

Kiss Me 1101

Chapter 1101, the night sky of Country A

Looking at Helian Manli, the man glanced at Xiang Yi, and then returned to Helian Manli's face. He said in a gentlemanly manner, "May we dance together?"

As he spoke, he had already made an inviting gesture.

Looking at the hand in front of her, Helian Manli did not respond, but looked at Xiang Yi.

In an instant, Xiang Yi also came into contact with the flash of hostility in the eyes of the man in front of him. After placing the finished wine glass on the dining table behind him, he nodded slightly at Manli and then walked towards the direction of the entrance of the banquet hall not far away.

Looking at the back view that was far away, and then looking at the hand that was still waiting in front of her, Helian Manli rejected the man's invitation.

She smiled and smiled politely, "I'm sorry, Young Master Bourne. My father seems to be calling me. If you want to dance, we can do it next time. Excuse me."

She copied the tone Xiang Yi used to reject her last time and used it to deal with the man in front of her.

Although the man was a little disappointed to be rejected, he liked the woman in front of him and was naturally willing to wait for the next dance.

As if feeling that the man behind her was still staring at her retreating figure, Helian Manli had no choice but to walk towards her father.

Of course, this was only an illusion. After all, he liantian did not call her.

"Father, I'm going out for a while. I'll be right back."

Walking in front of He liantian, Helian Manli let out a roar, then turned around and chased after Xiang Yi.

Xiang Yi was not very interested in this banquet. On the contrary, he was a little bored, so he left the banquet hall and prepared to go to a quiet place to make an international call to Nuan Nuan.

He came to the quiet stairway, took out his phone, and was about to unlock the screen.

At this time, Helian Manli's voice came from behind.

"Xiang Yi."

When he heard the voice, he turned his head and saw Helian Manli wearing a gorgeous deep-v evening gown walking towards him. Wen Sheng looked at her.

He furrowed his brows slightly and looked at Helian Manli who was walking towards him. wasn't she dancing with that man just now? Why did she come here as well?

"Why are you here? Don't you like banquets?" She could tell that he did not seem to like this kind of occasion.

Helian Manli's gaze glanced at the phone in his hand. He should be calling someone, right?

He was the person by Shi Yuting's side, and at this moment, Shi Yuting was in the banquet hall. Naturally, he was not calling him, but Shi Nuannuan?

By the way, where did Shi Nuannuan go? She was clearly here, but up until now, the two of them had not met. Was it because God had given her a chance to pursue Xiang Yi?

"Mm."

Glancing at the woman in front of him, Xiang Yi's attitude was always modest with a hint of indifference. He felt cold, but gave people a gentle feeling, which instead made people sink deeper, deeply attracted by his attitude.

"I don't like it either."

He looked at her and did not speak again.

The walls of the stairway were completely transparent. At this moment, they only needed to turn around to be able to clearly see this beautiful night sky.

"How is it? is the sky of our country a more beautiful than yours?" Helian Manli turned around and took a few steps forward, then looked at the distant starry sky, it seemed that she intended to stay here and enjoy the night scenery with him.

Along with her voice, Xiang Yi also turned around and raised his head to look at the beautiful night sky.

In the same universe, what was the warmth doing at this moment?

Was he leaning against the windowsill and standing under the same starry sky with her, admiring the beautiful starry sky.

Chapter 1102 her interest was no longer just a little bit

His line of sight became distant. Every Bright Star in the night sky seemed to outline Shi Nuannuan's clear and refined face, causing him to inadvertently curl up the corners of his mouth into a shallow arc.

Helian Manli turned around and saw the beautiful curve on his handsome side face. Her heart suddenly felt a little sweet, and she couldn't help but reveal a faint smile.

Then she turned her head and continued to admire the same gorgeous starry sky with him.

She never thought that there would be such a day between them. They just stood quietly without any words, just enjoying the beautiful night scene.

At the end of the long corridor, the dancing and singing in the banquet hall could not be heard.

Time passed by minute by second. The night sky was not warm, and the beauty seemed to not last long. Soon, Xiang Yi returned to his senses.

Helian Manli also followed his movements and turned her gaze away.

