

Eve

I found a love for me
Darling just dive right in
And follow my lead
Well I found a girl beautiful and sweet
I never knew you were the someone waiting for me
'Cause we were just kids when we fell in love
Not knowing what it was
I will not give you up this time
But darling, just kiss me slow, your heart is all I own
And in your eyes you're holding mine...

Ben holds me close to his chest as we slowly dance together in his living room, listening to music. I close my eyes, resting my head on his chest, his arms around my waist, mine place gently on his shoulders.

"You look beautiful Roni," Ben kisses the top of my head.

"Ben, I'm in your sweater, my underwear, and I have my hair in a messy bun," I giggle, looking up at him.

"I know, you're still beautiful as ever" Ben smiles, looking down at me.

"Thank you," I place my hands on his cheeks, kissing his lips.

Baby, I'm dancing in the dark with you between my arms
Barefoot on the grass, listening to our favorite song
When you said you looked a mess, I whispered underneath my breath
But you heard it, darling, you look perfect tonight

"I love you," Ben whispers, locking his eyes with mine.

"I love you too," I blush a little.

"I love it when you blush, it's so cute,"

"Oh hush," I giggle, hitting him playfully.

Ben laughs and brings me closer to him, slow dancing.

"It's all perfect," I say.

"What?"

"Right now, it's all perfect, in this moment, you and I are perfect, you're perfect," I speak happily.

"You know, it's like I've known you my entire life, like you've always been a part of me," Ben speaks so ly.

"I know what you mean, I'm happy we figured things out," I tell him.

"Me too, if I'm honest, I don't know what I would've done if you hadn't been so forgiving of me," Ben squeezes me, almost as if he's making sure this is real.

"I forgave you because you showed me you value me, you showed me you love me," I smile to myself.

Well I found a woman, stronger than anyone I know
She shares my dreams, I hope that someday I'll share her home
I found a love, to carry more than just my secrets
To carry love, to carry children of our own
We are still kids, but we're so in love
Fighting against all odds
I know we'll be alright this time
Darling, just hold my hand
Be my girl, I'll be your man
I see my future in your eyes...

Ben takes my hand and spins me around, I catch his eyes watching me, smiling as he spins me.

His gaze is something I cherish the most.. Whenever he looks like me, I can just see it in his eyes how much he loves me.

Through my eyes, Ben is the most wonderful person in the entire planet. He's perfect to me, perfect for me.

He's my everything, my world.

Ben keeps a hold of my hand, as we move around the living room, dancing.

"I want to stay like this forever, just you and I together," I whisper.

"It's you and I against the world baby, we're forever,"

"You make my heart melt," I lock eyes with him.

"I'm sorry we couldn't be in a more romantic place," Ben chuckles.

"Being anywhere with you is romantic enough for me, hell we could be in a bathroom stall and I'd still enjoy it, as long as I'm with you,"

"So my father isn't a huge fan of you right now," I tell Ben.

"I don't blame him.. But if I have to try to prove myself worthy for you to him again, I will, I would over and over again if it meant being with you," Ben kisses my hand.

I give him a small smile.

"Roni?" Ben stares at me.

"Yes?"

"I don't know if it's a little early or if you still need time but, will you be my girlfriend.. again?" Ben asks so ly.

"Yes Ben, I will,"

"I love you more than you could ever imagine, I promise to love you for the rest of my life and a little bit a er," He chuckles, kissing me.

He brings me close to him, slow dancing.

Baby, I'm dancing in the dark, with you between my arms
Barefoot on the grass, listening to our favorite song
When I saw you in that dress, looking so beautiful
I don't deserve this, darling, you look perfect tonight
Baby, I'm dancing in the dark, with you between my arms
Barefoot on the grass, listening to our favorite song
I have faith in what I see
Now I know I have met an angel in person
And she looks perfect
I don't deserve this
You look perfect tonight
