

## Kiss Me 1641

### Chapter 1641: was expelled from school

"I see." Nian Yuqing nodded. "That's good then."

After confessing to her mother, Yin bei felt that this relaxed feeling was really great!

"You haven't eaten yet, right? Then I Won't disturb you. Remember to eat more. Don't let yourself suffer in order to save money."

"Okay, I got it!"

"See you tomorrow then. I'm hanging up now."

"Okay, see you tomorrow!"

After hanging up the phone, Yin bei returned to her apartment. She had a simple dinner of egg-boiled noodles, then took a shower. She lay on the bed and scrolled through her moments to watch the funny video.

Suddenly, an unfamiliar friend joined her. Looking at the simple "M" on the screen, Yin bei paused for a few seconds.

Who Was It?

Although she was a little curious, she still accepted the friend.

However, after accepting it, there was no message from the other side.

Yin bei also did not like to take the initiative to chat, so she followed the friend named 'm' in the list and did not pay attention to it.

The night gradually deepened, and it was already nine o'clock in the evening when Mu Dan returned.

The next morning.

Yin bei had just returned to school when she was informed that she had been expelled by Z University!

This sudden news was like a bolt from the blue! Yin bei was completely confused!

"What did I do wrong? What right do you have to expel me! ?"

With a bang, the furious Yin bei rushed straight to the principal's office, but she did not expect to see ye Xiaomeng inside.

She frowned. Why was ye Xiaomeng here at this time?

Looking at ye Xiaomeng, Yin bei seemed to realize the reason for her expulsion.

Ye Xiaomeng was standing next to principal qi, very close to him. Before Yin bei came, she had been sitting on principal Qi's lap. It was unknown if Yin bei had seen their ambiguous actions just now.

“It’s You?”

Yin bei narrowed her eyes and recalled what ye Xiaomeng had said to her yesterday.

“What’s me?”

“You made this principal drop me out of School?”

“Ha! What a joke!”Ye Xiaomeng crossed her arms and looked askance at Yin bei. “What right do you have to say that it’s me?”

“If it’s not you, what are you doing here?”

Hearing her question, Ye Xiaomeng suddenly felt a little guilty and afraid.

Yin bei absolutely could not know about her and principal qi!

“The principal is my uncle. Is it strange for me to be here?”Although there was a good reason for her to explain, ye Xiaomeng still felt a little guilty and lacked confidence.

And her guilty conscience was an unquestionable affirmation for Yin bei!

She no longer looked at ye Xiaomeng, but turned to look at principal qi with a cold expression. “Why did you drop out of my school? What’s the reason?”

Principal Qi looked up and glanced at Yin bei. He was slightly surprised by her astonishing appearance.

“The reason is that you’ve been beating up your roommate for a long time, and you even threatened her not to say it out loud!”

Yin bei listened as if she had heard the biggest joke in the world.

She beat up her roommate? was she talking about ye Xiaomeng?

“Who did I beat up? Where’s the evidence?”

“It’s Ye Xiaomeng. As for the evidence...”it was easy for a principal to deal with a student. Of course, principal Qi had prepared everything!

He lowered his head and took out an envelope from the drawer.

“This is it!”

Yin bei was stunned and her dark eyes narrowed.

There was really evidence? How was that possible!

She walked over and took out the things in the envelope. There were a few photos.

There were more than a dozen photos. They were all taken when she hit ye Xiaomeng yesterday!

Damn it, who took them!

Looking up and staring at the two colluding men and women in front of her, Yin bei knew very well that if she wanted to exonerate herself, she had to find the evidence that ye Xiaomeng had attacked first yesterday!

#### **Chapter 1642: heard that Yin bei had been expelled from school**

She glared at the two of them, then turned around and rushed out of the principal's office.

If ye Xiaomeng and the principal were determined to expel her, then it would be a waste of her breath if she continued to stay!

Looking at her figure running out, ye Xiaomeng was still a little worried. She turned to look at principal qi and asked, "Uncle, will she find other evidence to prove her innocence?"

"Don't worry, she won't."

Yin bei, who had rushed out of the principal's office, felt a little helpless.

She couldn't be expelled. If her mother found out, she would definitely be disappointed in her, so she definitely couldn't be expelled!

However, how could she find evidence to prove her innocence and prove that ye Xiaomeng was the one who had attacked her yesterday?

