

## Kiss Me 1491

### Chapter 1491: I want to wash again

Xiang Yi walked over wearing a set of casual pajamas. He glanced at his sleeping son and walked over to pick him up. Then, he turned around and walked out of the master bedroom.

After sending her son back to his room, Shi Nuannuan came back. She took her clothes and was about to enter the bathroom.

However, he followed her all the way to the bathroom.

He had already finished showering and followed her in. Shi Nuannuan could not help but feel strange.

“What are you doing?”

He stared at her. “Showering.”

“... aren’t you done showering already?”

He reached out and wrapped his arm around her waist. “I want to shower again.”

“...”

Before Shi Nuannuan could snap back to her senses, his sexy thin lips covered hers and pressed her against the wall.

“Oh —”

His kiss deepened and his hands started to move around her chest.

One move was enough to let Shi Nuannuan know what he was going to do next. She could not help but raise her hand and grab him!

“Don’t!”

He lowered his eyes and looked at her thick and curly eyelashes. His voice was muddy and hoarse.

“What’s Wrong?”

“Today, I can’t...”she lowered her eyes and was a little shy.

He was stunned. “Why?”

She wanted to find a reason. “Because... I’m having that.”

He was stunned for two seconds. Naturally, he understood what she meant by ‘that’.

He thought that she just wanted to find a reason to reject his ‘demand’, but after careful calculation, it was indeed time for her holiday this month.

“You’re really coming?”

She raised her eyes and glanced at him, afraid that he would suspect something, so she changed her story.

She nodded. "HMM... I think I'm here. I was just planning to take a look."

After staring at her for a few seconds, he finally let go of her.

"If you're not here, remember to tell me."

"..."I don't want to!

Shi Nuannuan responded to him in her heart, so she naturally did not dare to say it out loud.

Looking at the person who walked into the bathroom, the fire in his body could not be extinguished in time. He could only walk out of the room and go to another bathroom to take a shower.

Twenty minutes later, after taking a shower, Shi Nuannuan was about to take a test, but she realized that she could not find the test paper.

Strange, where did she put it before?

She rummaged through her bag, but there was no trace of the test paper.

Puzzled, she stood where she was in her pajamas. After thinking carefully for a while, she finally remembered!

After buying the test paper, she seemed to have stuffed it into the pocket of her coat!

She turned around and looked for her red woolen coat in the room.

It was not in the room.

Then, she went downstairs to the living room and saw her coat on the back of the sofa.

Then, she saw sister Chen walking to the sofa, as if she wanted to put her coat away or wash it.

"Wait!"

She was still on the stairs, so she quickly stopped sister Chen.

Hearing her sudden voice, sister Chen was shocked. She looked up and saw her running down the stairs!

She chuckled, "I'll wear this tomorrow!"

As she said that, she reached into her pocket. Sure enough, the things were still inside.

She smiled at Sister Chen, then took her coat and prepared to go upstairs.

Looking at her back view as she went upstairs, sister Chen could not figure out what had happened to her.

Seeing that she was almost done with her work, sister Chen was ready to return to her room.

However, the moment she turned around, she took a step forward, and a 'dong'sound suddenly came from behind her!

Sister Chen was startled and quickly turned her head. She saw that Shi Nuannuan, who was smiling at her earlier, had suddenly collapsed on the stairs!

### **Chapter 1492: Madam fainted!**

She turned pale with fright and rushed over. "Madam!"

When she rushed to her side, Shi Nuannuan seemed to have lost consciousness.

"Madam! ?"

Sister Chen was extremely anxious. She raised her head and shouted upstairs, "Sir, sir! !"

In the study on the second floor, Xiang Yi, who had just taken a shower, was about to send out an email. Just as he sat down and turned on his computer, he heard sister Chen's shout coming from downstairs.

"Oh no, sir! Madam has fainted!"

He stopped moving and heard sister Chen's second voice. Then, his expression changed abruptly, and he got up and rushed downstairs as fast as he could!

"Nuannuan! ?"

Just as he reached the stairs, he saw the person lying on the ground. Xiang Yi felt his heart tighten and he gasped!

"Nuannuan?" He picked up the person on the ground, his brows knitted together, and in the next moment, he had already carried her out!

Half an hour later, Shi Nuannuan was sent to the VIP ward.

"Pregnant?"

