

Kiss Me 1571

Chapter 1571: Wasn't Jing Xinlei?

Then, she said, "Okay."

Shu Yan smiled knowingly. "Our Xinlei is really too sensible. It's impossible not to like her!"

In the face of her praise, Jing xinlei only smiled slightly. That faint smile contained a faint sadness.

"Sigh, I didn't expect our Cheng Hao to have such good taste. No wonder he has always looked down on the girl I picked for him!"

The more she liked herself, the heavier and more unbearable Jing Xinlei's heart became.

After lunch, the autumn air was slightly cool, suitable for shopping.

Arriving at a large supermarket, Shu Yan pushed the shopping cart and stood shoulder to shoulder with Jing xinlei, choosing daily necessities together.

"Xinlei, what flavor do you like?"

She picked up a bottle of shampoo from the shelf and asked Jing xinlei, who was thinking about something.

Hearing Wen Sheng's words, Jing xinlei came back to her senses and looked at the bottle of shampoo in her hand.

"I'll do as I like."

"How about buying Hao Sheng's favorite flavor?"

"Okay."

Shu Yan smiled again. "Our Xinlei is too good!"

After throwing the shampoo into the shopping cart, the two of them went to the area of toiletries.

"Let's buy a couple's toothbrush, okay?"

Shu Yan picked up a couple's toothbrush. She was very satisfied, but she still wanted to ask for her opinion.

As for the couple's toothbrush in her hand, Jing xinlei also liked it very much. It seemed to be her first time using a couple's thing.

"Take the couple's Cup too!"

With that, she picked up a couple's wash cup.

Putting it into the shopping cart, she suddenly paused and looked at Jing xinlei.

"Xinlei, do you think Auntie is too annoying?"

Hearing this, Jing Xinlei, who was immersed in her own thoughts, suddenly raised her eyes and looked at her. "No, I like the things you choose."

When she said this, Shu Yan naturally smiled.

"Then..." she moved closer to her and said in a low voice, "You don't blame Auntie for What Happened Last Night?"

Although the matter was settled, Shu Yan was also afraid that Xinlei would be angry. After all, she was the one who gave her the tranquilizer pill, which was why she went to her son's room.

Jing Xinlei was stunned, and her face suddenly turned red!

"Auntie." She raised her head. Why not tell her everything at this time.

"Huh?"

"Actually, I'm not as good as you think." She stared at Shu Yan with sincere eyes.

It was better for her to speak than to hear something in others' ears.

Shu Yan was stunned. She looked at her and felt that her expression was strange. Could it be that she was really angry because of her actions last night?

Thinking of this, she couldn't help but hurriedly explain, "Xinlei, actually, Auntie likes you too much. That's why I hope that you and Hao Cheng can get together soon. That's why..."

"Auntie, you've misunderstood. I'm not angry with you. What I'm going to say today has nothing to do with your actions yesterday."

Shu Yan was stunned. "Then you're not angry with me?"

She shook her head. "No."

"Then don't be angry with Hao Cheng." She was afraid that she would hurt the couple's feelings because of her. That would be a huge loss.

"I won't be angry with you. Please hear me out."

Shu Yan nodded. She seemed to be relieved.

As long as she was not angry with her, everything was not important.

"Four years ago, I lived in Hao Cheng's villa. My parents passed away one after another from that time." Recalling the past, a sour feeling filled her eyes. However, she lowered her eyes and tried to force back the tears.

"And the reason for my parents' death –"

"Hey, look, isn't that Jing Xinlei?"

Chapter 1572: had killed and been in prison

“It’s true. It’s that Jing Xinlei who’s been spreading rumors recently, isn’t it? I heard that she was in prison before, and she even went to the ‘first prison’...”

“Of course. You Don’t know yet, right? She used to be the eldest daughter of the Jing Corporation. Later, she went bankrupt, but she wanted to use Shi Yuting to save the company. She even kidnapped his wife. It would be strange if she didn’t go to the ‘first prison’!”

While the two of them were talking, a few women suddenly walked out from the other end of the shelf. They were pointing at her and whispering to each other.

Jing Xinlei’s face stiffened at this sudden rumor. She turned her head to look at those women.

One of them was Bai Mengying!

Seeing that she was looking at her, Bai Mengying crossed her arms and walked over with an arrogant look on her face.

