

Kiss Me 1551

Chapter 1551: doesn't disturb you

"Xinlei, what... What happened to you?"

Zhong Shenghao glanced at his mother. His initially relieved face now had a layer of worry.

His mother was amiable, but as a member of a wealthy family, he didn't know if she had the thought of 'being of equal status'.

In order not to break Xinlei's good impression in his mother's heart, Zhong Shenghao briefly explained her family's situation.

However, compared to being of equal status, Xinlei's family background was not bad.

"Mom, Xinlei's parents were also businessmen in the past. Later... They both passed away due to an accident."

Hearing this, Shu Yan was stunned. Only then did she realize that she had really said the wrong thing.

She quickly turned her head and pulled Jing Xinlei's hand to comfort her. "Xinlei, Auntie didn't mean it. I just... wanted to confirm your family. Okay —"

She wanted to say 'good betrothal, arranged marriage', but if she said this, would it scare her again?

With this thought, the words that Shu Yan wanted to say were stuck in her throat again.

"I didn't know your parents had passed away, but don't be sad. In the future, your uncle Zhong and I will be your biological parents. Ah!"

She tried her best to say it, not wanting Jing xinlei to be sad.

"It's okay. My parents... have passed away for four years."

"..."four years?

"So, you've lived here for... four years?"

"Yes."

Upon hearing this news, Shu Yan couldn't help but feel happy.

They had lived here for four years, which meant that the relationship between her son and her was very deep. It seemed that she was going to prepare for a wedding!

Uh, looking at Jing xinlei, no matter how anxious Shu Yan was, she knew that it was not appropriate to talk about this now. It was better to wait until she was in a good mood.

Anyway, she had waited for so many years. It was not a matter of time.

"Xinlei, in the future, if you need anything, just let us know, understand?"

“Thank you, Auntie.”

“Don’t mention it. You are my future daughter-in-law. If I don’t treat you well, who else can I treat well?”

Facing Shu Yan’s warmth and amiability, the trace of grief in Jing Xinlei’s heart that she missed her parents was also diluted by her.

She smiled and didn’t speak again.

At dinner time.

At the dining table, Shu Yan kept putting food into her mouth. Jing Xinlei finished eating and she kept putting food into her mouth, which led to a meal. Jing xinlei only ate the food and didn’t have time to eat.

In the end, she was also full!

“Mom, I asked Uncle Zhou to prepare a room for you and dad on the third floor.”

When Shu Yan heard that, she couldn’t help but look up and glanced at the direction of the third floor.

“Third floor, is it a guest room?”

“En, because I didn’t know you would suddenly come, I temporarily let you suffer for the night.

Tomorrow, I’ll get someone to clean up the other bedroom on the second floor.”

“No, no, no, we’ll stay on the third floor. We Won’t Disturb You!” As soon as she finished speaking, Shu Yan hurriedly covered her mouth.

In her anxiety, she actually blurted out her intentions.

Zhong Shenghao glanced at Jing Xinlei’s room. Fortunately, she didn’t hear this sentence.

“Mom, Xinlei and I aren’t like what you think.”

They each lived in a room. How could they be disturbed?

“I know, so...” Shu Yan looked around, then whispered into her son’s ear, “Son, when this man doesn’t need a ‘gentleman’, he must ‘make a move’!”

“Mom!”

“Okay, okay! I’m joking, I just... Hehe... I want to have a grandson Sooner!”

Shu Yan laughed and then left with her mouth covered. She couldn’t help but give her son a playful look, as if she was hinting at something.

Chapter 1552: our son stupid?

“Hubby, don’t you think... Our Son is a little stupid?”

At night, Shu Yan, who had taken a shower, lay in bed. The more she wanted to make an appointment, the more anxious she was.

She had lived here for four years, but she actually slept separately. If it were in the past, she and Zhong Zhengnan would have slept together long ago. It couldn't be that her son didn't know about that, right?

"What do you mean?" Zhong Zhengnan frowned. His wife's words made him inexplicably puzzled.

"Think about it. It's already been four years. You and I knew each other for less than a month back then, and you were anxious to coax me into bed. But our son, it's been four years, and he still slept separately with Xinlei. Do you think... He doesn't understand this aspect?"

Shu Yan was very worried about this!

