

Kiss Me 1471

Chapter 1471: It was time

"He's upstairs," Shen Lanzhi said. She turned to the servant beside her and said, "Go and ask the old master to come down."

In the study on the second floor, Shi Le took out an old photo album from the bookshelf and sat down on the sofa. He put on his reading glasses and flipped through them one by one.

In the photo album was a long-sealed photo that had not been taken out for many years.

These photos were secretly taken by Shi Xiaotian when Shi Yuting and Shi Nuannuan were young.

At that time, before Shen Lanzhi entered the Shi family home, Shi Xiaotian brought his children to find her and took these commemorative photos.

After his death, Shi Le found them in his drawer. They had always been kept, but he rarely took them out to look at.

In a blink of an eye, the two grandsons in the photo had grown up and each had their own family. Nuannuan should be getting married soon.

He had to prepare a dowry for his only granddaughter, Weiyi.

There was a knock on the door, and a servant walked in.

"Master, the eldest miss is here."

Hearing the servant's voice, Shi Le's gaze moved away from the family photo. He looked up at the servant, then put down the photo album, stood up, and took off the reading glasses on his face.

He walked downstairs with his walking stick.

"Grandpa."

Seeing him go downstairs, Shi Nuannuan called out to him.

After the matter was over, the knot in her heart was opened.

There was naturally no blood feud between family members, right?

Calling him "Grandpa" made Shi Le's heart ache.

When he was young, he was too competitive. He wanted to be strong and ruthless in everything. He wanted to follow his plans for everything. His son's marriage, his grandson's marriage, and even Nuannuan's marriage... everything went according to his plan. However, he didn't know that there shouldn't be any arrangements between family members. Instead, he would lose their hearts.

Back then, if he didn't have his own opinions, his son, Shi Xiaotian, wouldn't have passed away that day.

Fortunately, there was still time for his grandson and granddaughter. He didn't regret it too much.

“Hey, you’re here.” Looking at his granddaughter in front of him, Shi Le responded.

“Great-grandfather!” Seeing him, Xiang Jinghan also called out.

Shi Le was overjoyed when he called him great-grandfather. He laughed so hard that he could not close his mouth, and his voice became even louder!

“Hey!”

“Are you feeling better?” Shi Nuannuan asked.

“Much better.” Shi Le picked up Zeng’s grandson and walked to the sofa to sit down.

Not long after, Zuo Weiyi returned with the two little guys.

The three little guys gathered together and immediately cheered happily!

Unknowingly, the sky outside the window gradually fell.

Looking at the time, there were only ten minutes left before Xiang Yi’s shift ended, right?

Zuo Weiyi, who was on the sofa, looked at her actions and could not help but smile. “Let Xiang Yi come over. As a family, it’s time to have a meal together.”

Hearing this, Shi Nuannuan raised her head and looked at her sister-in-law.

“Let him come over?”

Zuo Weiyi nodded. “It’s rare that you have time.”

After thinking for a while, Shi Nuannuan nodded as well. Then, she took out her phone and walked to the window to make a call to Xiang Yi.

“Hello?”

On the phone, Xiang Yi was about to pick up his coat and leave the office.

He seemed to understand why Shi Yuting could not wait to go home the moment he got off work. It turned out that he really had such an impulse after having a wife and children.

The impulse to see his wife and children as soon as he got home.

Chapter 1472: If I don’t eat who will?

“I’m at Shi Mansion. Sister-in-law said that she wants you to come over for dinner.”

Hearing this, Xiang Yi paused for a moment before saying, “Okay.”

After hanging up, Shi Nuannuan returned to the sofa.

Zuo Weiyi could not help but ask, “Did you tell her?”

“Yes, he’ll be here soon.”

Zuo Weiyi smiled.

"I'll go and tell the kitchen to prepare a few more dishes." As she spoke, Shen Lanzhi stood up and walked towards the kitchen.

"Oh right, Weiyi, give old man Zuo a call and ask him to come over." Thinking of Zuo Yi, Shi Le couldn't help but speak up.

Since they were a family, they naturally couldn't lose that old man.

Zuo Weiyi had just remembered that she had almost forgotten about her grandfather!

She got up and quickly picked up the phone to call her grandfather's number.

As night fell, it was already completely dark outside the window.

In the courtyard, the sound of a car engine approached from afar. Not long after, she saw Shi Yuting walk in.

