

## **Kiss Me 1241**

Chapter 1241 for Grandpa Cheng, nothing more

Seeing her son being taken to the boudoir by Nuannuan, Father Cheng and mother Cheng looked at each other and smiled.

On the second floor.

Shi Nuannuan did not take Cheng Huan to the boudoir, but to the balcony behind the second floor.

Looking down at the scenery in the back garden, Shi Nuannuan's line of sight was a little far away.

Only when the footsteps behind her stopped did she turn her head and look at Cheng Huan.

"I won't get engaged to you."

She hit the nail on the head and was decisive. However, it made Cheng Huan's heart feel like it was being pricked by a needle.

"Why?" Despite the pain in his heart, he acted indifferent and asked in a low voice.

"Because this marriage was just a lie from the beginning." Looking at him, Shi Nuannuan told him the truth without him asking, "That day, Grandpa Cheng was in critical condition. In order to fulfill his wish, I called him Grandpa. Originally, this matter wouldn't have been exposed. I just wanted to fulfill Grandpa Cheng's wish and not let him have any regrets."

"But as his body gradually recovered, just as my grandpa wanted to explain everything to you and your parents, Grandpa Cheng suddenly asked for the marriage to be fixed. "He is my grandfather's life-and-death friend. Grandfather wouldn't have agreed to it just because he saw him leave this world with regret."

At this point, Shi Nuannuan continued to speak. She also felt that there was no need to continue.

Meanwhile, Cheng Huan was completely stunned. His face was filled with disbelief.

After a long while, he recovered from his shock and looked at her in front of him. "So from the beginning, you didn't plan to get engaged to me?"

"That's right. I've said it before. I have someone I like. It's impossible for me to get engaged to you."

Hearing that, Cheng Huan's hands that were hanging by his side involuntarily tightened!

He felt that a man's dignity was being trampled on just like that. It was inevitable that he would feel angry in his heart.

However, he endured it and tried his best to calm himself down.

"Then just now, why did you tell your grandfather to choose the wedding dress later?"

"I will choose the wedding dress and the lie will continue, but I will not attend the engagement party." Shi Nuannuan turned her head and her gaze fell on her face, "I'm telling you this because I hope you can understand that I'm only doing this for the sake of Grandpa Cheng's illness. That's all."

Looking at her, Cheng Huan only calmed down after a long while.

"I understand. It's impossible for you to get engaged to me, right?"

"Yes."

"But there's only a little more than a week until the 8th of next month. If you want to maintain this lie, how are you going to escape the engagement party? "Once you escape, it will also bring a heavy blow to my grandfather. It might even make things worse."

When he said this, Shi Nuannuan could not help but be stunned.

She thought that when she was at the engagement party, she would find all kinds of reasons. Even if she suddenly ran away, as long as she did not attend, the engagement party would be nullified. However, she did not think that if she did that., it would still bring a heavy blow to grandfather Cheng.

"When the time comes, if the media gets involved, how will you explain it?"

"I. . ." She was stunned and could not find an answer.

After a while, she said, "At worst, I'll suddenly pretend to be sick. If I'm sick, Grandpa Cheng will only feel sorry for me and won't be affected."

"Really? You know, this engagement party is what my Grandpa has been looking forward to the most."

Chapter 1242 what did you and Cheng Huan Say?

His words once again made Shi Nuannuan sink into a dilemma as she stared at him in a daze.

Could it be that this lie could only continue and there was no possibility of it being exposed forever?

No, she definitely wouldn't agree!

"When the time comes, I'll think of a way. In short, I'm telling you this now because I hope that you can understand that our relationship will remain the same as before. There won't be any changes."

After saying that, Shi Nuannuan was a little frustrated. Perhaps it was because she was worried that the day would never come when this matter would be revealed, unless the day Grandpa Cheng really left.

But what if, after getting engaged, he requested to get married again?

Could it be that she also had to comply? No, no, no, she absolutely would not allow such a thing to happen!

She glanced at Cheng Huan, then turned around and left the balcony.

As he watched her leave, Cheng Huan tightened his hands on both sides of his body. The look in his eyes when he looked at her seemed to be different from before. He was no longer as innocent as before.

The two of them left together. Indeed, one after the other, they went downstairs.