"I think you're the one who's stupid!"

Zhong Zhengnan couldn't help but flick his beloved wife's forehead. "Hao Cheng is already so old. He's a man. Do you think there are any men in the world who don't know that aspect?"

Shu Yan thought about it and didn't think so.

Which man in this world wasn't an aphrodisiac? Then why was her son able to spend four years in peace? Or was it because they were 'together' a long time ago, but they didn't sleep in the same room?

But that didn't make sense. If they were sleeping together, then why did they have to live in two separate rooms?

No, no, no! It seemed that she had to do something..

..

The next morning, Zhong Shenghao had someone decorate the room on the second floor.

After breakfast, he went to the hospital.

The arrival of his parents could be considered to have added some vitality to this deserted villa.

"Xinlei, let's go shopping, okay?"

As she didn't know that her son had a girlfriend, she didn't have time to prepare the greeting gift. After thinking for a while, she decided to go shopping for her.

However, she wasn't familiar with this place, so she could only invite her. It just so happened that she wanted to use this time to get along well with her future daughter-in-law so that their relationship could be warmed up.

"Shopping?"

"Yes, I came here with my luggage. I didn't bring many daily necessities. Can you accompany me to buy some?"

Jing Xinlei was a little hesitant, but in the end, she agreed.

The two of them left the villa together. As a man, Zhong Zhengnan naturally did not follow them. Instead, he stayed at home to read newspapers and books to kill time.

“Xinlei, let me ask you something.”

In the car, Shu Yan looked at Jing Xinlei with a smile and suddenly spoke.

Jing xinlei turned her head. “En?”

“You like Sheng Hao?”

She paused. This question was too straightforward. She was embarrassed and could not help but lower her face shyly.

Seeing her shyness, Shu Yan felt that she had asked too bluntly. She hurriedly smiled. “I don’t have any other meaning. I just... want to ask you, is my son not normal?”

Jing xinlei raised her head and looked at Shu Yan in a daze. “Abnormal?”

“Yes, what are you...” she didn’t know how to describe it, but in her heart, she really wanted to know if her son was abnormal!

“Auntie, what do you want to ask?”

Seeing that she was anxious but didn’t know how to speak, Jing Xinlei couldn’t help but ask.

“Aiya, it’s... Sheng Hao! is his sexual orientation normal or not? !”

In the end, Shu Yan mustered up her courage to ask!

As a mother, she might not be able to doubt her son like this, but four years... how did he endure it?

Jing Xinlei was completely flabbergasted when she said this.

Chapter 1553: have you slept together?

Is Zhong Shenghao’s sexual orientation normal?

She wanted to speak, but subconsciously, she didn’t know how to answer.

She was sure that he liked her, so it should be normal, right?

“It should be, it should be normal...” she said uncertainly. She didn’t understand why she was sitting in the car and talking to his mother about such a topic.

Shu Yan heard it and couldn’t help but frown. “What do you mean it should be?”

“Because, if he is abnormal...” Jing xinlei felt very awkward, but if she didn’t answer his mother’s question, it didn’t seem good either?

But why did it have to be this kind of topic?

“If he is abnormal, he probably won’t... Date Me, right?”

Uh, it wasn't wrong to say that, but she still wanted to know whether her son was normal in that aspect.

"Then, did you... Have Sex?" Although she knew that she was a girl and thin-skinned, they were both women and had been through it. They were even her future mother-in-law, so the mother-in-law and daughter-in-law talked about their son's sexual orientation, it should be fine, right?

Jing Xinlei was stunned. "What?"

"It's that one."

"Which, which one?"

Shu Yan looked at her fixedly. In the end, she had no choice but to whisper in her ear: did you and Sheng Hao sleep together? !

"..."

After saying that, Shu Yan left her ear. When she glanced over again, she saw that the side of her face was completely red!

She was so shy that she had nowhere to hide. Why would his mother talk about such topics with her?

However..

She didn't seem to dislike it?

"Xinlei." Looking at her bashful appearance, Shu Yan seemed to have noticed something. She couldn't help but ask, "Did you guys sleep together?"

Jing xinlei suddenly turned her head. "No!"

"Then why are you so red-faced?"

Even if it was just because of this sentence, it shouldn't be so red for so long, right?

"I, we are not like what you think."

