

Kiss Me 1251

Chapter 1251 where did you send Xiang Yi on a business trip?

The next day.

Shi Nuannuan woke up in a good mood and had a good appetite.

This was the first time Shen Lanzhi had seen her eat breakfast with such gusto. She could not help but feel gratified.

After breakfast, Shi Nuannuan went to work as usual. Looking at the empty seat across from Xiang Yi, she could not help but feel a little lonely, but her heart was very sweet.

“Secretary Shi, this is the cashier’s form from last month. Please pass it to the president later.”

“Okay!” Looking at the staff who came to deliver the documents, Shi Nuannuan smiled.

To the employees of the Di zun group, Shi Nuannuan was someone who never put on airs. Ever since she became the secretary of the Di Zun Group, she had been very kind to them.

After watching the employee leave, Shi Nuannuan stood up with the folder in her hand and walked towards the CEO’s office.

She knocked on the door and only pushed it open when she heard the response from inside.

In front of the desk, Shi Yuting raised his head and looked at his younger sister who walked in with some curiosity.

Unknowingly, his younger sister seemed to have slowly grown up and had her own rules.

“Brother, this is the bodyguard sent by the finance department. Please take a look!” Although she was much more mature now than the previous Shi Nuannuan, in front of this brother who had doted on her since she was young., it was still difficult for her to hide her playful side.

“Put it there,” shi yuting replied, then lowered his head and continued to use the pen to sign a document.

Feeling that she had nothing else to do, Shi Nuannuan turned around and was about to leave.

However, just as she turned around, she seemed to have suddenly remembered something and stopped in her tracks.

After pausing for three seconds, she suddenly turned around and looked at her brother at the desk again before walking over.

“Brother.”

Shi Yuting raised his head and looked at her.

She rolled her big eyes. “Where did you send Xiang Yi on a business trip?”

Hearing this, Shi Yuting was stunned.

He put down the Montblanc pen in his hand and looked at the person in front of him with a slight frown.
“Business Trip?”

“That’s right!” Shi Nuannuan nodded with an innocent look on her face. “Didn’t you send him abroad on a business trip?”

Hearing his words, Shi Yuting’s heart sank.

Xiang Yi had already tendered his resignation yesterday, and yesterday was his last working day at the Supreme Emperor. Obviously, Nuannuan did not know about this.

And now, she was actually standing here and telling him that he had sent Xiang Yi abroad on a business trip? What exactly was going on?

Vaguely, Shi Yuting felt a sense of unease and also wanted to keep this matter a secret.

However, if Xiang Yi really left and did not even tell anyone, it meant that when he would return would also become a doubt. If he kept this matter a secret now and waited for a few days, Xiang Yi would not return. Even he would not know how to face Nuannuan.

“Didn’t he tell you that yesterday was the last time he worked at the Supreme Emperor?” His tone was calm as he quietly stared at Shi Nuannuan in front of him.

Shi Nuannuan was stunned.

Last Time? What did he mean?

“Brother, what do you mean by last time? What do you mean?”

She didn’t know if it was just her imagination, but after hearing her brother’s words, she clearly predicted that something was going to happen, and this feeling was very inexplicable.

“Xiang Yi, he has already left the Overlord.” At this moment, even Shi Yuting wanted to know what exactly happened.

The smile on Shi Nuannuan’s face completely froze. She looked at her brother in front of the desk in a daze.

Chapter 1252: a phone call that could not be connected

Xiang Yi left the supreme emperor? Why didn’t she know about it at all?

“So you’re saying that you didn’t send him on a business trip abroad?”

“Of course, he’s no longer an employee of the Supreme Emperor. He even resolved the life-and-death contract, which means that he has nothing to do with me anymore.” Naturally, he had no reason to send him on a business trip abroad.

When Shi Nuannuan heard this, she was completely stunned.

If it wasn't her brother who asked him to go abroad on business?

Then who was it?

No, then was he on business or not?

"He told you that he was on business?" Shi Yuting asked.

Shi Nuannuan raised her eyes and looked at her brother in a daze.

Since he was no longer an employee of the Supreme Emperor and did not tear apart her brother's personal attendant, then why did he say that he was going abroad on business?

In other words, was he lying to her?

Why, why did he lie to her for no reason? Or did something happen?

