

Kiss Me 1581

Chapter 1581: came over and sat down

Their expressions froze, especially Shu Yan. She was worried that she would be suspicious if she heard what she and her son had just said.

Jing Xinlei was also startled when she met the mother and son's gazes.

She was about to enter the building when she heard their conversation. She couldn't help but stop in her tracks. Was it considered eavesdropping?

After calming down for a while, she felt that it wasn't a good time to turn around, so she walked downstairs.

"You're Awake?"

Zhong Shenghao also got up and walked toward her. He didn't mention anything about the conversation with his mother. He was so calm that it was as if nothing had happened.

He also believed that she wouldn't be suspicious. After all, the conversation with his mother didn't say anything bad about her.

It was just that Shu Yan, who knew that she was in a low mood yesterday, was afraid that she would think too much about the conversation with her son again, so she took the initiative to walk over.

"Xinlei, you're up."

Looking at Shu Yan, Jing Xinlei nodded slightly. "Well, I slept late again..."

As she said this, she was still a little embarrassed.

Shu Yan smiled and didn't mind at all. "It doesn't matter. Anyway, there's nothing to do. It's a blessing to be able to sleep!"

"Are you hungry? I'll Go and prepare some food for you!"

As she said this, Shu Yan turned around and walked to the kitchen.

Jing xinlei knew Zhong Shenghao's family background, so she naturally wouldn't let Shu Yan personally prepare food for her.

"No need –"

She wanted to speak, but Zhong Shenghao stopped her.

"Come and sit down."

He pulled her and sat down on the sofa. Then, he gazed at her sincerely, "My mother really likes you. No matter what she says or does, it's only because she's curious. But it doesn't mean that her feelings for you have changed. Do you understand?"

Looking at the man in front of her, Jing Xinlei was slightly stunned.

She knew that the reason why he said that was to let her rest assured and not think too much.

She nodded. "Yes, I know."

He smiled and held her hand tightly.

Not long after, Shu Yan came out with a bowl of chicken soup.

She had gotten up early in the morning to make the chicken soup.

"Here, drink this."

Shu Yan didn't forget to blow on the chicken soup as she handed it to her.

Jing xinlei felt guilty when she saw the chicken soup she personally brought. "Auntie, you don't have to make these for me in the future."

She was about to take it when Zhong Shenghao snatched it from her.

"I'll do it."

Zhong Shenghao took the bowl of chicken soup, scooped up a spoonful, blew on it, and moved it to her lips.

Jing Xinlei was stunned. She was a little surprised by his sudden action. She couldn't help but glance at Shu Yan.

"I, I'll do it myself."

She raised her hand to take the spoon, but he avoided it and insisted on feeding her.

She blushed. After all, his mother was here. She couldn't get used to such an intimate action in the open.

But Shu Yan is very tactful, looked at two people to smile secretly, then get up to leave.

Originally thought that the son is very mu na, it does not seem to be the case, it is quite understanding!

Chapter 1582: engagement (1)

Shu Yan smiled. "What else could it be? Of course it's the evening gown you're going to wear for your engagement!"

Hearing this, Jing Xinlei couldn't help but turn her head to look out of the window. The snow outside was still falling.

Their engagement party was scheduled to be held three days after the first snow of the year.

In the blink of an eye, more than two months had passed.

"This one looks good."

She pointed at a moon-white one-shouldered evening gown.

“Then this one!”

Shu Yan happily made a decision for her!

...

The day before the engagement.

A group of strangers came to the villa. Jing Xinlei didn't know them.

A middle-aged couple and a young man and woman.

“Big Brother and sister-in-law, you're here.”

Seeing the four people who came in, Shu Yan greeted them with a smile.

“Congratulations! Congratulations!”The man, Zhong Zhengdong, was Zhong Shenghao's uncle.

Compared to Zhong Zhengdong, the woman was not as warm and affectionate. Instead, she walked in, looked around the living room, and sat down on the sofa.

Shu Yan glanced at her unhappily. If it were not for her husband, she would not have bothered to call her sister-in-law!

“This is Hao Cheng's fiancée?”Zhao Yafang glanced at Jing xinlei who was standing at the side, her eyes full of contempt.

Shu Yan also shot her a look of disdain, and then she smiled. “Yes, it's xinlei, a very sensible woman —”

“TSK, she didn't grow very well!”

