

## Kiss Me 1411

Chapter 1411: was a little envious of nuannuan..

“What are you doing? Are you jealous that Xiang Yi knows how to Cook?”

“...”

Shi yuting turned his head in disdain at her question. “I’m so outstanding, I need to be jealous of him.”

She snickered, and Shi Yuting became willful. He was really like a big boy.

She tugged at the blanket and prepared to sleep. “Sigh, it’s so nice to have a husband who knows how to cook. I’m a little envious of Nuannuan...”

Her sudden words filled shi yuting with a sense of defeat!

Envious?

Zuo Weiyi had just laid down when the man’s huge body pressed up against her. His deep and deep voice was extremely magnetic as it rang in her ear. “You’re Envious?”

In an instant, Zuo Weiyi realized that she had said the wrong thing!

Sometimes, one really could not simply provoke a man’s bottom line.

“No, I just feel that having a husband who can cook is more... novel.”

Because very few men could cook!

Sensing that his dangerous aura was getting closer and closer, Zuo Weiyi began to feel nervous.

This man really couldn’t joke at all.

“So you still think that he’s better than me?”

“No, that’s not what I meant...”

“Then what do you mean?”

“I...”

“But it doesn’t matter now, because there’s one thing that I’m definitely better than him.”

“What?”

He smiled wickedly. “Make love.”

“...”

Zuo Weiyi didn’t have time to think before the man’s kiss came over her in an overbearing manner.

After this night, Zuo Weiyi didn’t dare to comment on any other man except him!

Meanwhile, at Jinghai Villa.

Shi Nuannuan, who had just finished her phone call with Xiang Yi, also snuggled up to her son and fell asleep.

The next morning.

Since Dina was in the cafe, Shi Nuannuan didn't get up early as usual. Instead, she only got up at 7:30 to wash up.

After breakfast, she sat in the living room and watched TV with nothing to do.

Not long after she sat down, Xiang Yi called again.

"Have you eaten?" Xiang Yi, who had just finished his meeting, was ready to go back to the hotel to rest.

"Yes, what about you?"

"I'll be at the hotel right away."

"When can you come back?" They had only been apart for one day, but she actually missed him so much.

The corners of his mouth curled up slightly, as if he could feel her missing him. "If nothing unexpected happens, it should be the day after tomorrow."

"Yes," she answered softly.

"Where's Han Han?" It was said that he missed his family even more when he was in a foreign country. At this moment, the people he missed the most were her and his son.

Shi Nuannuan raised her head and glanced at her son who was sitting at the side, studying the model.

"Xiang Jinghan."

The little guy immediately turned his head when he heard Wen Sheng.

"It's Daddy's call."

After hearing that, Xiang Jinghan quickly got up and ran over to take the phone from Shi Nuannuan's hand. "Hello? Daddy!"

"Do you miss me?"

"Yes! When will you be back?"

"The day after tomorrow, What Gift Do you want? Daddy will buy it for you."

"En..."

Xiang Jinghan thought for a long time, but he couldn't think of anything.

Actually, he really had enough toys, and it seemed like he didn't lack anything.

"I can't think of any gift."

"Then Daddy will decide?"

“Okay!”

“Daddy is about to enter the elevator. give mommy the phone.”

Hearing his words, Xiang Jinghan returned the phone to Shi Nuannuan and continued to play on the side.

He took the phone and put it back to his ear. “Hello?”

“I’m about to enter the elevator.”

“Okay, then I’ll hang up.”

“Okay.”

After hanging up the phone, Shi Nuannuan continued to look at the television screen.

After a while, the doorbell of the villa suddenly rang.

Chapter 1412: guests from the villa

Shi Nuannuan was a little surprised by the sudden ringing of the doorbell.

Because so far, no one had come to visit.

Sister Chen walked over and opened the door, only to see a group of strangers standing in front of her.

“Hello.” Looking at sister Chen in front of her, Feng Shunqing spoke in a very harmonious tone.

Compared to him, the other three mother and son looked at the magnificent and luxurious villa with envy.

They had only seen such a house on television. When had they ever seen it with their own eyes.

“What a magnificent house...”

“You are?” Sister Chen glanced at the few people in front of her with their luggage. They seemed to be... from the countryside?

The reason why sister Chen asked this was because she could not think of any friends from the countryside who would be such a distinguished gentleman and Lady.

