

Kiss Me 1091

Chapter 1091 sent her home

Although she was a little puzzled, Shi Nuannuan still walked towards the door with his help.

“Nuannuan, you’re back.”

As soon as she entered the door, Shen Lanzhi stood up and took the daughter in his hand, then turned around.

As soon as she turned around, she could not help but stop in her tracks.

Turning around again, she looked at Xiang Yi with some hindsight, “You...”

Why did Xiang Yi send Nuannuan back so openly?

“Madam,” Xiang Yi called out respectfully when he saw Shen Lanzhi.

On the stairs, Shi Yuting and Zuo Weiyi, who were dressed in fancy clothes, just happened to come downstairs as if they were going out to attend some banquet.

Zuo Weiyi was also a little stunned when she saw Xiang Yi and Nuannuan walk in from the door.

Shi Yuting’s deep gaze also fell on their faces as if he had seen through Xiang Yi’s thoughts.

Seeing the two of them walking down the stairs, Xiang Yi nodded at Shi Yuting.

Then, he turned around and his gaze landed on Shi Nuannuan’s face. “I’ll be going back first.”

Shi Nuannuan was also a little slow to realize this and her face was stunned. “Oh, okay.”

After bowing to everyone, he turned around and walked towards the door.

“Wait!” Shi Nuannuan called out to him at this moment.

Wen Sheng turned around when he heard the voice, and his dark eyes landed on her face.

“Drive this back.” She handed him the car keys.

This was Shi mansion, and it would take a long walk to leave.

He took a glance at the keys and took them without any hesitation. Then, he gave her a gentle and doting smile.

This smile was rather strange to the maids and bodyguards of the Shi family.

Was assistant Xiang smiling at the young Miss Just Now?

Uh, I didn’t expect assistant Xiang to look so good when he smiles..

After Xiang Weiyi arrived, Zuo Weiyi, who was on the stairs, seemed to have understood something as the corners of her mouth curled up into a smile.

“Looks like Xiang Yi is planning to have a fair and aboveboard relationship with Nuannuan!”

She turned her head and looked at the man beside her, only to see his thin lips slowly curving upwards.

Turning her head to look at her, his slender arms wrapped around her waist, which was dressed in an evening gown. “Let’s go.”

— — —

From then on, Xiang Yi came to Shi mansion more and more frequently. Everyone had seen it for themselves, and they had a rough idea of what was going on.

However, even if they could see through the matter of the eldest miss, they did not dare to say anything to avoid incurring unnecessary punishment.

However, just by looking at the appearance of the young Miss and Special Assistant Xiang, the two of them were actually quite compatible. Moreover, Special Assistant Xiang was Mr. Shi’s most popular person, so it was needless to say how outstanding he was.

However, in terms of status, there was still some difference between him and the young miss.

...

The spring flowers bloomed. As the temperature gradually warmed up, Shi Nuannuan’s legs had almost recovered. She no longer limped, but in contrast, the number of times she went to look for Xiang Yi had also increased.

Now, they seemed to have really become an upright couple.

And recently, Xiang Yi seemed to have become very busy, even on weekends.

On this day, Shi Nuannuan went to the overlord and planned to have lunch with him, who was busy.

But after arriving at the Overlord, her brother told her that Xiang Yi had gone out to do something!

She had no choice but to leave.

That night, Shi Nuannuan did not return home. Instead, she went to Xiang Yi’s apartment. She waited until nine o’clock in the evening, but Xiang Yi did not return.

She could not wait any longer, so she got up and left.

Just as she walked downstairs, she saw a car parked in front of her.

Chapter 1092 why are you here?

The door to the back seat was opened and Shi Nuannuan saw two familiar figures alighting from the car.

The moment Xiang Yi alighted from the car, he saw Shi Nuannuan suddenly standing there. He could not help but be surprised.

He walked over. “Nuannuan, why are you here?”

Shi Nuannuan looked at him and then at Manli.

It was 9:05 pm. Why was he bringing Manli to his apartment?

Also, wasn't Manli in country a? Why was she here again?