Before Zuo Weiyi could say anything, a smaller figure rushed over.

"Daddy!" Shi Lian rushed over and pounced on Shi Yuting, who had already squatted down. She hugged him and gave him a fierce smack.

Looking at his beloved daughter, Shi Yuting's face was filled with a gentle and doting smile. "After not seeing you for a day, my little princess seems to have become beautiful again."

"That's right. I have inherited the best genes from Daddy and Mommy! Of course, I'm getting more and more beautiful!" Shi Lian said proudly.

"Such a narcissistic attitude is exactly the same as Shi Yuting's."

On the sofa, Zuo Weiyi could not help but speak up when she saw her daughter running towards him.

However, Shi Yuting still heard her soft muttering. He walked over to the seat beside her and sat down. A face that could topple all living things approached him with danger. "What did you say just now?"

When she met his eyes that were filled with danger, Zuo Weiyi hurriedly raised her hand to block the middle of their chests. "It's-it's nothing."

"I clearly heard it."

"I said that Lian Lian is like you, becoming more and more handsome!" Zuo Weiyi could not help but quibble.

Shi Yuting narrowed his eyes. "Is that really the case?"

"Yes."

He smiled and left her.

"Sister-in-law, why are you still being eaten by my brother?" Shi Nuannuan could not help but ask.

Shi Yuting, however, swept his gaze at her. "If I don't 'eat' Her, who will?"

”...”

Anyone with half a brain could hear such explicit words. Embarrassed and angry, Zuo Weiyi reached out and pinched his waist hard!

“Hiss!”

He frowned and turned to her, his pair of clear and deep eyes once again filled with danger.

He leaned over and whispered into her ear, “I’ll let you be impudent now. It’s my turn to be ‘impudent’ on you tonight.”

As soon as he said this, Zuo Weiyi felt her body stiffen and her face turned red to her ears.

Then, she raised her eyes and glared at the man. She mouthed, “I’m having my period today.”

”...”Shi Yuting’s face darkened instantly.

The sound of engines could be heard again from outside the door. Everyone looked over and saw Zuo Yi walking in.

After greeting them one by one, Shi Nuannuan could not help but look in the direction of the door. Then, she looked at the watch on her wrist.

It was 6:20 pm. Shouldn’t Xiang Yi be here by now?

Another ten minutes passed. Everyone was due, but Xiang Yi was still missing.

Unable to wait, Shi Nuannuan could only call him again.

However, the phone rang for a long time, but no one picked up.

Chapter 1473: A Phone Call that no one picked up

Shi Nuannuan couldn’t help but feel uneasy.

She made another call, but still no one picked up.

What was going on?

He wouldn’t refuse to pick up her call.

“What’s Wrong?” Seeing the anxiety on her face, Zuo Weiyi couldn’t help but ask.

Shi Nuannuan raised her eyes, hoping that she was thinking too much.

She thought of the underground parking lot at the A-pass. That day, she suddenly met the Liantian’s people.

But this was country Z. He shouldn’t have chased her here?

“I don’t know why, but Xiang Yi’s phone hasn’t been picked up.”

Hearing this, Zuo Weiyi was also stunned.

No one picked up?

“Is it inconvenient to pick up because he’s driving?”

Shi Nuannuan shook her head. “No, his phone is directly connected to the central control screen. Even if he’s driving, he can pick up.”

She had thought about this just now, but was quickly overruled by her.

“Don’t be anxious. Maybe it’s because of other reasons. We can just wait a little longer. It’s still early anyway, there’s no hurry.”

Zuo Weiyi comforted her, but she did not really understand.

She had just spoken to Xiang Yi on the phone an hour ago. Logically speaking, he should have left the company by now. If it were Shi Yuting, he would have picked up her call even during a meeting. Why did Xiang Yi not pick up?

But he was fine before. Could it be that something happened on the way here?

The more she thought about it, the more uneasy Shi Nuannuan felt.

Shi yuting seemed to have noticed something off.

Under normal circumstances, even if he did not pick up the phone, it would not make her so uneasy.

“Did something happen?”

His gaze swept over his only sister who was doted on by Weiyi. His gaze was like a torch.

Shi Nuannuan raised her head. After hesitating for a moment, she told him what happened in Country A.

“It was just before. When we were in country A, he liantian seemed to want to touch Xiang Yi...”

