

Kiss Me 1611

Chapter 1611: couldn't be his girlfriend, right?

"Yeah."

"Who is it? It Can't Be Shi Mo's girlfriend, right?!"

Yin bei pondered for a moment. She had never seen that girl before, nor could she see her face.

But did Shi Mo really have a girlfriend?

From that intimate action, it seemed that only a boyfriend and girlfriend would be so intimate!

Ah... did he really have a girlfriend?

"It's over, there's no hope for you."

Looking at her, Mu Dan could not help but pour cold water on her.

Yin Bei's face was dejected, and her head drooped down immediately.

She did not understand. If Shi Mo had a girlfriend, then what was that Kiss in the afternoon? Could it really be because of the duel between him and Lu Chenfeng?

That damned Lu Chenfeng, what right did he have to treat her first kiss as a trophy!

"I'm going to take a shower!"

Yin Bei's face was filled with melancholy. She took her clothes and walked straight into the bathroom, soaking herself in the bathtub!

On the other side.

In the huge living room, Shi Mo returned to Shi Mansion at 9:30 am.

"Brother, you're back!"

"Yes."

Walking into the living room, he saw that his sister, Shi Lian, had yet to return to her room.

"Why aren't you asleep yet?"

"I can't Sleep!"

"Why? Do you usually sleep at midnight when you're Overseas?"

"It's only 9:30 am. Why is it so late at night?" Shi Lian held a plate of strawberries in her hands as she sat on the sofa and started eating. She even turned on the television at the same time.

She had only returned to China in the afternoon, so the time difference was still there.

Usually, she would have gone to bed before 10 am!

Shi Mo placed his coat on the sofa, walked to the kitchen, and poured a glass of water.

“Brother, where did you go earlier?”

She had been strolling around happily when he suddenly told her to come back first, saying that he had something to do.

She handed the Strawberry Plate over. Seeing that he did not take it, she retracted it and placed it on her lap to continue eating!

“Nothing.”

Shi Lian turned her head and glanced at her beloved brother. Suddenly, she put down the strawberry plate and leaned over. “Brother, you... Did you get a girlfriend?”

Shi Mo placed the cup on the coffee table and turned his head. His calm eyes glanced at her.

“Really?”

He remained silent. After a while, he said, “Not yet.”

Shi Lian narrowed her eyes. “Not Yet? So you have a girl you like?”

He turned his head and suddenly raised his hand to scratch her nose. “You talk too much.”

In the next moment, he had already stood up and walked towards the stairs.

“Brother, if you’re always so cold, no girl will like you!”

Shi Lian looked up and could not help but say something to his back.

...

The next day.

Early in the morning, Yin bei arrived at the school.

Along the way, she realized that many people were looking at her strangely.

“Dan Dan, do you feel that some people are looking at us strangely?”

Mu Dan also raised her eyes and naturally noticed those strange gazes along the way.

“En, what’s going on?”

“I don’t know!”

Holding her good friend’s hand, Yin bei quickened her pace and the two of them soon arrived at the teaching building.

“Let’s Go!”

Because they were not in the same department, the two of them parted ways in front of the teaching building!

After returning to the classroom, they had just walked in when a few figures walked in front of them.

Yin bei looked up and saw ye Xiaomeng standing in the middle.

“Yin bei, I didn’t expect you to be this kind of person. You really have a deep cover.”

Looking at Yin bei in front of her, ye Xiaomeng smiled very smugly. She crossed her arms over her chest and looked down on them.

Yin bei glanced at her. She didn’t quite understand, but she wasn’t interested in what they were saying. She walked past the three of them and returned to her seat.

As soon as she sat down, she found that her seat was filled with many unsightly photos!

Chapter 1612: hotel overnight storm

“What the Hell Is This!”

With such a large scale photo, Yin bei was obviously frightened. With a wave of her hand, she threw all the messy large scale photos to the ground!

Then, she raised her eyes and stared at ye Xiaomeng who was standing not far away!

It must be them!

“Why are you staring at me! ?”

“Is it you?”

“Why? You Dare to do it yourself, but you don’t dare to tell others?”

“What are you talking about?” Yin bei narrowed her eyes, a layer of anger clearly visible in her eyes!

“Last night, you didn’t go back to the dormitory. Where did you stay?”

