

Kiss Me 1711

Chapter 1711 attempted murder

Why Is This World so unfair?

She was abandoned at birth, but Yin bei had a father that everyone respected. She had never had to worry about food or clothing since she was young!

As for her? She had been brought up by her adoptive parents since she was young. It was not easy for her to get to know Qi Ming and lead a carefree life. However, not long after, because of this Yin bei, her reputation was destroyed and she could not even go back to university!

The more she thought about it, the more ye Xiaomeng gnashed her teeth in hatred. Her pair of sharp eyes could not wait to devour Yin Bei's back!

"What do you want to Do?"

Just as she walked out of the restaurant, Shi Mo's deep voice rang in her ears.

Yin bei stopped in her tracks. Her pink lips were pursed lightly as if she was thinking about this matter.

After a long while, she suddenly turned her head and looked at the man beside her. "What crime did she commit last time?"

Shi Mo's gentle and jade-like eyes moved slightly before finally landing on her face. "Attempted murder."

Yin Bei's eyes widened in surprise.

"Being pushed down is attempted murder?"

"If I hadn't found you, you might have frozen to death. What do you think?"

Uh..

She had never thought that she would die like that. This was too unjust!

"Then, if this crime is exposed, how long will the sentence be?"

"More than three years, less than ten years."

Yin bei listened and once again fell into deep thought.

Originally, she did not intend to pursue this matter, but when she thought of her arrogant and despotic tone just now, Yin bei felt that perhaps prison could help her turn over a new leaf.

But she was only nineteen years old, and she was sent to prison just like that. Yin bei felt a little guilty.

Forget it, let's talk about it next time!

"Have you thought it through?"

Staring at her contemplative face, the man standing beside her could not help but ask.

Yin bei looked up at her and said, "Not yet. Let me think it through before I make a decision!"

Right now, she was indeed still a little hesitant. However, after thinking about it for several months until the summer break, Yin bei had almost forgotten about this matter!

-- --

In the hot summer, in order to supplement the family's expenses, Yin bei found a job during the summer break.

Meanwhile, Shi Mo had also entered Supreme Emperor and was slowly taking over some of the company's matters.

Ring, Ring, ring..

A phone rang. Yin bei, who was working in the flower shop, picked up the phone.

"Hello, my beloved flower shop!"

"A bouquet of sky stars. Please send it to the 98th floor of the Di Zun Group."

"Okay, do you need to leave a message on the card?"

"No, but I Need Miss Yin bei to send it personally!"

Hearing the sweet voice on the other end of the phone, Yin bei was stunned.

She had to send it personally?

"May I ask why?"

"I'm not sure about that either."

Uh, okay!

After hanging up the phone, Yin bei skillfully wrapped up a large bouquet of stars and rode her bicycle to the building of the Di Zun Group.

The building stood high up in the clouds with a majestic aura. All of it showed its nobility and magnificence, and it was also a symbol of status.

"Di Zun Group really lives up to its reputation..."she wondered if she could work here after graduation!

Looking at the towering building in front of her, Yin bei pursed her lips and entered the entrance with a bunch of stars in her hands!

"Wow, it's so grand..."

Yin bei was dumbfounded the moment she entered the reception hall. How much would it cost to build this building? It was simply unimaginable!

"Miss, May I know who I'm Looking For?"

The beautiful voice of the receptionist pulled Yin bei back to her senses.

Chapter 1712 long time no see

She smiled and said, "I'm sending flowers, 98th floor!"

When she heard that it was 98th floor, a pretty receptionist walked out from inside and said, "This way please."

Facing the elevator, the pretty receptionist made a "Please" gesture at Yin bei, which made Yin bei even more confused.

A big corporation was indeed a big corporation. How could they be so polite to a pretty receptionist like her?

Di Zun Group really lived up to its reputation!

Yin bei chuckled and bowed to the beauty at the front desk. "Thank you."

After sending her to the elevator and pressing the number 98 button for her, the beauty at the front desk left.

This service was really considerate. Not only did they send her into the elevator, they didn't even need her to press the button herself!

Yin bei felt like she was being treated as a leader for a moment. She stood in the elevator and muttered to herself.

With a ding, the elevator door opened.

Yin bei walked out with a bouquet in her hands and looked around.

She only said that she was here, but she didn't know her name.

