

Kiss Me 1691

Chapter 1691 can you bring me along?

After saying that, Yin bei hurriedly picked up his bowl and desperately ate rice, as if he didn't have the time to answer Nian Jiaojiao's question!

However, Nian Jiaojiao heard the clues and didn't plan to miss this opportunity.

"I just heard that you guys are going skiing with Shi Mo?"

Yin bei's action of eating rice paused. Why was there always such a person who didn't know when to advance or retreat in this world?

She didn't want to continue this topic, so why was she still holding onto it? ?

Putting down the bowl and chopsticks, Yin bei looked at Nian jiaojiao opposite her and suddenly laughed exaggeratedly. "Hehe... cousin, you heard wrong!"

"Really? But I did hear it... aren't you guys going skiing?"

Yin bei was speechless!

"We are indeed going skiing –"

"Then can you bring me along! ?"

Before Yin bei could finish, Nian Jiaojiao spoke impatiently!

"This, I'm afraid it's a little difficult..."

"Why?"

"Because this time, the organizer is Shi Mo's sister and not me? You heard it just now. Even if I want to bring my good sister along, I still have to personally discuss it with Shi Mo.."

If that was the case, she should have retreated in the face of difficulties, right?

Yin bei thought so, but the truth was..

"Since that's the case, can you also help me talk to Shi Mo?"

"..."why, why would there be such a person?

"It's my first time here, and I don't have any friends either. The only people I know are you and Aunt Weiyi."

When Nian Jiaojiao said this, her expression was a little pitiful.

Yin bei was not affected, but Nian Yuqing was moved by her.

"Beibei, why don't you help your cousin talk to him?"

Facing her mother, Yin bei immediately fell into a dilemma.

But Nian Jiaojiao was her love rival, why did she have to personally bring her to Shi Mo? Wasn't she being herself?

"That's right. Your relationship with Shi Mo is so good. He should agree to such a small matter, right?" Nian jiaojiao also spoke up.

Yin bei stared at her and a thought suddenly flashed through her mind.

Her mother already knew that she and Shi Mo were dating, so it didn't matter even if she told her about her relationship with Shi Mo in front of Nian Jiaojiao!

Once she told her that Shi Mo was her boyfriend, she would have to back out now?

"Alright, I'll call him later and ask him. It shouldn't be a problem!"

"Thank you, Bei bei!"

"You're welcome. If a girlfriend doesn't even have this little bit of power, then I'll beat him up!"

As expected, when Nian jiaojiao heard the words 'girlfriend', her expression was obviously stunned as she stared at Yin bei.

"Girlfriend? You... You're Shi Mo's girlfriend? But didn't you say that you were only classmates with him?"

Yin bei smiled like a blooming flower, her thick eyebrows arched. "It was after that day that we confirmed our relationship!"

Nian jiaojiao stared at her, feeling a wave of disappointment in her heart.

She had also suspected that Shi Mo's girlfriend was Bei bei, but when she heard her say it out loud, her heart was filled with uneasiness and she felt a little uncomfortable.

"Cousin, What's Wrong?" Looking at Nian Jiaojiao's stunned expression, Yin bei felt very happy.

"N-nothing." Nian jiaojiao snapped back to her senses, lowered her head and continued to eat her dinner absentmindedly.

Good sisters were good sisters. After knowing that she had suddenly changed her mind, Mu Dan couldn't help but secretly raise her eyebrows at Yin bei!

Chapter 1692 who was she talking to on the phone?

After dinner, after sending Nian jiaojiao off, Yin bei took a shower and lay on the bed.

Looking at the time, it was 8:03 pm.

At this time, what was Shi Mo doing?

As she thought about it, she could not help but call him.

"Hello, the number you have dialed is in the middle of a call..."

"..."who was she calling in the middle of the night?

After being stunned for a few seconds, she dialed the number again, but it was still in the middle of a call..

It was better to call again later!

With this thought in mind, Yin bei picked up her phone and watched some funny videos. At the same time, she also opened a box of potato chips.

After about ten minutes, she dialed Shi Mo's number again.

Finally, the call was connected, and after two rings, it was picked up!

"Who were you on the phone with just now?" Out of curiosity, Yin bei asked nonchalantly.

"Just now?" On the other end of the line, Shi Mo could not help but frown slightly.