Hearing Zhong Shenghao's words, Xiang Yi was very shocked and surprised.

"Yes." Zhong Shenghao smiled. "Congratulations. This time, it might be a daughter."

Xiang Yi looked up. Perhaps it was too sudden, he was at a loss.

Although he had chills, he had never experienced this process. It turned out that this was the first time he had heard of Nuannuan's pregnancy.

The subtle feeling was almost indescribable.

"Is She Alright Now? Why did she suddenly faint?" He had never experienced this before, so he was at a loss for what to do with her when she suddenly fainted during pregnancy.

"I just had a full check-up. Everything is fine. She fainted because of the sudden hemorrhage in the operating theater when she was chills."

Hearing Zhong Shenghao's words, Xiang Yi's face suddenly changed.

"She bled out?"

Looking at his expression, Zhong Shenghao couldn't help but be startled.

Judging from his reaction, it should be that Nuannuan didn't tell him about this.

"Yes, because she was severely anemic when she was pregnant, she suddenly bled out halfway through the operation. At that time, the situation was quite dangerous, but fortunately, the blood bank was full of blood. In the end, the mother and son were safe." As he spoke, Zhong Shenghao raised his hand and patted his arm. "Don't worry, it's all in the past. Now, other than her body being weak, everything else is fine."

After saying that, he glanced at Zhong Shenghao and turned around to leave the ward.

Xiang Yi was stunned on the spot. It took him a long time to come back to his senses. He turned around and walked to the bedside, looking at the person lying on the bed.

In the three years that he was gone, did she experience a lot of things that he didn't know? How many more things were there that he did not know about.

He sat down by the bed and held her hand in his palm, pressing it against his forehead.

At this moment, Shi Nuannuan's hand suddenly moved.

When he sensed the movement, he immediately raised his head and saw that the person on the bed was slowly opening her eyes.

"You're awake." His voice was incomparably gentle, and his eyes flickered with tenderness and pain for her.

Shi Nuannuan opened her eyes and saw that everything was white. She turned around and saw him sitting by the bed.

What was going on?

She frowned and stood up, as if she wanted to sit up.

Seeing this, he quickly stood up and helped her lean against the headboard of the bed.

"What's going on? Why Am I in the hospital again?"

She frowned, and her complexion was much better than before.

She remembered that she had gone downstairs to get her coat and then went upstairs..

Uh, it seemed that just as she was about to step on the stairs, the world suddenly turned upside down, and then... she couldn't remember.

### **Chapter 1493: are you unhappy?**

He stared at her, but his expression was very calm. However, his dark eyes were filled with tenderness for her.

She should have noticed the pregnancy a long time ago. That was why she resisted when he was about to have her. Was she afraid that he would hurt the baby?

"You didn't come for your period, did you?"

His sudden words startled her.

Then, she nodded and said softly, "Yes."

He did not speak again and only stared at her.

Shi Nuannuan lowered her eyes. Since they had already sent her to the hospital, then whether she was pregnant or not should have already been revealed, right?

"AM I..." She looked at him and asked carefully, "Pregnant?"

His dark eyes stared at her and he lowered his eyes slightly. "Yes."

Shi Nuannuan was stunned for two seconds before she smiled sweetly and blissfully.

"I'm really pregnant..."

Although it was already the second time, she could still feel a sense of happiness whenever she thought of having a baby.

She lowered her head and looked at her flat stomach. It had only been more than a month, so she could not tell anything at all.

When she looked up, she realized that there was no smile on his face. He was just staring at her quietly.

Strange, was he not happy?

"Are you not happy?"

Why couldn't she see the same happy smile on his face?

Xiang Yi came back to his senses and raised his hand to caress her face. "How can that be? I just don't know how to express that happiness."

She was stunned and looked at him.

So this was the so-called happy to the point of 'not knowing what to do'?

"Really?" Although there was no doubt, she could not help but ask.

He finally smiled and nodded gently. "Yes!"

She smiled too. Her gaze fell on her lower abdomen again. Suddenly, she felt a sudden impulse and was filled with curiosity.

"Hey, do you think this is a boy or a girl?"

He glanced at her flat lower abdomen. It was really hard for him to believe that there was really a little life there?

“I don’t know, but as long as it’s yours, it’s fine, regardless of whether it’s a man or a woman.”

Shi Nuannuan frowned and looked at him suspiciously. “It’s really not fun at all. Can’t You Guess?”