Thinking of this, Shi Nuannuan did not have time to wait for Yu Ting's words. Instead, she took out her phone in a hurry and dialed Xiang Yi's number.

Two seconds later, she only heard the sound of the phone being turned off.

She suddenly remembered that yesterday, she only heard him say that he was going abroad on business today, but she did not know the exact time and time. She did not ask, and he did not tell.

"What's Wrong?" Seeing that she had made the call and put it down, Shi Yuting seemed to have guessed that Xiang Yi's call might not have gone through.

Shi Nuannuan raised her head, and a strong sense of unease suddenly rose in her heart!

"Brother, can you help me check immediately whether Xiang Yi has gone abroad or not? where is he now!?" She suddenly thought of what Xiang Yi had said to her in the car last night, at first, she thought that it was very normal, but now that she thought about it, she felt that those words were more like words with hidden meanings. What they revealed was actually another layer of meaning.

Sensing the seriousness of the matter, Shi Yuting ended the call. Ten minutes later, the internal line rang.

Sitting on the sofa, Shi Nuannuan was anxious and uneasy for the first time, as if she was sitting on pins and needles.

"He has indeed left the country. He boarded a flight to country A at seven this morning."

Hearing this, Shi Nuannuan could not help but be stunned.

Country A?

Previously, he had gone to country A on business trips because of a few cooperation cases. Could it be that this time..

"No." Seeing her surprised gaze, Shi Yuting gave a decisive answer before she could speak. "I've said it before. He is no longer an employee of the Supreme Emperor. It has nothing to do with me."

Shi Nuannuan was stunned when she heard her brother's answer.

If he wasn't her brother, what was he going to do in country a?

She could only wait for Xiang Yi to get off the plane and call him personally to ask him about it.

However...

Time ticked by. It was not easy for her to make it to the afternoon. Shi Nuannuan estimated that Xiang Yi should have arrived in country a by now. However, when she called him, his phone was still switched off.

What was going on?

Holding her phone, Shi Nuannuan was puzzled for a long time. She had no mood to work the whole afternoon.

Did he not arrive? But it had already been an hour. There was no way he had not arrived in country A.

Or did he forget to turn his phone on?

After a while, Shi Nuannuan called again, but the result was still the same.

Xiang Yi's phone could not be reached even after work ended.

"Still no answer?" Looking at his sister who was in a daze, Shi Yuting was worried that she would drive home alone, so he picked her up and went home with her.

In the passenger seat, Shi Nuannuan shook her head, looking a little pale.

She suddenly turned her head and looked at her brother who was driving. "Brother, do you think something happened to Xiang Yi?"

chapter 1253 not to her liking?

Shi yuting tilted his head and glanced at her. Even though this matter was full of doubts, he could not help but comfort her in order not to make her worry, "Don't think too much. Maybe something has delayed us. Call again later and we'll get through."

Shi Nuannuan was stunned. She turned around and lowered her head.

Will it get through? Why did she feel that Xiang Yi's phone call couldn't get through anymore?

At dinner time, Shen Lanzhi seemed to have noticed that something was wrong with her daughter.

She had such a good appetite in the morning. Why did she become so depressed after a day of work? She didn't know how to taste her food.

"Nuannuan, what's wrong? is the food not to your liking?"

As Shen Lanzhi said this, Zuo Weiyi and Shi Le raised their heads at the same time. Their eyes fell on Shi Nuannuan's face.

She was not in the mood to eat at all. Instead, she looked at her phone at the side from time to time.

Xiang Yi's phone could not be reached. She had sent countless wechat messages and text messages, but there was still no reply.

"Nuannuan?" Seeing that her daughter did not seem to hear her voice, Shen Lanzhi could not help but call out again.

At this moment, Shi Nuannuan raised her head in a daze, clearly distracted.

"HMM?"

Shen Lanzhi's gentle brows furrowed slightly as she asked with concern, "What's wrong? Why do you look so distracted? Did Something Happen?"

Being asked by her mother, Shi Nuannuan's heart felt even more uncomfortable.

"No, nothing..." she lowered her head and continued to pick up the rice in the bowl. The flower-like smile on her face had long disappeared.

Zuo Weiyi could also see that she seemed to be hiding something in her heart.

Could it be that it was about the marriage?

But this morning, she was clearly very open-minded. She was not so negative at this moment. What was going on.

