

Kiss Me 1671

Chapter 1671 Miss Beibei is back

“Beibei!”

“Mom, if you don’t want to go back, I’ll go back alone!”

Nian Yuqing paused. She was even more worried about her daughter going back alone.

With her personality, if things got out of hand, she might even start a fight with her sister-in-law.

She knew very well that her daughter was only going back to seek justice for herself. However, she was a married daughter. It was actually better for her to move out. At the very least, it was more comfortable and comfortable than living there. She didn’t have to look at her sister-in-law’s face every day, that was why she decided to come to her daughter’s place. Although she was already 40 years old, she could still find a simple job.

...

The next day, unable to dissuade her daughter, Nian Yuqing still returned to the suburbs of the north of the city with Yin bei.

When they reached the Nian residence, Yin bei got out of the taxi and looked at the middle-sized villa in front of her. It had been more than a month since she last came back. Needless to say, she really missed her grandfather.

In fact, the reason why she came back today was firstly to seek justice for her mother. Secondly, it was because she really missed her grandfather.

Other than her parents, there was only her grandfather who doted on her. If she had to give him up, how could she give him up.

Carrying the gift, she walked to the big iron door and pressed the doorbell.

“Old Sir, it’s Miss Bei bei.”

There was no one in the living room. Through the visual doorbell, the maid saw Yin bei in the video and quickly turned her head to speak to Nian Chengde with a smile.

“Let them in quickly!”

Nian Chengde put down the newspaper in his hand and took off his reading glasses. He was already seventy years old, but he was in good spirits!

“Grandpa!”

As soon as she entered the living room, she saw her beloved grandpa. Yin bei couldn’t help but run over and hugged Nian Chengde.

“Oh My, My Baby, you are willing to come back!”

Hugging his granddaughter, Nian Chengde’s face was full of smiles.

Behind him, Nian Yuqing walked in and took a look at her father.

“Dad.”

Looking at his daughter, Nian Chengde felt a little guilty.

A month ago, he went out and when he came back, he heard that she left for City Z to look for Bei bei. After asking the maid, he found out that she was driven away by his daughter-in-law, Ke Meiyun!

As the head of the family, he also wanted to protect his daughter, but he also wanted the family to be peaceful. After that, he made a few calls to ask her to come back, but he was rejected.

He also knew that his daughter didn't want to cause trouble for the Nian family.

“You're back.”

Nian Chengde looked at his daughter and smiled.

“Quick, sit on the sofa. Let Grandpa See how you've been recently. Have you gained weight or lost weight?”

Pulling Yin bei onto the sofa, old Mr. Nian sized her up for a while.

“You've gained weight, haven't you?”

Yin bei raised her hand and cupped her face, looking at her grandfather playfully.

Nian Chengde was amused by her. “I'm not fat, but I'm getting more and more beautiful!”

“Of course. My parents are good-looking, so I inherited their genes!” Yin bei couldn't help but feel proud again.

In front of her family, she didn't need to do anything taboo, and no one would say that she was narcissistic or anything like that.

“Oh, you really are a rat that can't be chased away. It's only been a short while, and you've come back to eat and drink for free!”

At this moment, a bright voice came from the stairs.

Yin bei did not need to turn her head to know who the voice came from.

Looking at Ke Meiyun who was walking down the stairs, Yin bei swept her eyes over her and smiled.

“Aunt, it's been more than a month since we last met. Why have you become old again?”

Hearing this, Ke Meiyun's expression turned extremely ugly!

Chapter 1672 How could be an outsider?

She was the same age as Nian Yuqing and had always loved beauty. What she hated the most was people calling her old or ugly. These two points were taboo to her! However, Yin bei was very clear on this point.

Glaring at Yin bei, Ke Meiyun rushed downstairs with a face full of anger and ordered arrogantly, "Uncultured girl, like mother, like daughter!"

"Watch Your Mouth!" Yin Bei's face darkened.

"Isn't it?"

"That's enough!"

While the two of them were arguing, master Nian, who was sitting on the sofa, couldn't help but stop them.

Then, his eyes fell on Ke Meiyun's face. "It's not easy for them to come back. Can't you keep your mouth shut?!"

Facing Nian Chengde, Ke Meiyun was angry, but she didn't want to fight with the old man openly. After all, as long as he was alive, they wouldn't be able to inherit the family property. It wouldn't do her any good if she pissed him off.

