

## Kiss Me 1081

Chapter 1081-you don't like Cheng Huan?

Cheng Huan also glanced at her. "No."

"Why didn't You Say Anything?"

"He likes you very much. He wholeheartedly hopes that you can become the Cheng family's granddaughter-in-law. and..." Cheng Huan suddenly lowered his head. His expression was somewhat dejected.

Shi Nuannuan could not help but be startled. She was a little surprised.

"And what?"

After a long silence, Cheng Huan softly spat out two words. "I can't bear it."

Looking at his lonely and gloomy side profile, Shi Nuannuan could not help but feel warm.

Can't bear to?

From Cheng Huan's face, she seemed to be able to tell that he had something on his mind that he did not want to reveal.

"You, do you have something on your mind?" She looked at him with a pair of black eyes.

After being together with Cheng Huan for a long time, she felt that he was a good friend of the opposite sex. He would not feel like he did not know how to face each other like before.

After all, in the world of love, if they could not be lovers, let alone be friends.

Of course, there were also some people who would say something like, 'I hope we can still be friends' when they broke up or expressed their feelings. However, how many people could really do that? After turning around, they became strangers to each other.

Initially, when Shi Nuannuan expressed her feelings for him, she also felt that she could not even be friends with him in the future. However, as time passed, Cheng Huan was always able to make people get along well with him, she did not feel any awkwardness. It was as if he liked her and was just casually saying it.

He would not pester her. This was one of the reasons why Shi Nuannuan did not hate him.

Cheng Huan raised his head and looked at the sky in the distance. His mood was a little heavy.

"Grandfather's health is not good. This trip overseas is also to treat him."

Hearing this, Shi Nuannuan was startled. "Your grandfather, What's Wrong?"

He turned around and smiled at her. "Nothing. As I get older, my illness will come one after another."

Looking at his faint smile, Shi Nuannuan felt that it was his family matter after all. If he wasn't willing to tell her, she naturally wouldn't ask him again.

Asking him to express his courtesy and concern, whether he would tell her or not, that was another matter.

The two chatted in the front yard for a while, and before long, Shen Lanzhi's voice was heard. It was time for lunch.

After lunch, Old Cheng didn't seem to have any intention of leaving, so he started to chat with Nuannuan again.

"Nuannuan, do you think Grandpa Cheng is too long-winded?" Suddenly, Old Cheng stopped laughing and replaced it with a warm and kind face.

Shi Nuannuan was still a little stunned by his sudden change. After a while, she smiled and said, "Hehe, I don't think so."

Although the topics he talked about were not what she liked to hear, Grandpa Cheng was indeed a good person. Moreover, as long as he came to Shi Mansion, he would always bring her gifts. Her brother and sister-in-law didn't have any.

It could be seen that he might only like her as the candidate for his granddaughter-in-law, but he was really good to her, so she naturally couldn't hate him.

That's right, she wanted to call Xiang Yi now.

At 1:40 pm, according to the time, Xiang Yi should have arrived in country A.

"That's good." Cheng Huan smiled and then lowered his face, looking troubled. As he spoke, he looked up at nuannuan. "Nuannuan, you don't like Cheng Huan?"

Old Master Cheng was not stupid. It was not that he did not see that although the two of them got along well, there was no spark between them.

As for him, he did not have much time left.

Chapter 1082 if he didn't stay in a hotel, where would he stay?

In his lifetime, he only wanted to see his grandson get married and start a family. If he could, he would have a great-grandson as soon as possible, and he would have no regrets in this life.

Shi Nuannuan was stunned by Old Cheng's sudden words. She pursed her lips and said with a smile, "No, no."

Indeed, she didn't dislike Cheng Huan, but only between a man and a woman.

She did not dislike him as a pure friend of the opposite sex, and she really liked making him her friend!

When he heard that, Old Master Cheng's eyes lit up as if he saw some hope in an instant.

“Is that so? That’s good, that’s Good!” He held Shi Nuannuan’s hand and nodded.

Only Cheng Huan understood that Shi Nuannuan’s warm affection was just a very pure affection from a friend of the opposite sex.

In other words, she either treated him as a ‘brother’ or a ‘sister’.

In short, it was not the kind of relationship that grandfather hoped for.

After drinking afternoon tea and eating snacks, old master Cheng was finally leaving.

