

Kiss Me 1661

Chapter 1661 whose people are you?

Shi Mo turned his gaze away. A dangerous cold glint flashed across his deep dark eyes under the night sky. His voice was extremely cold as he asked, "Whose people are you?"

His voice did not carry a trace of warmth, causing the black robed men to immediately feel a sense of timidity when they heard it. It was obvious that they felt a nameless pressure.

Swallowing his saliva, although he was a little timid, the leader of the men was not willing to be outdone. "I've already said that it's none of your business. If you don't want to die, quickly scram!"

Die?

Shi Mo's dark eyes narrowed.

Could it be that these people wanted Yin bei to die?

Thinking up to this point, Shi Mo's cold eyes became even more dangerous as he looked straight at the few men in black in front of him.

He randomly placed Yin bei behind him to protect him. "Go to the side and wait for me."

"No, I want to go up with you!"

Her reply surprised Shi Mo..

"Count to 50. If I can't do it, then you go up."

"..."there were five or six people on the other side, and each of them had a weapon in their hands. was he going to fight against six of them alone?

Yin bei wasn't at ease.

Being directly ignored, the leader could not help but feel anxious. Without waiting for Yin bei to make a decision, he had already brandished his spiked mace and charged towards Shi Mo!

"You're courting death!"

Feeling the danger approaching from behind, Shi Mo pushed with his large hand, pushing Yin bei one meter away from him. Then, he dodged, easily dodging the leader's attack!

"Attack together!"

As the leader gave the order, a few people behind him immediately rushed over with mace in hand and surrounded Shi Mo!

Looking at the soul-stirring scene before her, Yin bei was completely stunned. With a face full of worry, she looked at Shi Mo being surrounded by so many people!

Would he be injured?

Yin bei really wanted to step forward to help, but she was afraid that she would only make things more chaotic. If she made him lose focus, it would be even more troublesome.

In order to calm her heart, Yin bei silently counted, "One, two, three, four, five, six, seven..."

Her screams accompanied her counting, making it even more difficult for her to calm her heart.

"45,46,47,48... Four, 49,50..."

After fifty counts, Yin bei opened her eyes and saw a figure standing in front of her.

Seeing that familiar face, her tightly clenched heart finally settled down.

She raised her eyes and glanced behind him. She saw that the five or six black-clothed men from before had all fallen to the ground, wailing in pain.

They had all fallen?

So powerful..

Shi Mo turned around and walked towards the leader who was lying on the ground wailing in pain.

"Speak, what is your goal? Who Are you working for?"

Looking at Shi Mo who was looking down from above, the leader did not seem like he was going to speak.

Shi Mo was not in a hurry either. He walked to the side at a moderate pace and bent down to pick up the mace.

"This leg of yours, not bad."

The meaning behind his words could not be any clearer. The leader could not help but be scared out of his wits and hurriedly begged for mercy, "No, no, no! I, I'll speak... I'll speak!"

Shi Mo stopped what he was doing and waited for the leader's reply.

"Yes, it was a woman surnamed ye who instructed us. We don't know her real name, but the goal... is to beat the girl beside you silly."

Hearing this, Yin bei could not help but feel a chill run down her spine.

Beat her silly? How hard did he have to hit her?

Surnamed Ye, it must be ye Xiaomeng!

Damn it!

Hearing the man's words, Shi Mo's deep eyes narrowed slightly.

Then, a cold voice sounded, "Get lost!"

Chapter 1662 will be temporarily used by me

Hearing his cold and emotionless voice, the leader of the men paused for a moment before he immediately stood up in a sorry state and fled in a Panic! When the other men saw this, they could not help but follow him and disappear into the alley!

Shi Mo threw down the mace in his hand as he was still a little confused.

He turned around and looked at Yin bei.

“You know the purpose of those people?”

Yin bei was slightly stunned when she met his dark eyes. Then, she lowered her head and said, “It should be principal qi and ye Xiaomeng who instructed them.”

Hearing this, Shi Mo’s brows furrowed slightly. “Them?”

“I . . . Saw something I shouldn’t have.”

“What is it?” He stared at her.

She looked up and glanced at him again before lowering her eyes again. “I saw principal qi and ye Xiaomeng... kissing.”

Shi Mo’s brows furrowed even more when he heard that.

Although he didn’t like to pay attention to other people’s matters, he had more or less heard about the rumors about ye Xiaomeng.