After listening to her retelling, Zuo Weiyi and Shi Le were stunned!

“You said that Helian Manli’s father wanted to force Xiang Yi to marry her? If he didn’t marry her, would he have to kill Xiang Yi?” Zuo Weiyi asked in shock.

Shi Nuannuan lowered her eyes. “I’m not sure if he wanted to kill Xiang Yi, but at that time, when they fought, the other party brought a gun...”

“This he liantian, does he think he’s so great just because he’s a member of the Royal Family? He really doesn’t put the people of My Shi family in his eyes!”

At this moment, even Shi Le couldn’t help but shout angrily!

One had to know that his Shi family was also a noble family in country Z. with their power, if they really wanted to go against the Helian family, wouldn’t that be easy? They actually dared to make a move on Shi Le’s descendants!

“What happened after that? After you returned to the country, did you encounter anything unusual again?” Shi Yuting asked.

Shi Nuannuan lowered her head and pondered for a moment. Then, she shook her head. “No.”

As soon as she finished speaking, her phone rang.

She lowered her head. When she saw the caller ID on the phone screen, Shi Nuannuan was so excited that she almost shook her phone off!

“It’s Xiang Yi!”

When they heard Wen Sheng’s voice, everyone’s eyes could not help but focus on her phone.

She could not wait to pick it up. “Hello! ? Xiang Yi!”

On the phone, Xiang Yi pursed his lips slightly. “I went to buy something just now. I left my phone in the car.”

Hearing his safe and sound voice, Shi Nuannuan’s tightly clenched heart finally settled down.

“I... I thought something happened to you.” Her voice was a little choked up.

Xiang Yi was suddenly startled after hearing it.

Ever since the incident with the attack, her heart had become very sensitive. How much damage had she suffered from leaving three years ago?

Chapter 1474: was too cheap

His heart was a little choked up, and his voice became very soft and gentle. “Nuannuan, before we all get old, I promise that I will never disappear in front of your eyes again.”

Hearing his words, although she was touched, she could not rest assured.

“I’m just afraid that he Liantian and his daughter will do something to you again.”

“This is country Z. even if they are royal nobles, they are only in country A. Don’t worry.”

Shi Nuannuan sniffled, temporarily relieved. “Okay.”

“Then why aren’t you here yet?” She asked again, feeling a little surprised.

His company was located in the north of the city. Judging from the distance, it should be about the same distance as his brother’s overlord. His brother had already arrived home. Why did it take him so long?

Oh right, he seemed to have said that he was going to buy something?

In the driver’s seat, Xiang Yi was driving steadily. His tone was very light. “This is the first time that I’m officially visiting under another identity, so I went to buy something just now.”

Shi Nuannuan was startled when she heard that.

In other words, he had gone to prepare gifts for his grandfather and mother just now. was that what he meant?

Her gaze suddenly landed on Shi Yuting's face. If it was her brother, he would definitely not have prepared such an ordinary arrangement, right?

Thinking of his thoughtfulness, the corners of Shi Nuannuan's mouth automatically curled up.

"Are we almost there?"

"Five minutes."

"Okay."

After hanging up the phone, Zuo Weiyi was the first to speak.

"How is it? Are You Alright?"

She raised her head and glanced at her sister-in-law. "I'm fine. I must have gone to prepare gifts for grandfather and mother. That's why I left my phone in the car earlier and didn't receive any calls."

Zuo Weiyi heard this and nodded. "I see."

Preparing a gift for the meeting?

Zuo Weiyi frowned and suddenly turned to look at Shi Yuting.

Back then, Shi Yuting had never prepared gifts for his grandfather.

"Sigh, it's great to have a grandson-in-law like Xiang Yi. He even knows how to prepare gifts for the elderly. Unlike some people, he has never prepared a gift for me from the beginning until now."

Before Zuo Weiyi could say anything, Zuo Yi had already opened his mouth with a sour tone!

With Shi Yuting's wisdom, he could naturally tell that he was talking to her.

Gift?

"That's right, I feel like I married off so cheaply... There's nothing..."Zuo Weiyi also looked dejected. Thinking back to when Shi Yuting pursued her., but he had not prepared a single gift for her grandfather.

It seemed that even she herself, he had only given her a ring and a cell phone in the beginning. What else was there?

After that, she had hardly received any gifts from him.

Shi Yuting's gaze glanced at her disappointed face and then at Zuo Yi. were the two of them complaining that he was not sincere enough when he was courting her?