“What has it got to do with you?”

“It’s not my business, but I heard that... you didn’t go back to the dormitory last night because you stayed in the hotel overnight, and you were even with a man.”

Damn!

This ye Xiaomeng really wanted to stir up trouble!

She didn’t go back to the dorm, so as roommates, they must know about it. But why did they say that she spent the night in a hotel with a man?

Although she was indeed in a hotel, when did she spend the night with a man? ?

“Ye Xiaomeng, watch your mouth!”

“Ha, are you talking to me?” Ye Xiaomeng was obviously surprised by her tone.

“When did you see me with a man? You’d better speak clearly, or I’ll break your mouth!”

“Hit me? Yin bei, I saw that you were with a man last night, and you weren’t satisfied, so your mind wasn’t clear –”

“Slap!”

Before ye Xiaomeng could finish her words, a clear slap resounded throughout the classroom.

The other people in the classroom were obviously shocked by the scene of the slap.

One had to know that Yin bei was hitting the principal’s niece!

Ye Xiaomeng was also stunned by the slap. She covered her face and slowly turned her head.

“You, you dare to hit me!”

Ye Xiaomeng recovered from her shock and raised her hand to slap Yin bei, but she caught it skillfully.

“Let go of me!” She struggled to pull her hand away.

“Tell me clearly. When did you see me staying in a hotel with a man? !”

Since she had said such things in front of so many people, if she didn’t tell them clearly now, the school would definitely believe that what ye Xiaomeng said was the truth. Then, wouldn’t she have to bear the blame until she left the school?

“Still want to Quibble?”

Ye Xiaomeng took out her phone and quickly flipped to the photo that her friend had sent her last night!

“Yin bei, how dare you say that the woman in this photo is not you! ?”

The photo was taken very far away, but because Yin bei had turned her head, that clear side profile made people recognize her at a glance. As for the man beside her, because the camera was too far away, it did not capture his face, so it was unknown who he was.

But from the back view, there was no doubt that he was a man!

Looking at the photo, Yin bei herself was stunned for a moment.

Wasn’t this Shi Mo who sent her back to the hotel? God damn it, how did he get captured on camera! ?

This ye Xiaomeng was really haunting him, she had spies everywhere?

“What, you can’t speak anymore?”

Seeing that she could not speak for a long time, ye Xiaomeng could not help but raise the corners of her mouth proudly, and then generously showed the photo to the other students.

“Look, this is Yin bei! I was wondering why she didn’t go back to her dorm last night. So, she spent the night at Hotel Z!”

“Hey, look, it’s really Yin bei!”

“She really spent the night at Hotel Z Last Night?”

“Oh my God, she’s only a freshman, and she went out to get a room with a man...”

Chapter 1613: the person in the photo

“I didn’t!”

As an innocent person, she naturally did not want to be slandered.

There were some things that she could tolerate, but she could not tolerate something like smearing a stain on her body!

“You didn’t? Then tell me, is the person in this photo you?”Ye Xiaomeng was unwilling to let it go.

Looking at the photo in her phone, Yin bei was very clear that if she denied it, when ye Xiaomeng found out that the person in the photo was her, she would really be unable to explain herself.

“Say it.”

“Yes, I slept in a hotel last night, but I was with my best friend!”

“Hahaha... Yin bei, please find a better excuse. Best Friend? Do you want to say that this man is your best friend?”Ye Xiaomeng looked at Yin bei as if she had heard a big joke.

“Ye Xiaomeng, aren’t you afraid that I’ll pay you back even more if you kick me when I’m down?”

“I’m not like you, who went to get a room with a man at such a young age. May I ask how you’re going to pay me back even more?”

“Which eye of yours saw me getting a room with a man?”

“This is it. We have so many eyes, and all of them saw it!”

“Then I saw you get into a branded sports car the day before yesterday. There was an old man sitting in it. Could it be that you were kept by someone?”

Hearing this, Ye Xiaomeng’s face turned pale!

“Yin bei, what are you talking about! ?”

“Why are you so agitated?”

“You! You’re talking nonsense!”

Ye Xiaomeng’s unusual reaction made Yin bei suddenly realize something.

She saw her get into the principal’s car yesterday. Because she didn’t know how to fight back, she deliberately said what she saw.

