

Kiss Me 131

Chapter 131: Shi Yuting's Identity is...

It was all in English. She could not read it.

So, she turned to the other side and realized that it was transparent. It contained a rubber-like thing, but it was not shampoo.

Zuo Weiyi was dumbfounded after staring at the rubber-like thing for a long time. After a long time, she suddenly opened her eyes. She then threw the small package and slammed the drawer!

That thing just now seemed to be...TT brand condom?

It turned out that Shi Yuting had been taking the necessary safety measure long ago. No wonder she had not been pregnant even after they had done it so many times. She had even rushed to the pharmacy to buy some contraceptive pills!

Indeed, he had already said that she would never be his wife. How could she be pregnant with his child?

'Zuo Weiyi, Zuo Weiyi, don't flatter yourself!'

She laughed to herself. She then got up and left the bedroom.

She was curious and wanted to know what Shi Yuting's mother would say to him.

Shen Lanzhi was sullenly sitting on the sofa in the living room downstairs. She seemed to be in a bad mood.

"Yuting, I don't care what's happening between you and that girl. Just don't forget one thing. If you want to become the president of Country C, you must marry Tengtang Xi. This is your grandfather's order!"

Shi Yuting sat aside and his face was slightly cold.

"I still don't want to get married yet."

"Then get engaged first."

"That is not possible."

"Son, you should know that you can't disobey your grandfather's orders!"

"I don't want to talk about this now. You have just got off the plane. Go upstairs and get some rest."

Shi Yuting got up after he finished his words.

"Yuting!"

Shen Lanzhi called out to her son helplessly as she looked at his back. "You can be with that girl. However, you still have to marry Tengtang Xi in the end. No one can disobey your grandfather's order. Unless you give up the opportunity of being the presidential candidate."

To become the president, the first lady could never be a low-profile maid.

Shi Yuting paused. Instead of turning around, he walked straight toward the second floor.

Zuo Weiyi was in shock after hearing Shen Lanzhi's words at the corner of the stairs.

Was Shi Yuting getting married?

And his identity was... presidential candidate?

Was Tengtang Xi his fiancée?

Zuo Weiyi was had so many questions in her head as she leaned on the crystal column. She had only recovered from her thoughts when Yuting came up.

Shi Yuting raised his eyebrows unexpectedly and looked at her. "What are you doing here?"

Zuo Weiyi looked up. She felt a little guilty. "No, nothing!"

Shi Yuting narrowed his eyes and looked at her suspiciously.

How long had this woman been here?

"Why? Do you want to spy on our private lives?"

Zuo Weiyi was startled. She could not help but swallow. "No! I just wanted to look for you downstairs." But, she had heard their conversation by accident.

She did not dare to say the last sentence. She then lowered her head to cover up her guilt.

The two stood at the corner. As soon as Zuo Weiyi lifted her eyes, she suddenly saw Shen Lanzhi coming up too. Her expression unconsciously stiffened.

"La... My lady."

She habitually lowered her head and greeted Shen Lanzhi as she did before when she was still a maid.

Shen Lanzhi glanced at her. There was no malice in her eyes but there was also no expression on the noble face. She just briefly glanced at Zuo Weiyi and then walked past the two to the guest room.

She was indeed a little tired after eight hours of flight.

Chapter 132: Tell Miss Zuo to Come Down and Have Dinner

Zuo Weiyi had mixed feelings looking at Shen Lanzhi leaving.

Zuo Weiyi only went downstairs after Shen Lanzhi had entered the guest room to rest. Otherwise, she could only stay in the master bedroom if Shi Yuting's mother was there.

Shen Lanzhi went downstairs to have dinner.

Aunty Yu had prepared a wonderful dinner at the dinner table.

However, Zuo Weiyi who was in the living room chose to go upstairs.

Shi Yuting came out of the study room and came to the dining room. He frowned when he did not see Zuo Weiyi there.

"Tell Miss Zuo to come down and have dinner."

The maid nodded. "Yes."