“Are you going in?”

His shimmering eyes looked at her. “I don’t care. You, on the other hand, are the main character today. It’s not good for you to be away for too long.”

She smiled. “It’s good that my father is here. Moreover, I came out from hiding.”

When she said the last sentence, a mischievous look appeared on her face. For a moment, Xiang Yi was still a little flustered.

Because sometimes, nuannuan would also reveal such an innocent and mischievous look.

After being slightly startled, he came back to his senses and realized that there was a hidden meaning in her words, so he asked casually, “What’s Wrong?”

She smiled and turned around. “Because my father always likes to introduce men to me at such occasions, so I can only run away!”

Xiang Yi was indifferent to her words. There was no emotion on his calm face. He just looked at her calmly.

“What About You? Why don’t you like staying inside?”

“Boring,” he said simply. The reason was that simple.

She could not help but smile and turned to look at him. “If Shi Nuannuan was here, it wouldn’t be boring, right?”

He was stunned.

Wherever there was nuannuan, every minute and every second was indeed exciting. It would not make him feel the slightest bit of dance music.

The first twenty years of his life had been empty and uninteresting. In the rest of his life, only she could fill his life. It was no longer boring but full of gray.

He suddenly smiled. Perhaps it was because he thought of Shi Nuannuan, he inadvertently revealed such a faint smile.

At this time, Helian Manli saw his smile for the first time.

No, that was not right.

It should be said that it was the first time she saw him smile without Shi Nuannuan.

Because in the past, she had only seen him smile gently at Shi Nuannuan.

Just as Helian Manli was focused on the faint smile on his face, she suddenly caught a glimpse of two familiar figures approaching from the other end of the long corridor.

Her expression froze for a moment, and the smile on her lips slowly disappeared.

Looking at the two figures not far away, then looking at Xiang Yi who was facing the long corridor, a thought flashed through her mind.

At first, she was only slightly interested in this man in front of her. But now, she seemed to realize that her interest was no longer just a little bit, but a lot more, so much so that she wanted to occupy his heart, she was even a little jealous of Shi Nuannuan.

She did not have this feeling in the past. It was the 'joke' from last night. She only wanted to tease Shi Nuannuan.

"Xiang Yi."

She suddenly called out to her.

Chapter 1103: Fake Kiss

Xiang Yi's gaze turned from the night sky to her. He looked at her without saying a word.

He was only waiting for the reason why she suddenly called out to him.

"Can you help me with something?"

"..."he was slightly startled. He was helping again.

Helian Manli's gaze once again looked in the direction behind him. "There's a troublesome man. He's the one who invited me to dance previously. You've seen him before. He's coming this way."

Hearing this, Xiang Yi wanted to turn his head to look.

"Don't turn your head! He's coming." Helian Manli suddenly opened her mouth to stop him from turning his head.

However, Xiang Yi still turned his head to look at the figure who was walking over. It was indeed the man who had invited her to dance previously.

He seemed to still have a trace of hostility towards himself.

The moment he turned his head, Helian Manli's heart seemed to be about to jump out. However, when she saw that the moment he turned his head, that delicate and pretty figure was blocked by young master Bourne, her heart suddenly heaved a sigh of relief.

Looking at the figure that was walking over, Xiang Yi turned his head again and stared at Helian Manli.

Just as he was about to speak, he saw her face move closer in an instant.

He instinctively wanted to move aside, but she grabbed the collar on his chest.

Then, he heard her low voice, "Please, I don't want to be pestered by him again. Just help me this time. Just like this, it's fine as long as you don't move."

As Helian Manli spoke, Xiang Yi frowned slightly, not knowing what she was going to do.

"Don't worry, I Promise I won't touch you. You Don't have to mind. I'm just pretending to let him back down after seeing this scene."

As she spoke, she suddenly raised her head and moved closer to her.

Only when her face was close to him did Xiang Yi come to a realization.

From the position they were in, from the position behind him, it should be... kissing.

Did she want to add a kiss for that man to see?

At this moment, their lips were only three centimeters apart from each other. However, even though her lips did not touch his, Xiang Yi still felt a little repulsed.

