

## **Kiss Me 1041**

Chapter 1041 couple's outfit, photo taken together

"How can this be called being a gigolo? It was my fault to begin with. Naturally, I have to take responsibility for it."

"But in my opinion, taking money from a woman is being a gigolo."

She was stunned again.

"But that money should have been —"

"Eat!" Before she could finish her sentence, Xiang Yi stuffed a piece of snack into her mouth.

With the food stuffed into her mouth, she looked at him and finally lowered her head to eat.

Maybe Xiang Yi just didn't want her to feel insecure. To him, this was indeed an embarrassment and a blow.

She suddenly sighed, as if she had done another embarrassing thing in her wildness?

Hearing her soft sigh, Xiang Yi couldn't help but raise his head, "What's Wrong?"

She raised her eyes and pursed her lips. "Nothing."

After saying this, she seemed to have lost her appetite. She ate bit by bit.

"You're not eating anymore?"

Seeing that she was unhappy, Xiang Yi also lost his appetite.

She nodded. "Yes, I'm full."

He knew that she was still concerned about the compensation, and he did not want to bring it up again.

"Then let's go for a walk?"

She looked up and suddenly became interested. "Sure!"

After paying the bill, the two of them came to the bustling street together, like a couple in love. Well, they were!

"What's Wrong?" Pulling her along, they suddenly realized that she had stopped.

When they turned around, they saw that she was staring at something.

Not long after, they saw her excitedly crossing her face. "We'll buy that too!"

Xiang Yi looked in the direction she was pointing at and realized that the couple who had just walked past were all wearing matching outfits. It turned out that this had attracted her attention.

“Okay.” He smiled and agreed. The two of them walked into the mall and bought a matching outfit as well.

They walked into the fitting room and changed into matching outfits. The two of them came out at the same time.

Looking at Xiang Yi who was wearing casual clothes, he had a different kind of sunshine and handsomeness.

Shi Nuannuan could not help but look infatuated as she looked at him in intoxication.

“Let’s take a photo!”

As she said that, she pulled Xiang Yi over and took out her phone to take a group photo.

One photo seemed to be insufficient, so she took another one.

When she took the last photo, an idea flashed through Shi Nuannuan’s mind, and she suddenly turned her head to look at Xiang Yi’s side profile.

Through the camera’s image, he saw that she was staring at him. He frowned slightly and turned his face away in puzzlement..

Just as he turned, a familiar softness came from his thin lips.

“Kacha.”

Just like that, a group photo of kiss was taken perfectly.

Xiang Yi let go of her lips and could not help but chuckle. He raised his hand and stroked her head lovingly.

As he flipped through the few photos he took, Shi Nuannuan used the photo of Kiss to make a wallpaper for her phone. The more she looked at it, the more she liked it.

Then, she sent the photo to Xiang Yi. She took his phone and replaced his wallpaper with that photo!

“Does it look good?” She showed him the screen of the phone that had changed numbers. She looked innocent and innocent.

“Yes.” He nodded and took a deep look at the photo.

“Let’s Go!” After buying the couple’s clothes, she pulled him out of the fashion shop. Before she knew it, it was already dark.

Seeing that night was gradually falling, the two of them returned to the hotel together.

Xiang Yi was also prepared to go to the agreed location to discuss the contract.

At the same time, an Zhihan was also about to go out when she received a call from her partner at the last minute.

Looking at the sudden call, an Zhihan thought, could it be that something happened to the contract?

## Chapter 1042, What About Your Dinner?

She picked up the phone uneasily, comparing this collaboration with whether Phoenix Group would be selected as a star-rated hotel in the future.

“Hello?”

“Is it miss an?”

“Yes.”

“Our boss said that the contract location has been changed. He wants you and Mr. Xiang to come directly to the villa to attend the banquet organized by our boss Guo. You can bring your male and female partners.”

“...”an Zhihan was a little surprised by the sudden change of events.

“Secretary Chen, is there something wrong with the contract?”

Hearing this, secretary Chen couldn't help but smile. “No, don't worry. It's just that our boss Guo organized a banquet at the last minute and wants to invite you and Mr. Xiang.”