"I'm full." Putting down the bowl and chopsticks, Shi Nuannuan was still unsettled. She took her phone and left the dining room.

Looking at her leaving figure, Shen Lanzhi was still a little worried. Just as she was about to get up and chase after her, Zuo Weiyi stood up first. "I'll go and see her."

On the second floor.

When Shi Nuannuan returned to her room, she dialed Xiang Yi's number again. The voice was still as cold as a machine.

Knock, Knock!

There was a knock on the door. Shi Nuannuan, who was sitting on the edge of the bed, felt a little warm when she saw her sister-in-law, Zuo Weiyi, walk in.

Zuo Weiyi walked to the side of the bed and sat down beside her. She looked at her and asked with concern, "What's wrong? Is there something on your mind?"

She knew very well that the marriage was nothing more than a white lie to Nuannuan. Therefore, she would not become like this because of this matter.

The night before yesterday, she had obviously spent the night at Xiang Yi's apartment. This morning, she looked like she was in a good mood. Logically speaking, she should have reconciled with Xiang Yi. Why did she become so worried in just one day?

Shi Nuannuan raised her head and looked at her sister-in-law in front of her in a daze. A bean-sized tear could not help but fall from her eye socket.

Zuo Weiyi was shocked. Clearly, she was scared out of her wits.

“You, what’s wrong with you! ?”

She hurriedly took a tissue from the side and wiped it for her.

However, the more she wiped, the more Shi Nuannuan’s tears flowed like a broken dam.

“Sister-in-law... I don’t know why, I, I can’t contact Xiang Yi...”after enduring her emotions for a whole day, at this moment, Shi Nuannuan finally broke down and cried like a child.

When Zuo Weiyi heard this, she was even more shocked and frowned. “Can’t contact him? What do you mean?”

Chapter 1254 disappeared for no reason

“I don’t know... He sent me back yesterday and then said he was going abroad on business, but I tried calling him all day today, but I couldn’t get through... woo...”

Zuo Weiyi was also completely shocked and at a loss.

“Business Trip? is he still on the plane –“halfway through her sentence, she suddenly stopped. Since she had been calling him all day, he shouldn’t be still on the plane.

Shi Nuannuan shook her head, “No... at first, I thought that my brother sent him abroad to do some business, but today... Today, I asked my brother and found out... that he has already left the supreme emperor... My Brother did not send him abroad at all... in other words, he lied to me about going abroad on business...”

She sobbed as she talked about the confusion in her heart. She had no idea why she was crying at this moment.

Was it because she couldn’t contact Xiang Yi, or did Xiang Yi lie to her? Or could it be that she couldn’t contact him anymore?

But why, why did this happen? They were fine yesterday, but why did he suddenly disappear..

Seeing her extremely sad appearance, Zuo Weiyi also felt very sad.

But she could roughly understand the situation.

Xiang Yi really disappeared all of a sudden? This was completely unreasonable.

“Nuannuan, don’t Cry yet. Calm down and think about it carefully. Xiang Yi... did he really have something to do and that’s why he went overseas? As for why he didn’t pick up the phone, didn’t he also not pick up the phone the last time he went back to G City? At that time, he lost his phone, that’s why he couldn’t pick up your call, right?”

Hearing her words, Shi Nuannuan’s sobs gradually subsided. She looked at her and asked, “Then, then, is there really something that prevented him from receiving my call?”

“Yes.” Zuo Weiyi nodded. In fact, she also had many doubts about this matter. However, for now, she could only comfort Nuannuan so that she wouldn’t be too sad.

She also believed that Xiang Yi was not a heartless person. There was no reason for him to lie to Nuannuan and even go missing.

“Don’t be sad. We can’t get through today. Let’s try again tomorrow.”

If there was really no way to get through, Shi Yuting would have to investigate this matter.

Did something happen before Xiang Yi left?

If he had already left the supreme emperor, what was the purpose of going to country a?

Under Zuo Weiyi’s comforting, Shi Nuannuan finally calmed down, but the sadness in her heart could not disappear.

She almost did not sleep the whole night. She laid down and put her phone in front of her eyes, staring quietly, afraid that Xiang Yi would reply to her message at some point.

Fortunately, the next day was the weekend. Otherwise, she would have to go to work with Panda Eyes!

She did not sleep the whole night until the morning, but she was a little tired. She lay in bed and did not want to get up.