They were already married and had children. Four years had passed. What were they saying now?

This damn Xiang Yi, why did he have to prepare a gift for nothing! ?

The doorbell rang and Shi Nuannuan turned around. She knew that Xiang Yi should be here by now.

She raised her head and looked in the direction of the door. Not long after, she saw Xiang Yi walking in with all kinds of things.

At this moment, Shen Lanzhi happened to walk out of the kitchen. When she saw Xiang Yi, she could not help but greet him gently, "You're here."

Xiang Yi nodded at her to show his respect.

"Madam."

Hearing him address her as usual, Shen Lanzhi smiled, "You're Hanhan's father. Naturally, you don't need to address me respectfully."

Chapter 1475: the meaning of X · s

"Yes, Call Me Mom!" Shi Nuannuan smiled as she held his hand and said this to Xiang Yi.

Xiang Yi was stunned and looked at her.

Although he had already planned to propose, he had not done so yet.

He pursed his lips slightly at her and then looked at Shen Lanzhi. "Auntie."

At this time, this was the most appropriate way to address her.

Shi Nuannuan pouted, feeling a little disappointed.

But on second thought, she wasn't in a hurry.

"Mommy, Here!"

She handed the gift to her mother. Shen Lanzhi took it, knowing that it was a token of his goodwill.

"We're a family. Don't bring any gifts in the future."

Xiang Yi nodded slightly.

Then, the two of them walked towards the sofa.

"Mm, not bad. This child has grown up. He has finally slapped some people in the face," Zuo Yi said. It was obvious that he was talking to Shi Le.

What did he say back then? Xiang Yi's status was not worthy of Nuannuan. Look at him now. In just three years, he was much better than when he was young!

After being choked by Zuo Yi, Shi Le instantly gave him a look of disdain.

Then, he glanced at Xiang Yi's face. "Sit down!"

Only when he spoke did Xiang Yi nod slightly. Then, he and Shi Nuannuan sat down together in a seat on the sofa.

Amidst a wave of laughter and conversation, the atmosphere finally became harmonious. Accompanied by the laughter of the children, dinner was gradually ready.

After dinner, it was still early. A few men sat in the living room and chatted.

Meanwhile, Shi Nuannuan was pulled into the bedroom by Zuo Weiyi.

“Hey, did Xiang Yi propose to you?” On the bed, the aunt and sister-in-law sat cross-legged and talked about the worries between women.

Shi Nuannuan pursed her lips shyly. “I guess he did!”

Zuo Weiyi frowned. “What do you mean by ‘he did’?”

“Uh, it was when he was in country a last time that he called to ask for help. He said he was coming back to make up for the ceremony.”

However, it had been a few days since he came back, and he did not say anything. Could it be that he had forgotten?

Thinking of this, Shi Nuannuan could not help but feel confused and puzzled.

“Oh, in that case, it should be soon. Congratulations!”

Zuo Weiyi looked at her with a smile. On the other hand, Shi Nuannuan was a little embarrassed.

“What’s there to congratulate? Maybe he has already forgotten!”

“How is that possible? He hasn’t forgotten about it in three years. How could he forget it in just a few days?” Zuo Weiyi smiled.

Shi Nuannuan was a little confused. She looked up at her blankly. “What do you mean?”

Zuo Weiyi was stunned by her question.

“Don’t tell me you still don’t know?”

“Know what?” Shi Nuannuan was stunned.

“It’s the name of Xiang Yi Group!”

“...” name? So what if it’s a name?

Seeing her stunned expression, Zuo Weiyi finally understood. So she still didn’t know that Xiang Yi group’s name was an abbreviation of their surnames?

“X · s, you really don’t know this?”

Shi Nuannuan nodded again, “I know, isn’t it just the name of his group! Hey Sister-in-law, let me tell you, you said that his company’s name is X · s, why is his wardrobe engraved with X · s? Isn’t he a little obsessed?”

“Pa!” Zuo Weiyi couldn’t take it anymore, so she directly hit her!

Shi Nuannuan, who was hit on the head, was caught off guard. She frowned and looked at Zuo Weiyi in front of her. "Sister-in-law, why did you hit me!?"

"Why are you so stupid?" Zuo Weiyi was angry!

"What?" Shi Nuannuan didn't seem to understand.

"What is the initial letter of Xiang Yi's 'Xiang'?"