“Hello, May I know if this is Xiang Yi’s home?”

Sister Chen was stunned for a moment, but her expression was quite gentle. She smiled and said, “Yes, May I know who you are?”

“I’m his uncle.”

Uncle?

“You’re a servant of his house, right?” Looking at sister Chen who was dressed like a servant, although Feng Lulu had never experienced this, she had seen a lot of it on television. With a glance, she could tell that sister Chen was probably a servant here.

Sister Chen nodded, “Yes.”

“Then hurry up and bring us in!” Feng Lulu was a little arrogant, as if she was the master ordering the servants around. She glanced at sister Chen.

As a servant, since sister Chen was the master’s relative, she naturally could not say anything, so she brought them into the courtyard.

After entering the living room, Shi Nuannuan’s gaze had already turned towards the entrance.

“Madam, there are a few guests here. They say that they are... Mister’s uncle.”

After saying that, sister Chen moved aside. Shi Nuannuan immediately saw Feng Shunqing walking out from behind sister Chen, followed by Su Xiuying, Feng Lulu, and their son.

Seeing this family of four, Shi Nuannuan stood up from the sofa. She was a little surprised by their appearance.

When Feng Shunqing saw Shi Nuannuan, the expression on his face froze for a few seconds. The smile on his face was also a little forced.

“Hehe, Nuannuan...”

Back then, because she was Shi Le’s granddaughter, he did not like her very much. If he wanted to defect to her, Feng Shunqing would naturally be a little embarrassed.

Compared to Shi Nuannuan, when she knew that her grandfather had threatened their lives to Xiang Yi, the grudge in her heart was instantly resolved.

She also smiled at Feng Shunqing, but she did not know how to address him.

She remembered that he did not want her to call him Uncle because Xiang Yi’s mother’s death had something to do with her grandfather.

However, since he had investigated the matter three years ago, he should know that her grandfather and Xiang Yi’s mother’s death had nothing to do with it, right?

“Uncle, why are you here?”

Feng Shunqing felt guilty for calling him ‘uncle’. He knew that Nuannuan had forgotten about his past, so she called him ‘uncle’ again.

“Hehe, we’re really sorry for coming over without greeting you.”

Looking at them dragging a few suitcases, Shi Nuannuan felt that they were... moving?

“Sit down first.”

She gestured for him to sit down on the sofa and glanced at the other mother and son.

“Wow, this house is really beautiful. I’ve only seen it on TV...”

Walking into the luxurious living room, Su Xiuying looked around with envy and reached out to touch the high-end furniture in the living room.

“Look at this TV. It’s much bigger than ours!” She turned her head and glanced at her son and daughter.

Chapter 1413: you guys can stay here for now

Feng Lulu raised her eyes and looked around. She did not expect Xiang Yi to live in such a good house. No wonder he left his family three years ago and did not even come home for the New Year.

“Dad, look at your nephew who has been doting on you since he was young. He said he would repay you. Didn’t he immediately forget about you, the uncle who raised him since he was young?”

“Lulu, can’t you keep your mouth shut! ?”

Being glared at by her father, Feng Lulu glanced at him in annoyance and sat down on the sofa!

It didn’t seem like she was a guest here at all. Instead, she acted like a host.

Feng Shunqing was also very helpless towards this daughter of his.

He turned his eyes and looked at Shi Nuannuan again. “Sorry for making a fool of myself.”

Shi Nuannuan pursed her lips and did not say anything.

She had known Feng Lulu’s personality since three years ago.

“It’s like this. At home... Something happened. Because the house was gone and there were no other relatives, we had no choice but to seek refuge with Xiang Yi.”

Hearing this, Shi Nuannuan could not help but be stunned.

The house was gone? How could a perfectly good house be gone?

“How could the house be gone?”

Feng Shunqing looked troubled. The other three mother and son also looked at each other, especially Su Xiuying. Her gaze was so evasive that she did not dare to look at Shi Nuannuan.

However, for a villa as big as Xiang Yi’s house, even if they stayed here, it should not be a problem, right?

There seemed to be a lot of rooms here, and the villa had three floors.

“Um, nuannuan, we don’t have a place to stay now. Can We just stay here?” She had lived for decades, but she had never lived in such a good house.

Shi nuannuan only glanced at Su Xiuying and then looked at Feng Shunqing.