Even though Cheng Huan appeared very calm, Shi Le could still see something from his gloomy face.

As expected, Nuannuan still told him the truth?

“Cheng Huan, what is Nuannuan showing you?”

Looking at her son walking down the stairs, Mrs. Cheng did not notice the obvious expression on his face. Instead, she was curious about what Nuannuan was asking him to look at upstairs.

Cheng Huan only came back to his senses when his mother’s voice sounded. He looked at his mother and said, “Uh, nothing, it’s just...”he also wanted to find an excuse. He did not want his parents to know about this.

Because they had been looking forward to this wedding for a long time.

“It’s just some photos of her when she was young.”He randomly found an excuse.

Shi Nuannuan was a little surprised when she heard it.

But in the end, she only glanced at Cheng Huan and pursed her lips without saying anything else.

Shi Le, who was at the side, looked at him suspiciously and then at nuannuan.

Was it really as simple as looking at a picture of her when she was young when she went upstairs just now?

“Alright, now, you can choose your wedding dress. There’s not much time left. You have to hurry up and get these things and things ready.”

Looking at the wedding dress album, Shi Nuannuan felt that it was particularly dazzling. However, under the urging of her grandfather and Cheng Huan’s parents, she could only pick it up and casually point at it. “This, this, this, this!”

After pointing at the three designs, even she did not know what she looked like, so she put down the wedding dress album.

Looking at how casually she chose the wedding dress, Mrs. Cheng was still a little stunned.

Seeing her daughter’s reluctance, Shen Lanzhi, who was at the side, quickly explained, “Hehe, our Nuannuan has never been interested in these things, so she’s more casual.”

After listening to her explanation, Mrs. Cheng nodded in understanding.

In the afternoon.

After lunch, the Cheng family left.

Shi Le had planned to let Cheng Huan stay to promote his relationship with nuannuan, but unexpectedly, Cheng Huan rejected him for the first time. He said that the engagement party was approaching, so he had to go back and help arrange it.

Since he had said so, Shi Le naturally couldn’t ask him to stay any longer.

After sending them off, Shi Nuannuan was about to turn around and go upstairs.

“Stop.”

Behind her, Shi Le’s voice suddenly sounded.

Shi Nuannuan stopped in her tracks and turned to look at her grandfather.

“What did you say to Cheng Huan just now?”

“Didn’t you already guess it?”

Hearing this, Shi Le’s eyes widened. “You, you really told Cheng Huan everything! ?”

Chapter 1243, what time is it?

Shi Nuannuan didn’t say anything, which was a tacit agreement.

Shi Le was completely furious. “You!”

But facing his granddaughter in front of him, he was helpless!

If she told the truth and Old Cheng heard it, then everything that she had done before would be in vain?

“Nuannuan, can’t you be more sensible?”

Shi Nuannuan turned around. “How am I not sensible? If I’m really not sensible, why would I let myself jump into this pit!”

“You –” Shi Le was speechless.

Shi Nuannuan glanced at her grandfather but didn’t say anything. Instead, she walked straight to the second floor.

Looking at her granddaughter’s back, Shi Le looked away. He lowered his eyebrows as if he was deep in thought. A malicious light flashed across his black eyes.

Shi Nuannuan had just entered her room when her phone on the bed rang.

Her gaze steadied as she walked to the side of the bed. When she picked up her hand, she realized that it was her brother calling.

She paused for a moment and frowned as she picked up the phone. “Hello?”

“Shi Nuannuan, do you think that my supreme ruler is a vegetable garden?”

As soon as the call was connected, Shi Yuting’s deep voice came through the receiver. It was filled with a low pressure.

Shi Nuannuan could not help but feel warm. She was still a little stunned and asked, “What?”

“Can you be a little more efficient? What time is it already?”

After a long while, she finally reacted and her eyes suddenly widened!

She was still in the position of the interim secretary of the Supreme Emperor! She had almost forgotten!

Well, it could only be said that she had never been to work, so she had no concept of work.

“Got it, I’ll go to work right away!”

After hanging up the phone, Shi Nuannuan quickly picked up her bag and changed into another set of clothes before she picked up her car keys and left the house.

...

On the top floor of the Overlord Building.

Xiang Yi placed a document related to the cooperation case on Shi Yuting’s desk. “This is all the information related to the cooperation with the royal family of Country A.”

