

Keep A Love Profile, Sir! Chapter 2

Chapter 2 Insult

In the room, Galilea tidied up her clothes.

The mess on the ground was enough to show what had just happened. Even the candles and decorations were knocked to the ground. In this hall, Micah ruthlessly forced himself on her for more than an hour.

In front of her dead father!

Even if her father died, he would not forget to humiliate her!

Galilea raised her head and looked at her father's deadee. She recalled Micah's harsh words just now.

[I married you just to take revenge on your disgusting father. Now that he is finally dead, you are the only one left, so you need to pay back] Galilea was exhausted. She knelt on the ground, tears streaming down her face. "Dad, I'm sorry..." The news of the Frankie family's family being destroyed overnight made the headlines of all the major news reports. The next day, another entertainment news article quickly got on the trending topic! Before Galilea could get out of the pain of losing her father, a group of uninvited people broke into her villa on the outskirts of the city, blatantly moved all the furniture out. The noise downstairs was too loud. When she came downstairs with her swollen eyes, the housemaid Chanel rushed to her. "Madam! I don't know where these people came from. They started to move things without saying anything. I can't stop them!" Galilea woke up a little and stopped one person, who was trying to move the Qing Dynasty vase at the entrance. "What are you doing? I will sue you for trespassing!" "Trespassing? Isn't the owner of this house Mr. Lorenzo? We are all entrusted by him to move all the things away. If we disturbed you, I am sorry."

Galilea was stunned. Yes, she almost forgot that when her father bought this house for her as a wedding gift, she insisted to put it under only Micah's name to show her trust in him.

So now, what did this man mean?

Galilea took out her phone and was about to call Micah to question him. Her phone vibrated several times, and her finger accidentally clicked into a message.

(This morning's report. The president of the Lorenzo group, Micah, announced that he will hold a grand wedding with Miss Dayana Quincy, the rising star in the entertainment industry. It is said that Mr. Lorenzo and his ex-wife, Galilea Frankie, have already completed the divorce procedures.]

Her hand holding the phone tightened. Divorce?

Why didn't she know that she was divorced?

"Madam, w... What should we do?" Rea realized the seriousness of the situation and became more and more anxious.

Mr. Lorenzo was not showing any mercy to Madam. For the sake of the marriage, why would he still be so ruthless?

"Call the police, call the police immediately!" After two seconds of silence, Galilea finally said. This was the only way she could think of to see Micah!
