### **Chapter 1481: Xiang Jinghan was snatched away (1)**

The snow was still falling. The figure of the mother and son was like a beautiful scenery in the heavy snow, making people want to take another look.

After crossing the road, they came to the front of the Red Maserati. Only then did Shi Nuannuan let go of her hand and put the paper bags in the trunk.

Needless to say, these things were quite heavy.

She had been holding them in one hand all the way, and she could not help but feel sore.

She took out the key and opened the trunk. She was about to put the things in..

“Mommy!”

Suddenly, her son’s scream came from behind her!

Shi Nuannuan turned around when she heard the sound and saw that Xiang Jinghan was suddenly snatched away by two men in black. They left her sight as fast as they could!

“Mommy –”

Xiang Jinghan stomped his legs and wanted to struggle, but he was weak and was not a match for the men in black!

“Jinghan!”

Shi Nuannuan was so shocked that she threw away the things in her hands and dashed past the men in black!

“Mommy — Mommy! You bastards, Let Go of Me!”

Xiang Jinghan stomped his legs desperately, trying to struggle free from the arms of the men in black, but it was futile!

“Stop! Who Are you people! ? Let Go of my son!”

Han Han... Xiang Jinghan..

Although she was puzzled by the sudden situation, Shi Nuannuan knew very well that they had come with bad intentions. Their motive for taking away Han Han was definitely not simple!

“Mommy, it’s Han Han. Han Han was taken away by someone!”

Across the road, Zuo Weiyi, who had put her things away, was also holding a pair of children as they were about to cross the road.

Mo Mo, who had sharp eyes, suddenly saw Xiang Jinghan being carried away by two men in black!

Hearing her son's voice, Zuo Weiyi looked up in horror and saw Nuannuan chasing after the man in black and disappearing around the corner!

"Hanhan..."

Zuo Weiyi was also shocked, but it was still a red light at this time, so she could not rush to the other side of the road!

"Stop! You guys stop!"

Shi Nuannuan was still chasing, but her pace was not as fast as those men. In the next moment, she saw two other men in black behind her, who were one step ahead of him.

In her panic, she did not know what was going on, but her heart seemed to be torn to pieces.

"Han Han... Han Han!"

"No, don't..."she couldn't catch up with those people at all. When she looked up again, she saw the two men in black taking Xiang Jinghan into a sports car.

Shi Nuannuan was stunned. She watched as Xiang Jinghan was taken into the sports car and then sped away. In two seconds, he had disappeared from her sight.

"Ah! ! !"

She seemed to have gone mad. She stood at the intersection, not knowing what to do! She fell into a state of helplessness and collapse..

However, in the next moment, a black car chased after the sports car!

Despite her collapse, she still turned around and ran to her own car. She opened the door, started the car, and rushed in the direction where the sports car had disappeared at an astonishing speed of 180 kilometers per hour.

However..

At this moment, the gray sports car had long disappeared from the bustling city center.

The snow was getting heavier and heavier..

"Ah! ! !"In the center of Z City, almost every road was connected in all directions.

Shi Nuannuan had chased to an intersection, but she did not know where to start.

She pounded on the steering wheel, and her entire body was on the verge of breaking down..

"Di! Di! Di -"

Behind her, a series of sirens sounded, as if to remind her to occupy the driveway and block the way.

### **Chapter 1482: Xiang Jinghan was snatched away (2)**

However, what happened outside the car window seemed to have nothing to do with her.

Her cell phone rang. She had no intention to pick it up, but she seemed to have thought of something and suddenly picked up her cell phone.

The moment she saw the familiar name, Shi Nuannuan's tears flowed even more violently! The hand that picked up the phone could not stop trembling.

"Xiang Yi... AH —"

Her almost tearing cry stunned Xiang Yi the moment he received the call. He furrowed his brows and felt that something had happened.

"What happened to you?"

At that moment, Shi Nuannuan only felt a sharp pain in her chest as if it was going to tear her whole body apart. She was already sobbing non-stop!

"Han... Han Han... he was snatched away by someone... Wuah —"

His voice was intermittent, and Xiang Yi's eyes turned cold as he tightened his grip on the phone!

"Where are you?"

Shi Nuannuan was already sobbing, and she did not answer his question at all.

