

Journey to Happy Ending Chapter 158

At FX International Group

"You tricked me yesterday. Annie has never contacted C Financial Group," Rain glumly said to Edward. He was sitting on the sofa sluggishly.

"Relax, nothing happened." Edward raised his head to glance at him. He then continued with his work.

"Are you sure? Did Luke check everything?" Rain got thrilled to hear that.

"Yes. Everything was clear yesterday." Edward frowned, looking at an application for financial assistance sent by an army group. They were asking a lot, but the amount was just a tip of the iceberg for him.

"Unbelievable! Why didn't you tell me about it til now? I thought about it all night yesterday. Look at the dark circles around my eyes!" Rain jumped off the sofa and stood close to Edward to show him his black eyes.

"You didn't ask. I assumed you wasn't interested." Edward looked at Rain and found that he seemed just a little tired.

from C Financial Group. I didn't have the time to call you and ask. Also, I was afraid to hear bad news." His voice went low with the last sentence. No news

the guests. He was too scared. With Annie's incident, Edward got to

Edward passed him the file and waited for

them? Did this come via Daisy?" Rain was confused. They had never done any business with

days back. 'They think Daisy has a weak background? Let me make her background stronger.

benefits us." Rain started to carefully analyze the file. 500 million dollars was a meager amount for their company, but they were businessmen, they didn't get involved in

Edward leaned against the back of his chair in disapproval.

I don't understand." He wondered how Daisy was involved in this since she didn't send the
