

Kiss Me 1451

Chapter 1451: Xiang Jinghan was beaten up

“Feng Lulu! !!”

Feeling the burning pain on his cheek, Xiang Jinghan still tried to hold it in. He didn't want to cry in front of this bad woman.

But when he turned his head and saw that Shi Nuannuan had suddenly returned and was warm, he couldn't hold back his sobs anymore. He started to Cry!

“Mommy... sob...”

From the moment he was born, which one of them had not held him in their hands and doted on him? This was the first time he had received a slap, and it was both fierce and heavy. Up until now, he still felt that his face was numb!

Shi Nuannuan walked over and saw the few fingerprints on her son's face clearly visible. It was a shocking sight!

She was so angry that she turned around and slapped Feng Lulu hard on the face!

“Pa! !”

Feng Lulu covered her face that was slapped and her eyes widened.

“You, you actually dared to hit me?”

“My son, since when is it your turn to teach me a lesson! ?” Shi Nuannuan was furious. She did not even have time to feel pain for her son, yet he was actually hit by an outsider!

“You!”

After being slapped, Feng Lulu naturally did not want to be outdone. She raised her hand and was about to slap Shi Nuannuan!

Shi Nuannuan was a quick-sighted person. How could someone like Feng Lulu be her match? In the next second, she grabbed her raised hand!

“Didn't I tell you? If you dare to bully my son again, get lost! !”

When she said this, Feng Lulu sneered.

“Ha! What right do you have to tell me to get lost? No matter what, we are Xiang Yi's family. What do you think you are?”

Shi Nuannuan narrowed her eyes. “What did you say?”

“I asked before. You brought your child to live in this villa some time ago, right?”? A woman who was not even married actually gave birth to a child out of wedlock and lived in a man's house for no reason.

At the end of the day, you are just a shameless and shameless woman! What right do you have to give orders here! ?”

Hearing her words, Shi Nuannuan’s chest rose and fell rapidly.

So what if she wasn’t married? She had the right to give orders!

Shi Nuannuan was about to do something, but in the next moment, Feng Lulu in front of her was suddenly dragged away!

“What are you doing! ? Let Go of me!”

Turning her head, she saw Xiang Yi who had suddenly appeared dragging Feng Lulu towards the main door!

Feng Lulu came back to her senses. It was the first time she saw his cold expression. She could not help but feel a little afraid.

They were homeless now. If they left, where else could they go?

She did not want to sleep on the streets!

For the first time, Feng Lulu changed her words to Xiang Yi.

“Cousin, what, what are you doing! ?”

Not far away, Feng Shunqing saw her daughter being dragged towards the door. She could not help but feel worried. She wanted to speak, but she knew that her daughter had completely angered Xiang Yi.

It was all his fault that his daughter had been spoiled by his wife all these years. She always did everything without thinking!

Xiang Yi’s face was cold, and his anger was clearly visible!

He dragged Feng Lulu to the door, threw her to the ground, and slammed the door shut!

“No one is allowed to open the door for her.”

Turning around and entering the house, he glanced coldly at the servants in the living room, Feng Shunqing, and Su Xiuying who had just woken up and come downstairs.

“Haya...”she raised her hand and stretched lazily as she walked down the stairs. “What are you making so much noise for? It’s early in the morning.”

As soon as she came downstairs, she saw Xiang Yi and Shi Nuannuan coming back.

Su Xiuying immediately woke up when she met Xiang Yi’s cold eyes. She also felt that the atmosphere was not right.

She glanced at Xiang Jinghan, who was still crying.

Chapter 1452: Baby, I’m sorry

What happened?

“Cousin, I was wrong. Open the door, open the door! Dad!”

Feng Lulu’s knocking came from outside the door. She didn’t want to be locked outside the door all the time, and it was almost lunchtime.

Hearing her daughter’s voice from outside the door, Su Xiuying, who hadn’t figured out the situation, couldn’t help but walk down the stairs, wanting to open the door for her daughter.

However, when she walked into the living room, she realized that everyone was just standing there quietly. Everyone had heard the knocking on the door, but no one seemed to dare to open the door.

Su Xiuying’s heart skipped a beat. When she turned around, she saw Xiang Yi’s cold and heartless face.

What was going on? What exactly happened.

“Mommy, it hurts...”

“Han Han, be good.”

Carrying her son, Shi Nuannuan walked towards the second floor.