Staring at her stomach, he thought for a few seconds. “It’s a girl.”

“Why?” She asked again.

He was only guessing based on his feelings. With her question, he did not know how to answer.

If he said it was a boy, would she also ask why?

“I don’t know. I feel it.”

“Then why don’t You Feel Like It’s a boy?”

“...” as expected.

“Then if I say it’s a boy, are you going to ask why I don’t Feel Like It’s a girl?”

Shi Nuannuan paused for a moment, as if it was really the case.

She giggled and instantly felt that she was so silly!

“If it’s a girl, do you think she’ll look more like you, or more like me?”

Without thinking, he said, “Like you!”

“Why?”

“Because...” he stared into her eyes. “I want a daughter like you.”

She blushed a little under his gaze, but her heart was sweet.

“How Do You Feel Now? Do you still feel uncomfortable?” Although he had already woken up, he was still a little worried.

Three years ago, he had missed it. This time, he would not let go of any details until his daughter was born.

Shi Nuannuan felt for a moment. There was indeed nothing uncomfortable about her body, so she shook her head. “No.”

“Then let’s stay here for a night and go back tomorrow morning.”

It was already late at night. He naturally did not want her to go home in the middle of the night the moment she woke up.

**Chapter 1494: she would definitely be very cute!**

The next day.

After spending the night in the hospital, the two of them left the hospital early the next morning and returned to the calm sea villa.

Xiang Jinghan, who found out that Shi Nuannuan was pregnant, instantly reacted a little like Xiang Yi. He was happy, but he didn't know how to express it.

After a long while, the little guy stared at her flat belly and reached out to touch it. "Is there really a baby here?"

"Yes." Looking at her son, Shi Nuannuan answered him happily with a satisfied and happy smile.

"So, I'm going to be a big brother?"

"Yes!" She nodded again.

The little guy was very happy, but there seemed to be nothing else on his handsome face except for a smile.

"Mommy, can you give birth to a sister for me?"

Xiang Jinghan suddenly raised his head and looked at Shi Nuannuan.

She was a little stunned, but it was more of an accident.

Both father and son seemed to want a girl? Why?

Looking down at her son, she couldn't help but ask, "Jinghan, why do you want a sister?"

"Because Mexico has a sister, so I want a sister too."

"Then tell Mommy, why do you want a sister when Mexico has a sister?"

"Because..." Xiang Jinghan thought for a moment. He was not even three years old yet, so it was difficult for him to find the reason and say it out loud.

"I think that if it's a little girl, she will definitely be very cute."

"Cuter Than You?"

"Of course, my sister will definitely be the most adorable and beautiful in the world!"

Looking at her son's happy expression, Shi Nuannuan could not help but lower her head and look at her flat stomach.

Could it be a girl? She really hoped that she was.

"Mommy, when will she be able to come out?"

Hearing this, Shi Nuannuan could not help but raise her head and calculate the time.

"She should only come out next year, around the time she goes to Kindergarten!" By that time, Han Han was already three and a half years old and should be sent to kindergarten.

"Will it take that long?"

“Yeah, you were the same at that time.” She raised her hand and touched the top of her son’s head.

In the blink of an eye, he had grown so tall.

At that time, she, who was lying on the operating table, thought that she would die. If she died, what would happen to the baby? If she died, would Xiang Yi... Miss Her? Would he send a bunch of flowers to her grave after she died?

Of course, it’s all in the past.

What would the second baby look like?

With her pregnancy, the wedding, originally planned for next summer, was moved up to February 14, Valentine’s Day, the sixth day of the Lunar New Year.

Years later, the entire Shi family also began to busy up, and Shen Lanzhi seems to be a little sad.

“Mom, you can’t bear to part with Nuannuan?”

Zuo Weiyi could tell that the closer they got to the wedding date, the lower her mood became.

Shen Lanzhi raised her head and glanced at her daughter-in-law who was sitting beside her before forcing out a smile. “It’s inevitable that I can’t bear to part with her. I just feel that time flies. In the blink of an eye, she and Yuting have grown up so much.”

Knowing that she couldn’t bear to part with Nuannuan, Zuo Weiyi couldn’t help but raise her hand to hold him tightly. “It’s alright. Even though we’re married, what can’t be changed is that we’re still a family in the end.”