She ignored Xiang Yi's words. Instead, she fixed her gaze on Manli and said in an unfriendly tone, "Why are you here?"

Seeing her, Manli hesitated for a few seconds before saying, "What can I do here?"

Her answer surprised Xiang Yi as well. He did not understand why she would speak so incoherently, causing him to daydream.

Shi Nuannuan was stunned for a moment before jealousy surged up in him!

"Miss Manli." Looking at Manli, Xiang Yi could not help but speak up. He wanted to make things clear because he knew that Nuannuan was an impatient person.

If she said that, it would cause a misunderstanding in nuannuan.

"Don't worry, I'll explain it to her clearly."

Manli suddenly smiled and walked towards Shi Nuannuan. She lowered her head and whispered in her ear, "I don't have a place to stay tonight. I plan to stay at his place for the night."

Hearing that, Shi Nuannuan's eyes widened completely and pushed Manli away!

Then, she turned around and glared at Xiang Yi, "You, you guys!"

She was so angry that her stomach hurt, but she could not say a word. Manli did not have a place to stay, so he brought her to his own apartment! ?

He was a bastard!

No, who was Manli? How could she not have a place to stay? There were so many hotels in City Z, so why would she need to stay at Xiang Yi's apartment?

Xiang Yi was also puzzled by her sudden change in expression.

What exactly did Lady Manli say to her?

At this moment, Manli suddenly walked in front of Xiang Yi and whispered into his ear, as if she was whispering to him, "I made a little joke with her just now. I'm sorry, I'll leave the time to you guys."

The way she was talking and laughing was so intimate to Shi Nuannuan and Nuannuan that her jealousy instantly intensified!

Then, she saw Manli leave Xiang Yi's side and take a few steps back.

"Since your little girlfriend is here, i.. Will come again another day." As she said that, she smiled charmingly and turned around to get into the luxury car.

Looking at her back view as she left, Xiang Yi instantly had a headache.

Do all women like to make such jokes.

He turned around and was about to explain, but Manli's last sentence undoubtedly deepened the misunderstanding and made her so angry that she turned around and left!

"Nuannuan!"

He was one step ahead of her and grabbed her arm!

"You Bastard!" She yelled at him and was about to break free from him.

But he had no intention of letting go.

"Let Go!"

"What did she say to you?"

"She said what you were planning to do just now!"

"..." what was he planning to do just now?

"She was just joking with you just now."

"Joking? Do you guys always say that it's just a joke whenever you're caught cheating?"

"..." caught cheating?

"Listen to me."

"I'm Not Listening!" She raised her hands and covered her ears.

"Are you listening or not?"

"I'm Not Listening!"

He stared at her and was silent for a while. Then, he bent down and carried her on his shoulders.

Chapter 1093: pick her up at the slightest disagreement!

"Hey, what are you doing! ? Put Me Down!"

He ignored her and carried her into the apartment. After entering the elevator, he went straight to the floor where he lived.

When he reached the living room, he put her on the sofa. "What about now? Are you still listening?"

She glared at him and turned her face to the side. "No!"

"Are you really not going to listen?"

"..." she did not say a word, but her heart was already beginning to waver.

"Then forget it." He stood up and pretended to leave.

She bit her lower lip and furrowed her brows into a 'chuan'. She wanted to speak, but she felt that she could not bring herself to do so.

Hence, she also stood up and walked towards the door.

Shi Nuannuan VS Xiang Yi.

Xiang Yi suffered a crushing defeat!

He turned around and dashed towards her. "Don't be angry."

She glanced at him and pouted without saying a word.

"I'm flying to country a again tomorrow. Are you really willing to leave just like that?"

Hearing that, Shi Nuannuan could not help but feel warm.

Why was he so busy recently, flying to country a again?

That was not right.

Why was he going to country a? Could it be that he was going with that Manli?

"You..."

"It has nothing to do with Manli." He seemed to have seen through her thoughts and explained before she could speak. "Mr. Shi is going too."

Hearing this, Shi Nuannuan could not help but force back the words that she was about to say.

If her brother was going too, it meant that he was going to deal with the matter with her brother.