It was already 8:30 am. Seeing that her daughter was still not up, Shen Lanzhi could not help but walk into her bedroom.

“Nuannuan, what’s wrong? Aren’t you going to get up for breakfast?”

Shi Nuannuan lay on the pillow. After hearing her mother’s voice, she did not lift her head. Instead, she said lazily, “I don’t want to get up. I didn’t sleep well...”

When she heard that she did not sleep well, Shen Lanzhi’s heart ached again.

She did not know what had happened to her yesterday. It seemed that she was still unhappy today, which made her very worried.

“Nuannuan, is there something on your mind? Tell me about it.”

Chapter 1255 Grandpa came to look for him

“I’m fine. I just... feel a little sleepy.” Shi Nuannuan did not tell her mother about her worries because she did not want her to worry about her.

Her marriage to Cheng Huan was already enough for her to worry about. She knew very well that she liked Xiang Yi, but she was going to get engaged to Cheng Huan on the eighth of this month. Her mother should also be very worried about her.

“Really?” Looking at her daughter, Shen Lanzhi was still worried.

“Yes, Mommy, I’ll go back to sleep...”

Looking at her daughter, Shen Lanzhi sighed and left.

It was not until she heard the sound of the door closing that Shi Nuannuan lifted her face from the pillow. Her face was obviously much more haggard than yesterday.

She tried to call Xiang Yi, but his phone was still turned off.

Her heart felt like it had been pushed into a bottomless abyss in an instant. It was heavy and painful.

Perhaps it was because she had not slept the whole night, but she was really tired and fell asleep without realizing it.

Zuo Weiyi, who had eaten breakfast, came to her ward and called her softly. Seeing that she was really asleep, she retreated out again. She did not have the heart to disturb her.

She had called Xiang Yi's number just now, but his phone had not been turned on. Perhaps sleeping was the best state for nuannuan right now.

After leaving the room, Zuo Weiyi accompanied the two little babies until they fell asleep. Then, he could not help but walk to the study.

Once Xiang Yi left, his work seemed to become busier.

"Are you busy?" She pushed the door of the study open and asked the man in front of the desk.

Hearing this, Shi Yuting looked up and saw Wen Sheng walking in. His thin lips curved slightly and he reached out his hand to signal her. "Come here."

She walked over and was gently pulled into his arms.

Sitting on his lap, Zuo Weiyi could not help but frown. "Have you checked? did anything happen before Xiang Yi left?"

Hearing her words, Shi yuting frowned.

"Yes. Something did happen to him, but I still don't know the real reason why he left for no reason."

Zuo Weiyi could not help but turn to her when she heard that. Her tone was a little anxious as she asked, "What happened to him?"

Shi yuting raised his gaze and looked into the distance. There was a hint of heaviness and worry between his brows.

"The day before he left, Grandpa looked for him."

Zuo Weiyi was stunned when she heard that.

Grandpa looked for Xiang Yi?

He had never accepted the warmth of being with Xiang Yi. Why did he look for Xiang Yi? Could it be that his grandfather forced Xiang Yi to leave?

Zuo Weiyi had experienced this kind of feeling before, so she could empathize with it.

She thought that the reason why Xiang Yi disappeared for no reason was very likely because of his grandfather!

“Don’t tell Nuannuan about this for the time being,” Shi Yuting warned.

Once Nuannuan found out, she was afraid that she would be turned upside down.

Zuo Weiyi looked at him worriedly. “But if grandfather really forced Xiang Yi to leave, then Nuannuan and him are too pitiful...”

She lowered her head and thought about how she had been forced away by her grandpa at that time. The pain of leaving Shi Yuting was so bone-piercing and excruciating!

Was Xiang Yi experiencing the same pain and helplessness that she had at that time?

Looking at her suddenly gloomy face, Shi Yuting seemed to have seen through her thoughts and could not help but lock her in his arms.

“Don’t worry too much. Maybe... Things will turn around.”

As long as the engagement with Cheng Huan was not successful, there would be a chance for things to turn around.

What Grandpa could not accept was Xiang Yi’s identity. As long as he changed everything, he might be able to convince Grandpa to accept him in the end.

Chapter 1256, so you’re forcing Xiang Yi Away?

However, the only candidate for a grandson-in-law in Grandpa’s heart seemed to be Cheng Huan. What was the reason for him to force Xiang Yi Away?