Just as she lowered her head and fell into deep thought, she suddenly bumped into a 'wall'.

She raised her head abruptly and saw a familiar face before her eyes.

Shi Mo's deep eyes lowered slightly as he stared at her melancholic and forlorn face. Then, his gaze glanced at the back of her fair and clean hand.

The remaining injuries from yesterday had already subsided a little.

Looking at the man in front of her, another reason in Yin Bei's heart was that she absolutely could not be expelled!

It was not easy for her to get into Z University. She was in the same school as him. If she was expelled, what if he was chased away by another girl? Wouldn't she regret it for the rest of her life?

No!

"That..."

"She might not be perfect, a little flaw in her willfulness..." before she could say anything, her familiar phone rang.

Taking out her phone and seeing the caller ID, Yin bei remembered that her mother should be in City Z by now!

"Hello, Mom!"

"Bei bei, I'm at the entrance of Your University."

“Please wait, I’ll be right there!”

“No need, I’ll just come over after class.” Nian Yuqing did not want to delay her daughter’s progress.

“It’s alright, I’ve already finished class. Please wait for me!”

After hanging up, Yin bei quickly ran towards the school entrance!

Looking at that beautiful figure, Shi Mo stood still on the spot. He stared at her for a while before turning around.

“Hey, did you hear? Yin bei from the foreign languages department was expelled early this morning!”

“What, expelled? No Way!”

Shi Mo was just about to leave when he heard the two people walking over whispering to each other. He couldn’t help but stop in his tracks.

Yin bei was expelled?

Turning his head, Shi Mo looked at the couple and suddenly walked over.

“Who did you say was expelled?”

The man and woman were still talking when they suddenly heard a deep and pleasant voice, as if it was from heaven.

The man and woman turned their heads and saw Shi Mo’s well-defined handsome face. They couldn’t help but be surprised!

Shi Mo! He... he actually took the initiative to talk to them! ?

The girl was still immersed in Shi Mo’s handsome face that was carved like Jade, unable to come back to her senses.

Looking at Shi Mo’s cold face, the boy was the first to come back to his senses. Looking at Shi Mo, he said, “We’re talking about Yin bei.”

His dark eyes darkened slightly.

“What’s the reason?”

“Uh, we’re not very clear about the specifics. I heard that he used violence to beat up her roommate for a long period of time, and even threatened her not to tell anyone about it, so...”

Before the boy could finish his sentence, Shi Mo had already turned around and left. His pace was neither fast nor slow, but there was a cold and ruthless glint in his clear and cold eyes.

...

In the rented room.

After bringing her mother back, Nian Yuqing could not help but feel confused when she did not see her daughter return to school.

“Beibei, aren’t you going back to school?”

It was already close to noon. Just as Yin bei was about to walk into the kitchen to see what she could do, her mother’s voice suddenly sounded from behind her.

### **Chapter 1643: you don’t need to go to class?**

She turned around and looked at her mother with a guilty look in her eyes. “Well, I took a leave of absence. I’ll go in the afternoon!”

“Are you worried about mom? No, you just need to send me here. Mom will cook lunch herself. You should hurry back to school. Don’t delay Class!”

“It doesn’t matter. Class is about to end anyway! I took half a day off!”

Yin bei said this, but she felt a little guilty.

The feeling of lying was really uncomfortable and full of guilt.

Since she insisted on not going, Nian Yuqing naturally could not dissuade her, so she let her go.

After a warm lunch, Yin bei originally wanted to make it herself, but in the end, Nian Yuqing had to do it herself. The simple three dishes and one soup were all Yin bei’s favorite!

“Mom, the food you made is really delicious! It’s even better than the ones from the big hotels!”

“If it’s delicious, then eat more. After that, go to school, AH.”

“Okay!”

Nian Yuqing was a sensible person. She didn’t want to delay her daughter’s studies because of her.

After finishing the two bowls of rice, Yin bei felt extremely satisfied. Although she was expelled from school, she couldn’t stay here anymore. Before her mother found out about this, she had to find evidence and return to Z University!

“Mom, I’m going to school!”

After saying goodbye to her mother and carrying her bag, Yin bei left her residence and returned to Z University.

She had to find evidence!

However, after searching for an entire afternoon, she found nothing.

Looking at the time, it was already three o’clock in the afternoon. In another hour or so, it would be time for class to end. Before that, she could not return early to avoid her mother’s suspicion.

