

Kiss Me 1651

Chapter 1651: why are you looking for Yin Bei?

Is her relationship with Qi Ming Fake? ? Is the relationship between her niece just a cover-up? ?

Mu Dan, who was standing at the side, seemed to have thought of this as well. Their eyes met, and they were so shocked that they could not speak!

Then, Mu Dan also thought of Yin bei's current situation.

"Darling, if this is true, then ye Xiaomeng and Qi Ming will definitely not let you off!"

Yin bei herself was very clear about this point.

She turned around and walked to Dan Dan's bedside and sat down. "I know, but I have to return to Z University. I definitely can't let ye Xiaomeng and Qi Ming get away with their collusion."

"But we don't have any evidence now. What are you going to do?"The internet was so developed nowadays that if an incident was exposed, no one would believe it without evidence. It would only be directly ignored.

"My phone must have been destroyed. So now, we have to find new evidence."

As a family of police officers, Yin bei naturally knew that in today's society, evidence was very important. Without evidence, if she exposed this incident, it might attract unnecessary trouble!

"How are we going to find it?"

"I don't know yet."

Mu Dan, who was a little worried about her, glanced at Yin bei. In the end, she did not know what to say. She would just have to take things one step at a time.

Qi Ming was a principal, at most a principal. He would not really kill her to silence her, would he? Killing someone was life-threatening.

Nian Yuqing prepared a sumptuous dinner. After the three of them finished eating, Nian Yuqing cleaned up the dishes while Yin bei went to the bathroom to take a shower.

Lying in bed, she was not sleepy at all. It was not until her mother was done with her work that she hesitated to tell her about it.

It was better not to tell her about it for the time being so that she would not be more worried about herself.

The next day.

Early in the morning, Yin bei got up and went out with Dan Dan.

Although she could not go back to Z University, she still had to pretend to go to school in order not to worry her mother.

She came to z university with Mu Dan, but Yin bei didn't know where to go.

However, just as Dan Dan and her parted ways, her phone suddenly rang.

Looking at the phone, Mu Dan stopped in her tracks. The caller ID showed a series of local numbers.

"Hello?"

"May I ask if Yin bei is by your side now?"

"..."hearing the person on the phone directly looking for Yin bei, Mu Dan paused. This person was too impolite. If she wanted to find Bei bei, she should at least greet the owner of the phone first, right? He really didn't have any manners at all!

She knew that Yin bei's phone had been snatched yesterday, and someone had called to look for her this morning. Could it be ye Xiaomeng and Qi Ming's people?

Thinking of this, Mu Dan became vigilant and asked the person on the phone.

"Who are you? Why are you looking for Yin Bei?"

Hearing her good friend's voice, Yin bei, who had her head lowered, couldn't help but look up at Mu Dan.

"The school!"The person on the phone replied.

Mu Dan was stunned.

The school? Could It Really Be Qi Ming?

She had not heard Qi Ming's voice on the phone before, and she had not had much contact with him. As a result, Mu Dan was not sure if the other party was actually principal qi.

"Why are you looking for Yin Bei?"

"Is something the matter? Is she by your side?"

Mu Dan glanced at Yin bei again, then covered her phone's microphone and whispered to Yin bei, "Someone is looking for you, the school."

Hearing her friend's words, Yin bei frowned slightly.

The school?

Was It Qi Ming or was it about her dropping out of school?

"Give it to me!"

With some doubt, Yin bei took her friend's phone and put it to her ear. "Hello?"

Chapter 1652: terms of exchange

"It's student Yin bei, right?"

“Who are you?” She could tell that this voice was not Qi Ming.

She could only hear the other party chuckling over the phone. “Our principal qi is looking for you.”

As soon as she finished speaking, without waiting for Yin bei to say anything, the other end of the phone had already been transferred to Qi Ming’s hands.

Looking at the phone, Qi Ming reluctantly picked it up.

He had only used a few tricks to expel an unremarkable student, but this matter had somehow been found out by the school board. They even wanted him to withdraw the notice of expulsion and personally call Yin bei back to Z University!

He was a dignified principal, and he was also the one who had done the deed. Now, they wanted him to personally bring Yin bei back to the school. If this was found out by outsiders, where would his dignity as a principal go?

After taking the phone, Qi Ming was somewhat unwilling. However, in the face of the pressure from the higher-ups, he had no choice but to bow and scrape.