"Yes."

"I wasn't on the phone with anyone."

"..." Yin bei's hand that was eating the potato chips could not help but stop.

Her first reaction was that he was lying!

But, why was he lying?

Yin bei blinked her eyes. With Shi Mo's character, he wouldn't lie to her.

"But when I called him just now, I clearly heard that he was on the phone."

"Two times, right?"

"..." he actually knew that she had called him twice?

"How did you know?"

"Because I happened to call you at that time."

"..." so that's how it was!

Uh, then could it be considered that they had a telepathic connection?

Thinking of this, Yin bei could not help but laugh.

"If that's the case, I thought you were talking on the phone with someone else!"

He did not continue this topic.

"I'm looking at the ski outfit. What color do you like?"

"Uh? This, I'll do whatever I want. Help me choose!"

"Okay."

As they talked on the phone, Shi Mo's slender fingers quickly tapped the enter button on his laptop.

“Oh right, Shi Mo..”

“Yes.”

“Um, didn’t my cousin Nian Jiaojiao come to my house today? During dinner, she heard me and Dan Dan talking about skiing, so...”

“She wants to go too?”

“Yes...”

“It’s up to you. You can bring anyone you want.”

“So she can go too?”

Shi Mo stopped what he was doing and stood up to walk to the window, looking at the starry sky.

“Do you want her to go?”

“Of course I don’t want her to go, but it doesn’t seem right to reject her directly.” After all, she was his cousin, and she treated her and his mother well when they were at the mansion.

Even her gay friend had gone, so it didn’t seem right to not bring her along.

“So you make your own decision.”

“Alright!”

“Oh right, she suddenly came to look for you this afternoon. Why did she ask?”

Yin bei was still a little curious when she thought about how Nian Jiaojiao had caught up to him alone in the afternoon.

“She asked me if I had a girlfriend.”

“...”as expected!

“Then, how did you answer her?” Yin bei asked carefully. She really wanted to know how Shi Mo would answer Nian Jiaojiao.

“Of course I did.”

“And then?” Hearing the answer, Yin Bei’s heart was still floating. “You told her it was me?”

“No.”

“... why not?”

“Didn’t you say that you’re not ready to let others know about our relationship?” Because of this point, when Nian Jiaojiao asked him who his girlfriend was, his answer was: it has nothing to do with you.

Yin bei paused and then remembered that he was the one who had forbidden him from telling others.

“Well, my mom already knows about our relationship!”

Chapter 1693 That's right, you've been promoted!

"About that, my mom already knows about our relationship."

On the phone, Shi Mo was silent for half a second. "So, I've been promoted?"

Yin bei was stunned for a moment, then she was amused by him. "PFFT!"

"Yeah, you've been promoted!"

"Then, I'll need your guidance for the rest of my life," he suddenly said.

Yin bei was stunned again. His words surprised her.

She thought that at their age, it was not easy to be in a relationship for the rest of their lives. At least for her, she had never thought that Shi Mo would tell her about the rest of their lives before graduation.

So, he had also planned to spend the rest of his life with her from the very beginning? Was the original intention of this relationship to date with the goal of marriage?

"Shi Mo.."

"Yes?"

"Is what you said just now true?"

On the phone, Shi Mo was silent for half a second.

"Why would you ask that?"

"My mother said that you and I are from two different worlds."

"So?"

"We don't belong to the same family."

"It's fine as long as you like me."

"..."

"So, do you really intend to spend the rest of your life with me?" They were still very young. If he made a promise to her so easily at this moment, would he start to regret it a few years later?

After all, after stepping into society, he would have more people to interact with. What if one day, he met a girl that he liked even more, would he replace her because of this?

"As long as you're willing."

"Of course I'm Willing!" Although she still felt that it was very unreal in her heart, Yin bei could not wait to speak, as if he would regret it the next second!

Hearing her slightly excited tone, the corners of Shi Mo's mouth curled up in satisfaction at this reply.

"Rest early."

“Okay.”

After hanging up the phone, Yin bei turned around and lay on the bed in a ‘big’ shape. She buried her head in the pillow, unable to contain her joy!

One day in the future, would she marry Shi Mo?

As she thought about it, Yin bei could not help but imagine herself in a wedding dress, walking into the auditorium side by side with him..