"What exactly did she say to you just now?" He wondered what Manli had said that caused her to be so angry.

Shi Nuannuan glanced at him and finally said what Manli had said next to her ear.

"She said that she didn't have a place to stay tonight, so she came to stay with you for one night."

"..." Xiang Yi could not help but feel a little surprised when he heard her words.

"You believe her just because she said so?"

Shi Nuannuan raised her eyes and did not understand the meaning behind her words.

"Then, since she said so, how can I not believe her..." she pouted and said.

"In the future, if there is a third party between us, if another man comes to me and says that there is something between you and him, should I also believe him?" His deep eyes stared at her as he patiently explained to her.

Hearing his words, Shi Nuannuan could not help but be stunned.

It seemed like that was the case?

“Then why did she say those things to me?” This was what she did not understand.

Why did Manli say those things out of the blue, causing her to misunderstand?

Xiang Yi was not clear about this either.

Manli seemed to be very generous. Could it be that she was deliberately making a joke?

“I’m not sure either, but do you know what she said to Me?”

“What is it?”

He curled his lips and looked at her. “I just made a joke with her. I’m Sorry!”

Shi Nuannuan was stunned.

What was this Manli trying to do! ?

Seeing that her mood had improved, his heart finally relaxed.

“You’re not angry anymore?”

“That’s hard to say. Maybe I’ll get angry again later,” she pouted and mumbled.

He chuckled and looked at the time. It was really late.

“I’ll send you back.”

She nodded. It was indeed very late.

...

The next day, Xiang Yi flew to country a again.

However, Shi Yuting, who had originally planned to go with him, woke up early in the morning and Shi Nuannuan realized that he had not flown to country a!

She was shocked and looked at her brother, who was about to go downstairs. “Brother, you... aren’t you flying to country a?”

“I’m not flying anymore,” Shi Yuting said softly when he saw her stunned expression.

Chapter 1094 was indeed magnificent!

“Why?”

“I don’t need to go there for the time being. I’ll go after Xiang Yi is done. What for?”

Shi Nuannuan was stunned.

Then, she glanced at her brother with dissatisfaction. “Brother, why do you always assign so many things to Xiang Yi?”

Shi Yuting walked over and his black eyes moved closer to her. “Then do you want to be with him?”

“Of course I do! But what does this have to do with his work?”

Shi yuting only chuckled and did not answer her question. He turned around and walked straight downstairs.

Looking at her brother’s back and the meaningful smile on his lips, she could not figure it out.

* * * * *

A few days later, at the International Hotel in Country A.

A grand international banquet will be held here.

In front of the splendid main gate, the imposing manner is magnificent, and all of them are showing the nobility and magnificence here.

At the door, a white limousine came slowly, then stopped.

A man in a black suit got out of the driver’s seat, turned to the back door and opened it.

The next second, a pair of exquisite black handmade leather shoes landed on the marble floor. Then, a tall and perfect figure stood in front of the car door, like a king.

Shi yuting was wearing an exquisite handmade suit, and the noble aura he exuded was beyond people’s reach.

Then, another tall and delicate figure jumped out of the car and looked up at the building that stood in the clouds.

“It’s really grand!”

“Let’s go.” Shi yuting turned his handsome figure around and glanced at the person who spoke. He took the initiative to bend his arm and gestured for her to hold his arm.

Looking at the bent arm, the woman smiled brightly and held his arm without any hesitation. Then, she walked towards the main door!

12th floor.

This place was filled with nobles from all over the world. Of course, there were also some famous people from the business world who were invited here.

In the magnificent hall, all of them were dressed in fancy clothes. There was a hall full of people, and all of them had elegant and noble smiles on their faces.

Shi Yuting was one of the main characters who had been invited tonight.

“Manli, you’re already twenty-six years old. In a few more years, you won’t be in your prime anymore. Tonight, I’ve invited the third young master of the Bourne family. If there’s a chance, you young people can have a talk.”

On the balcony, a middle-aged man had his back to Manli. When he said his last sentence, he turned his face around. His eyes, which had experienced the vicissitudes of life, landed on Manli’s elegant face.