“You really don’t have a place to stay?”

Feng Shunqing knew very well that if he really wanted to seek refuge with his only nephew, he could not hide anything.

“Your aunt, she gambled again and lost all her house as collateral.”

“Hubby!” Su Xiuying felt a little embarrassed after the matter was exposed.

Feng Shunqing glared at her and continued to look at Shi Nuannuan. “Of course, if you feel that it’s inconvenient, we... should leave.”

As she spoke, Feng Shunqing picked up the snakeskin bag again and was about to leave.

“Wait.”

Shi Nuannuan called out to stop him.

They were Xiang Yi’s family. No matter what, since they were here to seek refuge with him, they had to wait for him to return before making a decision.

“You guys can stay here first. He went abroad and will only return the day after tomorrow.”

“Really? We can really stay here?” Upon hearing that they could stay, Su Xiuying was so excited that she went up and grabbed Shi Nuannuan’s arm.

Shi Nuannuan glanced at her, and then her gaze fell on the arm she was holding.

Su Xiuying quickly let go and chuckled.

“You guys take a seat first. I’ll go and give him a call.” As she spoke, she turned around and instructed sister Chen, “Sister Chen, bring a few cups of tea over. Prepare more for lunch.”

“Okay.” Sister Chen nodded and left.

Feng Shunqing looked at nuannuan and nodded as well. “Thank you, sorry for the trouble.”

Shi Nuannuan smiled. “It’s alright.”

With that, she turned around and left.

She walked to the side hall and called Xiang Yi.

The phone rang for a long time but no one picked up. Shi Nuannuan could not help but frown.

Just as she was about to hang up, the call was picked up.

“Hello?” Just as Shi Nuannuan was about to speak, a woman’s voice sounded from the other end.

#### **Chapter 1414: I am the wife of your CEO!**

She was a little stunned. She looked at the contact number on her phone again. Could it be that she had dialed the wrong number?

That’s right, it was Xiang Yi’s number.

However, why was it a woman's voice on the other end of the phone?

"Hello?" Seeing that the phone was picked up but there was no sound for a long time, Qian mo could not help but call out softly again.

Shi Nuannuan came back to her senses. When she heard the woman's voice from the other end, her heart suddenly thumped.

Although she had seen this Qian mo before, she still could not recognize her voice through the phone. She could not help but ask, "Who are you?"

She had just gotten off the phone with Xiang Yi more than ten minutes ago. If she remembered correctly, shouldn't he be at the hotel right now?

Since he was at the hotel, how could the person who answered the phone be a woman? Could it be that there was a woman hiding in his room?

Just as she was thinking about it, a soft voice sounded from the phone, "I'm Xiang's secretary. He has something on and can't pick up the phone right now. May I know who you are?"

The Caller ID was 'Nuannuan', and the Secretary did not know Shi Nuannuan's name.

As a secretary, she was not qualified to answer the phone for her boss. However, when she heard the urgent ringtone and did not hang up, she could not help but pick up the phone on the coffee table.

Xiang Yi's secretary?

Shi Nuannuan frowned and suddenly recalled the plot that only existed in TV dramas and novels.

It was said that most secretaries were the boss's lover. Could it be that Xiang Yi was the same?

She narrowed her eyes suspiciously, but she could not see what was happening in Xiang Yi's hotel room.

"I am the wife of your CEO!"

Hearing this, Qian Mo was stunned.

President's wife?

When did the boss Get Married?

And her name was nuannuan. Could she be that Miss Shi from last time, President Xiang's fiancée?

With this thought, secretary Qian Mo understood.

"You said that it's inconvenient for him to pick up the phone, so what is he doing now?" This was not a question, but a question!

The Secretary raised her head and looked in the direction of the bathroom in the presidential suite.

"Uh, Xiang is taking a shower."

At this moment, the froth on her face did not seem to notice that Shi Nuannuan's tone was filled with a strong sense of jealousy as she stared blankly in the direction of the bathroom.

However, when Shi Nuannuan heard this, she was completely enraged!

Taking a shower! ?

So now, not only was there a woman in his room, but at this moment, he was actually still taking a shower! ?

Why was he taking a shower in broad daylight when he was perfectly fine! ?

Shi Nuannuan's heart rose and fell rapidly. A strong sense of jealousy welled up in her heart, and with a 'Pa', she hung up the phone!

