

## Chapter 3 - School Supplies

\*PLEASE READ BEFORE READING!\*

get it? Read this before reading, Aah, nevermind. Hahaha.

I'm putting on apostrophes and quotation marks to the person the girls are talking to.

Ex: Lizzy, Dad etc. Just a reminder so you won't get confused with the conversations!

Just to clarify, I'm not putting on quotations to any of the girls. :) But if any of the girls are talking to another member of the group, I will still put on those quotations (example Roxanne to Lintley and Darcy, I will only put quotations on Roxanne).

THANK YOU! Also a massive thanks to WanderingDancer who told me to! :\*

Happy reading! :->

---

ting-ling-ling-ling-tu-ru-rut-bam-bam-bam!

-- alarm clock.

Ugh!!! That alarm!!!

I stood up, on my feet. As I looked on the clock it was 9 a.m. Still early.

I went straight to the bathroom to get ready. Took a wee and washed my face. All fresh and ready! But I didn't change yet. Too early to change. Hihihi.

"Lintley Rose!!!"

Who's calling me now?

What?!

It's my mom.

"Breakfast's ready!!!"

Okaay!

Yes, breakfast at last! But how did she know I was awake? :/

Oh. Whatever. Let's munch!!! :D

...

On the table:

- Bacon (Yum!)

- Eggs

- Fried Rice

- Pancakes

Yummy! How could she prepare? It's just a regular saturday, it feels like a feast here! Well, this only happens once, give it a chance.

Okay. I WAS DEFINITELY FULL! Ate 3 pancakes, a whole bunch of bacon and 1 egg. Woaah! But it was pretty damn good! A mother's cookin' is the best!

"So, Lint. How's school?" Dad asked while reading the newspaper and at the same time drinking his cup of hot co ee.

Fine, Dad. Really fun!

"Okay, good."

But Dad...

"What sweetie?"

Someone's trying to stalk me and the girls...

"How did you know? Are you a ected?"

No, Dad we're not a ected. Lizzy told us. Isn't it impossible? We we're unaware, Dad. It's a rumor so it should spread quickly!

"Lintley, it's just the rumors and the whispers. It's not true."

But dad-

"Shh, honey. It's just the rumors. If you know to yourself that you don't have stalkers, then you don't. Just don't be a ected by it Lint. It'll come and go."

Thanks for the words, Dad! Mind if you drop me by at the mall?

"Sure honey. What for?"

I have something to purchase. Just school supplies.

"Sure honey. 1pm, is that okay?"

Sure Dad. Thanks!

'Ah honey, are the girls coming with you?"

No, Dad. I'm all by myself.

"Do you want me to assist you? You might bump into someone, Lint. I don't like that!"

Dad, I can go on my own. If something's wrong, I'll text you to pick me up. Okay? :)

"Okay honey, whatever you say." As he bites on to that pancake.

I rush to my room. Open my la o (as some of you don't know its my laptop), open the chatroom and see if the girls are online.

Unfortunately, no one is! Oh my gosh. I'm bored.

I got nothing to do! None of the girls are online and it's only 11am!

What are they up to? Did they not wake up at this moment?!

My phone rings... \*Best Song Ever - One Direction\*

It's Candy! Finally!!!

Hi Candy!

"Hi Lint! What you up to today?"

Oh, just here. Lying on my bed, nothing to do. You?

"Eating brunch with fam bam."

Isn't it rude to have calls during meals?

"Yes but I'm full! I'm at the living room, lounging."

Ohh. Sure. Wanna go to the mall @ 1pm?

"Oh sorry Lint, the family planned to go to our campsite. We're gon go campin'! Sorry can't go. Ask Darcy or Roxanne if they're available-- oh Lint got to go! Bye!"

Bye Candy! See you soon!

Okaay. I am so glad Candy called. Thank Marshmallows! Let's see what Darcy and Roxanne are up to...

Chatroom

Darcy\_010 is online.

xxRoxxy is online.

FINALLY!!!!

Linly\_Powell: Hey guys! Good Mornoon!

Darcy\_010: Hi Lint! Good Mornoon!

xxRoxxy: GMnoon! :->

Darcy\_010: Where's Ms. Candy? \*smirks\*

Linly\_Powell: On a camping trip with fam bam. Called me earlier. :) Hey guys! Wanna hang in the mall today @ 1pm?

xxRoxxy: Oh I'm sorry Lint, we also have family plans. Ya know... It seldomly happens. I'm sorry I can't go with you...