“...”

“Okay, I got it.”

After hanging up the phone, she suddenly returned to her room. She only came out after half an hour, but now she looked completely new.

She walked to the car, opened the door, and sat in the driver's seat.

After the car started, she dialed Xiang Yi's number.

“Hello?”

“Where are you? I'll pick you up. CEO Guo changed the location of the contract at the last minute.”

Hearing this, Xiang Yi couldn't help but frown. “Changed the location at the last minute?”

An Zhihan nodded. “Yes, it's in one of his villas.”

He was a little puzzled. Why did he suddenly change the location at the last minute?

“That Villa is a little far. It'll take more than forty minutes to drive there. Shall we go there together?” An Zhihan said again.

Xiang Yi thought for a few seconds. It was his first time negotiating such a big contract. Naturally, he couldn't be late, so he nodded and agreed.

Anyway, he was only going to do business.

After telling an Zhihan the name of the hotel, he hung up the phone, turned around, and looked at the person sitting on the sofa, then walked over.

“Who is it?”

“An Zhihan, the contract location has been changed at the last minute. I want to go with her now.” He didn’t want to hide anything from her.

She looked at him and suddenly pouted. “Just the two of you?”

He walked over and sat down beside her. He patted her head as if he was stroking a pet. “Well... It’s just the two of us now. There’s still our partner, President Guo, when we get to the destination.”

“Okay!” She looked very reasonable.

But it made him laugh.

It was already six o’clock in the evening, and the appointment with President Guo was at seven o’clock. In other words, he couldn’t eat dinner with her.

“What about your dinner?” He raised his hand to touch her delicate cheek and asked softly.

Hearing his question, Shi Nuannuan also realized that she had to eat dinner alone, and she could not help but feel a little disappointed.

However, she knew very well in her heart that Xiang Yi was going to work. In the future, when she was with him, he would definitely have a lot of work to do for himself. She could not ask him to eat dinner with her every day, could she?

Thinking about it, the small disappointment in her heart was relieved.

“It doesn’t matter. It’s not like I’ve never eaten alone before!”

He smiled lightly and pinched her oval face lovingly. “Then eat more.”

“Okay!”

Just as the two of them finished speaking, the phone rang again.

“Hello? Xiang Yi, I’m downstairs at the hotel.”

“Okay, I’ll be down right away.”

After hanging up the phone, she looked up and saw the person in front of her reach out to pick up an apple from the fruit plate on the coffee table.

His expression froze, and he suddenly reached out to snatch the apple that she was about to bite down on.

The apple in her hand ‘disappeared without a trace’. Shi Nuannuan’s gaze turned away from the television, and she looked at the man who had snatched away her food with a blank expression.

Chapter 1043, you like ‘Boobs’?

“What?”

“Did you forget about the pain so quickly?” The Doctor said that she had a cold uterus and that it was best not to eat these cold fruits when she was on her period.

After he mentioned it, Shi Nuannuan also remembered that her period was not clean yet.

Uh, then she had tried all means to book a room just so that she could get rid of Xiang Yi. Didn't that mean that her hopes were dashed now?

Damn it, how could she forget that she was still on her period?

Thinking of this, she could not help but scratch her head in frustration.

He thought that she was unhappy because she could not eat the apple, so he could not help but comfort her softly, “Just hold on for a few more days.”

He said that she could eat the apple after a few more days, but Shi Nuannuan's mind was completely immersed in what she was thinking. When she heard his sudden words, she could not help but be stunned for a few seconds, as if she had mixed up her thoughts with what he was saying at that moment, with what he was saying at that moment.

She stared at him and suddenly blurted out, “You want me to sleep after a few more days?”

He paused, and the expression on his face could not help but freeze.

Then, he chuckled and touched the top of her head. “You're thinking too much.”

Shi Nuannuan furrowed her brows as if she was gradually realizing that he was referring to eating the apple when he said he would be able to last a few days.

Alright, she didn't hold back again!

However, she couldn't help but ask, “Then when are you willing to let me sleep?”

He was stunned and felt helpless about her question.