After sending them to the door and watching their car gradually drive away, Shi Nuannuan could not wait to turn around. She limped to the sofa in the living room, picked up the phone on the coffee table, and dialed Xiang Yi’s number!

She looked at the maid in the living room and thought for a moment before deciding that it would be more convenient to go back to her room to make a call.

The phone rang twice before it was picked up. His gentle and deep voice that sounded like gurgling water could be heard, “Hello?”

Hearing his voice, Shi Nuannuan was at a loss for words.

There were so many things that she wanted to say to him, but why did she suddenly feel like she had nothing to say?

After thinking for a while, she said unhappily, “I’m sorry, I fell asleep last night, and when I woke up today, you were already on the plane.”

If she had woken up early and seen the news, she would definitely have gone to the airport to send him off. If he had gone, he would not have been able to see her for another week!

Hearing her soft voice, he smiled gently. “It’s okay, I told you too late.”

Actually, he only came to country A after nine o’clock in the evening when Shi Yuting suddenly asked him to come.

“You’ve arrived at the Hotel?” Hearing his gentle tone, Shi Nuannuan’s mood brightened up a lot.

Xiang Yi was silent for half a second before answering her question. “I’m not at the hotel.”

She was stunned.

Not at the hotel? Where would she stay if she went on a business trip?

“If you’re not staying at a hotel, then where are you staying?”

He hesitated for a moment before saying, “Imperial residence.”

Shi Nuannuan was stunned.

Imperial residence? Did he mean country A’s imperial residence?

Why was he staying there?

Shi Nuannuan was stunned for a moment before she suddenly thought of a problem!

Country A, wasn't that Manli the heir to country A's imperial family? Could it be... that Xiang Yi went to country A to look for her?

"You, why do you live there?" She didn't have the heart to frown. When she thought about how she might really be in contact with that Manli, her heart felt a little stifled.

Xiang Yi seemed to hear some unhappiness in her tone.

"The matter I came to handle is related to the royal family of Country A."

"Then who is the one who received you?"

"... Miss Manli."

It was indeed her!

After a long while, her voice did not come from the other side. He knew that she was very concerned about this matter.

"It was purely business between her and me. We left after settling the matter."

Shi Nuannuan raised her eyes and actually trusted Xiang Yi a lot. There was no need for her to be jealous over this matter. If that was the case, wouldn't she be unable to change her willful habits?

Xiang Yi probably did not like the willful her, right?

Chapter 1083 I miss you

When she got over it, the sourness in her heart also disappeared.

"Mm, then you'll be fine over there."

Hearing her relaxed and happy tone, Xiang Yi was a little surprised. He felt that she seemed to have grown up in an instant.

He chuckled. "Mm, pay attention to your legs. Walk in moderation. Don't force yourself."

He knew that she was an active character and could not be quiet at all.

"Mm!" She nodded. Then, as if she had thought of something, she said embarrassedly, "Xiang Yi."

"Mm?"

"You, can you come and see me when you come back? I... Miss You." She lowered her head. There was a hint of loneliness on her fair face. She really missed him. She really wanted to see him.

The words 'I miss you' stirred up all the longing in his heart.

How could he not miss her? It was just that he did not know what reason he should find and what identity he should use to go to Shi mansion.

At this moment, when he heard her heartfelt longing, he wished that he could fly to her side right now and hold her in his arms, feeling her existence and her body temperature.

“Okay,” he agreed.

When he returned, no matter what reason or identity he had, he only wanted to see her.

Hearing his answer, Shi Nuannuan smiled very happily, and her heart was instantly nourished.

“You said it!”

“Okay.”

She looked at the time on her wrist. At this moment, it was already 6 pm in country A, and the appointment with Manli was at 6:20 pm.

“Nuannuan, I have to go.”

“All Right, you go ahead!”

“Well, get some rest.”

“MMM!”

They both seemed to be waiting for each other to hang up, so that a minute passed and the phone was still on.

“Why didn’t you hang up?” He asked.

“I’m waiting for you to hang up.”

He chuckled and hung up the phone, reluctant to part.

Looking at the end of the phone, Shi Nuannuan is like eating honey, very sweet.

— \* \* \* —

In Xiang Yi left these days, Shi Nuannuan all day long in the home, almost moldy, but can not go out.