Glancing at the stack of documents in front of him, Shi Yuting raised his eyes slightly and his gaze fell on his face. “What are you doing?”

Xiang Yi raised his gaze. Facing the honorable man in front of him, he always had a respectful attitude.

After nodding slightly, he said, “You said last time that the first one to change is myself, so I plan to leave the Supreme Emperor.”

Shi yuting did not seem surprised by his words, and he also agreed with him.

“Okay, but the process of changing is not as simple as you think. If you need anything, you can come to me at any time.”

Xiang Yi nodded. His fate had changed after he met Shi Yuting, so he had always been grateful to him.

However, after leaving the supreme emperor, he only wanted to use his own hands to create a world for Shi Nuannuan.

“Thank you, Mr. Shi.”

“Starting a business requires capital. If you start from the bottom, you don’t have enough time. What do you plan to do?”

Xiang Yi raised his eyes and glanced at Shi Yuting.

With his current situation, the first thing he needed was capital. However, without capital, he could only start from the bottom step by step.

Seeing that he was silent, Shi Yuting took out a check from the drawer. After filling it out, he pushed the check to Xiang Yi.

“Take this. It might be useful.”

Xiang Yi lowered his eyebrows and looked at the check. Although he had been by Shi Yuting’s side for so many years, he could see a lot of huge amounts of cash, let alone huge amounts of checks. However, when he saw the check that was filled with 100 million.., his pupils could not help but tighten.

100 million might not be difficult for Mr. Shi, but it was definitely not a small amount!

Chapter 1244 you're back at Work?

He looked up, but didn't take the check. Instead, he wanted to push it back.

But at that moment, Shi Yuting opened his mouth, "It's not for you, and you don't have to be so formal in front of me. This check is the first step to your success. You can keep it as the venture capital you borrowed from me. Many people have money, but they may not succeed. So the most important thing is not where your capital comes from, but whether you can succeed in the end. "Of course, if you think that I'm helping you out of personal feelings, why don't you..."

He paused and stared at Xiang Yi.

Xiang Yi also looked at him in confusion.

"The interest for this 100 million is 10 million a year. Of course, if you don't move a single cent, this check will be invalid."

Xiang Yi stared at the check for a long time without saying a word.

Shi Yuting understood his concerns.

What he was worried about was undoubtedly that after he succeeded, the people in the outside world would definitely think that his success was all because of the supreme emperor or him, Shi Yuting.

But as a man, if he couldn't even bear such gossip, how could he succeed?

"I heard that my grandfather's grandfather wasn't rich in the past either. Back then, when he started his business, he borrowed money from others to start his own business. That's how he got to where he is today, step by step. "That's why I'm only giving you this check. But from now on, your path of starting your own business will have nothing to do with my emperor. If I find out that you're using the emperor's name, I won't let you off."

After he finished speaking, Xiang Yi didn't say anything. Instead, he looked at the check quietly, as if he was deep in thought.

Indeed, success was on him, not on who gave him the money to start his own business.

"Three years later, I will definitely return the 130 million to you." As he spoke, Xiang Yi took the check.

Shi Yuting curled his lips. "I don't want to wait too long either."

Xiang Yi nodded slightly, then took the check and turned to leave.

"Wait." Looking at his back as he left, Shi Yuting suddenly spoke.

Xiang Yi turned his head when he heard Wen Sheng's voice, his deep gaze revealing a hint of confusion.

"You may still have to carry a lot of things on this road, so you can only succeed. Once you fail, you will have nothing, including Nuannuan."

Xiang Yi stood rooted to the ground when he met his deep, dark eyes. It was as if he had received some kind of message from those eyes.

"I know." He nodded, bowed, and left the office.

At 9:30 pm, Shi Nuannuan rushed to the top floor of the Overlord.

Just as she reached her desk, she saw Xiang Yi walking out of her brother's office. She could not help but be delighted. "Xiang Yi, you..."

Because she had not seen him come to the Overlord for a long time, subconsciously, she thought that he would not come again.

Seeing her, Xiang Yi was also very surprised. He smiled slightly and walked towards her.

"You're back at Work?" She looked into his eyes and asked him.

"Yes." He nodded. Today was his last day at the Supreme Emperor.

