

His Insane Lust

Chapter 6 I am young and energetic.

“AHHHH!!!

When the thick stem poked into the deepest place at once, Nicole snorted. She held back her hand and couldn't help struggling.

‘I'm sorry!!!! I'm soooo sorry!!’

Her face was blushing, and when she felt that those people outside were observing it, she felt a thrill in her heart, and her body was already flooded.

‘The moaning just now is not enough.’ Shawn held her chin tightly, and put his other hand around her waist, and suddenly pushed Nicole to the front. “UH-UHH.....

Nicole's reason had already been washed away by the desire in her body when Shawn started the movement of pulling and inserting.

A woman's moaning was clearly sounded in the office.

The lust in Shawn's eyes became stronger and stronger, and there made her even feeling more satisfied, and even a little bit of hot air sprayed in her ear.

‘LOUDER! He held Nicole's waist and inserted a lot faster.

However, such rapid thrusting made Nicole's heart feel more and more excited. She hugged Shawn's neck tightly, grabbed hard on his back, and left several nail prints on it.

When the dick suddenly hit the deepest place, Nicole's body suddenly trembled, and she held Shawn's neck tightly, with a whoop.

She CUMED AGAIN!!!!!! SHE WAS COMPLETELY WET ALL OVER!!! Nicole was tender and limp, unable to stand so she collapsed in Shawn's arms. Her eyes, cheeks and even slightly open lips were sending out a faint temptation. Nicole has been cumming in Shawn's practice for who knows many times ... ‘Satisfied???’

Shawn's hand pinched her chin, looked at her misty eyes and slightly opened lips, and chuckled: ‘I am obviously punishing you, but now you're taking advantage of me and making you comfortable again?’

Shawn rubbed his fingers gently on her red lips. Her lower body was exceptionally wet, but the wrapping was excellent. His brawniness was tightly wrapped by her, and it was still slowly twitching inside.

Nicole whimpered, squeezed Shawn's hands tightly and loosened them. She looked at Shawn with misty eyes and cried out: 'No, no,'

'No?? That won't do. I'm punishing you, not rewarding you.' He moved away his fingers and suddenly put them Nicole's mouth. 'Suck it.'

Nicole's face was red. When his fingers were put into his mouth, the slightly opened mouth did not dare to close, so her mouth was exposed, and even he could see the white upper incisors.

'Why don't we change the angle and let everyone see you?'

Shawn put them in her mouth, gently stroking them for a while, while the brawny dick beneath her seemed to be harder and hotter.

'Well ...

She blushed, flustered Shawn's hand, wrapped his fingers in her lips and even twitched slowly. Shawn let out a hum and thought, 'She is quite good at seducing people!'

Suddenly, he sped up his body movement again, stroking in and out, and the frequency became faster and faster.

Nicole cried, This man was going to drain her energy.

The assistant group outside looked at the scene in the office, startled and shy, but couldn't help but wanted to watch more.

However, they couldn't see much.

Shawn suddenly pressed the button just now with his other hand, and the shutter fan that was opened is now closed again. : 'Whoops ... I don't want ...'

Nicole's body was wet like a pond, but her inner desire made her shake her head, talking contrary to her body but holding Shawn more and more tightly.

She even wanted to shove herself into Shawn's body!!!!!!

Shawn's lust at the bottom of his eyes deepened a lot. He hugged Nicole tightly, and suddenly pulled out a little. reaching out and gently stroking at the entrance.

The fingertips were somewhat punitive, teasing the flooded entrance.

He pulled out his dick, endured the desire to insert it again in his heart, and gently rubbed and wandered around her pussy.

'Later on, do you still dare to do that? Still dare to do bad things?' Shawn made a heavy sound, waiting for Nicole's answer. His friction made Nicole's inner desire more intense and itchier. 'This is not a bad thing Nicole's heart itched, and the disturbance in her body made her voice soft and shy.

When the soft voice came to his ears, Nicole grabbed Shawn's wrist in a panic, and brought a little cry in her eyes: 'I dare not, I'm sorry...'

Shawn fixed his brow and suddenly pushed the brawny friction outside into the wet zone.

The emptiness in the body was suddenly invaded by this fullness, so Nicole unconsciously clamped her nakedness and stuck it tightly on Shawn.

But the more so, the desire and interest between Nicole and Shawn became stronger and stronger. When the frequency came to the fastest, they seemed to feel at the same time.

When he cumed into the deepest part of her body, Nicole convulsed, and she clung tightly to Shawn. When the limp and numb feeling of the current passed, Nicole couldn't help but collapse on Shawn, holding him on the shoulder and panting gently.

Shawn was in no hurry to come out of Nicole. When Nicole gasped, Shawn suddenly laughed: 'I didn't expect your desire to be this high.' 'Do you feel horny when I touch you?' His hand gently pinched Nicole's chest, which was somewhat punitive.

Nicole's scalp was tingling, and she didn't dare to take it away from Shawn. When she thought of the scene just now, Nicole closed her eyes and felt ashamed and resentful.

'You are not bad. Don't you have feelings?'

Nicole endured the faint limp and numb coming from her chest. She couldn't help but stretch out her hand and gently pushed Shawn away.

Nicole was slightly surprised when she saw the brawniness pulled out by Shawn become stiff again in an instant, and her sight stayed on it.

I've never heard of it that the president of X-beats Industry could get hard immediately after cum ... Nicole was literally overwhelmed by his vigorous energy. It may be because she has been observing him for a long time and the atmosphere was quite ambiguous. She could see that this thing has been getting thicker. !

The swelling of the body made Shawn frown slightly. He hung his eyes and stared at Nicole, who had been watching his dick. His voice was full of lust and deepness.

'You want to be fucked again, don't you?'

Nicole suddenly raised her eyes, and the heat in her eyes flashed. She smiled in a sorry way: 'Oh, Shawn. I just think you are so strong—that, we need to hold back a little. Too many times a day is...'

'Is it?' 'I am young and energetic. I don't think you are bad either. It is quite good for us to, you know.'. 'I'm okay with it. I want more.'