Xiang Yi walked towards the kitchen and came out with an ice pack in his hand as he walked towards the second floor.

Seeing that both husband and wife had gone upstairs, Su Xiuying turned around to look at her husband.

“Hubby, what exactly happened?”

“Dad... Open the door for me! I don’t want to stay outside!”

Feng Lulu’s voice came from outside the door again. Su Xiuying heard it and couldn’t help but look in the direction of the second floor.

Seeing that Xiang Yi was no longer there, she was ready to walk to the entrance and open the door.

“Xiang Yi said that no one is allowed to open the door!”

Looking at his wife’s back, Feng Shunqing spoke.

Perhaps she really should let her daughter suffer and learn a lesson!

Hearing her husband’s words, Su Xiuying hurriedly stopped and didn’t dare to open the door.

...

In the bedroom on the second floor.

Shi Nuannuan was using an ice pack to cover her son’s face. The red and swollen fingerprints made her heart ache.

Not long after, sister Chen also sent two boiled eggs up.

Because she had asked her to take good care of the young master on the phone, now that she saw the young master get slapped, sister Chen felt very guilty.

“Madam, I’m very sorry.”

At that time, she was busy in the kitchen, and the noise was quite loud. It took her quite a while to hear the argument in the living room. When she walked out, it was already too late to stop Feng Lulu’s action.

Shi Nuannuan took the peeled egg from sister Chen. “It’s okay.”

“Ah, it hurts.” Xiang Jinghan frowned in pain as soon as the egg touched his face.

That slap was really ruthless and accurate. Sister Chen, who was at the side, felt her heart ache when she saw it, but she couldn’t stay here forever. She took a glance at Xiang Jinghan and retreated.

After applying it for a while, the finger marks on the little guy’s face only faded a little, but they could still be seen.

“Does it still hurt?”

The little guy raised his head. Although it still hurt a little, he shook his head. “It doesn’t hurt that much anymore.”

Only then did Shi Nuannuan put down the egg and look at her son’s face again.

“Baby, I’m sorry.”

“Why did Mommy Say Sorry?”

“Because Mommy wasn’t around, that’s why you got beaten up.”

“It’s okay. Didn’t Mommy Beat You Back? And Daddy also locked her out!”

Shi Nuannuan still felt a little guilty. No matter what she did after that, her son still got beaten up.

She had always treasured her son. If he fell, her heart would ache to death. Yet, he was actually beaten up by someone!

“This Feng Lulu really doesn’t know what’s good for her!”

“Mommy, will they stay in our house for a long time?”

Shi Nuannuan was stunned by her son’s question. She could not help but raise her head to look at Xiang Yi.

She also did not know how he would settle down her uncle’s family.

It was not that she was petty. After this incident, she did not want Feng Lulu to continue staying here. It did not matter even if she bought them a new house.

Chapter 1453: you can stay outside the door with her

She did not want to see her son get hurt again. If there was a next time, she might not only slap him, she might even take a knife!

Looking at his son, Xiang Yi smiled gently. “It won’t be long!”

Hearing his words, Shi Nuannuan seemed to understand his decision.

Not long after, sister Chen came up.

“Sir, Madam, it’s time to eat.”

“Hanhan, let’s go downstairs and eat!”

Shi Nuannuan held her son’s hand and went downstairs.

Lunch was being served on the dining table.

However, from time to time, the sound of Feng Lulu knocking on the door could be heard from outside.

“Dad, Mom... Open the door for me!”

Through the window, she could smell the fragrance of the food.

Because she had woken up late in the morning, she had not even eaten breakfast. At this moment, she could not help but feel so hungry that her chest was pressed against her back.

Su Xiuying had always doted on her children. Now that she heard her daughter’s voice, she naturally hoped that Xiang Yi would let her in because she did not want to see her daughter starving outside the door.

“That, Xiang Yi...”

Normally, if she was at home, she might not be so humble. But now that she was under someone else’s roof, she naturally did not dare to be arrogant anymore.

Xiang Yi ate his meal calmly and ignored su xiuying.

Su Xiuying glanced at him and also heard Feng Shunqing tell her what happened.

“Lulu knows she’s wrong. Can you let her in to eat? She... she hasn’t eaten in the morning.”

Xiang Yi finally raised his eyes and glanced at Su Xiuying coldly. “You can stay outside with her.”

”...”Su Xiuying was stunned.

In the next moment, she didn’t dare to say anything more and quickly lowered her head to eat.