"Like what?"

"Just the day before yesterday, the water pipe in my bathroom broke, and the water spilled to the bedside. We couldn't sleep, so we..."

"We slept together! ?" Although Shu Yan was surprised, her face was full of joy!

Jing xinlei knew that she misunderstood the meaning of this, so she quickly explained, "But it's not what you think. We, we didn't happen..."

Hearing this, the smile on Shu Yan's lips couldn't help but stiffen.

Nothing happened! ?

A man and a woman, living in the same room, sleeping in the same bed, nothing actually happened! ?

Sure enough, was her son abnormal?

Thinking of this, Shu Yan couldn't help but hold her forehead, looking like she had a headache.

Jing xinlei, on the other hand, was stunned.

She clearly noticed that when she heard that she and Zhong Shenghao slept together just now, the expression on her face was excited and excited, but when she heard that nothing happened between them, it seemed like she was very disappointed?

"You, What's Wrong?"

"Xinlei!"

Shu Yan suddenly reached out and grabbed Jing Xinlei's hand. With a sorrowful expression, she said, "You must help me!"

"Help You? What?"

"That's not right!" Shu Yan was confused and corrected, "You must help our Shenghao!"

She was even more confused and looked at Shu Yan in a daze. "Help him with what?"

For four years, he had been helping her and protecting her. He didn't need her help at all.

"That's right." Holding her hand, Shu Yan said with a straight face, "Go seduce him!"

Chapter 1554: I really don't need this!

"..."

For a moment, Jing Xinlei thought there was something wrong with her ears and misheard.

"You want me to... seduce... Hao Sheng?" She asked again with uncertainty!

Shu Yan nodded solemnly!

"That's right! Xinlei, listen to me. The happiness of a woman's life is very important! "Therefore, before you get married, you must find out if that kid's sexual orientation is normal or not. If he's only interested in men, won't you be lonely for the rest of your life after you marry him?"

Jing Xinlei was stunned when she heard that, but she understood the reason behind what she wanted to say.

Hao Cheng... shouldn't be abnormal, right?

But then again...

That night, they slept in the same bed, but he didn't do anything. Could it be that he was really abnormal?

"Then, what should I do?" Looking at Shu Yan, she actually blurted out and asked.

As soon as she finished speaking, she wished she could find a hole and hide in it!

When she asked this question, wasn't it the same as saying, "How should I seduce him?"

Thinking of this, she was so embarrassed that she couldn't be ashamed!

However, Shu Yan's smile was very sly!

Seeing her sly smile, Jing Xinlei even thought, is this really Zhong Shenghao's biological mother?

"This, I have experience. Let's talk about it while shopping later!"

While the two of them were talking, the car had already arrived at the bustling city center!

After getting out of the car, Jing xinlei asked her, "What do you want to buy?"

"Let's look at the clothes first!"

Shu Yan held her hand, and the two walked into the mall like sisters!

When they came to a fashion shop, Shu Yan pulled Jing Xinlei in.

"Try This on!"

After liking a clear set of autumn clothes, Shu Yan directly said to Jing Xinlei.

She was slightly stunned and pointed at herself. "I'll try it on?"

"Yes! Otherwise, Auntie is so old, how can she wear this kind of clothes?"

"You don't look old at all,"Jing xinlei said sincerely.

Shu Yan indeed didn't look old. Standing next to Zhong Shenghao, no one would recognize them as mother and son, because she was indeed very young.

Shu Yan liked to hear these words. "Our Xinlei's mouth is really sweet. Auntie loves to hear these words, Haha!"

After saying this, Shu Yan couldn't help but cover her mouth and Snicker.

"Quick, try this set of clothes to see if it looks good!"

"Auntie, Hao Cheng has prepared a lot of clothes for me. I really... Don't need to Buy More."

There were still a lot of new clothes in the closet, and she couldn't wear them all.

"Aiya, Hao Cheng bought Hao's clothes. I bought them for you as a gift! Be Good, go and try them on."Shu Yan insisted. She came out today to buy some gifts for her as a greeting gift.

It seemed too vulgar to give her a big red packet directly.

In the end, Jing Xinlei had no choice but to take the clothes into the fitting room.

"Well, it looks good!"Looking at the clothes she tried on, Shu Yan was very satisfied and gave her a big thumbs up!