Did she know the nature of this matter?

It wasn't just a simple sleep, but once the relationship happened, she would give up her life to be taken care of by him. And one day in the future, would she regret trusting her life to him?

“When my nuannuan grows up a little.” He smiled lightly, asking her to wait patiently.

Shi Nuannuan looked down at her chest in shock.

Grow up a little? wasn't she big enough now?

She looked up at him with an innocent look and asked in a daze, “You like ‘Boobs?’”

Xiang Yi paused again, completely defeated by her ability to understand!

“I mean when you grow up, it's not...” following her question, his gaze actually inadvertently glanced at her chest. He felt that his entire being had been disrupted by her, so he quickly retracted his gaze, he corrected her, “It's not your appearance.”

Perhaps it was embarrassment, or perhaps it was her unintentional teasing that caused his voice to become slightly hoarse.

Feeling a warm current spread in his body, he suddenly stood up. If he continued to communicate like this, he would be aroused by her again!

“I’m leaving first. You eat your food obediently. Don’t eat any more fruits.”

“Okay,” she said and watched him leave.

When he came out of the room, he felt a chill coming from outside. Only then did he completely remove the heat in his body that was inadvertently aroused by her.

It seemed that they had to go back as soon as possible. Otherwise, if this continued, he was really worried that one day he would not be able to control himself. He was a hot-blooded man, how could he withstand her repeated teasing?

Only when he returned to Z country would he have endless work to do, and she would not constantly run to his side.

He entered the elevator and arrived at the first floor. When he exited the hotel, he saw a Porsche parked in front of the building.

The car window slowly rolled down. He saw an Zhihan’s gentle smile and waved at him.

He walked over and opened the passenger door.

Chapter 1044: There was no second relationship

As soon as he sat in, he realized that she was dressed up.

He furrowed his brows and looked at her in confusion. “Didn’t you say you were going to discuss a contract?”

With her attire, it was obvious that she was going to attend some banquet.

An Zhihan smiled. “I’m going to discuss a contract, but I’m also going to attend a banquet?”

He furrowed his brows in confusion.

An Zhihan started the car and explained everything to him along the way.

Forty minutes later, the car stopped in front of a villa in the suburbs of G City.

After the two of them got off the car, someone quickly came forward to meet them.

“Is it Miss An and Mr. Xiang?”

“Yes.”

“Please follow me. President Guo is waiting for you.”

Under Secretary Chen’s lead, the two of them entered the magnificent villa together.

As soon as they entered, they discovered that it was an open-air cocktail party, set at the swimming pool in the backyard.

“Director Guo.”

Seeing director Guo, Xiang Yi and an Zhihan respectfully greeted him.

Director Guo looked to be in his thirties, with stubble of different shades still remaining on his face. He looked like a successful person, but because of that, he was somewhat arrogant.

“You’re here.” Seeing the two people in front of him, president Guo held a goblet and smiled at them, his gaze stopping on an Zhihan’s face.

When she met his strange gaze, an Zhihan couldn’t help but be startled, and she hurriedly lowered her gaze.

It was said that President Guo was already thirty-five years old, but he hadn’t married yet.

Although he was successful and famous, an Zhihan still didn’t have a good impression of this president Guo. If it wasn’t for her father leaving the project to her and Xiang Yi, she also didn’t want to have too much contact with this President Guo.

His strange gaze always made her feel somewhat uneasy.

“You actually didn’t bring any male or female companions. Could it be that Miss An and Mr. Xiang are...” looking at the two of them, who didn’t bring any male or female companions, president Guo’s gaze lingered between the two of them as he spoke with a chuckle.

However, his words made Xiang Yi startled.

This banquet could be attended by his female companions?

“I heard that you two are the golden couple in the Phoenix Group. Now that I look at it, it really is...”

“President Guo, you misunderstood. Miss An and I are purely professional.” Xiang Yi suddenly spoke before president Guo could finish his sentence.

With one sentence, the relationship between the two was clearly clarified. An Zhihan’s gaze naturally fell on the side of his face.