If he only wanted to force Xiang Yi away, then no matter what changes he made, it would be in vain.

Moreover, the engagement party was going to be held on the 8th..

At the thought of this, Shi Yuting, who had always been able to do as he pleased, could not help but lower his eyebrows, feeling a little helpless.

..

In the next few days, Xiang Yi’s phone was still unreachable.

Shi Nuannuan was completely mad.

What on Earth was this? Why did he disappear for no reason?

Why?

No, she had to find Xiang Yi!

In order to solve this puzzle, Shi Nuannuan could not wait to pack her things, planning to go to country a!

But country A was so big, with so many people, where could she find Xiang Yi?

Suddenly, a familiar name flashed across her mind.

Country A, wasn't that Helian Manli's place?

Could it be that Xiang Yi was going to find her?

No, how could this be..

Xiang Yi knew that she cared about Helian Manli, so he would definitely not look for her, definitely not.

But even though he made her think this way, her heart was very uncomfortable.

Right, look for her brother and ask him to help her find out where Xiang Yi was in country a!

Thinking of this, Shi Nuannuan rushed out of the room and first went to her brother and sister-in-law's bedroom.

When she opened the door, she found that only her sister-in-law and the two little babies were playing in the room.

"Sister-in-law, where's My Brother?"

Zuo Weiyi raised her head and glanced at her. "He's in the study room –"

Before she could finish her sentence, she saw that Nuannuan was still turning around and leaving quickly.

When she arrived in front of Shi Yuting's study room, Shi Nuannuan pushed the door open and entered without knocking. However, it was empty inside and there was no sign of her brother at all.

She was stunned for a few seconds, then closed the door and left. Just as she was about to go downstairs to look, she heard a sound coming from the room next door.

It was her grandfather's study.

"Why did you do this?"

In the study, Shi Yuting looked at Shi Le, who was sitting on the sofa, and asked calmly.

Shi Le raised his head and glanced at his grandson. "Why? Tell Me, why?"

"I don't know." Shi Yuting's face turned cold. He was quite dissatisfied with his grandfather's arbitrary decision.

Shi Le sighed and lowered his head. "The marriage with the Cheng family is imminent. Nuannuan can only marry Cheng Huan."

"So you forced Xiang Yi Away?"

"Nuannuan won't listen to anything I say. I have no choice but to find Xiang Yi."

"Then have you ever thought that if Nuannuan finds out about this, she might... hate you for the rest of her life?"

Hearing his grandson's words, Shi Le's heart jolted.

Why did he have to be such a bad person for everything he did?

"So be it. Maybe one day in the future, I won't hate you anymore."

Shi Yuting didn't know if it was just his imagination, but he seemed to see a hint of helplessness on his grandfather's face. Was it because Nuannuan was disobedient that he felt helpless? Or was it something else?

Bang!

The door to the study was suddenly pushed open.

When the grandfather and grandson heard the sound, they turned their heads and saw Shi Nuannuan standing there expressionlessly.

When they saw her suddenly appear at the door of the study, Shi Le and Shi Yuting were both stunned.

"Grandfather, did you really... Force Xiang Yi Away?" When she asked this question, Shi Nuannuan tried her best to calm herself down, but she felt that the ball of fire in her chest was about to explode!

Her hands that were hanging by her sides were tightly clenched together. Her nails were about to pierce into her flesh, but it was not even one-thousandth of the pain in her chest.

Chapter 1257 is whether you die or he dies

Looking at his granddaughter, Shi Le did not speak for a long time. Instead, he averted his gaze.

Tears could not help but fall.

"Why did you do this? Back then, you also forced sister-in-law to leave... why are you treating Xiang Yi like this now? Why, why is it so! ? What is your heart made of ? How can you be so heartless ! ?"

The Roar echoed throughout the entire luxurious villa. Even Shen Lanzhi and Zuo Weiyi, who were in the bedroom downstairs, heard it and rushed to the door of Shi Le's study.

In the face of his granddaughter's anger, Shi Le only remained silent for a few seconds before he calmly said, "You can have him back if you want."

Hearing this, the anger on Shi Nuannuan's face froze.

"What do you mean?"

"The 8th, you'll be attending the engagement party on time. Naturally, you'll meet Xiang Yi."

Hearing her grandfather's words, Shi Nuannuan was stunned, but she did not feel the slightest bit of surprise.