The Zhong family was rich, but they were very low-key, so Shu Yan had a sense of propriety when buying gifts.

She never showed off how much money she had. As long as the gift was appropriate, it would be fine.

After buying a set of clothes, she dragged Jing Xinlei to an underwear store.

Looking at the dazzling array of sexy underwear inside, Jing Xinlei was completely stunned and couldn't help but swallow her saliva.

Cheng Hao's mother couldn't be planning to give her the clothes inside, right?

Just as she was thinking, she was dragged in!

"Let's Go!"

"Hey, Auntie, I really don't need this!"

"Why? Did Hao Sheng prepare a lot for you?" When she asked, Shu Yan was very careful, but her eyes were shining with anticipation.

Chapter 1555: men love this!

Because of this, Jing Xinlei's face turned red.

"No!" She quickly denied it. Even if she really bought it, she definitely wouldn't say it out loud!

"Since you don't have it, then Auntie will give you a set!"

Despite her objection, Shu Yan pulled her and walked straight in!

"Auntie, I really don't need –"

"Xinlei, you just said you would help me..."

Before she could finish her sentence, she saw Shu Yan's pitiful appearance in her clothes and her watery eyes.

Jing Xinlei paused. She realized that Zhong Shenghao's mother was really like a child sometimes, but she had the style of an elder.

She was really a colorful woman.

"I..."

She suddenly realized that the so-called 'help' Shu Yan mentioned was to buy these things for her and then... seduce Shenghao?

"You don't want to marry an abnormal man, right?"

Shu Yan whispered in her ear.

Jing Xinlei's face suddenly turned red.

She and Zhong Shenghao were only confirmed. It was still far from the word 'marry', right?

However, was he abnormal or not?

Looking at Shu Yan, she suddenly fell silent.

Shu Yan turned around and quickly picked out a set of sexy pajamas for her!

"How about this?"

Fortunately, there were no other customers in the shop at the moment, only a female boss. Otherwise, she would really be ashamed!

"Is it too, too transparent?" It was all lace!

"Let me tell you, Men Love This!"

Jing Xinlei was stunned and looked at Shu Yan. She thought, Zhong Shenghao really likes this?

"Change, change it."

"Then this!"

Shu Yan turned around and took another one, but it was still very revealing and hollow.

"This one."

She took a fancy to one and took the silk sleep group.

"This is too ordinary!" Shu Yan was not satisfied and glanced at another one. "This one! Look!"

She took a red sexy deep v suspenders to sleep group, but her back was still hollow.

Jing xinlei really didn't understand why she had to wear this.

"This one, wrap it up!"

Before she could say anything, Shu Yan had already taken the Nightdress and asked the female boss to wrap it up!

"Auntie –"

"Okay."

The female boss smiled. Before Jing Xinlei could say anything, she had already taken the bag and wrapped it up.

"And this one, this one, help me wrap it up too." Shu Yan picked out two sets of sexy lingerie and asked the boss to wrap them up.

Seeing that they were all styles that she had never worn before, Jing Xinlei's mouth couldn't help but Twitch a few times.

Were those clothes really suitable to wear?

After paying the bill, the two of them left together.

Just as they walked out of the lingerie store, Jing Xinlei's footsteps suddenly stopped. Her gaze glanced at the woman who was walking toward them.

Xiao ran looked up. The moment she saw her, she was also a little surprised.

But since her face was already torn, she naturally didn't need to give her a good look anymore.

The current Jing Xinlei had nothing. She only relied on the 'charity' Zhong Shenghao gave her to survive until now!

"What's Wrong?"

Seeing her suddenly stop, Shu Yan, who was holding her, couldn't help but turn her head and look at the side of her face. Seeing that she was staring straight ahead, she followed her line of sight and looked over, she found a woman walking in front of them not far away.

"It's okay."

She withdrew her gaze from Xiao Ran's face. Jing xinlei turned her head and looked at Shu Yan with a faint smile. Then, she strode over Xiao Ran's side and left with Shu Yan.

Chapter 1556: our family has decided on you!

"Jing Xinlei!"

Seeing that she was turning a blind eye to her, Xiao ran was a little annoyed and suddenly called out to her.

