

Kiss Me 1401

Chapter 1401: do you hate me?

“As you wish.”

Looking at the indifferent expression on his face, Dina smiled and turned to leave.

Cheng Huan, who had sat down, kept his eyes on Shi Nuannuan and Xiang Jinghan.

Meeting his gaze, Shi Nuannuan did not say anything. Instead, she treated him as an ordinary customer who came to drink coffee.

Holding her son’s hand, she was about to turn around when Cheng Huan spoke again.

“What happened to Your Hand?”

Even though she no longer liked him after what happened three years ago, Shi Nuannuan still answered him in the face of his concern. “It’s nothing. I accidentally cut it.”

“Your Son?” He asked again.

“Yes.” She glanced at her son and knew he was asking about Xiang Jinghan.

“Can you sit down? We haven’t had a good chat for a long time.” Cheng Huan looked at her. His eyes were still filled with deep affection for Shi Nuannuan.

Hearing this, Shi Nuannuan was stunned for a second. After hesitating for a while, she walked over to the seat opposite him and sat down.

What happened three years ago had indeed become an unerasable knot between them, but it did not seem like they would become enemies.

“What do you want to talk about?” Holding her son in her lap, Shi Nuannuan looked at him indifferently.

After a long while, Cheng Huan said, “I’m very sorry about what happened three years ago.”

Shi Nuannuan’s heart softened when he apologized.

However, she still appeared calm on the surface. “Forget it, it’s over.”

“Do you hate me?” Cheng Huan asked.

Shi Nuannuan looked up.

Hate?

How could someone hate someone they had never loved?

At most, they would just hate him for what he had done.

“No,” she replied calmly.

Facing her coldness, Cheng Huan only smiled faintly. "You are really a good person."

Shi Nuannuan raised her eyes.

Good Person?

In her heart, not everyone was worth her hatred.

Then, Cheng Huan's gaze fell on Xiang Jinghan's face, which seemed to be exactly the same as Xiang Yi's. "What's Your Name?"

Xiang Jinghan looked at his pair of black eyes and looked at him. "Xiang Jinghan."

Hearing his name, Cheng Huan's face did not change at all, but his pair of dark eyes flashed with an unknown meaning.

At this moment, a luxurious car stopped at the entrance of the coffee shop. Shi Nuannuan did not look out of the window, but Xiang Jinghan caught a glimpse of the man who got out of the car.

He could not help but point and cheer. "It's daddy!"

Hearing her son's sudden scream, Shi Nuannuan also turned her head and looked in the direction he pointed. She saw Xiang Yi walking towards the coffee shop.

Xiang Jinghan couldn't wait to get off her leg and trotted to the entrance of the coffee shop.

The doorbell rang and the door was pushed open.

As soon as he entered, he saw the petite figure. Xiang Yi's lips unconsciously curved up slightly.

"Daddy!"

The little guy raised his head happily and looked at his tall and straight figure.

Xiang Yi bent down and picked up his son on the ground. The few customers in the coffee shop were envious of his doting manner.

"Where's Mommy?"

"Over there!" Xiang Jinghan turned his head and pointed at Shi Nuannuan, who was still sitting opposite Cheng Huan and turning her head to look at them.

Xiang Yi looked in the direction his son was pointing at. The smile on his face suddenly eased the moment he saw Cheng Huan.

Seeing him, Shi Nuannuan stood up and walked towards him.

Cheng Huan also stood up and followed behind her towards Xiang Yi.

"Why are you here so early?"

It was only a little past 4:30 am. He shouldn't get off work until 5:30 am, right?

Chapter 1402: Food and accommodation?

As expected, the boss could be so capricious. He could leave work at will without even looking at the time?

Xiang Yi's gaze shifted from Cheng Huan's face to hers. The corners of his lips curled up once again as he pulled her into his embrace. "I have to go to country A to settle some matters tomorrow, so I came back earlier to discuss with you."

Shi Nuannuan could not help but be stunned. She turned to look at him. "Discuss what?"

"Go with me?" He had finally managed to get her to return to his side, so he wanted to bring her everywhere.

She was stunned for two seconds before she reacted. She turned her face away. "I'm not going."

Xiang Yi frowned. "Why?"

"You're going to deal with matters. Why should I go?" She did not want to go abroad. She only wanted to accompany Xiang Jinghan.

"To... Go sightseeing." His tone was light, and the deep affection in his eyes was enviable.