The secretary, Qian Mo, was a little stunned. She stared blankly at the phone for a few seconds.

The next moment, she heard the bathroom door in the bedroom open. Xiang Yi walked out neatly dressed.

When he walked to the outer hall, he saw Qian mo holding his phone. His brows furrowed slightly.

"What are you doing?"

There was a hint of indifference and coldness in his voice, because he did not like others to touch his personal belongings.

Qian Mo was the secretary that he had picked out from a long line of people. In terms of ability and work efficiency, she was absolutely impeccable. But even so, it did not mean that she could touch his things as she pleased.

When she met his malicious gaze, Qian Mo was stunned for a moment. As if she had sensed his displeasure, she quickly returned the phone to him and handed it over with both hands. "Uh, your phone kept ringing just now. I thought it was an urgent matter, so I answered it."

Even though she had good intentions, Xiang Yi's expression did not change. Instead, he said in a deep voice, "Just do your job well in the future."

The Secretary, Qianmo, pursed her lips and nodded slightly. "Yes."

### **Chapter 1415: anger and jealousy**

He took the phone and asked casually. At the same time, he flipped through the phone records. "Who called?"

"The other party said it was your wife."

Hearing this, Xiang Yi paused in his action of flipping through the phone list. He looked up at the secretary and immediately lowered his head. The corners of his mouth unconsciously curved up slightly.

In the next moment, he walked to the window and dialed the number back.

Shi Nuannuan was still standing in the side hall. She was so angry that her chest was heaving up and down rapidly. It was as if her nostrils were filled with anger!

There was actually a mistress in a golden house!

It was said that the secretary was the boss's lover. Was there really nothing wrong with that? ?

Just as she was thinking, her phone suddenly rang.

She raised her hand and saw the familiar name. However, she was so angry that she pressed the 'reject' button!

Hearing the busy tone from the phone, Xiang Yi paused for a moment. Then, he frowned slightly as if he was thinking about something.

Then, he turned around and looked at his secretary, Qian Mo, who was still waiting at the side.

"What did you say just now?"

Hearing the questioning tone of the boss, the secretary was stunned for a moment and looked a little innocent. "I didn't say that. It's just that Madam asked what you were doing. I told you that you were in the shower and it was inconvenient for you to answer the phone."

Uh, as soon as he said that, the secretary seemed to be able to tell that these words seemed to be too... ambiguous?

Xiang Yi also seemed to have realized why Nuannuan did not pick up his call.

He dialed the number again, but the line was still hung up!

Hang up! Hang up! Hang up!

After five calls, Xiang Yi did not have much time left. The reason why the secretary was here was because he thought that he had to meet an important client in a while.

"President Xiang, is Madam Angry?"

Seeing that he kept dialing the number and recalling how the President's wife had hung up on him, the secretary, Qian Mo, seemed to have realized that madam might be angry!

Xiang Yi looked up at her and said, "It's fine. Is president Huo from KM group here?"

"We'll arrive in city A in ten minutes."

"Then let's go over first."

"Okay!"

The two of them left the hotel together.

At this moment, Shi Nuannuan, who was still in the side hall, did not continue to ring. The jealousy in her heart suddenly intensified!

Damn Xiang Yi, he actually stopped calling?

She stomped her feet in anger, but she also hated herself a little.

He was clearly jealous and angry, couldn't he just answer the phone and ask clearly?

Ah!!!

“Mommy, what are you doing?”

Suddenly, a petite figure stood at the door of the side hall. Shi Nuannuan turned her head when she heard the sound and saw Xiang Jinghan standing there.

Xiang Jinghan saw his mommy standing there as soon as he walked over. He stomped his feet and looked at his phone in annoyance, not knowing what she was doing.

Shi Nuannuan glanced at her son and walked over immediately. “It’s nothing.”

“Mommy, there seem to be a lot of people at home. Who are they?”

“They’re your Daddy’s relatives. For some reason, they might be staying here temporarily.”

“OH.”

Holding her son’s hand as they walked out of the side hall, Shi Nuannuan looked at Feng Shunqing who was sitting on the sofa. However, Su Xiuying and Feng Boyu’s shadows seemed to be missing from the living room.

Feng Shunqing had noticed the little guy when he ran downstairs just now.

This little boy was simply a replica of Xiang Yi when he was young.