Linly\_Powell: It's fine, Roxy! :) Darcy, mind if you go with me?

Darcy\_010: Sure, Lint! See you at 1pm? :)

Linly\_Powell: Okiee! Meet me @ BK. (Burger King)

Darcy\_010: Seeyah! ;)

Linly\_Powell: Sure! ;)

xxRoxxy: Bye guys! :))

end conversation.

Yes! Finally! A companion! :)

Darcy, she was my most loyal friend of my life! We've been classmates since 5th grade, we became seatmates and finally, BFF's! We just met Roxy and Candy during 6th grade graduation, they were our seatmates during the ceremony.

I am just so grateful that until now, our friendship has never been broken. A strong friendship indeed. I just hope our ropes don't break! And it NEVER will.

It's 12 noon. Must get ready!

I scrub my hair with my ever favorite Head and Shoulders shampoo and rub myself with Dove soap. I gently wash my face with soap and brush my teeth.

Now, what shall I wear? I check the cabinet full of worn clothes... I think everyone knows what I'm wearing! I pick up a simple white tee and a red checkered blouse and pair it with black pants and converse. Nothing special. Just simple.

I'm good to go! Now, gotta check my things, Cellphone- check! Pocket money- check! Powder and cologne- check! Handkerchief- check!

iPad Mini- check! Throw all that stu into the my bucket bag and I call Dad.

Dad!!

"Are you ready?"

Yes, Dad! I'll be downstairs in a sec!

"Sure honey!"

And were o. To the mall we shall go!

"Honey, pick you up at 6pm. That okay?"

Yes Dad. Perfect time! Bye! Love you!

"Take care, love you."

Now... Where's Darcy? Oh! At BK, I forgot!

Darcy!!!

"Hi Lint!"

How long have you been here?

"Ahh, 10 minutes ago. Got kinda excited! So, whatcha doing here for again?"

Let me just buy some school supplies. Come on, let's go grab a bite first.

"Yeah! Those are the exact words that I wanted to hear from you, Lint! I'm starvin'!"

Ohhh, Darcy... So, what are you craving for? I'm craving for something chicken-y.

"I crave for something beefy and savoury..."

"SUBWAY!" We both shouted.

--

Did you notice that we were at Burger King but we wanted to eat at Subway? Hahaha. Trick conversation, guys! Now, back to the story.

--

Let us go to the Subway! I said in a british accent. (LoI'ed at myself)

"Hello guys. What would you like for today?"

Roasted Chicken Sandwich with potato chips and coke. What's yours, Darcy?

And a Roast Beef sandwich with salad sides and mineral water. That's it, Miss.

We paid for our meals.

"Please wait for your names to be called. Thanks for stopping by here at Subway!"

Yay! Food!!!

So, Darcy. Any words about our stalker?

"I kinda agree with Roxanne. It's Lizzy, I know it."

It can't be. How could she be our 'friendly' stalker?

"That's the question. I don't know. It just went into my mind with no admission to enter."

Hmmmm. How could Lizzy be our stalker? She's a close friend if ours, she'll never do that to us. I'm not saying that she's jealous or something- or maybe...

Darcy got our orders.

"Lint!" As Darcy was taking a bite. "Guess who's here."

It's Lizzy.

Hi Lizzy!

"What you up to now?"

Just eatin' a subway. You? Damn it. Why she here? I can feel stalker-ness. But I can't tell whether she's the suspect.

"Roaming around. Can I come with you?"

Ughhh... Ugh... Darcy panicked.

I panicked.

We both panicked!

What is she doing here???

Is she really our stalker?

Nooooo.

How come you don't have someone with you? I asked.

"I don't feel like going with someone today..."

Then why the hell do yo- Darcy said as I closed her mouth with my palms.

But yeah, I was wondering... Why does she want to hang if she doesn't want company? Interesting but weird. :/

to be continued... CHAPTER 3.1 - School Supplies

TEASER (but not a spoiler):

Lint will be buying some supplies for something. But something goes over her way. Lizzy. But what exactly will that 'something' be? Find out on the continuation chapter of SCHOOL SUPPLIES!

Thanks readers! Keep on votin! Cause' that'll make a big impact to my life.

THANKS AGAIN. ;)