Shen Lanzhi raised her head, smiled back at her, and nodded. “Okay.”

Zuo Weiyi also smiled.

“I have an appointment with Nuannuan to try on the wedding dress today. Do you want to come along?”

### **Chapter 1495: wedding dress fitting (1)**

Shen Lanzhi shook her head. “I won’t be going. I’ll stay at home and take care of Mo Mo and Lian Lian. You guys go ahead.”

“Alright, I’ll be leaving first.”

As she spoke, Zuo Weiyi had already picked up her bag and stood up.

“Mommy, where are you going! ?”

Just as she was about to walk towards the main door, Shi Lian’s figure suddenly appeared from the back door.

Zuo Weiyi turned around when she heard the sound and saw her daughter running towards her.

“Lian Lian.” She squatted down and looked at her daughter, who was only one meter tall.

“Mommy, are you going out?” Shi Lian looked at her. Her beautiful eyes were ethereal and full of vitality. She was extremely cute.

Zuo Weiyi smiled and nodded. “Yes, Mommy is going to try on the wedding dress with Auntie Today!”

Shi Lian loved being a girl, so she couldn’t help but feel a little curious about the beautiful wedding dress.

“I want to go too!”

Zuo Weiyi couldn’t help but be startled. She stared at her daughter and asked, “You’re going too?”

Shi Lian nodded heavily. “Yes!”

She glanced at the spot behind her. Shi Yuting should have been the one playing with the siblings earlier.

“Where’s Daddy and brother?”

“Daddy is training brother to escape from the secret room. I’m too bored.”

Zuo Weiyi could not help but be startled again when she heard her daughter’s words.

She remembered the first time when Mo Mo escaped from the secret room, he almost got injured and even had his eyes turned red from fright. Shi Yuting was actually here again? Did he not feel sorry for his son at all?

Thinking of this, she felt a little sorry for her son. After all, Mo Mo was only four years old. Why did he have to go through all this at such a young age?

“Weiyi.”

It was as if she was walking towards the back door because the secret room was at the back of the villa.

At this moment, Shi Le, who just happened to be downstairs, called out to her.

Wen Sheng turned her head and looked at Shi Le, who was walking downstairs.

“Mo Mo may be still young, but you have to remember that whatever Yuting does, it’s for his own good.”

Shi Le’s tone was very soft, but every word he said was sonorous and forceful.

Zuo Weiyi was stunned.

She also knew that everything Shi Yuting did was for the good of her son, but her heart ached for him.

Did every man who grew up in the Shi family have to go through this since they were young?

And Shi Le seemed to see through all of her thoughts with a single glance.

“It’s true that your heart aches, but if something happens to Mo Mo one day in the future, you won’t just feel sorry for him.”

These words made Zuo Weiyi feel as if she had just woken up from a dream.

Yes, right now, she would at most feel heartache. However, at this stage of Mo Mo's growth, he could be kidnapped, murdered, and other vile things at any time. At that time, if he didn't have the ability to protect himself., then, what she would have to face would not only be the word 'heartache'.

Thinking of this, Zuo Weiyi stepped back and glanced at Shi Le and Shen Lanzhi. "Then, I'll bring Lian Lian out."

"Okay, go ahead," Shen Lanzhi said gently.

"Goodbye to great-grandfather and grandmother," Zuo Weiyi said to her daughter as she lowered her head.

"Goodbye to great-grandfather and grandmother!" Shi Lian waved at the two of them obediently!

"Goodbye." Shen Lanzhi also raised her hand gently and waved at her kindly.

...

At nine in the morning, the mother and daughter had just arrived at the wedding dress shop and got out of the car when they saw Shi Nuannuan's car driving over.

Just as she got out of the car, Xiang Jinghan's figure dashed out from the other side.

"Hi, Jinghan!" Shi Lian greeted him.

Seeing Shi Lian, Xiang Jinghan ran over excitedly!

"Sister Lian!" The little guy ran over and couldn't help but hug her.

It was winter, so it was warm.

#### **Chapter 1496: wedding dress fitting (2)**

"Sister-in-law!" Seeing Zuo Weiyi, Shi Nuannuan closed the car door and waved at her. Then, she walked over in her high heels.

Seeing that she was running so fast, Zuo Weiyi was a little scared.

"Hey! Be careful!" She quickly walked over and stopped her from jogging!