After looking around, Yin bei realized that although this place was big, there was only one office.

She looked up and saw a woman sitting at the office door not far away.

Yin bei walked over.

Hearing footsteps, the assistant, who was working with her head lowered, looked up.

Seeing the stars in Yin bei's hands, she knew who she was.

"Miss Yin, you're here."

Miss Yin?

Uh, she was a little surprised.

She had never been addressed like this when she sent flowers to other places!

"Please come in." The assistant walked out and personally led her to the office door.

Yin bei was still a little uncomfortable with her respectful manner, but she still carried the bouquet to the office door.

She looked up slightly and noticed that on the left side of the door frame was the vice president's office.

Knock, Knock, knock!

After knocking on the door a few times, the assistant's sweet voice sounded again. "Young President, Miss Yin is here."

As soon as she finished speaking, without waiting for a response from inside, the assistant had already moved the Doorknob and opened the door. "Go in."

Yin bei was stunned. The flowers had still arrived. Usually, the secretary would send them in, right?

"Should I, should I send them in myself?" Yin bei pointed at her nose and asked the assistant.

The assistant smiled and said, "Of course."

"Ha..." Yin bei laughed dryly and walked in with the bouquet in her hands.

Because the bouquet was full of stars, Yin bei held it so tightly that it blocked her line of sight.

Walking into the office, she did not dare to admire the luxurious office. She only glanced at the man who was working with his head lowered not far away.

Ugh, this figure is so familiar..

In order to get a better look, Yin bei hugged the flowers and moved the bouquet to the side, wanting to get a better look at the figure sitting in front of the office desk.

At this moment, Shi Mo just happened to put down the work in his hands and raised his head, coincidentally meeting her gaze.

The moment she saw him, Yin bei was stunned.

"Shi Mo?"

Shi Mo's lips curled into a slight arc. Then, he stood up from his desk and left, walking towards her.

"How did you..." Yin bei was still very surprised to see him here.

Although he had said that he would help his father deal with the business of the Di Zun Group after the summer break, she did not expect him to be here. After all, the Di zun group was so huge!

She stared at her black eyes. It had only been half a month, but to Shi Mo, it was as long as a few centuries.

"Long time no see."

Uh, it had really been too long. Yin bei also missed him.

"Did you buy these flowers?"

"Yes."

Chapter 1713 Why Is Your Mouth So Red?

Yin Bei's heart skipped a beat, and she subconsciously asked, "Give it to someone?"

"Like it?"

"Huh?"

His thin lips curved slightly, and he pulled her to sit down on the sofa at the side.

"What?"

The moment they sat down, he stared at her, making Yin bei feel a little uncomfortable.

"It's been too long. I want to take a good look at you."

Hearing this, Yin Bei's heart was filled with sweetness. She pursed her lips and snickered!

"Are these flowers for me?"

"You don't like them?"

"I like them!"

"But if you want to send them, can't you just send them over the phone? Why do you need me to come all the way here?"

"If I don't let you run, how am I supposed to see you?"

Looking at his bright eyes that were as deep as the night, Yin bei was stunned.

After the summer vacation, he was indeed very busy. He would only call her late at night every day, and she would also wait until that time. It was as if she had already formed a habit of not being able to sleep until she received his call.

"But you're so busy. Will this disturb your work?" Looking at him, she asked.

He stared at her. "It's very appropriate to disturb you occasionally."

As soon as he finished speaking, he, who had not seen her for half a month, could not help but lower his face and kiss her lips.

Perhaps it was because he had not kissed her for too long that he was on the verge of doing so.

When the kiss reached the deepest part, he had no choice but to let go of her. At this moment, Yin bei's entire body had already turned soft.

Was it her imagination? She kept feeling that recently, Shi Mo was becoming more and more manly, especially at this moment when he was in a suit and tie. He was simply a perfect male god!

Furthermore, his kisses were becoming more and more skillful. Recently, he had kissed her so much that she could not resist it!

"You... have you learned any techniques?"

After a long while, Yin bei finally caught her breath and looked at him as she asked.

“Practice makes perfect. Haven’t you heard of it?”

“...”Alright!

Yin bei lowered her head and glanced at the time on her wrist.

It had already been twenty minutes since she arrived here. If she did not go back, her boss might look for her.

Just as she was about to leave, the office door was suddenly pushed open.