However, when he met her pleading gaze, he still paused for three seconds before gently pushing her away. He also took a step back instinctively.

Seeing the scene in front of him, young master Bourne could not help but stop in his tracks, his expression astonished.

To him, the scene in front of him was like a pair of lovers kissing. But why was it like this? Didn't Helian Manli not have a boyfriend? At this moment, why was she making such an intimate move with a man?

Seeing the man in front of her suddenly stop in his tracks, Shi Nuannuan looked around as if she was looking for Xiang Yi. She did not notice the man who suddenly stopped in front of her and almost bumped into him.

Fortunately, she reacted quickly and dodged in a flash. However, when she raised her head, she saw the scene in front of her.

Manli's gaze fell on the position behind Xiang Yi, and she also saw the two figures that Ding Ding was standing there.

"OH."

She suddenly spoke, as if she had seen something strange.

Sensing her sudden change in expression, Xiang Yi frowned slightly and turned around abruptly.

When he saw Shi Nuannuan standing there, he was stunned.

Nuannuan? Why was she here.

Xiang Yi was shocked and surprised by her appearance. Then, he suddenly realized what had just happened.

Could it be that Nuannuan saw it too?

But when did she appear? When he turned around just now, he clearly did not see her.

Shi Nuannuan just stared blankly at the two figures in front of her. Her entire person seemed to be frozen in an instant, not moving at all.

Chapter 1104

“Nuannuan.” He walked over. This time, he did not ask him why he was here. Instead, he explained first, “Listen first –”

“What were you guys doing just now?”

Before he could finish his sentence, Shi Nuannuan suddenly spoke. A hint of heartache flashed across her clear and bright eyes as she stared at him in a daze.

Seeing the pain in her eyes, his heart tightened. He had never felt regret before.

“I didn’t do anything.” He tried his best to calm himself down because he was afraid. The more anxious he was, the more chaotic his explanation would be. He did not know where to begin.

Tears flowed out of his eyes and slid down unconsciously.

“Xiang Yi, why? Why are you the same as those scumbags in the novels? “I always thought that all the men in the world would cheat, but you would never... I always believed that I was the only one in your heart...”

She was not someone who would shed tears easily. Other than pain, that was what she was most afraid of.

But other times, she really, really rarely cried. But now, she could not control her tears and fought to be the first to fall out..

Why, why did she come from thousands of miles away and imagine countless scenes of meeting him? She even imagined his surprised expression when he suddenly saw her, but she had never imagined such a scene.

Why, why would xiang Yi treat her like this? Didn’t he like her? Why would he do such a thing? Why would he kiss another woman..

“But why... Why did you kiss another woman... why...”

Her sobbing voice tore his heart apart.

He closed his eyes, and suddenly, a ball of fire rose!

Perhaps it was because he was angry at his momentary panic, or perhaps it was because of Helian Manli’s sudden action, which allowed this short three seconds to be accidentally seen by Nuan Nuan.

He had no way of explaining it. To Nuannuan, that angle was like kissing, so no matter how he explained it now, it was useless!

“I didn’t Kiss Another Woman!”

“I already saw it, why are you still lying! ?” Shi Nuannuan suddenly felt that she had never really known xiang yi before, “My Heart Hurts, it hurts so much...”

She had never experienced such a feeling before. It turned out that this feeling of heartache could suffocate people. At this moment, it was as if there were countless knives stabbing into her heart, causing her pain!

“Nuannuan...”

“Don’t touch me, I’ll never... Never See You Again!”

After saying that, she turned around and was about to leave.

However, he pulled her back.

“Let go of me!” She struggled, but found that he was very strong and did not intend to let go of her.

She was so angry that she suddenly reached out her hand and bit down hard on the back of his hand

Perhaps she was angry, but she did not show any mercy with this bite. Soon, she felt a salty taste flowing into her mouth, and then she smelled a bloody smell.

Xiang Yi felt a sharp pain coming from the back of his hand. His eyebrows tightened, but he still did not let go of her hand.

Since he did not let go, she did not plan to let go. She only wanted to bite until he let go of her hand!