Before Shu Yan could finish her words, she heard that contemptuous tone.

She glanced at her and muttered to herself unhappily, as if she was mumbling something. Then, her face was full of smiles. Naturally, it was a fake smile, “Hehe! Of course, you're not as good-looking as sister-in-law. You're the number one beauty of our Zhong family. You're already middle-aged, and you're almost as beautiful as an old demon!”

“Shu Yan, what do you mean by that! ?”

After Zhao Yafang heard this, she suddenly became furious!

Shu Yan pretended to be very surprised, but she was indifferent, “I'm sorry, I was complimenting you. Uh, maybe I don't read much, so I didn't use the right words? I mean, sister-in-law, you're too beautiful, as beautiful as that Vixen on TV... uh, sorry, I used the wrong words again. I mean, you're as beautiful as _”

“Shu Yan, that's Enough!”Zhao ya Fang's face turned red with anger!

Shu Yan no longer put on an act. She cast a sidelong glance at her with disdain.

Who asked her to insult her daughter-in-law as soon as she came in, wanting to compete with her in eloquence? She couldn't scold her to death!

Looking at the two sisters-in-law who quarreled the moment they met, Zhong Zhengnan and Zhong Zhengdong pulled their respective wives.

"Yanyan!"

"Ya Fang, can you speak less!"

"What's wrong with me? I came all the way here to congratulate you. Look at her attitude!" Zhao Yafang glared at Shu Yan with anger.

Shu Yan was not willing to be outdone and glared at her!

"Who asked you to be so mean and insult my xinlei!"

"Am I wrong? She's not good to begin with. Not only that, I've also investigated. She's been in prison before!"

With these words, the living room was instantly silent.

Especially Jing xinlei, her face instantly turned pale.

No matter how she changed, this unbearable past would always be used as a stain to humiliate herself.

Shu Yan was furious!

Having been here for more than two months, this was the first time Jing Xinlei had seen her truly let go of her anger!

"So what if she's been in prison! ? Before you married into the Zhong family, you were still a Miss Wu!"

"What did you say! ?"

"Yanyan, how can you say such things to your sister-in-law! ?" Zhong Zhengnan quickly pulled his wife over.

Chapter 1583: engagement (2)

Whenever the two of them met, they would quarrel!

"Zhong Zhengnan! She is bullying xinlei Now! Why Can't I say it? !" Shu Yan was thoroughly enraged!

At this moment, the door was opened again.

The few of them turned around when they heard the sound and saw Zhong Shenghao who had returned.

"Uncle, aunt, you're here."

"Ah, Sheng Hao is back."

Zhong Zhengdong responded with a smile, but Zhao Yafang immediately turned her face away.

“What’s Wrong?” Sensing that the atmosphere was a little strange, Zhong Shenghao couldn’t help but ask. Then his gaze fell on Jing Xinlei’s slightly pale face, and he couldn’t help but frown.

“Nothing, just sit down.” Zhong Zhengnan beckoned for everyone to sit down.

Shu Yan snapped, “Sit my ass!”

“Who are you talking about?” Zhao Yafang looked at her again.

Shu Yan gave her a sidelong glance. “I’ll talk to whoever agrees with me!”

“You!”

“Mom, the gown is here. Take Xinlei to the room to try it on.”

At this moment, Zhong Shenghao interrupted their conversation.

Hearing that the gown was here, Shu Yan’s anger temporarily subsided.

She took the dress and then pulled Jing xinlei upstairs.

In front of the floor-to-ceiling mirror in the room, Shu Yan looked at Jing Xinlei, afraid that she would take Zhao Yafang’s words to heart.

“Xinlei, that Zhao... I’m talking about your aunt. Take what she said as Fart, don’t take it to heart.”

“Aunt, I didn’t expect you to say dirty words.”

After a few minutes of calming down, Jing Xinlei’s mood was better.

After all, it was what she had done in the past. If she didn’t want others to say it, she had to do it herself? Since she had done it, why should she care about other people’s words.

It was good to cherish the present.

She thought she was still sad, but she unexpectedly smiled. Shu Yan was a bit surprised and paused.

Then she couldn’t help but smile. “Your aunt knows a lot of things!”

Jing xinlei smiled, as if she didn’t care about what happened before.