The two people on the sofa turned their heads when they heard Wen Sheng. They saw two figures walk in.

“Big Brother —”

Holding her mother’s arm, Shi Lian called out ‘Big Brother’ the moment she entered!

However, before she could finish her sentence, her line of sight caught sight of Yin bei’s familiar figure.

It had already been a month since her summer vacation. Shi Lian had not seen Yin bei for a month.

“Bei bei, why are you here?”

Yin bei was surprised to see Shi Lian, but after the surprise, she felt inexplicably shy.

That was because she had just been kissed by Shi Mo..

Fortunately, the kiss had ended. If they had still continued when they had entered, wouldn’t she have dug a hole and hidden herself?

“Lian Lian, you’re here too.”

“Yeah!” Shi Lian seemed to be very happy to see her. She took a glance and noticed her slightly red lips.

“Eh, Bei bei, why is your mouth so Red?”

Yin Bei was glad that the kiss had ended before they entered. However, she did not expect Shi Lian to suddenly ask such a question, which caught her off guard. She was at a loss for words.

“Uh... I, UM, put on lipstick today.”

Shi Lian, however, was a little doubtful. She moved closer to her and stared at her lips. “Is that so? But from the looks of it... it doesn’t seem like lipstick...”

Although Shi Lian was a little doubtful that her lipstick was not because she had put on lipstick, she did not expect that it was kissed by her brother. She was just very curious.

If it was really lipstick, she would also want to know what brand it was made from, because it did not look like it had been put on lipstick before.

Yin bei was almost embarrassed by her words!

Chapter 1714 girlfriend

“What brand is it?” Shi Lian was still getting closer and did not know how to answer Shi Lian when she suddenly caught a glimpse of the woman standing next to Shi Lian.

Hence, she was quick-witted and asked, “Ah, this is?”

Following her gaze, Shi Lian’s curiosity was interrupted and she turned to look at her mother.

“This is my Mommy!”

Looking at Yin bei in front of her, Zuo Weiyi was somewhat familiar with her, but she could not recall who she was at the moment.

Yin bei was also very friendly to her. It was only to divert Shi Lian’s curiosity that she deliberately asked this question.

She had met Shi Mo’s mother a few times when she was young. She heard that she had even visited Shi Mo’s home in high school. However, she had not had the chance to meet Shi Mo’s parents back then because she was living in school.

Looking at the woman in front of her, Yin bei was very surprised by her appearance.

According to her age, Shi Mo’s mother should be around forty, right? But... she was so young. There were no wrinkles on her face, and it was completely impossible to tell that she was Shi Mo’s mother. It was very appropriate to talk about her elder sister.

Actually, her mother was also very young back then. It was only after her father passed away that her mother, who had gone through many vicissitudes of life, gradually became a lot more haggard.

Yin bei opened her mouth, but she did not know how to address Shi Mo’s mother.

If she were to call her aunt directly, it would seem to make her feel old.

But in terms of seniority, it seemed to be the only way to address her. She could not call her sister, could she?

Uh, I got it!

Looking at Zuo Weiyi, Yin Bei’s smile was as bright as a flower. “Mother Shi!”

The word ‘mother Shi’ made Zuo Weiyi laugh.

She turned her head and looked at her son. “Mo Mo, aren’t you going to introduce this girl to Mommy?”

Mo Mo?

Yin bei was a little surprised by this form of address.

“Mom, didn’t I tell you to stop calling me by my nickname?”

“Ah, I’m sorry, I Keep Forgetting.”

Yin bei glanced at the mother and son pair and couldn’t help but Snicker to herself.

“Mommy, her name is Yin bei!” Shi Lian couldn’t wait for her brother to introduce her!

When Zuo Weiyi heard this, a trace of surprise flashed across her eyes. She stared at Yin bei and asked, “You are... Deputy Chief Yin’s Daughter?”

No wonder she had felt that she looked very familiar from the start.

Yin bei seemed to know the reason for her surprise. She pursed her lips slightly and said, “En!”

Looking at the girl in front of her, Zuo Weiyi was very happy and said, “You’ve grown so much. The first time I saw you, you were still a little thing.”

When Yin bei heard this, she replied, “At that time, Shi Mo was also a little thing, right?”