Feng Shunqing didn’t say anything. Although she felt sorry for her daughter, she also hoped that she could learn from this lesson and let her daughter grow up a little.

After breakfast, Xiang Yi had to go to the company to deal with some matters.

The door was opened. Feng Lulu thought that Xiang Yi wanted her to enter the house, so she couldn’t help but stand up straight.

However, what she saw was Xiang Yi’s cold and emotionless face.

“Cousin, I was really wrong...”

Xiang Yi glanced at her, then passed her and drove away.

Seeing that his car had disappeared, Feng Lulu hurriedly turned around and pushed the door, but the door still could not be opened.

“Dad, Mom! Open the door for me!” She was really starving to death!

Boom!

Suddenly, a thunder flashed across the sky, scaring Feng Lulu so much that her whole body trembled!

Very soon, a bean-sized rainstorm poured down. Although there was still a place to hide from the rain in the corridor, the wind still blew the rain to the door. In an instant, the thin clothes on her body were wet.

The weather in October was already a bit cold. Being wet by the rain, Feng Lulu immediately felt a bit cold.

Inside the house, looking at the sudden storm, Su Xiuying became even more worried.

However, when she thought about the possibility of her staying outside together, she did not dare to open the door for her daughter. She could only turn her head and look at Shi Nuannuan who was on the sofa.

“Nuannuan...”

Shi Nuannuan raised her eyes and glanced at her coldly.

“Um, I know Lulu got cold, but you’ve already punished her. Can you let her in? It’s still raining outside...”

“Do you feel sorry for her?”

Su Xiuying nodded.

“What about my son? He’s only two and a half years old!”

Feeling her anger, Su Xiuying knew that she was still angry.

“I know. I promise that Lulu will never bully Hanhan again. Can you let her off this time?”

“There’s no future.”

She believed that in these two days, Xiang Yi might find a new house for them.

Chapter 1454: can not kick US out

When Su Xiuying heard this, she mistakenly thought that she wanted to kick their family out. Her face could not help but change!

“Nuannuan, I, I know Lulu offended you, but... but you can’t kick US OUT!” Su Xiuying’s face was full of tears. She almost knelt down to Shi Nuannuan and continued, “Although Xiang Yi wasn’t born by us, he was still considered to be raised by us. Besides, his uncle... if it wasn’t for saving Xiang Yi in the collapse

when he was young, he wouldn't have become a disabled person and our family's living conditions wouldn't be so poor..."

Shi Nuannuan looked up at Su Xiuying in front of her and said coldly, "You're right. If it weren't for uncle's sake, do you think you and your children would be able to enter this place?"

Hearing this, Su Xiuying paused, pursed her lips and lowered her face. She could not help but feel guilty.

Shi Nuannuan looked at her again and then looked away. Her expression was neither angry nor angry. "Don't worry. Even if I don't like you, Xiang Yi won't turn a blind eye to you."

Su Xiuying carefully looked up and looked at her. "Then what did you mean just now?"

Shi Nuannuan glanced at her. "I'll find a house for you guys to live on your own."

After saying that, she stood up and walked towards the second floor.

Su Xiuying was stunned on the spot. Looking at her back as she went upstairs, she suddenly remembered something and shouted, "Nuannuan!"

Shi Nuannuan stopped walking upstairs and turned her head to look at her.

Su Xiuying looked at the direction of the door and begged, "Um, can you let Lulu in? The weather has turned cold and it's still raining outside..."

"Xiang Yi said that if you want her to come in, why don't you go out and stay with her?"

As she finished her sentence, Shi Nuannuan turned around and continued to walk towards the second floor.

She also wanted to take this opportunity to teach Feng Lulu a good lesson. She wanted to let her know what she should do, what she shouldn't do, what she should say, and what she shouldn't say.

She was living under someone else's roof, yet she was still the host. She was flaunting her power and acting recklessly in her home! If she didn't punish her properly, she might do it again next time.

"Mom... Dad! It's so cold outside, hurry up and open the door for me!"

Feng Lulu's cries came from outside the door again. Now she was hungry and cold, and her clothes were soaked through!

Damn the weather, when did it not rain? It just had to rain at this time, and there was actually such a strong wind, as if it was deliberately going against her!

Time passed, and in the blink of an eye, the wind and rain stopped. At this time, Feng Lulu was already hungry and extremely unbearable.

She curled up and sat at the door, her back leaning against the door. Her body was slightly trembling.