Ke Meiyun suppressed her anger, but she couldn't vent it on the old man. With his protection, she couldn't vent her anger on Nian Yuqing and her daughter. She could only vent her anger on the servants!

"Go and make me a cup of tea!"

In the face of her anger, nanny Zhang bowed respectfully. "Yes, Madam."

After a while, she made a cup of tea.

"Madam, here's your tea."

Taking the cup, the more Ke Meiyun looked at Nian Yuqing and her daughter, the angrier she got. She just took a sip and put it down. With a face full of anger, she shouted at nanny Zhang, "Such hot tea, do you want to Burn Me to death?!"

In the Nian residence, nanny Zhang had always doted on Yin bei. Now that she saw Ke Meiyun making a fuss and criticizing nanny Zhang, she could not help but feel a little angry. She wanted to get up and confront Ke Meiyun! In the next moment, she was pulled back by her mother.

But seeing that nanny Zhang was bullied for no reason, Nian Yuqing felt a little unfair for her.

"Sister-in-law, the weather is cold, so of course it's hot tea. If you don't like it, just ask Nanny Zhang to change it for you. Why do you have to be so unreasonable?"

Hearing that, Ke Meiyun could not help but laugh. She crossed her arms and looked at Nian Yuqing. "What a joke. I can teach my own maid any way I want. Since when is it up to an 'outsider' like you to interfere?"

Her words of 'outsider' immediately made Nian Yuqing speechless.

Yin bei, who was standing at the side, was so angry that she stood up!

"Yuqing is my daughter. How can she be an outsider?!"

Before Yin bei could say anything, master Nian glared at KE Meiyun and shouted!

This Meiyun was getting more and more impudent. She did not take him seriously at all!

“Dad! As the saying goes, a daughter married off is like water splashed out. If she is not an outsider, what is she?”

“Even if she is married to an alien, her surname is ‘nian’! She is Nian Chengde’s daughter!”

“Dad –”

Ke Meiyun wanted to argue, but the old man interrupted her. “Meiyun, I haven’t settled the score with you for forcing Yuqing away. If you still want to stay in this house, behave yourself!”

Faced with the old man’s threat, Ke Meiyun gritted her teeth and did not dare to act recklessly again!

When his legs kicked off, she would have plenty of opportunities to punish the mother and daughter so that they would not be allowed to step into this house for the rest of their lives!

She would just endure it for now!

Glancing at the mother and daughter, Ke Meiyun did not want to stay in the living room anymore. She went upstairs, changed into a set of clothes, and left with her bag.

After she left, Nian Chengde turned around and looked at his daughter, then at his granddaughter, “Beibei, your aunt is like this. But don’t worry, as long as grandfather is still alive, this family will have a place for you. You will move back today!”

Chapter 1673: Stop Calling Me by my nickname

When he came in, Nian Chengde noticed that the mother and daughter didn’t bring any luggage with them. This meant that they were only here to take a look and didn’t intend to return to live here.

Faced with her old father’s words, Nian Yuqing tactfully rejected him.

“Dad, there’s no need. I found a job in City Z and rented a house with Bei bei in the city. From now on, I’ll live there.”

Hearing this, Nian Chengde was a little surprised.

“You found a job in City Z?”

“Yes.” Nian Yuqing nodded. Although she hadn’t really looked for a job yet, she planned to look for one after she went back this time.

Nian Chengde looked at his daughter and then looked at Yin bei. So the mother and daughter really didn’t plan to come back to live here?

“Grandpa, don’t worry. Mom and I will come back to see you when we have time.”

“You really can’t come back here?” Nian Chengde glanced at his granddaughter, and his eyes finally fell on Nian Yuqing’s face.

“Dad, sister-in-law is right. After all, I’m a married woman. I Can’t stay here forever.”

“Don’t listen to Meiyun –”

“Dad! The money you give me every month is enough for Bei bei and me to live comfortably. We really don’t need to live here.”

Nian Yuqing was a person who did not care about worldly affairs. She would back down if she could. She did not complain about Ke Meiyun. Everyone had different temperaments. She was just afraid that if she and Bei bei stayed here, they would fight for the family property with her and her brother. Since that was the case.., what was wrong with her moving out to avoid all this trouble?

Knowing that she had made up her mind, Nian Chengde knew that it was futile for him to persist.