She glanced at him and ignored him. Instead, she pursed her lips, as if she was tempted.

But if she left, what would Xiang Jinghan Do?

"Bring your son with you."

"..."it was simply a great temptation!

"I... Will consider it."

He curved his lips into a smile, as if he had seen through her thoughts.

Thinking about it meant that he was moved.

"Let's go home." He held Xiang Jinghan in his right hand and held her in his left hand. He was about to walk towards the entrance of the cafe.

Shi Nuannuan turned around at this moment and looked at Cheng Huan. She pursed her lips lightly. "I'm leaving."

"Okay." Cheng Huan nodded and replied softly.

Then, their eyes met.

Three years ago, he had nothing. Three years later, his value was higher than his.

"Let me get my bag."

Shi Nuannuan turned around and walked towards the lounge behind her.

"Xiang."

A sweet voice sounded from behind.

Xiang Yi turned around and saw Daina walking towards him.

He pursed his thin lips. "I'm no longer a regular customer in your shop. Just call me by my name."

"Then I won't stand on ceremony, Xiang Yi."

Xiang Yi nodded and did not speak again.

"I finally understand why Gao Xin invited me to manage your wife's coffee shop."

Xiang Yi only smiled lightly and did not answer.

"Are you used to it?" He looked at Dina and asked.

Dina nodded. "Of course. With such good conditions, not only do I get food and accommodation, but my salary for a year is even higher than my salary at ZUN Huang. Even if I'm not used to it, I can get used to it."

As she said this, Shi Nuannuan happened to walk out with her bag.

Food and accommodation?

"Let's go." Seeing her come out, Xiang Yi walked over. After bidding Daina Goodbye, he turned around and left the coffee shop.

Looking at the back view of the family of three leaving the coffee shop, Cheng Huan, who was still standing in the same place, had an unknown meaning in his eyes.

In the car, Shi Nuannuan was not very happy.

He glanced at the expression on her face. "What's Wrong?"

"I'm not going."

"..."he narrowed his eyes slightly and saw something from the side of her unhappy face. "The reason."

"I don't want to Go!"

He frowned slightly and recalled what had happened in the past few minutes that caused her to suddenly decide not to go in such a short period of time!

Just now, when she went to get her bag, he seemed to have only talked to Dana for a while?

Suddenly, his lips curled into a faint smile.

Then, he started the car. "Then I'll go by myself."

"..."when she heard that, she became even more unhappy!

When they reached the villa, the sky had already darkened.

In the room, Xiang Yi simply packed a few pieces of luggage.

Shi Nuannuan sat on the bed. From time to time, she would glance at him as he packed his luggage, biting her lower lip lightly.

Chapter 1403: Didn't you say that they would move in together?

He simply packed a few things and then turned to look at the person sitting on the bed.

Seeing that he had suddenly turned to look at her, Shi Nuannuan immediately turned her gaze away and pretended that she did not look at him at all.

"I really won't go."

"..."she hesitated for a few seconds. "I won't go..."

"Then I'll return the ticket."

As she said that, she took out her phone and called her secretary.

Shi Nuannuan could not help but feel anxious. She looked at him as he took out his phone to make a call. He looked like he wanted to speak, but he did not want to.

"Hello? Help Me Book Two Tickets for Tomorrow Morning —"

"Wait a minute!"

She suddenly opened her mouth. He paused and turned to look at her.

Shi Nuannuan pursed her lips. After a long while, she lowered her head and said awkwardly, "Now... I suddenly want to go."

He smiled and put down the phone that he hadn't dialed at all.

"Then I won't return it."

She pursed her lips and didn't say anything else.

"That Daina can be considered the only person in country a... Who can be considered as a friend."Of course, other than Helian Manli, who was his business partner, Shi Nuannuan didn't know what to say.

However, the relationship between her and Daina was really just a friendship. No matter if it was him or her, there was no romantic relationship at all.

His sudden words surprised Shi Nuannuan, but she was also shy.

So, he knew what she was angry about just now?

Seriously, why did she feel that she was always being eaten by him now?

"Friend, a friend who covers food and accommodation?"She raised her eyes and glanced at him, her tone full of sourness.

He liked her jealous look. "What should I do? I want you to stay by my side, so I could only hire her with a high salary to help you manage the coffee shop, so I rented an apartment for her in the city."

She paused. So that was what was going on.

“Then what’s with the bag of food?”