So Hungry... so cold.

From the window on the second floor, she saw Feng Lulu curled up at the door. Shi Nuannuan turned around and walked downstairs.

Just as she reached the corner of the stairs, she saw Feng Shunqing.

“Nuannuan.”

Seeing Shi Nuannuan, Feng Shunqing opened his mouth to speak to her.

Shi Nuannuan also glanced at him. From his troubled expression, she could tell what he was about to say.

“Let her in.”

Hearing this, Feng Shunqing’s eyes lit up and he revealed an excited smile. “Hey! Thank you, Nuannuan.”

Shi nuannuan tugged at the corner of her mouth and did not say anything else.

The door was opened and Feng Lulu slid to the ground along with the opening of the door.

“Dad...”

Seeing her daughter, Feng Shunqing’s heart ached a little, but she knew very well that she had brought this upon herself!

Chapter 1455: perhaps... I’m already dead

The weather in October, coupled with the continuous rain, gradually darkened at five o’clock in the afternoon.

After being caught in the rain, Feng Lulu really caught a cold.

Although she had a bad impression of her, for the sake of Feng Shunqing, Shi Nuannuan still gave Zhong Shenghao a call and invited him over.

At six o’clock, Xiang Yi returned to the villa. Zhong Shenghao had just put Feng Lulu on a drip when Shi Nuannuan asked him to stay for dinner.

Zhong Shenghao declined.

“Forget it, I’m going back to eat.”

“What’s Wrong?” Seeing his troubled expression, Shi Nuannuan couldn’t help but ask.

Zhong Shenghao smiled. “I’m worried about Xinlei being alone at home.”

Hearing his words, Shi Nuannuan’s expression darkened.

“Why don’t you ask her to come along?” Shi Nuannuan loved Zhong Shenghao very much and didn’t want to make it obvious that she didn’t like Jing xinlei, so she asked.

Zhong Shenghao smiled. “No, she probably won’t come either.”

Shi Nuannuan pouted and felt that she was being despised. She couldn’t help but mutter in her heart, tsk, if it weren’t for Hao Sheng’s sake, she wouldn’t have bothered to invite her over for dinner!

“UM, doctor, is my daughter Alright?”

Seeing that he was about to leave, Feng Shunqing could not help but ask.

No matter how willful her biological daughter was, she was still her own flesh and blood. It would be a lie to say that she was not worried.

Zhong Shenghao turned his head and glanced at Feng Shunqing. He smiled faintly. “It’s alright. Two more injections tomorrow will do.”

Feng Shunqing chuckled and nodded. “Okay, thank you.”

Zhong Shenghao glanced at the crowd, then turned and left.

After dinner, Xiang Yi came to Feng Shunqing’s room and handed him a key and a file bag.

Looking at the things in his hand, Feng Shunqing looked up at him in confusion.

Looking at his uncle who was almost 50, Xiang Yi’s thin lips parted. “I bought a house for you in the city center. Here are the property certificate and the key.”

Feng Shunqing lowered her head again and looked at the pile of things in her hands. Bought a house?

“This...”it must have cost a lot to buy a house in the city center, right?

“You guys can stay here from now on. If possible, I’ll find a job for Bo Yu.”

Feng Shunqing was touched again, but..

Could Bo Yu work well like that?

Although he also graduated from university, he didn’t have any special skills and just idled around at home all day.

“Xiang Yi, i... Really Don’t know what to say.”He lowered his head. If it were not for his nephew, his family would have really gone begging.

Xiang Yi’s expression was calm. He had always been grateful towards his uncle.

“I said, you don’t have to be polite with me. Without your help that time, perhaps... I would have died.”

Back then, he had used an arm to save his life.

Feng Shunqing nodded. “Let’s not talk about the past.”

“Rest early.”

Xiang Yi glanced at him and was about to turn around and leave.

At that moment, Su Xiuying could not help but say, “That, Xiang Yi!”

She had a fawning expression on her face as she tried to curry favor with him. “What kind of job are you looking for for Bo Yu? Is He... a manager or something?”

If she could work in a big company, her salary would probably be very high!

Xiang Yi glanced at her coldly. "He used to be a manager? Does he know how to manage?"

"UH." Su Xiuying stopped talking and lowered her head silently.

After Xiang Yi glanced at her, he turned around and left.

When they returned to the master bedroom, Shi Nuannuan and Xiang Jinghan had already laid down.