As soon as she finished speaking, she turned around and a pair of sharp eyes fell on Jing Xinlei's back.

Jing xinlei stopped in her tracks, but she did not turn back. She just stopped there, wanting to hear what Xiao ran had to say to her.

"The current you is only surviving on the support of a man. What right do you have to be so arrogant?"

Hearing her words, Jing Xinlei suddenly turned around and looked straight at Xiao ran, her expression cold. "Why? Do you feel that you have been ignored by me, so you are not in balance and come to find a sense of existence?"

"You!" Being choked by her words, Xiao ran was instantly furious. She glared angrily at Jing xinlei, but she couldn't find anything to add to her frustration.

Jing xinlei gave her a cold glance and turned to leave again.

Seeing her leaving, Xiao ran stomped her feet in anger. However, she noticed the woman next to her.

Didn't she have no friends? But the woman next to her looked very noble. Who Was She?

Could it be that she had really cheated on Hao Cheng with someone else?

She dared to ruin her development in the entertainment industry. She had to take revenge! Not only that, she also wanted to drive her away from Sheng Hao!

“Who was that woman just now? Why is she speaking so harshly? She’s too uncultured!”

After leaving the mall, Shu Yan couldn’t help but open her mouth when she thought of Xiao ran just now.

Jing xinlei suddenly froze.

She turned her head and glanced at Zhong Shenghao’s mother.

According to Xiao Ran’s personality, she must hate her to the bone right now. Naturally, she would think of all kinds of ways to deal with her. If Sheng Hao’s mother knew that she had been in prison before and what she did to Zuo Weiyi., would she still be as warm to Xiao ran as she was now?

“What’s Wrong?”

Seeing that Xiao ran was in a daze again, Shu Yan couldn’t help but turn her head to look at Xiao ran. She followed Xiao ran and stopped in her tracks.

Jing xinlei came back to her senses and smiled at her. “It’s nothing.”

What should be done will be done. There was no need for her to hide.

She put the things she had bought into the car. In the blink of an eye, it was already noon.

“Should we go back to eat or eat outside?”

Seeing that it was lunchtime, Shu Yan asked Jing Xinlei for her opinion.

The longer they spent together, the more Jing xinlei felt that Zhong Shenghao’s mother was really too good. So good that she had already adapted to her kindness.

If one day, she suddenly didn’t like her and even despised her, would she be very sad?

“Go back and eat. Uncle isn’t at home alone?”

Shu Yan smiled and kissed her hand. “Xinlei, you’re really too sensible. What should we do? Auntie has already decided on you. You can only marry into our family in the future!”

Looking at Shu Yan, Jing Xinlei smiled bitterly.

“Auntie.”

“Yes?”

“If...”she wanted to say something but stopped. She really didn’t have the courage to think about what she had done, let alone say it out loud.

“If, I’m not as good as you think, will you... be very disappointed?”

Shu Yan paused and looked at her. “Why not? You are good now!”

“No, I mean, if I did something... You Don’t like, will you be particularly disappointed in me?”

Shu Yan didn't understand and subconsciously asked, "What did I do?"

After looking at her for a long time, Jing xinlei still couldn't say it.

Let this short-lived happiness last a little longer.

Chapter 1557: Shu Yan's thoughts (1)

"It's fine."

She smiled, but in the end, she didn't say it out.

"Since it's fine, then let's go home and eat!" Shu Yan smiled and didn't ask further, as if she wasn't interested in her past!

She pulled her toward the car.

When they returned to the villa, lunch was ready.

At the dining table, Shu Yan filled her bowl with food as usual. She was full of love.

Seeing that her bowl was filled with a bowl of vegetables and there was almost no white rice, Zhong Zhengnan couldn't help but speak. He glanced at his beloved wife, "Yanyan, how can xinlei eat with so many dishes?"

Hearing her husband's words, Shu Yan glanced at Jing Xinlei's bowl filled with vegetables. She really couldn't see the white rice.

"Ah, I'm sorry, Xinlei. I'm just too happy!" Shu Yan said to her with a smile. Then, she took out some of the dishes from her bowl and put them in her bowl without a trace of dislike. "Okay, eat!"

Jing xinlei smiled. This hard-won warmth, she really enjoyed it and couldn't bear to let go.

But too good things were often like bubbles, bursting at the touch.