Just as she was about to turn around, Shen Lanzhi who was sitting at the dining table suddenly looked at her son and said, "Son, can't we eat this meal without her?"

Shi Yuting looked up and asked coldly, "What's wrong? Why can't we enjoy our meal with her?"

Shen Lanzhi did not say anything.

How much space did this girl take in his heart?

Her son had never talked back to her on behalf of a woman in the past twenty-nine years.

Shen Lanzhi was helpless. "After all, she is just an outsider."

Shi Yuting put down his chopsticks and looked at his mother. "Mother, are you looking down on her because she was a maid?"

Shen Lanzhi was displeased with her son's accusation.

"I didn't mean to discriminate against her. It's just that you have hurried home last time and came back here again after a few days. I just wanted to have a good dinner with my son. Is this wrong?"

"Yes, I didn't like the girl very much because she was too dishonest. She had lied to me about her identity when I first met her. If she is going to be with you in the future, she may have some other ideas or plans. You wouldn't know!"

Nuannuan could not help but speak weakly looking at her brother and mother.

"Mother, I told her to hide it from you because I'm afraid you would get angry when you know..."

Shen Lanzhi turned her head and glanced at her daughter, but still, it did not change her view toward Zuo Weiyi.

"No matter what, I hope that your brother is elected as the president. Don't fail to live up your father and grandfather's expectations of him." Shen Lanzhi looked down. Her eyes were slightly teary. "I... I don't want to be separated from you anymore."

Shi Yuting and Shi Nuannuan could not help but raise their eyes and look at their mother in surprise.

"What do you mean?" He slightly frowned as he saw his mother's weird expression.

Shen Lanzhi sniffed and calmed herself down. She then randomly picked up the chopsticks. "It's nothing. It's fine as long as you are happy. Go and tell Zuo...that girl to come down and eat together."

"Mother, what exactly did you mean by that sentence?" Shi Nuannuan was still trying to figure out what was going on.

Shen Lanzhi lifted her head and forced a smile. "Nothing. It's nothing."

She turned her head and looked at Shi Yuting again after that. "Son, if you can't marry her, you will only hurt her in the end. Do you know that?"

Shi Yuting gently pursed his lips. He was calm and unhurried.

"I can pretend that I do not see anything. But you would have to leave the girl behind the day you returned to Country C. Your grandfather won't let her enter the Shi family."

Shi Yuting remained calm while listening to his mother.

"Aunty Yu, call that girl down to have dinner together," Shen Lanzhi said.

Aunty Yu looked at her. She then looked at Shi Yuting again. After that, she finally turned around and to get Zuo Weiyi downstairs.

Chapter 133: A Dinner Filled With Mixed Emotions

Entering the dining room and looking at the family sitting at the dining table, Zuo Weiyi could not help but pause especially when she saw Shen Lanzhi's slightly gloomy face.

She had purposely tried to avoid them. Why did they still call her down for dinner?

Shi Yuting slightly raised his head when he heard her footsteps. He smiled. "Come here."

He reached out a hand and signaled her to come over.

Zuo Weiyi looked at him. She then looked at Shen Lanzhi. In the end, she walked carefully to the dining table.

Shi Yuting had already pulled her over and make her sit next to him before she was even there.

"Sit down and eat."

Zuo Weiyi looked up at him. She then involuntarily glanced at Shen Lanzhi who was sitting on the opposite side of the table.

Shen Lanzhi also glanced at her. She looked calm.

To Zuo Weiyi, this was a dinner filled with mixed emotions. She could not enjoy the food.

Zuo Weiyi immediately walked toward the master bedroom on the second floor after dinner.

She knew her identity well. Eating at the same table as Shi Yuting's mother, she felt as if she was meeting with her future mother-in-law!

She was just flattering herself and it was shameless!

Suddenly, the master bedroom's door was pushed open. She looked up and saw Shi Yuting walk in.

"Why did you run away?"

He came over and looked at the person lying on the bed and asked.