Looking at her father in front of her, Manli said helplessly, "Father, are you in such a hurry to marry me off?"

"It's not that I'm in a hurry. You have to know that your cousin, who is three years younger than you, is already married. If word gets out that my twenty-six-year-old daughter is still in the boudoir, father will be disgraced."

"In the end, you're still in a hurry to get me married."

"No matter what you say, you must get yourself married this year. You Can't let your temper get the better of you." He did not have a son. Even the heir was her daughter. How could he not be anxious.

"Father, I'm only 26."

Manli wanted to continue speaking, but her father raised his hand to stop her, "I've already decided on the candidate. He's the third young master of the Bourne clan. When he arrives, I'll introduce him to you. However, you should know him. He's the one who invited you to dance at the Grand Banquet last time."

Hearing this, Manli recalled for a few seconds. That man was indeed not bad, but she... didn't like him.

Chapter 1095, do you have someone you like?

"Father, you're always like this. When you choose a husband for me, you must look at his status, background, and his family background. And these are all things that Manli doesn't like."

"Then what do you like?"

When she met her father's expectant gaze, Helian Manli's black pupils settled down. She hesitated for a moment before saying, "I like..."

"As long as you have someone you like, you can bring them to father to meet. Even if you don't have any status or background, as long as your character is outstanding enough to be worthy of my Helian family's daughter and have enough qualifications to be your husband, I will agree to the two of you dating."

"Really?" Hearing her father's words, Helian Manli's eyes suddenly lit up.

"Of course. However, you can't judge him with your eyes. I must personally judge him."

"Father will definitely think that he's a talent. Other than his status and background, he's definitely not inferior to the third young master of the Bourne family."

"Oh? So you're saying..." he liantian's amber eyes were mesmerized as he looked at his daughter in front of him. "Do you have someone you like?"

Helian Manli paused. Suddenly, she realized that she had inadvertently exposed something.

After a few seconds of silence, she looked at her father and spoke, "I do have someone I like, but I haven't confessed to him yet. So, father, don't interfere in this matter. Once I've confirmed his feelings, I will naturally tell you who he is."

"Then, did he come to this grand gathering today?"

Helian Manli nodded, the corners of her mouth raised into a smile. "Yes."

"Alright, I won't interfere. However, since the relationship hasn't been confirmed, that third young master of the Bourne family seems to be interested in you. In a while, he will still take you to see him. On this point, you can't reject me."

Hearing her father's words, Helian Manli couldn't help but reject him.

"Father, since I've already said so, why are you still..."

"Yes... I've already promised him this matter, so I must definitely meet him. As for whether the two of you will be together, I won't interfere."

Hearing this, Helian Manli thought for a moment, and finally nodded in agreement.

"Father, the grand meeting will begin in five minutes. I still have a guest upstairs, so I'll be leaving first."

After she finished speaking, Helian Manli, who was dressed in grand attire, walked elegantly into the hall.

Looking at his daughter's back view, he liantian rarely smiled in satisfaction.

On the 13th floor, Xiang Yi was dressed in a black suit, standing at the elevator door and waiting. Looking at the time on his wrist, he knew that at this time, sir had already arrived at the hotel entrance.

'Ding!'

As the sound rang out, Xiang Yi looked up and was about to enter the elevator when he saw Helian Manli standing in the elevator.

His expression froze. He was obviously a little surprised by her appearance.

"Miss Manli, why are you here?"

The grand meeting was about to begin in five minutes, and she was the main character of the day. Now that she was not in the Grand Meeting Hall, why did she come here instead?

"Let's talk after we enter," Helian Manli said with a gentle smile as she looked at the man at the elevator entrance.

Xiang Yi calmly glanced at her and then walked into the elevator.

"You don't have a female companion, right?" Helian Manli suddenly asked in the elevator.

Xiang Yi was still a little puzzled. His deep and handsome face was always calm.

He came to country a alone. In the past twenty-seven years, other than an Zhihan, who was once considered a friend, he didn't have any friends of the opposite sex, let alone a female companion.

Although Nuannuan had brought both male and female companions to this grand event, she had not come. He neither had a female companion to bring nor did he want to bring one.