Fortunately, there are two cute little baby with her, but also not boring.

Xiang Yi will return to China tomorrow. Shi Nuannuan is looking forward to seeing him tomorrow!

Afternoon tear point, Shi Nuannuan suddenly received Cheng Grandfather’s invitation, to Cheng Residence as a guest.

Because she knew that he wanted to set her up with Cheng Huan, she refused because her leg was inconvenient.

However, in the blink of an eye, Old Master Cheng and Cheng Huan came to Shi mansion again.

“Nuannuan, when will your leg recover?” Looking at her injured leg, Old Master Cheng couldn’t help but ask.

Shi nuannuan smiled, "The Doctor said that if nothing unexpected happens, you can walk normally next month, or maybe earlier."

"OH." Old Master Cheng nodded. "Then when you're better, you must come to my house as a guest!"

Hearing this, Shi Nuannuan smiled awkwardly.

She didn't know if she should agree to this request, but it didn't seem right to directly reject it?

So she smiled and didn't say anything.

The sky outside the window gradually darkened. At six o'clock in the evening, Shi Yuting also got off work and went home.

Just as he entered the door, his phone rang.

"Hello?"

"Mr. Shi, Miss Manli has a document for me to bring to you. Where are you now?"

"Shi Mansion, you can send it over directly."

Xiang Weiyi's sexy thin lips curled up slightly. Before he came back, he deliberately did not tell Mr. Shi about the document, so that he could tell him when he returned to Shi mansion after work.

Because this document had become the only excuse for him to come to Shi mansion.

Chapter 1084. Lover from his previous life

"Yes," he answered and hung up the phone.

Shi Yuting put away the phone and looked up to see Old Master Cheng sitting on the sofa. He was a little surprised.

In the past few days, Old Master Cheng seemed to visit more frequently with his grandson.

He walked over and didn't see his wife and son. He greeted Old Master Cheng and his mother and went straight to the second floor.

In the bedroom, Zuo Weiyi was playing on the bed with the two cute little guys.

The two little babies had already been there for more than five months. They could even sit firmly on the bed. Before the baby was born, she had prepared many small toys for them. Now, she was playing with them in front of the siblings.

Shi Yuting pushed the door open and saw this subtle scene.

Zuo Weiyi raised her head and gave him a bright smile. "You're back."

Shi yuting walked over and suddenly raised his hand to take the small pacifier off Mo Mo's mouth.

The pacifier was taken off. Little Mo Mo looked at his big black eyes and stared at his handsome daddy. Three seconds later, he suddenly burst into tears!

“WAAA...”it was as if his beloved thing had been taken away and he was crying in extreme sadness.

“What are you doing?”Seeing her son crying in extreme sorrow, Zuo Weiyi’s heart also felt a wave of heartache. She snatched the little pacifier from his hand and said, “Don’t snatch his thing.”

After snatching the Pacifier, Zuo Weiyi spread it on her palm and moved it in front of her son, letting him learn to grasp it by himself.

Seeing the little pacifier in front of him, the little fellow mo mo immediately stopped crying. He sniffed and looked at the Pacifier, reached out and grabbed it, then stuffed it into his mouth.

However, just as he bit it, Shi Yuting reached out to take it down for him.

The little guy paused for three seconds before bursting into tears again!

Zuo Weiyi could not help but feel a little angry after he had repeatedly teased her son.

She said angrily, “Shi Yuting, what are you doing! ?”

He raised his dark eyes. “I think his expression is very funny and I want to play a few more times.”

“...”Zuo Weiyi sweated.

What was the saying again? F \* ck, he was totally tricking his son. She felt as if her son had been ruined by him.

“Can you not make him cry? !”She snatched the pacifier away and put it into her son’s mouth herself. Only then did she stop his crying.

At this moment, another little guy was staring at him in a daze.

Shi Yuting turned his head and saw his cute daughter staring at him.

He curled his lips, picked up his daughter, and stared at her. “Did You Miss Daddy?”

The Little Guy was just staring at her. After five and a half months, she still couldn’t speak.

But in the next second, she suddenly pouted and gestured at Shi Yuting, as if she was responding to his question just now.

It was the first time Shi Yuting saw his daughter’s expression, and he couldn’t help but be stunned.

“Is she talking to me?”He turned his head and asked Zuo Weiyi, who was beside him. Shi Yuting had a subtle feeling in his heart.

