

Monday

My alarm went o around 6 am, ash held me tighter so i didn't get up.

"Ash i got to get up" i said trying to get up.

"please stay" ash said in his sleepy voice.

"Ashtray" he got his arms around me and i changed in front of him. i put on sweat pants and ash's favorite sweatshirt. i shut the door and went to the kitchen.

"what are you doing up" i said seeing fez in the kitchen.

"yo ma, ash told me bout school" fez said with a joint in his mouth handing me breakfast.

"you made me a breakfast sandwich, that's really kind of you" i said sitting down eating it.

"you need a ride there." fez said blowing the smoke in my face.

"what are you my dad" i laughed.

"but i guess so" i smiled.

"when we leaving."

"20 minutes" i replied.

Fezco went outside to start up the car, i put my dishes in the sink and i went into ash's room. i gave him a kiss on the cheek, "i love you ash".

i got up grabbed my backpack and hopped in the car.

"you ready ma" fez said.

"i guess" i sighed.

we made it to the school and i hopped out of the car.

"yo y/n you got everything for school" i nodded my head he drove o and i waved. i felt like i was going back to kindergarten.

once i walked in i saw lexi handing out papers so i walked up to her.

"hey lexi!"

"y/n" she hugged me tight

"i missed you so much" i broke the hug and grabbed the paper she was giving out.

"a play huh" i said.

"yeah! you should like, totally help me!" she said jumping up and down.

"i mean yea sure. what is it about."

"you'll know when you help" she said.

the bell rang.

"shoot i'm never late" lexi ran o dropping a couple of papers.

I looked at my schedule and my first hour was math, no one wants math first hour.

I had to walk all the way upstairs and i got stopped by the math teacher.

"stop it what's your name" the teacher looked at me

"uh my name is y/n"

"last name"

"l/n"

"you never showed up, though you were dead, go sit next to your sister" he pointed to cassie.

This was the worst class ever i had to sit by her.

"heard you fucked your best friends ex"

i said looking over at cassie. cassie looked at me and rolled her eye. i got a text on my phone.

ASHTRA♥

I'd be lying if i said i didn't like this man.

sooner than i knew it the bell rung, I went to leave the class but the teacher stopped me.

"i saved all your missing work" he handed me a big stack of papers.

"yay! something to brighten up my day!" i rolled my eye and walked out. i threw my papers in the garage that was right outside of the classroom.

2 class time hours later it was lunch. lexi signaled me to sit with her, i ran over and sat with her.

"okay so my play is basically how my life has been, and i want you and your boyfriend to be in it" she looked at me in my eyes

"wow lexi i love you but i'm not putting my boyfriend on stage"

"why not!" she gave me puppy eyes.

"listen ash isn't a 'go on stage' type of guy but i'll talk to him about it" i said scratching my neck.

"your the best" lexi hugged me.

The day went faster than i thought, the bell rang and i ran out of science to leave, then someone stopped me.

"elliott?"

"why are you at school. do i need to beat up ashtray" Elliot said

i giggled, "nope me and ash are better than ever"

a er awhile Elliot was making me uncomfortable.

"um let me check my calendar to see what i'm doing tonight" i didn't check my calendar i texted ash and told him everything.

couple minutes later ash showed up.

"Elliot do we have to finish that business?" ash questioned which made him walk away.

ash hugged me.

"hey ash i need to talk to you when we get home"