“Since you insist on not coming back, can you leave after the Qingming Festival?”

He was already old and had some health problems recently. Naturally, he hoped that his children would always be around him.

Nian Yuqing looked at her father and then turned to look at her daughter.

She had planned to return to the city after cleaning the grave today.

“Why? You Can’t even agree to father’s request?”

Nian Yuqing wanted to agree, but she was afraid that Ke Meiyun would gossip.

Before she could say anything, Yin bei, who was beside her, spoke up!

“I agree. I’ll go back with Mother after Qingming!”She had originally made this decision from the start!

Seeing that his granddaughter had agreed, the old man was happy.

She knew her daughter’s character. As long as her granddaughter didn’t leave, she naturally couldn’t leave either.

“Then let’s go sweep mother’s grave first.”Nian Yuqing stood up. After instructing her old father, she stood up and left the Nian residence with Yin bei.

At the same time, on the other side, City Z.

Shi mansion.

In the magnificent living room in the morning, Shen Lanzhi couldn’t help but walk up when she saw her grandson going downstairs.

“Mo Mo. .”

Shi Mo had just gone downstairs when he heard his grandmother call him ‘Mo Mo’. He felt a little uncomfortable.

This was his nickname when he was young, but now that he was already 20 years old, using this nickname was a little too childish.

“Grandma, Can You Stop Calling Me by my nickname?”

Looking at her grandson, Shen Lanzhi paused for a moment before coming to a sudden realization.

Ever since her beloved grandson became sensible, she did not like others to call him 'Mo Mo'. However, she was already used to it and could not change it in a short while.

"Isn't Grandma used to it?"

"Are you looking for me?"

After going downstairs, Shi Mo's expression was calm and did not continue to address this topic.

He could see that Grandma seemed to have something to look for him about.

"Mm, isn't it Qingming today? Your great-grandfather has something on his mind."

Chapter 1674 visit (1)

Shi Mo lowered his long and narrow eyes. "What's the matter?"

"I'm going to visit two people on his behalf. Your Great-grandfather's health isn't good anymore, and his vision is much blurry compared to the past years. So, can you make a trip on his behalf for this matter?"

Shi Mo couldn't help but be stunned for a few seconds when he heard this.

"Actually, your parents go to this matter every year, but they go to C country to sweep the graves of your grandfather and great-grandmother. I have to stay behind to take care of your great-grandfather, so this matter..."

"Where is it?"

Hearing her tone, Shen Lanzhi knew that her beloved grandson had agreed, so she smiled.

"It's in the northern suburbs of the city. Wait for a while, I'll go get the prepared gifts and give you the detailed address."

After saying that, Shen Lanzhi went upstairs, and in a short while, there were a few more gifts in her hands.

"After you go to this address, say that you're looking for Nian Yuqing, and then give these gifts to her," Shen Lanzhi instructed, then handed another part of the tonic to him. "These are for an old Mister Nian."

Shi Mo glanced at the gifts before looking up at Shen Lanzhi. "Grandma, who are these people? Why do you want to visit them?"

Hearing her grandson's words, Shen Lanzhi suddenly sighed with a dejected expression.

"I want to visit a mother and daughter. They didn't live there originally, but I heard that they moved there two years ago. It took great effort for your great-grandfather to find their address. "The woman with the surname Nian, her husband was once the deputy director of the Z City Public Security Bureau. Because he once saved your great-grandfather, he has always remembered this favor. "Oh right, when your aunt got married, her whole family was also invited, but you were too young at that time, so you might not remember."

As she spoke, Shen Lanzhi suddenly sighed again.

“Unfortunately, good people don’t live long. A few years ago, that bureau chief died in an accident during a mission, and that time, it was to save your parents.”

Hearing his grandmother’s words, Shi Mo could not help but frown.

The man that his grandmother mentioned seemed to be Yin bei’s father?

“You’re saying that a few years ago, when my parents went to an auction, they were attacked by a terrorist on a cruise ship?”

“That’s right. If it wasn’t for protecting your parents, he wouldn’t have died in an accident.” Shen Lanzhi still felt a lingering fear when she thought of that incident.

At that time, Shi Yuting was focused on protecting Zuo Weiyi, but he neglected the gun aimed at his head behind him. At the critical moment, deputy director Yin had blocked that bullet.