Just like that, half a minute passed. Bright red blood flowed along the back of his hand and dripped onto the ice-cold floor. Helian Manli and young master Bourne, who were watching from the side, could not help but feel shocked.

Seeing that Shi Nuannuan did not intend to let go of his hand, Helian Manli could not help but rush over.

“Miss Shi, are you crazy! ?”

Chapter 1105, I’ll let you explain to her!

She stretched out her hand, as if wanting to pull out Xiang Yi’s hand that was bitten by her.

At this time, Shi Nuannuan released her grip. She suddenly raised her head and roared at Helian Manli!

“Get out of my way! !”

Helian Manli was still somewhat stunned by her sudden roar. After all, she had grown up, and no one dared to shout at her.

After shouting, Shi Nuannuan struggled twice, but she still could not break free.

“Smelly Xiang Yi, let go of me!” She raised her head, but her tears fell even more fiercely. She regretted that she had been so ruthless.

However, she had already done it, and it was impossible to take it back. She was not the one who apologized again and again. After all, it was not her fault now!

“Listen to my explanation First!”

“I don’t want to listen. I only believe what I saw!”

“What did you see! ?” He suddenly shouted as well. Perhaps he was too anxious to explain himself to her.

She had not listened all this while, and he was flustered.

“I saw the two of you kissing!”

“You saw it? Did you see me touch her! ?”

Shi Nuannuan paused, and her tears fell even more violently.

Her eyes were mournful, and the look of grievance on her face was as if it was going to break his heart.

“You’re angry at me... You’re actually angry at me... Wu... I’m going to tell my brother to cut you into pieces!”

As she said this, she was about to turn around, but she realized that her hand was still tightly held by him!

“Let go of me!”

“Miss Manli, explain.” Xiang Yi’s gaze suddenly turned to Helian Manli, and his eyes were stained with a touch of Scarlet.

Hearing his sudden words, Helian Manli paused and turned her head to look at him, as if for a moment she still didn’t understand what he meant.

However, Xiang Yi roared out, “I’ll let you explain to her!”

Helian Manli was stunned, and couldn’t help but glance at young master Bourne at the side.

How was she going to explain?

“I...”

She wanted to say something but hesitated. From Shi Nuannuan’s point of view, it seemed like there was something between her and Xiang Yi just now. At this moment, this aggrieved look was as if Xiang Yi was forcing her to explain.

At this moment, the banquet in the hall seemed to be nearing its end. In a short while, people began to walk out of the main door one after another and entered the elevator one after another. They did not notice what was happening here.

Shi Yuting naturally walked out as well, but his line of sight caught a glimpse of where the four of them were at the end of the long corridor.

He left the crowd and slowly walked in their direction.

Hearing the footsteps of leather shoes, Shi Nuannuan turned her head and saw her brother walking over, crying even more aggrievedly.

“Brother...”

Needless to say, when he saw Shi Nuannuan crying like that, Shi Yuting seemed to be stunned for a moment.

Because after his father passed away, he really rarely saw Nuannuan cry, not to mention the pitiful look she had now.

“What’s going on?” He walked over and scanned the four of them before finally landing on Xiang Yi and Nuannuan’s faces.

“Brother, tell him to let go of me. I want to leave. I don’t want to stay here anymore!”

As soon as she said that, Shi Yuting instinctively looked at the position of her hand and noticed that Xiang Yi’s bloody hand was holding onto Nuannuan’s.

What happened? What happened?

He glanced at the expressions of the four people again. Although he did not understand what had happened, he could roughly tell that there seemed to be some misunderstanding and that Nuannuan had seen through it.

“Oh, so much blood.” Shi Yuting suddenly said. His gaze stopped at Xiang Yi’s bleeding hand as if he had seen something surprising.

Chapter 1106 “Let Go of me, you bastard!”!

Shi Nuannuan’s gaze naturally followed his line of sight and fell on Xiang Yi’s hand that had been bitten by her and was dripping with blood.

Her heart suddenly ached.

She wanted to go forward, but when she thought of the scene just now, her heart ached even more, and tears once again surged down her face.

“Miss Manli, I just happen to have something that I want to discuss with you.” Shi Yuting suddenly looked at Helian Manli and said.