She was about to say something when the intercom on her desk suddenly rang.

Shi Nuannuan had no choice but to go to her office and pick up the phone.

"Shi Nuannuan, organize the documents on your desk right now and prepare for the meeting in ten minutes!"

Shi Yuting's deep and powerful voice came through the receiver!

Ten Minutes?

Holding the receiver, Shi Nuannuan turned her gaze and realized that there was a huge stack of documents on her desk.

Ten minutes! How could she do it in ten minutes!

She hung up the phone with a snap and started to quickly tidy up that stack of documents!

Chapter 1245 could only be left after a kiss!

However, she was still not completely comfortable with her job as a secretary. How, how should she categorize these things?

Looking at the pile of folders, Shi Nuannuan's small face was almost scrunched up.

Xiang Yi walked over, glanced at the pile of documents, and then carefully told her how to categorize them.

"These are the capital budgets that need to be injected. Put each of them together. This is the proposal for the collaboration project with KM Group. It will be used first during the meeting later and can be placed at the top..."

Looking at the man who sat over to help her organize the documents, Shi Nuannuan raised her eyes and looked at his exquisite jaw in a daze.

Noticing that her thoughts were on his 'Face' instead of the documents, Xiang Yi's hands stopped moving.

He lowered his head and met her black pupils. "Where are you looking at?"

Only when his low voice sounded did Shi Nuannuan come back to her senses. She blinked her eyes and shifted her gaze away from his face to return to the documents.

"Uh, no, I'm not looking at anything."

He smiled lightly and continued to teach her how to categorize and separate the documents. "These are the plans that the X Corporation brought over. They're not needed for the meeting. You can put them aside for now."

After three minutes, he sorted out all the documents and looked at her sideways. "Is everything clear?"

Shi Nuannuan was not stupid and had a strong ability to accept things. She nodded. "I understand."

"Then I'm leaving. You Can eat lunch alone." He raised his hand and lovingly touched the top of her head, his eyes as warm as jade.

Shi Nuannuan could not help but be stunned. "Where are you going?"

"I'm going to the construction site in the morning to do the actual investigation and progress of the project." These things should have been done a few days ago, but they were delayed because of those things.

Now that she was leaving the Supreme Being, of course, she had to finish these things so that she could hand them over to the next person in charge.

Hearing his words, Shi Nuannuan could not help but feel disappointed. She had thought that she could be with him for the whole day.

"Alright!" She lowered her head and looked like she was giving up her love.

He smiled lightly and returned to his desk to pick up his coat. He was ready to turn around and walk to the elevator.

"Wait!" Shi Nuannuan suddenly called out to him.

Wen Sheng turned around when he heard her.

Shi Nuannuan bit her lower lip playfully and looked around. After making sure that she did not see anyone else, her gaze fell on his face.

Then, she raised a hand and placed her index finger on her pink lips. She pouted and said, "Kiss, Kiss!"

Xiang Yi could not help but be stunned. He, who had never blushed before, suddenly felt a burning sensation on his face.

This was an office. Although it was strict, someone would come up at any time.

“Are you sure you’re here?”

“Yes!” She nodded, as if she had to kiss him before she could leave!

Xiang Yi still did not move. He looked around. Even if he wanted to kiss her again, he did not want to be here.

Seeing that he still did not move, Shi Nuannuan could not help but feel warm!

He was not coming? She was going to do it herself!

In the next second, she flew over quickly and wrapped her arms around his neck at lightning speed. Then, with a ‘pop’ sound, she kissed his sexy thin lips.

Xiang Yi was stunned by her initiative. He was about to come back to his senses when the office door was opened at this time.

The door opened, and when he looked up, he saw two people hugging and kissing in front of the office door. Shi Yuting could not help but be stunned for a moment.

Hearing the sound of the door opening, Xiang Yi hurriedly pushed the person in front of him away.

Chapter 1246 was ill, beyond cure

“Mr. Shi!”

Shi Nuannuan also turned around and saw her brother suddenly come out. She could not help but purse her lips and could not help but stick out her tongue to lick her lower lip, as if Xiang Yi’s scent was still lingering there.

Shi Yuting came back to his senses and cleared his throat. “Cough, get me a cup of coffee and come in.”