“It’s her annual salary that’s being subsidized by 20% .”

“... OH.”

She pretended to respond in a meaningless manner, but her heart was filled with sweetness.

Not long after, there was a knock on the door.

“Come in.”

After getting permission, the maid pushed the door open and entered with a few boxes in her hands.

Shi Nuannuan saw at a glance that one of them was her luggage.

“What’s This?”

Seeing the maids move some things in one by one, Shi Nuannuan could not help but ask Xiang Yi.

Xiang Yi turned his gaze and landed on her face. “Your things.”

“I know they’re mine. I mean, why are they here?”

He walked closer to her and suddenly wrapped his arms around her waist. His dark eyes looked into her eyes and his voice was deep and sexy. “Didn’t you say that you’re moving in with me?”

She was stunned and her face suddenly turned red as she pushed him away.

“Miss.”

A familiar voice sounded. Shi Nuannuan turned her head and saw sister Chen who had suddenly appeared at the door.

She was slightly surprised. “Sister Chen, why are you here?”

Sister Chen smiled. “It was Sir who brought me here. He asked me to wait on you here from now on.”

Speaking of which, she wanted to change her words.

So, this sir was really her husband.

Shi Nuannuan turned around and looked at the man in front of her as if she was questioning him with her eyes.

He curled his lips slightly. “I heard that you and Han Han both like to eat sister Chen’s dishes.”

She smiled and was very pleased with herself. “That’s true!”

Then, she seemed to have thought of something and looked up. “Then what about my apartment?”

“Leave it. I heard that the house prices will soar in the next few years. Maybe I can sell it for a good price.”

She glanced at him suspiciously and asked, "Do you need this little money?"

Chapter 1404: didn't last long

"That's not true."

The two of them looked at each other and smiled.

After dinner, Shi Nuannuan also packed up her things. It was said that she would be flying tomorrow morning.

When Xiang Jinghan heard that he was going abroad to play, he was so excited that he didn't sleep early!

After taking a shower, Shi Nuannuan was once again pressured by the man.

"You, what are you going to do?" She couldn't take it anymore. His craziness last night was too long-lasting. If she were to do it again, her body would definitely fall apart!

Up until now, the pain in her body had not disappeared. If she did it again, would she still go to country a tomorrow?

"Don't..." she struggled, trying to push him away.

But in the next second, she was kissed by him.

But this kiss was only a deep kiss and did not extend.

"Are you very tired?" He looked at her and asked softly. His eyes were full of affection for her.

She nodded. She was really tired.

"Yes."

"Then I'll kiss you."

After saying that, without waiting for her reaction, his domineering and gentle kiss covered her again, wishing that he could swallow her into his lungs.

However, the kiss became a hot fuse in his body and soon, he could not control it.

"Don't." Feeling his hands moving around, Shi Nuannuan immediately grabbed him to stop him.

They said it was just a kiss, what was he trying to do?

The man looked at her. "I won't do it for too long."

"That won't do either!" She refused immediately because she was really too tired!

"Just for a while..."

"Kacha!"

Before he could finish his words, the sound of the doorknob turning suddenly came.

However, the two people on the bed were a little unfeeling, so they didn't notice the footsteps outside the door.

"Daddy, Mommy!"

It was not until Xiang Jinghan's voice sounded that Shi Nuannuan suddenly pushed the man on her away. Then, she looked nervously at the little guy who suddenly rushed in!

Although it was only for a moment, Xiang Jinghan still saw it. He tilted his head and stared at the two people on the bed.

He asked curiously, "Daddy, why are you lying on Mommy's body?"

Xiang Yi, who was pushed away by her, sat up at this time. He looked at his son and cleared his throat. "We... are whispering."

"What whispering? I want to hear it too!"

As he said that, the little guy had already run over and climbed onto the bed.

Shi Nuannuan's face was still red. She was so embarrassed that she forgot to call her son.

"That's right..." Xiang Yi glanced at his son. "We're thinking about how we can make a little brother or sister for you."

Xiang Jinghan's eyes lit up when he heard that. "Wow, have you thought of what to do?"

"Yes, we were doing it when you barged in." He glanced at his son. The heat in Xiang Yi's body was still running wildly.

Shi Nuannuan, on the other hand, looked embarrassed. The corners of her eyes were twitching. She really didn't know how he could say such words so righteously!