Just as she was wandering around the campus of z university, she looked up and saw a familiar figure playing alone on the basketball court.

Staring at that figure, Yin bei walked over without hesitation.

She walked out of the basketball court and looked around to see that there was no one around.

It should be class time now. Why was he playing here?

Yin bei pursed her lips. The next second, she took out her phone and took a few consecutive photos of the man on the court!

Only after the series of photos had been taken did Yin bei lower her head and admire the photos that had just been taken.

Seriously, he had clearly taken the photos casually, but each of his actions were so handsome. This man really had no blind spots!

After finishing one shot, Shi Mo stopped what he was doing and turned his head to glance at Yin bei who was standing there.

“You don’t need to go to Class?”

Yin bei was still admiring the photos on her phone when she suddenly heard a pleasant voice. She was so frightened that she raised her head and put away her phone at the same time, as if he had found out that she was secretly taking photos of him.

Her eyes darted around a few times. It was not a glorious thing to be expelled from school, so she naturally did not want the man in front of her to know about it.

Therefore, she found an excuse, “Um... My mom came, and then I applied for leave.”

“Why are you still at school after taking a leave of absence?”

Yin bei paused. “Uh, I’m here... to get my things!”

Shi Mo glanced at her and did not continue to expose her.

Instead, he asked, “Are you leaving?”

Yin bei was stunned for a few seconds before she nodded guiltily. “Yes...”

“Let’s go, I’ll send you off.”

After saying that, without waiting for her reply, Shi Mo had already turned around and walked towards the school gate.

Yin bei was still stunned on the spot.

He said to send her back?

But it was still early, she couldn’t go back to her residence.

“Hey, Shi Mo!”

Looking at the man’s back, Yin bei was stunned for a moment before chasing after him. She turned her head to look at the man’s face. “You don’t have to send me back, I can go back by myself!”

**Chapter 1644: I’m going to buy groceries**

Shi Mo Mo Dun turned his head to look at her. "You don't like being sent off by me?"

Yin bei was once again stunned by his sudden words.

If it was any other day, she would have been so happy that she would have died! How could she not like being sent off by him!

But today, she couldn't return to her residence first. It just so happened that this reason wasn't suitable for her to say it out loud.

"No, I..." After a long while, Yin bei finally found a reluctant reason. "I'm not going back yet."

"Then what are you going to do?" Looking at her, his tone was calm, but the expression on his face made Yin bei unable to refuse.

"I... Want to buy groceries." Walking out of the school gate, she took the opportunity to point in a direction not far away.

"Then let's go together."

As he said that, he turned around again. Without waiting for her response, he walked straight to his Red Bentley, opened the car door, and sat in the driver's seat.

Looking at him in the luxurious car, Yin bei was stunned on the spot.

She said to go buy groceries, but he also said 'Let's Go Together'? Could it be that he, a young master, also wanted to go buy groceries himself?

"You're not coming up?"

The black lathe slowly descended, reflecting the man's perfect handsome face. A pair of dark eyes looked at her through the car window.

Yin bei came back to her senses and glanced at him through the car window. For some reason, she walked over, opened the door of the passenger seat, and sat in.

The Red Bentley slowly drove through the traffic. Yin bei, who was sitting in the passenger seat, felt a little uncomfortable. From time to time, she would turn her head to peek at his exquisite side profile.

"Um, don't you have class?"

"Yes."

"..." what does 'yes' mean?

"Then why don't you have Class?" She continued to ask. Since she did not understand and there was nothing to talk about, why not just talk about why he did not have class.

"I'm done learning."

"..." done learning?

Wasn't he only a sophomore?

Suddenly realizing something, Yin bei widened her eyes and looked at Shi Mo in astonishment!

Could it be that he had learned all the knowledge in the university? ?

This was too much. He was indeed a genius in the management department!

However, this was the Shi Mo that she liked. She couldn't find any flaws in him.

Thinking of this, Yin bei couldn't help but lower her head and secretly laugh!

"Are you going to the supermarket to buy?" After driving for a while, he suddenly asked.

Yin bei was still in a daze." ... What?"

"Didn't you say to buy vegetables?"

Uh.

"Oh, let's go to the supermarket!"

It was already afternoon. The vegetables in the supermarket might be a little fresher, just a little more expensive than the vegetables in the market.