However, Xiang Yi did not look at her. He casually picked up the wine glass on the table with a cold expression.

She knew that he was probably angry that she had hidden it from him.

She just wanted to stay with him in a place where there was no Shi Nuannuan, so she had hidden the fact that she could bring her female companion here as she pleased.

“Let’s have some fun first. We’ll talk about the contract later. You guys do as you please. I’ll excuse myself for a moment.” President Guo smiled and did not forget to glance at an Zhihan before he left.

An Zhihan felt a little uncomfortable under his gaze and quickly lowered her head.

After director Guo left, Xiang Yi walked to the side of the pool with a glass of wine in his hand. His gaze stopped at a spot not far in front of him, and the side of his face was cold.

An Zhihan walked over. "Xiang Yi."

He glanced at her slightly, but did not turn his head to look at her.

"I just think that since it's official business, the two of us should come together. Didn't I also not call for a male partner?"

"Zhihan, the person I like is nuannuan, both now and in the future. There won't be a second relationship between me and you." He turned his head, his tone neither warm nor cold, but every word pierced an Zhihan's heart.

Chapter 1045 then why don't You Like Me?

She didn't even open her mouth, but he had already made it very clear. He didn't even leave her any leeway.

"Am I not good?" She endured the pain and asked.

"Everything is good."

"Then why don't You Like Me?"

"Everything is good, but it doesn't mean that I have to like you." His deep gaze stared at her, hoping that she would understand this logic.

In this world, there was no lack of good women, but the only one he liked was Shi Nuannuan.

An Zhihan was stunned, tears welling up in her eyes.

He was really heartless.

"All these years, every little thing I've done, Can't you see it?"

"I see it now. After we negotiate this contract, I'll withdraw my investment." This decision was something that he had just come up with.

Only by cutting it off completely would he not let her have any further thoughts.

An Zhihan's eyes widened.

She had only wanted to tell him about the feelings that had been buried deep in her heart all these years, but she had not expected that he would withdraw his investment in exchange.

Although the deal today had been settled, his withdrawal would not have much of an impact on the Phoenix Corporation. However, once he withdrew his investment, the only bond between him and her would be gone.

"Don't, if you don't like me saying these things, I won't Say It Anyway—" she wanted to persuade him to stay.

However, he ruthlessly interrupted her.

“I’ve already decided.”

“Why, why must you be so ruthless to me? I don’t want a second relationship, but don’t divestment, okay?” Once he divested all the shares and investments of the Phoenix Group., she really had nothing to do with him.

“It’s too late.” Looking at the tears in her eyes, Xiang Yi realized that he might have been a little ruthless, but he had always been decisive in doing things. He did not like to drag things out and get entangled.

“Why?” Looking at the pair of tears, she asked unwillingly.

“Compensation.”

She was stunned.

Compensation? What he meant was that he wanted to sell his shares in the company to solve the problem of the compensation for the Broken Antique Vase?

“That vase was clearly caused by Shi Nuannuan, why did you help her –”

“Zhihan! I should have said that her matter is my matter, why do you have to dwell on this issue?”

“I. . .” She was stunned and looked at him with her delicate eyes. “I just feel that it’s not worth it for you...”

“She’s mine. Whether it’s worth it or not, it’s only whether I’m willing or not.”

“You love her so much?”

“Yes.”

An Zhihan sniffed and then closed her eyes, as if she had completely given up.

Xiang Yi glanced at her, as if he did not want to continue this topic with her, so he turned around and walked away.

Looking at his determined back view, an Zhihan gripped the wine glass in her hand tightly, then raised her hand and downed the cocktail in the glass!

After downing the cocktail, she seemed to not be able to solve her worries, so she simply walked to a nearby dining table and picked up the entire bottle of cocktail on the table and drank more than half of it in one go.

Xiang Yi, who had directly left, naturally didn’t see her actions.

He walked to a quiet corner and took out his phone to call Shi Nuannuan.

In the hotel room, Shi Nuannuan ordered dinner. As soon as she finished eating, she picked up an apple to nibble on.

When she was at home, she was already used to having an apple after dinner. She picked it up unconsciously.

