

## Journey to Happy Ending Chapter 39

Kevin hadn't taken his eyes off of Daisy since she had come in. He had been kind of upset at her attitude last night. That was why he had decided to leave without her this morning. Actually, he had been trying to avoid her for fear that he would say something stupid to her again.

Daisy knew nothing about his concerns. She just wondered why he was acting so weird today, not realizing it had anything to do with what happened last night.

"What took you so long?" Kevin frowned and asked. He wasn't angry, but worried.

"Because I had to deal with something." Daisy answered simply. She knew what he had been talking about. If the Hummer hadn't broken down on the way, she wouldn't have been so late.

Just as Mark had expected, it was quite a long meeting -- it went till 5 pm. Daisy was really worried that she wouldn't be able to pick up Justin before Edward left his office.

"Mrs. Daisy, hold on. Just a minute." Daisy heard that as she was rushing to leave. She frowned and stopped there, wondering 'what now?'

"Anything else, sir?" Daisy sounded anxious.

"Did you hear what I said?" The girl had gone too far. She hadn't heard a thing he said.

"What? You said the meeting was over, didn't you?" Daisy was confused. She looked at the commander with her head tilted.