“Is it Yin bei?”

Because she had caught wind of yesterday’s incident, Qi Ming felt very uncomfortable when he spoke now.

It seemed that this matter could not be forced. He had to find an opportunity to have a good talk with her.

Right, why not take this opportunity to return to Z University and make her keep her mouth shut so that she would not spread the news of last night’s incident. At the same time, he would also give her some hush money in exchange for returning to Z University?

With that thought, the principal couldn’t help but curl his lips and reveal a sinister smile.

When this voice rang out, Yin bei quickly recognized that it was Qi Ming’s voice.

“What can I do for You?”

“Hehe, I have something I want to talk to you about.”

When he said this, Yin bei quickly became vigilant and smiled. “Hehe! Principal Qi wants to talk to me about something? I’m afraid the purpose isn’t that simple, right?”

It was more like he was looking for her to silence him.

Hearing her sarcastic tone, Qi Ming raised his head and signaled his secretary to leave. Then, he continued speaking into the phone.

“I know that you saw what happened yesterday, so I want to discuss a condition with you today.”

Yin bei narrowed her eyes. “What condition?”

“Keep your mouth shut. I’ll let you return to Z University.”

Hearing this, Yin bei was indeed a little surprised.

She thought that she would be silenced, but she was actually being negotiated with?

As long as she kept her mouth shut, not only would she be able to return to Z University, she would also be able to avoid the calamity of silencing her?

Would this Qi Ming be so kind-hearted?

Thinking about how he and ye Xiaomeng wanted to kill her yesterday, Yin bei still had some doubts. Could this be just his delaying tactic?

Even though she knew that it was possible, Yin bei was not stupid. She did not need to openly oppose Qi Ming. This was not good for her.

It would be better to agree to him on the surface and return to Z University first.

“Okay.”

“Then should we arrange a place to discuss it in detail?”

“No need.” She was not stupid enough to meet Qi Ming in private. If she did not return, wouldn’t she be digging her own grave?

“You don’t need any other conditions?”

“No.”

“Then how do you guarantee that you won’t tell anyone about this?”

“Principal Qi, you don’t have a choice, do you?” v

“You!” Qi Ming was a little surprised. This Yin bei was not as simple as he had imagined.

However, the current him indeed did not have a second choice. For the time being, he could only do so. This was a temporary measure.

“What did he say?”

After hanging up the phone and exchanging the phone with her good friend, Mu Dan could not help but ask.

Yin bei stared at her and looked around. “Qi Ming, let me return to Z University.”

Mu Dan was dumbfounded when she heard that!

“Is that true! ?”

Would she be so kind?

“It’s true. It’s just an exchange condition.”

Chapter 1653: The expulsion notice was withdrawn

“In exchange?” Mu Dan frowned.

“Yes, he wants me to keep my mouth shut, so he can let me return to Z University!”

“Damn, this Qi Ming really killed two birds with one stone. Forcing you to withdraw was originally his goal to collude with ye Xiaomeng, and he actually used this matter to negotiate with you! ?”

“It doesn’t matter. Returning to Z University is more important.”

“What about ye Xiaomeng? If you go back, she will definitely see you as a thorn in her side!”

Now that Yin bei knew about the scandal between her and principal qi, once Yin bei appeared in front of her, there was no need to say anything. It was enough to make ye Xiaomeng feel ashamed! Thinking about it, this was a very pleasant thing!

Looking at Yin bei, Mu Dan was about to speak, but Yin bei also glanced at her at this moment.

“You also thought of it, right?”

Mu Dan narrowed her eyes. “Good, Yin bei. This way, Ye Xiaomeng won’t dare to act rashly in front of you anymore!”

“That’s right. So even though this is Qi Ming’s plan to kill two birds with one stone, it’s also mine!”

“This is called ‘killing three birds with one stone’! Not only can you return to Z University, you can also thwart ye Xiaomeng’s spirit, and you can also avoid the disaster of silencing her!”

Yin bei was still a little worried at the mention of this, and the smile at the corner of her mouth also eased.

Whether or not she could avoid the calamity of silencing her was still uncertain. She was still unable to guess what kind of thoughts Qi Ming had.

“Yin bei!”

Just as the two of them were conversing, a voice sounded from not far away.