She had thought that she would calmly give an explanation for herself. It was just her uncle’s car! But she had not expected that not only did she not explain, but she was also agitated, as if she was very angry.

Under normal circumstances, would this be the case?

Looking at ye Xiaomeng, the more Yin bei thought about it, the more she felt that something was not right.

Was she afraid of letting others know that she had a guilty conscience?

Originally, everyone's attention was on Yin bei, but after ye Xiaomeng's intense reaction, many people's gazes could not help but fall on her.

"Yin bei, you were in a hotel room with a man, and you were caught on camera, so you flew into a rage out of humiliation and spouted nonsense here! ?"

Yin bei stared at her for a while, and then she calmed down.

Only a guilty person would have such an intense reaction, right?

"I did spend the night in a hotel, but I'm not a man. You can go and check. If you don't have any evidence, please shut your filthy mouth! Otherwise, don't blame me for tearing it apart!"

"You Dare? !"

"Since I dared to hit you, I naturally dare to tear your mouth apart!"

"You –"

"Oh, right." Yin bei suddenly curved her lips into a smile. She thought of something and continued to add, "The sports car that you got into the day before yesterday, I think as long as I check the license plate number, I should know who the owner is, right?"

Hearing her words, Ye Xiaomeng's face turned as pale as a sheet of paper once again.

After a long while, she came back to her senses and said, "That, that car belongs to my uncle! I'm sitting in my uncle's car, what's so strange about that?"

"Oh... is that so?"

Since it belonged to her uncle, why was she so nervous?

"Of course! Otherwise, do you think that everyone is like you –"

"Continue!"

Facing Yin bei's fierce gaze, ye Xiaomeng suddenly felt a chill run down her spine.

Would she really tear her mouth apart?

Damn it! Why was she being suppressed by this Yin Bei?

Chapter 1614: heaven-defying looks!

Staring at Yin bei, ye Xiaomeng did not dare to make a sound in the end. In a fit of anger, she returned to her seat!

Lunch break.

The day in February was not very cold for this year.

The bright sunlight shone on people's bodies, making it exceptionally bright and warm.

Without ye Xiaomeng's chattering voice, Yin bei felt that this afternoon was a rare moment of leisure.

As she walked, she unknowingly came to the familiar maple tree.

She stood there, quietly staring at the position under the Maple Tree, and the kiss involuntarily flashed through her mind.

Damn it... why did he kiss her!

After frantically scratching her head and her hair was in a mess, Yin bei turned around and walked away!

Just as she turned around, that familiar figure bumped into her line of sight, causing her to stop in her tracks.

Strange, why was it that girl again.

Looking at the girl beside Shi Mo, Yin bei was completely stunned.

She had never seen that girl before.

The two figures in the distance immediately attracted the attention of others because the scene was too beautiful, as if they had walked out from an oil painting.

"Quick, look, the girl beside Shi Mo, she's So Beautiful."

"Yeah, so beautiful. Is she his girlfriend?"

"I don't know... I don't think I've seen her before. Is she new?"

"Oh my God, they're really a good match. Her looks are simply enviable!"

"Yeah, not to mention ye Xiaomeng, even Yin bei seems to have been suppressed..."

Although ye Xiaomeng was selected as the school belle, many people could clearly see that Yin bei was even more beautiful than ye Xiaomeng. It was just that she did not participate in the school Belle selection. Whether it was her figure or appearance, she was definitely better than ye Xiaomeng. However, due to her identity as the principal's niece, they naturally didn't want to say more.

"They're coming, they're coming!"

Looking at the two figures approaching from afar, some girls began to get excited!

However, as the figures got closer and closer, many people realized a problem... these two people looked alike.

Yin bei was standing right in the middle of the path they had taken. At this moment, she was undoubtedly standing quietly in front of them.

When he raised his eyes and saw the person standing two meters away, Shi Mo's footsteps also stopped because of this.

Seeing that he had stopped, Shi Lian also stopped and turned her head to look at the side of her brother's face.

Then, she followed his line of sight and saw that there was a girl standing in front of them.

A very pretty girl!

This was Shi Lian's first impression!

Yin bei also looked at Shi Lian as a slight sense of familiarity surfaced in her mind.

If she remembered correctly, this girl should be Shi Mo's sister, Shi Lian.

