

## Journey to Happy Ending Chapter 106

"Which floor? And which storefront?" Edward was holding his son's hand while on the phone. Luke Luo followed closely behind him.

Daisy replied and hung up, surprised at Edward's speed. He came here so fast, as if he'd driven a rocket!

Edward was immediately the center of attention. He was handsome and tall, elegant and noble. A king among men.

"Daddy, is mommy done shopping yet? She's not going to ask us to shop with her, right?" Justin really disliked going shopping.

"Um... I actually don't know. I think she's done!" Edward paused for a second. He wasn't actually sure about the answer. He had never gone shopping with a woman. He just supplied the money -- anything else was too much trouble for him.

Justin rolled his eyes, annoyed at his father's fib. Didn't he know how tiring it was to shop with a woman?

"Hm! You're killing me dad!" Edward always lost all sense of reason when it came to his mom. Justin would end up a collateral victim.

"Hey! It's not that bad kiddo." Edward said, smiling at his son's pouty face.

"You wish! Don't say I didn't warn you! Women are insane when they go shopping." Justin spoke as if he had seasoned knowledge of women.
