

His Insane Lust

Chapter 17 The person who fantasizes about being f

Nicole twisted slightly, and his kiss made her tremble. Nicole wondered if she didn't do anything, why Shawn suddenly ...

She stretched out her hand and pulled Shawn's hand, enduring the feeling of wanting to moan and biting her lower lip tightly.

'No, just in case, wait. What if someone comes in?' Nicole's cheeks were red: She reached out and gently pushed Shawn's shoulder.

But how could Shawn be pushed away by Nicole so easily? He let go of his lips, and his eyes shifted to Nicole's flush little face. Now she's completely into being teased by him.

'What if someone comes, well that....

His hand gradually moved down, and he took the initiative to unzip Nicole's skirt. Suddenly, he pinched Nicole's ass severely.

'Don't you want it now?' He moved forward and rubbed her gently.

With a snort, Nicole thought it was at home, and it was very likely that others would come. Her whole skin seemed to start to expand, and it was already reddening.

Nicole couldn't stand this kind of stimulation, and immediately shuddered, reaching for Shawn's clothes directly.

She didn't give Shawn an answer of mouth, but Nicole's actions have given Shawn the best clue. She wanted it, no matter what the situation was, she wanted it NOW!

Shawn bit her chest again, and acted violently.

'Go up and ask Nicole and Shawn to come down for dinner.'

Bob looked at the dishes on this table, his eyes flickered. He didn't know whether Shawn usually ate these dishes. Their chef is not bad, really, but in front of Shawn, he always felt that these dishes would not impress Shawn for sure.

Elena sat here motionless as if she hadn't heard Bob's words. 'Go and call, call them to eat first.' Bob thought Elena didn't hear what she said, so he reminded her again.

Elena couldn't keep pretending that she didn't hear anything. Her eyes twinkled and she was still unwilling to do so. Shawn was obviously the target of her daughter, but now she is in Nicole's hands!

Elena really didn't want to go up and call them out. Because Bob called herself twice, Elena couldn't refuse. 'OK, you sit first, and I'll go to them now.' She got up from her chair and walked to the stairs reluctantly. But there was a man standing outside Nicole's room.

Erin didn't expect to come up, but she heard a voice from Nicole's room. There was a strong unwillingness in her eyes, and Erin couldn't help reaching out and touching her body while listening to the gasps and groans from inside.

"Bitch, if you hadn't taken him away, the person under him now would be me!" Erin saw her sister lying under Shawn and being fucked by him.

Just thinking about it, Erin was limp and numb, and couldn't help shuddering. She forced down the emptiness in her heart and made her body wet.

Erin was fantasizing about having sex with Shawn when someone suddenly pulled her hand.

Her subconscious eyes widened in surprise, and her hand on her lower body was pulled back. When she was forced to turn around, Erin saw her mother.

She couldn't help but let out a gasp and pulled her hand from Elena. 'What are you doing here?' Elena lowered her voice and looked at Erin, frowning.

Erin spoke with some dissatisfaction: 'Mom, can't you hear the sound inside? Didn't you hear how coquettish the man inside is now?'

Erin suddenly shook Elena's hand, and she looked so dissatisfied.

Elena really turned her attention to the room after Erin said this. She listened to the groans inside and the gasps of the man

Now it wasn't just Erin who got horny, so was Elena.

Her eyes flashed and she turned to Erin. Elena reached out and patted Erin's hand: 'Don't worry, I'll call them to

eat'

Elena must've been STUPID!! She said she would call them to eat. Was she deaf to everything that was happening inside?

She couldn't resist the temptation of the sound of sex inside. Elena smiled and she stretched out her hand to tap on the door. 'Nicole, it's time to go down and eat.'

Two people in the room were surprised, but it seemed that Elena's voice was more nervous and she felt excited and wanted to continue doing it.

His brawny dick inserted into her tight juicy pussy, while Nicole put one leg on Shawn's arm. He even bit her lips hard when he kept stroking hard.

Elena's voice came from outside again. Shawn gasped and suddenly released Nicole's lips. 'Fuck off! 'Are you deaf???? Don't you know what we're doing here?'] Finishing this, Shawn slammed into Nicole's body as hard as he could. She suddenly groaned uncontrollably, which was very attractive. 'Uh-huh" moaning in the room was like a knife scratching on the hearts of the two in the corridor.

But after being scolded, Elena and Erin seemed to be in no hurry to leave. Instead, they stood here, their ears always paying attention to what was going on inside.

The more Elena listened to Shawn's gasps, the more she felt empty and wanted to feel her body filled by his thick long dick.

Elena held Erin's hands firmly. Elena could tell that her daughter wanted to listen to them and to replace Nicole so damn much. That's for sure.

Elena took Erin downstairs. 'Let's go down to eat first.'

Erin could obviously felt that her lower body was all wet when she walked down. She was drowning in dissatisfaction and wanted to be fucked by Shawn ...

The fury was growing fast in Erin's heart as she thought about the fact that her sister was fucking her dreamy

man.

'Mom, I'm not willing to give him up... Not like this. Not to her.' Erin took Elena's hand, and she discontented as well.

Elena didn't stop. She kept pulling Erin to the front. She also knew Erin was dissatisfied, but now things have been settled. What could she do?

'Haven't you seen them both together for so long?' 'How is it possible! They have only known each other for a few days.'

'I think that if Nicole hadn't sent herself into his bed, he wouldn't have liked that whore. I am much better than Nicole!'

'I can make him happy!!' 'Why he chose her...'