Chapter 1476: Why was he still awake?

Shi Nuannuan didn't know why she suddenly asked this question, so she thought for a moment before answering, "X, of course."

"What about Shi Nuannuan's 'Shi'?" She asked again.

Regarding her surname, Shi Nuannuan naturally didn't think too much about it. "Of course it's s!"

As soon as she finished speaking, she paused.

X, S?

Could it be..

In her mind, she started to think about the villa in Jinghai. There were always a few things that had these two letters engraved on them. There was also the cup that was used to wash up. Beside the picture, there was also the X · s character engraved on it.

There was also the wardrobe and the computer on his desk.

She had thought that he only liked to use the name of his company. However, it turned out that there was another layer of meaning behind this.

She looked up and glanced at Zuo Weiyi, then grabbed her arm excitedly. "Sister-in-law! Thank you! YOU REALLY WOKE ME UP!"

After saying that, she got off the bed quickly and disappeared at the door without waiting for Zuo Weiyi to speak!

At nine o'clock, after leaving Shi Mansion, Xiang Jinghan had already fallen asleep in her arms.

Looking at her son's familiar face, Shi Nuannuan raised her head and glanced at the man in the driver's seat.

It was already half past nine when they arrived at Jing Hai Villa.

After sending her son back to his room, Shi Nuannuan also took a shower. However, she didn't go to bed. Instead, she went to Xiang Yi's study room.

The hand that was holding the door handle turned slightly. The moment she entered, she saw that the man in front of the desk had already raised his head and was looking at her.

She was wearing a sexy nightgown, but she did not know that her sexy appearance was actually seducing someone into committing a crime.

“Why aren’t you sleeping?”

He got up and walked towards her.

She reached out to wrap her arms around his waist and pressed her face against his chest. “I can’t sleep.”

He smiled and lowered his eyebrows to stare at the top of her head. “You Can’t Sleep Without Me?”

She suddenly looked up and met his starry eyes. Her tone was serious. “What if I Say Yes?”

He was stunned. A burning look flashed across his eyes as he looked straight into hers.

The two of them looked at each other as if they wanted to look into each other’s eyes.

After a long time, his knife-like face slowly lowered, and his lips kissed her..

After a long period of lingering love, she was so tired that she fell asleep.

Xiang Yi got up and went back to the study. After finishing the work, he went back to the room and hugged her to sleep.

— * * * —

The weekend.

Went to a trip to the Shi Mansion, evening time, Shi Nuannuan returned to Jinghai Villa, but did not see the shadow of Xiang Yi.

She frowned, the blink of an eye to the master bedroom on the second floor, still no sign of him.

Then she went to his study, but there was still no sign of him.

Strange, he said he was at home before she came back.

Moreover, why was Xiang Jinghan not here?

When she returned to the bedroom, she caught a glimpse of a note on the clean bed out of the corner of her eye.

She walked over and picked up the note, only to see a line of words written on it: “Open the drawer of the bedside table.”

She was stunned for a moment, but she still turned her head and opened the drawer. She saw a car key inside.

She picked up the car key and stuck a post-it note on it: “The first car on the left side of the garage.”

She frowned. She was sure that these words were from Xiang Yi.

So, she took the key and walked to the garage. She opened the door of the first car and sat inside.

As soon as she sat in, she saw a note on the steering wheel. "Follow these two addresses."

Vaguely, she seemed to have sensed something.

After informing sister Chen, she drove to the open-air restaurant in the address. It was located on the 21st floor of a building in the city center.

Chapter 1477: is she willing to marry Daddy?

At 7:32 am, she arrived at the restaurant and took the elevator to the 21st floor.

The entire restaurant was silent, but the moment she stepped in, a beautiful melody sounded.

She looked up, wanting to find Xiang Yi's figure. When she looked up, she saw the elegant figure of a man sitting on the balcony.

She walked over.

Everything here was clearly meticulously prepared.

"What... are you doing?"

He looked at her and gazed at her with deep affection.

"Sit."

She glanced at the seat opposite him and immediately sat down.

When dinner was in progress, the god of music sounded again.

However, this music did not come from the restaurant, but from above her head.

With a hint of confusion, Shi Nuannuan raised her head and looked into the sky. She saw countless balloons slowly rising in the night sky, and each one of them was flickering with light like fireflies.

"So, so beautiful."