Just as she was looking forward to the future with Shi Mo, the door was suddenly pushed open.

The moment Mu Dan walked in, she saw her sprawled on the bed, unable to contain her joy.

Since Nian Yuqing had come, and there were only two rooms in this apartment, Yin bei and Mu Dan stayed together and gave the bedroom to Nian Yuqing.

“Look at your lustful appearance, what’s the matter? Why Are You So Happy?”

Carrying her laptop, Mu Dan walked in and conveniently closed the door. Then, she also sprawled on the double bed.

“It’s nothing!”

Upon seeing her good sister, Yin bei immediately hugged her pillow and sat up!

However, Mu Dan could not help but squint her eyes, as though she wanted to see through her.

“Really?”

Yin bei pursed her lips tightly because no one could predict what would happen in the future. If she said it now, if Shi Mo married another girl in the end, she would definitely become a laughingstock.

“Why don’t I believe you?” Mu Dan looked at her. “You’re obviously thinking about Shi Mo!”

“Don’t tell me you’re not thinking about Chen Haoyu?”

“Alright, I’ve lost!” Mu Dan surrendered. Then, she changed the topic and spread the notebook on the bed. “Darling, I’m buying ski clothes. Which one do you think is good? Let’s buy them together!”

Looking at the notebook, the ski suits inside were all very good-looking. However, Shi Mo seemed to have decided to buy hers.

“There’s no need. Just Buy Your Own.”

“What’s wrong? Aren’t you going to buy it?” Mu Dan raised her head and looked at her in confusion.

“Mine. Shi Mo said to buy it for me!”

Chapter 1694 skiing (1)

“Ah, I’m so envious... you actually have a boyfriend to buy it for you!”

“You also have a boyfriend, let Chen Haoyu buy it for you!”

“He can’t go either!”

Upon hearing that, Yin bei seemed to have suddenly remembered something!

She remembered that Shi Mo had said that she could go with whoever she wanted, so Dan Dan’s boyfriend could go too?

“Darling, why don’t you call Hao Yu Too!”

Mu Dan could not help but be stunned when she heard that. She looked at Yin bei in a daze and asked, “Can I?”

“Absolutely!”

“Then I’ll really call him? Call Him Now!”

“Call him!”

“Can you really make that decision?”

“Yes!”

Looking at Yin bei, even though she was skeptical, Mu Dan still could not help but get up and call her boyfriend, asking him to go skiing with them on the weekend!

After hanging up the phone, Yin bei started to help mu Dan choose a ski outfit, and she also planned a two-day trip for the weekend.

Because the ski resort was in s city, it was definitely not convenient to come back that day, so they had to spend the night there. The next day, they planned to have a picnic in s city, which was a rare season of spring! They couldn’t miss out on this beautiful scenery!

..

After planning for a few days, it was finally the weekend!

Early in the morning, Yin Bei and Mu Dan got up early. They brought a few sets of simple luggage. After bidding farewell to Nian Yuqing, they left and gathered at the school gate.

Since most of the people who went were from z university, it was the most suitable place to gather at the school gate.

At 8 am, three luxury cars sped over and stopped at the school gate of Z University.

Looking at the three limited edition luxury cars, not only mu dan, even Yin bei’s eyes were wide open, dumbstruck!

They had thought that they were going by bus, but it turned out that Shi Mo and the others were going by themselves?

The first car was a Blue Spyker. The window slowly rolled down, reflecting the man’s handsome face.

Unlike the past, today’s Shi Mo wore a pair of sunglasses. He was simply... So handsome!

Standing at the school gate, Yin bei could not help but swallow a mouthful of saliva!

“Get in the car!”

The windows of the other limited-edition Maserati also rolled down. Very quickly, she saw Shi Lian’s face that was very similar to Shi Mo’s.

These two siblings were simply the favored children of God. They were doted on by thousands of people. From top to bottom, they were absolutely impeccable!

As she did not know that they were driving here, Yin bei could not help but feel a little anxious. She looked at Shi Lian and walked to her car window. She asked softly, “ERM, how many people have I brought? Can We take three cars?”

Looking at Yin bei, Shi Lian smiled. “Of course. You can take my brother’s sports car. Those two will take my car, and the other one will take my cousin’s car!”