“Xinlei, we will be a family in the future. Don’t worry, your uncle and I — No, you should call me mom today!”

Jing Xinlei was stunned. “It’s just an engagement.”

“What does it matter? Call Me Mom First!” Shu Yan couldn’t wait and forgot the unhappiness just now.

Jing xinlei hesitated for a while and was too shy to call out.

“Mom...”

Shu Yan was overjoyed. “Hey!”

Then, she couldn't help but hug her. "Xinlei, in the future, your father, me, and Sheng Hao will be there. Our three sons will not let anyone bully you. From now on, we will be inseparable as a family!"

These words made Jing Xinlei's eyes hurt and her throat choked.

"Come, let's try on the dress!"

She smiled and took out the dress from the box for her to try on.

"Does it look good?"

"Yes!" Looking at her in front of the mirror, Shu Yan nodded in satisfaction.

Just as she was about to take out the shoes, she heard the butler, Uncle Zhou's voice at the door.

"Madam, Sir Wants you to go downstairs."

Shu Yan frowned. Although she was reluctant to go downstairs to see Zhao Yafang's face, she knew that her husband, who was upstairs trying on clothes with Xinlei, must have something to ask her to go downstairs.

"Xinlei, put on your shoes yourself. I'll come back later."

"Okay, you go ahead!"

Shu Yan smiled, then turned around and left the room.

Jing xinlei walked to the bedside and opened the box containing the shoes.

When she opened it, a pair of lake-blue crystal shoes appeared. It was very beautiful!

She picked up the shoes and sat by the bedside, ready to try them on.

Chapter 1584: Engagement (3)

At this moment, Zhong Shenghao suddenly walked into the room. As soon as he walked in, he took the shoes in her hands and squatted in front of her feet. He personally helped her put on the high-heeled shoes.

"Don't you have to be busy?"

"No."

He replied without raising his head. He only carefully and earnestly helped her put on the shoes.

Zhong Shenghao stood up and admired her after she was done putting on her shoes.

"Is it Nice?"

"Yes."

His gaze moved from the high heels to her face while she was still admiring the shoes on her feet.

It wasn't until his tall and straight body suddenly toppled over.

She instinctively raised her head, wanting to see what he was doing. However, as soon as she raised her head, her lips were covered..

He kissed her deeply. His throat was dry, and after a while, he suddenly let go of her.

His deep voice was a little hoarse. "Wait for me for a while."

She did not know what he was going to do. She followed his gaze and saw that he had walked to the door, closed it, and locked it.

"You... Uh —"

Before she could say anything, she was completely swallowed by his kiss.

"Don't... There are so many people at home..." she resisted.

It was broad daylight, and there were guests at home. They were actually doing such a thing upstairs..

"Ignore them."

"But — umm —"

"You don't want to?"

He looked down at her from above with a hint of mockery.

She frowned, as if she was enduring something.

She didn't want to do it just now, but her body started to heat up after he did it..

"You... did it on purpose!"

"I did it on purpose." He smirked, but in the next moment, he kissed her again, from her lips to her sexy collarbone to her chest..

...

The next day.

There weren't many guests invited on the engagement day. There were only a few familiar people, and those celebrities and businessmen were omitted.

And this was also completely according to Jing Xinlei's request.

She had regained her new life, and this happiness wasn't easy to come by. She didn't need a grand and extravagant wedding ceremony, she only needed a low-key and gorgeous one.

At the same time, on the other side.

"Sister Xiao, are you really going to attend their engagement ceremony?" In the lounge, Bai Mengying looked at Xiao ran.

Xiao ran clenched her fists tightly. She really didn't expect that they would get engaged so quickly, and they even invited her to attend the engagement ceremony. What did Jing xinlei mean by this! ?

“The invitation letter has already been sent. How can I not go?”

When she said this, she didn't look at Bai Mengying. She just stared at the front gloomily as if she was planning something.

“But she knows that you like Zhong Shenghao. If you go to their engagement party, won't you embarrass yourself? I'm afraid this is Jing Xinlei's goal. Why do you have to humiliate yourself?”

Bai Mengying blurted out anxiously, but Xiao ran's sharp gaze greeted her. “You're saying that I humiliate myself?”