Yin bei looked up when she heard the voice and saw a pretty figure walking over.

“Congratulations on returning to University Z!”

”...” Yin bei was a little stunned when she saw Shi Lian who had appeared out of nowhere. Mu Dan, who was standing beside her, was not only stunned, she was even more shocked!

If she remembered correctly, this girl was Shi Mo’s sister, right? She had heard that she had transferred to university z some time ago!

Speaking of which, these two siblings were too strange. One of them did not want to go to a famous university, while the other had come all the way from abroad. What were they thinking when they came to University Z, which could only be considered a little famous?

“You don’t recognize me?” Looking at Yin bei, Shi Lian smiled very sweetly.

Yin bei snapped out of her daze.

“You... how did you know about this?”

Being questioned by her in return, Shi Lian paused and her clear eyes rolled around.

“Because the school has already withdrawn your expulsion notice!”

Yin Bei and Mu Dan looked at each other.

They had only hung up the phone for less than two minutes, and the notice had already come down?

“But I just agreed to principal Qi’s conditions. The notice shouldn’t have come down so quickly, right?”

It couldn’t be that the notice of withdrawal had been withdrawn before she had agreed to Qi Ming’s conditions, right? Qi Ming shouldn’t be so stupid. Would he withdraw it for her if she didn’t achieve her goal?

Hearing her words, Shi Lian seemed to be stunned as well.

“You said you agreed to the principal’s conditions? What conditions?”

Yin bei was stunned. She did not expect herself to blurt it out.

“Uh, nothing.”

Shi Lian glanced at her. Although she was a little confused, she did not continue asking.

“Yin bei!”

At this moment, another voice sounded again.

Yin bei turned her head and saw Lu Chenfeng running over in a panic with an anxious expression.

“Yin bei, you’ve been expelled! ?”

Yin bei was stunned by his flustered expression.

A notice of withdrawal had been issued, but judging from Chen Feng’s expression, it was obvious that she had been expelled.

She glanced at Shi Lian. was there something else involved that she did not know about?

Chapter 1654 Who was she to you

“No.”

She glanced at Lu Chenfeng and said calmly.

Lu Chenfeng furrowed his brows. “No?”

He had been on vacation yesterday. The moment he came back, he had heard that she had been expelled from school. He had rushed over to look for her, but she had said that there was no such thing?

“Yes, there must be a mistake in the name.”

He was still thinking about how strange this was, but when he raised his head, he could no longer see Shi Lian's figure.

She left?

Wasn't this speed too fast?

"You really didn't get expelled?" Lu Chenfeng was still in disbelief.

"I really didn't! It's time for class, I'll take my leave first!"

Pushing away Lu Chenfeng who was blocking in front of her, she waved her hand at Mu Dan. Yin bei turned around and walked straight to the foreign languages department.

As soon as she entered the classroom, she attracted many surprised gazes.

"Didn't Yin bei get expelled? Why is she in class again?"

"Yeah, didn't she get expelled yesterday? What's going on?"

Looking at Yin bei who sat straight down, ye Xiaomeng, who was not far away, was also stunned. She stared at Yin bei in shock!

Thinking of the scene she saw yesterday evening, ye Xiaomeng couldn't help but worry. Would she tell everyone about her and principal qi?

How did this Qi Ming do things? Didn't he send her away? Why did he still come to the foreign language department?

The more she thought about it, the more uneasy ye Xiaomeng became. Before the teacher arrived, she suddenly picked up her bag and left the teacher!

Looking at the departing figure, Yin bei secretly smiled.

The current ye Xiaomeng must have gone to look for Principal Qi, right?

But then again, looking at the shocked expressions of everyone in the classroom, they probably hadn't heard of her withdrawal notice yet, right? But how did Shi Lian know?

"Yin bei, weren't you expelled?" With curiosity, someone came over and asked Yin bei.

Yin bei looked at her classmate indifferently. "I'm not too sure either. I was inexplicably expelled and then inexplicably called back. Maybe the name is wrong!"

She smiled, took out her textbook, and sat down, ignoring the other classmates.

Got the wrong name? was that even possible?

Afternoon.

Yin bei, who had just finished her lunch, unknowingly came to the big tree again.

She didn't know if the last time was a coincidence, or if Shi Mo liked to come to the big tree to read.