When she walked over, her gaze first glanced at Shu Yan beside her, then at Jing Xinlei. “Oh, who did she hook up with again? She even came to shop together. Could she be your future mother-in-law?”

If she hadn’t listened to Xiao ran’s words, she really couldn’t believe that the young and beautiful woman standing next to her was the mother of the man who kept her. Her appearance couldn’t be seen at all!

Jing xinlei clenched her fists. Why did she have to bump into them at this time?

“Jing Xinlei, your future mother-in-law, does she know that you’ve killed people and been in prison?”

Bai Mengying smiled smugly and looked at Jing xinlei. From the corner of her eyes, she didn’t forget to glance at Shu Yan next to her, wanting to see her expression.

She was really a beautiful madam. That crystal clear skin made her jealous!

The words that came out of her mouth made Jing xinlei feel like she was struck by lightning.

Shu Yan, who was at the side, was also stunned. She turned to Jing Xinlei and saw that her face was as white as a piece of paper, without a trace of blood.

“Miss, who are you?”

Glancing at Bai Mengying, Shu Yan’s expression became unhappy!

Bai Mengying turned her face and looked at her with a smile. “Madam, you can’t be deceived by her appearance. She is an out-and-out —”

“I’m asking who you are! ?”

Shu Yan glanced at her and interrupted Bai Mengying’s words in a cold voice.

Bai Mengying paused and looked a little embarrassed.

“Auntie!”

At this time, another figure walked out from the side.

Jing Xinlei was very familiar with this voice.

Wasn't it Xiao ran!

Shu Yan also turned her face when she heard the voice and saw a tall woman walking toward them. Wen Sheng was walking toward them.

She frowned. She was familiar with that face.

She remembered it. It was the woman she met in the mall the last time. At that time, she also said something inexplicable to xinlei!

"Who are you?"

Shu Yan glanced at Xiao ran. Her eyes were full of disdain.

Xiao ran, on the other hand, smiled calmly.

After investigation, she found out that Hao Sheng's parents had come here. Today, she happened to see the two of them enter the supermarket.

She had been observing them until now, and she found that the relationship between the two of them was very harmonious. This made her very unhappy!

Why did Jing Xinlei, who had nothing and had been in prison and killed people, fall in love with Zhong Shenghao's mother so much? The more she thought about it, the more she felt that something was wrong.

Zhong Shenghao's family was a medical family. How could his mother fall in love with such a woman? It must be that he didn't tell her about the things she had done in order to protect Xinlei.

Therefore, she called Bai Mengying and the others.

"I'm a junior from Shenghao's university. I'm also his good friend."

Shu Yan was surprised by this answer.

Chapter 1573: I didn't do it on purpose.

"And then?" She asked again.

"Auntie," Xiao ran said. She glanced at Jing Xinlei and then looked at Shu Yan again. "I don't want you to be deceived, so there are some things that you must know."

"What is it?"

Xiao ran didn't speak again. Instead, she took out her phone and handed a piece of news to her.

Shu Yan glanced at it, but she did not take it.

Xiao ran was not in a hurry. She still smiled calmly. "I guarantee that you won't regret reading it."

When Shu Yan heard this, she could not help but frown. She glanced at the phone again.

In the end, she could not suppress her curiosity and took the phone.

With a glance, she saw the contents of the phone. Her face became more and more serious.

Seeing the change in her expression, Jing xinlei, who was standing at the side, suddenly loosened her clenched fist.

Just like that, what should come, will come. She just said it with a different mouth.

What does it matter?

Seeing the sudden change in her expression, Xiao ran smiled in satisfaction.

“Auntie, Jing Xinlei by your side is such a woman. You must not be deceived by her appearance. She...” her gaze turned to Jing xinlei, the corners of her mouth curled up into a triumphant and proud smile. “Not only did she commit murder and go to prison, but she was also slept with by the warden in prison...”

“Xiao ran!”

Jing xinlei, who had not spoken the entire time, could not help but growl at this moment!

“What, did I say something wrong?” Xiao ran looked at her, still smiling very proudly.

“It’s not your place to Judge My Life!”

“Ha, you are a woman who has been a prisoner. What right do you have to stand here and boast shamelessly?”