Bai mengying paused and noticed the hostility in her eyes. “No, I don't mean that. I mean, don't fall for Jing Xinlei's Trick!”

Xiao ran glanced at her unhappily. “I'll definitely go, but...” she turned to Bai Mengying, a cold light flashing in her eyes. “I'm not going to their engagement party!”

The meaning in her eyes was unclear, and Bai Mengying couldn't help but guess.

Not going to the wedding? Then what was she going to do?

Looking at Xiao Ran's scheming face, Bai Mengying couldn't help but ask, “Sister Xiao, do you have a new plan?”?

Xiao ran glanced over, and with a look, Bai Mengying quickly shut her mouth, not daring to ask more!

Chapter 1585: Engagement (4)

In the Z City International Hotel.

Jing xinlei, who was dressed in a gorgeous evening gown, held Zhong Shenghao's arm as they slowly descended the red carpet stairs. In an instant, she attracted the attention of the entire banquet hall. Waves of warm applause rang out, they congratulated the couple.

The engagement ceremony officially began.

Just as they descended the stairs, Jing Xinlei's gaze caught sight of a familiar voice. The smile on her lips could not help but fade.

“I invited her here.”

His deep and pleasant voice rang in her ears.

Jing xinlei turned her head in confusion and looked at the man beside her.

Why did she invite Xiao ran here?

Although they used to be sisters, she didn't want to see Xiao ran now.

“Go and say hello.” He tilted his head slightly and smiled gently, only to her.

Xiao ran, who was not far away, saw the intimate interaction between the two of them and could not help but tighten her hands.

However, in the next moment, she had already composed herself and walked towards the two of them.

Her gaze fell on Jing Xinlei's face and the smile on the corner of her mouth was a little hypocritical.

"Congratulations."

"There's no need. I don't Want Your Blessing."

Xiao ran could not help but be startled. The fake smile on her face also froze and her expression changed abruptly. "What do you mean?"

"What do you mean?"

"Since you don't need it, why did you invite me here?"

Jing xinlei raised her eyes and the corners of her mouth suddenly curled up into a smile. "I sent the invitation only because you were once my sister. However, I didn't expect that you would really come."

The meaning of these words was obvious. She was clearly saying that she had come here to humiliate herself!

However, as a public figure, she could not openly vent her anger here. This would affect her image.

"Jing Xinlei, you win!"

"The same goes for you. You were once my good sister. The current you is full of glory, but in the end, you're still alone. However, since you're here, I'll thank you for your blessings to Sheng Hao and me."

"You!"

"Ah, I'm sorry. Seeing the man you like getting engaged to the sister you hate, you shouldn't feel good, right? "If it's too much, you'd better leave here. Otherwise, your broken heart will be heartbroken."

"Jing Xinlei! !"She finally couldn't take it anymore and shouted!

In the next moment, she noticed that everyone in the banquet hall was looking at her.

She clenched her fists. She would definitely repay this humiliation with double!

"The door is over there. I Won't send you off."

Xiao Ran's face was livid. However, in the face of her expulsion order, staying would make her look even more shameless. She was asking for humiliation!

She glared fiercely at Jing xinlei, turned around, and walked toward the door!

"How is it? Is it much more comfortable?"

Zhong Shenghao only turned his head slightly and stared at Xiao Ran's side profile after she disappeared from the door.

She turned her head. "So, this is the reason you invited her here?"

He smiled and didn't answer her directly.

Instead, he led her towards a certain direction.

"Shenghao."

He turned his head and raised his eyebrows to look at her.

"Thank you."

"From today onwards, you will be my wife. There's no need for the word 'thank you' between husband and wife."

"It's clearly just an engagement," she corrected.

At the very least, she had to be married before she could be considered a wife, right?

"What, are you still thinking of running away from me?"

"I have such a plan."

"Then I can only think of a way to keep you by my side!"

"What Way?" She was curious.

Chapter 1586: engagement (5)

He leaned close to her ear. "Work hard at night to make you pregnant with my child. That way, you won't be able to escape."

"..."

After hearing his words, Jing Xinlei was stunned for a moment.

However, he smiled in satisfaction.

"You saw this scene the moment you arrived. Pay attention to your image. There are so many people."

A familiar voice sounded from the side. When the two of them turned their heads when they heard Wen Sheng, they saw four familiar voices walking over not far away.