Staring at her, Shi Mo was silent for a moment, then reached out to take the address from Shen Lanzhi’s hand.

“I’ll go now.”

“Remember to be polite when you see him!” Her grandson’s personality was exactly the same as his father’s. Shen Lanzhi was a little worried. When they arrived there, would he still be as cold as before, because it was very unlikable!

...

After more than two hours of driving, it was already noon when they arrived at the address on the note.

Shi Mo glanced at the address and then looked at the door number beside the main door. After confirming that there was nothing wrong with this place, Shi Mo walked forward and reached out to press the doorbell.

Not long after, Nanny Zhang walked out and looked at Shi Mo who was standing outside the courtyard. She was shocked by his stunning appearance.

This young man was really handsome.

“Young man, who are you looking for?” Nanny Zhang smiled gently.

Shi Mo lowered his eyes and looked up again. “Miss Nian.”

As he was not sure if he was Yin bei’s mother, Shi Mo could only address her this way.

Chapter 1675 visit (2)

“Looking for the eldest miss?”

Eldest miss? Shi Mo wasn’t too clear about the situation inside.

“Please come in.” Since she was the eldest Miss’s guest, mother Zhang naturally welcomed him.

Seeing that the young man wasn't a bad person, she let him in.

Just as she walked to the door, a delicate figure dashed out from the front. She seemed a little anxious and bumped into Shi Mo as soon as she came out!

Out of instinct, Shi Mo reached out to catch her.

"Who is it? Why—"

The figure who almost bumped into her seemed to be a little angry. However, when she raised her head, she saw a face that could turn all living things upside down.

Who Is This? So handsome..

She swore that she had never seen such a handsome man in the past 20 years. He was simply indescribably handsome!

"Miss Sun, Are You Alright?" Seeing Nian Jiaojiao suddenly appear, nanny Zhang was a little surprised as well.

However, Nian Jiaojiao's gaze remained fixated on Shi Mo's handsome face.

Shi Mo let go of her and stood up straight without looking at her again.

Nanny Zhang looked at the two of them and confirmed that Nian Jiaojiao was fine. She then brought Shi Mo into the living room.

As soon as they entered, they saw Nian Chengde sitting on the sofa.

Judging from his age, the 'Old Mister Nian' that grandma mentioned should be the one sitting on the sofa, Shi Mo guessed.

Nian Chengde turned his head, and he was very unfamiliar with Shi Mo who walked in.

"Master, this Mister said he's looking for the eldest miss." Looking at Old Master Nian, mother Zhang said with a smile.

Nian Chengde was stunned.

Looking for Yuqing?

He stood up and faced Shi Mo, "You are?"

Facing Old Master Nian, Shi Mo politely nodded at him, "I Am Shi Mo. I was asked by my great-grandfather to come and visit you and Miss Nian."

Nian Chengde was stunned again, "Your Great-grandfather is?"

"Is Miss Nian around?"

This old man really looked similar to Yin bei's mother, so old master Nian probably didn't know about the favor that deputy chief Yin had given to his great-grandfather and father. He might as well call Yin bei's mother directly, and everything would be clear.

He did not want to waste his breath explaining things that were too complicated or unnecessary.

“Yuqing and Bei bei went to sweep the graves of my son-in-law and wife. Are you looking for her for something?”

“Yes.” Shi Mo nodded.

Since he had something to do, Nian Chengde naturally treated him well.

“Then sit for a while. They should be back soon.”

He turned his head and glanced at the ancient clock on the wall. It was 12:10. According to his calculations, they should be on their way back.

Since they had just arrived from City Z in the morning, it was already very late when they went to visit the tomb.

Shi Mo nodded and sat down on the single sofa.

“Nanny Zhang, pour some tea.”

“Yes.”

Nanny Zhang nodded respectfully and walked towards the kitchen.

“Your Name Is Shi Mo?”

Suddenly, a sweet voice sounded. Shi Mo turned his head and saw the girl who had bumped into him just now walking towards him.

He glanced at her but did not speak.

Nian Chengde saw his granddaughter and could not help but say, “Jiaojiao, you can’t be rude to the guest.”

Although he did not like Ke Meiyun very much, Nian Chengde treated his granddaughter as if he liked Yin bei.

“Grandpa, I’m not being rude. I just asked for his name!”