“Nuannuan, this is...”although she already had the answer in her heart, Feng Shunqing still found it hard to believe.

In the past few years, Xiang Yi had called occasionally to greet him, but he had never mentioned that he had a son. He had never even mentioned marriage.

#### **Chapter 1416: This Hand was broken because of him!**

“Xiang Jinghan, two and a half years old.”

“Call me uncle.”Shi Nuannuan looked at her son.

Xiang Jinghan’s clear eyes swept across Feng Shunqing and Feng Lulu who were on the sofa.

“Uncle.”

“Hey, good boy!”

“And this...”Shi Nuannuan’s gaze landed on Feng Lulu’s face. Although it had a bad influence on her, she still had to be polite in educating her son. “Cousin.”

Xiang Jinghan glanced at Feng Lulu but didn’t say anything. Instead, he ran to his small sports car. “I’m going to play with the sports car!”

As he said that, he let go of Shi Nuannuan’s hand and climbed into his sports car, galloping in the huge living room!

Looking at her son, Shi Nuannuan was still a little stunned.

Usually, when he asked her to call for help, he was very obedient. What was going on today?

Feng Lulu, who was sitting on the sofa, could not help but cast a sidelong glance at him when she saw such an impolite child. Then, she sat leisurely on the sofa.

Feng Shunqing withdrew his gaze from Xiang Jinghan and turned to look at Shi Nuannuan. "Nuannuan, did you call Xiang Yi?"

Before he came, he had called him, but his phone had been switched off.

Shi Nuannuan was stunned by his question. Her chest felt a little stuffy again.

But on the surface, she still smiled at Feng Shunqing. After all, she did not hate him.

"I've called him, but he doesn't seem to be able to pick up the phone right now. He might be in a meeting." She randomly found an excuse. It was indeed 'not convenient' to pick up the phone, but it should not be in a meeting!

Feng Shunqing was delighted when she heard that. "Is he in a meeting overseas?"

"Yes." She nodded.

Feng Shunqing smiled. "Is that so? Then his business is quite big, isn't it?"

"Yes, it's okay."

"Good, good." Feng Shunqing was very happy for him to see his achievements today.

"But it doesn't matter. You guys can settle down first. You can make a decision when he comes back," she said with a smile. She didn't want Feng Shunqing to have any knot in her heart.

She knew that his broken arm was because of Xiang Yi.

So no matter what, he was both Xiang Yi's family and his benefactor. And as his wife, she had no reason to reject them.

But just as she said that, Feng Lulu, who was sitting on the sofa, suddenly spoke with a cold face, "What decision? When he had nothing, our family supported him and raised him. Now that he has risen in the world, shouldn't we naturally repay him? If it wasn't for saving him when he was young, my father's hand wouldn't have broken, and our family wouldn't have ended up like this!"

Feng Lulu attributed all of this to Xiang Yi!

"Lulu, shut up!" Looking at her unreasonable daughter, Feng Shunqing shouted!

Feng Lulu was not convinced. "I'm telling the truth! If it wasn't for saving him, your hand wouldn't have broken!"

"Say It Again!" Feng Shunqing was so angry that she stood up and was about to slap her daughter's face.

At this moment, a cracking sound was heard.

“Bang!”

Feng Shunqing’s raised hand stopped following the sudden sound. She raised her head to look at the source of the sound.

Shi Nuannuan was also stunned. She turned to look in the direction of the dining room because the sound came from there.

Feng Shunqing seemed to have realized something. She was shocked and quickly stood up to walk over!

As soon as she entered the dining room, she saw Su Xiuying standing there and sister Chen rushing out from the kitchen when she heard the sound.

“This...”

### **Chapter 1417: do you have the right to speak here?**

“What the hell are you doing! ?”

Looking at the broken things on the ground and then looking at his wife who was standing there at a loss, Feng Shunqing was so angry that she roared at her!

“I... I just wanted to look at that crystal bottle, but who knew that my hand would suddenly slip...”

“You, you are so greedy that you want to take everything for yourself, aren’t you! ?” Feng Shunqing was so angry that her face was red, and she wanted to slap her!

Su Xiuying could not bear his anger. “I didn’t!”

Behind her, Shi Nuannuan also walked over. She saw a broken crystal bottle on the ground. It must have fallen from the shelf.

“Oh my God, Sir brought this crystal bottle back from abroad. We’re usually very careful when we clean it...”