Actually, she did not intend to buy vegetables. But thinking about it carefully, at noon, there were only two potatoes and tomatoes in the fridge. It was indeed time to buy some.

Usually, she and Dan Dan would just make do with whatever they wanted. However, since her mother was here, she naturally needed to prepare more vegetables.

The two of them entered the supermarket together. Yin bei pushed a shopping cart and naturally walked towards the vegetable section.

Shi Mo followed behind her and walked over together.

However, looking at his leisurely appearance, it didn't seem like he was going to buy anything.

"You... aren't you going to take this?" Yin bei turned her head and looked at him in surprise.

He glanced at the shopping cart in her hand and said softly, "No need."

"..."Okay!

Pushing the shopping cart, Yin bei picked a few dishes that she liked to eat and then bought some beef!

"Do you have any more broccoli?" Nian Yuqing stood in front of the vegetable stall and saw that there was only one broccoli left. This dish was her daughter's favorite.

## **Chapter 1645: Nian Yuqing**

Yin bei was walking when she heard a familiar voice. She turned her head in shock and saw her mother, Nian Yuqing, standing a few meters away!

Oh No! Why is mom here? !

“There’s no more, they’re all sold out!”

Hearing the waiter’s words, Nian Yuqing felt a little disappointed. She could only come back tomorrow to buy more.

Seeing her mother about to turn around and walk towards her, Yin bei’s eyes widened in shock and her heart was in a mess! Pushing the shopping cart, she turned around and was about to leave!

At this time, she absolutely could not let her mother see her in the supermarket!

However, as she turned around, she directly bumped into Shi Mo who was idling behind her. As her mother was behind her, she did not dare to make a sound. Instead, she took the opportunity to pull Shi Mo and hide behind him, then, she quietly retreated to a spot not far away.

Shi Mo did not understand what was wrong with her. He could only feel that she was hiding from something.

His deep gaze glanced sideways and stared at her flustered and helpless face. Following her line of sight, he saw the figure of a middle-aged woman disappearing into the vegetable area not far away.

Seeing her mother’s voice disappear in front of the goods rack, Yin bei heaved a sigh of relief. Then, she walked out from behind Shi Mo..

“Your Mother?”

Yin bei had just heaved a sigh of relief. When he heard Shi Mo’s voice, he could not help but be startled again.

How did he find out?

“N-no, why would my mother be here?”

Nonsense, if she admitted it, he would definitely ask her why she was hiding from her mother. Of course, she would deny it!

In order to avoid this topic, Yin bei shrunk her head and walked past him towards the cashier!

Right, there was no soy sauce at home because she had moved there not long ago, so there were many things in the kitchen that were not complete.

Thinking of this, Yin bei walked to the front of the goods rack again, looking for traces of soy sauce!

After taking the soy sauce, she thought that there was no vinegar, so she took another bottle of vinegar!

“Ah, I don’t think there’s any detergent either.”

So, she walked to the daily necessities area again and took a bottle of detergent.

The supermarket was very big. Just as she was about to walk to the end of the aisle and turn to the cashier, Yin bei looked up and her eyes widened once again!

Nian Yuqing was also pushing the shopping cart slowly towards her position!

What should she do? She had already reached the end of the aisle. If she wanted to go back, it would be too late. Her mother would definitely see her rushing back!

What should she do? ?

Yin bei was flustered. It was just a straight corridor. How was she going to avoid her mother? ?

Even if she turned her back on her, she would definitely recognize her back!

Nian Yuqing pushed the shopping cart closer and closer.

As she was busy searching for laundry detergent, her eyes were locked on the shelves. She did not look at the figure standing in the corridor, so she did not find Yin bei!

However, Yin bei was completely flustered. She even had the mindset that she was going to die!

However, just as she was waiting for Fate to end her, a strong arm suddenly pulled her over. Then, with a gentle pull, she was pulled towards the goods rack. When she looked up again, she saw the man's tall and straight body.., it completely covered her. She was so close that she could hear his heartbeat.

He pressed her against the shelf, his deep eyes staring at her, but he didn't say a word.

He was about 1.8 meters tall, but standing in front of Yin bei, who was only 167 centimeters tall, she looked even weaker!

And this distance was really close..

#### **Chapter 1646: saw a scene he shouldn't have seen**

Yin Bei's heart thumped wildly. He raised his gaze and happened to catch a glimpse of his sturdy chest.