Helian Manli was startled when she met his smiling eyes. Then, she turned her eyes and glanced at Xiang Yi and Shi Nuannuan. Then, she returned to Shi Yuting’s face.

She pursed her pink lips and said, “Okay.”

Shi Yuting curled his lips and immediately turned around and walked straight ahead.

He glanced at Xiang Yi and Shi Nuannuan and Helian Manli also walked away.

Once she left, young master Bourne naturally had no reason to stay here. In a moment, only the two of them were left in the long corridor.

Seeing her brother leave directly, Shi Nuannuan wanted to break free from Xiang Yi’s hand, but no matter how hard she tried, she could not!

“Let go of Me, Bastard! !” Glaring at the man in front of her, she cursed angrily, her tears still falling out desperately.

Looking at the tears on her face, they tore his heart apart.

Unable to explain, he pulled her into his arms and hugged her tightly. He closed his eyes and felt the pain in her heart.

“I’m sorry, Nuannuan. Please listen to my explanation.”

“I don’t want to listen to your explanation!” She struggled. She felt that if she listened to his explanation, she would become a silly female protagonist in a novel. She wouldn’t know that a scumbag had cheated on her. She didn’t want to do that!

“Let go of me!”

“It’s not what you see. Calm down and listen to me, Okay?” He knew that if she didn’t calm down at this moment, she wouldn’t listen to anything he said.

“Then let go of Me First!” She suddenly opened her mouth, as if she wanted to listen to his explanation. She didn’t struggle anymore.

He hugged her and was quiet for a while. When he felt that she had really calmed down, he slowly let go of her.

However, just as he let go of her, Shi Nuannuan, who had just relaxed, suddenly turned around and rushed into an elevator!

Xiang Yi, who had regained his senses, immediately chased after her, but the elevator door closed in an instant.

“Damn it!” For the first time, he swore!

He kept pressing on the elevator door, but there were three elevators. Two of them went down, and one went up. They did not come for a long time.

He was so anxious that he did not know what to do. He could only turn around and walk towards the stairs.

Although it was on the 12th floor, it was good that it was down, not up.

But after he chased all the way down, Shi Nuannuan’s figure was long gone from the entrance of the International Hotel.

Seeing the vips leaving one after another into their private cars, but there was no sign of nuannuan, he was so anxious that he could only take out his phone.

Even though he had guessed that Nuannuan would definitely not pick up his call.

Walking on the Misty Street, Shi Nuannuan, who had come here for the first time, was only wearing an evening gown decorated with sky blue flowers. The weather was a little cold, but she did not feel cold.

She just lowered her head and walked ahead aimlessly.

The phone in her red handbag rang. She did not see the caller ID and was too lazy to pick it up.

She had never thought that Xiang Yi would kiss another woman.

In her heart, he loved and protected her so much that he promised to marry her as his bride. However, after coming to country A, everything had changed.

Why was it like this?

The phone was still ringing, and she was still walking aimlessly. She could not even feel the cold.

Chapter 1107 "But I like Xiang Yi, this tree!"

She didn't know how long she had been walking for until her tears were dried by the wind. When she came back to her senses, it was already late at night.

In this weather that was filled with thick spring and misty rain, at this moment, Shi Nuannuan finally felt a trace of coldness. She couldn't help but shiver.

The drizzling rain was like a layer of wet smoke that drifted down, soaking the sky-blue evening dress she was wearing.

Turning around, she saw a high-class bar. Smelling the strong aroma of wine, she walked in without hesitation.

Didn't they say that one drink could solve a thousand worries?

Walking into the bar hall, Shi Nuannuan walked straight to the bar counter.

"Whiskey."

Walking to the bar counter, Shi Nuannuan sat there. Her sweet and pleasant voice quickly attracted the bartender's attention. It was a beautiful woman!

The two men who were sitting beside Wen Sheng also turned their eyes to her.

Her soft, slightly curly hair was drenched by the rain, making her look a little pathetic.

Fortunately, the heater in the bar had been turned on, so she was not so cold anymore.

The bartender pushed a glass of whiskey in front of her. She picked it up and drank it in one gulp.

"Another glass."