The one who spoke was Shi Nuannuan, who was standing beside Xiang Yi.

"Congratulations." Zuo Weiyi also raised the wine glass in her hand.

"Thank you," Jing Xinlei replied.

Looking at Shi Yuting and Zuo Weiyi in front of her, she then thought of Zhong Shenghao who was beside her.

She was so foolish back then. She didn't belong to herself, but insisted on forcing herself. She never saw what belonged to her, which caused her and Hao Hao to miss out on these years.

Zhong Shenghao stretched out his hand and couldn't help but flick Shi Nuannuan's forehead.

"It's just a whisper. Why aren't you paying attention to your image?"

"Oh? Then why don't you tell me what kind of whisper it is?" Shi Nuannuan was really curious about this.

Jing Xinlei suddenly blushed when she noticed the conversation between the two.

They were both experienced people, so they naturally understood why she blushed.

"Why aren't the babies here?" Looking at the two pairs of people, Jing Xinlei took the initiative to change the topic.

"They were clamoring to come, but there were too many people. They were too noisy, so they didn't bring them," Zuo Weiyi replied.

"Let's go over there."

Zhong Shenghao suggested, leading the group to the open-air balcony at the back, where they could have a good gathering.

However, not long after they arrived at the balcony, the women felt a bone-piercing cold wind. After all, it was winter now, and they were only wearing evening gowns. Although they had put on their coats, they still felt very cold after a while.

"Let's go in."

Shi Yuting directly put his arm around Zuo Weiyi's shoulder and walked into the hall with her in his arms.

Just as he reached the door, his cell phone rang.

"I need to take a call."

After instructing her, he strolled toward the bathroom.

The three women found a quiet corner and started chatting again.

"Are you planning to go on your honeymoon?"

Looking at Jing Xinlei, Zuo Weiyi couldn't help but ask.

Although it was only an engagement, he had heard from Sheng Hao that he would go on a trip to the Maldives.

"It can't be. After all, it's not a marriage."

"What does it matter? Anyway, I'm going to get married sooner or later!" Shi Nuannuan couldn't help but say.

She smiled. Regarding the honeymoon, Sheng Hao had never mentioned it to her.

"Okay, let's have a glass of wine."

Shi Nuannuan picked up a cocktail from the dining table and passed it to Zuo Weiyi and Jing Xinlei respectively.

Looking at the wine glass in front of her, Jing Xinlei hesitated for a while before taking it.

“Cheers!”

Shi Nuannuan and Weiyi had already raised their glasses, but Jing Xinlei did not pick up the wine glass. The two of them could not help but turn around and look at her in confusion.

Could it be that she did not want to Clink glasses with them?

The current jing xinlei should not go that far.

“What’s Wrong?” Looking at her, Zuo Weiyi could not help but ask.

Jing xinlei raised her eyes and looked at the two of them. “I’m going to the washroom. We’ll continue in a while.”

As she said that, she had already left and walked towards the washroom.

Looking at her back as she left alone, Zuo Weiyi and Shi Nuannuan looked at each other and felt that she was a little strange.

“Sister-in-law, it can’t be that she doesn’t want to be friends with us, right?” Shi Nuannuan couldn’t help but ask as she watched Jing xinlei leave.

Chapter 1587: engagement (6)

Zuo Weiyi was also stunned for a moment.

“I don’t think so.”

Shi Nuannuan still felt a little strange. “But when I handed her the wine just now, she also hesitated for two seconds before taking it.”

Jing xinlei had really changed. If she said that she didn’t want to be friends with them, it was really not to the extent of it.

Then why was she unwilling to take the wine glass and didn’t want to Clink glasses with them?

Looking into the distance, Shi Nuannuan was puzzled.

When she came to the bathroom, Jing Xinlei walked into the cubicle. She thought for a while, and her gaze fell on her handbag.

She didn’t show up for her leave last month, and it had already been delayed for a month and a half. She wasn’t sure if she was pregnant, so she secretly bought a test paper this morning. She didn’t have time to test it yet.

She opened her handbag, took out a test paper, and did the test.

She looked at the instructions and said that it would take five to 15 minutes.

She quietly looked at the mark on the test paper, and it slowly extended from one red bar to two, becoming clearer and clearer..

Two Red Bars..