Zuo Weiyi naturally noticed her daughter’s expression just now, and she was a little stunned for a moment because this was also the first time she saw her daughter’s expression. It was too adorable and unbelievable!

“I don’t know. This is also the first time I’ve seen such an expression of love.”

“It must be. Didn’t you say that your daughter was your father’s lover in your previous life?”

Seeing how proud he was, Zuo Weiyi couldn’t help but laugh.

She originally thought that after her son and daughter were born, he would dote on his son more, but it wasn't the case.

1085 say that he would be back tomorrow?

When he returned home every day, even though he often teased his son, his doting on his daughter was even more obvious. The way the brother and sister liked each other was completely different.

There was a knock on the door.

Not long after, he saw a maid standing at the door.

"Mr. Shi, young madam, it's time for dinner," looking at the two of them, the maid said respectfully.

After carrying the two little guys and handing them over to the nanny, the couple went downstairs.

Just as they reached the living room, the doorbell rang.

Not long after, Xiang Yi walked in with a document bag in his hand.

"Slow down."

On the other side, at the back door, Cheng Huan was carrying Shi Nuannuan in.

Shi Yuting, Zuo Weiyi, and Xiang Yi could not help but turn their eyes when they heard the sound. They saw Shi Nuannuan bumping into the living room with Cheng Huan's help.

Shi Nuannuan was obviously surprised by Xiang Yi's sudden return. She could not help but be stunned for a moment.

Didn't he say that he would only be back tomorrow? Why would he suddenly appear here?

After a moment of shock, she came back to her senses and realized that she was still supporting Cheng Huan. Cheng Huan's hand was also tightly wrapped around her shoulder..

She reflexively pushed Cheng Huan away. For a moment, she seemed to have forgotten that her leg was still limping. In addition, she had twisted it in the garden just now, so the pain had obviously worsened. That was why she walked in with Cheng Huan's support.

Originally, Cheng Huan wanted to carry her into the house, but she rejected him.

He pushed Cheng Huan away because he did not want Xiang Yi to misunderstand. Who knew that with this push, Shi Nuannuan's entire body would fall down!

"Be careful!"

Seeing that she was about to fall down, Xiang Yi, who was standing there, felt his chest tighten. He wanted to rush over, but the next second, he saw Cheng Huan, who was closest to her, catch her, causing her to fall into his arms.

Seeing this scene, Xiang Yi's attempt to rush over stopped.

“Are You Alright?” Cheng Huan asked as he hugged her.

Just now, he did not understand why she suddenly pushed him away. Then, he saw that she almost fell. In a moment of desperation, he could not help but reach out to protect her.

He supported her with his arms. Because he knew that her legs had not fully recovered, coupled with the sprain just now, she could not stand steadily at all, so he did not plan to let go of her.

On the other hand, Shi Nuannuan looked at him and then at Xiang Yi. There was no expression on his calm face. The only expression he had was cold and indifferent!

Looking at him, Shi Nuannuan’s small face looked a little aggrieved. Xiang Yi would not misunderstand her and Cheng Huan because of this, right?

In order to test whether he was angry or not, Shi Nuannuan pretended as if nothing had happened and said with a silly smile, “Hehe, Xiang Yi, why are you here? Didn’t you say that you would be back tomorrow?”

His pitch-black eyes fell on her fair face and met her eyes. Finally, he said indifferently, “I came back early.”

Hearing the noise in the living room, Shen Lanzhi and Master Cheng, who had already entered the dining room, couldn’t help but come out.

“What are you doing? It’s time to eat.” Looking at the crowd, Shen Lanzhi opened her mouth and then saw Xiang Yi who had suddenly arrived. “Xiang Yi, you’ve returned to China. Have you eaten?”

Xiang Yi calmly nodded at Shen Lanzhi. “Madam.”

Shen Lanzhi smiled amiably. “It’s rare that you’re here. Let’s sit down and eat together.”

“No, thank you, Madam.” Xiang Yi glanced at her, then his gaze fell on Shi Yuting’s face. He walked over and said, “Miss Manli asked me to bring back the documents.”

Chapter 1086, why is it swollen? ?

Shi yuting glanced at the document and took it. He glanced at him but did not speak.