Shi Lian had already assigned the number of people.

Yin bei’s gaze swept across the three luxury cars one by one.

It seemed like Shi Lian and the others did not have anyone else. Just the three siblings?

Uh, if that was the case, then it would be more than enough to sit with these few people!

Behind them, Mu Dan seemed to have heard Shi Lian’s assignment. She immediately pulled her boyfriend to sit in Shi Lian’s Maserati!

Although her family’s conditions were alright, it was her first time sitting in a limited-edition sports car!

“That...” Shi Lian saw that Nian jiaojiao, who was standing not far away, was still unmoved.

“That’s my cousin! Her name is Nian Jiaojiao!”

“Let your cousin sit in my cousin’s car! It’s getting late, we should set off now. It’s still three hours before we reach s city!”

“Okay!”

Yin bei turned around and walked towards Nian jiaojiao who was still standing there. “Cousin, go take that car!”

Chapter 1695 skiing (2)

Looking at the last Ferrari, Yin bei pointed in that direction and gestured for Nian Jiaojiao to sit on it.

However, Nian Jiaojiao was a little hesitant. “What About You?”

One sentence was enough for Yin bei to understand something. She arched her eyebrows and smiled. “Of course, I’m going to take Shi Mo’s car!”

“Bei bei, Can I go with you?”

“Go with you?”

“Yes, because it’s a three-hour journey. We can still chat on the way, right?” Nian jiaojiao said with a smile. However, Yin bei could tell that her intention was not to drink.

“Cousin, that’s a good idea, but...” she turned her head and looked at the Blue Spyker not far away. Then, she turned to Nian jiaojiao, “As you can see, Shi Mo is driving a limited edition sports car today. There are only two seats, there’s no extra.”

Hearing this, Nian Jiaojiao looked over. It was indeed a two-seater sports car.

“Hurry up and get in the car, it’s time to set off!”

Yin bei patted her hand, then pulled the suitcase and walked towards Shi Mo’s car.

She had only taken a few steps when she saw Shi Mo get out of the car and walk towards her. He took the suitcase from her hand and walked side by side with her.

Nian jiaojiao, who was behind them, felt very upset when she saw this scene.

They left City Z and arrived at City S at 11:20 pm. They arrived at the resort hotel that they had booked earlier!

“Wow, it’s a five-star Hotel!”

Looking at the luxurious hotel in front of her, Mu Dan could not help but widen her eyes.

Chen haoyu, who was beside her, could not help but lovingly scratch her delicate nose.

Shi Mo turned around, his long and narrow eyes briefly swept across the crowd, and his tone was calm. “The rooms are booked according to the number of people. If you want two people to stay together, you can do as you like.”

“Me!” Mu Dan was the first to raise her hand, but it shocked Yin bei and Chen Haoyu!

Yin bei was flabbergasted as she looked at her best friend. “Dan, you... want to stay with haoyu?”

Initially, Chen Haoyu was already very shocked when he saw his girlfriend raise her hand to speak. Now that he heard Yin bei’s words, he could not help but be stunned!

She wants to share a room with him?

Dong

Yin bei was still in a state of shock when Mu Dan could not help but raise her hand and knock her on the head!

“What are you thinking about! ? I’m talking about sharing a room with you!”

“Oh!” Yin bei rubbed her aching head. So that was how it was.

Then, she turned around and looked at Nian jiaojiao. “Cousin, what about you?”

“Since you’re with Dan Dan, then I... I’ll share a room with you.” As she spoke, she could not help but glance at Shi Mo..

And this glance was completely seen by Yin bei.

As expected, she came to ski because of Shi Mo. she did not know what she was planning with that glance just now.

“Since that’s the case, let’s go in!” Shi Lian could not wait to speak. “We’ll go for dinner in a while. After that, we’ll go to the ski resort!”

“Let’s go.”

Shi Mo turned his head and glanced at Yin bei. Then, he bent down to personally carry her luggage and walked into the hotel’s main entrance.

After settling everything down, the few of them went to the hotel’s restaurant for lunch and then went to the ski resort.

“I’ll go, you guys...”

After changing into their ski clothes, the group gathered at the ski resort.

When she saw that Shi Mo and Yin Bei’s ski clothes were a couple’s style, Mu Dan could not help but feel envious!