With that, he turned around and returned to the office.

However, when he returned to the office, he stood there in a daze, as if he was thinking about something.

Then, he took out his phone.

In the living room of Shi Mansion, Zuo Weiyi was smiling as she looked at her son and daughter who were crawling. She had a pacifier in her mouth, and her adorable appearance was simply too adorable!

The phone rang. She turned her head and glanced at the phone on the side before picking it up.

“Hello?”

“Come to Supreme Emperor.” Shi Yuting’s magnetic voice came through the phone.

Zuo Weiyi was stunned.

She glanced at the clock on the wall. It was not even ten o’clock yet.

“What are you going to do?”

On the phone, Shi Yuting was silent for two seconds before he said two words, “I miss you.”

Zuo Weiyi was stunned again.

Miss Her?

She took the phone away from her ear in surprise and looked at it suspiciously.

What was going on with this man today?

He had never asked her to go to the Overlord before.

“What’s wrong with you?” She asked after putting the phone back to her ear.

The other side was silent for two seconds. “I’m sick.”

Hearing this, Zuo Weiyi turned pale with fright. “What’s wrong with you! ?”

Seeing her sudden change in expression, Shen Lanzhi could not help but raise her head and look at her in surprise.

“He’s beyond cure.”

“Ah! ?” Zuo Weiyi was completely flustered. “Then, then what should we do now? Where are you feeling unwell? I, I’ll call Sheng Hao right away!”

As she spoke, she was about to hang up on him.

“Don’t!”

“What’s Wrong?”

“Come to Supreme Emperor first, my office.”

Although she did not understand, the anxious Zuo Weiyi still nodded anxiously. “Alright, I’ll be there right away!”

After ending the call, she ran up to the second floor quickly. She didn’t even have time to take her bag, so she only took her car keys and ran downstairs.

“What’s wrong, Weiyi?”

In the living room, seeing her anxious look, Shen Lanzhi seemed to have noticed what had happened. The moment she ran to the door, she couldn’t help but ask.

Zuo Weiyi rushed to the stairs and answered her while changing her shoes, “Ting seems to be sick. He looks very uncomfortable.”

“Ah!” Shen Lanzhi was completely frightened!

She wanted to follow them, but her grandchildren were still playing in the living room, so she couldn’t leave at all.

Zuo Weiyi also seemed to see her anxiety, “Mom, I’ll go take a look first. I’ll call you later.”

“Okay, go quickly. Drive carefully!”

“I got it!”

As soon as she finished speaking, she had already rushed out of the main door and galloped all the way to the Overlord Building!

Knowing that she was the wife of the CEO, the beauty at the front desk did not block her way. Instead, she respectfully greeted her.

However, the anxious Zuo Weiyi did not pay any attention to her. Instead, she anxiously rushed all the way to the elevator.

On the top floor, outside the office.

Shi Nuannuan sat in front of her desk, feeling a little puzzled.

Didn’t they say that they would be preparing for the meeting in ten minutes?

Why was it suddenly delayed to eleven o’clock?

Meanwhile, the leaders of the relevant departments of the Supreme Overlord received orders from the big BOSS half an hour ago to delay the meeting to eleven o’clock!

Twelve o’clock was lunch time. If they were to hold the meeting at eleven o’clock, according to the time of the Big Boss’ meetings, it would be at least one and a half hours to two hours. It seemed that the lunch break today was ruined again..

Chapter 1247. Yes, he was taking his medicine

Shi Nuannuan was still puzzled when she heard a ‘ding’ sound from the elevator.

When he heard the sound, he looked up and saw that familiar voice walking out of the elevator. Then, it ran towards him with an anxious expression.

Sister-in-law?

She stood up and was a little surprised to see her sister-in-law who had suddenly arrived at the company.

“Sister-in-law, why did you suddenly come over?”

Seeing Nuannuan, Zuo Weiyi looked anxious. “Nuannuan, how is your brother? Is He Alright?”

Shi Nuannuan was stunned by the question. “Wh-what is it? Is He Alright?”

“Your brother, isn’t he sick?”

“...”sick?

“Uh, he just...” Shi Nuannuan was dumbfounded. She pointed in the direction of the office door. Initially, she wanted to say that he was fine just now, but Zuo Weiyi mistakenly thought that something had happened to him just now, she was so frightened that she turned around and ran into the CEO’s office before she could finish her sentence!