As she approached, she caught a glimpse of a figure standing there.

“Could it be that he’s sleeping there again?”

With a hint of curiosity, Yin bei took a step forward and was about to walk over.

However, he heard a voice.

“Brother, Yin bei... who exactly is she?”

Shi Lian was filled with curiosity towards Yin bei’s position in her brother’s heart.

Glancing at the pretty person beside him, Shi Mo leaned back and habitually leaned against the big tree, closing his eyes gently.

“Didn’t you already know that she’s a freshman in the Foreign Languages Department?”

“You know that’s not what I’m asking.”

“Then who is she?”

“To you, who is she?”

“No one.”

“How is that possible!” Shi Lian obviously did not believe him. “If it’s not who, why did you help her return to Z University?”

Shi Mo frowned and opened his eyes, looking at his sister. “How did you know about this?”

Shi Lian pursed her lips. “Hehe, it was when you called director Z that I heard something!”

As she spoke, Shi Lian could not help but make a gesture.

“She had no reason to be expelled in the first place.”

“But this has nothing to do with you.”

Shi Mo glanced at her but did not speak again. Instead, he closed his eyes and leaned against the tree as if he was about to sleep.

Chapter 1655 why did he do this?

That lazy look did not seem to have any impression of his handsome appearance.

And Yin bei, who was standing behind the gardenias, could not help but be stunned when she heard this.

She had returned to Z University because of Shi Mo’s gang?

But, why did he do this?

Looking into the distance, Yin bei could not help but fall into a daze.

If that was the case, then it meant that the reason why she was able to return to z university was not because Qi Ming wanted to negotiate with her, but because he had received orders from his superiors from the start that she had to return to school?

Yin bei was very clear about Shi Mo's family's influence. If he made an appearance, it would be a piece of cake for her to return to Z University.

That damned Qi Ming had actually taken the opportunity to negotiate with her!

But Shi Mo, he... why would he help her.

Under the big tree in the distance, Shi Lian glanced at her brother who had closed his eyes. It seemed that he did not want to discuss this matter with her. It did not matter. After all, she still had a long time in University Z. She did not believe that he would not take the initiative!

After taking a glance at her brother, Shi Lian stood up and patted the grass on her butt. Then, she stood up and left.

She remembered that from primary school to high school, her brother would never lie so leisurely under the big tree on campus during his lunch break. He would only spend his time studying the things he was interested in. Since when had it started.., he had also become so emotional, wasting his lunch break on campus?

Looking at Shi Lian's back as she left, Yin bei did not move for quite a while. Instead, she quietly stared at the sleeping figure under the big tree.

After about five to six minutes, Yin bei quietly walked towards the big tree.

Like a man who was afraid of waking up and sleeping with his eyes closed, Yin Bei's steps were very light. With her hands behind her back, she walked towards Shi Mo step by step.

He should be asleep, right?

Admiring his perfect outline, his distinct facial features carved his face without any flaws. He was simply the idol in every girl's heart!

Yin bei was naturally no exception.

But she did like him from the time she was three years old.

Uh, at that time, she only wanted to make friends with that beautiful little boy. But when did she really like him?

She couldn't remember, or she couldn't tell when she started liking him.

For more than ten years, her gaze had always followed him.

Every time she saw his figure, one of the things that Yin bei often did was to take out his phone and take photos.

Her computer was almost filled with videos and photo albums that she had made for him.

She was used to this action, but when she touched her pocket again, she realized that her phone had been stolen. At this moment, there should be nothing left of her.

Sigh, this was the second time she had seen him sleeping. She really wanted to take a photo.

However, without her phone, she naturally couldn't take a picture. The kiss from before couldn't help but flash in her mind.

Although he kissed her because of the duel with Lu Chenfeng, a kiss always made her imagination run wild.

Uh..

If she kissed him secretly now, would she be discovered?

Yin bei thought and sat down beside him in the next second. Her gaze fell on his exquisite face.

She kissed him last time, so now she was going to kiss him back as a debt?

Thinking of this, Yin Bei's desire to steal a kiss became even stronger!

It was just a light kiss, so it shouldn't be discovered, right? At worst, she could just run away after kissing him!

Thinking of this, she really lowered her face and moved her pink lips to his thin lips. Then, with lightning speed, she quickly kissed his lips!