The reason why ye Xiaomeng was so domineering in Z University was because the principal of z university was her uncle, and her uncle was kissing her niece? This was too unbelievable.

“Are you sure you didn’t see wrongly?”

“Of course!” Yin bei was a little displeased with his doubt. “How could I have seen wrongly? I was almost silenced because of this, and my phone was snatched away by them!”

Her words made Shi Mo’s eyes darken, and a cold light shot out.

Qi Ming and Ye Xiaomeng.

“You don’t have your phone?” He suddenly changed the topic.

Yin bei was slightly stunned, but he still nodded. “Yes.”

Then, she saw him take out his phone. “Use mine for the time being.”

Before Yin bei could regain her senses, a silver phone appeared in her hand. It was a very expensive new model!

It was not that she had never seen luxury goods before, but what did he just say? Use his phone?

She was stunned and looked at the man in front of her in a daze.

“Use Yours?”

“Yes.”

He turned his head and did not say anything more. Instead, he held her other hand and walked towards the apartment she lived in.

Yin bei was still completely immersed in her own thoughts. Just like that, he pulled her towards her apartment.

“Well, I’ll use yours. What About You?”

“Yes.”

“OH.”

For some reason, Yin bei felt sweet in her heart when she suddenly used his phone.

She picked up the phone curiously and pressed on the screen.

“I want the password.”

Looking up at the man’s side profile, Yin bei asked for the password.

“XX0515.”

Hearing the password, Yin bei smiled and entered the password.

Just as she pressed on it, Yin bei suddenly paused.

XX0515? Wasn’t this her birthday?

Suddenly, she raised her eyes and looked at the man’s side profile. She was very surprised by this password number.

This couldn’t be a coincidence, right? His own birthday wasn’t this. If it wasn’t hers, then who was it?

“This password is...”

She was about to ask, but the man stopped and said, “We’re at Your House.”

Yin bei turned her head and indeed saw the door of her apartment.

“Go in,” he let go of her hand and said softly to her.

“Okay.”

She pursed her lips and walked up the stairs. Then, she turned around and looked at him.

“Then... Bye-bye.”

He stared at her and suddenly stepped forward a few seconds later. Even though he was standing at the bottom of the stairs, he was still a few centimeters taller than Yin bei.

Yin bei was a little confused by his sudden step forward. She did not understand what he was trying to do.

Then, he stepped forward and reached out his hand to gently touch the back of her head. He lowered his handsome face and sealed her pink lips in the next second.

It was only a light kiss. After a few seconds, he let go of her. His deep eyes were as gentle as jade.

Chapter 1663 starts and ends. I'll be the one to pick you up and send you off

"Go in, I'm going back."

Yin bei came back to her senses and couldn't help but lick her lips that he had just kissed. This feeling was so good.

"OH."

"Go in."

After what had happened just now, it seemed that he couldn't turn around and leave without seeing her enter the door with his own eyes.

Yin bei pursed her lips. After glancing at him, she hesitated for a few seconds before turning around and walking towards the elevator.

He only turned around and left after she entered the elevator.

Yin bei entered the elevator and pressed the number button for the floor where she lived. She was still thinking about the kiss just now.

She could not hide the sweetness just now when she exited the elevator. Suddenly, she remembered something and stopped in her tracks.

No, how did he know that she lived in this building?

"Bei bei!"

While she was still immersed in her own thoughts, she suddenly heard a familiar voice. It was Nian Yuqing.

When she looked up, she saw her mother anxiously walking over from the door!

"Bei bei, where have you been? Why Can't I get through to your cell phone? ! I'm so worried!"

Thinking about how she was busy eating with Shi Mo and had neglected her mother who was waiting at home, Yin bei could not help but feel a little guilty.

"Uh, I had a dinner appointment with a friend and forgot to tell you."

Nian Yuqing felt a little more at ease when she heard that.

"What about the phone? Why Can't I get through?"

"Uh, the phone... was stolen."

"I see." Nian Yuqing understood when she heard her daughter say that. "Let's go back to the house!"

Yin bei entered the house with her mother. As they had already had dinner, Yin bei went straight into the bathroom. After taking a shower, she lay on the bed and studied Shi Mo's phone curiously.

"There's actually nothing..."

She flipped through the photo album, but there wasn't a single photo. She didn't even have QQ or wechat. Could it be that he never played these games?