Suddenly, her phone rang. She looked away and saw the familiar name on the screen.

She answered excitedly, "Hello?"

Chapter 1046, do you want my people?

"Have you eaten?"

"Yes, I have!"

He could tell that her voice was a little strange, as if she was chewing something. He frowned slightly, thinking that she had not finished eating yet.

"Are you still eating?"

"No, I've already eaten, and now I'm eating an Apple –"

Uh, Xiang Yi seemed to have told her not to eat the Apple?

But she had already said this, how could Xiang Yi not understand.

"Didn't I tell you to bear with it for a few days?"

She pursed her lips and looked at the half-eaten apple in her hand, her tone sounding a little wronged.

"But I can't wait. I want to eat it just by looking at it, just like how I can't help but want to sleep with you every day when I see you..."

"..."

Her words always left him speechless.

"How do you feel then?"

Shi Nuannuan calmed down and carefully felt it.

"En, there's nothing unusual."

"Call me if you feel uncomfortable anywhere."

"Okay!" She nodded heavily and continued to eat the remaining half of the apple. "Aren't you busy now?"

"Yes, it's a cocktail party. We'll have to discuss the contract later." He was not interested in such a cocktail party, so he would rather chat with her over the phone.

When she heard that it was a cocktail party, Shi Nuannuan's mind suddenly flashed across the scene of him being the center of attention at the party. Then, there would definitely be many women who would come forward to chat with him. When she thought of this, she felt a little uncomfortable in her heart!

"Then, you don't have any beautiful women by your side right now?"

Hearing this, Xiang Yi really turned his head around and looked at the surrounding positions.

He had specially chosen this relatively quiet spot. There shouldn't be anyone coming, right?

However, just as he turned to the other side, there really was a beautiful woman walking over. She was wearing a dress wrapped around her chest, which made her sexy figure look exquisite.

"Sir, would you like to have a drink with me?" The beautiful woman was enchanting as she raised the glass of red wine in her hand.

On the phone, Shi Nuannuan could clearly hear that extremely sweet voice.

"There really is a beautiful woman beside you, isn't there?"

Hearing the voice coming from the receiver, Xiang Yi retracted his gaze. "No, she just came over."

"You are not allowed to give her face. Reject her!"

"Okay."

"Then Speak Now!" She was like a spoiled child.

Yet, he enjoyed her acting coquettishly.

He looked up at the beautiful woman who was walking towards him. "I'm sorry, I'm on the phone with my girlfriend."

Hearing him speak, the smile on the beautiful woman's face obviously froze. She smiled a little awkwardly before turning around to leave.

On the other hand, Shi Nuannuan, who was on the phone, was quite happy with his answer.

"Mm, your performance is not bad!"

"Do you have a reward?" Following her tone, his mood also brightened up.

Shi Nuannuan's dark eyes turned. "Yes, do you want my person?"

"Yes."

"..." she could not help but feel flattered. "Really?"

When she asked this question, Xiang Yi suddenly understood that the 'her person' she was referring to should be hers..

However, he wanted her person, her heart, her body, and all of her, all of them, for the rest of his life!

"Yes."

"Then when?"

"When you grow up."

"..." it was the same answer again.

"I'm already 22 years old!"

“Yeah.”

“Then give me a time.”

“When I’m 23 years old.”

“That’s too long!”

“Nuannuan.” He suddenly looked serious.

“Yeah?”

“Do you still remember what Feng Lulu said?”

She was stunned. “What did she say?”

Chapter 1047 before that, could you..

“About my father.”

“...” his father?

She recalled what Feng Lulu had said, and Feng Boyu. Both of them had said that Xiang Yi’s father was... a death penalty criminal?

“Your father is really...”

“Mm.”

Although she had heard it long ago, now that he had said it himself, she was still a little shocked.

Her silence instantly made Xiang Yi feel a moment of panic.

Could it be that because of this, her heart had already begun to waver?

“Will you still insist on being with me?” Only by asking and knowing the answer could his heart finally settle down.

One of the reasons why he did not dare to accept this relationship back then was because of her unattainable status, and the second reason was his family background.