Chapter 1656 why not be my girlfriend

"Pop!"

After the kiss, she quickly fled!

However, just as she turned around, her hand was suddenly grabbed by someone. Before she could regain her senses, her entire body fell backward!

"Ah!"

She cried out in surprise. In the next second, she felt her body landing on a soft 'unknown object'.

"Since you're so interested in me, why don't you be my girlfriend?" Shi Mo looked at Yin bei with a smile

When she raised her head, a handsome face appeared in her line of sight, and it was accompanied by his pleasant voice.

Yin bei held herself back and stared blankly at Shi Mo's handsome face.

What did he say just now? Uh, she was so engrossed in her thoughts that she couldn't hear clearly. Perhaps, what she heard was her own misconception?

"What... Did you say just now?"

At this moment, Yin bei was completely lying in his warm embrace. Her pitch-black eyes met his gaze, and her eyes were at a loss.

He glanced at her, but didn't speak again.

His silence made her feel disappointed.

Seriously, couldn't he say it again?

“Didn’t you hear it clearly?” He asked.

She nodded blankly. “Yes.”

“Then what did you hear?”

“Girlfriend.”

“Why did you kiss me?”

“...” “Why did you kiss me? Of course you like me!

But between a man and a woman, shouldn’t the man say the word ‘like’ first?

“Debt!”

He narrowed his eyes. “Debt?”

“Yeah, didn’t you kiss me last time...” she explained, but she felt a little guilty. She averted her gaze, not daring to look him in the eye.

“Then should I ask for it back?”

She was stunned, not understanding what he meant.

“What?”

He did not speak again. His long and narrow eyes were as black as ink, locking her in place.

Half a second later, he lowered his face and sealed her pink lips.

After being kissed again, Yin bei was completely dumbstruck. Her mind was completely blank. She could only feel the soft and warm feeling on her lips. She... liked it very much.

Unknowingly, Yin bei did not know how she closed her eyes, nor did she know how long Shi Mo had been kissing her before he let go.

Even after he let go, her eyes were still wide open as she stared at the man in front of her in shock.

After a long while, she opened her mouth in shock. “You...”

“You’re welcome at any time. Continue to ‘collect debts’.” Looking at her, his tone was so calm that there was not a trace of emotion.

“...”

Yin bei was completely stunned.

Continue to ‘collect debts’? What did that mean?

She looked at him in a daze and did not know what to say. She was completely stunned.

“After class, I’ll send you back.”

When he spoke again, he had already stood up and helped her up.

After being kissed by him, Yin bei's legs were a little weak and she almost fell straight down.

"Can You Stand?"

"... uh, yes." Even her answer was stunned.

He glanced at her, but his handsome face was still expressionless. Then, he heard the bell ring.

He looked away from her stunned face and turned around to leave.

"Shi Mo!"

When he turned around and walked two meters away, Yin bei came back to her senses and suddenly called out to him.

Wen Sheng turned around and looked straight at her.

Yin bei gulped. "You just said that you would welcome me to 'collect my debt' at any time?"

Shi Mo didn't say anything as he looked at her. Yin bei thought that he had tacitly agreed.

"Does that mean that I can kiss you at any time in the future?"

He still didn't say anything. He only glanced at her before turning around again and walking towards the teaching building.

Chapter 1657 Are You Alright Today?

Looking at his back as he left, Yin bei was stunned on the spot. It took her quite a while to regain her senses.

She could kiss him anytime? What did that mean exactly?

What kind of state was she in with him now?

Standing on the spot, Yin Bei's heart was filled with excitement. It was only when the bell rang that she regained her senses and hurriedly walked towards the teaching building!

Throughout the afternoon, her mind was completely elsewhere in the classroom. Her mind was filled with the images of her kissing Shi Mo. when she thought of what he had said, "You are always welcome to collect your debts," she could not help but snicker. She even forgot where she was.

"PFFT –"

Another cold laugh escaped her lips. Yin bei lowered her head, afraid that her laughter would be exposed and affect the professor's lecture.

"Fellow student, do you have any objections to my explanation?"

A clear voice sounded. Yin bei, who was still laughing secretly, suddenly raised her head and saw professor Ke staring at her from the lectern.

She held back her laughter and looked at the other students in a daze. They were all staring at her in astonishment.

No Way, did she just laugh out loud?