Chapter 1456: hopes that you can also keep your promise

Because she had been beaten, Shi Nuannuan could not bear to part with her precious, so she let him sleep here.

After taking a shower, Xiang Yi also lay down.

Shi Nuannuan looked up at him. "Have you settled down?"

"Yes," he replied softly, and his gaze fell on his son's sleeping face.

Shi Nuannuan looked at his face, but pursed her lips. "You, do you think that I'm too willful and selfish?"

She did not know if such an arrangement would be considered as driving his uncle and his family out?

Xiang Yi looked up, his expression somewhat surprised.

"Why would you ask that?"

"Aren't they homeless now... and uncle treats you quite well."

"It's good that they're on good terms. There's no need to live together. In fact, this is also good. Only through experience will they know how to grow. Otherwise, the brother and sister will never learn to rely on themselves."

Hearing his words, the doubts in Shi Nuannuan's heart were instantly dispelled.

It seemed to be the case?

"Go to sleep." He kissed her on the forehead, then lay down on his side, facing her face, and their eyes met.

Shi Nuannuan felt a little uncomfortable under his gaze. "Didn't you say sleep? Then why don't You Close Your Eyes?"

"I miss you." He simply spat out two words, his long and narrow eyes staring at her eyes.

She said shyly, "Thinking uses the brain, not the eyes."

"I want to see you more clearly, and then I'll engrave your appearance in My Mind."

Shi Nuannuan pursed her lips and smiled happily. She closed her eyes first.

"Right, let's go and see your grandfather tomorrow."

Shi Nuannuan suddenly opened her eyes in surprise. "You're coming with me?"

"Yes."

She hesitated for a few seconds before nodding. "Okay."

...

The next day.

Early in the morning, after breakfast, Xiang Yi and Shi Nuannuan's sons went to the hospital to visit Shi Le.

Shi Yuting and Zuo Weiyi happened to be there as well.

Shi Le's condition had gradually stabilized and he could be discharged the next day.

When he saw Xiang Yi, his expression was neither warm nor indifferent. Perhaps he was afraid that his granddaughter would be unhappy.

"Are You Alright?"

Shi Yuting could not help but ask when he heard that something seemed to have happened to him two days ago and that he was standing here unscathed.

Xiang Yi turned his gaze away. Perhaps he was used to it, so he nodded at him. "I'm fine."

"Aren't you going to marry that Helian Manli?"

On the hospital bed, Shi Le suddenly spoke.

Although he did not want his granddaughter to be angry, if Nuannuan really wanted to be with him, as his grandfather, he still had to clarify some things.

Xiang Yi turned his head and looked at Shi Le, who was lying on the bed.

Today, he could finally stand in front of him calmly.

"The only person I want to marry is Shi Nuannuan. I have already fulfilled your request from three years ago. I hope that you can keep your promise and allow nuannuan to be with me."

Hearing this, Shi Nuannuan's warm Zuo Weiyi was a little stunned. Shen Lanzhi was also surprised.

Keep his promise? What promise?

"What request? What Promise?"

Looking at the two of them, Shi Nuannuan could not help but ask.

Shi Le did not look at his granddaughter. He just stared at Xiang Yi before him and sighed lightly.

Back then, he only wanted to stop the penniless him from getting close to his granddaughter. In addition to his mother's car accident, he did not want him to approach Nuannuan with a motive, so he naturally had his guard up.

In order to make him take the initiative to leave, he said that he would give him three years. If he could meet the standards of a grandson-in-law in his heart, he would not stop the relationship between the two of them.

Chapter 1457: then why don't You Come with me?

Of course, this request was only made in order for him to leave.

Perhaps at that time, he didn't see Xiang Yi either. He felt that it was impossible for him to achieve anything in three years.

"You already have a child. As long as your relationship with that Helian Manli is clean, I naturally have no objections."

Shi Le lowered his head. It could be considered that he had agreed to let them be together.

Since he already had a child, perhaps he would not be able to accomplish anything today, so he would not stop him.

After all, he did not want to lose this biological granddaughter of his again.

"Thank you."

Shi Le glanced at him and did not say anything else.

At noon, Shi Yuting and Zuo Weiyi booked a private room and the four of them gathered together.

After lunch, Shi Nuannuan and Nuan Nuan left the restaurant. They happened to be close to the coffee shop and had not visited it for a long time, so the two of them came to the warm time coffee shop again.