Yesterday, after searching for a long time and still not finding anything satisfactory, she directly let Chen haoyu choose. Why didn’t he choose a couple’s outfit?

When she saw Shi Mo walking out in his ski clothes, Yin bei was momentarily stunned.

Chapter 1696 skiing (3)

Their skiing attire was actually a couple’s outfit..

“Let’s go.”

Shi Mo did not seem to be interested in this topic. He directly led Yin bei, who was still in a state of self-delight, and the two of them walked towards the ski resort together.

“Jinghan, let’s hurry up and catch up too!” Shi Lian could not wait to turn around and walk towards the ski resort together with her cousin Xiang Jinghan!

“Let’s Go Too!” Mu Dan grabbed Chen Haoyu’s hand and quickly caught up with them!

The only one who was alone seemed to be Nian jiaojiao.

Why was it like this? Even Mu Dan was alone!

“Put this on your wrist.”

When they reached the ski resort, Shi Mo began to teach Yin bei how to ski by placing a ski staff in her palm. In order to prevent it from leaving her palm during the skiing process, he was very careful and even used a belt to put it on her wrist, this way, it wouldn’t be so easy for it to slip out during the skiing process.

“Like This?”

“Yes.”

Then, he put on a ski and an eye mask for her.

“Let’s go.”

“Okay.” Yin bei was still a little nervous for her first time skiing.

“Follow me.”

“Can you hold my hand?” Yin bei became even more nervous when she saw a person not far away fall due to skiing.

This ski resort was basically a slope. If she fell, she might have to roll a few times before she could stop.

Although she was wearing an eye mask, Shi Mo could still see her pitiful eyes through the lens. He could not help but smile.

“Alright.”

He threw away the ski staff in his right hand. At the same time, he took the one in Yin bei’s left hand and led her forward step by step.

It was her first time skiing, and Yin bei felt that she could not control the snowboard under her feet at all. She was not ‘skiing’, but walking forward step by step!

“I... I’m Scared.”

“With me here, I won’t fall.” He gave her confidence.

Yin bei did not trust herself, and she looked up at him. “What if you fall?”

“I’ll be your ‘meat cushion’.”

When she met his incomparably sincere black eyes, Yin bei smiled. It was as if there was an indescribable sense of confidence within her!

An hour passed. Gradually, Yin bei had really learned a little.

“I think I know...”

While sliding, Yin bei tried to let go of Shi Mo’s hand. She wanted to know if she would be able to glide alone without his hand.

As her hand was pulled away, Shi Mo was still a little worried. Hence, he slowly followed behind her.

“Be careful!”

“Ah!”

Letting go of her hand, Yin bei was indeed able to glide, but she did not notice that there was a steep slope in front of her..

By the time she noticed it, it was already too late!

Because it was too sudden, it caused her, who had just learned a little, to feel even more terrified in her heart. This steep slope was at least a few kilometers long.

As her heart became nervous, her body became even more disobedient. Just as she slid down the steep slope, her entire body had already lost its balance..

In the next second, a black shadow also swiftly pounced forward, carrying her as they rolled down the slope!

“Are you injured?”

Just like that, she was ‘rolled’ down. Yin bei’s entire body had already been knocked unconscious by the rolling, and her eyes were filled with stars!

After a long while, she finally regained her senses and discovered that she was lying on top of him!

So he had kept his promise at this moment and acted as a ‘meat cushion’ for her?

“HMM?” Seeing that she was stunned and did not react, Shi Mo could not help but let out an ‘mm’, afraid that she was injured somewhere.

Yin bei regained her senses and shook her head. “No.”

Chapter 1697 skiing competition

Although her head was a little dizzy, during the process of rolling down, Yin bei could clearly feel that Shi Mo placed the center of gravity of every roll on his body. Therefore, when she rolled down, she was completely protected by him.

Thinking of this, Yin bei could not help but get up from his body. There was a hint of anxiety in her clear eyes. “How about you? Are you injured?”

“No.”

He replied softly and stood up as well.

“Are you really alright?”

She was a little doubtful because when she rolled down just now, she seemed to have bumped into something. She clearly heard him grunt.

Could it be that she was hallucinating?

“Let me take a look at your body!”