A servant walked over and saw the broken crystal bottle. She was so scared that her face turned pale.

Feng Shunqing felt even worse after hearing what the servant said.

He was different from Su Xiuying. He had come to seek refuge with Xiang Yi as a last resort. He did not want to give him any trouble.

Since he had brought it back from abroad, the price must be quite high.

He had only been here for a short while, and he had already broken such a valuable item.

However, facing the tone of the servant, Feng Lulu was not happy. She crossed her arms and glanced at the servant, “Isn’t it just a bottle? Why are you making such a fuss! ? As a servant, you really don’t have any rules. Do you have the right to speak here! ?”

Although she had never been a master or lived in a mansion, she had watched a lot of television.

“What’s wrong with the qualifications I gave her?” Looking at Feng Lulu’s arrogant and despotic manner, Shi Nuannuan looked away and said casually.

Feng Lulu paused and was somewhat speechless.

She glanced coldly at Shi Nuannuan and grumbled unhappily, “Tsk, I’m only able to live in such a good house because of Xiang Yi. What’s there to be proud of!”

Shi Nuannuan could not be bothered.

“Nuannuan, look at this...” Feng Shunqing looked at Shi Nuannuan with some embarrassment. If this vase was really expensive, he believed that they would not be able to afford it.

“Forget it, it’s just a vase. Xiang Yi won’t say anything.”

Feng Shunqing nodded. He really did not know what to say. He even felt that coming here might have been a wrong decision.

But other than Xiang Yi, who else could he turn to?

The little money he had left was also used to pay for the journey here. Up until now, they didn’t even have the money to eat, let alone compensate the vase.

“TCH, you really think you’re the Queen...”

“Feng Lulu, if you say one more word, get lost! !” Hearing his daughter’s muttering, Feng Shunqing couldn’t bear it anymore!

Being yelled at by her father, Feng Lulu could only stamp her feet and grit her teeth. She turned around and walked towards the living room. She sat down on the sofa and didn’t feel that she was a guest at all!

“Hey, cousin-in-law, your car outside... can you lend it to me to drive?”

At this moment, Feng Boyu walked in. When he entered the door, he saw a red sports car parked in the courtyard. He had checked and it was a global limited edition car!

Looking at Feng Boyu who suddenly rushed in, Shi Nuannuan looked at him coldly and did not speak.

“You guys are really like mother and Son!” Looking at his son who rushed in, just like his mother, who only knew how to covet these extravagant things, Feng Shunqing was very angry. He turned his head and looked at Shi Nuannuan, “Nuannuan, you don’t have to pay attention to him!”

Shi Nuannuan did not intend to pay attention to him either.

#### **Chapter 1418: was hit by his small sports car**

At this moment, sister Chen could not help but say, “Madam, it’s time to eat.”

Shi Nuannuan turned her head and looked at sister Chen. “Okay.”

Then, she turned to look at Feng Shunqing. “Let’s eat first.”

“Okay.” Feng Shunqing nodded. At the same time, she heaved a sigh of relief in her heart.

Perhaps if it were any other woman, they would not receive a family like this.

She sat down at the huge dining table and looked at the table full of good dishes. They were all beautiful, fragrant, and delicious!

“Wow, so many delicious dishes. They look just like the dishes in the big restaurants on TV!” Su Xiuying was not polite at all. She ate with relish as if she was afraid that the dishes would run out, she picked up many dishes at once and placed them in a bowl.

Looking at his wife like this, Feng Shunqing sighed heavily. It was not appropriate for her to say anything.

However, Su Xiuying still met his gaze that was filled with disdain.

“What’s wrong? I just think that the dishes are delicious...”

Feng Shunqing glared at her and did not say anything else.

Shi Nuannuan instructed sister Chen, “Sister Chen, go to the third floor and tidy up three guest rooms.”

“Alright.”

Sister Chen nodded and left.

Shi Nuannuan glanced at Feng Shunqing and smiled. She then turned around and continued feeding her son.

After lunch, sister Chen’s room was also cleaned up.

Shi Nuannuan asked them to put their luggage inside.

It was the first time Su Xiuying was living in such a good house. She was extremely excited!

“Oh my God! I’ve lived for decades and I’ve never lived in such a good house. I’ve never slept in such a comfortable bed! Hubby, we’re living in a villa now. A Villa!”