Chapter 1096, can you help me with a small favor?

Glancing at Helian Manli, Xiang Yi calmly nodded his head, "Yes."

"Then, can you help me with a small favor?"

Xiang Yi was stunned, his deep black eyes gazed at her.

"What favor?"

Helian Manli lowered her eyebrows, revealing a gentle and generous smile, then raised her clear eyes to look at him, "My father arranged a male companion for me. On the surface, it's a male companion, but in reality, it's a blind date he arranged for me. "And I have no interest in this matter, so I replied that I have a male companion. If I don't enter the hall with my male companion later and my father finds out, I might have to stay at home and obediently listen to his arrangements for the rest of my life."

Hearing her reason, Xiang Yi's calm face showed no emotion at all.

"I'm sorry, Miss Manli, Mr. Shi has already arrived at the hotel, I have to go down."

"You can rest assured about this. I've contacted him just now, and he has already come up, so you don't have to go down."

Xiang Yi couldn't help but be startled.

Mr. Shi has already come up?

"We've worked together for so long, and we've known each other for so long. Apart from our cooperative relationship, even if we can't be considered friends, we can still be considered acquaintances, right? "You, you're not even willing to help me with such a small favor?" Helian Manli's face had a faint smile on it the entire time, her tone was so gentle that water could drip out of it.

Towards her words, no one would be able to find a reason to reject her.

In terms of friendship, she was his partner. In terms of friendship, they were indeed not considered friends, but acquaintances.

"With Miss Manli's status and status, and even human-computer relationships, it's not difficult to find a temporary male companion."

"It's not difficult, but it's precisely because it's temporary that if I were to find a friend with a good relationship, I definitely wouldn't be able to pass my father's test. That's why I Found You, an acquaintance who isn't considered a friend."

Having said that, it was indeed impossible to refuse.

But even if Mr. Shi had already arrived, as a subordinate, he naturally had to go to the hall to welcome him.

“Don’t worry, as long as you enter the hall, you’ll be free. It Won’t take up too much of your time,” Helian Manli said again.

As the two of them spoke, the elevator had already arrived at the 12th floor.

Xiang Yi didn’t need to go to the first floor to welcome Shi Yuting, so he also followed out of the elevator.

Looking at the main door that led into the banquet hall, Helian Manli turned her head with a smile again and looked at his deep outline. “We just entered that door together. Are you really not going to help me with this?”

Xiang Yi glanced sideways at her and his gaze fell on the entrance of the banquet hall not far away.

Indeed, they both had to go in. If he did not help her with this, it would be a little unreasonable?

“And don’t worry, there are no media reporters here, and they won’t spread the news to your little girlfriend’s ears.”

Xiang Yi was stunned. He was not worried about this.

If it was just a favor, it would not matter if he helped her. Although Nuan Nuan was impatient, as long as he explained it, she would listen. She was not an unreasonable person, and this was what he admired and liked.

And what he was even clearer about was that those jealous expressions of hers were all because she cared about him.

He glanced at Helian Manli. It was nothing more than entering the door with her.

“Let’s go.”

Seeing that he finally agreed, Helian Manli smiled and her gaze fell on his arm.

Xiang Yi didn’t seem to have thought of this question. He just walked forward alone. Just as he took a step, he felt a hand stretch out from his arm and hold him intimately.

Chapter 1097 went to investigate that man

He was startled, turned his head, and his deep gaze fell on that fair and slender slender jade hand.

Yes, since it was a male companion, they had to enter the banquet hall together.

It wasn’t that he didn’t know this, but because he had never brought a female companion into any occasion before, he momentarily neglected this point. He only thought that it would be as usual, and that he could just enter the venue directly.

His stop also caused Helian Manli to stop in her footsteps. She looked at him with a strange gaze and was slightly stunned. “What’s Wrong?”

His gaze moved away from her fair and clean hand, and he raised his head with an indifferent expression.

“It’s nothing, go in.”

Holding his arm, two graceful and graceful figures slowly walked towards the main entrance of the banquet hall.

Just like that, the curtain of an international grand meeting was pulled open.