She was guilty when she was faced with his question. "No, I did not run away. I'm just a bit tired and want to rest early."

Shi Yuting suddenly raised his eyebrows. A trace of concern flashed through his eyes. "Are you very tired?"

She must have suffered a lot in those places these days.

Although he had not seen her for only a week, she was noticeably emaciated.

“Yes.” She nodded and crawled into the thin quilt.

Shi Yuting raised his hand and gently brushed her fair and delicate cheeks. “Since you are tired, rest early.”

“Okay.”

She had been feeling a little uncomfortable since his mother came. It was better to go to bed earlier!

“Shi Yuting!”

Just as he got up and wanted to leave, Zuo Weiyi suddenly shouted at him.

He heard her and turned around. “Huh?”

“Your mother doesn’t seem to like me...”

Shi Yuting narrowed his eyes listening to her words and walked over to look at her who was lying on the bed.

“Why do you want her to like you?”

To him, it did not matter if his mother liked her or not.

Zuo Weiyi paused. She suddenly realized that she was flattering herself again!

She was not going to be his wife. So, whether his mother liked her or not, it was none of her business!

Hehe...

She smiled awkwardly. “You’re right.”

He looked at her and his eyes became calmer.

“She does not dislike you because she has experienced too many things.”

Huh?

She raised her eyes and could not understand his sudden words.

“Go to bed early.”

He bent down and planted a kiss on her forehead. He finally left the room after that.

The next morning, Zuo Weiyi got up early and decided to go Di Zun to work to avoid being under the same roof as Shen Lanzhi.

“Has the wound on your hand healed?”

Zuo Weiyi nodded while facing the man in front of her. “Yes!”

“Do you want to go to work in the company or do you want to see me all the time?” He glanced at her and grinned.

Zuo Weiyi paused.

This man was truly narcissistic!

“Hehe, you have seen right through me...”

She lowered her head and pretended to be shy.

Although he knew that she was just faking it, Shi Yuting was very happy.

“Let’s go!”

He pulled her out of bed and dragged her downstairs.

Chapter 134: Do Something Meaningful

After eating breakfast, Shen Lanzhi could not help but speak when she saw the two leaving.

“Yuting.”

Shi Yuting turned his head when he heard his mother’s voice.

“I’ll be going back in the afternoon. Take care of yourself and Nuannuan.” She looked at the two people at the entrance with her gentle eyes.

If they were just ordinary people, she would also want her son to marry an ordinary girl.

However, her son was from the Shi family—the most influential family in Country C!

“So soon?”

Shen Lanzhi smiled. “Well, your grandfather is not in good health. I have to go back and take care of him.”

“Alright.”

Shi Yuting turned and left after giving a response.

Zuo Weiyi was finally at ease after reaching the office!

But it was a little boring.

She was still so free at work every day.

She turned on her phone and was ready to swipe through Weibo.

Suddenly, a private message popped up as soon as she logged onto Weibo.

Gu Yansheng...

Zuo Weiyi frowned while looking at the familiar name. She then tapped on the message.

“Are you busy?”

Zuo Weiyi pursed her lips and replied. "Not really."

"Are you free at noon? Do you want to have lunch together?"

Zuo Weiyi pursed her lips and thought for a while after looking at the second message from Gu Yansheng.

She looked up and glanced at the man at the desk not far away. She then replied. "No, maybe next time!"

There was no response from the other side for a while. Then a message came. "Alright."

Zuo Weiyi sent a smile emoji after looking at the message. She was about to close the chatbox.

However, Gu Yansheng's message came again after a while.

"I'm going to the campus where we used to study. Would you like to come along?"

Shi Yuting who was signing the documents at the huge desk finally could not help but frown. He then looked up at someone not far away.

Her cell phone had been ringing non-stop since just now. She seemed to be chatting with someone else.

If it was someone else, he would surely drive her away. But he could not get angry with the woman in front of him!

He got up and walked over out of curiosity.