Feeling bored, she logged into wechat and QQ. Just as she was about to log in, her phone suddenly rang, followed by a series of numbers flashing on the screen.

This phone belonged to Shi Mo, so the person who was calling should be looking for him, right? Should she pick it up?

Just as Yin bei was hesitating, the phone hung up automatically. However, not long after, it rang again.

So Urgent?

Looking at the phone screen, Yin bei hesitated for a long time before finally picking up the phone. She carefully brought it to her ear. "Hello?"

"It's me."

A familiar voice sounded from the other end of the phone. It was deep and pleasant to listen to.

Yin bei was very familiar with this voice.

So it was Shi Mo..

"You're Home?"

"Yes."

Yin bei couldn't help but feel a little excited when she received his call for the first time!

"From tomorrow onwards, I'll pick you up and drop you off every day."

"..."pick me up and drop you off?

Was she worried that Qi Ming and ye Xiaomeng would send people to hurt her again?

Yin bei couldn't help but feel a lingering fear when she thought of this.

She didn't dare to imagine what it would be like if she was really beaten into a fool. How heartbroken would her mother be?

Thinking of being able to go to and from school with him every day, she couldn't help but feel a little happy!

But she still wanted to say some pleasantries, "Will it be too much trouble for You?"

"No, just treat it as our daily date time."

Yin bei was stunned.

Daily date time? Hehe... doesn't that sound romantic?

"Sure!"

Unfortunately, Shi Mo wasn't able to see how Happy Yin bei was on the other end of the phone.

After agreeing to this matter, Yin bei began to chatter non-stop about other interesting things, as if she had endless things to talk about with him!

Chapter 1664 is for you!

In the end, the two of them chatted for a full three hours. Yin bei was really sleepy, and she couldn't even hear the notification of her phone running out of battery.

On the other end, Shi Mo saw that her voice was no longer on the receiver. He seemed to have guessed that she had fallen asleep from chatting, so he took out his phone and directly pressed the hang up button.

Looking at the time, it was already early in the morning.

The next day.

Early in the morning, Yin Bei and Mu Dan went downstairs together after having breakfast.

Just as they walked out of the residential area, they saw a white spyker parked by the roadside.

The familiar car made Yin bei subconsciously stop in her tracks. Mu Dan, who was beside her, could not help but stop as well and look sideways at her.

Following her line of sight, they saw the white sedan's window slowly roll down, reflecting the man's exquisite face.

Seeing Shi Mo who had appeared here early in the morning, Mu Dan was obviously surprised. However, as smart as she was, she quickly understood what was going on.

"About that, bei, I've invited Haoyu to go to school together. Let's go to the next intersection and wait for him!"

As she finished speaking, Mu Dan had already let go of her arm and waved her hand as she walked towards the intersection not far away.

Looking at her good friend's back, Yin bei wanted to say something, but mu Dan had already walked far away, so she could only give up.

She turned her gaze to the face of the man in the car window. Recalling what he had said yesterday, she walked over without hesitation in the next moment, opened the door, and sat in the passenger seat.

"This is for you!"

As soon as she sat in, Yin bei handed him a small paper bag.

Shi Mo glanced at the grayish-yellow paper bag in her hand and frowned. "What?"

"Breakfast!"

"I've already eaten."

"AH." Hearing his reply, Yin bei suddenly felt a little disappointed. She turned around and lowered her head. "I thought you didn't have time to eat breakfast since it was so early."

That was why she had specially gotten up early this morning to make an egg roll meal!

Seeing the slight disappointment on her face, Shi Mo's expression was calm. He then glanced at the breakfast in her hand.

"Who made it?"

"Me, I got up early to make it." She subconsciously blurted out without looking at him.

In the next instant, the breakfast in her hand was suddenly taken away.

After being slightly stunned, she looked up and saw Shi Mo taking the breakfast over. He then placed it in the central control position, started the car, and slowly set off towards Z.

Getting out of his car once again, Yin bei once again became the focus of the entire school's attention. Many people were guessing at their relationship.

"I, I'll be leaving First!"

The moment Yin bei got out of the car, she noticed those strange gazes and wanted to escape as soon as possible!

After informing Shi Mo, she had already fled at high speed towards the direction of the teaching building!

After parking the car, Shi Mo also got out and watched her back disappear into the corner not far away.

"Brother."

A crisp voice sounded from behind. Shi Mo glanced sideways and saw Shi Lian walking over.