Yin bei did not believe it. She stretched out her hand, wanting to examine his body.

However, Shi Mo could not help but laugh.

His black eyes stared at her. “You want me to strip naked here for you to examine?”

Upon hearing this, Yin bei paused.

Uh, this was a snowy area. Wouldn’t she freeze to death if she took off her clothes?

“Are you really not injured?” Looking at him, she still asked worriedly.

Shi Mo frowned slightly. “Why are you doubting My Words?”

Yin bei was stunned.

She wasn’t doubting his words, but she was afraid that he would get injured in order to protect her.

“No, it’s good that you’re not injured.”

She didn’t pursue the matter further. Instead, she raised her head and looked at the spot where she had rolled. Her ski pole and snowboard had fallen there.

“Do you still want to Learn?”

“Of course! I’ve only just learned it, I need to become more proficient!” This way, she would be able to ski on her own the next time there was a skiing event!

As she said this, Yin bei walked straight up towards the skis that had fallen down halfway.

Looking at her back view, Shi Mo naturally followed closely behind her.

Picking up the ski staff again, Yin bei tried again!

“Yin bei, you’ve learned it so quickly?”

Not long after, seeing how she was able to skate freely, Shi Lian could not help but praise her. Her ability to accept things was too strong. She had actually learned it in just three hours.

Shi Lian’s praise made Yin bei feel a little happy!

She suddenly thought, “Why don’t we compete?”

Yin bei suggested because it was a little boring just to glide freely.

Shi Lian seemed to be very interested in her suggestion.

“Sure!”

“We want to participate too!” Mu Dan pulled her boyfriend over as well, as if she was very interested in the skiing competition!

“Let’s all come together!”

“Can you do it?” Shi Mo turned around, a little worried about Yin bei.

After all, she had just learned how to ski, wouldn’t it be too dangerous to compete?

One had to know that during the competition, the speed was extremely fast.

“No Problem!”

Even though he was a little worried about her safety, but seeing how excited she was, Shi Mo couldn’t bear to spoil her little interest, so he finally decided to carry out the competition.

"It's starting! We'll circle around the ski resort. Whoever reaches the starting point first will be the BIG WINNER!" Shi Lian announced the rules of the competition.

Yin bei was curious and looked at her. "Then, is there any reward for the winner?"

"What reward do you want?"

A thought flashed through Yin bei's mind. "Any reward is fine?"

"Yes, no matter who wins first place, they can say what they want! Of course, the price can not exceed 100,000!" After all, this was just a competition to amuse themselves, the reward was not important, the process was the most important.

"Then how much is the pendant on your brother's chest?" Yin bei suddenly asked.

Shi Lian was still a little confused, "What?"

Chapter 1698 the pendant on his chest

Yin bei was a little embarrassed. He took a step closer to Shi Lian and asked in a low voice, "It's the pendant that your brother often wears. I feel that it's very unique."

Shi Lian finally reacted.

"So, the reward you want is the pendant on your brother's chest?"

Shi Lian also lowered her voice for her, as if she didn't want her brother to know what she wanted.

Yin bei nodded. "Can I?"

Shi Lian couldn't help but look up at Shi Mo..

That pendant was her brother's personal possession. Other than taking a bath, he always wore it.

When he was 15 years old, he had received his daddy's hellish training. When he encountered a lion and a tiger in the forest, both of them wanted to eat him.

However, no one had expected that his brother, who had no chance of survival, would use the lion to defeat the tiger. In the end, one of the two beasts died and the other was injured. In the end, it was much easier to deal with the exhausted lion.

After that training, when his father found out about it, he pulled out a lion tooth and gave it to his brother.

That was his greatest achievement in the past 15 years.

And the spoils of war given by his father were also the most meaningful to his brother.

That tooth was both a spoils of war and his brother's Protective Talisman!

Was his brother really willing to give this thing to Yin bei?

She really couldn't make the decision on this. She had to ask her brother.

However, with Yin bei's status in his heart, perhaps it wouldn't be difficult?

Looking at Yin bei, Shi Lian suddenly smiled. "If it were you, you would definitely be able to!"

"Really?"

"Yes!"

"Then I must get first place!"

As she said this, Yin bei was already ready to go!

"Get Ready, we're going to start!"

Under Shi Lian's command, the seven of them lined up in a row.