Jing xinlei clenched her fists. Her angry eyes wanted to tear Xiao ran into pieces!

However, she was indeed a woman who had been in prison..

“I’ll give you back your phone.”

At this moment, Shu Yan suddenly took out her phone and returned it to Xiao ran.

Xiao ran smiled and reached out to take the phone. “Auntie, after you look at it –”

“Pa!”

“Aiya!”

Just as Xiao ran reached out to take her phone, before she could hold the phone, the new phone that she had just bought suddenly fell to the ground and the screen shattered!

In an instant, Xiao ran froze and looked at the new phone that she had just bought with a pained expression!

“I’m sorry, I thought you would only let go after you got it. I . . . Didn’t do it on purpose.”

Shu Yan looked at her and looked at Xiao ran with a very aggrieved look, as if she really didn’t do it on purpose just now.

“Auntie, I just bought this –”

Xiao ran raised her head and wanted to say something, but after seeing Shu Yan's aggrieved expression, she couldn't say anything.

If it was someone else, she might have been furious!

"I'm sorry. I didn't do it on purpose." Shu Yan frowned. Her expression was very aggrieved and apologetic.

Xiao ran gritted her teeth. She could only suppress the fire in her heart and silently picked up the phone.

"Then have you finished reading it?"

"Yes!" Shu Yan nodded at her with a smile.

"Now, you should know what kind of woman Jing Xinlei is, right?"

Hearing this, Shu Yan couldn't help but glance at Jing xinlei, and then looked at Xiao ran. "I know. It's really thanks to you. Otherwise, I really didn't know that Jing Xinlei had experienced all these things."

"Yes, she is the kind of very cheap and special —"

"Right, what did you say your name was?"

Xiao ran paused. After thinking for half a second, she was secretly delighted, thinking that she had a good impression of her. "My name is Xiao ran!"

Chapter 1574: must have made a lot of 'contributions' as well?

Jing Xinlei's heart ached when she saw the kind smile she showed Xiao ran.

It turned out that Zhong Shenghao's mother was not only warm to her, but also to everyone.

"Xiao ran..."

"Yes!"

"Then... What do you do?" Shu Yan asked again.

"I'm an international famous model. Haven't you heard of my name?" More or less, she should have heard of it, right?

Shu Yan paused. "No, but since you're an international famous model, you must be very famous, right?"

Xiao ran smiled modestly. "Not bad!"

"Then, you must have made a lot of 'contributions', right?"

"What?"

"Oh, what I mean is, to be able to have today's achievements, you must have spent a lot of effort. For example... for your first time on the stage of the International Fashion Week, your 'body' must have slept with a lot of men, right?"

As soon as Shu Yan said this, Xiao Ran's face turned extremely ugly, from joy to anger!

"Auntie, what, what do you mean by this?"

Shu Yan suddenly widened her eyes and suddenly covered her mouth. She looked at Xiao ran as if she had accidentally spilled the beans.

"Aiya! Isn't That So? I remember my husband's friend who runs a modeling company. He often said that if girls like you want to stand out, you have to contribute your body every night to please them before you can step onto the international stage!"

She looked very surprised, and her tone was simply infuriating!

Xiao Ran's face turned green. She didn't expect that her glory would be destroyed today!

"Auntie, you..."

"TSK TSK tsk, if that's really the case, then your body..." Shu Yan suddenly glanced at Xiao ran with disdain. "You probably slept too much, right?"

Jing xinlei, who was at the side, never expected that the usually gentle and elegant Shu Yan would say such degrading words, but it seemed... very satisfying!

"You! What on Earth —"

"AH, Sorry!" Shu Yan suddenly smiled at Xiao ran and the others, and then pulled Jing Xinlei who was still in a daze. "My daughter-in-law and I need to buy something else, so we'll leave first."

After saying that, she even smiled and nodded at Xiao ran, as if she was saying goodbye. Then, she pulled Jing Xinlei and turned around to leave, walking to the cashier.

Xiao ran froze on the spot. Her face was livid with anger, but she couldn't find any words to respond to her!

Why? Why did she still like Jing xinlei even though she had clearly seen the unsightly news? She was unwilling, really unwilling!

"Sister Xiao, what should we do?" Looking at the backs of the two people leaving, Bai Mengying couldn't help but turn to Xiao ran.