"So, you're using Xiang Yi to force your biological granddaughter to get engaged to a man she doesn't Love?" Her Heart was bleeding. She only felt that her grandfather's words were like an ice-cold sword, he mercilessly stabbed her in the chest.

Shi Le did not say a word. It was a tacit agreement.

However, Shi Nuannuan smiled.

“You want me to marry Cheng Huan? Grandfather, I’ll say it here today. You want me to marry Cheng Huan unless I die!”

After saying that, Shi Nuannuan was about to turn around and leave.

However, Shi Le’s next words made her stop in her tracks.

“Whether you die or Xiang Yi dies, it’s up to you.”

Shi Le’s face was dark and his face was slightly lowered. No one could see his true expression. The only feeling he gave everyone was that he was cold and heartless.

As soon as he said this, everyone’s gaze could not help but stop on his face.

His words literally tore nuannuan into two halves.

Shi Nuannuan turned her head and looked at this biological grandfather who had doted on her since she was young. However, why did he become so heartless at this moment?

Was this really the same grandfather who had doted on her?

Her chest hurt like thousands of arrows piercing her heart. She looked at her grandfather before her and finally closed her eyes in heartache. Tears flowed down like a fountain.

She took a deep breath as if she had suppressed all the pain, anger, and sorrow in her heart. She slowly said, “I will attend the engagement party. But in this lifetime, I, Shi Nuannuan, will never call you grandfather again!”

Her loved ones were like ten thousand steel knives stabbed into her body at this moment. The respect and love she once had were all buried alive at this moment. All that was left for her was the cold and merciless pain.

“Also, I have to see Xiang Yi at the engagement party, or else...”she stared at her grandfather in front of her with a determined gaze. “I will be a pair of desperate lovebirds with him.”

After she finished speaking, she left Shi Le’s study room like a walking corpse.

“Nuannuan...”Shen Lanzhi looked at her daughter’s departing back with heartache. She, who had always been aloof from worldly affairs, could not help but look at Shi Le inside at this moment, “Father, aren’t you... forcing her to die? She’s your only biological granddaughter after all...”

On the sofa, Shi Le closed his eyes and suppressed the sourness in his eyes. He then stood up and said, “This matter has been decided. No one is allowed to mention it again!”

After saying that, he left the study and headed downstairs.

— —

The engagement party arrived as scheduled.

On this day, Shi Nuannuan was fully dressed and sitting in the lounge.

Chapter 1258 engagement party

On the sofa, she looked extremely haggard.

Even though she had dressed up meticulously, the thick foundation still couldn't hide her already dead face.

On the other side, the Cheng family was happily welcoming the guests who came to attend the engagement party tonight. Old Cheng was also sitting in his wheelchair, grinning from ear to ear.

Although it was her daughter's engagement party, Shen Lanzhi didn't look happy at all.

"Mrs. Shi, What's Wrong?" Seeing that she was still sulking, Mrs. Cheng couldn't help but walk over and ask with concern.

Shen Lanzhi looked up and smiled when she saw Mrs. Cheng, but she was a little forced. "Nothing, I probably got up too early."

"Really? Then, do you want to sit over there for a while?"

"No, I'll go up and check on nuannuan."

Shen Lanzhi turned around and went to the lounge on the second floor.

When she arrived at the lounge, Zuo Weiyi and Shi Yuting were accompanying her.

Shi Nuannuan, who had been silent the whole time, could not help but raise her head when she heard the sound of the door opening. She saw her mother walk in.

"Where's Xiang Yi? Did he come?"

One sentence made Shen Lanzhi's heart ache.

She walked over and touched the hair on her forehead. "Mom didn't see him."

Zuo Weiyi could not help but hold her hand. "Don't worry. You'll definitely see Xiang Yi when you go out later."

Hearing this, Shi Nuannuan's face returned to its dead silence.

Suddenly, she felt a wave of discomfort in her chest. She could not help but frown and raise her hand to cover her chest.

Sensing that something was wrong with her, Zuo Weiyi could not help but ask, "What's wrong with you?"

Shi Nuannuan did not speak. She only calmed down the suffocating feeling in her chest.

Seven o'clock.

The engagement party started on time.

In the hotel elevator, Xiang Yi held the invitation card and quietly stared at the familiar name on it.