As she had liked Shi Mo since a long time ago, she had been paying attention to everything about him since a long time ago. Naturally, she also knew that he had a sister. However, she had heard that she had been sent overseas a long time ago, so regarding Shi Lian's appearance.., yin bei was not very clear about it. The only thing she knew was her past photo.

However, as a woman, she had undergone eighteen changes. A few years had passed, and her appearance was really quite different from before. The only thing that remained unchanged was that she was born from the same brother and sister. Therefore, even though there were some differences, her facial features were extremely similar.

In other words, the person beside Shi Mo at the mall last night was also Shi Lian?

"Brother, who is that?"

Shi Lian was a little curious, because from their gazes, she could feel that they definitely knew each other.

However, Shi Mo only glanced at Yin bei slightly, then walked past her and left.

Yin bei was ignored just like that!

Chapter 1615: you're still staying at a hotel tonight?

She narrowed her eyes and suddenly turned around, glaring at that tall figure!

"TSK, isn't he just handsome? What's the point of being cocky..."she pursed her lips and muttered softly to that back figure.

And just as she was mumbling, Shi Mo suddenly stopped in his tracks.

Yin bei paused for a moment and quickly shut her mouth.

No Way, she could be heard speaking so softly?

Following that, she saw Shi Mo turn around and slowly walk towards her.

Yin bei felt a wave of nervousness in her heart. Her heart was thumping non-stop, like a little deer bumping about.

In the blink of an eye, Shi Mo had already arrived in front of her. His deep black eyes were staring at her, as if there was a magical power that caused one to be unable to help but sink into it and be attracted to him.

“What, What?”

Strange, when did she become so nervous?

“You’re still staying at a hotel tonight?”

His voice was very low. He was clearly only twenty years old, but he actually had an irresistible magnetism that made Yin bei so jealous!

He was handsome, had a good family background, and had 360 degrees of no blind spots! Why did God give birth to him so well!

Hearing his words, Yin bei paused.

Stay in a hotel?

It seemed like it.

It was only the weekend the next day, so she had the time to look at houses.

So she still had to stay in a hotel tonight.

“Okay.” Looking at him, she nodded in a daze.

She had thought that he would still respond, but he had turned around the next second and walked in the direction where Shi Lian was standing.

Yin bei could not help but be stunned.

“Yin bei!”

At this moment, a familiar voice came from behind!

Following this familiar voice, Yin bei turned around and saw Lu Chenfeng walking towards her not too far away!

Shi Mo, who had already walked far away, also stopped in his tracks at this moment.

Shi Lian, who was at the side, watched his abnormal actions and the slightly sunken expression on the side of his face.

However, in less than two seconds, he took another step forward.

Behind him, Yin bei turned her head and left without thinking when she saw Lu Chenfeng!

“Yin bei!”

Lu Chenfeng caught up and soon arrived beside her!

“Shut up, I don’t want to Hear Your Voice Right Now!”

She was furious and kept walking forward quickly!

“Are you angry?”

Yin bei suddenly stopped and turned around to glare at Lu Chenfeng!

“What do you think? That was my first kiss! Why did you use my first kiss as a trophy in your duel with him! ?”

Lu Chenfeng was slightly stunned.

He admitted that the reason he took this kiss was his own selfish desire.

But..

“I thought you didn’t Kiss Me?”

Yin bei paused and suddenly remembered.

Yes, yesterday afternoon, Shi Mo turned a blind eye to her in front of everyone. No one knew that he stole her first kiss under the maple tree that afternoon.

The reason was that Lu Chenfeng had lost the duel, so she owed him a kiss!

He was so overbearing!

“So, don’t be angry about this anymore, okay?”Lu Chenfeng gently coaxed.

He had grown up with her, played with her, and studied in her primary school, middle school, and high school. However, to her, he was just a Playmate and brother.

“Not good!”

Yin bei glanced at him and then left.

“Yin bei!”Lu Chenfeng chased after her.

“Don’t talk to me, I don’t want to Hear Your Voice.”Yin bei raised her hand and covered her ears with her index finger.

“Yin bei!”

At the corner, Shi Mo was watching the two figures chasing not far away.

Chapter 1616: Social Club

There wasn’t much class on Friday afternoon. After one class, Yin bei took out her phone and planned to call Mu Dan to go look at houses together.