The bartender had seen many people who came to the bar to drown their sorrows. He smiled and gave her another glass.

She raised her head again and said, "Give me a bottle!"

Without a doubt, the bartender gave her a bottle.

The eyes of the two men at the side had long fallen on her exquisite figure. They stared at her like rats and then walked over with a glass of wine.

"Beauty, it's boring to drink alone. Want to join us?"

Hearing this, Shi Nuannuan's dark eyes glanced at the man who spoke. Then, she sneered disdainfully and disdainfully.

A man like this was not even worthy to talk to her. He was not even one-thousandth of Xiang Yi!

She did not know why, but it seemed as if all the men in her mind and heart were Xiang Yi. The way he pampered and protected her made her feel even worse.

"Damn Xiang Yi, Bastard Xiang Yi, he actually broke his legs, sob..." she sat in front of the bar counter and cried loudly as if there was no one else around.

Her crying shocked the two men and the bartender. They were dumbstruck when they saw her crying.

After venting, Shi Nuannuan stopped crying and sobbed. She poured another glass of wine and drank it down.

Didn't they say that getting drunk would solve a thousand worries? But after drinking so much, why did it feel like Xiang Yi and Helian Manli were still kissing in her mind? It didn't solve any worries at all!

Her tears seemed to be unable to stop as they fell out with all her might. She wiped them away and continued to pour more wine, one cup after another.

Although the two men who came back to their senses did not understand what she was saying, looking at her heartbroken appearance and her flower-like age, it was needless to say that she must have been heartbroken. At this moment, she was drowning her sorrows with wine.

"Beauty, are you heartbroken?"

Shi Nuannuan ignored him and continued to pour more wine.

"Sigh, it's just a break up. There are so many men in the world, why do you have to hang yourself on a tree? It's not worth it to give up the entire forest for a tree..."

"But I like Xiang Yi this tree!" Hearing the chattering voice beside her ear, Shi Nuannuan turned her head and roared at the man!

She just liked Xiang Yi and was not interested in the entire forest.

The man was stunned by his roar. The beauty in front of him seemed to be quite hot and not to be trifled with.

After Shi Nuannuan finished her roar, she glanced at him in annoyance and turned her head to continue drinking.

chapter 1108, you're BULLSH * t!

After drinking a bottle of whiskey, Shi Nuannuan didn't know if it was because the alcohol hadn't kicked in or something. Although her cheeks were burning hot, her mind was clear and she didn't feel drunk at all.

“What kind of wine is this? Is this bottle of whiskey fake? !” Shi Nuannuan couldn’t help but get angry at the bartender for not getting drunk even after drinking a bottle.

The bartender was stunned by her shout. He lowered his eyebrows and looked at the empty bottle in her hand.

Whiskey was strong wine. If she did not get drunk even after drinking a bottle, it could only mean that she had a good alcohol tolerance or that the alcohol was not strong enough yet.

However, from her appearance, she should be a little drunk. Otherwise, how could she say that this was fake wine.

The bartender smiled. “Miss, are you trying to get drunk?”

“Nonsense. If I’m not getting drunk, do you think I’m just here to have fun?” With a hint of tipsiness, Shi Nuannuan raised her delicate face and asked.

Since she was getting drunk, how could he not do business with her.

Not long after, under the bartender’s dazzling movements, a glass of green liquid appeared in front of Shi Nuannuan. It was a cocktail that had just been mixed, and the alcohol was three times stronger than whiskey.

“If miss wants to get drunk, this cup is absolutely fine.”

Shi Nuannuan looked at the cup of green wine, then looked at the bartender, and finally picked up the cup of wine.

“If you don’t get drunk, I’ll Smash Your Bar!”

After saying this, she threw the cup of wine to the side, and then she placed the empty cup heavily on the bar counter in front of her!

After a while, she did indeed feel a little dizzy, but in her mind, the image of Xiang Yi and Helian Manli kissing became clearer and clearer, even clearer than before..

What kind of lousy wine, what kind of sorrow did it solve! ! ? Not only did it not solve, but it also enhanced the clarity of the scene!