Xiang Jinghan, on the other hand, was stunned. His big, Bright Eyes were full of curiosity. "Then, I'll sleep. You guys can continue doing it later!"

After saying that, he directly tucked his tiny body into the quilt!

Xiang Yi:"..."

At this moment, Shi Nuannuan had already automatically shielded herself and turned into an invisible person!

However, looking at her son, she could not help but ask, "Hanhan, why did you suddenly come here?"

Being asked, Xiang Jinghan forgot about what had just happened. He quickly crawled out of the blanket and looked up at his father and mother before saying innocently, "Because I want to sleep with Daddy and Mommy!"

Chapter 1405: Because Your Daddy is hot!

“You can’t get used to sleeping alone, can you?” For more than two years, her son had always slept with her. Unless she went abroad, they had never been separated.

Xiang Jinghan nodded. “Yes!”

“Then let’s Sleep!”

Shi Nuannuan lifted the blanket and let her son lie in the middle.

She didn’t know whether she should be grateful for the little guy who suddenly barged in at this moment?

However, her heart suddenly felt empty.

“I’m going to... take a shower.” Xiang Yi took a deep breath, then got off the bed and went to the bathroom.

“Daddy, didn’t you take a shower when you had dinner?”

Looking at Xiang Yi who walked into the bathroom, Xiang Jinghan suddenly asked.

Because when he had dinner, he looked for Daddy. Mommy said that he was taking a shower. Why did he need to take a shower again?

He only needed to take a bath once every night to sleep. DID adults need to take a bath twice?

Hearing his son’s words, Xiang Yi stopped in his tracks. Even Shi Nuannuan felt extremely awkward.

“Because your daddy is hot, he needs to take a bath to cool down!”

Shi Nuannuan and Nuannuan gave her son a random excuse.

Xiang Jinghan let out an “OH”. Although he did not understand, at least he did not continue to ask.

Shi Nuannuan had read many novels, so she naturally knew that Xiang Yi had entered the bathroom to use cold water to wash away the fire in his body. His voice was so hoarse just now, so he definitely wouldn’t be able to wash away the fire without cold water, right?

But it was already autumn now, and he still had to wear a jacket when he went out in the morning. Would he catch a cold if he used cold water like this?

As for Xiang Yi, compared to the fire that couldn’t be lowered, he would rather catch a cold himself and feel more comfortable!

After barely suppressing the fire, Xiang Yi walked out of the bathroom and came to the bed.

The little guy was still awake. He asked curiously, “Daddy, can you make a little sister by lying on Mommy’s body?”

“...”

“...”

His sudden question made the two people on the bed look embarrassed.

“Hanhan, it’s late. It’s time to go to bed,” Shi Nuannuan coaxed him gently.

Xiang Jinghan, on the other hand, was very serious. “Is that so?”

How was she supposed to answer this question.

“Daddy, is it possible to have a little sister just by lying on Mommy’s body?”

The little guy seemed to be very curious about this question as he curled up between the two of them, and he seemed to be unwilling to give up until he got an answer.

Feeling helpless, Xiang Yi could only let out a soft “HMM.”

The next moment, Shi Nuannuan saw her son make a strange gesture.

“What are you doing?”

Glancing at her son who suddenly climbed onto her body and quietly slept on her chest, Shi Nuannuan asked with a blank face.

The little guy opened his eyes and looked up at Shi Nuannuan. “Didn’t Daddy say that you can make a little sister by sleeping on Your Body?”

Then he would sleep on his mommy’s body and see if a little sister would come out to play with him tomorrow morning.

“...”

“PFFT—”

Xiang Yi could not help but laugh.

Shi Nuannuan turned her face and glared at him!

He still had the nerve to laugh! ?

Wasn’t it all because of what he said!

“Daddy, What Are You Laughing At?”

Xiang Yi held back his laughter. Then, he got up and carried the little fellow off her body and stuffed it between them. “This is not how a little sister comes about.”

“Then what is it?”

“Well...” he felt that his son’s problem was more troublesome than those troublesome documents.

“That’s right. Only Daddy and Mommy Can Make a little sister. You Can’t.”

“Then hurry up and make a little sister with Mommy!”

Chapter 1406: you treat me as if I don’t exist

“...”

“Not Now.”

“Why?”

“Because... you’re here, so it’s... inconvenient for us.”

“Then you treat me as if I don’t exist!”

As he said that, the little guy immediately shrank back into the quilt and made himself invisible!