Could she let Jing Xinlei go just like that?

After paying, Jing xinlei carried two bags of things and left the supermarket. On the way, Jing Xinlei's gaze never left the side of Shu Yan's face.

Why was she not angry and didn't care about the news content?

Even if some of it was fake, some of it was real.

She had indeed killed people and even been in prison..

"Auntie —"

“Right, Xinlei!” Shu Yan suddenly turned her head and looked at her with a smile. Even though she saw those rumors, the love for Jing Xinlei in her eyes was not affected, it was as if what happened in the supermarket just now had never happened.

As she suddenly opened her mouth, Jing Xinlei’s words were also interrupted.

“Can we go and buy a few more paintings? I think Sheng Hao’s room is too monotonous. We should hang two more paintings to look good!”

Chapter 1575: was true

Jing xinlei looked at Shu Yan in a daze. Did she really not care about what Xiao ran said just now?

“Auntie, don’t You Care?”

She couldn’t help but ask. There were some things that she had to be clear about. Otherwise, she would feel embarrassed in front of her. She would lose her confidence even if she said a word.

She didn’t want to continue living together in such a manner in the future.

Or perhaps, Cheng Hao’s mother just wanted to help her vent her anger, so she said those words to retaliate against Xiao ran. She was really grateful to her, so she also wanted to know what she was thinking in her heart.

Looking at her, Shu Yan was stunned. Then, she smiled gently and held her hand, “Although I don’t know what your past was like, I do like you now. I’m sure that you’ll become a member of our family. As for those rumors, it’s obvious that those women want to mess with you!”

Jing Xinlei was stunned.

So, she thought those rumors were false? That’s why she didn’t care.

“No, those... are true.”

Shu Yan was stunned. The smile on her face froze as she looked at her in a daze.

When she saw the smile on her face disappear, Jing Xinlei’s heart seemed to be empty as well.

Would Shu Yan still like her after knowing that all of this was real?

The answer was definitely not.

“Have you killed people before?”

After a long time, Shu Yan carefully opened her mouth. The moment she saw those rumors, she was indeed very surprised. However, on second thought, as someone who had experienced it before., it wasn’t that she didn’t notice that Xiao ran was extremely interested in her son, because when the word ‘Hao’ was mentioned, her eyes shone brightly. There was no doubt that she was definitely her son’s admirer.

Moreover, women like this were usually the most scheming. If she suddenly showed her those things, perhaps she was just trying to frame Xin Lei so that she would lose her favor in front of her and her son. How could she fall for it?

But at this moment, hearing Xinlei admit that those things were true, she was really... very surprised.

In her eyes and impression, xinlei gave her the feeling that she was very obedient and easy to get along with. She believed that if in the future, they became mother-in-law and daughter-in-law, they would definitely have the best relationship!

“En.” From the bottom of Shu Yan’s eyes, Jing Xinlei saw a touch of surprise and shock. “Not only that, I was once a very bad... very bad woman.”

Shu Yan was indeed shocked. The xinlei she liked so much was once a very bad woman?

In addition to being surprised, Shu Yan didn’t speak. Instead, she looked at Jing Xinlei in a daze. In an instant, her mood was somewhat chaotic.

Jing xinlei lowered her head. That brief moment of beauty had finally turned into a bubble and ended.

For a long time, the two didn’t speak again, but in the end, Shu Yan was the first to speak, breaking the silence.

“Let’s go buy some paintings first.”

Looking at Jing xinlei, she spoke calmly with a faint smile on her lips.

However, in Jing Xinlei’s eyes, that smile seemed to be a little forced.

It had to be said that Zhong Shenghao’s mother was really a very good woman.

Right now, even though she was full of disappointment in her heart, she couldn’t bear to see her sad, or she couldn’t bear to continue this embarrassment, so she still smiled at her, right?

But after all this, she still proposed to buy a painting, which surprised Jing Xinlei.

Chapter 1576: couldn’t be disliked

“Let’s go.” Shu Yan smiled at her, then turned around and got into the car.

Jing xinlei stood in place, stunned for a few seconds before she got into the car unnaturally.

On the way, the car seemed too quiet.

The two women had their own thoughts in their hearts.

As for Jing xinlei, she was wondering if it was time for her to move out of Hao Sheng’s villa?