After lunch, Shu Yan went back to her room to rest.

In the free afternoon, Jing Xinlei took the book to the balcony as usual. She had just flipped through a few pages and found that she was also a little sleepy, so she went back to her room to take a nap.

When she woke up again, it was already three o'clock in the afternoon.

She opened her eyes in a daze. When she tilted her head, she suddenly saw a familiar face.

In her daze, she was a little shocked. She subconsciously sat up and looked at Shu Yan, who was sitting beside her bed at an unknown time.

"Bo-auntie?"

Shu Yan smiled. "You're Awake?"

"You... Why are you here?"

“Hehe, I just came. I wanted to see if you were awake.” She didn’t expect to wake up just as she moved closer to the bed and wanted to see her sleeping appearance.

Sigh, it was a pity that she didn’t see her future daughter-in-law’s sleeping face.

After a while, Jing xinlei calmed down her frightened heart and calmed down.

“You’re awake.”

“En!”

She lifted the quilt and got off the bed. She walked in the direction of the bathroom. “I’m going to wash my face. Please wait for me for a while.”

“Okay, take your time to wash!”

Looking at her back as she walked into the bathroom, Shu Yan sat on the edge of the bed with a face full of joy.

“You were looking for me. What’s the matter?”

After washing her face and walking out, Jing Xinlei looked at Shu Yan and asked.

Shu Yan smiled. In the next moment, she turned her head and took the paper bag that was placed on the sofa. “Have you forgotten?”

Jing xinlei glanced at the paper bag. It seemed to be clothes that she had bought in the morning.

“What... Do you want to Do?”

Shu Yan glanced at her, and then gave her a flirtatious look emotionally. “Of course, I’m going to teach you how to seduce Sheng Hao!”

”...”no way!

“Clang, Clang, Clang!” Shu Yan suddenly took out a set of pajamas from the paper bag. It was very sexy, but it was not the one she bought in the afternoon.

Jing xinlei frowned, not understanding what she was going to do.

“Wait!”

Shu Yan smiled at her, then walked into the bathroom with the paper bag. When she came out, she had already changed into the sexy pajamas.

When she came out, she put her hand on the door frame and made a very sexy and seductive pose. Especially that charming expression, it was simply mesmerizing!

Moreover, she was already over forty years old, right? Her figure was still so proud.

Jing Xinlei was completely stunned. The main reason was that she made that mesmerizing pose. What was she trying to do?

“See, if you want to seduce Sheng Hao, you can do it when you walk out of the bathroom after taking a shower.”

Chapter 1558: Shu Yan’s thoughts (2)

Shu Yan explained to Jing Xinlei as she posed.

Jing Xinlei’s mouth twitched a few times. Was she really going to pose like this in front of him?

“And then there’s more!” Shu Yan put away her mesmerizing pose and walked toward Jing Xinlei. “If you’re Sheng Hao, look at me!”

As she said this, Shu Yan raised her hand and put an arm on Jing Xinlei’s shoulder. Then, another arm came up and hugged her whole body. Once again, she made a seductive expression.

“Auntie, Auntie, these... aren’t necessary, right?”

She opened her mouth a little awkwardly. She really couldn’t do these movements and postures in front of Hao.

When Shu Yan heard this, she also pondered for a moment.

These movements and postures might indeed make young people feel embarrassed.

At this moment, the door was suddenly knocked on.

“Who is it?” Shu Yan replied.

Zhong Zhengnan’s voice came from outside the door. “It’s me.”

“Come in!”

Zhong Zhengnan pushed the door open and entered. When he looked up, he saw his wife in her sexy pajamas. He couldn’t help but be stunned.

“Yanyan, what are you doing?”

In front of her husband, Shu Yan didn’t seem to feel embarrassed at all. Instead, she was very comfortable. “I’m teaching Xinlei how to seduce our son!”

Zhong Zhengnan couldn’t help but hold his forehead when he heard that. His wife was still a child.

“Yanyan, what should come will come! Let’s not interfere in the affairs of young people, Okay?” Zhong Zhengnan walked over. His wife’s clothes almost made her nose bleed.

She was teaching Xinlei how to seduce her son. Why didn’t she see her dressed like this to seduce him?

“Hurry up and change into this outfit. How embarrassing would it be if Hao Cheng comes back later?”