Shi nuannuan only felt a gust of wind blowing in front of her. Her dazed hand was still pointing at the office door. She was... dumbfounded..

The moment Zuo Weiyi entered the office, she saw Shi Yuting sitting on the sofa, leaning against the curtain. He looked really unfamiliar.

“What’s wrong with you! ?” She rushed to the sofa, her heart still tightly clenched.

Hearing her voice, Shi Yuting opened his eyes and glanced at the anxious woman in front of him. Then, a smile suddenly appeared on his lips. He lifted his hand and pulled the anxious woman into his arms and sat on his lap!

Zuo Weiyi could not help but be stunned. She looked at him blankly and then frowned.

Was he really sick? It didn’t look like it!

“Are you really sick?”

At this moment, his eyes were clear and his face was warm. How did he look sick?

He hugged her in his arms and looked at her. His deep voice sounded, “Yes.”

She looked at him and observed his expression. “But, I think you’re fine...”

How could someone who was terminally ill be like him!

“Yes, because the medicine is here.”

“...” AH?

Before she could regain her senses, Shi Yuting had already lowered his face and sealed her rosy lips.

“Oh —”

Wasn’t he sick? What was going on right now! ?

Shi Yuting was kissing passionately. Bang! The office door was suddenly pushed open!

Shi Nuannuan regained her senses and only realized after a long time that her sister-in-law’s anxious look meant that her brother was really sick? Thus, after regaining her senses, she pushed the door open and entered.

However, the moment she pushed the door open, she saw this scene..

She stood at the door in a daze.

“Get Out!”

On the sofa, Shi Yuting raised his head and shouted at his sister who was standing there.

Shi Nuannuan was stunned by his shout and quickly closed the door again. She returned to her seat with a puzzled look on her face.

What was going on between the two of them?

One of them came to the office with an anxious look on his face and said that his brother was sick. In the end, they ended up kissing in the office..

Ugh!

As if she suddenly thought of something, Shi Nuannuan paused for a moment and then narrowed her eyes.

This brother was really... PFFT!

Ever since she had two cute little babies, sister-in-law's thoughts had been completely focused on Mo Mo and Lian Lian. In order to trick sister-in-law into coming here, her brother actually used such a method!

As expected, when men became jealous, they were even scarier than women!

"Shi Yuting! Didn't you say that you were sick! ? You caused her to fly all the way here. What's the situation now?"?

"Yes, I'm 'Taking Medicine'."

In the next moment, Zuo Weiyi felt her skirt being lifted by a certain hand!

Chapter 1248 was it a coincidence or an illusion?

In the Southern District of city z, Xiang Yi, who had just finished surveying the construction site, came to a nearby restaurant. He had just parked his car and was about to leave when his sensitive ears suddenly felt a force approaching him!

His dark eyes darkened. He quickly turned his head and saw an out-of-control minivan sprinting toward him!

At the critical moment, seeing that the van was about to crash into him, he took advantage of the momentum of the front of the van and leaped up. He slid along the roof of the van to the other side of the van and stood still, he saw that the position he had been standing in was occupied by the van that was sprinting toward him.

If he had not reacted in time, he would have been knocked away by now!

The sudden crash immediately attracted the attention of many pedestrians.

"Aiya, what's going on..."

"I don't know, it seems like the van lost control..."

"It was so close, I almost hit that gentleman."

“Yeah, luckily I dodged quickly, otherwise I would have been hit.”

Soon, the driver got out of the car to check the situation,

he stared at the van that had lost control in front of him. Soon, the patrolling traffic police arrived.

“What happened?” The traffic police asked the driver.

When he saw the traffic police, the driver immediately took out a cigarette and apologized repeatedly, “Police officer, I’m really sorry. My Car lost control just now. Fortunately, I didn’t hit anyone...”

Looking at the driver and the police officer in front of him, Xiang Yi didn’t think too much about it. Instead, he turned around and walked to the restaurant in front.

However, he had only taken a few steps when something seemed to flash past his mind.

He stopped and frowned slightly.

Then, he turned around and looked at the spot where he had almost been hit.

Was it a coincidence, or was he thinking too much?