Beep Beep Beep

Behind her, the horn continued to sound, urging her to leave the driveway quickly.

"Hey, are you leaving or Not! ?"

Five minutes had passed, and some of the drivers behind them were getting impatient. They rushed to the car window and cursed angrily.

Without waiting for her response, Xiang Yi simply hung up the phone and then made another call.

The phone rang and was picked up quickly.

"Didn't I tell you to follow closely! ?"

"I'm sorry, Mr. Xiang. That person appeared too suddenly, and we're on the other side of the road, so..."

"Where is he? !" He didn't seem to want to hear this nonsense!

"We're following him now. We've already memorized the license plate number and the model of the car. Now, we're heading south to north on Hanjiang Road!"

\* Pa! \*

After hanging up the phone, he picked up the car keys and rushed out of the office like a gust of wind.

The car had just driven away from the company building when they saw the long lines of traffic!

"Hey, are you leaving or Not! ?"

It had already been ten minutes, and Shi Nuannuan's entire face was ashen. No matter how the people outside the car window knocked, she did not have the slightest reaction.

At this time, the traffic police had arrived. Looking at Shi Nuannuan in the car, the traffic police could not help but knock on the car window. Of course, their words and actions were much more civilized than those of the drivers.

"Miss, Are You Alright?"

Shi Nuannuan, who had both her hands on the steering wheel, still had no reaction.

However, if this continued, the entire Z city would probably be jammed up because of her car!

"Miss?" The traffic police shouted again.

If she still did not respond, he might have to act according to the law and forcibly drag the car away.

At this moment, a figure walked over and pulled open the driver's door.

Seeing the dejected person, Xiang Yi felt his heart tighten and sting like needles.

Shi Nuannuan slowly turned her head and saw the man standing by the car door. The tears that he had just stopped were once again like the sea water that had burst a dam, surging down!

"Hanhan... My Hanhan..."

He picked her up and drove the car out of the city center.

As soon as he arrived at Jinghai Villa, his cell phone rang.

It was a call from Shi Yuting.

"What's going on?"

Xiang Yi picked up the phone and glanced at the person who was sitting on the sofa in a daze. Then, he walked to the window and opened his mouth. He closed his eyes as if he was trying to suppress the anxiety and anxiety in his chest.

"It's not clear at the moment. I've already kept a close eye on him. I've also sent someone to follow him."

### **Chapter 1483: xiang Jinghan was snatched away (3)**

"Do you need me to help?"

"Not yet."

He spoke weakly, as if he had already guessed the reason behind Han Han's sudden kidnapping.

On the phone, Shi Yuting was silent for a while, as if he also felt that there was a reason for this incident.

If the purpose of kidnapping Han Han was Xiang Yi, then naturally, only by going personally could he resolve the matter.

“Then make up your mind. If you need anything, call me again.”

“Okay.”

After hanging up the phone, he glanced at the person on the sofa. Although he couldn't put his mind at ease about her, he had no choice but to leave at this moment!

He turned around and strode towards the door.

Feeling that he had left, Shi Nuannuan, who was on the sofa, suddenly raised her head. “Where are you going! ?”

Her eyes were anxious. She felt that he seemed to know Han Han's whereabouts.

“You're at home. Rest well.”

“Do you know Han Han! ? where is He! ? where is He! ?”Tears poured down again. She grabbed his arm in jealousy!

The way she cried made his heart ache.

Her voice was a little hoarse. “Don't worry, I will bring Han Han to you safely.”

“You know who kidnapped him? You know where he is, don't you! ?”

“Yes.”

“I want to go with you!”

“No.”If she went, it would only distract him.

“I want to Go!”She insisted!

“Nuannuan!”

“I want to Go! ! !”She yelled anxiously.

It was her son who was kidnapped. It was a piece of flesh that fell from her heart. How could she sit still and wait at home?

In the end, he could not persuade her, so he could only take her with him.

On the cliff, an old villa that had been empty for a long time was still standing.

The waves hit the rocks, making a sound of crashing waves that came in through the window.

In an empty room, Xiang Jinghan's hands and feet were tied.

“Who are you! ? My Daddy will definitely not let you go!”

Seeing the woman who pushed the door open and entered, Xiang Jinghan's eyes actually shot out a cold light.