Or perhaps, after Shu Yan learned of all this, could she and Sheng Hao continue?

When she thought of this, her heart couldn’t help but ache.

When they arrived at the art gallery and admired a few paintings, Shu Yan still asked Jing Xinlei when she was about to buy them.

“Xinlei, which two paintings do you think are better? They are suitable for you and Sheng Hao’s bedroom.”

As Shu Yan spoke, her eyes were still admiring the paintings on the wall.

Jing Xinlei’s line of sight left the paintings and turned to look at the side of her face.

Her and Sheng Hao’s room? Two paintings, one in each room?

So... she regretted moving her things to Sheng Hao’s room?

With this thought, Jing xinlei instantly understood.

In fact, it was not surprising. What mother would still support her son after knowing that he was dating a woman who was once a prisoner?

Most of them would oppose it, right?

She lowered her eyes and inadvertently revealed a bitter smile on the corner of her mouth. Then, she turned to the two paintings on the wall.

“This one is quite good.”

In the painting, there was a woman. She did not know what made her sad. A transparent tear hung on her cheek, so it attracted her.

“Well, I think it’s good too!”

Looking at that painting, Shu Yan also seemed to be deeply attracted.

As soon as she finished speaking, she realized that she and xinlei really had a lot of common interests. No wonder they liked her so much. Even the works they liked were the same.

She really had no way to not like this girl. What should she do.

The second painting was Shu Yan’s own favorite, and it was an oil painting.

“How about this one?”

Subconsciously, she couldn’t help but ask for Jing Xinlei’s opinion. After only a few days of interaction, it seemed that she was already used to her existence.

Wasn’t people like this? Once they got used to it, they would really get used to it. How could they give up that unaccustomed feeling?

“It’s good. Everyone will have their own dreams to pursue.”The second painting was a little boy chasing a Wisp of dandelion that was blown away by the wind.

“Then these two paintings!”

Shu Yan turned her head and gave Jing xinlei another gentle and loving smile.

She really had no way to not smile at her.

Facing her smile, Jing Xinlei also slightly pursed her lips. "Okay."

Shu Yan smiled slightly and then took out her card to buy these two paintings.

It was already 3:30 in the afternoon when they left the art gallery. It was exactly the time for afternoon tea.

From the beginning when they left, Shu Yan had also planned like this. After shopping, the two of them would go to have afternoon tea together and have a leisurely afternoon with their mother-in-law and daughter-in-law.

"Stop the car."

Through the car window, Shu Yan saw a coffee shop called 'warm time', so she asked the driver to stop the car.

The car stopped. Jing xinlei, who was still immersed in her own thoughts, came back to her senses. She looked out of the car window and didn't arrive at the villa.

She turned her head again and saw that Shu Yan had already opened the car door. At the same time, she turned her head and smiled at her. "Let's go and have a drink!"

Her words made Jing xinlei stunned again. She hesitated for a few seconds before opening the car door and getting out.

When she looked up, she saw that the cafe that Shi Nuannuan operated appeared in front of her.

Chapter 1577: Are You Xinlei's friend?

"Go in!"

Shu Yan walked over, took the initiative to hold her arm, and pulled her toward the cafe's door.

Looking at the hand on her arm affectionately, Jing Xinlei was slightly stunned. She let Shu Yan pull her into the cafe.

"Welcome!"

Soon, a waiter came up and spoke to the two warmly.

Shu Yan pulled her to a seat by the window.

"Jing Xinlei?"

Not far away, a familiar voice suddenly sounded.

Jing xinlei turned her head when she heard the voice and saw Shi Nuannuan sitting not far away.

It was not surprising to see her here. After all, this coffee shop was hers.

Looking at Shi Nuannuan, she nodded at her from afar.

Shi Nuannuan stood up because of this and walked towards them.

“Are you here for coffee?”

Jing xinlei glanced at Shu Yan and answered softly, “Yes.”

“Are You Xinlei’s friend?”

Shu Yan couldn’t help but open her mouth when she saw Shi Nuannuan.

It seemed that as long as it was her son and Xinlei’s friend, she would smile especially warmly.

Shi Nuannuan was stunned because of this.

Xinlei’s friend?

Uh, it should be now, right?

Hence, she nodded. “Yes, my name is Shi Nuannuan. And you are?”