Nian jiaojiao walked over and held Nian Chengde’s arm intimately. Then, she sat down beside him.

When she looked up, her clear and bright eyes could not move away from Shi Mo’s face.

Mama Zhang had just finished making tea and put it down when the sound of footsteps came from the door.

“They should be back,” Nian Chengde said to Shi Mo after glancing at the entrance.

Chapter 1676 someone is looking for you

Not long after, two figures walked in from the door. They were Yin bei and her mother.

The moment she entered the living room, she noticed that Shi Mo was sitting on the sofa. He was turning his head to look at her. When he met his eyes that were as black as the starry night, Yin bei was instantly stunned.

Shi Mo?

Did her eyes go blurry? Why... Would he be here?

Nian Yuqing was stunned by Shi Mo's sudden appearance.

Why would bei Bei's classmate appear at the Nian residence?

"Bei bei, you're back." Nian Chengde smiled amiably when he saw the mother and daughter. "Quick, come and sit. Someone is looking for you."

Yin bei turned her gaze to her grandfather before finally landing on Shi Mo's face. She then walked towards the sofa.

Was Shi Mo here to look for her and her mother?

Uh, why was he here? Could it be... that he missed her? Hehe..

Thinking of this, Yin bei could not help but giggle to herself. However, thinking of how her mother and grandfather still did not know about her relationship with Shi Mo, she could not help but put away her smile and walked over with a straight face.

"Why are you here?"

Looking at Shi Mo, she asked directly.

Shi Mo stood up and glanced at her. Then, he looked at Nian Yuqing who was walking over and greeted her politely, "Auntie."

Nian Yuqing glanced at Shi Mo. She had a very good impression of him. She also felt that his background was not ordinary. Although he looked a little indifferent on the surface, he was not arrogant. Clearly, his status was above hers., yet, every time she saw her, he would address her politely.

"Why are you here?" Nian Yuqing's confusion was the same as her daughter's.

This was the northern suburbs of the city. Could it be that Bei bei had told Shi Mo the address of this place? So their relationship was indeed not ordinary?

Shi Mo glanced at Nian Yuqing. When he thought about how Yin bei's father had died because he had saved his parents, he could not help but feel a ripple in his heart.

"My great-grandfather and grandmother asked me to bring these to you." As he spoke, his expression remained calm.

Nian Yuqing glanced at the gifts on the coffee table and was slightly startled.

"Your great-grandfather and grandmother?"

"Shi Yuting is my father." Looking at Nian Yuqing, Shi Mo was straightforward.

With just one sentence, he believed that Nian Yuqing would soon understand.

Shi Yuting, Nian Yuqing naturally knew this name.

Back then, her husband's duty was to protect Shi Yuting and her wife, so he was shot to death.

Perhaps most people would hate the Shi family, but Nian Yuqing was a sensible person. Her husband was a police officer, so it was his duty to protect the people. He hated the criminal who attacked the cruise ship!

"So, you are Shi Yuting's son." Nian Yuqing finally realized why his name sounded familiar.

She had heard of the name Shi Mo, but she had never seen him before. The only time she had seen him was at Shi Nuannuan's wedding more than ten years ago, but he was only four years old at that time.

"Yes."

Looking at him, Nian Yuqing smiled. "Sit down quickly."

She seemed to understand the reason for his visit.

In the past, they had lived in City Z as well. Their husband had died because he had saved his parents. Ever since then, his parents would always visit them during the Qingming Festival and the Spring Festival. However, ever since they moved out of City Z., they had never seen his parents again.

"I heard that you and Yin bei moved here later. Because father was busy, he did not ask for your address for the past two years. It was not until a while ago that father found you and moved here."

Chapter 1677 stay for dinner

Hearing his words, Nian Yuqing smiled gently. "It's okay. Actually, your parents have done enough for me and Bei bei over the years. There's really no need to do anything else, and there's no need to feel guilty."

Shi Mo did not speak, but lowered his eyes.

Then, his gaze could not help but fall on Yin Bei's face. It had only been a day since they last saw each other, but he missed her very much.

"Shi Mo, are you still a student?"

As the two of them looked at each other, Nian Jiaojiao suddenly opened her mouth and looked at Shi Mo with adoration.

Glancing at her, Shi Mo glanced at her but did not say anything.

Nian jiaojiao knew that he was unfamiliar with her, so she quickly introduced herself!