“Hey!” With a hint of drunkenness, Shi Nuannuan suddenly climbed up the bar counter, grabbed the bartender’s collar, and pulled him in front of her.., “Didn’t you say that you can get drunk after drinking this cup! ? Why don’t I feel drunk at all! ?”

At this moment, her mind was filled with that scene. It pierced her heart, one needle after another. The pain was so painful that she couldn’t bear it!

Why was it so painful? Was this the feeling of heartache?

Looking at her who was already drunk, the bartender felt a little helpless.

“Miss, you’re already drunk.”

"I'm Not!" She shouted. How could she be drunk? Her mind was clearly so clear, how could she be drunk?

"You're really drunk." It was right that she was not drunk and unconscious.

"You're BULLSH * t!" Her dark eyes were stained with pain and tears, blurring her vision. The scene in her mind was like a short film, replaying non-stop.

The bartender took her hand that was clutching his collar. Helplessly, he was still a gentleman. He walked around the bar counter and moved Shi Nuannuan to a sofa not far away. "You can rest here for a while."

After saying that, the bartender turned around and left, returning to his post.

Shi Nuannuan was lying on the sofa, her messy hair covering her entire face. Then, she was seen sobbing and trembling on her shoulders..

"Sob..." the sound of sobbing could be heard, causing some of the men who were enjoying themselves in the bar to look at her with complicated gazes.

She was a beauty to begin with, and when she entered, she attracted the gazes of many men. At this moment, looking at her sobbing face, it made people feel pity for her.

However, in such an occasion, if it was like the bartender and the two men who just wanted to hit on her, they would not be afraid of danger. However, there was another kind of man besides this kind of man.

Chapter 1109: two cups of 'Green Youth'.

Looking at her sad and crying appearance, a man who looked to be in his twenties walked over. Judging from his clothes and temperament, he should be a rich second generation.

Shi Nuannuan was lying on the sofa, so no one could see her appearance. They could only see her sobbing shoulders and the faint sound of sobbing.

"Waiter!" The man shouted at a waiter not far away.

The waiter walked over and stood in front of the man.

"Give me two more cups of 'Green Youth'."

The waiter left when he heard the sound and turned back not long after. There were two cups of 'Green Youth' on the tray.

"Miss, are you interested in another cup?" The Man took the wine and touched Shi Nuannuan's shoulder.

Hearing the strange man's voice, Shi Nuannuan, who was lying on the sofa, stopped sobbing. She looked up, and her tear-stained face looked a little embarrassed.

Because her face was wet with tears, a few strands of her messy hair stuck to her slightly red face because of the moisture.

She raised her head and glanced at the strange man in front of her. Although he was not as handsome and perfect as Xiang Yi, he was a little better than the two men who tried to hit on her.

However, she had never been interested in strange men, so she just kept a cold face and ignored him.

However, the man didn't mind her indifference. Instead, he curled the corners of his lips and raised the glass of wine in his hand. "Do you want more?"

At this moment, Shi Nuannuan was indeed most interested in wine.

However, after drinking so much, she didn't feel drunk at all. Instead, she became more and more sober.

Of course, she did not feel drunk. One had to know that the more drunk a person was on the surface, the clearer their thoughts would be. At this moment, her current state was a complete mess to the bystanders.

She took a look at the glass of green liquid wine. After a moment of silence, she took it.

Then, she emptied it in one go.

Perhaps she had drunk too much, but her chest suddenly felt like it was about to turn upside down.

She felt nauseous and covered her mouth, wanting to throw up.

When the man saw this, he quickly helped her up and said, "I'll take you to the bathroom!"

"Who the F * ck are you! ? Don't Touch Me!" Shi Nuannuan pushed the man away and smelled that he did not have Xiang Yi's scent.

Other than her family, she rejected any member of the opposite sex from touching her, but only Xiang Yi!

After shouting, she felt nauseous in her chest.

She felt a little uncomfortable and wanted to throw up, but she couldn't.

"Miss, this is a high-class bar. If you throw up here, I'm afraid it won't be good, right?" Seeing her extremely uncomfortable appearance, the man spoke again.

Shi Nuannuan couldn't be bothered.