Looking at her son who had shrunk back into the quilt, Shi Nuannuan’s face was full of black lines, and the corners of her mouth could not help but Twitch a few times.

“You already exist. If you want a sister, why don’t you... Go Back to Your Room Now?”Xiang Yi suddenly said casually as he looked at the little guy who was completely hidden under the blanket.

Hearing this, Xiang Jinghan poked his head out from under the blanket and looked at Xiang Yi. His brows were tightly furrowed, as if he was making a very difficult decision.

“Can we not go to our own room?”He wanted to sleep with his daddy and Mommy!

“Sure, let’s Sleep!”Shi Nuannuan suddenly hugged her son and naturally understood Xiang Yi’s thoughts.

If she could rest for a night, it would be better to let her son stay. It would be a great help to her!

Looking at the mother and son who went straight to sleep, Xiang Yi took a deep breath. He only hoped that the fire in his body would completely subside in the middle of the night.

..

Early in the morning, Shi Nuannuan and Xiang Jinghan woke up.

After changing their son into a new set of clothes, the three of them were ready to set off.

Just as they were about to get into the car, Shi Nuannuan’s cell phone rang.

She took out her cell phone and saw that the caller ID was ‘Mommy’.

It was so early. Why would mommy suddenly call her?

“Hello, Mom.”

“Nuannuan, your grandfather is sick. We’re on our way to the hospital now!”Shen Lanzhi sounded a little anxious on the phone.

Hearing her mother’s anxious voice on the phone, Shi Nuannuan was so shocked that her face turned pale. She furrowed her brows and asked, “Grandfather is sick?”

“Yes. Actually, his health wasn’t very good a while ago. When he came downstairs this morning, he fell straight down the stairs!”

“I’ll be there right away!”

Shi Nuannuan made a call in a hurry.

Seeing her sudden change in expression, Xiang Yi, who had just put his suitcase in the trunk, could not help but look at her. "What's Wrong?"

"My grandfather fell ill. I have to go to the hospital!" Shi Nuannuan said anxiously as she looked up at Xiang Yi.

However, if she went, she would definitely not be able to go abroad with him.

Looking at the man in front of her, the anxiety on Shi Nuannuan's face eased up. "I... I Can't go with you."

Xiang Yi was stunned for a few seconds. "Let's go to the hospital first."

As he said that, he carried his son into the car.

Looking at his back view, Shi Nuannuan was still in a daze.

"Aren't you flying later?"

He turned his gaze away. "It's fine. We can change the next flight."

Shi Nuannuan thought that after what happened three years ago, he was more or less holding a grudge against her grandfather. After all, her grandfather had used the lives of his family members to threaten him and even vilified him to the point that he was worthless.

"Why aren't you getting in the car?"

His calm voice rang out as he looked at her in a daze.

Shi Nuannuan came back to her senses. She glanced at him and immediately got into the car!

The car arrived at the hospital. In the corridor, Shi Yuting, Zuo Weiyi, and the others were waiting anxiously.

When Shi Nuannuan arrived, Shi Le was just pushed out of the emergency room.

"How is it?" Rushing over, Shi Nuannuan was still a little breathless. She looked at Zhong Shenghao who came out with Shi Le at the same time.

Meanwhile, Shi Yuting, Shen Lanzhi, and the others were also anxiously waiting for Zhong Shenghao's answer.

"Let's talk after we get to the ward first." Zhong Shenghao glanced at everyone and then pushed Shi Le on the stretcher to the VIP ward.

Chapter 1407: Shi Le fell ill

When they arrived at the ward, Shi Le's vital signs had stabilized.

"It's still the same old problem. As he grows older, his body will gradually weaken. Also, he has too many things to suppress in his heart, which will cause his illness to worsen," Zhong Shenghao looked at the crowd and said.

Shi Yuting could sense from his face that his grandfather's illness should have stabilized.

"How is he now? Is he alright?" Shen Lanzhi couldn't help but ask.

"He's already under control. He just needs to rest more from now on. Also, he needs to rely on drugs to maintain his condition."

"That's right. He's fine now, right?" Zuo Weiyi couldn't help but ask.

"Yes, he's fine for now, but..." Zhong Shenghao wanted to say something but hesitated. He glanced at the people in the ward, "Mr. Shi is old and his body is not as strong as before. Life and death are decided by heaven."

Looking at Zhong Shenghao, everyone understood what he meant.