A navy blue sweater, a pure white collar, and up were his sexy thin lips, followed by his nose, then his eyes..

When he met those deep black eyes, Yin Bei's heart beat even faster, as if it was about to jump out of her chest!

"Stop jumping!"

Oblivious to her emotions, she raised her hand and fiercely knocked on the spot on her chest. At the same time, she said in a low voice!

Looking at her funny little actions, Shi Mo's lips unconsciously curved up slightly.

Noticing that Nian Yuqing had already left, he took the initiative to step back and put some distance between him and her.

It was only until that shadow had left from the beginning that Yin bei came back to her senses. The expression on her face was a little unnatural, with a tinge of red.

"Um... My mom left?"

As if wanting to restore the atmosphere to normal, she directly found a topic to talk about and stuck her head out to look at the spot where her mother had left.

However, she did not know what she revealed the moment she opened her mouth.

“Your Mom?”

”...”ugh.

Realizing that she had inadvertently admitted it, Yin bei really felt that she was a pig’s brain!

“Actually... I was rejected –”

“You’re done? Let’s Go!”

Yin bei had originally wanted to say that he had been expelled from school, but he was unexpectedly interrupted by him.

Looking at Shi Mo, he saw that he had already turned around and walked towards the cash register.

Forget it, it didn’t seem like this matter had anything to do with him. It didn’t matter whether he said it or not.

Pushing the shopping cart, she arrived at the cash register. After paying, it was already 4 pm when she walked out of the supermarket.

Her classes usually ended at four-thirty, so it was still a little early to go back.

Looking at the man who had already gotten into the car, Yin bei hesitated for a few seconds before walking over.

“Shi Mo, thank you! But I can’t go back now!”

“I’ll send you to the entrance of the residential area.”

”...”Yin bei was a little hesitant.

She already said that she couldn’t go back yet, so why did she have to send her to the entrance of the residential area.

“There’s really no need, I... I Can’t go back yet.”

In the driver’s seat, Shi Mo slowly turned his head and looked at her. “Don’t you know how to walk around the residential area a few more times before going up?”

”...”that’s right!

But..

Why did he insist on sending her back?

Looking at the man in the driver’s seat, Yin Bei’s thoughts were flying.

Very quickly, she noticed that the man was still waiting for her, so she hurriedly opened the car door and sat inside.

Ten minutes later, the Red Bentley arrived at the entrance of the residential area. Just as he said, she got out of the car. Yin bei walked around the residential area a few times and only dared to go back after 4:30.

Seeing that it was already time, Yin bei carried a bag of vegetables and walked towards her apartment.

Just as she was carrying the vegetables and preparing to walk towards the building she lived in, she looked up and saw a shocking scene!

In front of a Porsche, ye Xiaomeng and a middle-aged man were actually... kissing! ?

For a moment, Yin bei thought that something was wrong with her eyes because the person she saw kissing ye Xiaomeng was actually... Principal Qi! ?

This... what was going on? wasn't principal Qi Ye Xiaomeng's uncle? Were they f \* cking?

Oh My God, she actually saw such a terrifying scene!

Damn ye Xiaomeng and principal qi, they rejected me, right? I'll see if she doesn't expose their scandal to the whole school!

After sorting out her thoughts, Yin bei took out her phone and took a photo of the two kissing not far away.

She wanted to take a few more photos, but ye Xiaomeng noticed it!

### **Chapter 1647: must not let her escape!**

Every time she kissed principal qi, ye Xiaomeng could not close her eyes to enjoy it. From the corner of her eyes, she could feel a figure standing beside her.

She instinctively pushed principal qi away and turned her head, only to see Yin bei standing there, taking photos of them with her phone.

In an instant, ye Xiaomeng was so shocked when she saw Yin bei taking photos of them!

How Could Yin bei know about her and principal qi? Absolutely Not!

Yin bei, who was still in shock, immediately came back to her senses. She put away her phone and was about to turn around and leave!

"Catch her! We can't let her escape!"

Seeing that Yin bei was about to leave, Ye Xiaomeng cried out in alarm and turned to look at principal qi.

Principal Qi seemed to be still in a daze for a moment. It took him quite a while to realize that Yin bei had caught wind of the scandal between him and ye Xiaomeng!

If this matter was exposed, would he still be able to continue being principal? Perhaps his reputation would be ruined!