"Get Ready... Start!"

As soon as Shi Lian finished speaking, Yin bei and Mu Dan could not wait to rush forward!

"Bei, don't fight with me for first place!"

"I don't want to, I must get first place!"

Even though they were good sisters, Yin bei did not give in. She exerted more strength with the ski staff in her hand, and with her lithe body, she quickly rushed to the front of Mu Dan, taking a step ahead!

Seeing this, Mu Dan quickly used all her skills to quickly catch up to Yin bei!

Yin Bei's speed was many times faster than before, and Shi Mo, who was following behind her, was always on the edge of nervousness.

He was afraid that she would make a mistake and fall down the slope again!

Halfway through the competition, Yin bei actually took the lead by a wide margin. She could not even see Mu Dan's figure behind her. On the other hand, Nian Jiaojiao had unexpectedly caught up to her.

However, as they were in the competition, Yin bei did not have the time to look back. She just kept sliding forward with all her might.

She had to get first place and obtain a personal item like Shi Mo's.

Actually, it didn't matter if it was that pendant or not. As long as it was his personal item, it was fine. However, other than the clothes he was wearing, the most common thing she saw was that pendant.

A personal item! She couldn't possibly say that she wanted his underwear, could she?

However, this ski resort was very big. As she continued forward, Yin bei felt a little lost. However, she was unwilling to stop and differentiate herself. She was afraid that once she stopped, the people behind her would quickly catch up to her!

Right now, she was far ahead. At least, she had been paying attention all the way and no one was able to surpass her.

Therefore, she was already the first place. It was not easy for her to obtain the first place, so she did not want to give it up to Mu Dan.

Until now, she thought that the person following closely behind her was Mu Dan.

Chapter 1699 You've bumped into My Woman!

"This guy is really well-hidden. He just learned it a few hours ago, but he disappeared in an instant!" Mu Dan, who knew how to ski from the start, couldn't help but be surprised by her speed.

She was actually left thousands of miles behind by Bei bei, who had just learned it. It was really embarrassing!

"Could it be that an accident happened?" As her boyfriend, Chen Haoyu did not dare to skate very fast because he was worried about her. He had been following right behind her the whole time.

Mu Dan could not help but feel a little worried after hearing what he said.

She had been chasing him for so long, but he still could not catch up. Could it be that she had fallen and been buried by the snow?

"It can't be. My brother has been following behind Yin bei the whole time!" At this moment, Shi Lian also caught up and happened to hear the conversation between the two of them.

Hearing Shi Lian's words, Mu Dan was relieved.

"Run quickly, we're about to be caught!"

It seemed that today's first place was a distant future!

However, they still had to have a goal. What if the tables were turned?

With this thought, Mu Dan's heart was filled with hope again. She sped up!

"By the way, where did that Nian Jiaojiao go?"

Mu Dan came back to her senses and realized that Nian jiaojiao, who was originally following behind them, had disappeared at this moment.

"She seems to have surpassed us a long time ago," Chen Haoyu said.

"Did she?" Mu Dan was only thinking about speeding up when she realized that Nian Jiaojiao had gone ahead of them!

Nian jiaojiao had had ulterior motives from the beginning when she had asked Bei to bring her here. Now that she had gone ahead of them, was she up to no good?

The More Mu Dan thought about it, the more worried she felt for her. However, when she thought about how Shi Mo was still by Yin bei's side, nothing would happen to him, right?

With this thought in mind, she felt at ease again.

"Strange, why is there no end in front of us..." it was Yin bei's first time at the ski resort, so she couldn't really make out the direction. She couldn't even make out the north, south, east, and west.

If Shi Lian said to go around the ski resort, where should she go now?

Should she stop and ask the people behind her?

Uh, but wouldn't it be a pity if she lost first place because she stopped?

Forget it, let's just follow my feelings!

Behind her, Shi Mo was ten meters away. At this time, Yin bei should have turned left, why did she turn right instead? If this continued, she would have to give up first place.

"Yin bei --"

"Ah! Get out of the way --"

Just as he was about to call out to Yin bei and tell her that he was going in the wrong direction, he suddenly heard a scream from beside him.

Wen Sheng turned his head when he heard the scream, but it was already too late!

"Dong!"