Zuo Weiyi was hesitating whether to go to their former campus with Gu Yansheng or not. She did not even realize that Shi Yuting was coming over.

She only raised her head when her phone was suddenly taken away.

He took the phone and saw the three words at a glance: Gu Yansheng!

His face immediately turned dark!

How dare this woman chat with another man in front of him?

"You seem so free."

Zuo Weiyi was shocked.

She then nodded very honestly. "Yes!"

She was indeed very free. That was why she had decided to play with her phone to pass time.

"Well then, let's do something meaningful."

Zuo Weiyi was stunned looking at his handsome face.

She immediately realized the real meaning of that sentence.

Every time he said this, it would surely be that thing!

“I don’t want to!”

She wanted to get up and run away. However, she was pulled back by the man the moment she turned around.

“It’s too late.”

He had not touched her for a week. He had been desiring her since yesterday. Nonetheless, he had to control his desires due to her physical condition.

Now, of course, he would not let her go since she was so energetic.

“Shi Yuting!” She was suddenly carried by him. She could only struggle desperately.

This was the office after all. What if the secretary suddenly came in?

Shi Yuting went on top of her after putting her on the soft sofa. He looked hard at her beautiful face and her clear black eyes.

Chapter 135: Tengtang Xi’s Arrival

“Don’t you miss me?”

He could not believe it. How could she never have thought of him or missed him during the week when he was away?

Zuo Weiyi suddenly calmed down looking at his black jade-like starry eyes. She stared at him with her pair of bright eyes.

“I...” She looked away, but still, she could not hide her guilt. “I don’t!”

“Yes or no. Your body will tell me naturally.”

He grinned and immediately sealed her pink lips with his when he was done talking.

Just like what he had said, her body was more honest than her mouth!

While they were still halfway through, there was suddenly a knock on the door of the office. Zuo Weiyi was shocked and worried.

“Mr. Shi, Mr. Lee from the advertising company is here.” The secretary’s voice sounded outside the door.

“I’m not free.”

With just those three words, the office door was silent once again.

Zuo Weiyi let out a sigh of relief. She was worried that Secretary Feilin would walk in with CEO Lee. She would have jumped off the 100-story building!

Zuo Weiyi straightened out her messy clothes and returned to her desk after having sex.

She suddenly remembered something when she sat down.

Shi Yuting did not seem to have used that thing when they had done it just now.

She pulled out the drawer and was relieved that she had brought the pills.

Zuo Weiyi held the pill in her palm carefully. She glanced at the man who was now looking at the documents. She then got up and left the CEO's office.

Shi Yuting raised his head and frowned when he heard the sound of the door opening.

Every time after they had sex in the office, she would be too shy to go out. What happened today?

Just as he was still trying to figure it out, the phone rang.

He answered the phone.

He could hear the sweet voice of Secretary Feilin in the next second.

"Mr. Shi, there is a lady downstairs looking for you. She said she has made an appointment with you."

Shi Yuting could not help but frown after hearing this.

A young lady had made an appointment with him?

"Who?"

"It seems that her name is Tengtang Xi."

Shi Yuting was a little surprised to hear the name.

Did that woman come to Country Z?

"Allow her to come up."

"Okay."

The line was cut off. Five minutes later, there was a knock on the office door.

"Please go inside." The secretary turned to leave after showing Tengtang Xi to the CEO's office.

Tengtang Xi smiled excitedly, looking at the handsome man who was at the desk as soon as she walked in.

"I hope you haven't forgotten our agreement!"

Shi Yuting seemed calm when he saw Tengtang Xi came in.

The reason why he had taken the initiative to go out with Tengtang Xi that night in the old castle in Country C was to get her help for him to leave.

Only by going out with her, his grandfather would not suspect that he had escaped. His grandfather would just think that he was getting to know more about this Miss Tengtang.

But when he had asked her for help, she asked him back, "What do I get from helping you?"

He had asked her back, "What do you want?"

“I want something in return, but I don’t know yet what it is. I will tell you when I think of it.”