"It's Okay!" It had only been less than three months, and Shi Nuannuan's stomach was still flat. Nothing could be seen.

But the first three months were the critical period, and she was still wearing high heels. How could she not have any common sense even after having a second child?

"What's wrong with you? You're already pregnant, yet you're still wearing high heels?" Zuo Weiyi could not help but scold her when she saw the high heels on her feet.

Shi Nuannuan also lowered her head. She had forgotten about them because she was used to wearing them.

“I’ll be more careful next time. Let’s go in first!”

The weather in February was still very cold.

Sister-in-law and sister-in-law walked into the wedding dress shop holding their babies.

The heater was turned on in the shop, so it was not so cold anymore.

Shi Nuannuan took off her coat and walked inside with Zuo Weiyi.

All kinds of wedding dresses were displayed on the models. Every one of them was made by a top designer, and every one of them was brand new. They were only for sale and not for rent.

“Wow, it’s So Beautiful.”

Although she had finished taking the wedding photos, Shi Nuannuan could not help but exclaim in surprise when she saw the dazzling variety of wedding gowns.

Today, she had come to get the three sets that she had ordered. She wanted to test the effects before making a decision.

“Remember not to tie them too tightly. She’s pregnant.”

Looking at Shi Nuannuan and the waiter who walked into the fitting room, she could not help but remind the waiter, “Weiyi!”

The attendant smiled and nodded at her. “Okay.”

“Sister-in-law, please help me!” Shi Nuannuan was a little embarrassed and could not help but look at her sister-in-law with pleading eyes.

Receiving her pleas, Zuo Weiyi smiled helplessly and walked over immediately. She took the wedding dress from the attendant and said, “Let me do it.”

“Help me look after the two children.” Before entering the fitting room, Zuo Weiyi spoke to the attendant and then looked at the two little fellows who were playing.

“Lian Lian, take good care of your younger brother. Don’t run around!”

Shi Lian made an OK gesture at her. “Okay!”

After giving her instructions, Zuo Weiyi and Shi Nuannuan walked into the fitting room.

Although her stomach wasn’t showing yet, Zuo Weiyi didn’t dare to tie it too tight for her.

“Is this okay?” Zuo Weiyi asked Nuannuan about her feelings as she pulled the belt on her back.

Shi Nuannuan nodded. “It’s about time.”

After changing into the first set, the two of them walked out and stood in front of the huge floor-to-ceiling mirror.

Shi Nuannuan was thinner than before. Even if her waist was not tightly bound, it could still accentuate her exquisite figure without any flaws.

“How is it?”

Shi Nuannuan was wearing a strapless wedding dress as she stood in front of the floor-to-ceiling mirror and looked around.

Looking at her beautiful face in the mirror, Zuo Weiyi could only think of one word, “Beautiful!”

“Really?” Shi Nuannuan was overjoyed.

“Of course! Our Nuannuan is a real beauty!”

“Hehe, then let’s try the second set!”

“Okay.”

Then, the two of them walked into the fitting room and changed into another set.

“What about this one?”

“Oh my God, I really can’t find a single flaw in it. It’s so beautiful that I’m a little tempted!”

It was truly beautiful. No wonder many people said that when a woman wore a wedding dress, she would be the most beautiful princess.

And at this moment, Shi Nuannuan was a truly beautiful princess!

### **Chapter 1497: Love Is Gone! (1)**

Shi Nuannuan was bashful and embarrassed by her praise.

“Then I don’t want to try it again. This one, I like it!”

“Okay, I also think this one is impeccable!” Zuo Weiyi agreed!

It was really tiring to try on clothes, unlike the usual clothes that were easy to wear.

After trying on two sets of clothes, Shi Nuannuan was so tired that she did not want to move anymore.

It was also because Xiang Yi had been too careful with her during this period of time that she didn’t have the ability to exercise at all. She would feel tired even if she strolled around the streets for a while.

After deciding on this set, the two of them walked to the fitting room and changed out of the wedding dress.

“Daddy...”

In the hall, Xiang Jinghan and Shi Lian were still playing. When they saw that it was snowing outside, Shi Lian, who liked snow, ran to the door and looked at the snowflakes falling from the sky.

When she reached the door, she unexpectedly caught a glimpse of Shi Yuting's figure on the opposite side of the road. In a flash, he had disappeared at the corner!