This, it seemed like she was pregnant?

For a moment, Jing xinlei seemed to be stunned as she looked at the pregnancy test results in a daze.

Although her period was delayed and she had some doubts about it, when she saw the results on the test paper, her mood was indescribably happy. It was as if words could not describe it.

Was she really pregnant? Could there be a mistake? Or was the test paper inaccurate?

But it shouldn't be that bad. Her period had been delayed for a long time. Was she really pregnant?

Pregnant..

She didn't know how Sheng Hao and his mother would feel after hearing the news.

Uh, it was better to wait until they went to the hospital for a check-up before telling them.

That wasn't right. wasn't Sheng Hao a doctor himself?

She stood alone in the cubicle, sharing the sudden joy. Excitement, helplessness, and joy. Just these few words couldn't describe her current mood.

Right, she should look for Hao Sheng and ask him to take her pulse. He should be able to find out whether she was pregnant or not?

Thinking of this, she put away the pregnancy test stick and wanted to show the results to Zhong Shenghao so that he could take her pulse.

However, just as she reached out to open the cubicle door, she heard a strange sound.

She paused for a moment, then raised her head to listen carefully to the strange sound.

But after a while, the sound suddenly disappeared, followed by the sound of footsteps.

What was going on?

Unable to guess, she reached out to open the cubicle door, but she suddenly stopped.

What was going on? Why couldn't she open it?

She frowned and suddenly realized that the cubicle door could not be opened.

No matter how hard she tried, the door seemed to be blocked from the outside and couldn't move.

"What's going on? Is there anyone outside? !"

She heard footsteps just now and thought that there should be other people entering the bathroom as well.

"Hey, is there anyone outside?"

“Splash –”

As soon as she finished speaking, a burst of cold water suddenly poured down from her head. In an instant, she felt as if she was sitting in an ice cellar. The bone-piercing ice water penetrated her skin like a sharp blade, and the pain was unbearable!

“Ah!”

The cubicle was not big. Jing Xinlei had nowhere to hide. Before she came back to her senses, another bucket of cold water was poured down on her head!

Two buckets of cold water were poured down on her. She was shivering all over from the cold, and she looked very miserable!

She raised her head and looked at the top of the cubicle. Then, she looked at the inside of the cubicle. Although it was not big, she took a step back to avoid being watered again.

Chapter 1588: engagement (7)

She hoped that this way, she could more or less avoid it.

It was obviously intentional. Who Was It? Why did she do this?

Xiao ran’s shadow suddenly flashed in her mind. Could it be her?

But hadn’t she already left the hotel?

She calmed down. In the bathroom that was three degrees below zero, her red lips started to turn black, but her body was still trembling. She wanted to take out her phone and call Zhong Shenghao’s number.

Outside the door, she coldly glanced at the cubicle door. Xiao ran got down from her chair and left with Bai Mengying.

When she left, she put the ‘under repair’ sign that she had prepared earlier at the door of the bathroom.

“Let’s Go!”

After everything was ready, Xiao ran left with Bai Mengying.

Bai Mengying felt that something was wrong. She suddenly stopped after taking a few steps.

“Sister Xiao, Jing xinlei has a cell phone, right?”

Hearing this, Xiao ran suddenly stopped in her tracks.

She only wanted to teach Jing xinlei a lesson, so she planned everything according to the novel, but she forgot that she had a cell phone with her!

Damn it, she actually forgot to take her cell phone away!

Thinking that she could call Zhong Shenghao for help in a while, Xiao ran couldn’t help but turn back.

“Sister Xiao, are you going back?”

“Or what? If she is saved now, will this plan still work?”

“But if you go back now, won’t Jing Xinlei know that you did it?”

Bai Mengying’s words startled Xiao ran.

In order not to be suspected, she had left the hotel in front of Jing Xinlei. If she went back, she would definitely be found out. If Shenghao knew, would he let her go?

It was such a cold day, and she had been doused with two buckets of cold water. It could be considered as a lesson for her.

Moreover, what if her phone was also doused with cold water?

With this thought, Xiao ran gave up on the idea of going back. Instead, she looked at Bai Mengying.

“Let’s Go!”

In the cubicle, Jing Xinlei took out her phone from her bag. Fortunately, her phone was not drenched.

It was too cold..