Because of the fact that his father was on death row, he had received a lot of disdain since he was young. As a result, he had quit school after he finished high school and went out to explore the world.

His deep voice came from the receiver. Shi Nuannuan came back to her senses and asked in a daze, “Why didn’t you insist?”

“You don’t care that I have such a father?”

“I like you. It’s not your father’s business. Why would I change my liking for you just because your father is on death row?”

Yes, she liked him purely because she liked him very much. She wanted to be with him and become his woman. She was not affected by the outside world and had nothing to do with that. She just liked him very much and wanted to be his bride, to spend the rest of her life together. That was all.

She suddenly realized that Xiang Yi was not willing to accept her just because of her identity, but because of his father?

His words had shaken his heart, so how could he not be touched.

He slightly raised the corners of his lips, revealing a slight arc.

“Warmth.”

“HMM?”

“I will spend my whole life treating you well.”

“HMM, before that, can you let me fall down first?”

“...”

The atmosphere that was originally somewhat emotional was made to laugh by her after she said those words.

This kind of thing could not be solved by talking over the phone, and it was even more impossible to fix the time.

“We’ll talk about this when we get back to Z country.”Of course, this was only his way of comforting her.

“Alright then!”Since she was going back on the seventh day of the Lunar New Year, and her period would only end at that time, everything she thought about now was in vain!

At the same time, an Zhihan finished a bottle of cocktail and switched to another bottle of whiskey beside a flower pond not far away.

After a few glasses, she was already a little drunk.

A deep male voice sounded from above her head, “Miss an, so you’re here.”

An Zhihan raised her head when she heard the voice. For some reason, she had already taken the figure in front of her as Xiang Yi. Wen Sheng’s voice sounded like Xiang Yi’s.

Her eyes were full of tears. Due to her drunkenness, her face was flushed red, which made her look even more charming.

“Why... Why Don’t you like me?”

President Guo couldn’t help but pause when he heard her mumbling, as if he had misunderstood her meaning.

He had been interested in an Zhihan since the first time he saw her. Otherwise, he wouldn’t have condescended to discuss a partnership with a small company like the Phoenix Group. It was all for the sake of an Zhihan.

Looking at the blurry figure in front of her, an Zhihan stood up with her drunken eyes. Although she had drunk quite a lot of wine, she stood up at this moment and was on the verge of collapse.

Seeing this, president Guo couldn't help but reach out his hand and hurriedly support her.

Chapter 1048 an Zhihan was drunk

Following his support, an Zhihan fell into his arms.

"Tell me, why don't you like me... I like you so much... why... why can't you see me, I clearly like you so much..."

Her words moved Guo Zihao's heart once again.

Could it be that an Zhihan also liked him?

As she was thinking, an Zhihan spoke again.

"Xiang Yi... do you know? I've liked you since I was young... I really like you... But what about you, you only have eyes for that Shi Nuannuan!"

Her words caused Guo Zihao's hand on her shoulder to suddenly stiffen. He furrowed his brows and lowered his head to look at the person in his arms.

So, the person she liked was Xiang Yi?

As she moved, the coat on an Zhihan's shoulder fell down, revealing a pair of fair and sexy shoulders. It was especially alluring, especially the ample cleavage on her chest. Any man who looked at it could not help but feel his body heat up, guo Zihao was naturally no exception.

"Miss an, you're drunk,"he said, trying to wake her up.

However, an Zhihan had long been drunk. She slowly raised her head along with his strength and simply reached out to grab his neck. Looking at the familiar yet blurry face in front of her, she asked drunkenly, "You... Why did you still call me miss an?"

"You're drunk."He stared at her, but had no intention of pushing her away, because at that moment, an Zhihan's face was red. She was simply too charming..

"I'm not drunk!"She sobbed. She was especially fascinated by the face in front of her. "Xiang Yi, if it weren't for Shi Nuannuan, would you have liked me?"

Guo Zihao just stared at her and listened to her sobbing.

The next second, to his surprise, an Zhihan suddenly moved closer to his lips and kissed him without hesitation.