She felt a little embarrassed and looked back at Professor Ke. She pursed her lips and giggled. "Hehe, no..."

"No? Then why do you laugh whenever I say something?"

"..." could she say that it was purely a coincidence?

Of course not!

Yin bei, who was in an awkward situation, could not find an excuse to explain.

"Well, professor ke, please continue. I... Promise that I won't laugh anymore."

"So you were indeed laughing at my explanation just now?"

"No, no, no, absolutely not. Hehe... you, please continue..."

Yin bei giggled foolishly and then silently lowered his head.

It was not easy for him to endure until the end of class, and he was finally free!

Just as he walked out of the teaching building, he remembered what Shi Mo had said: After class, I'll send you back.

Would he really send her back?

With anticipation, Yin bei walked towards the school gate.

Walking out of the school gate, she looked around but did not see Shi Mo's figure.

Could it be that he was just saying that?

Unable to see him, Yin bei suddenly collapsed her shoulders, feeling a little disappointed.

Raising her head again, she walked towards the bus stop.

She had only taken a few steps when a white Spyker stopped beside her.

She turned her head and stopped in her tracks. She watched as the window of the luxurious car slowly rolled down, revealing the man's handsome face.

"Get in the car."

Yin bei was still looking down when she heard his warm and deep voice. It was extremely magnetic.

Slightly stunned, the corners of Yin bei's mouth curled up. She grinned as she opened the door of the passenger seat and sat inside!

She had just fastened her seatbelt when the white Spyker immediately strutted away, heading towards the apartment block that she rented.

As she peeked at Shi Mo's side profile, Yin Bei's heart was filled with joy.

“Are you free today?”

“Yes.” He was driving, and his face did not even turn around. He only responded with a calm ‘yes’.

Yin bei felt a little helpless.

She originally wanted to find a topic to talk about, but wasn't he too stingy with his words? If she asked him a question and he only had one word to answer, then what was there to talk about!

The residential area was very close to Zda, and they would arrive in less than ten minutes.

Looking at the familiar intersection outside the door, Yin bei felt that she had not had enough of this train.

But they were already at her apartment, she could not just hang on, right?

Just as she pursed her lips and was about to unbuckle her seatbelt, the man in the driver's seat turned his head at this moment, and his deep voice sounded, “Are you in a hurry?”

Yin bei stopped what she was doing and turned to look at him. “What?”

Chapter 1658 If you think so, then so be it

“Are you in a hurry to go back?”

Uh, it was only slightly past four o'clock. It wasn't really a hurry to go back.

“No Rush.”

Just as she finished speaking, the White Spyker once again left.

Looking at the endless stream of cars outside the car window, Yin bei was still a little stunned. “We... Where Are We Going?”

“Where do you want to go?” Looking straight ahead, Shi Mo did not turn his head.

Yin bei paused for another half a second.

Wasn't he the one driving now? Why was he asking her where she wanted to go instead.

She did not make a sound and just sat quietly. Her clear eyes peeked at the man in the driver's seat from time to time, unable to guess his current thoughts.

The luxury sports car circled the city for a few streets before finally stopping at the entrance of a park.

After unfastening his seatbelt, Shi Mo directly got out of the car.

Seeing him walking towards the entrance of the park, Yin bei, who was stunned for half a second, hurriedly opened the car door and got out to catch up with his pace!

In winter, the scenery in the park was not flourishing. The two of them walked side by side under a patch of crape myrtle trees. Gradually, Shi Mo's footsteps slowed down.

A gentle breeze blew past. Yin bei raised her hand to fiddle with her hair that had been messed up by the wind. Then, she turned her head to look at his well-defined side profile.

“Are we on a date right now?”

Shi Mo’s footsteps continued. He lifted his handsome face slightly and looked straight ahead. “If you think so, then so be it.”

“...”what did she mean by ‘think so’? He was clearly the one who brought her here, Alright!

Glancing at his side profile, Yin bei could not help but pucker her lips!

Retracting her gaze, her mind could not help but recall the matter of him helping her return to University Z. Just What kind of thoughts did he have? Yin Bei’s thoughts were a little chaotic.

After walking past a stretch of crape myrtle trees, they came to a stretch of yellow flowers under the wind chime trees. The golden petals were the most beautiful scenery in this park, and it was also the most beautiful scenery that many lovers sought to admire!