“She is Shenghao’s mother.”

Hearing this, Shi Nuannuan was a little surprised.

Although she had known Zhong Shenghao for many years, she had never met his family.

She heard that his parents lived abroad and kept a low profile, so she knew nothing about his parents.

“Brother Sheng’s mother?”

Brother Hao?

Shu Yan looked at Shi Nuannuan. From the way she addressed her, she could tell that this pretty girl in front of her must have a good relationship with her son.

“Yeah, it seems that you two are very good friends?”

Shi Nuannuan smiled. “Sit down first. What do you want to drink? It’s my treat!”

“How can this be? It’s our first time meeting. Auntie will treat!”

“It’s okay. This coffee shop is mine.”

“Is that so?” Shu Yan said as she looked up at the quiet coffee shop.

“Sit down!”

The three of them found a seat and sat down.

Shi Nuannuan looked at Jing Xinlei and realized that she looked a little sad.

Since she came with brother Hao’s mother, it meant that they should be on good terms. What was wrong with her?

“What’s wrong? Brother Hao didn’t come with you?”

“She’s busy,” Shu Yan said with a smile. She turned to look at Jing Xinlei and saw her dejected expression. She was startled. It must be because of what happened just now.

Thinking of this, she couldn’t help but reach out and affectionately pinch her.

Jing Xinlei was a little surprised. She looked up at her and saw Shu Yan revealing a smile. It was an amiable smile.

She barely responded with a smile. Then, she raised her head and looked at Shi Nuannuan.

“When do you and brother Hao Sheng Plan to get married?”

Shi Nuannuan took a sip of coffee and looked at her.

Jing Xinlei was stunned.

He said that he would let her marry him, but he didn’t mention it again.

She stirred the coffee in the cup with a thoughtful expression.

“I hope that they can hurry up and get married!”

Shu Yan opened her mouth, making Jing Xinlei raise her head in surprise.

Did she promise Nuannuan, or... was she sincere?

“Is that so? Then you must invite us when the time comes!” Shi Nuannuan’s gaze fell on Jing Xinlei’s face again.

Jing Xinlei didn’t know how to respond.

After all, Sheng Hao hadn’t opened his mouth about this matter from the beginning to the end. Moreover, they had just confirmed their relationship a few days ago. It was indeed a little fast to talk about the marriage.

Chapter 1578: Did she say anything

Shu Yan looked at her, who had been silent the whole time. Did her attitude just now really affect her?

“Xinlei, what’s wrong? You didn’t say anything.” Shi Nuannuan saw her abnormal behavior and couldn’t help but open her mouth.

Although their relationship wasn’t so good that they talked about everything, after the last gathering with sister-in-law, their relationship could be considered to have warmed up, right? It was not to the extent of not saying a word.

Jing Xinlei looked up and glanced at Shi Nuannuan. “It’s nothing.”

“Then why are you so unhappy?” She pressed.

However, she lowered her eyes.

Shu Yan, who was at the side, glanced at her and could not help but say to Shi Nuannuan, "Just before, Xinlei and I went to the supermarket together, and then we met a few women."

"A few women? Who?"

"One of them is called Xiao ran. She seems to be Cheng Hao's friend."

When Shi Nuannuan heard this, she instantly understood something.

It was said that Xiao ran had gotten to know brother Cheng and her brother when they were in university. She seemed to be on good terms with brother Cheng. Moreover, she had heard from her sister-in-law some time ago that Xiao ran seemed to like brother Cheng as well.

However, she seemed to be Xinlei's former good sister. When she heard that Jing Xinlei's family was down and out, that good sister seemed to have vanished into thin air. She had just returned from abroad half a year ago and was now a famous model in the modeling world.

"Did she say anything?" Looking at the two of them, Shi Nuannuan couldn't help but ask.

Shu Yan glanced at Jing xinlei. "She said that Xinlei used to be... a bad woman."

Shi Nuannuan put down the coffee cup in her hand in a daze.

It seemed that this Xiao ran left that year on purpose.

Because Jing Xinlei's family was down and out, so she didn't want to get together with her anymore?

TSK, she was really a realistic fellow!

However..

Shi Nuannuan suddenly realized that if Xiao ran really wanted to destroy Xinlei, he would definitely say something in front of brother Hao's mother, right? Then..