Guo Zihao tried to push her away, but an Zhihan hugged him even tighter and the kiss became more intense.

Guo Zihao was completely mesmerized by her awkward kiss.

How many men could resist such a fatal temptation when a beautiful woman threw herself into their arms and dressed so sexy? Moreover, he had a crush on the woman in front of him.

By mistaking the man in front of her for Xiang Yi, an Zhihan kissed him so hard that she forgot herself. It was as if she was afraid that the man in front of her would no longer belong to her once she let go, so she kissed him even more impudently and senselessly..

“Miss an...”

At this moment, Guo Zihao also lost his ability to resist. Recently, he had not touched a woman for a long time. How could he resist such a fatal temptation.

A voice came from afar. Afraid that this scene would be seen by others, Guo Zihao simply picked her up and walked into the room.

When they reached the room, an Zhihan’s entire body was still glued to his body. She was unwilling to leave his lips, and her hand even boldly reached into his shirt.

Guo Zihao was so aroused by her that he could not hold back his desire. After he laid her down on the bed, he quickly pressed himself on top of her.

Since there were no outsiders around, he did not need to restrain himself anymore. He took off his suit jacket and fiercely gnawed on the person underneath him.

An Zhihan, who had just experienced human affairs, coupled with the alcohol in her body causing mischief, soon felt her body heat up. Her entire body became uncomfortable, as if only his large palm could relieve her discomfort at this moment.

In less than a moment, the two people on the bed had already ‘met with sincerity’..

(the following plot can not be described, everyone can imagine it for themselves)

Chapter 1049: Nuannuan’s call

Looking at the satisfied look on her body, Guo Zihao placed his big palm on her body and exerted force! It wasn’t until she couldn’t take it anymore that she let out a passionate cry.

“Ah!”

Guo Zihao only got off her body in satisfaction after he completely had enough of her.

At this moment, an Zhihan had long been exhausted due to the alcohol in her body. She gradually fell asleep with the comfortable pleasure and sleepiness..

The banquet was nearing its end, but the contract was still not mentioned.

Xiang Yi, who was standing by the pool, could not help but look at the watch on his wrist. It was already nine o’clock sharp.

He looked around and looked around the entire courtyard, but he did not seem to see an Zhihan.

Where did she go?

Standing where he was, Xiang Yi frowned slightly. Could it be that his words just now had hurt her?

As time passed, he had no choice but to take out his phone and dial an Zhihan's number.

In the room on the second floor, Guo Zihao was admiring the person on the bed when he suddenly heard his phone ring.

Following the source of the sound, his gaze stopped on the exquisite handbag. The sound came from inside.

He got up, opened the handbag, and took out an Zhihan's phone.

The two words 'Xiang Yi' were displayed at the top of the screen.

Staring at the name, Guo Zihao was silent for a long time. He did not intend to pick up the phone. Instead, he put it down, picked up his phone, and dialed secretary Chen's number.

In the courtyard, an Zhihan did not pick up her phone, so Xiang Yi had to give up.

Just as he was about to put away his phone, it rang.

He thought it was an Zhihan who had returned, but when he looked closely, he realized it was nuannuan calling.

"Hello?"

"Xiang Yi..." in the hotel, Shi Nuannuan was sitting on the sofa, clutching her stomach with a pained expression on her face. Waves of pain throbbed in her lower abdomen, making her beautiful face instantly pale as paper.

Hearing that there was something wrong with her voice, Xiang Yi's heart instantly tightened. "What's wrong with you?"

"My, my stomach hurts..."

Hearing the weak voice on the phone, Xiang Yi felt his chest tighten. "I'll go back right now!"

He hung up the phone impatiently and was about to turn around and walk toward the entrance of the villa.

At this moment, a sweet voice called out to him from behind.

"Mr. Xiang."

Hearing the voice, he stopped and turned around to see Secretary Chen, who was standing beside Wen Sheng, walking toward him gracefully.

"Are you looking for miss an?"

Xiang Yi was stunned. He was indeed looking for Zhi Han.

"Do you know her?" He needed to find her before he could go back.