“Clap! Clap! Clap!”

A few crisp claps rang out.

A male student stood on the podium and surveyed the students in front of him.

“There’s a social club tonight. Students who want to go can register at my place!”

“Fellowship Party? With who? Are there any handsome guys?”

“Of course there are. It’s with someone from the management department. Who knows, maybe Shi Mo will go too!”

“Are you serious! ?” Upon hearing this name, some of the girls started to get excited!

If Shi Mo was going too, then of course they would go too!

“Uh... I’m not too sure about that. I heard that he might be going too!”

“Then I’m going too!”

“Alright, fill in your names on this form. In a while, we’ll count the number of people!”

As he said that, the male student handed over the form!

Yin bei sat in her seat, deep in thought.

Would Shi Mo be going too?

Uh, but she wanted to look for an apartment.

But Tomorrow was the weekend. It wouldn’t be too late to look for an apartment tomorrow, right? Anyway, she was definitely going to stay at a hotel tonight.

Then... fill in her name?

With this thought in mind, Yin bei had already stood up and walked over to the surrounding girls. After squeezing for quite a while, she finally filled in her name! Then, she squeezed out of the crowd again.

After she left, ye Xiaomeng saw the two words ‘Yin Bei’ in the form. She suddenly curved her lips into a smile, but the meaning was unclear.

“Alright, I’ll send the address and time to the group later!”

When she returned to the hotel, it was still very early.

Yin bei climbed onto the bed and sat cross-legged. She took out her phone to look at the Tongcheng website while she was free.

These houses were really expensive. They were slightly cheaper and were very far from here. It would take a few bus stops to get there.

As she was reading, a message popped up.

It was Wang Meng, from the foreign language department.

She opened the message and saw that the date and address of tonight's social gathering was written on it.

Yin bei was a little stunned and frowned slightly.

Didn't she say it was in the group? Why was it sent to her alone?

With a hint of confusion, Yin bei replied with a message: didn't you say it was announced in the group?

Wang Meng: You're not in that group.

Yin bei was stunned again. She should be in the foreign language department group. Could it be that there were other groups?

Forget it, it wasn't important anyway!

Looking at the time, it was already past four in the afternoon.

Go and pick a suit!

She opened her suitcase and took out a few sets of clothes to try. Only then did she realize that she hadn't bought any new clothes this winter.

She tried them on and they didn't seem to do much. Mu Dan wasn't around, so she couldn't help her decide.

Ah, why don't I go buy a set? Anyway, it's still early!

With this thought in mind, Yin bei took her phone, put on her small black backpack, and left the hotel. She went to the clothing store to choose a set of clothes.

If she came out again, it would be dark.

It was six o'clock in the evening.

There was still an hour left, and the time was just right.

After sending the changed clothes back to the hotel, Yin bei called a taxi to the venue of the sorority party: Charm of night.

Standing in front of charm of Night's building and looking at such a luxurious signboard, Yin bei did not enter for a long time.

This kind of entertainment club should only be visited by some people from the society, right? Why did they set the location here?

With a hint of doubt, Yin bei still walked in and took the elevator to the designated private room on the fifth floor.

"Excuse me, is this student Yin Bei?"

Just as she reached the door of the private room, a man walked towards her.

This man was obviously very different in age from her and was not a student.

Chapter 1617: Why were there only these few people

Yin bei was stunned for a moment before nodding. "That's right."

"Please follow me."

As the man spoke, he brought her to the designated private room.

Yin bei stood rooted to the spot, alarm bells ringing in her heart.

Her pitch-black eyes scanned the dark corridor.

This was not a proper place, so she naturally had to be careful.

Seeing that she did not seem to have followed behind him, the man turned his head and looked at her.

"What's Wrong?"

"Who are you?" Yin bei stared at him with a vigilant look.

"Aren't you here to join the Fellowship Party?"

Uh, she was here to join the Fellowship Party, but why was there such a strange uncle?

"Where are you taking me?"

"Their private room."

They? which them?

"Your classmates, Ye Xiaomeng, Wang Meng, and the others."

So that's how it was.

Yin bei pursed her lips and followed the man over.

Pushing open the door of the private room, under the dim yellow light, Yin bei still saw ye Xiaomeng, Wang Meng, and the others sitting on the sofa.