Her hands were trembling non-stop. After a long while, she dialed Zhong Shenghao’s number, but it just so happened to be in the middle of a call..

After a while, she called him again, but he was still on the phone.

Why was this happening?

“Sister Xiao, who are you calling?”

“What do you think?”

Xiao ran turned her head, looked at Bai Mengying, and asked back.

After a while, Bai Mengying finally reacted.

Her call should have been to Zhong Shenghao, so Jing Xinlei couldn’t get through to his number.

As she expected, Zhong Shenghao refused to pick up her call, so she kept calling until he picked up!

Anyway, it didn’t matter whether he picked up or not, as long as she kept calling, Jing xinlei wouldn’t be able to get through.

Moreover, according to Hao’s character, if he hated someone, he would turn off his phone after calling for a long time.

“But sister Xiao, even if she can’t get through to Zhong Shenghao’s number, she can still call someone else for help.”

“That can’t be. I remember the first time I saw her, Zhong Shenghao’s number was the only one in her phone.”

“Oh, I See!” Bai Mengying couldn’t help but laugh.

The two of them left the direction of the washroom together. In order to not be discovered, they didn't walk towards the elevator, but towards the stairwell.

However, just as the two of them were about to turn the corner, they bumped into someone.

Xiao ran was stunned when she saw the man in front of her.

She did not have a good relationship with Shi Yuting. The reason why she knew him was because she had a good relationship with Zhong Shenghao back then. However, they could be considered acquaintances.

Chapter 1589: engagement (8)

After being stunned for a few seconds, Xiao ran came back to her senses and forced a forced smile.

"You..."

Shi Yuting, who had just finished the call, only glanced at her coldly. Before she could speak, he had already walked past her towards the banquet hall.

Why did all the outstanding men in the World Get Married?

Xiao ran looked at his back view unwillingly. She stomped her feet and turned around to leave!

What was going on? Why was he still on the phone?

In the bathroom, Jing Xinlei felt that she was about to freeze. Her wet hair seemed to be frozen.

"Hello? ! Is there anyone outside? !"

Since she couldn't get through the phone, she gave up. Instead, she banged on the door with all her might and called for help!

"Is there anyone? ! Can you hear me? !"

How could this be? This was a public restroom. Logically speaking, there should be someone else coming in. Could it have been tampered with?

It was so cold..

A simple coat was completely soaked. She couldn't feel the slightest bit of warmth even when it was draped over her body.

Bang! Bang! Bang!

"Is anyone there? ! Help!"

If no one came, would she freeze to death?

No, a child. What if she really did have a child in her stomach..

Thinking of this terrifying scene, she knew that she couldn't sit still and wait for death. So, she tried to call Zhong Shenghao's number again!

“Di...”it was connected!

Hearing a ‘Di’from inside, Jing Xinlei was extremely excited.

“Hello?”

“I... I’m in the bathroom. Someone Locked Me... I can’t get out...”because it was too cold, her lips and teeth were trembling. She couldn’t even speak clearly.

On the phone, Zhong Shenghao’s heart skipped a beat when he heard that!

“What happened?”

Seeing his expression change abruptly, Zuo Weiyi couldn’t help but speak up as well.

“Xinlei seems to be in trouble!”

As soon as he finished speaking, he had already hung up the phone and turned around to rush in the direction of the bathroom.

Zuo Weiyi and Shi Nuannuan couldn’t help but turn pale with fright when they heard that. They followed him and rushed in the direction of the bathroom!

“Who’s inside?”

Jing xinlei had just hung up the phone when she heard a familiar voice from outside the cubicle.

However, she was not sure if she had heard wrongly.

”... is anyone there?”

Following the source of the voice, Shi Yuting’s gaze fell on the cubicle that was tied with an iron rod. It was obvious that it was done with malice.

He walked over and took the iron rod that was tied to the cubicle down.

The door was opened and Jing Xinlei’s disheveled appearance was revealed.

For a moment, Shi Yuting was stunned and did not recognize her.

Jing Xinlei was a little surprised to see Shi Yuting, but at this moment, she was so cold that her entire body was shivering. She crossed her arms, trying to find a trace of warmth.

If it was in the past, he might have turned around and left.

However, when she remembered that she had saved Lian Lian last time, he stayed behind.