She could not help but be dumbfounded, because this was the first time she had seen such a scene.

"Mommy."

At this moment, a tender and clear voice sounded.

Shi Nuannuan heard the voice and saw Xiang Jinghan, who was wearing a small suit, walking towards her in a very gentlemanly manner.

"Hanhan..."

"Mommy, are you willing to marry Daddy as your wife?"

Shi Nuannuan was stunned.

Even though she had already guessed that this scene might be prepared by Xiang Yi for a proposal, she did not expect that these words would come from her son's mouth.

"Miss Shi Nuannuan."

She did not respond, and Xiang Jinghan could not help but call out to her again.

Shi Nuannuan came back to her senses and looked at her son, then at the man opposite her.

"Mommy, why don't you agree? If you agree, the three of us can be together forever!"

Xiang Jinghan could not help but urge her again.

However, Shi Nuannuan did not respond in the end.

It was a marriage proposal, and it was only once in a lifetime. He actually made his son speak. He was too insincere!

She lowered her head and couldn't help but mutter, "He didn't even speak. What should I agree to..."

In the next moment, she caught a glimpse of something golden from the corner of her eye. Under the gorgeous light, it was dazzling.

"Are you willing to spend the rest of your life with Me Until You Die?" He took out the ring and pushed it in front of her.

Looking at the exquisite diamond ring, Shi Nuannuan was a little dazed.

"Aiya! Whether she agrees or not, Daddy will put it on Mommy First!" Xiang Jinghan, who was at the side, couldn't wait any longer!

Xiang Yi glanced at his son, then really picked up the ring and put it on her ring finger while she was dazed. Throughout the whole process, Shi Nuannuan didn't know how it started or how it ended.

By the time she completely came back to her senses, the ring was already on her ring finger. The size was just right.

"I'll take it that you agree." He gazed at her with deep affection.

Shi Nuannuan came back to her senses and felt that everything was still a little unreal. She raised her hand to touch the ring.

Only when she felt the slightly rough touch on her finger did she feel that it was very real.

"I already have a son, how can I not agree..."

He frowned as if he was deep in thought. "That's true, you have to marry me anyway. It seems that this ceremony is a little redundant..."

"No Way!" She protested. "If you don't propose, I won't be bothered to marry you!"

He looked up and his lips curled into a smile.

"Daddy, are the three of us going to be together forever from now on?"

He glanced at his son and Xiang Yi bent down to pick him up and sit on his lap. "HMM... we will be together until you become an adult."

Chapter 1478: I Won't fight with Daddy for

Xiang Jinghan tilted his head. "What about when you're an adult?"

"When you're an adult, you'll Be Like Daddy. You'll meet the person you love, marry her, and take care of her. Everything you have will only exist because of her."

"Then can I marry Mommy?"

"..."Xiang Yi paused, squinting at his son in his arms. He paused for a few seconds before saying, "That won't do."

"Why?"

"Because Mommy is Daddy's."

"HMM... Alright then, I won't fight with Daddy for it!"

He smiled. "Good boy."

"What do you want to eat?"

"This!"The little guy pointed at the steak.

Xiang Yi immediately picked up the cutlery, cut a piece, and brought it to his mouth.

Xiang Jinghan ate very happily!

After the dinner, it was already ten o'clock in the evening when he returned to the villa.

After sending her sleeping son back to his room, Shi Nuannuan also took a shower and lay down.

Leaning against the bed, she could not help but raise her hand, and her gaze fell on the ring on her ring finger.

Suddenly, her brows twitched, and she caught a glimpse of the two sides of the diamond, with the words 'x'and 's'carved on them respectively.

When she thought of her sister-in-law's words, the corners of her lips unconsciously curled up.

Late at night, back to the room Xiang Yi, walked to the bedside, Shi Nuannuan female warm still.

___ * * * ___

The weather gradually became a little cold, with a prosperous engagement party, Xiang Yi and Shi Nuannuan also became the focus of attention of Z city people recently.

It is said that the spirit of a happy occasion, but warm to this is no exception.

Recently, she had been in a good mood. Sometimes, she was a little lazy, and sometimes she was even too lazy to get out of bed. Perhaps it was because the weather was getting colder.

After all, it was winter. Who wouldn't want to stay in bed early in the morning?

However, Xiang Jinghan didn't let her sleep. He ran to the master bedroom early in the morning and dragged Shi Nuannuan to accompany him on the street!