Whether it was this time or the accident at the construction site last time, he vaguely felt that it was not a coincidence.

His sharp eyes fell on the driver’s face again. His clothes, words, and behavior were just that of an ordinary driver. Nothing was out of the ordinary.

Maybe he was just thinking too much.

After looking at the driver again, Xiang Yi turned around and walked toward the restaurant.

After finding a seat, he sat down and ordered a T-bone steak.

While waiting for the meal, he looked out of the glass window out of boredom, because the seat he was sitting on was also close to the window.

While he was enjoying the delicious steak, the van was towed away and the driver came to a dark alley.

“Sir, he is too agile. It only took him two seconds. A normal person wouldn’t be able to react in time. This... This can’t be my fault, right?”

The driver looked at the man in front of him and couldn’t see his face clearly. He wanted to see the face hidden under the cap, but he couldn’t see it clearly no matter how hard he tried.

“I really don’t blame you, but you didn’t achieve the result I wanted, so the reward is halved.”

After saying that, the man threw a stack of money to the driver.

Although the reward was halved, the money in front of him was 10,000 yuan, which was not a small amount. The driver was extremely happy as he took the money.

“Okay, thank you, sir!”

Taking the money, the driver counted happily.

When he raised his head again, the man in front of him was already gone.

Looking at the empty alley, the driver also turned around and left.

In the restaurant, after Xiang Yi had his lunch, he looked at a financial magazine placed in the restaurant for a while.

After a while, he looked at the time. It was 1:30 pm.

He got up and left the restaurant.

Just as he passed a black Lincoln and was about to walk to his car, the window of the black luxury car slowly rolled down.

Chapter 1249 became a public figure

He stopped in his tracks and turned around, only to see a familiar face sitting in the car window that was slowly closing.

He turned around and walked toward the Black Lincoln.

“Let’s talk.”

Looking at the man in the car window, Xiang Yi pondered for a few seconds before sitting in it.

..

— \* \* \* —

In the afternoon, at 4:50, Xiang Yi returned to the Supreme Headquarters building.

See Him Back, Shi Nuannuan female extremely happy!

“Xiang Yi, you’re back!”

Looking at the people in front of him, Xiang Yi’s calm eyes flashed a touch of pain, but his face did not change color.

“Yes.” He went over and gave a gentle smile.

5:25.

Nuan Nuan had already packed her things and was preparing to get off work!

“What are we going to eat tonight?”

As she packed her things and was planning, she noticed that Xiang Yi was sitting in front of his desk in a daze.

“Xiang Yi?”

When he heard Wen Sheng, he looked up as if he did not hear what she had just said. “What?”

She was stunned for a moment. "Dinner. Didn't we agree to eat together?"

What was wrong with him? He seemed to have a lot on his mind after coming back.

Xiang Yi looked at her and finally came back to his senses. He smiled and said, "HMM, what do you want to eat?"

"HMM... local dishes!" She thought for a while and said.

"Okay!"

It was 5:30 pm. It was the rush hour after work, and the roads were always so congested.

Sitting in the car, Xiang Yi looked at the traffic ahead of him. There was no fluctuation on his calm face.

He suddenly caught a glimpse of the commercial screen not far away. On it was still the "Wedding news" that had been trending for the past few days.

Now, everyone in City z probably knew about her and Cheng Huan's marriage.

Shi Nuannuan, who was sitting in the passenger seat, seemed to have noticed his gaze on the commercial.

It was not until the sound of a horn was heard that the two of them came back to their senses. They realized that the road ahead had been cleared, and the car behind them was honking non-stop to urge them.

At seven o'clock, they arrived at the local restaurant.

"Hey, look... isn't that, isn't that Miss Shi Nuannuan?"

Originally, many people did not know about Shi Nuannuan, but after this marriage was exposed, many people in City z were familiar with her. In addition, she was naturally beautiful, and men fell in love with her, and women.., however, they were somewhat jealous of her alluring appearance.

"That's true. It's really that Miss Shi, who is going to be engaged to the crown prince of the Cheng family next month. Is she here for dinner? Who is the man beside her?"

"Oh, my God... she actually held that man's arm. What's going on?"