Zuo Weiyi was stunned at first, then burst into laughter. “Pu — yes, at that time, all of you were little things!”

“Can we change the topic?”

Beside her, Shi Mo did not seem to like this topic, and his face darkened.

Zuo Weiyi raised her eyes and glanced at her son. “Then let’s change the topic and continue with the previous topic. Don’t you plan to introduce Yin Bei?”

Yin bei was stunned when she heard that.

Didn’t Shi Lian already introduce Yin Bei?

Staring at his mother, Shi Mo was silent for a few seconds before saying, “Girlfriend.”

Shi Lian widened her eyes in surprise at her brother’s frankness!

He actually admitted to Yin bei without any reservations?

Uh, Mommy doesn’t seem to be against her brother dating, right?

Not only Shi Lian, even Yin bei herself was shocked by his answer.

He actually... admitted that he was his girlfriend in front of his mother?

What about his mother? What would her reaction be?

In her shock, Yin bei slowly turned her gaze to Zuo Weiyi’s face.

Chapter 1715 what do you mean?

As an experienced person, Zuo Weiyi seemed to have noticed the relationship between the two of them from the moment she entered. Hence, after Shi Lian finished her introduction, she asked her son to introduce them again!

Looking at her son, Zuo Weiyi could not help but tease, “You have a girlfriend, but you don’t intend to bring her back for me to take a look?”

“It’s not time to meet the parents yet.”

“Why isn’t it time? You should bring her back after you talk to her. This is a form of respect to Yin bei!”

“We’ve only been dating for a short while.”

Naturally, he would bring her home. However, when he thought of the fact that the two of them were still studying, he planned to wait until after graduation.

Of course, if his parents found out by coincidence like today, he would not hide it.

After all, he had already met Yin bei’s ‘parents’!

Zuo Weiyi narrowed her eyes and looked askance at her son. “You’ve only been dating for a short while? So you plan to try dating and see if you can. If you don’t Pass, you won’t meet the parents. If you pass, you’ll Bring Them Home?”

Hearing her words, Shi Mo and Yin bei were both stunned.

“Mom, can you not misinterpret what I mean?”

“Then what do you mean?”

At this moment, Yin bei could not help but turn her eyes and stare at his handsome side profile.

Was it really like what his mother had said, that they were just trying to date?

Facing his mother, Shi Mo suddenly felt very helpless and sighed, “I just feel that there’s no need to be in such a hurry to meet the parents.”

“In the end, it’s right that you don’t want to bring Yin bei to meet me!”

“Mom!” Shi Mo was really a little angry.

Knowing that her son was really angry, Zuo Weiyi did not continue to tease him. Instead, she walked towards Yin bei and pulled her to sit down on the sofa. Then, she leaned into her ear and whispered, “Don’t mind me, I was deliberately teasing him just now.”

Hearing this, Yin bei also inexplicably heaved a sigh of relief in her heart.

She really thought that Shi Mo was just trying to get in touch with her.

However..

She raised her eyes and looked at this young mother in front of her. From the looks of it, she did not seem to dislike her. So, the worries that her mother had told her about did not exist?

However, she had yet to meet Shi Mo’s father. If Shi Mo’s father had the requirements of a suitable family, she would not be able to be together with Shi Mo, right?

Thinking that it was very likely to be like the melodramatic plot that was shown on television, Yin bei could not help but collapse her shoulders and let out a long sigh.

This sigh stunned Zuo Weiyi.

Did she take her trick on her son seriously?

Thinking of this, Zuo Weiyi became a little nervous.

She didn't want to trick her future daughter-in-law away just because of her trick!

"Bei bei, you..."

Yin bei came back to her senses and realized that she had done something inexplicable.

She hurriedly said, "Please don't misunderstand. I didn't take your words seriously just now. I . . . I was just thinking about something and was a little engrossed in it."

After saying that, she smiled embarrassedly and didn't know how to explain.

"That's good."

Zuo Weiyi said that, but she was still a little worried that the girl in front of her really didn't care.

After thinking about it, she felt that it was a little redundant for her and her daughter to stay here. It was better to leave the space for the two of them.

The reason why she came here today was to see Shi Yuting and also to visit her son on the 98th floor.

But now that she thought about it, Zuo Weiyi was really glad that she came. Otherwise, she wouldn't have known that her son had a girlfriend!