Looking at the disappearing figure, Shi Lian followed him without hesitation!

A shop assistant in the shop couldn't help but follow her when he saw her suddenly running to the opposite side of the road.

"Hey, Little Girl!"

However, when the shop assistant chased after her, Shi Lian had already rushed across the road. At this moment, she flashed past the measuring car. When the car passed in front of the shop assistant, she raised her eyes and saw that Shi Lian's figure had already disappeared!

She panicked and rushed into the shop. At this moment, Shi Nuannuan and Weiyi had already walked out of the fitting room and finalized the second set.

"This is it."

"Oh no, Mrs. Shi, your lady suddenly rushed out and disappeared!"

The shop assistant rushed over anxiously and looked at Zuo Weiyi.

In an instant, Zuo Weiyi seemed to be frozen in place. Her face turned pale as she looked at the shop assistant in a Daze!

In the next moment, she threw away the wedding dress in her hands and rushed out of the shop in big strides!

"Weiyi... Weiyi!" Seeing that her daughter was no longer outside the door, Zuo Weiyi's heart seemed to have fallen into an ice cellar!

"Over there, I saw her walk over there just now. But when I wanted to chase after her, she disappeared!" The shop assistant also walked over and pointed at the spot where Shi Lian had disappeared not far away with a bewildered look.

It should be known that the little girl who had disappeared was Shi Yuting's daughter. Moreover, young madam Shi had asked her to take care of her just now. If she was lost just like that, what would happen..., how many lives would she have left to pay for it?

At this moment, the waitress was so flustered that she did not know what to do. It was as if she had lost her own child!

"Lian Lian! Lian Lian..."

Following the direction pointed out by the waitress, Zuo Weiyi rushed over without a second thought. An unprecedented fear seemed to spread to her chest in an instant, swallowing and tearing her apart!

"Lian Lian..."

"Squeak!"

The sound of the rapid braking echoed like thunder in her ears the moment she rushed into the middle of the road!

Zuo Weiyi turned her head in horror and saw a private car speeding towards her!

“Sister-in-law! !”

Shi Nuannuan, who had also rushed to the side of the road, let out a heart-wrenching roar when she saw the shocking scene!

“Ah!”

Accompanied by a scream, Zuo Weiyi collapsed to the ground. Her face instantly turned pale without a trace of blood..

“Sister-in-law!” Seeing Zuo Weiyi collapsed in the middle of the road, Shi Nuannuan rushed over anxiously!

“Are you courting death! ? Don’t you even look at the road! ?”

The car window slowly rolled down and a man’s head popped out. He cursed at Zuo Weiyi who had collapsed to the ground!

### **Chapter 1498: lovelorn is missing! (2)**

If it were any other day, Shi Nuannuan would have smashed the car window with a single kick. However, she was worried about Zuo Weiyi.

“Sister-in-law, are you alright? !”

Zuo Weiyi snapped out of her shock. The shock that followed seemed to have scared her silly!

The next moment, she snapped out of her shock and stood up. Zhang Huang looked for the direction helplessly as he muttered his daughter’s name, “Lovelorn...”

“Sister-in-law!”

Seeing her staggering across the road, Shi Nuannuan quickly held Xiang Jinghan’s hand and followed her!

“Lian Lian...” Zuo Weiyi was so anxious that tears fell like rain. She felt as if the suffocating feeling in her chest was going to swallow her whole!

Lian Lian, where was her Lian Lian..

“Lian Lian... Shi Lian! !”

Snow fell one after another on the bustling streets. There were only a few pedestrians, but Shi Lian was nowhere to be seen.

She was anxious and panicked. She was like a walking corpse that had lost its soul.

“Lian Lian... where are you, where are you! ?”

Shi Nuannuan chased after her and looked at her sister-in-law who was flustered and at a loss. She could sympathize with this scene!

She hurriedly took out her phone and dialed her brother Shi Yuting’s number!

Shi Yuting had just been called over by Zhong Shenghao to settle some matters at a top-notch teahouse. Just as he was about to leave, his phone rang.

Seeing that the caller was his sister who was about to be the bride-to-be, he raised his brows and calmly picked up the call. “Hello?”

“Brother, Lian Lian is gone!”

Hearing this, Shi Yuting’s eyes turned cold and his expression instantly froze. Wen Sheng’s eyes were filled with shock.

“Why is she missing? The address!”