"I'm Nian Jiaojiao, and I'm Bei bei's cousin! This is my grandfather! That's my aunt!" As she said this, Nian jiaojiao could not help but hold Nian Chengde's arm.

Her relationship with Yin bei wasn't bad, but they weren't that close. After all, they didn't have much contact with each other, and they would only get to know each other occasionally when they came back to visit their grandfather.

However, after moving to the Nian residence for the past two years, they got along quite well. It was just that due to KE Meiyun's relationship, they weren't that close, and it could be considered a stage of neither good nor bad.

"My granddaughter, don't mind."

As a businessman, Nian Chengde had naturally heard about the Shi family. Shi Mo's identity was special. It would be bad if his granddaughter bumped into her.

"I won't." Out of politeness, Shi Mo responded with two words in a soft voice.

"Shi Mo, you don't Mind Auntie Calling You That, do you?" Nian Yuqing said. If it was an ordinary person, they might call him young master shi or sir, but it could be seen from his character that he didn't seem to care about this, nian Yuqing didn't care about that.

"No, it's good that you call me that."

Nian Yuqing smiled gently. "That's good. It's noon now. Stay for lunch."

"Yes, yes, stay for lunch." Nian Chengde was a businessman, so he naturally wanted to treat Shi mo well. "Yuqing, go to the kitchen and ask nanny Zhang to prepare more dishes."

"Okay."

Nian Yuqing responded, stood up and walked to the kitchen.

"Shi Mo, you haven't answered my question just now. Are you a student?" Nian jiaojiao's voice sounded again. Her pure face was not annoying, but the way she looked at him made Shi Mo feel a little disgusted.

Perhaps because of the presence of an old gentleman like Nian Chengde, Shi Mo finally gave a simple answer, "Yes."

"Where do you read?"

This time, Shi Mo did not answer. He did not like others to ask about his privacy.

Then, his gaze suddenly turned to Yin bei. His domineering gaze seemed to be hinting at what she wanted to do.

Yin bei paused when she met his gaze.

What?

"Shi Mo, I want to be friends with you. Where do you live?" Nian Jiaojiao spoke again. Because she was sitting beside him, she did not notice that his gaze was on Yin Bei's face.

Listening to Nian Jiaojiao's incessant questions, Yin bei finally realized.

Could it be that this cousin was interested in Shi Mo?

Thinking of this, she felt that she was in danger. She suddenly stood up from the sofa!

Her actions were too abrupt, causing grandfather Nian to be a little surprised.

Looking at his granddaughter, he asked, "Bei bei, what are you doing?"

Yin bei turned to look at her grandfather and chuckled. "Well, Shi Mo and I are classmates. He's not used to being here, so I'll bring him to the beach for a walk!"

This was a coastal area, so it would only take a few minutes to reach the beach.

Chapter 1678 did you miss me

"Let's Go!" As soon as she finished speaking, Yin bei walked over, pulled up Shi Mo who was sitting there, and dragged him towards the door!

Behind her, Nian Chengde's voice sounded, "Remember to come back early for dinner!"

"Got it!" Pulling Shi Mo, the two figures disappeared at the entrance.

As for Nian Jiaojiao who was sitting on the sofa, she looked at the two disappearing figures with a complicated gaze.

They walked along the path to the seaside. It was colder by the seaside in this season.

"When did you come?"

After leaving the Nian mansion, Yin bei turned around and asked the man in front of her.

Shi Mo glanced at her and said calmly, "Before you come back."

"Oh!"

She replied with an "OH" and turned around to walk towards the beach again.

However, just as she turned around, she was pulled back by a force.

Before Yin bei had time to stand still, the man's handsome face approached her, only a few centimeters away from her.

"Did you miss me?"

"..."

His domineering tone was straightforward, which made Yin bei shy in an instant.

"Huh?"

Meeting his black eyes, Yin bei pursed her lips. She missed him in her heart, but as a girl, she didn't want to take the initiative to admit this!

"No!"

After she finished speaking, she wanted to turn around and leave.

However, Shi Mo did not intend to let her go because he was not satisfied with this answer!

“No?”

His handsome face drew closer to her again.

Yin bei felt guilty from his gaze and swallowed her saliva.

Then, her clear eyes looked at him. “What About You?”

He was stunned for a few seconds before he softly said, “Yes.”