So what if it was a high-class bar? She could throw up anywhere she wanted!

"Let's go, I'll help you to the bathroom!"

Her red face, sexy evening gown, and sexy tall figure were indeed a fatal temptation to men!

As he spoke, the man stepped forward and once again held Shi Nuannuan's shoulders.

However, just as his hand touched her, he felt a sharp pain as if he had been shattered!

Before the man could react, he was sent flying the next second and crashed into the sofa next to him, letting out a muffled groan!

“F * ck!”

The man let out a low growl and supported his body to sit up. He saw that a man had suddenly appeared beside the woman. At that moment, he was looking at him with a murderous aura.

He had originally planned to fight back. After all, in this area, he was also a somewhat famous young master Lu. How could he let it go when he was suddenly beaten up! ?

Chapter 1110 I Will Never Like You Again!

However, when he came into contact with the man’s eyes that were filled with killing intent, his entire person shrank back a little.

This revenge was not a gentleman’s, but if he wanted to take revenge, he had to find someone first.

Seeing that this man’s skills were not bad, he had to find a few brothers to come over!

As he spoke, the man took out his cell phone and dialed a number.

Xiang Yi turned around and saw the person who was already drunk lying on the sofa. His heart twisted fiercely!

He walked over and was about to take her away from here.

However, when his hand touched her, it was violently flung away.

“Didn’t I say don’t Touch Me!”

Shi Nuannuan roared. She did not know that the person who came was Xiang Yi. She only thought that it was still that Lecher from earlier.

Xiang Yi thought that she was saying this to him.

Back at the hotel, she did not want him to touch her.

However, seeing that she was so drunk, it was not a good idea to stay here.

“Let’s go back first.” His voice was very soft and hoarse, his heart aching for her.

It was not until this familiar voice sounded that the drunk Shi Nuannuan regained consciousness. She slowly raised her head and looked at the blurry man in front of her.

When she raised her head, she could not help but be shocked by Xiang Yi. She only felt a suffocating feeling in her heart, as if a steel knife had cut through it.

At this moment, her eyes were blurred with tears. Her tears wet her hair and stuck to her face. Her eyes were red and swollen. At a glance, it was obvious that she had been crying for a long time.

This appearance ruthlessly broke his heart.

“What are you doing here...” she raised her head and looked at the man in front of her with heartache. When she saw this face, she thought of the time when he and Helian Manli had kissed, the tears that were rolling in her eyes seemed to have broken the dam and surged down again.

He did not speak, but reached out to pull her.

“Don’t Touch Me!” She flung him away and cried, “From today onwards, I won’t like you anymore. There is no relationship between us anymore!”

One sentence stabbed him fiercely.

“Nuan Nuan, let’s go back first and talk about it, okay?” He tried his best to comfort her.

“There’s no need. I can go wherever I want. It has nothing to do with you.” As she said that, she glanced at the other cup of ‘Green Youth’ that was still on the coffee table. Without thinking, she picked it up, she lifted it up..

Looking at the cocktail that was made from the cup, Xiang Yi snatched it over.

Shi Nuannuan and Nuannuan were furious when the wine cup was snatched away!

“What right do you have! ? I want to drink, and it’s not up to you to control me!” Perhaps she felt wronged in her heart, but she could not persuade him, so Shi Nuannuan could only vent it all out through intense words!

However, her flowers stunned Xiang Yi.

With his status, he indeed did not have the right to control her.

However, this was country A. if she was allowed to continue drinking here, the consequences would be unimaginable.

Compared to just now, if he had not arrived in time, what would that man do to her? And where would he take her? Would she, who was drunk, have that sense of safety?

“Go, continue to be intimate with your Miss Manli. Don’t be an eyesore here!”

This was her first time experiencing heartache. She simply did not know how to make that heart-wrenching pain disappear. She only wanted to find a way to find a way to make her heart not hurt so much, even if it was just a little.., as long as it didn’t hurt so much.

But she tried all kinds of methods. The heartache just couldn’t disappear. Let alone slowing down, as long as she thought of the scene of him and Helian Manli kissing, that kind of pain would only deepen and erode her bit by bit, she didn’t know what to do.