"So you left half an hour earlier than usual to pick up Yin bei?"

Shi Mo glanced at his sister but did not speak. Instead, he carried his breakfast and walked towards the direction of the management department.

When she saw the thing in his hand, Shi Lian could not help but hurriedly follow him!

"Brother, what is this?"

She reached out to take it, but Shi Mo easily avoided her.

Shi Lian could not help but frown and pouted her pink lips. "So stingy, I was just looking."

"Breakfast."

As if he did not want his sister to touch his breakfast, Shi Mo dispelled her curiosity and directly gave her the answer.

When Shi Lian heard this, she could not help but frown and once again followed her brother's footsteps.

"Didn't you eat at home? Why are you buying again?"

Chapter 1665 Qi Ming's dismissal

Shi Mo did not reply. Instead, he walked straight to the teaching building.

This state continued for three days.

In the afternoon, when Yin bei had just returned to the campus, he heard many people discussing.

“Have you heard? The school Belle, Ye Xiaomeng, and principal Qi are not related by nephew and uncle. Instead, the two of them created a fake relationship in order to deceive people!”

“Really? She’s not President Qi’s niece? Then what is she?”

The female student who was asked looked around and whispered into another student’s ear, “I heard that she’s president Qi’s mistress!”

Hearing this, the female student widened her eyes. “No Way? Mistress? ! Ye Xiaomeng is only 19 years old, and she’s actually the old man’s mistress?”

“I heard that this matter was found out by someone, and then President Qi’s position was removed.”

“Removed?”

“That’s right! Thinking about it, our president is actually such a disgusting person. Fortunately, he was removed. Otherwise, who knows which female university student will be his mistress next!”

“Sigh, that ye Xiaomeng, you say, is quite good-looking. Why does she want to be an old man’s lover?”

“Who knows? Maybe she’s crazy poor. I heard that she has no parents since she was young and has always been with relatives.”

“No Wonder.”

Listening to the two girls’ discussion, Yin bei could not help but be stunned.

Was what they said just now true? Qi Ming’s position as principal had been removed?

“Yin bei!”

Just as she was thinking, Mu Dan’s voice sounded from behind her.

Yin bei turned her head when she heard the voice and saw her good friend Mu Dan walking over excitedly. “Bei, have you heard? That Qi Ming has been removed from his position!” Wen Sheng said

Looking at her good friend’s surprised expression, Yin bei was still a little stunned. “Are you sure?”

“Of course. The school is going crazy right now!”

“What about ye Xiaomeng?”

“Who knows about her? After the matter was exposed, she definitely didn’t have the face to stay. At noon, someone saw her leaving with her things!”

Thinking about the fate of Qi Ming and Ye Xiaomeng, Mu Dan felt extremely happy and relieved!

Usually, that ye Xiaomeng was really too arrogant. She didn’t expect that in the end, she wasn’t Principal Qi’s niece at all. Instead, she was his mistress!

Listening to her good friend's words, Yin bei lowered her head and fell into deep thought.

What exactly was the relationship between Qi Ming and Ye Xiaomeng? who was the one who exposed it?

A familiar face suddenly flashed across her mind.

Could It Be Shi Mo?

She knew that his Shi family was extremely powerful, and it would be a piece of cake for him to settle this matter. Could it be him?

"What are you thinking about? Are You So Happy?"

Seeing that she was in a daze, Mu Dan could not help but squeeze her shoulder.

Yin bei looked up. "No, I'm just wondering who did this."

"Aiya, who cares who did it? What's worth celebrating now is that the disgusting principal has been dismissed and ye Xiaomeng has left. So you're completely safe now. You Don't have to worry about being silenced, right? !"

Hearing her good friend's words, Yin bei felt much more at ease. After all, she had experienced a life-and-death situation a few days ago!

And now that Qi Ming had lost his power, it was impossible for him to find trouble with her again. After all, she was not the one who exposed the matter this time, but someone else.

As for ye Xiaomeng, without Qi Ming backing her up, she would not be able to be arrogant anymore, right?

So this was really good news for her!

Chapter 1666 He's my classmate!

After Qi Ming and ye Xiaomeng left z university, Shi Mo no longer had to worry about her safety. However, the daily transport continued.

The news of the two of them dating quickly spread throughout the foreign languages department. Looking at the time, she and Shi Mo had been dating for more than a month.

The weather in April gradually began to warm up.

