

His Insane Lust

Chapter 9 Making Love Is A Physical Activity

'Uh-huh Nicole's body trembled slightly, and her legs diverged slightly to meet Shawn's influx.

However, Nicole was not satisfied and wanted Shawn to go deeper. She grabbed Shawn by the collar and brought people to her front.

After the sex in the car, the car seems to be full of their breath... After that, Nicole leaned against the chair, closed her eyes, and fell asleep. Indeed, sex is a physical activity. Nicole didn't wake up when she arrived downstairs, and Shawn's look slowly shifted to Nicole.

The look became hotter and hotter, looking at Nicole's ruddy lips and her long-curved eyelashes. Shawn suddenly turned sideways, pushed open the door and stepped out of the car from here, and turned to Nicole's side.

When Shawn took Nicole down from the car, Nicole woke up and looked at Shawn subconsciously. "Hmm?"

She opened her mouth with a doubt, but only after the sound came down, the man holding her had a strange feeling, and suddenly a stiff body.,

This woman is quite charming when she wakes up confused!

Shawn quickened his pace, Nicole lied in Shawn's arms, and when she felt Shawn's pace was getting faster and faster, she reached for Shawn's collar.

'Shawn, where are you taking me?' Nicole still didn't know how much impact she had on Shawn. She seemed to have forgotten that she promised Shawn to marry him when she was having sex in the car ...

Until they entered the elevator, got out of the elevator, opened the combination lock, and finally, she was left on a very soft gray bed ...

Nicole let out a hum, slender legs slightly bent open in front of men.

Shawn's lust rose. In front of Nicole, he suddenly stretched out his hand and took off his suit, tearing his tie and unbuttoning his pants.

Shawn couldn't help being restless before he took off his clothes and tie. He bent Nicole over directly, with one leg between Nicole.

'Shawn ...' Nicole whimpered and couldn't help Shawn's seduction. Then she breathed heavily in her mouth. 'Ah~

Nicole subconsciously reached out and covered her mouth, crying, and if she continued this, she would will be unable to walk by Shawn fucking her like this ...

But when Shawn met her, Nicole wanted Shawn to enter her body.

Nicole began to be afraid of the emptiness. She put her hand around Shawn's neck and hooked her legs around the thick waist of the man.

'Shawn, do you still want it ...' Her words were not complete, when Shawn bit her lip hard. Shawn vigorously sent his tongue into Nicole's lips and teeth, invading every place in Nicole's lip cavity. His hand even moved down and gently stroked Nicole's sensitive area. The secret garden beneath her—so tempting! Shawn's eyes were misty, and his trousers were still on, so he can't help but gently push forward.

Nicole was kissed by Shawn, and when she felt Shawn suddenly propping herself up, she couldn't help breathing again.

When a hot kiss was over, Shawn slowly left Nicole's lips, but after leaving, their lips even carried the liquid in each other's lips.

'Shawn..... aren't you afraid of being drained by me?' Nicole twisted his body and looked at Shawn's dissatisfaction. Shawn reached out and crushed Nicole's chest. 'I brought you back just to do these things with you.' 'Shawn is so straightforward, it is strange and embarrassing.'

Nicole suddenly gave a charming smile, and the laughter just fell, but Shawn seemed to take a punitive action, and squeezed her chest hard, so Nicole couldn't laugh, and whooped.

'It hurts ...

'Does it hurt?'

Shawn's question was subtle. Nicole didn't know what Shawn's question meant. Of course it hurt, squeezing it so hard!

However, she hasn't answered yet, and the only clothes on her body were suddenly torn apart under Shawn's words.

Nicole got cold, and she twisted her body subconsciously, trying to shrink, but Shawn caught her.

Her hands were pressed on the bed, but she felt Shawn's tongue gently licking and teasing on her chest before she realized what Shawn was trying to do.

A limp and numb feeling struck, Nicole couldn't help Shawn being so provocative, and she gave a shudder with a grunt.

'Shawn!' Nicole twisted her body. Even if she wants to come again, she wants to take a bath and come again! 'Does it still hurt?' Shawn didn't stop talking. He teased Nicole's sensitive places and gently swept them with his tongue tip. 'Well ...'

Nicole shook her head with her mouth closed. She was afraid that if she opened her mouth, she would make some noises.

Shawn chuckled with a touch of evil. He suddenly got up and looked at Nicole's blushing face. Shawn smiled. 'I was rude to you just now, and of course I will be gentle with my wife in the future.'

Shawn's eyes looked deep, and his body was still strong. He was enduring the desire to take off pants and insert them into her uterus.

'Wife?'

Nicole immediately pulled away from the lust just now. Her hair was scattered on the bed, and her eyes were blurred. Looking at Shawn was puzzled.

Shawn dropped a smile after hearing Nicole's strange tone: 'Did you forget what you promised me when you begged me to fuck you?'

Shawn reached for Nicole's chin, staring at Nicole and shaking his head with a smile. 'Is your memory bad, or am I wrong?'

'You are not still in a hurry financing? Hmm? If you are in a hurry, then you can get a marriage certificate with me tomorrow and help you. It is something I can do without any effort.'

Shawn gently rubbed Nicole's chin and looked at Nicole's eyes, and the bottom of his eyes looked a lot deeper.

Nicole was moved. Of course, she believed Shawn could help her with money easily, but this condition made Nicole hesitate!

Nicole stretched out her hand and grabbed Shawn's, with some doubts at the bottom of her eyes: 'Then why did Shawn choose me?'

'Didn't I tell you? It is quite interested in you.'

Shawn suddenly loosened her chin, grabbed Nicole's hand directly and moved under her, and the thickness was just in her palm.

Nicole felt how big that thing had become, and her ears went red.

Shawn suddenly bowed his head and leaned against Nicole's ear, with a low voice and pondering: After marriage, it is legal to fuck you every day.'