"Mommy, get up. The Sun is shining on your butt!" Xiang Jinghan climbed onto the bed and began to flip over the blanket on Shi Nuannuan.

"Son, it's snowing today. There's no Sun." When she woke up just now, she had already looked out of the window and found that the first snow of the year had already fallen.

"Aiya, Mommy... didn't you say that you would accompany me to the streets to see Santa Claus today?"

Hearing this, Shi Nuannuan finally opened her slightly drowsy eyes.

That's right, it's Christmas Eve today!

Glancing at her son, she did say that she would take him to see Santa Claus on the street today.

"I'm sorry, Baby, Mommy will get up now!"

As she said this, Shi Nuannuan made a series of movements, got out of bed, and walked to the bathroom to wash up as quickly as possible.

Everything was ready, and she put on a scarf for her son. Only then did Shi Nuannuan get ready to go out.

"Let's Go!"

"Okay!"

The sound of the car engine was gradually heard. As she turned the steering wheel, the car slowly drove away from the Jinghai Villa.

She found a parking spot and parked the car. Then, she led her son to the bustling pedestrian street.

A large snowflake fell down, adding a strong atmosphere to this year's Christmas Eve.

"Wow, there are Christmas Trees!" Xiang Jinghan, who had sharp eyes, saw at a glance that many stores were decorated with all kinds of Christmas trees.

Shi Nuannuan also looked up and followed her son's line of sight. As expected, she saw all kinds of Christmas trees decorated at the door, which was particularly eye-catching.

While the mother and son were shopping, their cell phone suddenly rang.

"Hello?" Seeing the caller ID, Shi Nuannuan answered with a smile.

"Nuannuan, today is Christmas Eve. Grandpa and mom want you to come back for dinner."

Chapter 1479: the reason for the postponement

Zuo Weiyi's voice came from the other end of the phone.

"Are you done eating?"

"Of course."

"Okay, we'll head over after Xiang Yi gets off work."

"Okay. What are you doing now?"

"I'm taking Han Han shopping and picking out some new clothes for him."

Zuo Weiyi couldn't help but feel an itch in her heart when she heard that. "Where is it? I'm going too!"

"Sure, Shengjing Pedestrian Street!"

After hanging up the phone, Zuo Weiyi could not wait to set off with her children. She had originally planned to go treading on the snow.

Just as she hung up the phone, before Shi Nuannuan could stuff it into her bag, the ringtone rang again.

The words 'Xiang Yi' lit up on the screen, and the corner of her mouth curved into a smile.

"Hello?"

"What are you doing?" He had just finished a meeting and returned to the office. He missed her a little and could not help but call her.

"I'm shopping with our baby. I promised him yesterday."

"Where are you? I'll pick you up in a while."

Hearing this, Shi Nuannuan could not help but frown.

As the end of the year approached, he had been busy with work recently. Sometimes, he even had to go to the office on weekends.

"Aren't you busy?"

"Yes, but I still have time for dinner."

"HMM... then I'll call you after I'm done shopping — HMM..."

She suddenly stopped mid-sentence and frowned, feeling a little uncomfortable.

Xiang Yi could not help but frown on the phone.

Sensing her abnormality, he asked, "What's wrong with you?"

After a long while, Shi Nuannuan finally calmed down the disgusting feeling. After a moment of silence, it seemed that it was gone.

"I'm fine..."

As she said 'I'm Fine', a layer of doubt appeared in her heart.

This feeling felt familiar..

Could it be..

She suddenly looked up as if she suddenly thought of something.

Could she be..

"Nuannuan?"

On the phone, his gentle and magnetic voice sounded again, a little worried about her.

"I, I'm fine... I'll hang up first!"

Without waiting for Xiang Yi's reply, Shi Nuannuan could not wait to hang up. Then, she searched for the date on her phone.

Looking at the date on the screen, her heart was in turmoil.

But she also had some doubts.

It was only delayed by five days. Previously, she had also delayed it by a week. She should not be able to confirm whether she was pregnant or not, right?

Forget it, I'll go to the pharmacy to buy a test strip to take a test later.

Thinking of this, she could not help but think of three years ago. She took the test paper and took the wrong test. She tested the other end of the pregnancy test kit and ended up with nothing.

Fortunately, her sister-in-law told her later. Otherwise, Han Han might have almost miscarried because of her carelessness.