“Hurry up and catch her!” Principal Qi pointed at Yin bei, who was running away, and shouted at the two bodyguards not far behind him!

Ye Xiaomeng knew that the most important thing at the moment was to catch Yin bei, take away her phone, and destroy the photos that had been taken just now.

“And her phone, we must snatch it!”

Feeling the people behind her catching up, Yin bei could not help but feel a little flustered at this moment.

Looking at the situation, ye Xiaomeng and the principal clearly did not intend to let her go. No, she must expose this matter so that she could return to Z University!

Clutching her phone tightly, Yin bei ran desperately towards the building where she lived. She was only carrying a bag of vegetables that weighed a few catties, so her footsteps were naturally heavier than the two bodyguards behind her.

But if she were to throw it away, she could not bear to do so. These vegetables and daily necessities had bought her more than 200 yuan!

Behind her, Ye Xiaomeng could not help but chase after her. This was a high-class residential area. Never in her wildest dreams did she think that she would bump into Yin bei here. How on Earth did she appear here?

Thinking about how she had moved out to rent a house, could it be in this residential area?

But this was a high-class residential area. A house would cost at least five to six thousand a month. How could she afford to live here!

“Quick, catch her!”

Looking at the two bodyguards who still had not caught Yin bei, ye Xiaomeng was so angry that she roared. If this matter was spread by Yin bei, she would no longer need to return to Z University and would no longer have the face to live in this world!

Absolutely not, absolutely not!

Hearing ye Xiaomeng’s extremely angry voice behind her, Yin Bei’s heart became even more nervous.

If she was caught, would she be killed to silence her? ? After all, the dignified principal of Z University was actually having an affair with his niece. If this were to be spread out, they would surely be drowned by the saliva of the world, right?

Wouldn’t ye Xiaomeng, who was already jealous of her, cut her into a thousand pieces?

The more she thought about it, the more Yin bei felt that this matter was serious, and she hurriedly quickened her pace!

However, even though she was light and agile, she was still pincer-attacked by two bodyguards!

The two bodyguards seemed to be very clear about the path of this residential area. One was chasing her from behind, while the other had unknowingly taken a detour and directly blocked in front of her!

Looking at the situation where there were wolves and tigers in front of her, Yin bei began to feel uneasy.

It was not even five o'clock yet. Perhaps it was because of the cold weather, not many people in the residential area came out. Even if there were occasional people passing by, they would only sit in the car and gallop past. Even if she wanted to call for help., those people who had closed the car windows probably could not hear at all.

### **Chapter 1648: hand over your phone**

Even so, Yin bei's consciousness was very clear.

The most indispensable thing for a woman was a sense of safety!

"If you guys come any closer, I'm going to Scream!" In broad daylight, she did not believe that they would really dare to act recklessly!

The road between her front and back was blocked, and there was nowhere to run.

Ye Xiaomeng walked up and stared at Yin bei with a hint of panic in her eyes, but then she became very sinister!

"Hand over your phone and I'll guarantee that you'll be safe and sound."

Yin bei was not a fool. How could ye Xiaomeng's words be trusted!

She ignored her and stared at the two bodyguards who were approaching her step by step.

"Don't come over!"

The two bodyguards ignored her shouts and only listened to ye Xiaomeng and principal qi.

The slightly plump principal qi only caught up to them at this moment and immediately ordered while pointing at the two bodyguards!

"Capture her for me and snatch her phone!"

Principal Qi's speed was out of Yin bei's expectations. It was already too late for her to react. The two bodyguards had already strode in front of her and snatched the phone from her hand!

No, there was 'evidence' of their illicit affair here! If it was snatched away, her words would be without proof. No one would believe her words at all. Then, her chances of returning to Z University would be even slimmer!

Everyone in the school knew that ye Xiaomeng was principal Qi's biological niece. If she said that they were in cahoots and had an affair, who would believe her?

"Let Go! Let Go!"

Seeing that her phone was about to be snatched away, even though she had used her power, she still could not win against the advantage of numbers! In addition, ye Xiaomeng took advantage of her unprepared state and grabbed her silky long hair. It hurt so much that Yin bei's eyebrows twisted. His hand subconsciously loosened a little, and the phone was snatched away just like that!

Seeing that the bodyguard had already taken the phone, ye Xiaomeng immediately let go of Yin bei's hair and went to get the phone. She started to flip through the photos inside and sure enough, the scene of her kissing Principal Qi was captured!

