

C'est Moi

PROLOGUE:

HI! Unfortunately, my other story "Bit By The Lovebug" is going to be deleted. I am not happy with my story so I am going to start anew.

CHAPTER 1 - Hell no!

So, I am bumped by a guy. He's weird (not judging!). He's got eyebags, messy hair and sad looking face. Ugh.

Victoria Lintley Rose Powell. That's me. Well, Lint, for short. I'm half french and half american. But I live in the states so I am saying that I have forgotten about my "french girl" type.

We own a large company located in New York. Powell and Co., a jewelry line. Not very famous but getting there! Kinda productive eh? Well, sorta.

Not being conceited or arrogant, but our company is successful. And that's great. We hold charities to the poor and needy so our money that we collect will be for the better. Of course, we should not forget about our fellow brothers and sisters.

-end- Until Chapter 2.