But... why were there still some middle-aged uncles she didn't know?

"You're here?"

Seeing Yin bei walk in, Ye Xiaomeng greeted her in an unusual manner.

Yin bei narrowed her eyes. This ye Xiaomeng was a little strange.

Glancing at her, Yin bei found a seat and sat down. Then, she asked a girl next to her.

"That, why are there only a few people?"

Although there were many people, she realized that there were only five or six of her classmates, and all of them were girls.

Where were the boys? Where did they go?

The girl glanced at her. "They were in another private room. Because there were too many people, we couldn't sit down, so we were assigned here."

"At that time, Shi Mo?"

"He hasn't come yet, and the private room over there can't sit down anymore. When Shi Mo comes in a while, he will definitely come to this private room."

Oh, so that's how it is.

Yin bei's gaze swept over the few middle-aged uncles she didn't know and discovered that they were also looking at her with a strange gaze.

"Then who are these uncles?"

"Oh, them..."the girl felt a little guilty and couldn't help but look at ye Xiaomeng.

"They are a few friends of my uncle." Looking at Yin bei, ye Xiaomeng smiled and said.

Yin bei, on the other hand, was even more confused.

Wasn't her uncle the principal? Could it be that even the principal of this sorority was here? That's impossible.

"This is also Xiaomeng's classmate?" A middle-aged man asked. He was a typical Mediterranean with a shiny face, and Yin bei's first impression of him was very bad.

Xiaomeng? It seemed that she was very familiar with ye Xiaomeng.

She ignored the middle-aged man and took out her phone to play with it.

If she couldn't wait for Shi Mo, she would go back.

"Yin bei."

Just as she was playing with her phone, ye Xiaomeng's voice suddenly sounded.

Yin bei looked up and saw that she was holding a glass of wine in front of her.

"We had some unhappiness in the past. Today, with this glass of wine, we'll write it off."

For a moment, Yin bei thought that there was something wrong with her ears and misheard.

With ye Xiaomeng's personality, she actually took the initiative to toast and even said that the past was written off?

The Sun didn't rise from the west today. Why did ye Xiaomeng change her personality?

"I don't drink."

After saying this, Yin bei lowered her head and opened the Tongcheng website to continue looking for a house.

Being directly rejected, ye Xiaomeng's expression was very ugly. However, in this dim private room, she couldn't see it clearly.

"Why, are you afraid that I will drug the wine?"

Chapter 1618: A Toast to a forfeit. I don't even like it!

Yin bei was stunned when she said that. If she hadn't said it, she wouldn't have thought of it.

But when she said it and looked at the people in the private room, could it really be that ye Xiaomeng had other motives?

She glanced at the other glass of wine in her hand and then looked at ye Xiaomeng. "Don't say it, it really is."

Ye Xiaomeng's face darkened, and her hand that was holding the glass of wine tightened.

This Yin bei was not stupid at all.

"Then I'll drink it first."

"Why do you have to make me drink this glass of wine?"

What was going on? It was Wang Meng who had informed her of the time and place in private. Could there really be something fishy going on?

Thinking of this, she glanced at the three middle-aged men on the sofa. She was a female university student, so it didn't seem safe for her to be here?

Ye Xiaomeng's expression became even more unsightly.

However, she still wanted to pretend to be calm. "Didn't I say that after drinking this glass of wine, we'll forget everything that happened in the past?"

"Heh, I'm just an insignificant little character. Why do you want to forget everything that happened in the past with me?"

She had always viewed her as a thorn in her side during her one year of university. How could she change her mind for no reason? It seemed that there was really something wrong with this glass of wine.

"Yin bei, don't refuse the toast!" She had already taken the initiative to propose a toast, yet she did not appreciate it at all?

"I don't even like to drink!" As she said this, Yin bei had already put away her phone, picked up her bag, and stood up. "Goodbye!"

After saying this to ye Xiaomeng, Yin bei walked towards the door of the private room!

Seeing that she was about to leave, ye Xiaomeng was clearly a little anxious.

"Stop her!"

Hearing ye Xiaomeng's order, the two bodyguards standing at the door immediately blocked Yin bei's way!

Yin bei was startled and realized that this was indeed a trick!