Damn it!

Seeing that the phone was taken away, she definitely wouldn't be able to get it back. Yin bei wasn't stupid. Since she couldn't get the phone back, the most important thing at the moment was naturally to protect her life!

As long as she was alive, what was there to be afraid of?

While the few of them were not paying attention, Yin bei threw away the bag of vegetables and daily necessities in her hand. Then, with a backhand, she grabbed the bodyguard who had grabbed her. Then, with a gorgeous shoulder throw, she threw it directly at ye Xiaomeng! v

Dodge!

Taking advantage of the gap, Yin bei turned around and ran as if she was running!

Ye Xiaomeng was directly smashed to the ground by the bodyguard, and she screamed in pain!

Seeing that ye Xiaomeng was injured, the other bodyguard naturally panicked too. He didn't know whether to stay or continue chasing after Yin bei! When ye Xiaomeng stood up in a sorry state, Yin bei was long gone from the distance!

"Uncle, we mustn't let her escape. If the scandal gets out, we'll both be finished!"

Thinking that this matter might be exposed, ye Xiaomeng went crazy and was extremely annoyed! She wished she could tear Yin bei into pieces!

To be able to take the position of principal, Qi Ming naturally had some ability. He glanced at Yin bei's disappearing figure in the distance, his eyes filled with a hint of ruthlessness.

"Don't worry. The phone is with us. Without evidence, even if she tells others, no one will believe her."

However, ye Xiaomeng was still very worried. After all, her relationship with principal Qi's niece was fake!

"But what if people believe it? Not only will our story be spread, even our hidden relationship will be exposed!"

**Chapter 1649: Get Rid of her to prevent future trouble!**

"How do we expose it? Everyone knows that you're my niece. Who would believe those words?"

Although ye Xiaomeng was still a little worried when Qi Ming said that, perhaps no one would believe Yin bei's words without evidence.

Although the internet was developed now, there was no picture and no truth. She believed that Yin bei would not cause any trouble.

But just in case, ye Xiaomeng still walked to Qi Ming's side, her eyes revealing a hint of viciousness!

"She can't go back to school anymore, and her phone is with us. It's not that easy to expose this matter, but just in case, you have to get rid of her to prevent future trouble!"

She and Qi Ming were very clear about the consequences of this matter being exposed, so they had to get rid of this Yin bei!

Qi Ming naturally understood what she meant, and he himself also thought the same.

Along the way, being able to sit in the position of principal was not an easy task. How could the glory of his life be destroyed in the hands of a little girl.

Qi Ming's gaze glanced at the bag that Yin bei had thrown away, and he immediately walked over.

There were vegetables and daily necessities. Could it be that Yin bei also lived in this neighborhood?

If that was the case, then things would be easier.

In an instant, Qi Ming's lips curled into a strange smile.

...

At the same time, Yin bei, who had run to her own place in one breath, closed the door and leaned against the door to catch her breath.

Nian Yuqing, who had returned more than ten minutes earlier than her, heard the sound and walked out of the kitchen. She saw her daughter gasping for air. She looked flustered and could not help but show a hint of worry. She walked over and asked, "Bei bei, what's Wrong?"

Yin bei glanced at her mother but did not say anything. Instead, she placed a safety lock on the door and walked to the window to look outside.

Not far away, ye Xiaomeng and Qi Ming had already disappeared. They had left?

"Beibei, what happened to you? Why are you so flustered? Did Something Happen?" Her mother Nian Yuqing's voice sounded from behind her again.

Yin bei let out a breath, then turned to face her mother, looking at her. "I..."

This was no small matter. She didn't know if she should tell her mother.

If her mother found out, she would only be more worried about her, right?

After thinking about it, she was still hesitating. At this moment, the sound of the door opening suddenly rang out from the door.

This sound caused Yin Bei's heart to quiver once more, and she stared at the entrance with wide, phoenix-like eyes.

Not long after, the door was pushed open, and Yin Bei's heart was thumping. She felt as if her heart was about to jump out of her throat!

It was only when a figure walked out from behind the door that Yin bei's worried heart finally felt relieved.

She thought that ye Xiaomeng and Qi Ming's people had caught up.

D \* mn, she was scared to death!

She ignored mu Dan who walked in and walked to the water dispenser. She poured a cup of water and drank it in one gulp.