“We’re at the ‘Most Beautiful’ wedding dress shop on Nanchuan Road. Just now, I asked sister-in-law to help me get my wedding dress. When we came out, the shop assistant said that Lian Lian had rushed out. Then, we chased after her and she disappeared...” Shi Nuannuan could not help but cry, she even felt a little guilty.

If she had not insisted on sister-in-law helping her, Lian Lian would not have left her sight, and this would not have happened.

Nanchuan Road?

Shi Yuting frowned. He was currently at Nanchuan Road!

“Did something happen?” Zhong Shenghao’s expression changed after he picked up the phone.

Shi Yuting ignored him and walked to the window to look outside.

Just as he lowered his gaze, he saw the only warm figure standing by the road not far in front of him.

On the ground, Zuo Weiyi was squatting there, almost breaking down!

He turned around and rushed down the stairs! Zhong Shenghao followed closely after him!

“Weiyi!”

His voice came from not far away.

Zuo Weiyi raised her head. Her vision had long been blurred by tears.

“Ting... What should I do? Lian Lian... Lian Lian is gone. What should I do... What should I do...” she was crying like a pear blossom in the rain. She was on the verge of breaking down and was at a loss!

“Calm down first. Tell me what happened?” He looked at her. His voice was very soft, but there was an unconcealable anxiety between his brows!

Zuo Weiyi sobbed. "I don't know. I... I told her to play in the shop, but... but the shop assistant said that she suddenly ran out, and then... When I came out again, I couldn't see her anymore... sob..."

Hearing her words, Shi Yuting sorted out his thoughts.

Lian Lian had run out of the wedding dress shop by herself?

"Hurry up and find... hurry up and find Lian Lian!" Zuo Weiyi was so anxious that she was hopping around. She wanted to look for Lian Lian, but she didn't know where to go at all.

Shi Yuting took out his phone and dialed a number. After instructing her, he also pulled her to look around.

Shi Nuannuan was about to follow him, but he stopped her.

### **Chapter 1499: was about you..**

"You're pregnant and cold. Go home and wait for news."

"But..."

"Be good and listen to me."

After saying that, Shi Yuting pulled Zuo Weiyi and turned around to look for Shi Lian.

Although Shi Lian was only four years old, Shi Yuting knew that she was smart enough not to be abducted.

"Excuse me, have you seen a little girl? She's wearing a white earmuffs and is very beautiful..."

Zuo Weiyi had been asking about someone from a distance along the way.

However, every time she answered, she would either shake her head or not.

"What should I do... What should I do..."

After half an hour of searching, Zuo Weiyi had completely collapsed. She could not hold on any longer and squatted on the street, crying out in pain..

Looking at her crying on the ground, Shi Yuting's heart was broken.

"She'll be fine. Lian Lian is very smart."

But no matter what he said, to Zuo Weiyi, it was just comforting words. It was useless.

"Excuse me, have you seen a little girl? She has long hair and wears white ear-warmers. She's very beautiful!"

Zhong Shenghao was also asking on the street.

"Is she wearing a pink cotton-padded jacket?" A restaurant employee answered him.

Zhong Shenghao paused for a moment and instantly saw a glimmer of hope.

But a pink cotton-padded jacket?

He didn't see Lian Lian today, so he naturally didn't know what color she was wearing.

"Wait!"

He hurriedly said to the employee, then turned his head and shouted at Shi Yuting, "Ting, Lian Lian is wearing a pink cotton-padded jacket?!"

Hearing Zhong Shenghao's voice not far away, the husband and wife immediately turned their heads, hoping to be ignited in an instant.

Zuo Weiyi stood up and ran over at the first possible moment!

"Yes, she's wearing a pink cotton-padded jacket!"

"I saw her and a woman walking towards the square."

Hearing this, the three of them couldn't help but be startled.

With a woman?

Zuo Weiyi's first impression was naturally that she was a human trafficker!

She turned around and rushed to the square!

"Lian-lian! Lian-lian!?"

The square was very big. Perhaps it was snowing, but there were many people gathered there at the moment, looking at the falling snow.

There were too many people, so Zuo Weiyi couldn't see Lian-lian's figure at all.

"Over there!"

Zhong Shenghao saw a figure and was sure that it was Lian-lian! He couldn't help but rush over immediately.