And now, the reason why she had turned up here was to ask him to fulfill this promise?

Shi Yuting got up and walked out from behind the desk. “Miss Tengtang, why have you come to Country Z?”

“If I said I want to see you. Would you believe it?” She smiled confidently.

She could never forget this man after seeing him that night.

Shi Yuting glanced at her and smiled a little. He then walked to the sofa and sat down.

“Have a seat.”

Chapter 136: You Won’t Break Your Promise, Right?

Tengtang Xi smiled confidently before walking toward the sofa and sitting down in front of Shi Yuting.

After she had settled down, she glanced around the extravagant office.

“This is your Dizun?”

Shi Yuting bit his bottom lip but did not answer.

“It’s better than I expected, but...” She turned her head back, proudly. As she came from a superior family, her arrogant attitude was a given. “Compared to the seat of the president, this is nothing.”

Shi Yuting only smiled and scoffed faintly as he listened to her conceited speech. “Did Miss Tengtang come from so far to judge my puny Dizun?”

Tengtang Xi smiled. “Of course not!”

She stared at the man in front of her, dark eyes sparkling with adoration.

No one had ever captivated her like this in the twenty-two years of her life.

“I’m planning to have some fun in Country Z for a while, but...” She continued to gaze at him, confidence shining in her eyes. “I’m not too familiar with this place. Could you spare me some of your time to show me around?”

Her confidence had taken away what was left of his admiration toward her.

It was no good if a woman was too confident.

Especially if her confidence was over the top, men were simply not fond of that.

“If you want to play around, I don’t have time for that, but I can assign my men to be your tour guide.”

When Tengtang Xi heard that, displeasure and disappointment flashed in her eyes.

However, she still acted elegantly.

She was a smart lady. Even though she was displeased, she still had the tolerance and attitude of an upper-class lady.

When she helped him, he had promised that he would comply with any one request made by her.

Now that she wanted him to accompany her when she was in Country Z... He wouldn't break his promise, would he?

She raised her eyes as her lips curled into a confident smile. "The boss of Dizun and president of Country C, are you going back on your words?"

At this moment, the door was opened.

Zuo Weiyi who had just taken her birth control pill walked in.

When she saw another woman sitting on the sofa, she was stunned.

Tengtang Xi turned her head toward the door when she heard it being opened. When she saw Zuo Weiyi, she frowned, thinking that she was a secretary or a regular employee.

"Did no one teach you to knock before entering a room?"

She disliked underlings who had no discipline.

Zuo Weiyi was shocked upon hearing her accusing tone.

Knock?

Shi Yuting had told her she did not need to knock whenever she wanted to enter the office. Where did this woman come from?

Plus, she looked like she was in charge. How unlikable!

Zuo Weiyi wanted to retort, but looking at her fancy outfit, she was worried that the woman was Shi Yuting's VIP. She swallowed her words back and put on an apologetic front.

"My apologies. I work in this room, so I don't need to knock before entering."

Upon hearing this, Tengtang Xi frowned and turned her head to Shi Yuting.

"You're the boss and you're sharing your space to this lowly underling?"

Her words made Shi Yuting frowned.

This Tangtang Xi was not only overconfident, but she was also extremely haughty too.

Zuo Weiyi was about to return to her table when she heard that woman's words. She could not help stopping in her tracks and look at the 'VIP'.

What a snob this woman was!

She clenched her fists in displeasure but still returned to her table. She sat down with an annoyed face.

Chapter 137: I Will Never Love Any Other Women

Who could she blame that she was just a lowly underling? She could only sit and kept quiet about her bitterness.

Shi Yuting was sitting on his sofa when he noticed Zuo Weiyi's unhappy face, his lips unconsciously curved up.

Seeing that he was smiling, Tangteng Xi frowned suspiciously.

She was sitting right here, yet this man in front of her was eyeing that female worker?

Before she could say anything, Shi Yuting turned his head and showed a perfect grin. "I can't help it, she's my personal assistant. 'Some stuff' make us 'inseparable'."