In the evening, Yin bei sent her to the entrance of the residential area. However, she had no intention of getting out of the car. Instead, she raised her head and looked at Shi Mo who was in the driver's seat.

"Well, it's a holiday tomorrow. I'm going back to the north of the city for the next three days."

"Okay."

Ever since her mother came to City Z, she had not gone back for the weekend. It was Qingming Festival now. She had to go back to sweep the graves of her father and grandmother and offer incense at the same time.

“See You after the Qingming Festival then!”

Looking at him, Yin bei said. Then, she turned around, unbuckled her seatbelt, and was about to get out of the car.

“Yin bei.”

“Huh?” She subconsciously turned around and stared at his deep black eyes.

After looking at her for a second, he suddenly leaned over and kissed her, who was sitting in the passenger seat.

After a few kisses, Shi Lian gradually learned how to respond, but it was still a little awkward.

This kiss was very long, unlike the usual deep kiss or the fleeting kiss. This time, his kiss was extremely deep and he could not bear to let go.

Yin bei did not know if this kiss would end properly. She closed her eyes and awkwardly responded. She felt the warmth from his thin lips and the tip of his tongue. It was gentle and very gentle.

After the kiss ended, he finally let go of her. His dark eyes were burning, and his voice was deep and hoarse. He exhaled like an orchid. “See You after Qingming Festival.”

She pursed her lips. “Okay!”

After getting out of the car, he walked her to the entrance of the apartment.

“Go in.”

“Goodbye!” She smiled sweetly and waved at him. She was about to turn around and go in.

“Bei bei.”

Suddenly, a figure appeared. Yin bei, who had just turned around, could not help but turn around. She saw her mother, Nian Yuqing, standing behind Shi Mo..

Nian Yuqing looked at her daughter and then at Shi Mo. she could not help but be stunned for a moment.

“Mom...”

Seeing her mother, Yin bei was surprised.

She glanced at the vegetables in her hand. At this time, she must have gone to buy vegetables.

“Bei bei, this is?” Nian Yuqing pointed at Shi Mo who was standing at the side. It was the first time in nineteen years that she had seen her daughter make friends with someone of the opposite sex.

Of course, other than Lu Chenfeng, he had grown up with his daughter and was also a neighbor.

Looking at Nian Yuqing, Shi Mo nodded slightly as a sign of respect.

“Auntie.”

Looking at the boy's entire body and the way he addressed her as 'Auntie', he should have been born into a wealthy family, right?

"Ah, that... He's my classmate. It's not on the way, so... he dropped me off on the way back!" Yin bei was not mentally prepared to tell her mother about her relationship with Shi Mo..

Nineteen years old was still very young in her mother's eyes, right?

She glanced at Shi mo. this boy was really eye-catching.

"Is that so?" Nian Yuqing seemed to believe her daughter's words. She immediately looked at Shi Mo enthusiastically. "Since that's the case, let's go up and have a cup of tea."

"No need, no need. Mom, he still has -"

"Alright."

Yin bei wanted to help Shi Mo and Mo Wan, but he suddenly said 'alright'.

In an instant, she could not help but stop and look at Shi Mo..

Nian Yuqing smiled and took the lead to walk forward. "Let's go then. I bought some snacks as well."

Looking at her mother and then at Shi Mo, Yin Bei's heart was in a mess. She could only follow her mother's footsteps.

Chapter 1667 What's Your Classmate's name?

"Mom, let me help you take it!"

She reached out and took the large bag of vegetables from her mother's hands!

Before she could carry it properly, the vegetables were suddenly taken over by Shi Mo..

She looked up in a daze and looked at the side of his face. He had a calm expression on his face. In the next second, he suddenly grabbed her hand with his other hand and followed behind Nian Yuqing!

Yin Bei's eyes widened and her heart was in a mess!

Her mother was standing in front of her. She was not mentally prepared to let her mother know!

Thinking of this, Yin bei could not help but quickly pull her hand away from his palm!

At this moment, they just happened to enter the elevator. The moment Nian Yuqing entered the elevator and turned around, their hands separated. Yin bei said in her heart, "Thank God!!"

She had to personally tell her mother about their relationship. She couldn't wait for her to take the initiative to find out. Otherwise, she would feel guilty.

Dating at the age of nineteen shouldn't be considered a crime, right?

Entering the living room, Nian Yuqing looked at Shi Mo with a smile and beckoned him to sit down. "Child, sit on the sofa. I'll go prepare some snacks for you."