“It’s still early. My Son is still at work! I still want to teach her a few more postures.”

“Aiyo, my great aunt, don’t meddle blindly!” Seeing that his wife refused to change into this outfit, Zhong Zhengnan simply picked her up and strode out of Jing Xinlei’s room!

If this continued, his body would really be on fire!

“Aiyo, my clothes are still in the bathroom!”

Shu Yan, who was being carried by him, remembered that her clothes were still in the bathroom in the room.

Jing xinlei heard him and quickly went to the bathroom to pick up her clothes and handed them to her.

Being carried by her husband, Shu Yan felt very comfortable even in front of Jing xinlei, as if she was not an outsider!

Watching the two of them leave, Jing Xinlei couldn't help but feel that although they were already past middle age, Zhong Shenghao's parents were still like a couple in love. Every word and action revealed how happy and loving they were.

This was also the reason why Zhong Shenghao's mother had always been like a young girl. They must have been spoiled!

Back in the room, Jing Xinlei's gaze suddenly fell on the paper bag in the sofa.

She walked over and took out a set of sexy pajamas and underwear.

“Do I really have to dress like this...”

After thinking for a moment, she put the clothes back into the paper bag and quickly put them into the wardrobe.

At six o'clock in the evening, Zhong Shenghao returned to the villa.

During dinner that night, Shu Yan didn't put food in Jing Xinlei's bowl. Instead, she kept winking at him.

However, Zhong Shenghao was just eating. He didn't seem to notice the look his mother gave him.

Shu Yan was anxious. She couldn't help but kick her son under the table!

Zhong Shenghao was eating when he was suddenly kicked. He almost choked on his rice. He looked up at his mother.

“What are you doing?”

Chapter 1559: Shu Yan's thoughts (3)

Shu Yan looked at her son with resentment and was about to give him a look. She glanced at Jing Xinlei and saw that she was looking at the mother and son. Naturally, she couldn't give him a hint.

She said plainly, “Look at xinlei. She didn't even put food in her bowl. As her boyfriend, why aren't you careful at all? Look at your dad, he put so much food in my bowl –”

She lowered her head and found that there was nothing in her bowl other than white rice. She couldn't help but pause.

In the next moment, she quickly raised her eyes and glared at Zhong Zhengnan.

Zhong Zhengnan understood in the next second and immediately reached out to put a lot of food in her bowl. "Come, Yanyan, eat more!"

Shu Yan smiled and said, "Look at your dad, he cares about me so much! You should learn from him!"

"Mom, can you go upstairs if you want to show Off Your Love?"

Looking at his parents, Zhong Shenghao said leisurely.

Shu Yan was stunned. She really hated the fact that they didn't live up to expectations!

Sigh, it seemed that they really could only rely on themselves. She really didn't know how long her poor grandson would take to come to this world and meet her biological grandmother.

At the thought of this, Shu Yan didn't even have the appetite to eat. She sighed and simply put down the bowl and chopsticks.

Jing xinlei thought that Zhong Shenghao's words just now had gone too far and hurt her.

"Auntie..."

Zhong Shenghao also paused and looked at his mother with a frown.

Could it be that those words just now had gone too far? It shouldn't be that far. Although they were mother and son, they often joked like this at home in the past. She would never be angry because of this.

"What's Wrong?"

Looking at his mother who was sighing and feeling melancholic, Zhong Shenghao asked.

"I want to hold a grandson..." Shu Yan lowered her head and said dejectedly.

Zhong Shenghao and Jing Xinlei couldn't help but be startled by her words. Jing Xinlei's face turned red all of a sudden!

"Mom!" Zhong Shenghao was afraid that he would embarrass Xinlei by saying such words at the dining table. He couldn't help but look at his mother and said, "Can you not say these things at this time?"

Shu Yan suddenly raised her head and stared at her son with dissatisfaction. "Why? Don't you want to –" realizing that she almost used the wrong words, Shu Yan quickly changed her words. "Don't you want to have a child with Xinlei?"

"Can we talk about the child after we get married?"

"Sure, then hurry up and marry Xinlei into the family!"

The conversation between the mother and son made Jing xinlei, who was at the side, lower her head even more. She was so embarrassed that she couldn't hide her embarrassment.