It was nothing serious at the moment, but with age, everyone had to experience life and death.

"However, Mr. Shi's life is enough." Zhong Shenghao said casually with a faint smile on his face.

As a doctor, he was indeed used to seeing life and death, and Shi Le's life was really perfect.

Hearing his relaxed words, Shi Yuting couldn't help but glance at him. "You sound like my grandfather is going to die?"

"No, I'm just saying that to give you guys a warning," Zhong Shenghao raised his hand and said to Shi Yuting.

At the moment, Old Mister Shi's illness was not a threat to his life. However, the older a person was, the closer he was to death.

"Brother Shenghao, can you not joke around at a time like this?!"

Shi Nuannuan also glared at him angrily.

Zhong Shenghao pursed his lips and spread his hands. "Alright, I'll go out first. Call me if there's anything."

With that, he walked toward the door of the ward.

"When will Grandpa wake up?"

Zuo Weiyi asked as he walked away.

Zhong Shenghao turned around and looked at Shi Le, who was still unconscious on the bed. "It should be later or at noon. Anyway, there's nothing serious now. He'll wake up."

Hearing his words, everyone was relieved.

However, Shen Lanzhi was a little surprised when she saw Xiang Yi standing behind Shi Nuannuan.

“Xiang Yi?”

Hearing this, Xiang Yi and Shi Nuannuan turned their heads at the same time and looked at the surprised Shen Lanzhi.

Meanwhile, Shi Yuting and Zuo Weiyi’s eyes followed Shen Lanzhi’s words and fell on Xiang Yi’s face.

Xiang Yi nodded slightly when he met her surprised eyes and made a gesture of nodding to Shen Lanzhi.

Shen Lanzhi’s gaze turned to her daughter again. What was going on?

Wasn’t Xiang Yi going to marry that Manli? Why was he in the hospital with Nuannuan Now?

Were they back together?

“Madam, long time no see.”

Shen Lanzhi was still a little stunned. Three years ago, he suddenly left, and half a year later, news of his marriage with another woman spread. When he came back, he was back together with Nuannuan. What was going on.

Looking at Xiang Yi, Shen Lanzhi only sighed slightly and did not say anything.

Perhaps they young people all had their own plans. It was better for her not to interfere, so as to avoid being despised by the younger generation.

In the morning, Shi Le was still not awake.

Chapter 1408: do you hate my grandfather?

Under such circumstances, Shi Nuannuan definitely wouldn’t be able to accompany him to country A, so she could only cancel the original plan.

“Hurry up and leave, or else we’ll have to change the flight again.”

Just because he wanted to come to the hospital with her, his flight had already been changed to 10 am. He heard that there was originally an important shareholders’ meeting scheduled for 3 pm. In that case, it might have to be postponed until tomorrow.

“You, are you really not going?” He knew that she had no way of leaving, but he did not want to be separated from her.

Shi Nuannuan looked up at him. “How are we going? is grandfather still lying in the ward and I’m going overseas to have fun?”

Maybe her grandfather did not have any feelings for Xiang Yi, but to her, they were indeed family. No matter what grudges they had in the past, he was still her loving grandfather, so she naturally could not part with him.

In such a situation, even if she really went to country A, she would not have the mood to play.

He glanced at her, and in the end, he could only fly to country a alone.

When he arrived at the entrance of his hospital and got into the car, Shi Nuannuan suddenly called out to him, "Xiang Yi!"

Xiang Yi, who was about to open the car door, paused when he heard her voice. He turned to look at her. "What's Wrong?"

"Do you hate my grandfather?"

He paused. "Why do you ask?"

Shi Nuannuan pursed her lips and her gaze was a little uncertain. "Why? Because he once... After all, he did that to you."

He was silent for a few seconds. He pursed his thin lips and answered briefly, "I understand."

She was a little surprised.

He understood? What did he understand?

"I'm leaving. I'll call you when I get there." As he spoke, he could not help but walk towards her again. Caught off guard, he reached out to grab the back of her head and planted a deep kiss on her pink lips.

After a few seconds, he finally let go of her. "I'll be back soon."

She licked her lower lip, which still had his scent, and nodded. "Okay."

The Black Bentley gradually moved further and further away until she could no longer see his shadow. Only then did Shi Nuannuan turn around and return to the hospital.

When she reached the ward, Shi Le had already woken up.

Seeing that his granddaughter had also come, Shi Le was naturally happy.

