his mind.

Shawn held Nicole tightly, and pumped it forward hard and quickly again. "Am I the most powerful man you know?" When Shawn reached the deepest point, he suddenly pulled out his brawniness.

Nicole was dissatisfied with the sudden emptiness. She stretched out her hand and held the stout root and sent it to the stamens again.

'If you don't answer, I will make you feel bad.'

Shawn suddenly blocked Nicole's hand, and his hand pressed his glans penis, gently wandering around her flower, stroking, but just inserting it.

'You are, you are the best...' It was probably the blessing of lust, and her voice was tender now. 'Which part?' Shawn had a low voice and caressed Nicole's ear to continue asking questions.

It's just that Nicole's body is uncomfortable now. She couldn't help but grind her teeth, and suddenly she moved from Shawn and moved down a little.

He would feel bad if she gave him a blow job, right!? She's going to show Shawn what it's like to feel bad now!

Nicole suddenly bent down, and before Shawn noticed her behavior, she suddenly opened her mouth and wrapped Shawn's dick in her mouth easily. She suddenly let go of her dick, and learned from the hostess in a small movie, sticking out the tip of her tongue and licking it lightly on his head.

Nicole's tongue touched it, and she heard Shawn's uncontrollable gasp in an instant. The man's deep voice rang in Nicole's ear. She seemed to be possessed. When she heard the gasp, she wanted to continue this action. She licked it gently and tried to bite it with the edge of her teeth. It seemed that his dick was about to release something with the seduction of her tongue.

Shawn suddenly stretched out his hand to pull Nicole up, and he directly pulled her to himself. He suddenly stood up, and the dick suddenly sank into the depths of her pussy.

Nicole, with her hands pressing on Shawn's chest, shook her waist gently, craving for Shawn to go deeper. 'Ah ...' 'UH-HUH Nicole was limp and weak. She collapsed on Shawn and couldn't help moaning when she stuck it in his ear. Under the full let her feel whole body can't lift strength, but enjoy this feeling very much. Her moaning was like poison, and constantly bewitched Shawn. A man's breath is intertwined with a woman's moan.

Shawn stood up with a jerk, and as the speed of insertion became faster and faster, he shot into the depths of her uterus.

Nicole' couldn't help but twitch for a while. After Shawn shot, she completely lost her strength and collapsed on Shawn.