Looking at his wife who was so excited that she didn’t know what to do, Feng Shunqing only glanced at her coldly and didn’t reply.

Feng Lulu, who had also entered the room, saw this luxurious room. Even if it was a guest room, it was the same as a room in a big hotel. To her, this was simply an irresistible temptation!

She really wanted to have a room like this that was completely hers!

Next to her, Feng Boyu, who had entered the room, looked around and admired the room. “It would be great if I could stay here forever.”

After tidying up her things, Feng Lulu took the lead and walked down.

When she looked down from the window on the third floor, she noticed that there was a swimming pool in the backyard, and the scenery was extremely beautiful.

“Ah!”

As she walked down the stairs, her line of sight was anxiously looking for the back door, so she didn't see Xiang Jinghan, who was playing in the living room.

Xiang Jinghan's small sports car was too fast, and it directly knocked her down, causing her to sit on the ground.

Feng Lulu stared at the culprit who knocked her down. Because she wasn't called out just now, she didn't have a good impression of Xiang Jinghan.

Together, she raised her leg and kicked at the small sports car!

She was a little too strong, and directly kicked the small sports car over. In the next moment, Xiang Jinghan's entire body slid out along with the overturned car, and the back of his head hit the floor.

The pain made him frown. "AH... It Hurts."

Feng Lulu got up from the ground and patted her butt. Perhaps because he didn't cry very loudly, Feng Lulu thought he was just putting on an act. She turned around and walked to the pool at the back of the villa.

"Mommy..."

"Ah! Young Master!"

Sister Chen heard the voice and ran to the living room. When she saw Xiang Jinghan being crushed by the small car, she was so scared that her face turned pale. She quickly ran over!

"If you need anything else, just ask me. You're welcome."

At this moment, Shi Nuannuan and Feng Shunqing went upstairs.

#### **Chapter 1419: it was just a toy car!**

"Young master, What's Wrong With You?" Sister Chen looked anxious. She quickly helped the car up and then helped Xiang Jinghan up.

Hearing the sound, Shi Nuannuan also looked down the stairs and saw her son who had fallen to the ground. She was so scared that she rushed down the stairs!

"Hanhan!"

"Mommy, My Head Hurts..."

Xiang Jinghan frowned and reached out to touch the back of his head.

Seeing this, Shi Nuannuan quickly followed the position of his hand. Just as her hand touched that spot, her dark black pupils suddenly widened.

It was actually a big bump!

"What happened? How did you fall?"

Although she was only two and a half years old, it was impossible for a normal car to fall for no reason.

“It’s my cousin, she kicked me...”

Hearing this, Shi Nuannuan was stunned.

Cousin? Feng Lulu! ?

Feng Shunqing heard this too and believed that children would not lie!

He was so angry that he looked around for his daughter. They had just arrived here and the mother and daughter were already causing trouble for him. He did not think that his family was now living under someone else’s roof!

“Lulu!”

He couldn’t see his daughter’s figure, so he could only shout.

Feng Lulu, who had just walked to the pool, looked at the Magnificent Sea View. Before she could finish admiring it, she heard her father’s voice coming from the house.

Her face fell. It must be because of that little guy!

“What are you doing?”

When she walked in and saw her father, she was still calm and composed.

“You, you did a good thing! Why did you bully Hanhan all of a sudden! ?”

Feng Lulu was naturally unwilling to be yelled at by her father. She even felt wronged!

“When did I bully him! ? He was clearly the one who deliberately drove the car and hit me. I even fell down after being hit by him!”

Faced with her daughter’s unreasonable arguments, Feng Shunqing was so angry that she could not catch her breath. Her face was ashen!

“How can you be hit by a toy car! ?”

“Dad! Why do you always surround their family! ? I’m your biological daughter, why do you always help Shi Nuannuan! ?”Feng Lulu felt that she had been wronged.

“Pa!”

Just as she finished speaking, Feng Shunqing slapped her hard on the cheek, leaving her dumbfounded!

“Dad, you hit me again?”

He had never hit her since he was young, but ever since Shi Nuannuan appeared, he had actually hit her twice!

“Lulu, do you understand our current situation! ? Hanghan is only two and a half years old, so what if you were hit by a toy car? Do you have to kick over his car? He is still a child, a child, do you understand! ?”