Zuo Weiyi, on the other hand, looked at nuannuan and Cheng Huan, then at Xiang Yi.

According to Shi Yuting’s personality, seeing her and a man like this, needless to say, he would definitely be jealous.

It seemed that no man wanted to see his beloved having intimate contact with the opposite sex, right?

If Xiang Yi minded because of this, then it would be considered normal. If he didn’t mind, then it would be considered abnormal!

“There’s nothing else, your subordinate will leave first.” Xiang Yi nodded respectfully at Shi Yuting, then turned around and left, walking towards the direction of the main entrance.

Seeing that he was about to leave, Shi Nuannuan was completely anxious!

“Xiang Yi!” As she spoke, she took a step forward.

Perhaps because she was too anxious, she once again forgot that her foot was injured. Cheng Huan, who was at the side, seemed to be a little surprised by this sudden scene. In a flash, he saw Shi Nuannuan leave his side, he rushed forward.

The next second.

“Wu!”

He only heard her grunt before she fell to the ground with a plop!

There was a sharp pain under her feet. Shi Nuannuan lay on the ground with a pained expression.

“Nuannuan!” Zuo Weiyi, who was at the side, saw it and could not help but rush over immediately. “How are you?”

“Nuannuan, quick, get up.” Shen Lanzhi also rushed over and helped her daughter up from the ground with a heartache.

Xiang Yi stopped when he heard a ‘plop’ sound behind him. He turned around when he heard the sound and saw her lying on the ground in an instant.

His heart tightened and he was about to go forward when he saw Zuo Weiyi and Shen Lanzhi had already rushed to her side. His movements slowed down and he did not go forward. Instead, he looked at her worriedly.

“How is it? Why Are You So Careless? Don’t you know that your leg has not fully recovered yet?” After helping her up, Zuo Weiyi said with a heartache. He helped Shen Lanzhi to sit down on the sofa together with her.

“I...” When she saw Xiang Yi leave, she was so anxious that she forgot that her leg was injured.

“Ah, why is it swollen!?” Seeing that her daughter’s ankle suddenly swelled up, Shen Lanzhi’s eyes widened in shock!

As soon as she said this, Zuo Weiyi, who was sitting beside Shi Nuannuan, could not help but follow her line of sight. She saw that Shi Nuannuan’s ankle was indeed swollen up!

What was going on? Nuannuan’s injury was on her knee. Why would her ankle swell up?

Cheng Huan and Old Master Cheng also rushed over anxiously!

Xiang Yi, who was standing in the distance, also subconsciously took a step forward after hearing Shen Lanzhi’s words. However, he was stopped by Shi Yuting’s voice at this moment.

“Xiang Yi.”

He stopped when he heard the voice and looked up at Shi Yuting’s slightly dark face. “It’s nothing. You can leave first.”

Xiang Yi's heart sank when he met Wen Sheng's gaze. His gaze fell on Shi Nuannuan's face on the sofa.

Grandfather Cheng was grandfather's good friend. If he knew about Nuannuan and Xiang Yi at this time, he would definitely ask grandfather.

When grandfather found out, he would definitely not be willing to marry Nuannuan to a personal assistant.

With Xiang Yi's current situation, it was indeed not suitable for grandfather to know. Even if he had to know, it should be said by Xiang Yi himself. It would be different if it was said by someone else.

His gaze returned to Shi Yuting's face once again. Xiang Yi did not say anything but turned around and walked towards the main entrance without looking back.

Chapter 1087: A phone call that no one answered

Her feet were in too much pain, and everyone was surrounding her, so Shi Nuannuan had yet to see Xiang Yi leave. Only Cheng Huan's gaze fell on Xiang Yi's disappearing back.

A moment later, Shi Yuting called Zhong Shenghao over to check on her injuries.

"There's no major injury, but you have to be careful. If you get injured again, I'm afraid you'll never be able to stand up again." Zhong Shenghao applied some medicinal wine on her and massaged her again. Although the pain was severe.., however, Shi Nuannuan could only endure it.

Of course, Zhong Shenghao was exaggerating. His purpose was to scare Nuannuan and make her be more careful in the future. Otherwise, it wouldn't look good if she limped in the future.

After Zhong Shenghao left, Shi Yuting took out his phone and sent a message to Xiang Yi: [ fine. ]

In the apartment, Xiang Yi's heart settled when he saw the message, but the image of Cheng Huan thinking about her still lingered in his mind.