And under this wind chime tree, it was not just Shi Mo and Yin bei. There were also other couples who looked like a couple.

Looking at the golden scenery, Yin bei was a little surprised. She had never been to this park before. She didn’t know that she could actually see such a beautiful scenery in this season.

She turned her gaze and noticed that there were quite a number of lovers walking hand in hand on this road. One of them was even kissing!

Looking at the lovers kissing, Yin bei was stunned. She hurriedly turned her gaze away! In her mind, she couldn’t help but recall the scene of her and Shi Mo kissing in the afternoon.

Perhaps their appearance was a little too outstanding, but after walking for a short while, they attracted the attention of some passers-by. They were all pointing at the two of them, occasionally whispering to each other.

After walking around, it was already 5:40 pm in the evening. The Sun was setting in the west, reflecting a bright red color, adding another magnificent beauty to the park!

“It’s a sunset! It’s so beautiful!”

Looking at the setting sun not far away in the west, Yin bei could not help but raise her hand and point at it, exclaiming in surprise.

Shi Mo turned his head calmly. His gentle expression could not be seen on his face. He just stared quietly at the place that she was pointing at.

“You like it.”

“Of course. Who wouldn’t like to see such a beautiful thing?”

“Then we have time. We’ll come and see it every day.”

“...”she turned her head in surprise and looked at the side of his face.

What did this sentence mean?

“Shi Mo..”

He turned his head and looked at her.

“Do you... like me?”

Shi Mo did not seem surprised by her sudden question. There was not the slightest change in his gentle face.

Just as he was about to speak, Yin bei suddenly thought of something and beat him to it. “You’re not allowed to say anything else that I think is true. You have to answer this question personally!”

Chapter 1659 so, you like me?

She was afraid that he would give her the ‘if you think so’ answer again, because such an answer would only make her more confused. She could not figure out whether he liked her or not.

Staring at her, he said after a long while, “Is it very important?”

“Of course!”

“So what if I know the answer?”

Yin bei raised her eyes and pursed her pink lips. “Only after I’ve confirmed that you like me will I feel safe!”

“What if I don’t Like You?”

“...” Yin bei was stunned. She raised her eyes and looked at him pitifully.

Did he have to be so direct?

“If you don’t like me, then why... Why Did you kiss me? Why did you bring me here? You said that we would watch the sunset together every day, and that you would always welcome me in the future —”

Before Yin bei could finish her sentence, she felt a hand hook around her small jaw. Then, she lifted her head, and her lips were sealed by him.

“Wu —”

Her eyes widened, and her mind went blank once again!

He kissed her again..

And in front of so many people!

Even though the last ray of light of the sunset had been wiped away, the scene of the two of them kissing could still be clearly seen!

After the deep kiss ended, Shi Mo released her.

Yin bei was stunned, with a dumbfounded look on her face.

“You...”

“Is this answer enough to make you feel safe?”

She continued to be stunned.

“So, you like me?”

After staring at her, Shi Mo turned his head away. The corners of his lips could not help but curl up slightly, and he could not help but smile coldly.

“If you don’t say anything, I’ll take it as you acquiescing!”

She looked at him and had already confirmed the answer in her heart.

“Are You Hungry?”

“You want to ask me out?” She took an inch and took a mile, looking at him mischievously.

He turned his head around. “I’ve thought about it. It’s rare for your mother to come here. It’s better to go back and have dinner with her.”

“...” Yin bei’s expression froze.

What did he mean?

“Let’s go. I’ll send you back.”

After saying that, he turned around and walked towards the exit of the park.

At this moment, the sky had completely darkened.

Looking at his back, Yin bei, who was still in a daze, suddenly came back to her senses and quickly caught up to him!

As expected, she was the one who had been eaten to death?

“Shi Mo!”

She caught up to him. “Are you free tonight?”

“Yes.”

“Then why don’t you have dinner with me?”

He secretly pursed his lips and could not help but chuckle.

The White Shijue drove away from the entrance of the park. It was night in City Z, and the lights were waning. It was still bustling.

Ten minutes later, the car stopped at the entrance of an Italian restaurant.

Yin bei got off the car and looked at the restaurant in surprise.

Was it a coincidence? or did Shi Mo know that she had washed it?