The next second, he saw a black shadow pouncing straight at him, and both of them fell to the ground!

"Shit!"

Shi Mo could not help but swear when he was suddenly pounced on!

"AH, it hurts!" Immediately after, a woman's voice sounded.

Shi Mo stood up and glanced at the woman who had knocked him down. He did not show any mercy at all. Instead, he raised his head to search for Yin bei's figure.

However, he could no longer see her figure.

"Hey! Kid, you've bumped into My Woman!"

Just as Shi Mo stood up and was about to leave, another man's voice rang out.

Shi Mo turned his head and coldly glanced at the man, seemingly not intending to pay any attention to him.

Seeing that he was planning to leave, the man seemed to be a little angry and reached out to grab him.

However, just as his hand touched his clothes, in the next instant, the man let out a blood-curdling scream, "Aiya! It hurts, it hurts, it hurts..."

Chapter 1700 Why did you push her?

The force of his finger was extremely heavy. The man felt that his wrist was going to be crippled in the next moment, so he had no choice but to beg for mercy.

"Big Brother, please spare me! It hurts..."

Shi Mo was 1.87 meters tall. Coupled with the fact that he was wearing a ski suit, it was impossible to guess his actual age for a moment, much less to tell that he was a university student.

Seeing that the man was sweating profusely, Shi Mo released his grip and turned around to leave!

Yin bei went in the wrong direction. The more she skated, the more she seemed to deviate from the crowd.

What was going on?

Uh, she seemed to have gone in the wrong direction!

Sensing that something was wrong, Yin bei hurriedly stopped her skate.

In front of her was a large landslide. It looked very steep, and there were no traces of skis there, let alone a single person.

She turned her gaze and saw a sign at the side. On it were a few words: Danger Zone, no skating.

She had indeed gone in the wrong direction!

No, she had to go back quickly, or she would lose the first place!

Thinking that the first place would be snatched away, Yin bei quickly turned around and skated back!

“PFFT!”!

Yin bei, who had just turned around, suddenly saw a black figure speeding towards her. Before she could see clearly, she felt her body being violently pushed out by a force!

“AH –”

With a scream, Yin bei felt her body being heavily thrown into the snow, followed by an uncontrollable roll.

Oh No! She was knocked down the slope!

Thinking of the words on the sign, Yin bei had a bad feeling!

No, she had to control it quickly!

But the more she tried to control it, the more uncontrollable her body seemed, and she couldn't stop at all.

The slope was too steep. It was impossible to stop halfway.

Damn it! who was that figure just now?

Why did he push her?

In less than half a second, Nian Jiaojiao's figure appeared in Yin Bei's mind.

She could not be sure. Although Nian Jiaojiao liked Shi Mo, they were cousins after all. They did not even have a grudge against each other. It was not to the extent of killing her, right?

Could it really be her?

As she rolled down rapidly, Yin bei didn't have time to think. In the next instant, she felt a hard object hit the back of her head, followed by a sharp pain!

Looking at Yin bei who was rolling down continuously, the figure standing on top of the slope took off the safety helmet on his head. His eyes emitted a ruthless coldness.

After a satisfied smile, he turned around and left.

At this moment, after being hit by an unknown object, Yin bei's consciousness gradually became blurry.

Following her direction, Shi Mo looked all the way over, but he still couldn't see Yin bei's figure.

Thinking of the scene of her rolling down the slope, he couldn't help but feel a little uneasy.

Or could it be that she realized that she was going in the opposite direction, so she turned back?

Thinking of this, he couldn't help but call her cell phone number.

"Hello, the number you have dialed is not in the service area for the time being..."

Hearing the voice on the phone, Shi Mo's eyes turned cold.

Not in the service area? How was that possible.

Then, he quickly dialed Shi Lian's number.

After the phone rang twice, it was picked up very quickly.

Because at this moment, Shi Lian and the others had already arrived at the starting point, but they did not see Yin bei and him for a long time. It was strange.

"Hey, brother, we've already reached the finish line. Why are you —"

"Have You Seen Yin Bei?"

Shi Lian had not finished speaking when he interrupted her.

Hearing this, Shi Lian was stunned and a little stunned.

Wasn't Yin bei with him? Why was he asking her instead?

"Brother, hasn't Yin bei been with you all along?"