How could a man not care about such things.

But in the end, he could only sigh helplessly. He put down his phone, got up, and walked to the bathroom.

After dinner, Old Cheng and Cheng Huan also left. With the help of her mother and sister-in-law, Shi Nuannuan returned to the room and couldn't wait to call Xiang Yi.

But the phone rang for a long time, but no one picked up.

Looking at the phone that didn't pick up after a long time, Shi Nuannuan pursed her lips. Was she really angry?

She called again, but still didn't pick up.

A little anxious, she typed a message and sent it: [ angry? ]

After waiting for about five minutes, she still didn't get a reply.

So she sent another message: [ really angry? ]

Ten minutes later, there was still no reply.

At this moment, Shi Nuannuan could not help but feel a little depressed.

After taking a shower, Xiang Yi walked out. After changing into a set of home clothes, he heard his phone ring.

He walked to the bedside and saw the caller ID. After hesitating for a few seconds, he answered, "Hello?"

"What are you doing?" Manli's voice came from the phone.

"Nothing much."

"I've sent the item to your email. If you don't have any objections, I'll go to the Supreme Emperor Tomorrow afternoon to get your president to sign it."

"Okay, I'll check it later."

On the phone, Manli smiled but did not say anything. After a moment of silence, she suddenly asked, "You, do you have time now?"

Xiang Yi was stunned. "What's Wrong?"

"If you have time, why don't you come out for a drink?"

His thin lips pursed slightly, and his eyes darkened. After thinking for a moment, he said, "Next time. I still have something to deal with tonight."

It was not that Manli could not hear his tactful rejection, but she was still happy that he had changed it to the next opportunity.

"You said, next time." She smiled generously.

Xiang Yi was slightly startled. He did not realize that his tactful rejection had actually promised the next time.

"Okay."

"I'm hanging up." Manli's voice was very sweet. Coupled with the fact that she was a mixed-blood, her appearance was definitely the best among women.

"Okay."

After hanging up the phone, Xiang Yi did not look at the screen. Instead, he put down his phone, stood up, and walked out of the room. He opened the laptop on his desk and accepted the document.

Then, he browsed through it again. After making sure that all the details matched, he forwarded it to Shi Yuting's email.

After finishing everything, he placed the laptop on the coffee table, leaned against the sofa, and closed his eyes in deep thought.

How could he transform himself so that he could finally have warmth and not be afraid of the intervention of a third party.

PS: I would like to recommend another book by Mier: The Secret Bride of a wealthy family: Good Morning, Sir!

Chapter 1088 has a habit called goodnight.

Time ticked by. A moment later, he opened his eyes, got up and walked to the bedroom.

There was a habit called saying goodnight to her every day.

Even though he was still a little concerned about the incident in the evening, Xiang Yi, who was lying on the bed, still picked up his phone and prepared to send her a goodnight message.

As soon as he picked up his phone, he realized that there were two missed calls and two wechat messages. They were all from when he was showering just now.

He was stunned. He opened wechat and saw the messages she sent.

Needless to say, those two missed calls were definitely from her.

After thinking for a while, even though it was already 9:50 pm, he still couldn't help but call her number.

The phone rang and almost instantly, Shi Nuannuan's voice was heard. "Hello, Xiang Yi!"

Hearing her anxious voice, Xiang Yi knew that his attitude in the afternoon had made her anxious. He could not help but feel a pang of heartache.

"What happened to your foot?" Ever since he removed the cast, although he rarely saw her, he would ask about her condition every night. She had been recovering well and had never heard of any swelling.

Hearing the concern in his tone, Shi Nuannuan's uneasy heart finally calmed down a little.

"In the afternoon, Cheng Huan and I were taking a walk in the garden, and I accidentally—"halfway through her sentence, she suddenly stopped. It seemed that... they had gone the wrong way?

As expected, after she was stunned for three seconds, Xiang Yi did not ask further, but remained silent.

Taking a walk in the garden with Cheng Huan in the afternoon... ?

"No, what I mean is, I didn't mean to take a walk in the garden with Cheng Huan, it's just that..."the more anxious she was, the more incoherent she became.

"What happened after that?"In the end, he was the one who spoke, breaking her panic.