She smiled slightly and took the dishes and snacks into the kitchen.

After taking a few steps, she seemed to have forgotten something and looked at Yin bei. "Bei bei, make a cup of tea for your classmate!"

Looking at her mother, Yin bei's gaze glanced at Shi Mo who was sitting on the sofa. She pursed her lips and said, "Alright!"

She followed Shi Mo into the kitchen and made a cup of fragrant tea for Shi Mo with a Ceramic Cup.

Looking at the cup that was filled with the feelings of a young girl, Shi Mo took it and looked at Yin bei. "Yours?"

"How did you know?" As they had just moved in and there were usually no guests, she and Mu Dan did not buy any extra teacups, so they could only use her own cup to brew it for him.

He wouldn't mind it, right? This cup was beautiful and not dirty!

Shi Mo did not say anything but took a sip of tea.

"Oh right, how did you know that I lived in this building last time? I don't think I told you the exact address of my residence, right?"

Hearing this, Shi Mo paused in his action of drinking tea. Half a second later, he looked up at Yin bei, "I also know your birthday. Is It Strange?"

"..." Oh, that's true. He was the first successor of the supreme financial magnate. Wouldn't it be very easy to check her residence?

Did that mean that he was also paying attention to her?

Thinking of this, Yin Bei's heart was slightly delighted!

"The desserts are here!"

Nian Yuqing carried two plates of desserts and walked out of the kitchen with a smile. One plate was cut into pieces of fruit, and the other plate was a plate of desserts.

After placing the desserts on the coffee table, Nian Yuqing's gaze fell on Shi Mo. she felt that he was somewhat familiar, but she couldn't remember where she had seen him before.

"Bei bei, you take care of your classmates. Mommy will go and Cook!"

"Okay!"

Picking up an apple, Yin bei sat down on the sofa and began to nibble on it.

Nian Yuqing looked at Shi Mo, and her gaze returned to her daughter's face. "What's your classmate's name?"

Hearing this, Shi Mo stood up and bowed respectfully to Nian Yuqing. "My Name Is Shi Mo. ."

Shi Mo?

Nian Yuqing frowned. The name sounded familiar, but where had she seen him before?

She did not think about it further. Instead, she smiled at the two of them before her gaze finally landed on Shi Mo's face. "You two take your time to chat. I'm going to cook. I'll stay for dinner in a while. Ah."

Hearing her mother's words, Yin bei was a little surprised. She quickly turned to look at Shi Mo..

He gently nodded at Nian Yuqing. "Sorry for the trouble."

"..."so he had decided to stay for dinner?

Chapter 1668 Grandpa's phone call

If their relationship was made public, Yin bei would definitely be impatient to drag him home for dinner. However, her mother still didn't know that she was dating him. Wouldn't it be too much if she stayed for dinner?

"UM, mom —"

"It's no trouble. You can chat with Bei bei. I'll go prepare dinner!"

Yin bei wanted to say something, but Nian Yuqing had already turned around and walked into the kitchen.

Looking at her mother's back, Yin bei turned her head and looked at Shi Mo who was sitting on the sofa, staring at him.

Shi Mo glanced at her but did not say anything. Instead, he raised his hand and snatched the Red Apple that had been bitten a few times from her hand and started to eat it.

Seeing that he had bitten off more than half of it in one bite, Yin bei was stunned.

That was the apple that she had just bitten off. He actually did not mind..

With the Apple snatched away, Yin bei could only reach out and pick up another apple from the fruit plate. Just as she took a bite, her phone rang.

She stood up and walked to the landline to pick it up.

"Hello?"

"Darling, I won't be going back for dinner tonight. Let Auntie Nian know!" Mu Dan's voice sounded from the receiver.

Yin bei couldn't help but tease, "You're going on a date with haoyu again?"

"That's right. When are you going to watch the sunset with Shi Mo?" At this moment, Mu Dan was watching the sunset with Haoyu. They would have dinner together later. Worried that Nian Yuqing would ask about her, she specially called back to let her know so that she would not have to prepare her dinner.

Being asked by her good friend, Yin bei could not help but glance at Shi Mo who was on the sofa. Coincidentally, he was also looking at her.

Upon meeting his dark eyes, Yin bei felt even more guilty.

Sunset? She had already watched it with Shi Mo!

"I'm Hanging Up!"