Otherwise, he would have to walk a long distance in this suburb before he could take a taxi to the city.

“Miss an is with President Guo. The contract has been signed, but they still have something to talk about. President Guo told us that he will personally send miss an back in a while. Mr. Xiang, you can go back yourself.”

Hearing Secretary Chen’s words, Xiang Yi was silent for a moment before saying, “Alright, thank you.”

Secretary Chen smiled gently, then turned around and left in his high heels.

Looking at her back view as she left, Xiang Yi hesitated for a few seconds before turning around.

It seemed that he could only walk to the highway in front and take a taxi to the city.

He did not have any doubts about secretary Chen’s words, because his heart was completely occupied with the people in the hotel.

He turned around and strode toward the direction of the door. He ran almost to the side of the road, flagged down a taxi, and left quickly!

: Chapter 1050 only felt sorry for you

Forty minutes later, they returned to the hotel. When they opened the door, they saw Shi Nuannuan lying on the sofa, her face extremely pale.

Her heart suddenly froze when she saw the person on the sofa. She quickly rushed to the sofa, picked her up, and rushed towards the door!

After arriving at the hospital, Shi Nuannuan only gradually woke up after half an hour.

When she opened her eyes, she saw the slightly gloomy face and could not help but pause.

What’s wrong with him? Is He in a bad mood?

Her big, Bright Eyes blinked twice. She sat up and could no longer feel any pain.

“You, What’s Wrong?”

He stared at her, his handsome face slightly gloomy.

Just now, the doctor told him that it was because she had eaten a fruit that caused her to faint due to the throbbing pain.

He had clearly warned her before he left, but she still ate it.

The Doctor said that if this continued for a long time, it would cause damage to her body.

“Didn’t I tell you not to eat it?”

His sudden rebuke made Shi Nuannuan feel somewhat inexplicable. It took her quite a while to recover and understand that he was talking about the apple.

Actually, she did not eat it because she had forgotten his instructions. She was really just used to it.

When she was at home, whenever she sat in front of the sofa and saw the apple on the fruit platter, she would pick it up out of habit and chew on it. This had really become a habit in her life.

"I didn't say that. I'm just used to it." She pursed her lips. Facing his rebuke, she suddenly felt a little wronged.

The way she suddenly felt wronged startled Xiang Yi. He realized that his tone was a little harsh just now?

Thinking of this, he could not help but stand up. He turned around and sat down on the edge of the bed. He said softly, "I'm not blaming you. I just... feel sorry for you."

His explanation made the little bit of grievance in Shi Nuannuan's heart disappear instantly.

"Then I'll try my best to get rid of this habit in the future!"

Xiang Yi did not expect her to say this. The corners of his mouth curled up slightly. Perhaps it was enough for the two of them to be honest with each other.

"Can you leave?"

Seeing that her complexion was much better, and the doctor had also said that in her condition, she did not need to be hospitalized. She could leave when she woke up.

And after the last time, he also knew that she did not like the pungent smell of disinfectant in the hospital.

And Shi Nuannuan's answer was, "No!"

He was stunned. It was obvious that she was in good spirits. Could she really not leave?

His deep eyes looked at her, and he could see the little thoughts on her mischievous face.

"Then I'll carry you?"

"Okay!"

As she said that, she could not wait to get up and quickly climb onto his back.

He was completely aware of her childishness and spoiled her to his heart!

He carried her all the way out of the hospital. When they arrived at the hotel, it was already 10:34 pm.

If she did not have her period, Shi Nuannuan would definitely have thought about how she was going to sleep with Xiang Yi tonight. However, when she realized that she was still in her period, she became more well-behaved.

After taking a shower, she lay down on the bed and patted the seat beside her. "Don't worry, I won't think about how to sleep with you tonight. You can sleep here peacefully!"

Xiang Yi could not help but chuckle.

Perhaps tonight, they could really just 'share a bed'!

However, just when he thought that he could hug her and sleep peacefully, Shi Nuannuan started to become restless again!

Although she did not do anything, the words that came out of her mouth made Xiang Yi speechless..

“Xiang Yi.”

“Mm.”