Her face darkened and she turned around to look at ye Xiaomeng. "What do you want to Do?"

"Don't you like to accompany men? Why Don't you accompany these three bosses tonight?"

"Isn't that what you like to do?"

"What did you say! ?"Ye Xiaomeng's expression changed drastically!

"Ye Xiaomeng, the more you react, the more I feel that you and the principal have a deep relationship."

"You! You're talking nonsense again!"

Ye Xiaomeng's face turned red with anger. She strode forward and was about to slap Yin Bei's face, but she easily received it.

"Can you not do the same stupid move a second time?"

"You! Let Go of me!"

Ye Xiaomeng tried hard to pull her hand back, thinking that she would clench it tightly like last time. However, she didn't expect that Yin bei would suddenly let go as soon as she exerted force, causing her to exert too much force and fall backward, she fell directly on the oily middle-aged man's thigh!

"Oh!"

Her face happened to be buried in the male part of the man, instantly arousing the middle-aged man's desire. He couldn't wait.

Such an ambiguous position made ye Xiaomeng's face instantly turn red from embarrassment to anger!

However, she knew that this Yin bei had learned some self-defense skills. If they were to really fight, she wouldn't be her match at all!

But it didn't matter. She had plenty of tricks up her sleeves!

"Let's Go!"

Ye Xiaomeng stood up. Instead of being angry, she smiled and spoke to the other girls who were still sitting on the sofa.

Only then did Yin bei realize that Wang Meng and the others were just ye Xiaomeng's lackeys. So she had been tricked by Wang Meng to come here?

In the blink of an eye, Ye Xiaomeng had already led Wang Meng and the others out of the private room. Naturally, Yin bei had to go out as well.

"Just enjoy yourself inside! Yin bei, you just checked into a hotel with a man last night. Today, you came to this kind of entertainment venue to play S & M with a business boss!"

Chapter 1619: get lost! !

F * ck!

Yin bei cursed in her heart, but in the next moment, the door to the private room was closed!

With a forceful push from ye Xiaomeng, Yin bei staggered backward. Just then, the man with a bright face stood up and pulled her into his arms.

“Little Beauty, you’re really pretty and appetizing...”the man raised his lecherous smile.

Yin bei came back to her senses and saw that oily face. It was extremely disgusting!

“Get lost!”

She exerted force and leaped up from the man’s embrace. Whether it was that face or the smell on his body, it made her nauseous!

“It’s spicy enough, I like it!”

“Get lost your mother!” Looking at those disgusting faces, Yin bei could not help but swear!

The man was stunned. “What did you say?”

Yin bei ignored him and found an opportunity to leave the private room!

However, just as she was about to turn around and run towards the door, she was not grabbed by a man’s clothes in the next second!

“Get lost! All of you get lost!”

At this moment, her heart was already filled with fear!

Three men. Even if she had learned some self-defense skills from her father, she definitely had no chance of winning against three men at the same time!

Yin bei held her bag and wanted to use it as a self-defense tool, but it was no threat at all! The three men got closer and closer!

“Since you’ve already checked in with men, there’s no need to be so formal here. We’re all experienced people.”

“Come here, your mother! Why Don’t you go have sex with your daughter!” The man who spoke was even older than her father, and he was actually fooling around outside!

“What did you say! ?” One sentence clearly angered the man!

Yin bei did not speak anymore. It was fine as long as she vented her anger. If she continued to speak, it would only be disadvantageous to her. She was not that stupid!

The door to the private room was beside her, yet another man was guarding it. Could it be that she was really going to be destroyed by the hands of these people today?

Looking at the windowless private room, it was obvious that the soundproofing was very strong. Even if she were to shout outside at this moment, no one would hear her, right?

In a place like this, even if someone heard her, it was normal. No one would pay attention to her.

Oh right, the phone!

Thinking of the phone, Yin Bei's heart lit up with a glimmer of hope!

Fortunately, the phone was still in her hand.

However, if she took out her phone to call for help, these three men would definitely snatch her phone away. When that time came, she would not even have the last glimmer of hope.

Holding her phone in her palm, she did not carefully study her contact list. She also did not know the number of her good friend Mu Dan's number. The only person she could contact right now was Weiyi.

However, other than Mu Dan, she had another contact, and that was... Shi Mo..