That gaze was exactly the same as Xiang Yi's.

Helian Manli walked over and gradually approached Xiang Jinghan.

“You look like your daddy...”

Not a trace of it could be seen on her calm face. Instead, looking at Xiang Jinghan’s face, she was somewhat lost in thought. She reached out her hand, wanting to caress that face that was exactly the same as Xiang Yi’s.

“Ah!”

Unexpectedly, before her hand touched the face, she was bitten by Xiang Jinghan in the next moment!

She instinctively exerted force and wanted to pull her hand back, but because of that, she pushed Xiang Jinghan to the ground. The back of his head hit the wall, causing him to frown in pain, but he gritted his teeth and refused to make a sound.

“You hate me?”

Looking at her bitten hand, Helian Manli raised her head and glanced at Xiang Jinghan in front of her, asking with a frown.

Xiang Jinghan hissed and then raised his eyes to glare at her. “Of course, you’re a Bad Woman!”

She was a little heartbroken. Although these words came from his mouth, it was more like they came from Xiang Yi’s mouth.

“Why... why do both of you hate me so much?”

Xiang Jinghan didn’t understand.

“Because you’re a bad woman. My Daddy hates bad women the most!”

Helian Manli was startled by his words.

The door was pushed open and he liantian walked in.

“Manli, why did you come in?” He liantian glanced at Xiang Jinghan, then his eyes fell on his daughter.

Today, he must have an explanation.

This Xiang Yi, he had taken a fancy to him back then, but in the end, he dared to use his daughter!

#### **Chapter 1484: where is my son! ?**

In the end, he even insulted his daughter!

Helian Manli slowly stood up and raised her eyes to look at her father.

“Father...”

“You don’t need to say anything. I will make the decision for you!”

Helian Manli glanced at him and finally walked out of the room with a dejected expression.

Just as she reached the living room, her phone rang.

She took out her phone and saw the name that lit up on the screen. It was the two words that would never take the initiative to call her other than work.

When she saw those two words, she even had a moment of excitement!

After a long while, she calmed down and picked up the phone.

“Hello?”

“Why are you doing this?”

Once the phone was picked up, Xiang Yi did not beat around the bush and went straight to the point.

His cold and emotionless voice was like an ice-cold blade, piercing into her heart once again.

However, she was also very clear that she had brought this upon herself.

If she had not fallen in love with him from the start, why would she feel pain and resentment?

“You’re here?”

“Why Must I hate you so much before you’re willing to stop?”

Hate you so much?

Hehe..

“Do you really hate me that much?”

“Previously, I didn’t. In fact, I was filled with gratitude towards you.”

“Helian Manli! It’s really you! Why did you kidnap my son! ?” Upon hearing Helian Manli’s voice from the phone, Shi Nuannuan, who was sitting in the passenger seat, could not help but snatch the phone.

Upon hearing her voice, Helian Manli paused for a moment and then laughed at herself.

“You guys are really inseparable.”

“Where is my son! ?”

“You Want to know?”

“Nonsense!”

“Then let Xiang Yi come alone.”

“Why should I listen to You?”

“It’s fine if you don’t listen, then you... just wait to collect your son’s corpse.”

“You Dare!”

Helian Manli laughed, “Why don’t I Dare?”

“If you dare to touch my son, I feel that I will destroy your Helian family’s reputation! Beyond Redemption!”

“Can you do it?”

“You can try.”

Helian Manli once again hooked up a smile of ridicule. She raised her gaze and saw that not far away on the highway, a few cars were driving over from afar.

“Xiang Yi, if you want to see your son, it’s best if you stop the car now and let all of your people, including the one beside you, get out of the car. Otherwise... I can’t guarantee what you will do next time due to my jealousy!”

When she said this, Xiang Yi turned on the speakerphone.

In the next moment, he couldn’t help but slam on the brakes! The other people behind him also stopped the car.

After a long time, he finally spoke into the phone.

“If you dare to touch my son, I absolutely, won’t let you off!” After stopping the car, he forced out each word from between his teeth.

Helian Manli seemed to have finally gotten used to his bloodlust and ruthlessness.

Wasn’t it the same.

For the past three years, he had always been gentle in front of others, but cold behind others.

“I’ve changed my mind.” As if she suddenly thought of something, the corners of Helian Manli’s mouth suddenly curved into a smile.