In the wedding banquet hall, under the applause of everyone, a couple slowly walked down the stairs.

Even though they were holding Cheng Huan's hand, Shi Nuannuan's face did not have the slightest hint of a smile.

"Cheng Huan, from now on, you must treat Nuannuan well." The two of them came in front of Cheng Huan. Looking at the couple in front of him, Cheng Huan smiled and reminded his grandson. Then, he put their hands together, it implied that they would be together until they were old.

However, the moment Cheng Huan put his hand on Nuannuan's hand, she suddenly took it away. She didn't have any expression on her face, nor did she look at the grandfather and grandson in front of her.

Her action couldn't help but make Cheng Huan and Cheng Huan stunned.

He looked up and saw that there wasn't a trace of a smile on her face. Cheng Huan was a little puzzled.

These days, he heard that she was sick, so he had not seen her for more than a week. He did not expect that she had lost a lot of weight.

Looking at her indifferent expression, old Cheng could not help but think, did this kid, Cheng Huan, make her angry? Was that why she was so unhappy?

Just as he was lost in thought, Shi Nuannuan turned her head and looked at Shi Le, who was standing at the side.

"Where's Xiang Yi?"

When she said this, the Cheng family members couldn't help but be stunned.

Xiang Yi? Who's Xiang Yi?

The Cheng couple glanced at each other and didn't understand who Xiang Yi was.

Moreover, at such an important moment, why did she mention another person?

When he met his granddaughter's gaze, even though Shi Le's heart was slightly depressed and didn't want to mention Xiang Yi at this moment, but he still looked towards the direction of the main entrance of the hall.

Chapter 1259 exchanging rings, injured

Following his line of sight, Shi Nuannuan also turned around and saw the main entrance of the wedding banquet hall. That familiar figure was slowly walking over.

Walking into the main entrance of the wedding banquet hall, Xiang Yi's line of sight was also deeply attracted by the slender figure on the stage.

This week was as long as seven centuries to him.

Their gazes met in the air, and in an instant, it was as if everything was empty. In the huge banquet hall, he was in her eyes, and he could only see her.

“Xiang Yi...”

Looking at the familiar figure, Shi Nuannuan muttered his name. She was about to lift the hem of her dress and rush off the stage.

“Nuannuan!”

Just as she took a step forward, Shi Le, who was behind her, suddenly spoke in a low voice.

“Don’t forget what you promised me.”

Shi Nuannuan was startled, and her hand that was gripping the hem of her dress slowly tightened.

That’s right, the condition for her to be able to meet Xiang Yi was to complete today’s engagement banquet.

Thinking of this, her hand that was gripping the hem of her dress loosened, and she resisted the urge to rush off the stage.

She raised her eyes and quietly looked at Xiang Yi who was standing in the middle of the crowd. Her eyes were only focused on him, and it was as if she didn’t see Helian Manli, who was also present beside him.

The engagement party continued.

Before exchanging the rings, Shi Nuannuan suddenly walked to Shi Yuting’s side and said in a low voice, “Brother, help me.”

She hoped that Xiang Yi could live well, but she also did not want to get engaged. What should she do?

Besides her brother, no one else could help her.

After receiving his sister’s distress signal, Shi Yuting’s deep eyes glanced at her slightly, not understanding what she wanted to do next.

“Now, please let our newlyweds exchange their engagement rings,” said the emcee. As soon as he finished speaking, someone handed Cheng Huan and Shi Nuannuan a pair of expensive and glittering engagement rings.

Cheng Huan took the rings, the corners of his lips slightly raised as he looked at the person he liked in front of him.

However, there was not a hint of joy on Shi Nuannuan’s face. It could be said that there was no expression on her face at all.

She slowly took the ring, turned around, and quietly walked in front of Cheng Huan.

With every step she took, her left heel would exert extra strength. However, everyone’s eyes were on her, Cheng Huan, and the pair of rings, so they did not notice her movements.

However, the evening gown covered her feet, which were wearing high heels, so it seemed difficult to notice.

In the entire banquet hall, everyone's gaze fell on the two people's faces. They were very concerned and expectant about this process.

However, to Xiang Yi below the stage, every minute and every second was so piercing to the bone, as if they had been cut into pieces.

The hands hanging on both sides could not help but tighten, and a pair of eyes stared intently at the two people who were about to exchange rings.