Not far away, two women who were about to leave after eating suddenly stared in astonishment at Xiang Yi and Shi Nuannuan who were walking towards the private room. When they saw her holding Xiang Yi's arm, the two women were completely shocked!

And they were the two ladies who favored Cheng Huan. At this moment, when they saw Shi Nuannuan holding another man's arm, they could not help but feel sorry for Cheng Huan.

"Really, isn't she young master Cheng's fiancée-to-be? Why is she with another man now? What's going on?" The two women whispered.

"Quick, take a picture with your phone and find an opportunity to show young master Cheng. This woman hasn't even gotten engaged yet, and she's already cheating on him!"

As she spoke, one of the women had already taken out her phone and was taking a photo of Xiang Yi and Shi Nuannuan who were walking over.

However, in the next second, the phone in her hand suddenly 'disappeared'!

When she came back to her senses, she saw the man who was looking down on her was holding her phone.

Chapter 1250, wait for my return

"Hey, what are you doing!?"The woman reached out her hand and wanted to snatch her phone, but she was too short and couldn't reach it at all.

"What are you doing? Give me back my phone!"The woman jumped, but she still couldn't reach the phone in Xiang Yi's hand.

After deleting all the photos that he had just taken and doing another trick, Xiang Yi finally returned the phone to the woman.

"You, let me tell you –"taking back the phone, the woman wanted to say something, but when she met his cold gaze, she suddenly fell silent like a cicada in winter.

Looking at the two of them walking towards the private room area, the angry woman wanted to take out her phone to take photos, but when she unlocked it, she suddenly had a password error.

What happened?

The woman typed three times, but the password was still wrong!

When she looked up again, Xiang Yi and Shi Nuannuan had already disappeared into the quiet corridor.

The woman was so angry that she stomped her feet, but there was nothing she could do!

"Let's go. Even if we don't have a photo, we can still go find young master Cheng!"Another woman pulled her and said.

After entering the private room, Shi Nuannuan couldn't help but sigh.

She didn't like to become a public figure, but after the news of the marriage was exposed, almost half of city z knew about her.

She did not like this feeling.

She was a little discouraged as she lay on the dining table. Only when the dishes were served did she regain her energy!

"Nuannuan."

Xiang Yi suddenly spoke while they were eating.

Shi Nuannuan raised her head and looked at him. "HMM?"

He looked at her but did not speak for a long time. He just stared at her deeply.

Shi Nuannuan stopped eating and stared at him in a daze. She felt that he was acting strange.

“What’s Wrong?”

“Tomorrow, I’m going on a business trip. Take good care of yourself.”

He did not tell her that today was his last day at the Overlord, so Shi Nuannuan did not doubt his words at all.

“Business Trip?”

“Yes.”

“Where are you going?”

“Overseas.” He did not give a specific location.

She was stunned for a moment, but she did not think too much about it. “How long will you be back?”

“I’m not sure yet.”

“Oh...” she nodded, but then she suddenly lost her appetite.

Noticing that she did not know how to taste her food, he could not help but ask, “What’s wrong? Doesn’t suit your appetite?”

She raised her head and looked at him. Then, she smiled and shook her head. “No, it’s just that...” indeed, she did not have much of an appetite. She did not know what was going on.

In the past, he would often go on business trips, but she would not be so depressed that she could not eat. What was going on today?

She smiled at the man in front of her. “I’m full.”

Looking at the half-eaten rice in her bowl, Xiang Yi frowned slightly, but in the end, he did not say anything more.

After dinner, he sent her to Shi Mansion.

“I’m going in!” She smiled like a blooming flower and was about to open the car door.

“Nuannuan.”

Her hand that was pulling open the car door stopped, and she turned to look at him in surprise.

“What?”

He just stared at her deeply, and in the next moment, he suddenly leaned over and kissed her pink lips..

This kiss was very, very deep. It was so deep that Shi Nuannuan almost had an illusion.

After a long while, he finally let go of her. His face was only two centimeters away from hers.

His deep eyes looked into her eyes. His voice was low and hoarse. "Wait for me to come back."

Her breathing was rapid, but she still looked at him and nodded. "Okay!"

She would wait for him to come back from his business trip!

He got out of the car and waited until her figure disappeared through the door. His car did not leave for a long time. Instead, he looked up at the lights that suddenly lit up on the second floor of the villa.