In the car, Xiang Yi and Shi Nuannuan were both startled at the same time, but their hearts were gripped even tighter. They didn’t understand what she was trying to do!

“Bring the person beside you over.”

As soon as she finished speaking, Helian Manli had already hung up the phone.

She returned to the house and saw her father sitting in the living room.

“Father, I want to handle this matter myself.”

“Last time, you also said that you would handle it yourself, but in the end? You made a mess of yourself!” He Liantian’s expression darkened.

## **Chapter 1485: How Would You Choose**

The last time, he originally wanted to find Xiang Yi himself to talk to, and even wanted to threaten him to marry his daughter.

But she insisted on handling it herself, and in the end, she made him lose everything, without a single bit of dignity.

“This time, I won’t allow you to do it yourself!”

“Then let me do it myself first. If I’m soft-hearted again, then you’ll make a move.”

He liantian was stunned. He raised his eyes and fixed them on his daughter in front of him.

Helian Manli seemed to understand his personality. He had been silent for too long, which meant that he had tacitly agreed.

She turned around and walked towards the room.

Downstairs.

Looking at the building in front of her, Shi Nuannuan was somewhat unsettled.

How was Han Han now..

Xiang Yi held her hand tightly and pulled her into the old villa.

Along the way, Xiang Yi’s peripheral vision was observing the security here.

There were only four bodyguards in the courtyard and two in the living room. They were walking up to the second floor.

There were only five people in the hall, including he liantian.

“You’re here.”

Helian Manli walked out of the door of the room.

“Where’s My Son! ?”

The moment Shi Nuannuan saw her, she wanted to pull out her tendons and skin her!

In the room, Xiang Jinghan heard Shi Nuannuan’s voice.

“Mommy!”

Hearing her son’s voice, Shi Nuannuan rushed over without hesitation!

Xiang Yi was still a little worried, because with her, he had one more fatal weakness.

“Nuannuan!”

He followed her, worried that she would fall into a trap!

“Hanhan!”

The moment he entered, he saw his son’s figure. Shi Nuannuan hugged him tightly in her arms, feeling her heart break.

“Hanhan...”

Xiang Yi walked in and noticed that there were only Helian Manli and the other two bodyguards in the room.

At this moment, the door was suddenly closed.

Xiang Yi turned his gaze and looked in the direction of the door, but he did not sense any danger approaching or lurking.

However, the moment he turned his gaze, the two bodyguards had already stood in front of Shi Nuannuan and Xiang Jinghan. When he sensed danger, it was already too late!

Shi Nuannuan was still holding her son. In the next moment, she felt an ice-cold muzzle pointing at her.

Xiang Yi's cold eyes burst out with anger, his hands hanging by his side tightly clenched!

He turned around and swept his gaze at Helian Manli!

"Let Them Go!"

Meeting his black eyes, Helian Manli's chest was still moved by him.

"Sure." She agreed very straightforwardly. Even Shi Nuannuan was surprised.

However, only Xiang Yi could tell that she was not that kind-hearted.

If she was really that kind-hearted, why would she go through so much trouble to arrange all this?

"What do I have to do before you're willing to stop?" He stared at her, his eyes filled with coldness and ruthlessness.

"What do you have to do? Will you agree to anything?"

He looked straight at her, but asked in return, "What do you think?"

She was stunned and still felt a little hurt.

The next moment, she turned around and walked to the French window, looking at the sea view not far away.

"I know that you must hate me now, but..."

She turned around and looked at Shi Nuannuan, then her eyes fell on his face.

"I want to know what choice you will make in front of your wife and children."

Pointing at the woman in front of him who had long turned dark, Xiang Yi's eyes narrowed slightly, not knowing what she would do next.

"What do you mean?"

Helian Manli paced again, walking towards him, "Don't you want to know, how will I let your wife and children go?"

**Chapter 1486: agreed so straightforwardly**

Xiang Yi did not say anything. His pair of eyes revealed a malicious light as he stared at Helian Manli who was walking over.

“Marry me.”

She casually said two words.

He frowned and was surprised for a moment.

Shi Nuannuan, who was at the side, only heard Helian Manli’s words. She was also stunned for a moment.