"Remember to tell Auntie Nian!"

"I know, let's go on a date!"

After hanging up the phone, Yin bei glanced at Shi Mo, turned around and walked to the seat beside him. Just as she was about to take a bite of the apple, the phone suddenly rang again!

She paused and turned to look at the phone, thinking that it was Mu Dan calling again.

So she picked it up without hesitation, "Miss, What's the matter again?"

"Bei bei, it's grandpa." A slightly weathered voice sounded on the other end of the phone, and its tone was very gentle.

Yin bei was stunned.

"Grandpa? Why are you calling?" She was a little surprised.

"Bei Bei, Tomorrow is the Qingming Festival. How about you and your mom come back?" Nian Chengde sounded like he was discussing with her.

"Of Course, Tomorrow is the Qingming Festival. Mom and I will definitely go back!"

Hearing his granddaughter's words, Nian Chengde seemed a little surprised.

Yu Qing didn't tell Bei bei the reason why she left?

"Your mother also agreed to come back?"

Hearing her grandfather's sarcastic tone, Yin bei was dumbfounded.

Tomorrow was the Qingming Festival. She and her mother would definitely go back to sweep the graves of her grandmother and father. Of course, they would go back! Of course?

"Grandfather, I haven't gone back for so long. Do you want me to be confused? It's the Qingming Festival's three-day holiday. Mom and I will definitely go back!"

On the phone, Nian Chengde was silent for a few seconds before he smiled in relief. "Okay, Grandpa will wait for you guys to come back."

"Okay!"

He thought that Grandpa would hang up the phone, but he didn't.

"Grandpa, is there anything else?"

Nian Chengde hesitated for a long time. "Beibei, your mother..."

"What's Wrong?"

"She... didn't say why she went to your place?"

"..."Yin bei slightly paused.

The reason why mother came to her place? It was because she missed her.

Chapter 1669 the reason why she came here

Grandpa asked this question, could there be other reasons?

Thinking about the past month, her mother had no intention of going back, and she didn't even mention the matter of going back, could it be..

"Grandpa, why did my mother come to my place?"

Vaguely, she seemed to have guessed the reason.

"Well, we'll talk about it when you come back tomorrow, Ah."

"Grandpa –"

"Du..."

Yin bei wanted to speak, but Nian Chengde hung up the phone. He was worried that Yin bei would not come back with her mother after she found out the reason. It was better to be unclear. He knew his granddaughter's character very well. If he could not find the answer, she would definitely come back to clarify the matter herself!

"Bei bei, who's on the phone?"

Putting the phone on the machine, Yin bei raised her head and faced her mother.

From the corner of her eyes, she looked at Shi Mo. she did not want to talk about her family matters in front of him. With her current situation, if she were to be exposed in front of him, she would feel very humble.

"It's grandpa. He wants us to go back tomorrow."

Hearing this, Nian Yuqing's expression obviously darkened.

Perhaps it was because she saw that Shi Mo was there, but she did not say anything. Instead, she turned around and returned to the kitchen to continue cooking.

Yin bei clearly noticed her mother's dejected expression, and the guess in her heart became even more certain!

It must be her aunt who forced her mother away! No wonder she never mentioned going back after coming to City Z. She was still curious as to why she never left after saying that she was leaving. As time passed, she got used to it.

Originally, she went back every week because she missed her mother. Since she had also come to City Z, she naturally had no reason to go back every week. She would just go back to visit her grandfather once in a while.

After dinner was prepared, Nian Yuqing's face returned to her usual smile as she prepared a table full of dishes.

She treated people with such kindness and warmth.

"You guys eat more."

Looking at Yin bei and Shi Mo who were sitting in a row, Nian Yuqing looked at them as if they were her own children.

"Mom, you eat more too!"

Yin bei took the initiative to pick up a dish for her mother.

She knew that it wasn't easy to return to her maternal grandfather's house. No matter how good her maternal grandfather was to them, her aunt's expression was unsightly. She always felt that they were superfluous and that they shouldn't have gone back there and married off their daughters.., it was like pouring water on a pot. Returning to their parents'house would only bring them bad luck.

That's right. Over there, her aunt looked at them as if they were jinxes.

Looking at the dishes her daughter had picked for her, Nian Yuqing felt very gratified.

"Is the taste good?"

Afraid to ignore Shi Mo, Nian Yuqing took the initiative to ask with a gentle tone.

