

## Intro and Cast List!

Hey everyone!

Welcome to my first teen lit novel!! I have had this idea in my head for a while now, and although it is a cliché genre I tried my best to make it as original as possible!

Thanks for choosing to read this book. I hope you like it as much as I enjoyed writing it!

Feel free to offer any constructive criticism, but any **nasty comments will be deleted**. Also please respect my rights and **do not copy my book**, as it took me a long time to write this, a lot of effort and frankly it's quite rude - not to mention illegal.

There will not be any sex scenes or bad swearing in this, but there will be mature talk and situations, so read at your own discretion.

Have fun reading, and please **like, comment and share!**♥

WARNING - Cringey unrealistic Wattpad writing ahead !!