Immediately, the corners of Xiang Yi’s mouth rose slightly.

“Marry you?”

Helian Manli looked at him. “That’s right. If you want me to let go of your wife and children, then marry me.”

She really wanted to know what he would do in the face of such a choice.

“Okay.” He agreed, so straightforwardly, without even the slightest consideration.

When he said this, Shi Nuannuan’s eyes instantly widened. In an instant, she thought that she had heard wrongly!

Even Helian Manli herself was a little stunned.

He, agreed?

Why was he so straightforward?

“Xiang Yi...”

Looking at the man standing there, Shi Nuannuan opened her mouth in disbelief. She only felt that her heart was being stabbed one by one, as if it was being sliced into pieces.

However, Xiang Yi did not look at her. His gaze was always fixed on Helian Manli.

“You agreed?” Up until now, Helian Manli still found it hard to believe. She also thought that she had heard wrongly.

Didn’t he hate her? Why was he so decisive when faced with this choice?

She thought that he would have to consider for a long time before answering her. He would even give her the answer of ‘impossible’. But he actually agreed so straightforwardly?

This made her somewhat surprised.

“Isn’t this what you want?”

“What?”

“You threatened my wife and son’s life. As long as I marry you, other than agreeing, do I have any other choice?” His tone was calm, and no emotion could be seen from his pair of dark eyes.

Helian Manli suddenly realized that the man in front of her was like a controlled robot at this moment. He did not have his own consciousness at all.

And the ‘Yes’ from his mouth naturally died under his coercion.

Yes, wasn’t this the result she wanted? But... why was she not happy at all.

“Xiang Yi...”

Shi Nuannuan, who was standing at the side, could not help but cry.

She was also clear that at this moment, what was facing her and Han Han were two ice-cold muzzles. Facing Helian Manli’s coercion, he had no other choice.

But, his heart hurt so much.

“Don’t you hate me? Why didn’t you think about your answer?” Looking at the man in front of her, Helian Manli said with heartache.

“Do I have any room to consider?” He asked her back.

She was stunned and turned to look at Shi Nuannuan.

“You promised me so straightforwardly. Why? Aren’t you afraid that she will be sad?”

“Yes,” he said calmly. How could he not be afraid?

“Then why did you –”

“Didn’t I just say that I have a choice?”

Helian Manli was suddenly stunned and seemed to understand something in an instant. She looked at Xiang Yi in front of her in a daze.

He was afraid that Shi Nuannuan would be sad, but he was even more afraid that she would kill them.

It turned out that forced love was not only beautiful, it was even sad. Even though he had agreed to marry her under her own pressure, she was already married to a walking corpse.

She closed her eyes and two streams of tears slid down her cheeks.

Then, she raised her hand gently. The muzzle that was originally aimed at Shi Nuannuan and Xiang Jinghan suddenly retreated under her instructions.

Yes, she had lost. She had long lost at the starting point.

“Can you answer my last question?” She raised her eyes, and her gaze fell on Xiang Yi’s face for the last time.

He did not speak.

**Chapter 1487: you guys can leave**

“If it weren’t for Shi Nuannuan, would you... fall in love with me?”

He stared at her for a long time before he spoke, his tone was decisive and straightforward.

“No.”

She was stunned.

“Why?”

“Because when I first met you, I didn’t feel my heart palpitating.”

Helian Manli was stunned again.

But in the next moment, she understood and revealed a self-mocking smile.

So from the start, she had already lost.

Even if there was no Shi Nuannuan, his heart would not belong to her.

Liking someone really did not need any reason, but it would follow her feelings.

Liking meant liking, not liking. No matter how much she did, he would not be able to like her.

This was ‘the heart can not be controlled’. There was no way to force oneself not to like someone, but there was no way to force oneself to like someone.

“You guys can go.”

She lowered her eyes. She did not want to let herself suffer another crushing defeat.

Letting Go was the last bit of dignity she had left.

Her words surprised Shi Nuannuan, but Xiang Yi, who was standing there, looked calm.

In the next moment, he had already walked up to Shi Nuannuan and Nuannuan. After picking up Xiang Jinghan who was on the ground, he quickly left the room with Shi Nuannuan in his arms.

Outside the living room, he Liantian was still standing guard. When he saw the three people who walked out safely, he was very surprised.