After getting off the car, Shi Mo walked straight in. When he noticed that the person behind him had not caught up, he could not help but stop in his tracks. He turned his head to look at her and deliberately stopped to wait for her.

Yin bei came back to her senses. Her gaze met his and she hurriedly walked towards him.

She found a seat and sat down. Yin bei habitually ordered her favorite spaghetti and then looked at Shi Mo across from her.

“Same.”

Shi Mo casually said two words as he handed the menu to the waiter.

“Alright, Please Wait a moment.”

The waiter took the menu and left.

It was the first time they had eaten together. Yin bei picked up a cup of water in front of her and took a small sip.

“You like pasta too?”

“Nothing special.”

“Oh!”

She replied and took another sip of water!

It was already quite late after dinner. At least for Nian Yuqing who was still waiting for her at home, it was indeed quite late.

Her daughter’s cell phone had been disconnected. It was already 7:30 pm, but her daughter was still not back. She could not help but feel a little anxious.

Chapter 1660 do we still have to make a move?

For a moment, Yin bei, who was thinking about having dinner with him, seemed to have forgotten that her mother was still waiting for her at home!

“I have to go back!”

She was a little anxious. After all, she definitely could not get through to her cell phone. In a situation where she could not contact her mother, her mother would definitely be worried about her!

“I’ll send you off!”

After leaving the restaurant with her, Shi Mo drove her to the front of the residential area.

As there was still a dark alley to walk, Yin bei could only get off at the intersection.

“I... I’m leaving!” Standing in front of the car door, Yin bei pointed at the residential area behind her and said to Shi Mo who was still sitting in the driver’s seat.

Shi Mo's gaze glanced at the dark alley behind her. A second later, he unbuckled his seatbelt, opened the car door and got off.

Yin bei looked at him, not understanding what he was going to do.

"I'll send you."

He walked around the front of the car and walked to her side. His black eyes were bright and clear under the night sky as he looked at her.

An unexpected surprise was something Yin bei couldn't wish for more!

She turned around and walked side by side with him in the dark alley, walking towards the apartment.

She had only taken a few steps when her hand was suddenly gently held by someone.

Yin bei paused, feeling the warmth from his palm.

She looked up at the side of his face, only to see that his expression did not change. He only held her hand and walked forward slowly.

Yin Bei's heart was sweet, allowing him to hold her.

"Miss Ye, there's a man with her."

The two of them had just entered the dark alley. Little did they know that at the entrance of the Dark Alley, there were a few figures peering at the two of them. They were holding a phone and saying something to each other.

"A man?"

"Yes, are we still going to make a move?"

"Who cares who he is, hurry up and kill her!"

"Yes!"

Although there was a man by their side, they had the advantage of numbers. Victory was in their hands!

"Wait, can you see that man's appearance clearly?" The other party asked again.

The leading man looked at the two figures in the distance. When they passed by just now, they could not see clearly because it was too dark. They could only tell from the figure and voice that it was a man.

"It's too dark, I can't see clearly."

"Then don't bother about it. If necessary, do it together with the man!"

"Alright, Miss Ye, don't worry. I guarantee that it will be handled properly!"

After hanging up the phone, a few figures followed Shi Mo and Yin bei.

"What's Wrong?"

When she was halfway there, she saw him suddenly stop. Yin bei could not help but turn her head and look at the side of Shi Mo's face. There was a hint of confusion between her brows.

His dark eyes turned cold as he felt a sense of danger approaching from behind.

He suddenly turned around and saw a few figures rushing over under the dim streetlights not far away.

"Young man, leave the woman by your side. There's nothing for you to do here."

Coming to a position two meters away from the two of them, the leader was playing with the mace in his hand. It was obvious that he was talking to Shi Mo..

Looking at the few black shadows that suddenly appeared, Yin bei could not help but frown in confusion.

Leaving behind the woman beside you? He was obviously talking about her.

In less than half a second, Yin bei quickly realized that these people were very likely sent by ye Xiaomeng and Qi Ming.

As expected, they could not wait to silence her?

Shi Mo didn't know if he was nervous or afraid, but he could clearly feel that the small hand in his palm was tightly gripping his palm.

She knew what these people were up to?

Looking away, the expression on her face couldn't be seen clearly under the dim streetlights.

"Kid, did you hear that?"

Seeing that he didn't respond, the leader spoke again.
