

Kiss Me 1721

Chapter 1721 introduced a trap

“I got it. I’ll take the bus back now.”

“There’s no bus at this time. Hurry up and call a taxi back!”

“Okay, I’ll hang up.”

“Okay.”

The call was hung up and soon it rang again.

Looking at the familiar caller ID, it was indeed mother who was worried about her.

“Hello, Mom.”

“Bei bei, why aren’t You Back Yet?”

“Uh, I was delayed by something today. I’m on my way home now. I’ll be home soon.”

Hearing her daughter’s voice, Nian Yuqing felt a lot more at ease. “Okay, be careful on the road, AH.”

“Okay.”

After hanging up the phone, Yin bei sorted out her depressed mood and looked up, wanting to hail a taxi.

It might be late at night, and it was in a busy area. There were many taxis passing by, but each one was full of passengers.

Just as she stood by the roadside waiting for a taxi, her phone rang again.

She picked up her hand and saw the familiar name. Yin bei was delighted and quickly swiped open the answer button.

But before she could put it to her ear, a figure suddenly flashed past. Then, the phone that was originally in her hand suddenly ‘disappeared’!

Yin bei raised her head and only then did she realize that her cell phone had been snatched by someone!

Damn it, that was the cell phone that Shi Mo had given to her!

“Damn Bastard, stop right there!”

Yin bei chased after that figure without a second thought!

On the other end of the phone, Shi Mo, who had just signed the contract, realized that there was a missed call on his cell phone.

This was because this was his first business deal. In the private room, in order to avoid being disturbed, he had turned his cell phone off.

“Damn it, give me back my phone!”

Yin Bei’s voice came from the phone, but it was obvious that she was not talking to him, and her voice seemed to be far away from the phone.

What was going on?

“Yin Bei?”

He shouted, but there was no response as expected.

Suddenly, Shi Mo’s heart sank, and he felt a little uneasy.

Without a moment of hesitation, he stopped, turned around and took his assistant’s phone, and quickly dialed Mu Dan’s number.

At this moment, Mu Dan was having a barbecue with her boyfriend when she suddenly received a call from Shi Mo..

“Hello? Who’s there?”

“Where are you guys now?”

Hearing Shi Mo’s voice from inside, Mu Dan was momentarily stunned.

It took her a long while before she regained her senses. “Shi Mo?”

“I’m asking where are you guys now?”

Over the phone, Shi Mo’s voice was clearly very anxious!

“We, we? Haoyu and I are eating...”did something happen?

This was the first time mu Dan heard Shi Mo’s anxious voice.

When Shi Mo heard this, his heart became even more uneasy.

“You’re not with Yin Bei?”

“Uh, no, she went back first. Did Something Happen?”From his tone, Mu Dan could tell that something was wrong.

“D * MN! Don’t Run!”

Yin bei chased after that figure, but she didn’t realize that she was being lured into a trap.

Just as she chased into a dark alley, that figure suddenly stopped, and a few figures walked out from the Dark Alley.

“They’re here.”

Sensing that something was wrong, Yin bei immediately stopped, but it was already too late. The path of retreat behind her was also blocked, and two figures walked out from behind her.

“Who are you?”

“The person you’ve always wanted to send to prison.”

Suddenly, a familiar voice cut through the silent dark alley.

Yin bei heard the voice and looked up. Under the dim light, although she could not see the person’s face clearly, Yin bei already knew who the voice came from.

Chapter 1722 is either you die or I Die!

“Damn it!” On the other end of the phone, Shi Mo also heard ye Xiaomeng’s voice and realized that Yin bei was already in danger!

“It’s You?”

Looking at the shadow in front of her, Yin bei’s tone was very calm.

“Yin bei, it’s been so long. You really made me wait so long? Didn’t you say that you were going to send me to prison?”

Ye Xiaomeng’s figure became clearer under the light.

Staring at the figure that came closer from afar, Yin bei’s expression was very cold.

If it wasn’t for her one wrong thought, she would have been sent to jail for three to five years!

“If you want to now, that’s fine too.”

“Chi!”

Hearing her words of overestimating herself, ye Xiaomeng let out a sneer.

“You didn’t send me to jail even after a few months. Now, I’m the one who wants to send you to hell!” Following the last syllable, ye Xiaomeng’s face began to turn ferocious, and she quickly made a move toward the people on both sides!

In the next second, five or six men came forward one after another and surrounded Yin bei, leaving her with no way out!

“Today, it’s either you or me!”

“With these little hooligans you found?”

Ye Xiaomeng, who had nothing left, could only find these street hooligans at most.

She was the daughter of the deputy director, how could she be defeated by these hooligans?

Ye Xiaomeng curled her lips. “Beat them to death!”

With that order, several hooligans immediately brandished the wooden sticks in their hands and attacked Yin bei!

Despite being surrounded by enemies, Yin bei was not afraid at all. She decided to fight with her bare hands!