But in the next moment, he seemed to have sensed that his daughter had gone soft again!

“Stop!”

He Liantian shouted at the three people who were walking towards the door!

Soon, a bodyguard blocked their way!

“Father.”

At this time, Helian Manli walked out of the room.

He Liantian turned his head and saw her standing at the door.

“Didn’t you want me to marry into the Bourne Family?”

Her sudden words made he liantian feel slightly surprised.

“You...”

“I thought about it. No matter how good Xiang Yi is, he can’t be compared to the third young master of the Bourne family.”

“So, you are...”

“I’ve decided to agree to young master Bourne’s pursuit. So, let them go.”

“But he —”

He liantian still wanted to say something, but was interrupted by her.

“You don’t want to? Then forget it.”

“No, I —”in the end, he liantian helplessly furrowed his brows.

At the beginning, he just didn’t want to see his daughter Sad and sad, and he also admired Xiang Yi very much. But compared to the Bourne family, which was also a noble family, he naturally hoped that his daughter could marry into the Bourne family.

“Let them leave.”

Looking at the three people in the distance, Helian Manli spoke again.

The bodyguard’s gaze moved from her face to he liantian. Seeing that he didn’t say anything, he tacitly agreed.

After leaving this old building, in the car, Shi Nuannuan finally let out a sigh of relief.

“Hanhan, are you okay? Tell Mommy if you’re not feeling well?”She lowered her gaze, wanting to know if Xiang Jinghan was unharmed.

Xiang Jinghan frowned and raised his hand to touch his forehead.

“I bumped into this place earlier.”

Hearing this, Shi Nuannuan quickly reached out to touch it. Just as she touched the back of her son’s head, she felt a lump there!

Her heart tightened, and her heart ached.

“How did you bump into it? Is it very painful?”

“Hiss...”Xiang Jinghan frowned and took a deep breath.

But he still said firmly, “It’s much better than before.”

“How did she bump into me? Was it done by Helian Manli?”

Xiang Jinghan nodded. "Yes, she suddenly came over and touched my face, saying that I looked like daddy. Then I hated her, so I bit her. Then she suddenly reached out and pushed me away, so I bumped into her."

#### **Chapter 1488: agreeing was only a temporary measure**

Listening to her son's story, Shi Nuannuan could not help but be stunned.

She raised her hand and gently rubbed the bump on the back of her son's head, but her gaze could not help but turn to the man in the driver's seat.

"Xiang Yi."

He turned his head and glanced at her, then immediately pursed the corners of his lips.

"If, in the end, Helian Manli did not do this, do you really... plan to marry her?"

Although she was also clear that in that situation, he didn't have a second choice, but if he really married Helian Manli because of this, the feeling of losing him again made her feel pain.

"What if it's You?" He suddenly asked her back.

Shi Nuannuan was a little stunned.

"What?"

"If it were you, with that gun pointed at Han Han, threatening you to leave me, what would you do?"

Shi Nuannuan was stunned.

If that was the case, what would she do?

It seemed that she had no choice but to agree.

But..

"Then, will you really marry her in the end?" She could not help but ask.

If that gun was only pointed at her, she would rather die than see him marry her.

He turned his head and glanced at her, but only chuckled.

"Of course not, agreeing is only a temporary measure."

Shi Nuannuan could not help but be stunned.

Temporary Measure?

So he was prepared to agree to her after she and Han Han left safely, then change the plan?

"Then, are you planning to... Act shamelessly?" She seemed to be unable to find a more suitable adjective.

But he was amused by her.

Act shamelessly..

Yes, this word was quite good.

But in the end, was he really planning to do that?

Rather than saying that he didn't want to keep his promise, it was more accurate to say that he was certain that Helian Manli would make the final decision.

"If you think that this is shameless, then it's Shameless."

She was confused by him.

"What do you mean it is if I say it is? Then if you don't act shamelessly, then you must marry her."

"As long as you and Jinghan are safe, I don't have any scruples."

Shi Nuannuan was stunned and instantly understood something.

He wanted to wait until Helian Manli released her and Jinghan, and when they were safe, he would take other actions?

But at that time, he was alone. No matter how skilled he was, he wouldn't be able to escape Helian Tian's tight security, right?

