

Chapter 2 - Guess what!?

PLEASE READ BEFORE READING!

get it? Read this before reading, Aah, nevermind. Hahaha.

I'm putting on apostrophes and quotation marks to the person the girls are talking to.

Ex: Lizzy, Dad etc. Just a reminder so you won't get confused with the conversations!

Just to clarify, I'm not putting on quotations to any of the girls. :) But if any of the girls are talking to another member of the group, I will still put on those quotations (example Roxanne to Lintley and Darcy, I will only put quotations on Roxanne).

THANK YOU! Also a massive thanks to WanderingDancer who told me to. :*

Happy reading! :-)

Another boring day with the girls. But thank God it's friday!

Just as boring as our teacher who is really BORING. UGHH.

Well, forget about that. Hihihi.

Roxanne! I shouted.

"Hi girls!"

How's it goin'?

"Bad."

Why? Is something wrong?

"I failed my chemistry test."

all drops their mouths.

Why? The hell, Darcy, as she eats-- er drinks ah, her soup.

"I don't know! If it wasn't because of Professor Kempton!"

Prof. Kempton is our chemistry teacher. He's star section material. He thinks as if the regular sections are as good and intelligent than the star sections. Actually, it's hard being at the star section they said.

Ugh, that man! Darcy, again, as she was eating a brownie. Oh, Darcy...

Forget about that, Roxy. We'll teach you! BFF's ain't leavin' until someone understands somethin'. Forget about Kempton! He makes mistakes just like you, he'll never change.

"I guess you have a point." Roxanne, taking a bite from Darcy's brownies.

Hey, stop it! Darcy yelled.

That's it. You've got the spirit!

A er a few moments of talking and laughing, someone got our attention

It was our friend, Lizzy.

Hi Lizzy! We shouted.

"Hey guys! Mind if I sit in?"

Sure, no problem!

... Again, Darcy, as she was munching her ass o out of that brownie.

"Guys!" Lizzy exclaimed. "Guess what?"

What? Tell us?

"Someone's been trying to stalk you guys. Since all of you are pretty enough rumors are spreading. I heard it that's why I'm here to tell you."

All of us, unaware of the situation. Darcy yelled as she took her brownie out of her hand.

Who's that guy trying to stalk us? We are not the right persons to be stalked right now? Isn't it a turn o that I'm eating this brownie all over again! Rumors...

Guys, it's the rumors. Rumors always have a right and wrong. Roxanne explained.

I guess, it's our responsibility to know about this "person" who is stalking us. I said.

"Well, I'll help you with that!" Lizzy demanded.

Thanks, Lizzy! We're so glad that you told us. Chandria joined in. And why is that "person" trying to stalk us? Darcy has a point, we should also know his reason for stalking us!

All of us, including Lizzy, are pissed o .

We all end the day with a simple goodbye and each with a kiss on the cheek.

Later that night... @ Chatroom

Darcy_010 : heyyyy

Linly_Powell: Hi Darcy! Where's everyone?

xxRoxxy: I'm here!

Candy_girl_998: On board, captain!

Linly_Powell: Have you finished your homeworks? :O

Candy_girl_998: i'm on history.

xxRoxxy: i am currently doing the english essay. :)

Darcy_010: almost finished!!!

Linly_Powell: i forgot my binder in the locker! I hope i finish on time!!! :/

Darcy_010: you'll finish! go to school early!

Candy_girl_998: Hey! I researched about how to know someone who stalks you!

xxRoxxy: How???

Candy_girl_998: It may be someone who we rejected or hurt. Or it may be some guy trying to know what we do in our daily lives since, according to Lizzy, are "pretty" enough and popular.

Linly_Powell: We're not popular?! We're not even as pretty as the Shenside Twins!

The Shenside Twins, Kelly and Julia Shenside. They own a hotel, restaurant, several lots, salons, almost everything near here, where we live! Truly the most "richest" persons in the whole campus! They have extremely long blonde, luscious hair, gorgeous eyes, branded clothes, the biggest house! Where else could they be? And they are rumored to be owners of an international airport but that was never clarified.

Darcy_010: We're not even popular as Professor Kempton himself!

xxRoxxy: I think someone's jealous of our good deeds. I mean, we've never done anything wrong! I never thought of doing anything wrong. Right girls?

Linly_Powell: Yep!

Candy_girl_998: yesserry!

Darcy_010: Right!

Linly_Powell: I guess we should have to bear with it. We'll find out who that stalker is in no time!

Candy_girl_998: Wait. If there's someone trying to stalk us, how come it didn't reach us? We don't even know about this. And it's the rumors, they spread quickly. So how come someone told us first before we knew about it?

Linly_Powell: Yeah right. You have a point there, Candy. *That's Chandria hihi*

xxRoxxy: I have a bad feeling about Lizzy. I think she's the one stalking us. A er all, she said we're the pretty ones.

Darcy_010- Forget about Lizzy! She isn't in our convo. She's trying to help alright?

xxRoxxy: Okay...:/

Linly_Powell: We just need to focus on our studies guys. Let's just see on Monday. If there's something that's going to happen then we should update ourselves. Kayy? :D

xxRoxxy: Yesyes!

Candy_girl_998: Yes ma'am!

Darcy_010: Sure thang! :-)

Linly_Powell: See you all on Monday?

Candy_girl_998: WAIT!

Linly_Powell: What?!

xxRoxxy: What's wrong?

Darcy_010: Huh?

Candy_girl_998: I forgot some of my homeworks in Lint's binder! And I also le my notebooks in her locker!

Linly_Powell: oh yeah!!! I forgot to tell you! Because of all that stalker shit, I forgot!!! Okay, we'll just do it together on monday! :) HAHAHA.

Candy_girl_998: big laugh there eh? Hahaha. Okay. :))

xxRoxxy: Omg.

Linly_Powell: What again?

Candy_girl_998: here we goooo.

Darcy_010: :/

xxRoxxy: GUYS! I forgot to tell you! I saw a very very cute guy! In the drugstore on my way home!!!

Darcy_010: Here we go agaiin.

xxRoxxy: He's cute, tall and muscular but really, really fine looking!!!

Just to inform you guys, Roxanne has an ultimate crush on any boy she sees! Expecially cute and muscular ones. Don't forget tall! There was this one time she asked a boy about his mid-teens if they could go out together. The boy's response was overwhelming!

"Missy, go look for someone your own size!"

Roxanne definitely got a trauma for askin boys out first. She learnt her lesson. But the scene was hilarious!!! We couldn't stop laughing!

Linly_Powell: Roxy, stop it. You're going again!!!

Candy_girl_998: Guys, i'm goin. Starting to feel droopy! See ya'll on monday! :*

Linly_Powell: I guess i should o too. Bye guys!! :*

Darcy_010: sure girl! Let's just talk all about this on monday! Bye bye!!!

xxRoxxy: Talk about boys too!!!! Bye :*

I turned o my la o (laptop!), showered, got in my jammies, jumped into the bed and thought about all the things I've done today. It was indeed a productive day, I guess.

Why is it that if the rumors are fast, how come we didn't even know about it?

It's all on Monday.

That does it.

Good Night!

:)