Thinking of this, she could not help but feel that she was a little funny three years ago.

Raising her head, she was about to look for her son, Xiang Jinghan, when she suddenly realized that Xiang Jinghan, who was standing next to her, had suddenly disappeared.

The smile on her lips suddenly froze, followed by panic and uneasiness..

"Xiang Jinghan..."

As it was snowing in the morning, there were not many people on the street. Shi Nuannuan raised her head and looked around, but she couldn't see Xiang Jinghan at all!

"Jinghan... Xiang Jinghan! ?"

The uneasy and fearful feeling spread in her chest, as if it was going to tear her apart in an instant.

She stood on the street in a panic, as if the world was spinning, and her heart was tightly clenched!

"Xiang Jinghan, Xiang Jinghan! !"

She was so anxious that tears fell like rain. The news footage of children being abducted and sold on TV kept appearing in her mind!

Chapter 1480: you scared mommy to death!

“Han Han... Where are you? Xiang Jinghan! ?”

Shi Nuannuan felt suffocated when she couldn't see her son's figure. Her heart felt as if it was being pricked by Needles!

Tears soaked her eyes!

“Mommy!”

Just when she was flustered and at a loss, Xiang Jinghan's figure suddenly appeared at the entrance of the shop not far away. He was waving at her with a smile.

The moment Shi Nuannuan heard his voice and saw her son's figure, she finally let go of her tightly clenched heart.

“You scared mommy to death!”

She rushed over, squatted in front of her son, and pulled him into her arms!

Xiang Jinghan was stunned. When he let go of her, he saw the tear stains on her face.

“Mommy, what happened to you?”

Shi Nuannuan wiped her eyes. At that moment, she really felt that her heart was going to stop beating.

“Baby, can you not suddenly disappear from Mommy's sight next time?”

Xiang Jinghan was a little stunned. A pair of beautiful black pupils looked at her. “I'm sorry, Mommy. Because you were on the phone just now, and I saw how big the Christmas tree was, I couldn't help but walk over.”

As he spoke, he even raised his hand and pointed at the spot in front of them.

As expected, the boutique was decorated with a big Christmas tree.

She retracted her gaze and looked at her son's fair and clean face.

He was not even three years old yet, so it was inevitable that he was still childish.

“Mommy Knows. At night, we'll let Daddy decorate a huge Christmas tree and hang many presents on it, okay?”

“Okay!” Xiang Jinghan was extremely excited when he heard that!

“Baby, Mommy Needs to go shopping. You'll accompany me to the pharmacy first, and then when Aunt Comes, we'll go shopping with brother Mo and sister Lian Lian to buy presents, okay?”

She was somewhat eager to know the reason for the postponement of her period.

“Okay!”

Xiang Jinghan was extremely happy when he heard that he was going to see Shi Mo and Shi Lian.

Shi Nuannuan held her hand and went to a pharmacy to buy some test strips.

After buying the test strips, she held her son’s hand and went to a restaurant to sit down. It was about time for Zuo Weiyi and the others to arrive.

Just as she was thinking about it, her phone rang. It was Zuo Weiyi Calling.

She said that she had already arrived at Shengjing Pedestrian Street and asked where she was.

Shi Nuannuan gave the restaurant’s address and soon, she saw Zuo Weiyi walking in with her two little babies.

After ordering a few glasses of fruit juice in the restaurant, Shi Nuannuan and Weiyi brought the three babies to buy Christmas presents.

“Alright, let’s go have a big meal now!”

At 11:30 pm, Zuo Weiyi said to the little ones.

Shi Nuannuan thought of the time she had agreed with Xiang Yi, and could not help but send him a wechat message: stay with sister-in-law, I’ll send you the restaurant’s address in a while, come over yourself.

After sending the message, the two of them then led their son to the parking lot.

As the parking spots for the two of them were not quite the same, they walked to the opposite positions and put the Christmas gifts and some new year clothes in the trunk. This way, it would be much more relaxed when they ate.

“Wait!”

The yellow light was still flashing. Shi Nuannuan pulled her son who was about to walk on the sidewalk. Then, she turned her head and waited for the green light in front of them to light up before she led her son to the parking lot opposite.

“When you cross the street, you must see clearly before you move.” Shi Nuannuan held her son’s hand with one hand and carried the shopping items in the other. As they walked, she taught her son how to cross the street.