Actually, what Zhong Shenghao said was right. Seeing the children and grandchildren surrounding the ward, his life could be considered to be very fulfilling.

It was just that he was still a little worried about nuannuan. Because of a matter that he had taken the liberty of making three years ago, she was still an unmarried mother.

Shi Le did not know that Xiang Yi and Shi Nuannuan were the same thing just now.

At this moment, when he saw his granddaughter walk in, he could not help but feel a little guilty.

"Are you feeling better?" Shi Nuannuan asked as soon as she walked in.

Shi Le leaned against the headboard of the bed and nodded. "I'm fine."

Shi Nuannuan smiled and did not say anything else.

"Uncle!"

In the ward, Xiang Jinghan suddenly looked at Shi Yuting and said.

Shi yuting turned his eyes away and looked at his young face. "HMM?"

“Do you know how to Cook?”

Shi Yuting was stunned by his sudden question. Cook?

“No, why?”

“My Daddy knows how to Cook!”

“...”glancing at his fair face, Shi Yuting was expressionless.

So now he was showing off that his daddy knew how to Cook in front of him?

Although he spoke without fear, Shi Yuting felt like he was being outdone. He suddenly stared at Xiang Jinghan with a serious expression. “You might not know.”

“What?”

“Your Daddy used to be my subordinate.”

“How is that possible? My Daddy is the Big Boss of a big corporation!”Xiang Jinghan obviously didn’t believe it.

Chapter 1409: Shi Yuting’s abnormality

Shi Yuting was speechless, but he felt uncomfortable.

“If you don’t believe me, Ask Your Mommy.”

Xiang Jinghan frowned and turned to look at Shi Nuannuan, as if asking with his eyes, “Is it really like this?”?

Shi Le, who was on the hospital bed, heard something.

He couldn’t help but look at Shi Nuannuan. “Nuannuan, who is the daddy that Hanhan mentioned?”

When Shi Nuannuan heard that, she met his slightly surprised gaze. “I’m with Xiang Yi now.”

When she said that, not only Shi Le, even Shen Lanzhi was a little shocked.

However, compared to Shi Le, the surprise on her face was clearly much lighter.

Shi Le looked at Shi Nuannuan in surprise.

“Isn’t he...”isn’t he going to marry another woman?

“A lot of things have happened in the past three years. I Can’t explain it to you in a short time,”Shi Nuannuan said calmly as she looked at Shi Le who was lying on the bed.

The things that had happened in the past three years could not be explained in a few sentences.

Shi Le glanced at her and could not say anything.

After all, he had already missed out once three years ago. Three years later, he could not lose his granddaughter again.

He nodded. "It's your own business. You should make your own decisions."

Hearing her grandfather's words, Shi Nuannuan felt her heart warm.

The current Xiang Yi was also impeccable to her grandfather, right?

Three years ago, he had nothing. Three years later, he was the CEO of the X · s group!

In the afternoon, Shi Le did not need too many people to stay in the hospital. Shi Yuting and the others also left. Only Zuo Yi stayed behind to chat with him.

Shi Nuannuan didn't drive, so Shi Yuting and his wife sent her to the Jinghai Villa.

The two little guys who were here for the first time also ran up and down curiously.

"Auntie, your home now is so beautiful!" Shi Lian ran into the living room from the back door and just finished admiring the blue sea and blue sky.

On the sofa, Shi Yuting narrowed his eyes slightly and glanced at his daughter. "Lian, come here."

"Daddy!"

Upon hearing his call, Xiao Lian immediately ran over and climbed onto his lap.

"Is our house beautiful or is this place beautiful?"

Shi Lian's fair little face was filled with curiosity as her pair of clear eyes looked at his face. "Both of them are beautiful!"

"Which one is the most beautiful?"

"..."What's wrong with Daddy Today?

Zuo Weiyi, who was standing at the side, couldn't help but look at his face, her brows slightly furrowed.

"I think both of them are the most beautiful!" Shi Lian didn't want to hurt Xiang Jinghan's young heart, so she could only make an evaluation regardless of the level.

However, when Shi Yuting heard his daughter's answer, his handsome face was not very satisfied.

"Shi Yuting, what are you doing?" Looking at the somewhat abnormal him, Zuo Weiyi couldn't help but ask.

Shi Yuting smiled at her affectionately. "Nothing."