Upon hearing this, Tengtang Xi frowned harder.

She turned her head to Zuo Weiyi, suspicion appeared in her eyes.

Tengtang Xi sat for the whole morning.

It was as if she was waiting for noon so she could have a meal with Shi Yuting.

"I'm a first-time visitor to this place. You don't plan to invite me to a meal?"

Shi Yuting lowered down his gaze. It was all thanks to her that he was able to escape from his grandfather's control, so of course, he would treat her to a meal.

"What does Miss Tengtang want to eat?"

"Just call me Xi, after all..." She looked up, her eyes sparkling with adoration and infatuation. "We'll become a family soon."

Even though the engagement was canceled during that night but their marriage was not obsolete. The Shi family and the Tengtang family's marriage would happen sooner or later, this was already decided.

Hearing her sudden statement, Zuo Weiyi who was sitting not far raised her gaze and looked at the two of them on the sofa.

Miss Tengtang, Xi?

This woman...

Could it be the same Tengtang Xi that was mentioned by Shi Yuting's mother yesterday? Shi Yuting's fiancée?

Upon thinking about that, Zuo Weiyi felt her heart stabbed by a sharp pain as if it was pricked by a needle.

"I decline." Looking at Tengtang Xi, Shi Yuting curled up his lips ever so slightly into a sensual smile.

Yet the smile did not reach his dark eyes, only a mask of coldness was visible.

"You and I, we're not close."

His word stunned Tangteng Xi.

This man was avoiding her?

Why?

She had the looks and a good figure, everything about her was perfect. Why was he not attracted?

There were many counts back in County C who wanted her hand for marriage, but this man did not even bother to look at her?

As expected from the man she loved, what a personality!

“Not yet, at least, but I believe that you’ll fall in love with me one day!”

He did not know where Tangteng Xi got her confidence from, but he felt like laughing after listening to her words.

The woman Shi Yuting love would never be her.

His gaze unconsciously wandered to the figure at the office desk not far from his.

As she came in contact with his gaze, Zuo Weiyi turned her head away. The annoyed look on her face was quickly replaced by sadness.

Shi Yuting frowned, the change in her expression from the one a few seconds before was obvious.

Following his stare, Tangteng Xi noticed Zuo Weiyi, suspicion began to swirl around in her heart.

“I will never love any other woman.” He turned his head away and smiled while standing up. “I know a restaurant that serves exquisite French cuisine, care to join?”

Tangteng Xi was still shocked by his first statement, but quickly recovered and stood up as well. “Of course!”

Both of them left the office room.

However, as Tangteng Xi was exiting the door, Shi Yuting suddenly bent his body and held Zuo Weiyi’s head in his hands when he was passing her table. Without any hesitation, he planted a kiss on her pink lips.

Chapter 138: Not Returning To The Office At Dusk

His deep and sensual voice tickled her ear. “Eat your lunch.”

After that, he turned to leave the room.

Looking at the two figures that left together, Zuo Weiyi was still a little bit stunned.

Her heart was throbbing in pain when she remembered his words just now.

He would not love any other woman, right?

Zuo Weiyi had no appetite at all during lunchtime.

She returned her untouched meal to the washing station.

As she was about to return to the office, her phone rang.

She took out her phone and looked at the screen. When she saw the name on the phone screen, she was slightly shocked.

Shi babe.

Was he not eating with Tangteng Xi now? Why was he calling her?

She was confused, but still picked the call. "Hello?"

"Have you eaten?"

"Yeah."

"I'm not returning to the office for the rest of the afternoon, go home earlier without me."

Listening to the familiar voice from the other side, Zuo Weiyi's heart throbbed.

Not returning to the office? Would he spend the entire afternoon with Tangteng Xi?

What did he say? 'I will not love any other woman'?

How did the old saying go again? One would rather believe that the world had ghosts than a man's words.

To that, she said 'I agree'!

How long had he hung out with her? And he had already fallen for her?

Then again, what business did she have with whoever he was going out with?