As soon as the two of them entered the door, they saw Cheng Huan who seemed to have just finished his coffee and was about to leave.

Looking at the man in front of him, Xiang Yi's expression naturally turned colder.

He raised his hand and walked past him with Nuan Nuan in his arm into the coffee shop.

Cheng Huan stood rooted to the ground. He paused for a few seconds before walking away as well.

"I'll go to the company. Call me when you're done."

After sending her to the coffee shop, he spoke.

As his focus had shifted to country Z, he had been quite busy recently. However, he still took time out. He had both his career and family.

Shi Nuannuan turned her head and looked at him. "There's no need for that. You Go ahead with your work. I'll take a taxi back with Han Han later."

"It's okay."

He said softly, then squatted down and touched his son's little head. "Daddy is going to the company. See You Later."

"What's Daddy's company like? I really want to see it!"

"Xiang Jinghan, you have to be good. You Can't Disturb Daddy's work!"

Xiang Jinghan pursed his lips. "But I just want to see where Daddy Works..."

"Then why don't you come with me?"

"Okay, okay!" Xiang Jinghan was extremely happy.

Shi Nuannuan was a little concerned. She looked at him. "How can that be? If he goes, can you still work well?"

"It's okay. I'm just going to take a look. Call me when you're done."

With that, he smiled and stood up. He carried his son and turned to walk towards the entrance of the cafe.

Watching the father and son leave, Shi Nuannuan stared at them for a while before turning around to look at the still busy coffee shop.

"Boss!"

A waiter walked over and greeted her.

She smiled and walked towards the independent office. She called for Dina and asked about the recent business situation.

An hour passed after she finished understanding the situation.

She walked out, found a seat, and sat down. She held a cup of coffee and enjoyed this moment of silence.

After finishing the cup of coffee, Shi Nuannuan got up. She planned to go to Xiang Yi's company, so she was too lazy to make a call. It was only a few minutes' walk from his company anyway.

"Welcome."

She picked up her bag and got up to leave.

When she looked up, she saw a familiar figure walking into the coffee shop.

When she saw that long-lost figure, Shi Nuannuan froze in place.

Cheng walked in. Although she was already forty-five years old, her temperament was still the same as before.

When she walked into the coffee shop, her gaze seemed to be searching for something as well. When she turned her head, she saw Shi Nuannuan's figure. Finally, her gaze landed on her face.

Besides Cheng Huan, she had not seen anyone from the Cheng family for more than two years.

Chapter 1458: needed me again?

“Auntie Cheng.”

Shi Nuannuan walked over. Even though she still had a grudge against old master Cheng and Cheng Huan for concealing the misdiagnosis of the illness three years ago, her parents only found out about it later.

After three years, she had regained Xiang Yi. Perhaps it was time to let go of the knot in her heart.

“Nuannuan.”

Mother Cheng walked over with a gentle expression.

She also knew that what happened three years ago had left a mark in her heart.

“You... are you here for coffee?”

“No, I’m here to look for you.”

Shi Nuannuan was startled. “Looking for me?”

Mother Cheng nodded.

“Looking for me? What’s the matter?” Looking at Madam Cheng, Shi Nuannuan felt that she had come for nothing.

Cheng lowered her eyes slightly and looked at her again. “I know that the last person you want to see right now is someone from our Cheng family, but...” she wanted to say something but hesitated. After thinking for a while, she couldn’t help but say it, “We’ve decided to emigrate, but Cheng Huan’s grandfather has been very depressed. Can You... see him before you leave?”

This matter had already become a knot in Old Cheng’s heart.

He liked Shi Nuannuan very much, so naturally, he did not want her to hate him.

All these years, knowing that she had not forgiven him, old Cheng’s mood had always been very depressed. In order to let him enjoy his old age better, Cheng’s parents decided to bring him to emigrate.

But he was always depressed. They were very worried that he would still be like this when he went abroad.

Perhaps before he left, he would be able to meet Nuannuan and talk about the things in his heart. The knot in his heart would naturally disappear.

After hearing Cheng’s mother’s words, Shi Nuannuan’s expression suddenly turned cold.

“Heh, is it because old Mister Cheng’s health isn’t good again, so he needs me as a good medicine?”

Knowing that she had misunderstood her meaning, Cheng hurriedly explained.

“No, nuannuan! Cheng Huan’s grandfather is real... I really hope that you can forgive him. We’re going to emigrate early tomorrow morning, there’s no need to lie to you.”