"I only kicked his car, I didn't kick him!" She thought that Xiang Jinghan must be pretending to be pitiful, wanting her father to teach her a lesson!

Just as she finished her sentence, Shi Nuannuan stood up from the ground, her sharp eyes coldly sweeping across Feng Lulu's face.

"If you dare to be presumptuous in my house again, get lost! !"

With that, she walked to the coffee table, picked up the phone, and dialed Zhong Shenghao's number.

After hanging up the phone, she carried her son upstairs. She didn't want to bother with this family anymore!

She had already done her favor. If even her son was going to be hurt, what was she going to do! Do whatever you want!

Half an hour later, Zhong Shenghao arrived at Jinghai Villa. When he saw Feng Shunqing's family, he was also a little surprised.

After nodding slightly, he walked to the second floor.

Feng Shunqing, who was worried about Han Han, couldn't help but go to the master bedroom, hoping that he was okay.

#### **Chapter 1420: hated her!**

"It's nothing. Put some on him. The swelling should go down tomorrow."

After saying that, Zhong Shenghao applied some medicine on Xiang Jinghan's swollen area. Then, he stood up and prepared to leave.

"Doctor, are you really okay?" Looking at him, Feng Shunqing couldn't help but ask.

He was really worried that if something happened to Han Han, how would he face Xiang Yi?

Zhong Shenghao smiled at him. "I'm fine."

Seeing that her son was fine, Shi Nuannuan was relieved.

She stood up and looked at Zhong Shenghao, then at Feng Shunqing, then introduced, "He's Xiang Yi's uncle."

Hearing that, Zhong Shenghao nodded. "Hello, I'm... Nuannuan and Xiang Yi's friend."

As he said that, he reached out his hand to Feng Shunqing.

Looking at the hand reaching out, Feng Shunqing hurriedly wiped her hands on her body. These young people all looked like sons of wealthy families. They were dressed and spoke very gentlemanly.

"Hello."

"If there's nothing else, I'll take my leave first. The hospital is still very busy."

“Alright, I’ll send you off!” Knowing that he was busy, Shi Nuannuan did not say anything else and sent him off.

Just as she reached the stairs, she saw Feng Lulu who had also come out. Feng Lulu first glared at Shi Nuannuan, then her gaze unintentionally landed on Zhong Shenghao’s face. She was suddenly stunned, and her chest was trembling.

This man... was so handsome.

Zhong Shenghao nodded at her and did not look at her. Then, he walked downstairs.

“Don’t send me off. I’m not an important guest.”

He turned around and signaled Shi Nuannuan to stop sending him off and go up to take care of Hanhan.

Thinking of her son who was still in the bedroom, Shi Nuannuan stopped sending him off.

When she turned around, she glanced at Feng Lulu, who was still in a daze, and then walked toward the master bedroom.

“Nuannuan, I’m really sorry,” Feng Shunqing said with an unspeakable guilt in his heart.

Shi Nuannuan seemed to understand his intentions as well. He was the only sensible person in this family.

“It’s okay. As long as Hanhan is fine.”

That was definitely what she said on the surface. She only said it to make Feng Shunqing feel better. There was no need for her to feel guilty over this matter.

However, in her heart, she was still a little angry at Feng Lulu.

She really could not understand why there were people like her in this world. Her family background was not very good, but her personality was like an arrogant and disrespectful young lady. She was arrogant!

Feng Shunqing did not know what to say either. She lowered her head.

“Uncle, I’m going to take care of Hanhan. If you need anything, look for sister Chen. Here, just treat it as your own home.” Only to him would she say this.

As for the other mother and son, the moment she said this, they would really treat this place as their own home!

“You go ahead. I don’t need anything now.”

Shi Nuannuan pursed her lips. “Then you rest for a while. I’m going back to my room.”

“Okay.”

Shi Nuannuan turned around and returned to her room.

Seeing her son sitting on the sofa, she walked over and looked at the back of his head. “Does it still hurt?”

“A little.”

Xiang Jinghan raised his head and looked at her, his thick and curly eyelashes blinking. “Mommy, that cousin is so annoying! I don’t like her!”

“Just because she kicked your car over?”

“En...”Xiang Jinghan shook his head. “Not really. I just don’t like her. She looks too annoying and fun!”

It seemed that in this aspect, her son still followed her lead! There was no reason to hate and like a person!