When he saw her shivering in the cold, he took off his black coat and handed it to her. “Put it on first.”

His voice was like cold water, without a trace of warmth.

However, his actions surprised Jing xinlei.

Because it was too cold, she didn’t refuse. Instead, she reached out her trembling hand to take the coat and put it on.

Although the effect was not great, it was warmer than before.

“Thank you,” she thanked him briefly, and then walked down the cubicle.

Because there were two steps, perhaps because it was too cold, her feet were frozen and she could not find her balance. As soon as she stepped down, she twisted her foot and fell forward

Chapter 1590: engagement (9)

He thought he was going to fall to the ground like this, but in the next second, he felt his body fall into a firm chest!

Seeing her current state, Shi Yuting really couldn't stand by and watch, so he subconsciously moved to save her in time.

And he was standing in front of her, so when she fell, she naturally crashed into him.

The scene of the two people being intimate happened to be seen by Zhong Shenghao, Zuo Weiyi, and Shi Nuannuan who were swarming in.

Seeing this scene, the three of them were stunned at the same time.

Shi Yuting and Jing Xinlei also turned their heads when they heard the sound and saw the three people who were in a daze.

“Brother, what... Are You guys doing?” Are You having sex? Shi Nuannuan thought to herself.

Why was Jing Xinlei all wet in the middle of winter?

No, something must have happened, right? Brother Hao had said that something had happened to her.

Zhong Shenghao was stunned for two seconds before he anxiously walked toward Jing Xinlei. “What happened?”

She looked up and glanced at the man. Her whole body was still trembling. “I . . . I don't know who... Locked Me in when I was in the bathroom, and then poured cold water on me...”

Glancing at the coat on her body, Zhong Shenghao directly took it away and returned it to Shi Yuting. Then, he took off his own coat and put it on her. Then, he bent over and carried her horizontally, walking out of the bathroom.

Watching the two of them leave, Zuo Weiyi couldn't help but stand there in a daze. She turned around and glanced at Shi Yuting.

There was a strange feeling in her heart. She couldn't help but recall that he and Jing Xinlei had a past relationship.

Shi Yuting's gaze fell on the face of the person in front of him, his dark eyes half-squinting.

Then, a low voice sounded, “What are you thinking about?”

Hearing this, she raised her eyes, glanced at him, and walked straight out of the bathroom, leaving behind a sentence, "I'm thinking about your past with Wen Sheng!"

"..."

Women were really sensitive creatures. A single action could make them feel jealous?

UH, if it were me, would I be the same?

Glancing at Zuo Weiyi, who was walking towards the door, he quickly followed her. He grabbed her slender waist and pulled her into his embrace.

"Jealous."

Turning to look at his handsome side profile, she denied, "I'm not jealous!"

"It's written all over my face!"

"Really?" She was shocked. She suddenly stopped in her tracks and stared at the man in front of her. She touched her cheeks with both hands and asked nervously!

Was it really... that obvious?

He stared at her and couldn't help but chuckle!

In an instant, she realized that she had been fooled and couldn't help but hit him. "You're so annoying!"

Shi Nuannuan, who was still in a daze in the bathroom, was still in a daze. It took her quite a while to come back to her senses and follow their footsteps out of the bathroom!

"Hey, Sheng Hao seemed to be really jealous just now and removed your clothes." Zuo Weiyi wondered if their friendship would be shaken after this incident?

After all, Zhong Shenghao also knew that Xinlei and Shi Yuting were once lovers.

Hearing her words, Shi Yuting didn't think much of it. Instead, he replied, "It's normal. If it were me, I would do the same."

Which man could tolerate his woman being cared for by another man?

If it were him, he might even throw his clothes far away. He wouldn't return them to their rightful owner so kindly!

When Zuo Weiyi heard this, she couldn't help but turn to look at him. "Then... Why did you —"

As winter approaches, the first snow of the year follows.

Originally intended to live for a period of time to go back to Shu Yan and Zhong Zhengnan, this live actually lived for more than two months, reluctant to go back.

Although the snow scenery was beautiful, very few people went out because it was too cold.

"Xinlei, does this suit look good?"

"What?"

On the sofa, Jing Xinlei leaned her head over and took a look at the thing in Shu Yan's hand.

Evening Gown?

She looked up and looked at her with some confusion. "This is?"