Her gaze fell on Shu Yan's face. From her appearance, it seemed that she was quite concerned about xinlei.

"What does it matter? Isn't there a saying that if you admit your mistakes, you'll be able to improve greatly? What I'm afraid of is those people who won't change. That's What I Hate!"

Now, she quite admired Jing Xinlei. The current her seemed to be unlovable.

Looking at her reaction, Shu Yan also felt that Shi Nuannuan seemed to be very clear about Xinlei's past.

That's right, past. After all, it was the past. What she liked was also the current xinlei, not the past.

"Auntie, you don't know. Last Time, my sister-in-law's child was almost kidnapped by human traffickers. It was still xinlei who cleverly saved it!" Shi Nuannuan said. It was also after that time that.., she had a new view of Jing xinlei.

When Shu Yan heard it, her eyebrows immediately lit up. "Really? Xinlei is so powerful?"

"En!" Shi Nuannuan nodded. "So, a person's past is not important. What's important is the present, isn't it?"

“You’re right!” Shu Yan opened her mouth from the bottom of her heart. Then, her gaze turned to Jing Xinlei. “A person’s past is not important. What’s important is her present.”

Jing Xinlei also turned her head and looked at Shu Yan. From her eyes, she seemed to see the love she usually had for herself.

She could not help but turn her head and look at Shi Nuannuan.

In the past four years, she had really gained a lot.

Zuo Weiyi’s only recognition, Shi Nuannuan’s change of view, and the hard-won love between her and Cheng Hao after she started over.

Chapter 1579: we should go back now

All of this was the most precious thing to her now.

Everything from before should have been thrown away a long time ago, just like Xiao ran. Sisters were just the past. There was no need to go back.

“Thank you, Nuannuan.”

Shi Nuannuan smiled and took a sip of coffee. She did not speak again.

At four o’clock, the two of them left the coffee shop. It was already 4:30 when they returned to the villa.

Entering the living room, Jing Xinlei went straight upstairs.

She came to Zhong Shenghao’s room and looked at some of her things that had already been arranged. Perhaps it was time to return to the original place.

She walked to the bedside and picked up the pink pig. She couldn’t help but mutter to it, “Let’s go back.”

Then, she walked to the cloakroom and took out her clothes from the closet.

The sound of footsteps came from the door.

As soon as Shu Yan entered, she saw that Shu Yan was packing her things. She couldn’t help but be stunned.

“Xinlei, what are you doing?”

Hearing Wen Sheng, Jing Xinlei, who was standing in the cloakroom, couldn’t help but turn her head. She looked at Shu Yan who walked in and hesitated for a few seconds. “I plan to go back to my own room to stay.”

When Shu Yan heard that, she hurriedly walked over and snatched the clothes from her hands. “Why do you want to go back to your own room?”

Jing Xinlei was stunned. Her pitch-black eyes sized up the expression on Shu Yan’s face.

She still wanted her to move here?

“I...”

“Auntie Knows. After hearing about your past, I was a little shocked and surprised. “However, this doesn’t mean that I have denied you. Perhaps my reaction made you feel uneasy, but I have also said that our family has decided on you, and Hao Cheng has also decided on you. Then you will still be our Zhong family’s future daughter-in-law.”

She held her hand as if giving her confidence. “Nuannuan is right. A person’s past is not important. What I like is the current you.”

Shu Yan’s words made her feel very safe and warm.

“Besides, Hao Cheng has decided on you. You Don’t have to think too much about it, understand?”

“Thank you.”

“Silly child.” Shu Yan smiled. She couldn’t help but hug her tightly as if she was her own daughter and gently comforted her.

This kind of warmth was only given by her mother. Jing xinlei couldn’t help but feel her heart ache.

“Let’s go. Help me bring the paintings in and hang them up!”

Shu Yan held her hand and walked toward the door.

Seeing that the two paintings had been brought into the master bedroom, Jing Xinlei couldn’t help but ask, “Auntie, you said at the beginning that Hao Cheng and I would have one painting in each room, right?”

Or did she change her mind after hearing Shi Nuannuan’s Words?

Shu Yan was stunned. She turned to look at her and couldn’t help but smile. “Isn’t this your room with Hao Cheng?”