Under everyone’s gaze, Xiang Yi and Helian Manli walked into the banquet hall. The moment they entered, they attracted everyone’s attention.

Firstly, it was because of their outstanding looks. Secondly, it was because of Helian Manli’s identity as a noble of the Imperial Family!

He LIANTIAN’s gaze was naturally attracted by the scene at the entrance.

Looking at the man beside his daughter, his appearance was indeed outstanding. Could this be the person she had said she had a crush on?

He Liantian tilted his head slightly, and the assistant at the side immediately went up to greet him. “Mr. Helian.”

“Go investigate the man beside Manli.”

“Yes.” The assistant accepted the order and retreated.

Feeling the gaze of everyone, Xiang Yi was slightly startled, and his footsteps stopped.

“What’s Wrong?”

A hint of solemnity flashed across his handsome face. He didn’t really like the feeling of being the center of attention, especially when Manli was standing beside him.

He should have thought that as a noble of the royal family, and as the main character and organizer of today’s event, Manli would definitely be the center of attention when she came in.

“Is it done?” His voice was indifferent. He didn’t look at her, but looked straight ahead and asked in a low voice.

In the midst of the music, his voice was so low that only the two of them could hear it.

Helian Manli glanced at his handsome side profile and said, “Not yet. We have to go to the front of the stage.”

Hearing her words, Xiang Yi was indifferent and walked towards the center of the stage with a cold face.

In a corner of the banquet hall, Shi Nuannuan came straight here after getting off the plane. She had not eaten for eight hours and was so hungry that her chest was pressed against her back!

Thus, the moment she came in, she was looking for something to eat.

It was not until the music started that she took a piece of dessert. As she ate, she turned her head and followed everyone's line of sight to look over.

As she was in the back of the crowd and there were too many people, she could not see the two figures walking in front of her. She did not seem to be interested in that either.

Anyway, the main character today was that Manli. She could not be bothered to look.

However, where was her brother? Where did he go?

She put the last piece of cake into her mouth. After drinking a mouthful of fruit juice, she picked up another type of cake. Only then did she look around to look for her brother, Shi Yuting.

However, when she passed through the crowd, trying to find her brother, she looked up and saw Xiang Yi and Manli walking into the banquet hall hand in hand in the center of the stage not far away?

"Ugh!"

At this scene not far away, Shi Nuannuan was about to pass through the crowd and rush over, but she suddenly stopped at this moment, and the expression on her face instantly became very painful!

"Uh, cough cough –"

Perhaps she had eaten too quickly, but after drinking that cup of fruit juice, she seemed to have choked!

Chapter 1098, Miss, Are You Alright?

In an instant, the food was stuck in her throat, unable to go up or down, causing her extreme pain!

"Uh, cough cough..." she coughed painfully, but her gaze was still fixed on Xiang Yi and Helian Manli, who were not far away. That scene was somewhat dazzling to her.

However, Xiang Yi, who was standing far away, did not see her figure.

In order to give him a surprise, she did not let her brother say that she had followed him to country A.

"Miss, Are You Alright?"

Hearing her painful cough from behind, a man turned around and saw her clutching her chest with a pained expression. He could not help but cast a concerned gaze.

"I... Cough, cough..."

Looking at her appearance, she must have choked on her food. Seeing this, the man hurriedly walked to the dining table at the side and poured her a cocktail.

He passed the cocktail to her. In order to relieve the pain, Shi Nuannuan quickly took it and drank it.

After a while, she swallowed the food in her throat. Only then did she feel much better and let out a breath.

However, she did not stop for a moment. She turned her head again and wanted to rush to Xiang Yi and Helian Manli's position, but she found that only Helian Manli was left at the previous position. Xiang Yi was nowhere to be seen.

Her gaze searched the hall once, but she still could not see Xiang Yi's figure.

The banquet hall was very large, and some of her line of sight was in a blind spot. In order to find Xiang Yi, Shi Nuannuan followed the crowd to every location and stuck her head out to search for Xiang Yi's figure.

After greeting everyone, Helian Manli also smiled and walked to another location.

