

## When Will We Learn

"Get down!" the cops said to Faye as she calmly went down.  
the cops went over to Custers body and realize he's dead.  
"Ash please man!" Fez was still yelling when the cops came over to tell him to get down.  
me and ash were in the tub and i was hugging him in tears.  
ash picked up a pistol looking how much amo was in the gun.  
"ash please." i looked at him at him in full tears.  
"ash get out man!" fez continued to yell  
i looked up at ash while he looked at me.  
"put the gun down please" i cried  
ash slowly put the gun down.  
and picked me up as he opened the door.  
one of the cops shot while ash went down with me to dodge.  
"there's two kids!" we heard one of the cops said.  
Fez was on the floor glad ash finally listened but also noticed me in tears, then one of the police got shot.  
i looked behind when the body thumped Faye was there with a gun.  
she ended up hitting the two other officers that was right there.  
she signaled us to come on as ash picked up a gun.  
They looked at the three cops by Custer and shot them, every time a bullet hit someone i flinched. This was the scariest thing i've ever seen.  
we walked slowly to the door realizing there was one more cop car out so we hopped through a window in the back and ran. <sup>3</sup>  
"where will we go" Faye said running as fast as she can.  
"i got a place, don't worry" fez said looking at everyone
