"And I don't want the world to see me a

'Cause I don't think that they'd understand

When everything's made to be broken

I just want you to know who I am" a⁵

Welcome to IRIS a

This story is about the Asgardian {Nordic} goddess, Freya.

Disclaimer: I do not own the MCU or Marvel Comics (unfortunately).
These wonderful characters are Marvel's. My OCs are my own or they
are altered characters from comics or mythology.

Finally, I guess I should introduce myself

Hi! I'm Savannah I'm 23 and have been writing since I was 15. My first
story and fanfiction were a Vampire Diaries Fanfic. Since then I've
written lots of stories from scripts, to my fiction, to
fanfiction. I have a very active imagination so when I find stories I
love, I tend to make the world grow in my head. I am going to Uni for
Creative Writing and Film so this is my biggest passion. I hope all of
you who join me on this journey with Freya enjoy the story. a