Just as she raised her head, she suddenly discovered Shi Nuannuan's figure in the crowd.

She could not help but be startled.

This was country A. Why was Shi Nuannuan Here?

Moreover, judging from Xiang Yi's reaction just now, he did not seem to know that she had come here at all. Could it be that she had come with Shi Yuting?

Looking at the beautiful figure that was looking around not far away, Helian Manli's beautiful red lips suddenly curled up and a meaningful smile hung on her face.

She was about to walk over when a powerful and powerful man's voice came from behind her.

"Manli."

Hearing her father's voice, Helian Manli stopped in her tracks. She turned her head and saw her father, he Liantian, walking towards her.

"Miss Manli."

He Liantian brought a man with him. It was the third young master of the Bourne family that he had mentioned earlier.

Seeing Manli in front of him, young master Bourne smiled at her and raised his glass of high-grade red wine in a gentlemanly manner.

Helian Manli glanced at him and also raised her glass of wine to show her respect.

At the same time, on the open-air balcony of the hotel, two tall figures stood under the night sky of Country A.

"You've worked hard."

Looking at Xiang Yi, Shi Yuting said.

Xiang Yi pursed his lips and did not speak.

"I heard from Miss Manli that she still wants to invest in the development of the hotel in country Z, and..." Shi Yuting paused and raised his deep eyes to look at Xiang Yi.

Unlike before, Xiang Yi was just a subordinate to him, but now, Shi Yuting saw him as his future brother-in-law.

Xiang Yi seemed to have noticed this difference.

“She specifically asked for you as the person in charge.”

Xiang Yi was stunned when he heard that and met that deep gaze with a faint smile.

“Mr. Shi, I’m just an assistant.”

All along, although he had helped Shi Yuting with various matters, he had never been responsible for any business projects. This was the first time.

Chapter 1099 was the peak of his life

Because Mr. Shi had to go home to accompany his wife and children, the project was left to him for the weekend. He could only come to country A to help him handle it.

Because this case was personally handled by Mr. Shi, if he didn’t handle it, he would be the only special assistant who knew the process best.

Other than him, there was really no one else who was suitable to come.

“That’s right! You’re indeed just a special assistant. Over the years, you should have learned a lot of business experience from my side. If you want to transform, please use the identity of an assistant. Miss Manli is your best partner. Even though...” Shi yuting paused again, his gaze fixed on him, “This might make miss manli have a good impression of you, and Nuannuan will also mind when she finds out. But the decision is up to you, and you don’t need to be influenced by anything. “The key is, do you want to get rid of your identity as an assistant and stay with Nuannuan, or do you want to stay as an assistant forever, holding the risk of losing nuannuan at any time and not doing anything?”

After listening to his words, Xiang Yi finally understood. It turned out that during this period of time, Mr. Shi had always put him in charge of some big and small cases. was he trying to make him transform?

“Perhaps you think that without MANLI, you can find other partners, but you have to know that with Manli’s identity and status in country A, she will definitely be a very influential figure in your future career. By working with her, you can at least save three years of hard work. “Of course, you can also use the name of my overlord, but if grandfather finds out about this, he will only think that you only became what you are today because of my overlord. “On the other hand, Manli is different. You have nothing to do with her. In Grandpa’s eyes, you can only rely on your own strength to get to where you are today. He also started from scratch, so even if you’re only an assistant now, if you stand at the top of the world, he’ll only admire you.”

This was the first time Xiang Yi had heard Shi yuting say so much, and it was because of him.

He knew that he only wanted to help him if he could become a person who could have warmth.

There was some truth in Mr. Shi's words. But what he was worried about was how Nuannuan would feel if she knew that she had been together with Miss Manli for a long time?

He did not want her to be hurt or wronged because of him. He only wanted to pamper her in his heart.

"In a man's career, you must understand one thing. If you want to reach the peak of the world, sometimes you must do whatever it takes!" Shi Yuting said again.

This was a truth. The reason was simple. On the road to the peak, if you did not remove the obstacles in front of you and seize the opportunity, you would always stay at the bottom, waiting for others to step on your shoulders, climb up step by step. By then, others would already be at the top, and you would still be at his feet.