But, why did her heart feel such pain...

"Hello?"

Shi Yuting frowned and opened his mouth when the other end was quiet for too long.

Zuo Weiyi snapped out of her thoughts, "Oh, got it."

As soon as she answered, she put down her phone and hung up the call.

On the other hand, Shi Yuting who still had not finished his speech was staring at his phone with a shocked expression after hearing the beeping sound.

This woman dared to hang up first?

"Mr. Shi, your car has arrived."

Xiang Yi's voice called behind him. He turned his head around and put away his phone, walking out of the restaurant.

In the afternoon, Zuo Weiyi drove her Maserati from Dizun Building to Shi Residence.

As she entered the mansion, she was met with Shen Lanzhi who was about to leave with an expensive purse in her hand.

She was stunned. She did not know why but she had always felt awkward in front of Shi Yuting's mother.

"Missu..."

"You're not a maid here, you don't have to call me that."

Zuo Weiyi paused. A difficult question arose.

Then what should she call her?

'Aunty' did not seem right either.

She did not know how to address her, so she decided not to call her instead. Her eyelids dropped slightly as she bit her bottom lip.

Looking at her lowered head, Shen Lanzhi threw her a glance and walked away.

However, she stopped after taking just one step.

"Do you have time now?"

What?

Zuo Weiyi was stunned by her sudden question and looked up, staring at Shen Lanzhi.

"Me? Yes..."

"Come to my room."

Shen Lanzhi said and returned to the living room, heading toward the second floor.

Zuo Weiyi stared at the figure that had entered the house once again with a baffled look and followed her after pausing half a second.

She arrived on the second floor. The door to Shen Lanzhi's room was ajar. She paused before raising her hand and pushing the door open.

"Come and sit here, close the door."

Zuo Weiyi turned and closed the door softly, yet her heart felt conflicted with so many feelings.

Chapter 139: Conversation

After she closed the door and walked toward the sofa, Zuo Weiyi did not sit, only stood silently.

Shen Lanzhi lifted her gaze. Her face was calm and her tone was gentle. "Come and sit, I won't eat you."

Zuo Weiyi bit her lower lip and finally sat down.

"Do you like Yuting?"

Shen Lanzhi did not have much time, so her question was direct.

Zuo Weiyi did not expect her candidness, so she could not help but feel stunned.

“I...”

“What do your parents work as?”

She did not continue her words as Shen Lanzhi asked another question.

Zuo Weiyi was confused about her question.

After a few moments, she slowly opened her mouth again and answered, “My mother passed away a few months ago. My father died when I was born.”

Shen Lanzhi was shocked at her reply.

“I’m sorry.”

Zuo Weiyi lifted her eyes and forced a smile at her apology, “It’s fine.”

“So, you’re a child of a single parent?”

Zuo Weiyi nodded.

A child of a single-parent was much better than an illegitimate child.

“Yes.”

“Do you know Yuting’s identity?”

Zuo Weiyi was shocked again. She did not know the reason why Shi Yuting’s mother would ask her these questions or her purpose of doing so.

As for Shi Yuting’s identity, if she did not mishear it that day he was....

“He’s the president of Country C.”

“So you knew. Then, you should be clear that the First Lady will never be someone like you.”

Zuo Weiyi finally figured out her intention when she heard this.

The reason his mother wanted to talk to her was because she was trying to warn her.

Well, she was worrying too much in this case.

Zuo Weiyi looked up at her and forced a smile.

“Missus Shi, you’re overthinking this. He... doesn’t like me, and it’s impossible for me to become his wife.”

He told her at the start that he could give her anything other than the place of ‘Mrs. Shi’.

Plus, he said that he would never love any woman this morning.

“He doesn’t like you?” Shen Lanzhi smiled. “I know my son better than anyone else. If he doesn’t like you, why would he give up the chance to become a president for you?”

Zuo Weiyi was stunned.

“For me?”

“Yes. If it wasn’t for you, he would already become the president of Country C by now. But he has returned to Country Z in such a crucial time.”