She paused and said, "Then, I accidentally twisted it, and he helped me into the house. Then, it was the same as what you saw."

"Is the swelling gone?"Although he had a grudge against her, he still could not help but care about the injury on her foot.

Shi Nuannuan nodded. "Yes. Brother Hao applied some medicinal wine on me. The swelling is almost gone now."

"Then have a good rest. Goodnight." As he said that, he was about to hang up the phone.

Shi Nuannuan was anxious!

"Wait!"

He stopped taking down the phone, but he was not born yet. He just placed it by his ear.

Shi Nuannuan knew that he hadn't hung up yet, so she said embarrassedly, "Are you angry?"

He didn't say a word.

How could he not be angry?

He was already very unhappy when he saw Cheng Huan helping her up. He had actually heard that she was taking a walk in the garden with Cheng Huan in the afternoon. How could he not be angry?

Every man would be angry.

However, he wasn't saying what he meant. "No."

"Then why did you hang up on Me?"

"It's very late."

"Whether it's late or not doesn't depend on the time. It depends on whether I want to sleep or Not!" She said eloquently!

"Then you're not going to sleep?"

"No!"

"What for?"

"I miss you! I want to chat with you, I want to Hear Your Voice!"

A few words purified his somewhat displeased heart.

How could he not miss her? He did not want to hear her voice.

"I'm not angry anymore," he suddenly said. Facing her like this, he could not be angry for more than three seconds.

"Really?"

"Yes."

Rather than saying that he was angry, it was more like he was afraid in his heart. He was afraid that she would become another man. He was afraid that they would not be able to withstand any tests and would be so weak that they would not be able to withstand the intervention of a third party.

Chapter 1089 sneaking into his apartment

Hearing the gentleness in his tone, Shi Nuannuan confirmed that he was really not angry anymore, so she was in a good mood.

“Can you come back tomorrow? I want to see you.”

“Tomorrow is Friday, so I might be very busy until late.” Every Friday, he would be very busy, and tomorrow was the time to sign the contract with the royal family of country A. He had a cocktail party to attend in the evening, so he would probably be very busy until late again.

“Then the day after Tomorrow!” This time, Shi Nuannuan’s tone was no longer that of asking for his opinion. “Anyway, I want to see you. If you don’t come, I’ll go to your apartment. Anyway, the day after tomorrow is a day of rest!”

In fact, if she insisted on going out, her mother would still allow her to go out. At most, she could just ask the driver to send her out.

Xiang Yi finally chuckled at her non-negotiable attitude, feeling a little helpless.

“Tomorrow definitely won’t work. I’ll take a look at the day after tomorrow.”

“Okay!”

The two chatted for a while, and the night gradually deepened.

This time, Shi Nuannuan did not chat until she fell asleep. Instead, she said good night to him before hanging up.

The next day, Xiang Yi was indeed very busy.

He was so busy that he did not even have the time to call her.

After dinner, she sat on the sofa and watched TV. She did not know when her leg would fully recover.

It had been a long, long time since she went shopping!

At this moment, her phone rang. It was a notification from wechat.

She picked up her phone and saw a message from Xiang Yi: [ attending a cocktail party, rest early tonight. ]

After reading the message, Shi Nuannuan replied: [ Okay, you too. ]

After sending the message, Xiang Yi did not reply.

She knew that he was busy, so she put down her phone, picked up the TV remote control, and turned the channel aimlessly.

It was the weekend.

Shi Nuannuan woke up early. Since it was inconvenient for Xiang Yi to come over, she decided to go to Xiang Yi’s apartment!

She was so excited that she could not even eat breakfast.

“Mommy, I’m going out for a while!”

In the kitchen, Shen Lanzhi was still preparing their breakfast when she heard her daughter’s voice coming from the living room.

When she heard the voice, she walked out and saw that her daughter’s figure had already arrived at the entrance of Wen Sheng’s apartment.

“Nuannuan, where are you going?”

“Hehe, you know!”

As long as she said that, she believed that her mother would understand.

As she said that, she had already disappeared at the entrance of the apartment.

“Get the driver to send you there!” Shen Lanzhi chased after her to the entrance, only to find that her daughter had already driven away. Naturally, her voice was also drowned out by the sound of the engine!

Shi Nuannuan drove a white Maserati all the way to Xiang Yi’s apartment.