Looking at Shi Yuting, Xiang Yi's shimmering eyes lifted slightly. "Your subordinate understands."

Shi Yuting curled his lips into a smile. Even Xiang Yi was a little surprised by his next move.

He saw Shi Yuting holding a goblet in his left hand, and with his other hand... They were shoulder to shoulder! ! !

"Let's go in."

After patting him, Shi Yuting let go of him and the two of them walked side by side towards the banquet hall.

"Oh, right."

After walking for a few steps, Shi Yuting seemed to have thought of something and suddenly stopped. He turned around and looked at Xiang Yi again.

Meeting his dark eyes, Xiang Yi pursed his lips and waited for what he was going to say next.

Chapter 1100: Do You Mind If I call you that?

"Nuannuan..." he was about to say something when Shi Nuannuan's words rang in his ears. "Brother, you're not allowed to tell Xiang Yi that I'm coming with you. I want to give him a surprise, so before I meet him..." 'you're not allowed to tell him!'

Thinking of his little sister's words, Shi Yuting smiled and looked up at Xiang Yi. "It's nothing. Let's go."

As soon as he finished speaking, he had already walked straight towards the banquet hall.

Xiang Yi stood rooted to the ground, staring blankly at his back view as he left. In the end, he also followed him.

When they returned to the banquet hall, Shi Nuannuan had disappeared again. She was looking for Xiang Yi everywhere, and even her brother had disappeared!

A beautiful waltz rang out, and in an instant, the entire banquet hall was filled with men and women who began to pair up and step into the middle of the dance floor in an endless stream.

As Xiang Yi was the person in charge of this collaboration case, he was not Shi Yuting's special assistant today, but a VIP who had also been invited here.

"Be more casual. You're one of the main characters today, so you don't have to follow my instructions." Shi Yuting was a person who was clear about rewards and punishments, so he would do whatever he was supposed to do.

The people who came today were all nobles and daughters of socialites. Perhaps someone would invite him to dance.

As soon as he turned around, he saw a gorgeous woman walk up to him.

The woman was about to speak, but Shi Yuting only took a sip of the high-class red wine in his glass and walked past the woman as if nothing had happened. He did not even glance at her.

The woman's invitation to dance was stuck in her throat just like that.

In the past, Xiang Yi had only followed Shi Yuting as a special assistant at such a grand event. Now that he was participating in such a grand event with his own identity, he seemed to be a little unused to it. HMM, he was too free and had nothing to do.

He held a glass of wine and stood to the side, watching the people dancing on the dance floor. From time to time, he would gently sip the red wine in his glass.

"Xiang Yi."

At this moment, a beautiful voice was heard.

Xiang Yi turned his head when he heard the voice and saw Helian Manli elegantly walking towards him. Wen Sheng was standing in front of him.

"You don't Mind Me Calling You That, do you?" Looking at the man in front of her, Helian Manli said with a smile.

Xiang Yi's unperturbed gaze lightly glanced at her, and then lightly spat out two words, "As you wish."

How she wanted to call him was her business. Regarding this point, he was indifferent and didn't care.

"Dance with me?" Her clear eyes looked at him, and Xiang Yi didn't notice the flash of admiration in her eyes.

Looking at the woman in front of him with that expectant gaze, Xiang Yi hesitated for a few seconds before saying, "Sorry, I won't."

Helian Manli was a little surprised by this answer.

Even if she didn't have the chance to dance with Shi Yuting, she should know how to dance, right?

"I know how to dance. Can I teach you?"

He glanced at her again and opened his thin lips, "No need. I'm not interested in this and I can't learn it."

“If it were Shi Nuannuan, would you still answer like this?” Helian Manli’s face had a faint smile on it. It seemed that he didn’t know that Shi Nuannuan had come here.

Xiang Yi’s calm gaze fell on her face, but he did not answer.

Indeed, this was just his excuse.

“Miss Manli.”

Just as the two of them were talking, a deep and magnetic voice suddenly interrupted them.

The two of them turned their heads when they heard Wen Sheng. They saw a young and handsome man slowly walking towards them.