Zhong Shenghao tilted his head and glanced at her.

He had waited for so many years from university until now. It wasn't easy for him to establish a relationship. He couldn't let his mother ruin it.

If Xinlei was scared away by her, who would he look for?

"Mom!"

Shu Yan didn't pay attention to him. She suddenly thought of something. She looked up at the sky and supported her chin with her hand. "Right, I have to go and propose a marriage."

"Xinlei, do you have any other relatives at home? I'll visit them with you some other time!"

Jing xinlei raised her head when she was suddenly asked. She was slightly stunned.

Relatives? The only family that could be considered relatives was her uncle's family. However, their families had no contact with each other since a long time ago, so they couldn't be considered as relatives now. Moreover, they weren't close to each other in the first place.

It would be rude to visit her suddenly. After her family was down and out, she had gone to look for them once but was rejected.

Now, there was no need for her to go.

"There's no need. I... Don't have any family."

Chapter 1560: Shu Yan's thoughts (4)

"If that's the case, then things will be easier to handle." As she spoke, Shu Yan looked at her son, "Sheng Hao, why don't you guys settle the marriage by the end of the year and invite more of your friends. In addition, I'll also call Uncle's family over. The marriage will be settled here!"

As Shu Yan spoke, she didn't ask for their opinions at all.

If she waited for them to decide on their own, she was afraid that even if she waited until her hair turned gray, there might not be any results.

Although Zhong Shenghao felt a little dissatisfied when he spoke, he was still his mother, so he couldn't say anything.

But wasn't it too early to mention the marriage now?

"Mom, about the marriage, we'll talk about it later."

It wasn't easy for him to wait until their relationship was confirmed. He didn't want to be in such a hurry to avoid scaring her and escaping from him again.

However, as soon as he said that, Shu Yan and Jing Xinlei both looked up at him at the same time.

Why did he bring it up again in the future?

This was what Jing Xinlei was thinking. Although she felt it was a little too early, why did he say that he would bring it up again in the future?

Zhong Shenghao happened to turn his eyes to look at her and found that she was quietly staring at him. From her eyes, he seemed to have sensed that she had misunderstood him.

He took a deep breath. If his mother continued to disturb him like this, he would be in a mess!

“Mom, I want to talk about the marriage myself. Can you stop talking about it! ?”

In a moment of desperation, he blurted it out!

When he said it, Jing xinlei and Shu Yan understood.

She lowered her head and pretended not to hear and continued to eat.

Shu Yan, on the other hand, was beaming with joy. “I see. That’s good. Then I won’t interfere. But you have to be quick. Marry xinlei into the family as soon as possible so that I can have a grandson Sooner.”

“I’m... I’m full.”Jing Xinlei was so embarrassed that she didn’t dare to raise her head. She stood up and ran out of the dining room after saying that.

Watching her leave, zhong shenghao retracted his gaze. He looked at his mother with a bitter look and continued eating helplessly.

After dinner, he came to her door after taking a shower. Just as he was about to knock, the door opened.

Jing Xinlei was a little surprised to see him.

He walked straight in and closed the door.

“Do you feel uncomfortable with my parents’arrival?”

“No, Auntie is very nice. I Won’t be bored when they come.”

Zhong Shenghao was naturally pleased that she could get along well with his mother.

“Sometimes, my mother is like a child, so... a lot of things are said when they come to mind. Don’t take it to heart.”

Jing Xinlei was stunned for a few seconds, and her clear eyes met his. “You mean, if it’s a marriage, don’t let me take it to Heart?”

She suddenly felt a little disappointed.

Zhong Shenghao was stunned.

In the past four years, he had always wanted to make her his property, so how could he not be anxious to marry her.

But he was afraid that she would not be able to adapt to it if the progress was too fast.

He walked closer to her and stood in front of her, his black eyes staring into hers. “Then do you want to keep it in your heart, or do you not want to?”

She was stunned. Why was he asking about her?

“Shouldn’t it be? Do you want to marry me?”

“Yes,” he answered without hesitation. “I want to do it all the time.”

He answered without hesitation and sincerely, but Jing Xinlei was worried.

“Auntie, she doesn’t know about my past. If she knew, she might not like me...”

“It doesn’t matter. She’s a very kind person.”

“But...”