Shi Yuting and Zuo Weiyi also couldn't help but look over when they heard the voice. Sure enough, they saw Shi Lian sitting by a Feng Shui pool.

"Lian Lian!"

The two of them rushed over hurriedly.

Zhong Shenghao was about to rush in front of Shi Lian when he suddenly stopped. The expression on his face even froze on the spot.

He saw a figure walking towards Shi Lian. In the next moment, he handed a cup of milk tea to Shi Lian.

"Drink it, it's hot."

Shi Lian looked up at the woman in front of her and thanked her before reaching out to take the milk tea!

“Pa!”

The moment she reached out, milk tea was suddenly slapped onto the ground!

“Lian Lian!”

Zuo Weiyi hugged her daughter and stared at the woman who had just given milk tea to her. “What do you want to do to my child! ?”

She turned around and before she could finish her sentence, her expression froze when she saw the woman standing there.

Shi Yuting walked over. When he saw the woman’s face clearly, his deep eyes instantly turned cold!

“It’s you...”

Zuo Weiyi could not believe it. It had been so many years, and she still wanted to harm her child?

### **Chapter 1500: this sister was not a bad person**

Looking at the family of three in front of her, Jing Xinlei’s expression was calm. She lowered the curtain slightly, took a glance at milk tea who had just been slapped away, and then looked up at her.

However, before she could speak, she felt her arm being pulled forcefully. In the next second, she heard Zhong Shenghao’s angry roar!

“Why do you never change! ?”

Jing Xinlei was stunned by his roar and stared at him with her black eyes. “What...”

“It’s been so many years. Can’t you let go of that little bit of jealousy in your heart? The only time I’ve forgiven you, forgiven you, why... Why do you still want to deal with her! ?”

Zhong Shenghao looked at the woman in front of him with heartache. He had tried to protect her time and time again, but she always pushed herself to the edge of the cliff!

Jing Xinlei’s gaze lingered on his face. She looked at him and then at Shi Yuting and Zuo Weiyi.

She looked at Shi Lian again and instantly understood. She looked up at the man in front of her. “I can’t let go of my jealousy? I want to deal with her?”

“No?”

“No.”

“No? If you didn’t bring Lian Lian here, why did you! ? Didn’t you want to hurt her just like you did four years ago! ?”

His words made her heart ache.

“I didn’t.”

“You only know how to say no.” Looking at her, his eyes were scarlet as he endured the pain.

After a long while, Jing Xinlei didn't speak again.

"Yes, I just won't change. I only know how to say 'no'. Since that's the case, then why did you confine me to your side?"

Her words instantly made him speechless.

Why did he have to do this? It had been four years, yet she still could not understand why he had to do this?

Because he loved her and was afraid that she would do something again and lose his life, so he could only confine her and force her to stay by his side.

He thought that time would dispel the hatred and jealousy in her heart, but now it seemed that he was too naive.

"Daddy, Mommy..."

At this moment, Shi Lian suddenly raised her head and looked at Shi Yuting and Zuo Weiyi.

Zuo Weiyi lowered her head and looked at her daughter in her arms.

"This sister is not a bad person."

The moment she said this, the other three looked at Shi Lian at the same time.

Zuo Weiyi was stunned and frowned. "Not a bad person?"

Shi Lian nodded. "Yes. When I was at the wedding dress shop, I saw Daddy's figure. I couldn't help but run out. But when I chased after Daddy's figure, Daddy suddenly disappeared again."

Hearing this, Shi Yuting also remembered.

Previously, he had received a call from Zhong Shenghao at home. When he rushed to the teahouse, he indeed had to pass by the 'Most Beautiful' wedding dress shop.

So, did Lian Lian see his figure when he passed by?

"And then?" Zuo Weiyi was still a little confused.

"Then, I chased him to the entrance of a teahouse and planned to go back to look for Mommy. However, I ran into another middle-aged uncle. He's a bad person!" When she said the last sentence, Shi Lian could not help but pout with a sullen look in her eyes!

"Middle-aged uncle?"

"Yes!" Shi Lian nodded and continued, "He actually lied to me that he saw Daddy and brought me there!"

Uh, at that time, she really wanted to look for Daddy, so she lost her guard and was almost deceived by that bad uncle!

"After that, I realized that he was planning to secretly kidnap me! After that, I wanted to run away, but that bad uncle grabbed me and covered my mouth, not letting me make a sound!"