"Oh right, Lian Lian and I are going to buy some things. I Won't Disturb You!"

Chapter 1716 I hope that's what you mean

After saying that, Zuo Weiyi stood up.

Shi Lian, who was standing at the side, had a puzzled look on her face.

"Buy something? Buy what –"she was about to ask when her mother pulled her towards the office door.

"Let's go quickly, we're running out of Time!"

Just like that, Shi Lian was pulled out of the office without any reason!

After the two of them left, Yin bei looked at the time and realized that 40 minutes had already passed!

The Overlord had only been back and forth from their flower shop for 10 minutes!

Even though the owner of the flower shop was a very nice person, Yin bei did not want to be absent-minded while working.

"It's time for me to leave too!"

After saying that, she stood up without waiting for Shi Mo's reply.

In the next moment, the man sitting on the sofa raised his hand and grabbed her palm.

Yin bei turned around and looked at him in confusion.

He also stood up and stared at her fair face with his black eyes. "My mom said it, don't take it to heart."

Yin bei was stunned for a moment and smiled. "No, I know that Mom Shi didn't mean that."

Hearing her words, Shi Mo laughed. "We've just met the parents, and you're already calling her 'mom'?"

Yin bei was stunned for a few seconds before she reacted. She raised her hand and slapped his muscular chest!

"I didn't!"

"Yes, you did."

"I only called her that because I thought your mother was so young. If I called her auntie, it would make her old!" She pouted and explained unhappily.

"It doesn't matter. I'll change my words sooner or later anyway."

"I already said I didn't mean it that way!" She looked at him and emphasized her explanation!

He stared at her angry look and suddenly became very serious. "I hope you meant it that way."

She was stunned and met his affectionate eyes.

Suddenly, she thought of her mother's concerns.

"Shi Mo.."

"HMM?"

"Will we end up together?"

Her sudden words made him a little surprised.

"Why did you suddenly Ask This?"

She lowered her curly eyelashes and muttered, "My mother said that almost all rich people want to be matched in social status."

"So you think I'm Like This?"

"You're not, but your family..."

"You think my mother is?"

She shook her head and denied it.

"Then why are you still worried?"

"What about your father?"

"He won't."

"How can you be so sure?"

Shi Mo raised his head. "Because when I was young, my mother wasn't the daughter of a socialite."

Yin bei was stunned. Her black pupils rolled around. "Isn't mother Shi the granddaughter of the previous president of C Nation?"

"But not when I met my father. So you can rest assured on this question."

"Really?"

"You don't trust me?"

"No." She lowered her head. "After all, you don't have the final say in this matter..."

"My future wife, why don't I have the final say?"

She was stunned for a moment before suddenly raising her eyes to look at him. Following that, she could not help but feel embarrassed. "Who's your future wife! I, I'll be leaving First!"

As she said that, she disappeared like a wisp of smoke and swiftly rushed towards the direction of the door.

Looking at her fleeing figure, Shi Mo, who was standing in front of the sofa, slightly pursed his lips. He did not chase after her.

Instead, he turned around and glanced at the stars that were still on the coffee table. His eyes were filled with affection.

...

5:30 pm in the evening. It was a hot summer, and it was a little stuffy.

Yin bei walked out of the flower shop and planned to go to a nearby restaurant to eat something. This place was a little far from her neighborhood. If she went back and forth, she would be able to save on the fare for dinner.

Chapter 1717 I'll pay you

However, just as she stepped out of the flower shop, she heard the sound of a horn.

She looked up when she heard the sound and saw the window of a Blue Spyker slowly roll down, reflecting the man's sharp and angular face. Wen Sheng was standing in front of the window.

"Why are you here?"

Inside the window, Shi Mo smiled at her. Then, he picked up the sky full of stars on the passenger seat and said, "Your flowers have fallen."

Looking at the bouquet of flowers, Yin bei smiled as she came to the car window and stood still.

"Get in the car. Let's eat together."

"Don't you have to be busy?"

"I have an hour."

She was stunned for a few seconds before she opened the car door and sat in the passenger seat.

“What do you want to eat?”

“Um... Spaghetti!”

“Aren’t you tired of eating this every day?”

“How can I eat it every day? I haven’t eaten it since the summer vacation.”

“Why not?”

She pursed her lips but did not say another word.

Because she was too busy!