"Then, what do you plan to do in the end?" The expression on her face suddenly became serious, and even her tone became cautious.

He glanced at her and suddenly pulled out a faint smile, spitting out three words, "Shameless."

"..."

Looking at the side of his smiling face, Shi Nuannuan couldn't smile at all, and her eyes became a little deep.

Was he planning to fight Helian Tian with his life after she and he liantian left safely?

...

When they returned to the Jinghai Villa and entered the living room, Zuo Weiyi, who was sitting on the sofa, suddenly stood up.

"How are you? Are You Alright! ?"

She rushed over and looked at Xiang Jinghan and then at nuannuan, her face full of anxiety.

On the sofa, Shi Yuting also stood up when he saw the family members who had returned.

Seeing that the three of them were safe and sound, he was naturally relieved.

"I'm fine."

“Who did it?” This incident happened too suddenly, and it was in broad daylight that they snatched away Hanhan. Who exactly was the other party? And what was his motive? Zuo Weiyi was somewhat at a loss and puzzled.

Shi Nuannuan glanced at her and knew that her sister-in-law had died because she was worried about her and Han Han.

But regarding Helian Manli’s matter, she didn’t want to talk about it anymore.

“It’s fine, it’s just... Xiang Yi’s business rival.”

When she said this, Zuo Weiyi hesitated for a few seconds, but she didn’t doubt it.

### **Chapter 1489: was it that the food was not delicious?**

If one were to say that the enemy stole Han Han just to take revenge on Xiang Yi, this motive actually made sense.

On the other hand, if Nuannuan did not want to mention it again, it meant that this matter was no longer important. It was naturally good to move on.

“Has everything been resolved?”

Looking at Xiang Yi who was walking over, Shi Yuting spoke to him.

Xiang Yi nodded. “Yes.”

“Sister Chen, go boil two eggs for me,” Shi Nuannuan said as she looked at sister Chen.

“Okay.”

Hearing her words, Zuo Weiyi walked over and asked, “What’s Wrong?”

The two eggs were obviously not for eating.

“Hanhan’s head has a big bump on the back. I need to apply it on him,” Shi Nuannuan said to Zuo Weiyi as she turned her head.

Zuo Weiyi could not help but walk towards Xiang Jinghan when she heard that. She reached out to touch it, and sure enough, she touched a bump on his thick hair. She could not help but feel sorry for him.

Fortunately, the three of them came back safe and sound.

After all this, it was almost evening, and the sky outside the window was gradually darkening.

Knowing that they were fine, Shi Yuting and Zuo Weiyi left as well.

After a whole day, they didn’t even eat.

“Mommy, I’m hungry.”

Xiang Jinghan was also hungry for a whole day. After applying an egg on the back of his head, he immediately called out for food.

At this time, sister Chen happened to walk over. "Sir, Madam, it's time to eat."

Shi Nuannuan lowered her head and smiled at her son. "Then let's Go Eat!"

When they came to the dining room, sister Chen prepared a table full of sumptuous dinner. Although she didn't know what exactly happened, the young master was injured. Something bad must have happened, so she naturally had to make it sumptuous, to reward them.

"Han Han, drink the soup first."

Shi Nuannuan reached out and personally served her son a bowl of chicken soup.

Xiang Jinghan was really hungry and drank it all in one gulp.

"Grandma Chen's dishes are the best!"

Listening to the Little Guy's praise, sister Chen was also smiling and happy in her heart.

Seeing her son eating with relish, Shi Nuannuan was also very satisfied.

Seeing that she was only focused on preparing food for her son, Xiang Yi could not help but serve her a bowl of soup. He placed it in front of her and said, "You've been hungry all day. You should drink more."

Shi Nuannuan turned her head and looked at the man's gentle face. She smiled and lowered her head to serve the soup.

She wanted to serve it up to drink, but she did not seem to have the appetite.

Seeing that she did not move for a long time, Xiang Yi frowned slightly. "What's wrong? Doesn't suit your appetite?"

Sister Chen, who was standing at the side, could not help but be startled when she heard his words. Her gaze fell on Shi Nuannuan's face.

Regardless of whether it was young master or Madam, they had always liked the taste of their own cooking. It should not be to the extent that it did not suit their appetite.