Mu Dan noticed the expression on her face the moment she entered the room. It was a rare sight to see her flustered and nervous.

"Darling, what's Wrong?" Mu Dan asked as she changed into her slippers.

She then noticed Nian Yuqing, and couldn't help but be surprised. "Auntie Nian, why are you here?!"

Looking at Mu Dan and knowing that she was her daughter's good friend, Nian Yuqing naturally liked her very much. She had always been very kind to her. "I'm here to see Bei bei."

Speaking of Bei bei, Nian Yuqing suddenly remembered that her daughter had been flustered earlier. She couldn't help but turn her head around and walk towards her daughter.

"Bei bei, what's wrong with you?"

After finishing a cup of cold water, Yin Bei's heart calmed down slightly, but there was still a lingering fear in her heart.

### **Chapter 1650: was being hunted down**

With ye Xiaomeng's character, she would definitely not let her off, so this would not be a place to stay for long.

"Bei, what's wrong with you? It's rare to see such an expression on your face." Mu Dan also came over.

Yin bei looked at her mother and then at her good friend. In the end, she held mu Dan's hand and walked towards her room.

"Mom, Please Help Us Cook first. I have something to say to Dan Dan!" Yin bei said to her mother hurriedly as she held onto Dan Dan's hand!

In this way, her mother's doubts would disappear. She would think that she had something to do with Mu Dan and that was why she had that expression on her face.

Nian Yuqing was stunned for a few seconds when she saw the two girls walk into the bedroom. However, she did not think too much about it in the end. Instead, she walked to the kitchen to prepare dinner.

If her daughter wanted to tell her, she would naturally tell her. If she did not want to tell her, no matter how much she asked, it would only make her daughter in a difficult position.

“Darling, what’s the matter with you? You’re so mysterious that you can’t even tell Auntie Nian?”

Walking into the room, Mu Dan could not help but tease her a little.

However, Yin bei still had a serious look on her face as she stared at her good friend in front of her.

“Dan Dan!”

“Huh?”

“If I said... that I was being chased by someone just now, would you believe me?”

”...”Mu Dan was stunned.

Chased? Wasn’t this a plot that only appeared in movies and novels?

They were just ordinary university students. Who would want to chase after her?

However, with Yin bei’s personality, she would never make such a terrifying joke. Could it really be true?

Thinking of this, Mu Dan could not help but put on a serious face. She stared at Yin bei and could not help but swallow her saliva.

“Don’t scare me.”

“My phone is missing.”

”...”

“I was caught just now and my phone was stolen. Fortunately, I managed to escape.”

”...”Mu Dan was stunned by her words.

“Who, who wants to kill you?”

They had been classmates since high school and had never made enemies with anyone. Who would want to kill her?

Ye Xiaomeng?

Uh, although they were somewhat enemies, they wouldn’t go so far as to kill her, right?

“Ye Xiaomeng.”

Just as Mu Dan denied this possibility, Yin bei blurted out ye Xiaomeng’s name.

Mu Dan was completely stunned and stared at Yin bei without moving.

“Why did she kill you?”

“Because I saw something I shouldn’t have seen.”

“What shouldn’t I have seen?”

Staring at her good friend, Yin bei was silent for quite a while before she said seriously, “If I said that I saw ye Xiaomeng and Qi Ming kissing, what would you think?”

”...”Mu Dan was stunned, unable to recover for a moment.

Let Her think about it.

Ye Xiaomeng and Qi Ming? The principal? Kiss? ? She kissed the principal! ?

When she regained her senses, Mu Dan’s eyes widened in shock. Wasn’t the principal ye Xiaomeng’s uncle? They are... My Dear...”Mu Dan looked at Yin bei in fear. “You can’t say such things carelessly.”

“When I said that my phone was stolen, I was willing to say that I saw them kissing and took a photo, but ye Xiaomeng found out, so my phone was stolen.”

She said it so seriously that Mu Dan had no choice but to believe her.

However, ye Xiaomeng and Qi Ming, what was going on..

“Bei, isn’t Ye Xiaomeng the principal’s niece? How could they...”

Thinking of this question, Yin bei herself was also puzzled.

Letting go of her friend’s hand, she held her chin and thought carefully for a while.

She remembered that the last time she saw ye Xiaomeng get into that Porsche, could it be..