There was no Western restaurant near the flower shop. If she wanted to go there, she would have to take a taxi. It would be a waste of time and money.

However, she did not want Shi Mo to know about this reason, and she could not say it out loud.

“Uh, because I’m too busy.”

He frowned. “How many hours do you work every day?”

“From 10 am to 9 pm.”

“That long?”

“Is it long? The salary is quite a lot!”

“How much?”

She raised three fingers. “3,500!”

Most importantly, she was only a summer job. The boss did not want to hire a summer job, but he still agreed to it after she begged!

He glanced at her. “You’re really easy to satisfy.”

“3,500 yuan is already pretty good. I even went to see a waiter last time. It’s only 2,800 yuan a month!”

While they were talking, the two of them had already arrived at the entrance of an Italian restaurant.

After putting on the seatbelt for her, he leaned over and stared at her face. “Are you tired?”

His face was very close to hers. He was so close that she could feel his balanced breath. In an instant, Yin Bei’s heart began to beat faster!

“It’s alright. Actually, I only help cut the branches and send flowers every day. Other than a longer period of time, this job is actually quite easy!”

After listening to her for a long time, Shi Mo did not speak anymore.

He wanted to use his personal power to give her a job that was both easy and highly paid. However, he was also clear that this way, it would bring unnecessary external influence to her.

She was still a university student. The money that she earned through her own hard work might make her feel more secure.

“Why don’t you change to another job?”

“What?”

“Change to a job that has a shorter duration.”

“No!” She refused immediately. “If the duration is short and easy, the salary will be even lower!”

“I’ll pay you.”

He, who felt sorry for her, could not help but say it in the end.

Yin bei was stunned. Her black eyes stared at him. “Shi Mo, I know you feel sorry for me, but... I don’t wish for it to be like this.”

Looking at her, Shi Mo did not speak again. The atmosphere in the car instantly fell into silence.

He got up and sat back in the driver’s seat.

Yin bei glanced sideways at his exquisitely carved face.

Angry? It couldn’t be that serious, right?

“Let’s eat first.”

A few seconds later, Shi Mo opened the car door and got out. He walked around the front of the car to the passenger seat and opened the car door for her.

At the same time, Yin bei did not forget to look at his face. She wanted to know if he was really angry.

But what she said was not wrong.

Their statuses were already far apart. If she were to take money from him for free, it would make her feel defeated. It would also make her feel that the distance between them had been lengthened.

Chapter 1718 wants to Eat?

As for Shi Mo, he was also very clear about her worries.

At this moment, he wasn’t angry. Instead, he was thinking about how he could make her not care about this factor and find a job that wasn’t that hard and had a decent salary.

The two of them came to the private seat and ordered a plate of spaghetti and steak.

As they ate dinner, Yin bei’s gaze would occasionally look at the man opposite her, wanting to know if he was really angry.

The way he slowly cut the steak was still as handsome as ever.

Feeling her gaze, Shi Mo suddenly looked up and glanced at her. “You want to eat?”

Yin bei paused. “UH... No.”

“I’ll give you a bite.”

After cutting a small piece of steak, he brought his fork to her lips.

Yin bei originally did not intend to eat it, but as she stared at the extremely tasty steak, she could not help but swallow a mouthful of saliva.

In the end, she opened her mouth and swallowed the steak.

“It’s So Delicious!” Yin bei couldn’t resist the delicious food.

He smiled and cut another piece and brought it to her mouth.

Yin Bei didn’t stand on ceremony and took another bite.

“I’m not eating anymore. If I continue eating, you’ll be gone!”

Staring at the steak that was almost gone, if he continued eating, he would have nothing left.

“If it’s not enough, you can order more.”

“No need, I’ll just Eat This!” Compared to steaks, she still preferred pasta and started to eat with Relish.

“You’re not angry?”

Looking at the man opposite her, she suddenly asked.

Shi Mo raised his eyes. “Why are you angry?”

“You just now.”

“I was just thinking about how to make you relax a little.”

This sentence was very plain, but it was sweet to Yin Bei’s heart.

“I feel very relaxed now! Compared to those people on the streets, who stare at the sun and run around, I’m already very relaxed!”

“Don’t you stare at the sun and run around every day?”

Yin bei paused and looked up at him.

“I’m talking about those people who stare at the sun and hand out flyers. Compared to them, I’m much better!”