She had followed him for more than ten years. She had collected many things from him, including his phone number.

It was just that she had not dialed his number once in the past two years.

She had saved Shi Mo's number as a shortcut. With just two operations, she could easily dial his number.

But..

If she dialed his number, it should be an unfamiliar number to Shi Mo, right? Would he pick it up? Would he be treated as a fraudulent call and hang up?

But right now, she did not seem to have any other choice.

Looking at the three middle-aged men quietly approaching before her, she closed her eyes and dialed Shi Mo's phone number!

"Little sister, I advise you to be a little more obedient. This way, I can be gentler to you later!"

On the other side, in the dim corridor, Shi Mo was surrounded by the stars and the Moon, patrolling the entire charm of night.

"Young master, over here."

Chapter 1620: don't come over!

His cell phone rang and he stopped in his tracks. The people behind him and on both sides naturally followed his footsteps and stopped as well.

He took out his cell phone and saw the name 'she' appearing on the cell phone screen.

He was slightly stunned as he was a little surprised by this number.

Two years ago, she had secretly taken his cell phone and asked for his number. However, she had not called him even after a long time. This time, she actually called him?

After hesitating for a few seconds, Shi Mo picked up the phone.

“Hello?”

“Don’t come over!”

Yin bei held the phone. Her Heart had long been occupied by fear. As she held the phone, she did not know whether Shi Mo had picked up the phone or not. Furthermore, she could not bring the phone to her ear and could only quietly hide it behind her back, a pair of frightened eyes stared fixedly at the three men in front of her. They were walking towards her step by step!

Hearing the voice on the phone, Shi Mo was slightly startled, and his long and narrow dark eyes darkened.

“Yin bei.”

His low voice was filled with anxiety, so anxious that it was the first time he called out her name.

“All of you, don’t come over! Scram!”

Looking at the man who was approaching her step by step, it was the first time that Yin bei felt endless fear!

Could it be that the innocent and pure her was going to be sullied by these scums?

No, not even in death!

“Yin bei!”

Outside the private room, Shi Mo could not help but roar.

Where was she?

At this moment, he could not imagine what she was going through.

“Get lost! All of you, get lost!”

Inside the private room, Yin bei had nowhere to retreat!

And the three men in front of her had already arrived in front of her in an instant!

“She’s making a call!”

One of the middle-aged men had sharp eyes. As he got closer, he saw that she was holding a cell phone hidden behind her back!

“Take her cell phone!” One of the men shouted. He had already stepped forward and was about to take Yin bei’s cell phone hidden behind her back!

Seeing the man in front of her get closer, Yin bei instinctively stretched out her leg and forcefully lifted it up. She ruthlessly kicked at the man’s crotch!

“Wu!”

The man grunted and his face instantly turned ashen! He covered his important parts and squatted down in pain!

“You B * Tch!”

Seeing that his companion was in trouble, another man suddenly rushed forward.

Yin bei wanted to use the same move as before, but the man was obviously prepared. When she stretched out her leg, he seized her slender leg!

“It’s spicy enough, but I like it!”

The man grabbed her leg, and a wicked smile appeared at the corner of his mouth. Then, he exerted force and pulled her toward him!

“Ah!”

Yin bei lost her balance when one of her legs landed on the ground. As the man pulled her, she moved closer to him!

“B * Stard! !”She cursed angrily!

However, the angrier she got, the more excited the two men seemed to be. They grabbed her arms and said, “Look at this face. It’s really attractive!”

“Get lost! Get lost! Let Go of me! B * Stard! B * Stard! Scum! You Bald Donkeys!”

She was so angry that she cursed!

Her hands were bound and she could not break free, but the phone in her hands was still tightly clenched!

Because this was her last hope!

However, it was destroyed in the next second!

“The phone is connected, quickly hang up!”

A man saw that the phone screen was connected and could not help but turn pale with fright. He quickly asked his companion to grab the phone and hang up!

Upon seeing this, Yin bei’s grip on the phone tightened even more!

That’s not right. Did he just say that the phone was in the middle of a call? Shi Mo picked up her call?

“Let go quickly!”

Just as she was in a daze, one of the men had already grabbed her hand that was holding the phone. Then, he forcefully tried to pry open her tightly clenched fingers!