Under everyone's gaze, just as Shi Nuannuan was about to walk in front of Cheng Huan with the ring in her hand, a "AH" was suddenly heard. Then, Shi Nuannuan fell down on the stage.

This sudden scene immediately shocked all the guests in the banquet hall. They could not help but widen their eyes as they looked at Shi Nuannuan who had suddenly fallen down on the stage!

The Shi and Cheng families at the side were also dumbfounded.

As they were still a little far away and it was too sudden, Cheng Huan, who was opposite her, did not have the time to support her.

Seeing that she had suddenly fallen, a hint of anxiety flashed across Cheng Huan's face, and he suddenly rushed over.

"Nuannuan!"

"Nuannuan!" Zuo Weiyi, Shi Yuting, and the others also rushed over quickly.

Below the stage, the guests also fell into chaos. They all moved to the front of the stage, wanting to see what was going on.

Chapter 1260 feet hurt..

Seeing her fall, Xiang Yi's heart tightened and he was about to squeeze through the crowd.

However, in the next second, he met Shi Le's gaze.

He stopped and allowed the crowd to push him further and further away from the center of the stage.

"Nuannuan, what's wrong?" Zuo Weiyi rushed to Nuannuan's side and helped her up with Cheng Huan.

When she raised her head, she noticed that she did not look well, as if she was in great pain.

"Nuannuan, what's wrong with you?" Zuo Weiyi asked anxiously.

Shi Nuannuan forced herself to sit down and lifted her skirt to check on her feet.

"My feet hurt..." she frowned and cold sweat broke out on her forehead. She must have twisted her ankle.

Following her movements, Zuo Weiyi and the others realized that the heels of her white high-heeled shoes had fallen off!

Then, they noticed that her left ankle suddenly swelled up.

“Oh my God, it’s swollen!” Zuo Weiyi was extremely anxious!

Shi Yuting, who was beside her, suddenly remembered what his sister meant when she said “Help me”!

“Sheng Hao!” He turned around and shouted at Zhong Shenghao, who was standing below the stage.

Zhong Shenghao immediately jumped up and was about to rush over to check on Wen Sheng.

However, when he passed by Shi Yuting, he pinched his arm tightly.

He stopped and turned around to look at him in confusion. From his deep eyes, Zhong Shenghao seemed to have received some kind of message.

After a slight pause, he walked to Nuannuan’s side and squatted down to examine her swollen left foot.

“The swelling is so fast. I’m afraid we’ll have to send her to the hospital for an X-ray before we can make a conclusion.”

Hearing Zhong Shenghao’s words, Shi Yuting quickly bent over and picked up Nuannuan who was sitting on the ground. He turned around and rushed out of the side door of the banquet hall.

Watching him leave with Nuannuan in his arms, the Shi and Cheng families were also very anxious and followed him one after another.

“This, quick, let’s go and take a look too!” Old Cheng was also very anxious, but he couldn’t stand up and run with her, so he could only say to his son and daughter-in-law.

The group of people rushed into the hospital, but only Shi Le and Cheng Huan’s father stayed behind to deal with the aftermath.

After all, it was a good engagement party, but it was going to be suspended temporarily.

For a moment, Cheng Huan thought of what Nuannuan had said before and thought that she was pretending, but seeing her swollen ankle, the suspicion in his heart disappeared, and he rushed to the hospital.

It was already ten minutes after they arrived at the hospital, and Shi Nuannuan’s entire body was already swollen to the size of two previously!

“How is it? Is It Serious?” Shen Lanzhi asked Zhong Shenghao anxiously.

Zhong Shenghao turned his head and glanced at the crowd who were crowded in the ward.

“Her left foot was injured previously and she hasn’t recovered to her best condition. After today’s sprain, there’s a slight fracture. I’m afraid that she’ll need to be put in a cast and rest for about a month.”

“Will she be fine in half a month?” Shen Lanzhi was still very worried.

Zhong Shenghao nodded. "Yes, if she doesn't walk around casually and has a good rest, she should be fine."

Hearing this, Shen Lanzhi was finally relieved, and the others also heaved a sigh of relief.

With Shi Nuannuan's injury, the Cheng family couldn't say anything more.

As for the engagement, Old Master Cheng was also more concerned about Nuannuan's health.

"Nuan Nuan, you should have a good rest here. Ah, please don't get out of bed and walk around randomly."