Seeing that she was eager to explain, Shi Nuannuan fell silent.

They should not repeat the same mistake. If that really happened, it would only make her feel disgusted and even more disgusted with them.

“Nuannuan, for more than two years, he has been hoping that you can forgive him. Really, he doesn’t pray for anything else. He just hopes that you can forgive him.”

Shi Nuannuan fell silent.

After a while, she looked up and glanced at Cheng. “Wait for me.”

She turned around, walked to the lounge, and called her mother.

“Mom, let me ask you something.”

“What is it?” Shen Lanzhi’s gentle voice came from the phone.

“That’s right. Did you hear that the Cheng family is going to emigrate?”

Shen Lanzhi paused for a moment and then sighed softly.

“Yeah, I heard a few days ago. I think they’re leaving tomorrow.”

Shi Nuannuan really emigrated?

“What’s wrong? You suddenly asked this.”

“Uh, nothing. Just now, Auntie Cheng came to look for me.”

“She came to look for you? Why?”

Shi Nuannuan pursed her lips and hesitated for a few seconds before saying, “She said she’s going to emigrate. Before she leaves... she hopes that I can meet old Mr. Cheng.”

On the phone, Shen Lanzhi couldn’t help but sigh after hearing her words.

“If the knot in your heart is over, it’s also good to go and have a look.”

Her mother’s words surprised her a little. “Why do you also want me to go and See Him?”

“Xiang Yi has already returned. You and the Cheng family don’t have any deep hatred. Moreover, when the incident happened, they didn’t know that the illness was misdiagnosed. It was only later that they found out that Xiang Yi had already left at that time, right? “Since you can even forgive Grandpa, why can’t you forgive Mr. Cheng?”

Chapter 1459: what are you doing there?

Shen Lanzhi and Shi Le were very clear about old master Cheng's health condition. "I heard that he has been living in depression for the past two years. Maybe the Cheng family is worried about his health, so they want you to solve this problem."

Thinking about it carefully, when Xiang Yi left three years ago, Old Master Cheng didn't know that his condition was misdiagnosed. He only found out later.

But she just felt that if they had told him earlier, maybe she and Xiang Yi wouldn't have missed out on these years.

Well, if she really thought about it, there was indeed no deep hatred between them.

"I got it." Shi Nuannuan answered her mother and hung up the phone.

When she walked out, Mrs. Cheng was still waiting there.

Seeing Shi Nuannuan walk out, she looked eager, hoping that she could agree to this request.

"Are you leaving tomorrow?"

"Yes. The flight is at 7:20 tomorrow morning."

Shi Nuannuan hesitated again, and finally said, "Then I'll go now."

Mrs. Cheng was overjoyed when she heard that!

"Really! ?" It would be great if she could go!

Shi Nuannuan nodded, and then left the cafe with Mrs. Cheng.

In the car, Shi Nuannuan saw that it was already three o'clock in the afternoon. Thinking of her son who was still in the company, she gave Xiang Yi a call.

Xiang Yi thought that she was done with her work after receiving her call. He got up and left the desk. He said to his son who was playing, "Jing Han, come here. We're going to find Mommy."

He held his son's hand and slid the answer button. "Are you done?"

Hearing his familiar voice from inside, Nuannuan was stunned for a few seconds before she said, "I'm on my way to the Cheng family. You can pick me up later."

Hearing this, Xiang Yi stopped in his tracks. He also stopped opening the door and frowned slightly.

"Cheng Family? Cheng Huan?"

"Yes." Shi Nuannuan pursed her lips and nodded.

She knew that he didn't like Cheng Huan.

"What are you going there for?"

Shi Nuannuan glanced at Cheng beside her, then turned her face out of the car window. "If you don't have any wild thoughts, I'm just... going to visit old Mr. Cheng. You can pick me up in about an hour. I'll send you the address."

“Hello?”

Hearing that his voice had suddenly disappeared from the phone, Shi Nuannuan frowned a little strangely.

“Got it.”

“Okay, then I’ll hang up.”

Xiang Yi hung up the phone, looking pensive.

“Daddy, aren’t we going to find Mommy?”

He turned his head and glanced at his son who was standing next to him. “We’ll go in a while.”

However, Xiang Yi couldn’t settle down when he returned to his desk to deal with his work.

He looked at the watch on his wrist and wondered why time passed so slowly?

It had only been twenty minutes, but he felt that a long time had passed.