Shi Mo's eating style was very refined. One look and one could tell that he had a good upbringing.

"Very good."

He glanced at Yin Yuqing and spoke calmly.

"My mother's dishes are very delicious, right?" Looking at him, Yin bei looked proud!

"Yes, you too."

One sentence made both mother and daughter stunned.

What did he mean by she was the same? Looking at Shi Mo, Yin bei was slightly stunned. The next second, she suddenly came to a realization!

During this period of time, she had been bringing him breakfast!

Opposite her, Nian Yuqing looked at her daughter and then at Shi Mo. were the two of them really just classmates?

The meal was very enjoyable.

After the meal, it was already dark outside the window. It was already 7:20 pm.

"Thank you for your hospitality, Auntie."

"You're welcome. Come again next time."

Shi Mo pursed his lips slightly and nodded at her. "I'll be leaving first then."

"Alright."

Chapter 1670 I Watch You Leave!

"I'll send you off!"

Yin bei could not suppress the excitement in his heart when he saw that he was about to leave. He wanted to send him downstairs.

He glanced at her but did not say anything. Instead, he turned around and walked towards the elevator.

"Mom, I'll send him downstairs!"

Yin bei waved her hand at her mother. Yin bei also turned around and caught up with Shi Mo's footsteps.

Nian Yuqing, who was still standing at the door, suddenly felt a little melancholic as she looked at the two figures.

Shi Mo's family background should be quite good. If he had another layer of relationship with Bei bei, would their current family situation be suitable for them to be together?

However, she was also very clear about her daughter's character. Once she fell in love with him, she would not care about these things. She would also not be aware of her current status. She was no longer the daughter of the former deputy chief.

She remembered that more than ten years ago, the three of them had been invited to attend the Shi family's daughter's wedding. At that time, when they returned home, she had excitedly said that she had seen an extremely good-looking boy. She had even said that she would marry him when she grew up, she had persisted on that matter for a very, very long time! Perhaps it was because she had grown up as she grew older. She realized that a girl who said such things was not too reserved. As time passed, she had not heard her mention that beautiful boy ever again.

"I'm leaving."

After sending her downstairs, Yin bei really wanted to send her to the intersection, but was stopped by Shi Mo..

"Okay!" She hesitated for half a second before nodding her head heavily.

"Go in."

"I'll Watch You Leave!"

Hearing her insistence, Shi Mo suddenly smiled. Satisfied, he turned around and left.

However, just as he turned around, Yin bei spoke again.

"Shi Mo!"

Wen Sheng turned around when he heard the voice. Before he could turn around completely, he saw that delicate figure suddenly pouncing on him. Taking advantage of his unprepared state, she wrapped her arms around his neck and kissed his thin lips. Then, she fled in a panic.

“Goodbye, be careful on your way!”

Before she could finish her words, she had already disappeared from the first floor of the apartment and was running towards the elevator!

Looking at the retreating figure, the corners of Shi Mo’s lips curled up slightly. He then turned around and left.

Rushing upstairs in one breath, Yin bei closed the door. At this moment, her heart was still racing!

“Bei bei, you’re back.”

Nian Yuqing, who had just cleaned up the kitchen, walked out and saw that her daughter had already returned.

With Shi Mo gone, Yin bei naturally did not need to worry anymore.

She looked at her mother, then walked over and pulled her to sit down on the sofa.

“Mom, are you... Hiding something from me?”

Being asked by her daughter, Nian Yuqing was a little stunned.

Then, she lowered her gaze, as if she did not want to mention this matter.

“Mom has also thought it through. It’s not a good thing to always stay at your grandfather’s house. After all, I’m married out—”

“What do you mean married out? Don’t tell me that when I get married out in the future, I won’t be able to return to your side?” Yin bei interrupted her mother’s words. She knew that everything was her aunt’s doing!

“You’re different. Mom only has you as a daughter. Besides, it’s not that your grandfather doesn’t want us to go back, but it’s your aunt!”

“I’ll go look for her tomorrow!” When she thought of her aunt’s face, Yin bei’s stomach was filled with anger!

She didn’t think about it. The reason why she could wear gold and wear silver and eat well was all because of her grandfather? Otherwise, how could she have such a rich life?

“Tomorrow, we’ll go back and offer incense to your grandmother and father. As for your grandfather’s house, don’t go back.”

“No, I want to go back and see what Ke Meiyun will do!”