It was only seven o’clock in the morning, and it was only seven twenty when she arrived at the apartment.

She arrived at Xiang Yi’s floor and stood at the door. Shi Nuannuan was about to knock on the door, but on second thought, she changed her mind. Instead, she turned her head, her gaze fell on the password lock, and immediately pressed the password.

“Kacha.”

The moment the door opened, Shi Nuannuan walked in gently.

The quiet living room was empty, and there was no sign of Xiang Yi.

Could he still be sleeping?

With this thought in mind, Shi Nuannuan walked in the direction of the bedroom with light steps.

She touched the doorknob and turned it. Then, she opened the door a crack and stuck her head in to take a look. She saw that on the spacious and simple bed, the blanket was slightly raised. Following her line of sight, she saw Xiang Yi’s sleeping face in the early morning.

She walked in with light steps and came to the side of the bed. Half of her body was leaning on the edge of the bed. She just admired the way he slept in the early morning, as if he was intoxicated.

Chapter 1090 when did you wake up?

From his full forehead, to his thick eyelashes, to his high nose bridge, he moved down inch by inch, stopping on those sexy thin lips.

How long had it been since she returned from G City? How long had it been since she had seen him up close?

Looking at those sexy thin lips, the image of him kissing her suddenly flashed across Shi Nuannuan's mind, and she felt a little nostalgic for his taste.

As she thought about it, she could not help but lower her face and move closer to his lips.

However, just as she closed her eyes, before her lips even touched him, she suddenly felt a force controlling her!

She hurriedly opened her eyes. Before she could regain her senses, she rolled onto the bed in the next second.

When she regained her senses, she was already under him.

His perfect outline was right in front of her eyes, meeting his unfathomable black eyes.

"You, when did you wake up?" She looked at his pair of phoenix-like eyes and asked.

His thin lips curled up slightly, forming a beautiful arc. "When you came."

If he didn't even have this little bit of alertness, how could he have stayed by Shi Yuting's side for so many years and become his most capable assistant.

"Then you were pretending to sleep?" Shi Nuannuan realized that with her light movements, even she could only hear her own breathing, yet he actually knew that she was here?

What ears.

"Mm." He hummed softly. His eyes gradually became heated as he fixed his gaze on her.

How long had it been since he looked at her like that.

"How dare you tease me—" before he could say the word 'i', Shi Nuannuan felt a strong and powerful softness coming from her lips. "MMM—"

His kiss was gentle and domineering. It was strong and powerful. It was as if the longing that she had been holding back during this period of time was released from this kiss. He kissed her fiercely until she could not breathe before he let go.

..

"Why did you run over here by yourself?" After the kiss, he lay on his side on the bed, propping himself up with his hands, admiring her exquisite face.

"I missed you." She said it so calmly that her face was not red and her heart was not beating.

He was even laughed at by her.

Then, he got up and walked to the bathroom. After washing up, he changed into a set of home clothes.

"You didn't Eat Breakfast?" He looked at her, the corner of his mouth still hung with her exclusive smile.

Shi Nuannuan nodded. "Yes!"

He smiled and walked to the kitchen.

Half an hour later, two western-style breakfast were served on the table.

Shi Nuannuan ate with relish. Looking at the way she ate breakfast, his eyes only had the tenderness that belonged to her.

He didn't want to hide it anymore. He just wanted to be her boyfriend openly.

"I'll send you back."

"Sure." She smiled. She thought that he was just like last time, sending her to the intersection and getting off.

However.

It was almost dusk. Xiang Yi drove her white Maserati, but he did not stop when he reached the intersection.

Shi Nuannuan, who was sitting in the passenger seat, could not help but be stunned. She turned to look at him.

"You, you want to send me in?"

"Yes."

"But..." although her grandfather was not around, there were still many people in Shi mansion who belonged to her grandfather.

Xiang Yi ignored her. Instead, he held the steering wheel and drove slowly until he entered Shi mansion.

After getting out of the car, he walked to the passenger seat and opened the car door for her.

From the beginning to the end, Shi Nuannuan was in a daze.

What was he doing? was he planning to send her in?

"You..."

"I'll send you in."

She was stunned.

She turned around and looked at the two bodyguards in the courtyard. wasn't he worried that his grandfather's people would see him?

Uh, it seemed like they had already seen him.