“There are still three years before I can graduate.”

“What’s Wrong?”

“After you graduate, you won’t have to work so hard.”

“But I haven’t thought about what to do yet. Maybe I can only be an errand boy in a flower shop!”

“That’s not necessary. Don’t you still have me?”

“You Are you, and I am me. This is different!”

“Do you mean that after you marry me, you still have to share me with you?”

Yin bei was inexplicably embarrassed. “I didn’t say that I wanted to marry you.”

She lowered her head and ate every mouthful of noodles.

A few seconds later, she did not seem to hear Shi Mo speak. She looked up in surprise and saw him staring at her. His expression... was not that happy.

“What’s Wrong?”

He stared at her. A few seconds later, his gaze moved away from her face. “Eat!”

Following that, Yin bei did not say anything else while Shi Mo focused on eating his steak.

This time, he seemed to be really angry?

She did not say anything wrong, it was just that... she was a little shy!

The two of them only had an hour. After dinner, Shi Mo had to go to the west side of the city to discuss some business while Yin bei had to return to the flower shop to continue with her business.

An hour was very short for the two of them who had not seen each other for half a month.

After dinner, Yin bei looked at the time. It was already six o’clock.

“I should go back to the flower shop.”

Shi Mo still did not speak. Instead, he called for the waiter to pay the bill. Then, he stood up and walked towards the direction of the restaurant’s entrance.

Was he really angry?

Looking at his back as he left alone, Yin bei hurriedly followed him.

Chapter 1719 a cold joke that wasn’t funny

Sensing that the person behind him hadn’t caught up, Shi Mo stopped at the door and turned around to look at her.

“Are you really angry?”

Walking out of the restaurant, Yin bei couldn’t help but ask.

He glanced at her, but his words didn’t mean what he said. “No.”

“But you clearly have the words ‘unhappy’ written on your face.”

“Is it?”

“Yes!” She nodded without a doubt.

Shi Mo shifted his gaze away from her face and did not speak again. Instead, he turned around and walked towards Blue World Jue.

"..."

When he came back to his senses, he saw that Shi Mo had already walked to the front passenger seat and opened the car door, waiting for her to get in.

After getting into the car, Shi Mo still did not speak the entire way.

In order to ease the atmosphere, Yin bei told a joke. "Can I tell you a joke?"

"..."

"There was once a miner who wanted to leave work early, but the leader didn't allow it. He said that if you left work early, you would be considered to be absent from work! That person said: I was absent from work to begin with! So I carried the pickaxe and walked out of the mining area! Hahaha..."

"..."after the laughter, there was still a dead silence.

Yin bei pursed her lips and looked at the man in the driver's seat. "It's not funny."

"Then let me say something cold!"

After thinking for a while, Yin bei said, "A director said to Hedgehog, 'your appearance is too amazing!' hedgehog proudly said, 'that's right, other than stabbing you, stabbing you, stabbing you to death!'"

Before Yin bei could laugh, she saw Shi Mo suddenly turn around and look at her with his dark eyes.

When she met his gaze, Yin bei suddenly couldn't laugh anymore. She pursed her lips.

"We're here."

In a short while, the car had arrived at the famous door of the beloved flower shop.

Yin bei glanced at the familiar shop door outside the car window, but she did not get out of the car. Instead, she turned her head and met the man's deep gaze.

"You're not getting out?"

"Are you still unhappy?"

"No."

Looking at him, Yin bei pursed her lips, but she did not say anything else. She unbuckled her seatbelt and turned to open the car door.

"You... be careful on the road."

Standing in front of the car window and staring at the man in the car, Yin bei said embarrassedly.

"Go in."

After watching her go in, he was willing to leave.

Blue World Jue left, but Yin bei's mood was a little gloomy.

“What’s wrong? You look gloomy.”

From the moment she entered until now, Mu Dan could feel that she had something on her mind.

This summer, Mu Dan did not go home. Instead, she worked together with Yin bei at the flower shop.

Yin bei turned her head with a melancholic expression and glanced at her good friend. “Dan Dan, tell me... If Haoyu told you that you were going to marry him in the future, how would you respond?”

“Shi Mo told you?” Mu Dan immediately looked at Yin bei with a gossipy expression!

“I’m talking about if!”