The unexpected answer filled Yin Bei’s heart with sweetness.

She thought that with Shi Mo’s personality, he would not admit that he missed her.

However, before she could regain her senses, the man’s domineering kiss pressed down on her pink lips!

With just a deep kiss, Shi Mo let go of her.

From her words and actions, he could tell that she did not want her family to know about their relationship. At this moment, they were in her hometown, so he did not dare to kiss for too long to avoid being seen by his acquaintances, it would bring her unnecessary troubles.

But when was she going to tell her family about this? He did not want to be her secret lover.

After being deeply kissed, Yin bei was indeed a little afraid of being seen by her acquaintances. Because of her active personality, she had gotten to know some neighbors here. If they saw her grandfather and mother, she would definitely not be able to hide it.

She hurriedly raised her head and looked around. Fortunately, there was no one around, only the two of them.

“When are you going back?”

The two of them strolled along the beach and held her hand in his palm. Shi Mo asked casually.

“My mother originally planned to go back today, but my grandfather hoped that we would go back after the Qingming Festival. And I also thought so!”

“How did you guys get here?”

“What?”

“A taxi?”

Yin bei was stunned for a moment before she understood what he meant.

“No, my mom said that it’s not cost-effective to hire a taxi, so she changed buses several times.”

They had to take the bus to the subway station first, then get off the subway and call a taxi to go to Grandpa’s Nian mansion.

“Call me when you go back.” He turned his head and stared at him with his deep black eyes.

Yin bei was stunned. Naturally, he understood the meaning behind his words.

“No need. When we go back, Grandpa will send someone to send me and mom!”

Chapter 1679 warmed up just like that

Shi Mo did not say anything. Instead, he held her hand and continued walking along the beach.

As the sea breeze blew past, Yin bei could not help but shiver, feeling a little cold.

The beach was really cold. When she came out, she had forgotten to add a down jacket.

Feeling her shiver, Shi Mo turned his head and stopped in his tracks.

He was fantasizing about the plot of the movie. The reason why he stopped was not because he wanted to take off his jacket and give it to her, right?

However, he seemed to be wearing very thin clothes. If he really gave her his coat, wouldn't he freeze to death?

Thinking of this, Yin bei naturally felt sorry for him for being cold. She smiled and said, “Well, I'm not cold!”

He pursed his thin lips, and the curve of his lips was faintly discernible.

“Are you worried that I'll freeze to death?”

“That's not it. You're overestimating yourself!” She turned her head guiltily, and the sea breeze messed up her slightly curled hair.

She lowered her gaze and happened to look at the top of her head. Shi Mo's next action was to open his jacket and wrap her in his embrace.

Yin bei looked up, surprised by his sudden action.

But his embrace was so warm.

“It's warm now.”

Yin bei pursed her lips and smiled sweetly. “What if someone sees us...”

Although she had some misgivings in her heart, compared to being warm in his arms, Yin bei did not want to leave. If someone saw her, so be it!

“So you plan to keep me as your secret lover?” He asked with his long and narrow eyes lowered.

Yin bei was stunned. She raised her head and looked at him. “Secret lover?”

“You don't want others to know, including your family. Doesn't that make me look like your secret lover?”

Yin bei had never thought about this question. After hearing what he said, it seemed like... he had been wronged?

But she wasn't ready to tell her mother.

"Well, give me some time. I promise to tell my mother within this semester!"

"It's too long!"

"...is it long? It's only a few months.

"Within a month."

"It's Too Short!" She looked at him unhappily.

"Then I'll tell her myself. You Don't have to say it."

"No!"

He looked at her without saying a word.

The two of them froze for a few seconds before Yin bei finally gave in!

"Alright, I'll... give it a try!"

Hearing her answer, Shi Mo was finally satisfied.

Standing by the seaside and looking at the endless sea, Shi Mo wrapped her in his embrace from behind and enjoyed the sea view with her.

"Next weekend, Shi Lian has invited a friend to go skiing with her. Do you want to go?"

His deep and gentle voice sounded in her ears like the sound of nature.

Yin bei turned her head and touched his cheek. "Skiing?"

"Yes."

"But, I don't know how to do it!"

Although her family had been well-off when her father was still alive, he had never brought her to the ski resort because he was busy with work.

"I'll teach you."

"Sure!"