Shi Nuannuan stared at the soup in the porcelain bowl. Indeed, she did not have much of an appetite.

It was strange. She had clearly not eaten anything for a day. Why did she not feel hungry?

"Uh... I don't have much of an appetite."

Before Xiang Yi could speak, sister Chen, who was standing at the side, felt a little awkward.

"Madam, is the Food Not Delicious?"

"No." Shi Nuannuan raised her head and glanced at sister Chen. "It's not that sister Chen's food isn't delicious, it's just that... I don't feel like I have much of an appetite."

These dishes were what she usually liked to eat, so it wasn't sister Chen's problem at all. It was her own problem.

But then again, why didn't she have an appetite?

In the past, when she was in the apartment, she couldn't resist sister Chen's dishes at all!

### **Chapter 1490: you want to take a Bath?**

Looking at the bowl of soup in front of her, an image suddenly flashed across Shi Nuannuan's mind!

Oh right, she had bought a test paper today and had not tested it yet!

"What's wrong with you?" Xiang Yi could not help but ask when he saw that there was something wrong with her expression. A subtle observation flashed across his eyes.

The moment Shi Nuannuan raised her eyes to look at him, her gaze actually flickered.

"It's... It's nothing!"

She picked up her chopsticks and decided to eat a few mouthfuls of rice. Then, she would take a shower to check if she was pregnant.

She ate mouthful after mouthful of rice. Unknowingly, she had also finished a bowl of white rice.

After dinner, Xiang Jinghan returned to his energetic appearance. He played with his toy car crazily in his room. In a short while, he was covered in sweat.

Because it was winter, even if the heater was on, Shi Nuannuan was worried that he would catch a cold.

"Jinghan, let's go take a bath, okay?"

"Mommy, do you want to come?"

"Of course!" She smiled and walked to the bathroom, filling the bath with warm water.

However, Xiang Yi frowned at the side, as if he was thinking about something.

"Jinghan."

"HMM?" Xiang Jinghan raised his head and felt that his Daddy's expression was a little strange.

"You want to take a Bath?"

"Yes!"

"Come with daddy!"

"..." Xiang Jinghan was stunned for a few seconds. Then, he looked at his pair of bright black eyes and asked in a daze, "But I've already made an appointment with Mommy."

"Then do you want to go with Daddy or Mommy?"

"..." Xiang Jinghan furrowed his thick eyebrows. This choice was too difficult!

"En..." he was trying hard to make a choice!

"En..." should he go with Daddy or Mommy?

“En...”it was still very difficult to make a choice!

Seeing that he was still unable to make a choice, at this moment, Shi Nuannuan had already filled the bathtub with bath water. She walked out to get her clothes.

The next moment, Xiang Yi picked up his son who was standing there and walked towards the bathroom in big strides!

Shi Nuannuan was still stunned. “What are you doing?”

“I’m going to bathe with him!”

”...”

Thinking about it carefully, it seemed that the father and son had never taken a bath together before.

Sitting in the bathtub, Xiang Jinghan suddenly thought of a very good suggestion!

Looking at Xiang Yi beside him, he said, “Daddy, why don’t we ask Mommy to join us? The three of us can bathe together!”

“No!”

Xiang Yi refused without thinking.

“Why?”The little guy looked confused.

“Because... men and women are different.”

”...”what is the difference between men and women?

“What do you mean by the difference between men and women?”

“That is...”Xiang Yi turned his face and looked at his son next to him. “Men and women can’t take a bath together.”

“But, I always take a bath with Mommy!”Occasionally, he would take a bath first.

Hearing that, Xiang Yi felt jealous. “Always?”

Xiang Jinghan nodded heavily. “Yes!”

After staring at his son for a few seconds, he turned his head. “We can’t take a bath together in the future.”

“Why?”

“Because your mommy can only show me her whole body.”

”...”Xiang Jinghan furrowed his thick eyebrows again, not understanding what he meant.

After soaking for nearly half an hour, the father and son stood up and went to the shower to rinse their bodies. Then, they walked out of the bathroom with a fragrant smell.

Seeing that the father and son had finished bathing, Shi Nuannuan quickly brought some clothes for her son to put on.

Perhaps it was because he was too tired from playing just now, Xiang Jinghan actually fell asleep on the bed unknowingly after soaking in a bath.