“An hour...”sitting in front of his desk, he fell into deep thought and muttered to himself.

Must I go there in an hour?

Why not go there earlier and say that he had finished his work and had nothing to do, so he took his son with him?

Or was it because he was afraid of traffic, so he went there earlier, but he didn’t expect that there would be no obstruction along the way?

“Daddy, What are you doing?”

In front of the huge desk, Xiang Jinghan stood there, tilted his head and looked at his father, not knowing what he was doing.

Xiang Yi glanced at his son’s face, and suddenly thought of something. He stood up and came to him.

“Do You Miss Mommy?”

Looking at his father in front of him, although Xiang Jinghan didn’t understand, he still nodded honestly.

“Yes!”

Chapter 1460: I’m afraid he won’t be able to pick you up

“Do you want to see Mommy then?”

“Yes!”

“Do you want to see Mommy Now or later?”

“Now!”

Xiang Yi curled his lips and smiled in satisfaction!

“Let’s Go!”

He picked up his coat and put it on for his son. Then, he picked up his car keys and his coat before he turned around and left the company building.

It was not the rush hour after work, but the bustling metropolis could still be packed with traffic because of a red street light and a traffic accident!

Cheng residence.

On the balcony on the second floor, Old Master Cheng sat there and looked at the rainy sky in the distance with a hesitant expression.

Shi Nuannuan’s smiling face appeared in his mind, but the next moment, he remembered how angry she was and how she did not like him.

“I don’t want to see you guys ever again. Scram, scram! ! !”

When he thought about the harm he had caused to the child, old Mister Cheng’s face darkened again.

“Dad!”

Madam Cheng’s voice came from behind, but old Mister Cheng did not turn his head, as if he could not hear her voice.

The moment Shi Nuannuan went upstairs, she saw that lonely figure. She could not help but think, have I gone too far these two years?

Had she gone too far?

In order to fulfill his last wish, she didn’t hesitate to go against her own heart and call him ‘grandfather’. But in the end, they joined forces to deceive her.

“Dad, Nuannuan is here!”

It wasn’t until Mrs. Cheng’s second voice rang out that old Mr. Cheng, who was sitting in the chair, finally had a reaction. He turned his head abruptly and saw Shi Nuannuan standing there.

He stood up. He was very surprised and shocked that Shi Nuannuan would appear here!

“Nuannuan...”

Shi Nuannuan held her handbag and took a step forward. “Grandpa Cheng.”

Calling him Grandpa Cheng made old Mister Cheng overjoyed and excited.

“You... You’re not angry with me anymore?”

Shi Nuannuan looked at him. Since the matter had already passed and she had finally gotten together with Xiang Yi, then the matter from three years ago should be written off.

“Okay.”

She nodded. After not seeing him for more than two years, Old Master Cheng looked much older.

When he heard that she was no longer angry, Old Master Cheng was naturally unable to contain his excitement. He even found it hard to believe.

After all, she had been unwilling to see him for more than two years.

In order to let Shi Nuannuan untie the knot in Old Master Cheng's heart, Madam Cheng quietly left.

Just as she walked to the living room downstairs, she saw her son walk in.

"Cheng Huan, you're back."

Cheng Huan glanced at his mother, acknowledged, and then walked to the second floor.

"Son."

"Yes?"

"Nuannuan is here. She's talking to your grandfather upstairs. Don't disturb them."

Hearing this, Cheng Huan was stunned for a few seconds, then nodded. "Yes."

He turned around and walked to the second floor.

After an hour of chatting, old Mr. Cheng's mood was indeed much better. However, when he thought about leaving the next day, he couldn't help but feel a little reluctant to part with Shi Nuannuan.

"Stay for dinner tonight?"

Seeing that she was going to leave, old Mr. Cheng couldn't help but ask.

"No need, I still have to go to the hospital to visit my grandfather." Shi Nuannuan found an excuse to decline, and she didn't want to stay for dinner.

"Then I'll ask Cheng Huan to send you back!" Old Mister Cheng said again.

"There's no need. I've asked Xiang Yi to pick me up."

Old Mister Cheng was stunned. Naturally, he could not find any other reason.

However, at this time, Cheng Huan suddenly spoke.

"I'm afraid he can't come to pick you up."

Hearing this, Shi Nuannuan and old Mister Cheng both turned their heads at the same time and looked at Cheng Huan who was sitting on the sofa.