Jing Xinlei was also stunned. It turned out that she and Hao Cheng’s room didn’t mean their separate rooms, but their common room.

She smiled knowingly and watched the servants hang up the two paintings.

...

In the evening, after dinner, Jing xinlei habitually walked to her room. When she walked in and saw that the bed had been cleaned, she realized that her room had been changed.

She was going to sleep with Hao Sheng tonight..

Her face suddenly became hot.

She was completely immersed in her thoughts and did not hear the footsteps coming from behind.

The next moment, she felt her body suddenly rise into the air.

She panicked and looked up only to see that handsome face.

“Why are you still here?” He asked softly as he hugged her. His voice was low and seductive. She was so embarrassed that she lowered her eyes and allowed him to hug her. “I’m used to it.”

He curved his lips slightly, carried her to the master bedroom, and entered the room.

At the corner of the stairs, two figures hid there. They only appeared after watching the two enter the room.

“Yanyan, can we not do this kind of thing in the future?”

“What’s Wrong?” Shu Yan turned her head and looked at her husband unhappily.

“Because I feel that at this time, we’re more suitable to do other things!”

“...” before Shu Yan could regain her senses, her body was also lifted into the air and disappeared at the corner!

In the master bedroom, after carrying her to the bedside and gently putting her down, he could not help but kiss her.

“Wait, wait a minute.”

Knowing that this kiss would deepen, she could not help but raise her hand to push him away.

“What’s Wrong?” His hoarse voice rang out. After having a ‘taste’ once, he was almost addicted and couldn’t wait to have another one.

“I, I haven’t showered yet.”

“Take a shower later.”

As soon as he finished speaking, he didn’t give her another chance to speak and directly sealed her lips.

“Oh –”

Soon, the two people on the bed ‘met with sincerity’. The entire room was filled with the smell of love. From time to time, the sound of men and women panting in satisfaction could be heard. It was a night of romance.

Another night of intercourse. The next day, Jing Xinlei slept very late again.

In the morning, Zhong Shenghao also woke up later than usual. There was no surgery today, so he didn’t plan to go to the hospital.

After breakfast, Shu Yan went to the garden. When she came in, she saw her son sitting in the living room. She was stunned for a moment, then walked to the sofa and sat down beside Zhong Shenghao.

“Son, you don’t have to go to the hospital today?”

“Yes, there’s no surgery. It’s fine even if you don’t go.”

“You should take a rest and properly plan your wedding plans with Xinlei.”

Hearing his mother’s words, Zhong Shenghao fell into deep thought.

“Xinlei is still sleeping?”

Shu Yan glanced in the direction of the second floor. When she asked this question, there was a smile on her face. After all, she was experienced. Of course, she understood the reason why she slept late.

“En.”

He answered his mother and couldn’t help but look in the direction of the second floor.

As if she suddenly remembered something, Shu Yan turned to the side of his handsome face. Her expression was somewhat depressed.

“That, son.”

Wen Sheng turned his head when he heard the voice. He could see that there was something wrong with her expression.

“What’s Wrong?”

Looking at her son, Shu Yan hesitated for a long time before she opened her mouth. “Yesterday, I heard some things about Xinlei’s past. Do you know all this yourself?”

His expression turned serious, and the gentleness on his face disappeared. There was a hint of coldness in his eyes.

“Who did you hear it from?”

“It’s a person named Xiao ran. She said she’s your friend.”

Xiao ran?

“What did she say to you?”

Looking at her son, Shu Yan was stunned for a moment. “Nothing much. It’s just... about Xinlei’s past.”

Noticing the expression on her face, Zhong Shenghao’s expression was very calm. “So you know about it?”

She looked up and then nodded. “Yes.”

“Then what do you think?”

“I’m a little surprised.”

Looking at his mother, Zhong Shenghao suddenly sat up with a serious expression. “Mom, I hope you don’t have any prejudice against xinlei because of this.”

Shu Yan was stunned and naturally understood the meaning of his words.

“I know. I’m just asking you. If you don’t mind, I certainly don’t have any problems.”

“Okay.”

Looking at her son, Shu Yan smiled knowingly.

At this time, there was a sudden sound from the stairs.

The mother and son on the sofa looked up when they heard Wen Sheng. They saw Jing xinlei standing there at some point in time.