Shen Lanzhi’s words baffled Zuo Weiyi.

Shi Yuting gave up such an important chance for her?

Impossible...

“I don’t know what you have done in the past few days to make him rush back in such a hurry, but I’m here to tell you that no matter how much he likes you, his wife will be Tangteng Xi.”

Upon hearing her saying this, Zuo Weiyi’s heart felt like it was painfully pierced.

She also finally understood the reason behind this conversation.

She smiled. “So what do you want me to do, Missus?”

Maybe she would threaten her to leave Shi Yuting like in those romance novels.

“If you can afford this relationship, then wait, but if you can’t, then the one who would be riddled with injuries will only be you.” Shen Lanzhi stood up. “I’ll stop here and let you decide, I won’t stop you and Yuting.”

With that, she turned and left.

Zuo Weiyi stood shocked in the room. Just that one sentence of hers had sent her heart into a spiral of chaos and disorder.

Chapter 140: The One Whom My Brother Likes Is Actually...

She was actually very clear that there would be no conclusion between her and Shi Yuting, she did not know what she was looking forward to.

The Jiang family was now in ruins, and she sought vengeance for her mother. So, was it not time to leave Shi Yuting’s side?

Why was she so unwilling to?

Zuo Weiyi left Shen Lanzhi’s room with a depressing front.

She returned to the master bedroom and lay down on the bed, she stared at the carefully sculpted ceiling blankly, her mind spiraling into thoughts.

Her phone rang suddenly. She turned her head and looked at the lit-up screen, a new notification from WeChat.

She picked up her phone and opened WeChat out of boredom. It was a message from Gu Yansheng, a few photos of her elementary school was attached.

After a few decades, the school had changed a lot.

“Do you still remember this place? You were bullied here for the first time.”

After sending the pictures, Gu Yansheng sent another message.

Looking at the familiar view, Zuo Weiyi could not help but smile.

That was, in fact, the place where she was first bullied by her classmates.

“It’s also the place where we first met.”

Zuo Weiyi stared blankly at the second message, her smile fading away.

What did he mean by that?

As she was in deep thoughts, Gu Yansheng sent another message.

“Weiyi, if you were homeless one day, I will always be here for you.”

Looking at the words on the screen, Zuo Weiyi felt conflicted.

Gu Yansheng did treat her well, but she did not have a place for him in her heart.

“Thank you.” After a while, Zuo Weiyi replied with just two words.

At the other end, Gu Yansheng stared at the short reply, his lips formed into a bitter smile.

She and Shi Yuting would not be together for long. She would leave him one day, right?

When that day came, she would come to his side.

While holding her phone, Zuo Weiyi had accidentally fallen asleep.

It was already evening when Xiao Cui had to wake her up for dinner.

By dinner, Shi Yuting still had not return.

Looking at the table of a feast, Zuo Weiyi still did not have the appetite to eat.

In front of her sat Shi Nuannuan who was confused about her listless expression.

“What happened to you?”

Zuo Weiyi lifted her eyes and glanced at Shi Nuannuan, forcing a smile.

“Nothing.”

“Is it because my brother hasn’t come back, so you don’t have any appetite?”

Zuo Weiyi’s eyes widened, her body froze from hearing Shi Nuannuan’s words.

“That’s not it!”

She replied loudly and quickly ate her food as if to cover up the guilt conscience she had.

“Speaking of which, where is he? Why hasn’t he come home for dinner?”

Shi Nuannuan was curious about her brother’s whereabouts. She rested her chin on her hand, a dazed expression appeared on her face.

Zuo Weiyi continued to eat her dinner, but all of a sudden, she followed up Shi Nuannuan’s question with a bitter reply, “It’s all because of Tangteng Xi.”

Shi Nuannuan shot a shocked look at Zuo Weiyi.

“Tangteng Xi?” She frowned. She was not surprised that Shi Yuting had not return because of her, but rather, how Zuo Weiyi knew that name.