However, Zuo Weiyi furrowed her brows and glanced at him suspiciously. In the end, she didn't say anything else.

The sky gradually darkened as night fell.

Looking at the time, Shi Yuting and the others were about to leave as well.

They wanted to stay for dinner, but Shi Yuting refused. He said that they would get together next time when Xiang Yi came back.

They drove away from the Jinghai Villa. It was already 6:10 pm when they arrived at Shi Mansion. The servants had just prepared dinner.

Shen Lanzhi made some soup and porridge and was about to go to the hospital to send it to Shi Le. Zuo Weiyi wanted to say that she would send it to Shi Le later, but was tactfully rejected by Shen Lanzhi.

“It’s okay. I’ve finished eating. You guys have a good meal.”

Chapter 1410: frying eggs without oil

“Why don’t you wait for me for a while? I’ll send you over after eating.” She was, after all, an elder. How could Zuo Weiyi ask her to send her to the hospital while she stayed at home.

However, Shen Lanzhi understood her intentions very well. She smiled gently. “It’s alright. You stay at home and take care of Mo Mo and Lian Lian. Doesn’t mom have a chauffeur to send her? Don’t worry.”

Shen Lanzhi turned around and left Shi mansion.

Zuo Weiyi didn’t say anything else as she watched her leave.

After dinner, she bathed the two babies and played with them for a while. Zuo Weiyi only returned to her room after they fell asleep.

The light was still on when she passed by the study. She didn’t disturb him as she knew he was still busy. She walked straight to the bedroom.

It was getting late, and after playing with her phone for a while, she was ready to fall asleep.

However, when she turned around and looked at the time, it was already ten o’clock. Usually, Shi Yuting would have gone back to his room by this time.

She frowned and thought for a moment before getting off the bed.

When she arrived at the study room, she saw that the light inside was still off.

‘strange, he’s not in the study room. Where did he go?’?

After searching the second floor, she still could not find Shi Yuting. Zuo Weiyi could not help but walk downstairs. Just as she reached the living room, she heard a sound coming from the kitchen. She could vaguely smell... a burnt smell?

Was it her imagination?

Puzzled, Zuo Weiyi walked towards the kitchen.

Just as she reached the door, she saw Shi Yuting’s tall figure standing in front of the kitchen counter. The expression on his face... ugh, it was too complicated!

Looking at the completely black fried egg in the pot, Shi Yuting's face was as black as the bottom of the pot.

"Ah, what is this thing! Isn't it just frying an egg? Is it really that difficult?" Looking at the egg that had completely turned black into charcoal, Shi Yuting's face was filled with frustration!

He even threw the spatula and the frying pan away in a fit of pique!

"Seriously, is it so great that you know how to Cook? You were once my subordinate, so you have to obey me in everything you do? Tsk..."

Staring at the egg that was getting blacker and blacker, Shi Yuting's face was filled with disgust!

The smell of the burnt egg was also getting stronger and stronger.

Finally, Zuo Weiyi, who was standing at the door, couldn't stand it anymore and walked into the kitchen to turn off the gas stove.

Then, she looked at the man. "Can you tell me what on Earth are you doing?"

Glancing at the person who had suddenly appeared, Shi Yuting's expression froze. "Frying eggs."

"PFFT—"

Hearing her laugh, Shi Yuting narrowed his eyes. "What are you laughing at?"

Zuo Weiyi turned around and picked up the burnt eggs from the pan. She threw them into the trash can and then washed the pan clean.

"This is the first time I've seen a pan-fried egg without oil."

"..."should I put oil in first?

After washing it, she turned to look at the man. "Are You Hungry?"

Shi Yuting paused for a moment before opening his thin lips. "No."

She frowned.

Why did he come here to Fry an egg without him?

"Then what are you doing?"

He glanced at her. "Playing."

After saying that, he turned around and walked out of the kitchen.

Zuo Weiyi, on the other hand, stood rooted to the ground and hesitated for a few seconds before coming back to her senses.

She finally understood why Shi Yuting was acting a little strange today.

Back in the master bedroom, Shi Yuting lay on the bed and leaned against the headboard with his arms crossed over his chest. His face, which looked as if it had been cut by a knife, seemed to be deep in thought, as if he was thinking about something.

Zuo Weiyi had just laid down on the bed when he could not help but turn his head around. “So what if you know how to Cook?”

Zuo Weiyi was stunned for a moment. She looked up at him and could not help but laugh.