“Why did you come to this if all of a sudden?”

Glaring at her best friend, Yin bei said unhappily, “You just have to answer me!”

Mu Dan did not tease her anymore. Instead, she began to ponder over this question.

“HMM... if haoyu had told me, I might have asked if it was true or if he was shy and said that I wouldn’t marry you!”

“If it’s the latter, Will Haoyu be angry?”

“Angry?” Mu Dan didn’t consider this question. “I don’t think so.”

“Then why does he look unhappy...” Yin bei looked puzzled.

“Shi Mo is angry?”

She didn’t deny it and nodded. “Yeah.”

Mu Dan looked at her. “What did you say?”

Chapter 1720 did not pick up the phone

“I told you, I’m not going to marry you!”

“You’re too much!” Hearing this, Mu Dan could not help but squeeze her.

Yin bei was puzzled. “What’s Wrong?”

“What kind of status does Shi Mo have? How High is his pride? You actually rejected him face to face?”

“No, I’m just... embarrassed!”

“Your embarrassment is completely based on Shi Mo’s Pain!”

“Miss Mu, where did you start from?”

“After being rejected by you, Shi Mo will definitely be in pain!”

“I’ve already said it, I didn’t reject him!”

“So you’ve agreed?”

” ... ”

She had actually almost been tricked by her!

“Damned fellow! I’m being serious with you! Can you be a little more serious!”

“Alright, I really want to know. Why Don’t you just ask Shi Mo directly?”

“I just can’t get it out of him. Forget it, let’s talk about it next time we meet!”

Looking at the time, it was almost time to get off work.

Yin bei walked to the tea room and took a sip of water. At this time, there was no more business in the flower shop. Yin bei stood in the tea room with a teacup in her hand and did not come out.

After some thought, she took out her phone. She really wanted to give Shi Mo a call to see if his anger had subsided.

“This guy is so arrogant. Maybe he’s still angry at her. Why don’t I give him a call and ask?”

With this thought in mind, Yin bei decisively dialed Shi Mo’s number.

However, the phone rang for a long time, but no one picked up.

This was the first time he didn’t pick up her call. was he really angry?

Looking at her phone, Yin bei was a little dazed.

“Bei, it’s time to get off work!”

Mu Dan’s voice came from outside the door.

Yin bei heard the voice and walked out. The florist, Wen Sheng, was already tidying up the flowers and bonsai placed at the door.

After everything was tidied up, Mu Dan ran over with a face full of excitement. “Darling, haoyu invited us to have a barbecue. Let’s Go!”

Yin bei was a little discouraged and her shoulders fell. “You guys go ahead. I Won’t be a third wheel.”

As she said that, she carried her bag and walked towards the entrance of the shop alone.

“What’s Wrong?”

“I’m a little tired. I want to go back and rest. I don’t want to go anymore. You and haoyu have fun.”

After dating for so long, this was really the first time that Shi Mo did not pick up her call. For some reason, Yin Bei’s heart was so stifled that she felt a little flustered. It was as if there was something stuck in her chest that could not be erased or dispersed.

Looking at her departing back, Mu Dan was just about to chase after her when she suddenly heard a familiar voice.

“Dan Dan!”

Turning her head, Chen Haoyu was walking over from the opposite side of the road.

In the past, Yin bei would usually immediately take a taxi home after work. However, today, she did not do so. Instead, she walked step by step on the brightly lit street.

Her phone rang. Yin bei stopped in her tracks. She thought that Shi Mo had returned. She immediately took out her phone and saw that it was mu dan calling.

“Hello?”

“Are you home yet?”

After being asked by her good friend, Yin bei realized that she had unknowingly walked for a very, very long time.

“Not yet.”

“Why is it taking so long?”

Normally, she should have been home by now.

“I didn’t call for a car.”

“Are you out of your mind? Do you want to Walk Home?”

“No, I’m just thinking about something.”

“You’re still thinking about Shi Mo?”

“Yes.”

“Please, can you go home first? Auntie will be worried if you don’t go home soon.”

Hearing Mu Dan’s words, Yin bei remembered that her mother was still glaring at her when she went home.

Because the flower shop only closed at nine o’clock, it was already around 9:30 when she got home. Therefore, her mother would wait for her every day. Only when she saw that she had safely returned home would she be able to sleep peacefully.