She smiled sweetly at him. Thinking about the skiing scene, it would be romantic if he taught her personally, right?

As she fantasized, her phone suddenly rang.

"It's mom."

"Hello?"

"Bebe, it's almost time to eat. Where are you guys?"

"Oh, we're at the beach. We'll be back soon!"

After hanging up, Yin bei smiled at him. "Let's go back and eat!"

He pursed his lips and did not speak. Instead, he held her hand and walked towards the Nian residence.

When they reached the Nian residence, the bowls and chopsticks in the dining room were already prepared.

Nian Chengde sat down on the main seat and beckoned to Shi Mo. "Come, quickly sit down."

Shi Mo nodded lightly and pulled out a chair to sit down.

Chapter 1680 'Messy people'

As soon as she sat down, Nian Jiaojiao snatched the seat beside him while Yin bei helped her mother and mother Zhang bring out the dishes from the kitchen.

Yin bei came out with a big bowl of chicken soup. When she saw that the seat beside Shi Mo had been taken by her cousin, she could not help but be stunned for a few seconds.

However, on second thought, it was just a dining table. There did not seem to be anything unusual about it.

"Grandpa, Where's My Mom?"

"Your mom went out and didn't come back at this time. She probably won't come to eat."

The few of them sat down at the dining table. Nian Yuqing was also done with her work and sat on the same side as Yin bei.

Just as they were about to start eating, they heard footsteps coming from the door. Ke Meiyun walked in.

"Dad, Your Daughter is here. You didn't even wait for me to Eat!"

Glancing at Nian Yuqing who was sitting at the dining table, Ke Meiyun said angrily.

"You mean, no matter what time it is, I have to wait for you to come back before I can eat? If you don't come, won't I have no food to eat?" Nian Chengde knew that she was trying to insult his daughter by saying this, so, he returned her words angrily.

Ke Meiyun was instantly speechless. Then, she glanced at Shi Mo who she had never seen before.

"Seriously, not only did he come back by himself, but he also brought some random people with him!" Ke Meiyun glanced at Shi Mo, then walked to the dining table, pulled out the chair opposite Nian Chengde, and sat down!

Nian Chengde quickly glanced at Shi Mo when he heard the word "Random people". This Meiyun dared to act rashly here because she didn't know Shi Mo's identity!

"No one will treat you as a mute if you don't speak!"

Nian Chengde raised his voice. If it were not for the fact that he wanted his family to live in peace, he would not have been able to tolerate his daughter-in-law's temper for even a day!

“Dad!”

“If you want to eat, then stay. If you don’t want to eat, then go out!”

Ke Meiyun was angry, but she did not dare to go against the old man. She could only swallow her anger and stay.

“Mom, he’s not a messy person. He’s Shi Mo, the Supreme Emperor —”

“AH, this drumstick looks delicious!”

Yin bei suddenly interrupted Nian jiaojiao.

If her aunt found out about Shi Mo’s identity, with her personality, wouldn’t she suck up to him? Maybe she would do what she did last time. She would find out that Lu Chenfeng was a rich second generation and had a good family background, so she would force her daughter to be with him!

This time, it was the man that Yin bei liked. She didn’t want to give her any chance!

“Eat more if it tastes good.” Looking at her daughter, Nian Yuqing smiled gently.

Then, her gaze fell on the bowl of chicken soup. As it was a little far from where Shi Mo was sitting, she picked up a bowl and personally scooped a bowl of soup and placed it in front of him.

“Come and have a bowl of soup. Mama Zhang’s cooking is very good.”

“Do you really think you’re the mistress of this place? Who gave you the right to take our things as a favor?”

Here, no matter what Nian Yuqing did, Ke Meiyun could always find fault with her and ridicule her.

Yin bei, who was sitting at the side, had already tightened her grip on the chopsticks!

“Aunt, it’s just a bowl of soup. Do you have to say such harsh words?”

“Bad? If you think it’s bad, then don’t come.”

Yin bei was so angry that she was about to slam the table and stand up, but was stopped by Nian Yuqing!

“What’s wrong with the rights I gave her? ! You can go out if you don’t like it!” Nian Chengde couldn’t stand it anymore and stopped Ke Meiyun!

Ke Meiyun naturally didn’t dare to speak again when the old man shouted, but her taboos only lasted for a few minutes each time. In a short while, they became even worse.
