

His Insane Lust

Chapter 19 Attend our engagement party

Nicole and Shawn lied in bed after the excitement. Nicole was resting on Shawn's arm, and she couldn't help looking sideways at Shawn. 'We should get down now' 'My dad is waiting for us to eat.'

Nicole pulled her clothes, and she struggled to get out of bed, but Shawn was still lying in bed, and Nicole was surprised. If he didn't get up, how long would he take?

'Get up!'

She stretched out her hand and took Shawn's hand, but she didn't pull him up yet. Instead, she was pulled by Shawn and fell down directly, and finally threw herself on Shawn's chest.

Nicole let out a stuffy hum. 'I am still a little tired now, take a break and then we'll go.' 'aren't you very strong? Why are you tired now? It seems that Shawn is not very good either.'

Nicole had just finished saying this, and she was suddenly dragged down by Shawn, and their position suddenly changed.

She looked at Shawn, and she looked startled. She stared at him slightly and asked, 'Do you want to do it again? Aren't you all tired?'

'I think I need to strip you to prove it that I can.'

His hand suddenly moved to Nicole's body, but Nicole's heart thumped by Shawn's words. She quickly grabbed Shawn's hand, and when she looked at Shawn, she laughed and panicked.

'You're the strongest and the best!!! I was just joking and you really took it seriously?!' She stretched out her hand and hooked Shawn's neck, and her tone gradually took on a bit of coquetry. Shawn's big hand stopped on Nicole's round ass, and he suddenly slapped it. 'I will prove it to you once again in the future to see if I am strong enough or not.' 'Awww, you are the strongest.' Nicole said, 'Let's go down. We're all dressed. Hurry up!' To prevent Shawn from doing it again, Nicole kindly advised Shawn. She had just finished saying this when Shawn suddenly reached out and lifted Nicole out of bed. 'Shoes!'

She stretched out her hand and put her arm around Shawn's neck in panic, for fear that she would fall out of Shawn's arms.

However, Shawn not only held Nicole firmly, but also did not forget that Nicole had no shoes on. He hugged Nicole and helped Nicole put on her shoes.

Five minutes later, when Shawn and Nicole came down, they attracted the attention of the following people. All eyes were on Shawn and Nicole, and Nicole was in Shawn's arms.

Erin's look was tight and sharp. She pinched her chopsticks and stabbed the rice in the bowl, and her eyes began to turn red.

'Sister, are you disabled?? Mom and dad are still here, can't you walk?' Erin's tone was full of jealousy.

Nicole, who was originally thinking of coming down, has now dismissed this idea, and she was comfortable in Shawn's arms.

'My fiance is doing a kind gesture, and I don't want to walk. I am a little tired.' Nicole's words mean a lot. Shawn strode across the table with Nicole in her arms, and he added.

She was tired just now. And does it have anything to do with you??' He said it to Erin
Erin's face suddenly went dark. Nicole—you bitch! You turned Shawn against me!!!!

There was a trace of light in the depths of her eyes, and the anger in her heart began to glow again: 'It's not that you can't, but there are so many people downstairs, save yourself grace at least.'

Well, there's nothing wrong with it. Get ready and eat. It's not early by the way.'

Bob interrupted the conversation between them and didn't want to ruin the atmosphere at home because of such a little thing.

Nicole put on the smile of a winner. She could see how upset and furious Erin was yet she couldn't do anything with her

Nicole picked up chopsticks and passed food to Shawn. 'Here, honey.' Awww, you don't have to mention how sweet they were. Nicole said that to Erin and Elena on purpose.

Meanwhile, Shawn was rubbing at Nicole's feet and even separated Nicole's legs. Everyone was sitting in their seats, how could they notice what happened under the table?

Nicole subconsciously shifted her look when she felt this move. She immediately hid the unnatural eyes and turned her attention to the food.

'You gotta eat, sweetie! You're so busy everyday, now you should eat more to compensate for that, alright?'

Nicole didn't let Shawn continue his reckless act, and her other leg directly blocked Shawn and didn't give him the chance to continue.

'Feed me.'

Shawn asked her to feed him in front of everyone!! His smile was wicked and already waiting for her to do what he said!!!!

Nicole turned to stare at Shawn. When she saw him putting on the serious look, her eyes flashed. Well, it's just time to show Erin, and it's best way to piss Erin off!

'Well, I'll do it. I can't let my baby starve!'

Nicole agreed to Shawn's request, and she picked up her bowl and began to play a loving couple with Shawn in front of these people. .

'Dad, get ready to attend my engagement party with him. We are already on it.' After the loving act, Nicole achieved her goal of getting Erin angry and she suddenly mentioned such a thing! Nicole surprised the whole family again!! 'What?!You're having an engagement party?!No kidding! Erin was the most surprised and unwilling one. Her tone and expression all indicated that she was so pissed. 'We are engaged, what does it have to do with you?Why are you so surprised? It's not that you are engaged.' Nicole turned to Erin, looking at her twisted face, Nicole laughed bitterly in her heart, and she was very proud. Erin was strangled by Nicole again. She couldn't help but look at Shawn and then at Nicole.

'Damn straight! It doesn't have anything to do with me, but you are my sister, of course I will care about you. You are going to be engaged now, is it a bit too hasty?'