Since there was no chance to escape, she might as well take a gamble! Perhaps she still had a chance of winning.

Seeing a man swing the wooden stick at her, Yin bei instinctively raised her hand to block. The wooden stick smashed heavily onto her arm, causing her to frown in pain. However, she did not have the time to cry out in pain.

With a twist, she grasped the stick tightly. Then, she pulled hard and pulled the hooligan in front of her. Coincidentally, she used him to block another attack that followed!

“Wu!”

After receiving a heavy blow to his head, the man instantly let out a muffled groan and lost consciousness in an instant.

Yin bei did not dare to imagine that if the stick had hit her just now, she would definitely have been beaten to death by ye Xiaomeng’s people!

These people were ruthless enough. They really did not want her to leave this place alive!

In a daze, her sensitive ears heard danger approaching again. She turned around and dodged the attack. Then, she lifted her leg and kicked viciously at the man’s crotch!

These were the self-defense moves that her father had taught her since she was young. Every move was a man’s fatal weakness!

However, even though she knew so little, she was ultimately outnumbered and soon felt exhausted.

However, she did not dare to relax. She knew that as long as she relaxed even a little, the wooden stick would mercilessly strike her body!

“Useless thing, you can’t even defeat a Little Woman!”

Seeing that Yin bei had already defeated the two hooligans, Ye Xiaomeng, who was watching the battle from the side, was a little angry. If this continued, would they still have a chance of winning?

If all these people were to fall, only she would not be Yin bei’s match!

No Way! She had to find an opportunity to defeat Yin bei! She must not let her leave this place alive!

Right now, she was dating Shi Mo. if he knew that what happened tonight was done to Yin bei by her, would she still have a chance of survival?

The more she thought about it, the more uneasy ye Xiaomeng felt. The way to protect herself was to make Yin bei disappear into thin air!

Looking at the few people who were fighting in front of her, ye Xiaomeng gripped her wooden stick tightly and carefully approached Yin bei and the group of hooligans.

Chapter 1723 find a rope and a big rock!

One of the men seemed to have noticed ye Xiaomeng’s approach. Their gazes met, and soon, ye Xiaomeng winked at that man.

That man quickly understood as well. He turned his head and found the right time. When Yin bei was fighting with the other man, he suddenly hugged her from behind!

At this critical moment, ye Xiaomeng tightened her grip on the wooden stick in her hand and ruthlessly smashed it at the back of Yin Bei's head!

Dong

Feeling a heavy blow on her head, Yin bei stopped what she was doing. In the next second, her vision went dark and she fell to the ground, unconscious..

The Dark Alley instantly became quiet.

Looking at the motionless figure on the ground, ye Xiaomeng finally smiled proudly.

"You still want to fight with me? I'll let you die without knowing how!"

"Xiaomeng, what do we do now?"

Someone asked.

Ye Xiaomeng raised her head and glanced at the gangster who spoke. "What can we do? Of course, we'll make her disappear from this world!"

As soon as she finished speaking, her sinister gaze glanced at Yin bei who was motionless on the ground again, and a plan suddenly appeared in her mind.

"Go, find a rope and a big rock!"

"Do what?"

"I told you to go! Why are you talking so much nonsense! ?"

Towards ye Xiaomeng's orders, the few hooligans seemed to be willing to take the risk.

Ye Xiaomeng was quite pretty to begin with. Without money, she could only use her body to let these street hooligans work for her. She didn't expect the effect to be quite good.

After tasting her taste, each of them treated her as a queen and provided for her. It was a classic case of being on call!

Soon, the two men moved a big rock.

"And then?"

"Tie it to this B * tch, and then... throw her into the river!"

Hearing that, one of the gangsters couldn't help but say, "Xiaomeng, this chick is pretty good-looking and has a hot figure. Wouldn't it be a pity if she died just like that? Why not..."

Ye Xiaomeng glanced at the man who spoke. "Want to taste it?"

The man nodded like he was pounding garlic. "Anyway, she's already in your hands. Why Don't you let us brothers have enough fun before throwing her into the river?"

Hearing this, Ye Xiaomeng couldn't help but fall into deep thought.

She lowered her gaze and looked at the side of Yin Bei's face.

What did she mean by not being able to live and not being able to die? Now, she wanted to let this Yin bei have a taste!

"Alright, since that's the case, wake her up first. I want her to watch helplessly as you guys play with her!"

"This is a good idea. I like it!"

When the leader heard this, he quickly woke up Yin bei who was lying on the ground. Then, he used the body he had just found to tie her hands!

"What are you guys doing? Let Go of me!"

When Yin bei woke up and felt that someone was helping her with her hands, fear instantly filled her entire body!

"Bastard, let go of me quickly!"

"Yin bei, do you know what it means to not be able to live and not be able to die?"

Ye Xiaomeng's proud voice came from above her head. At this moment, no matter how stupid Yin bei was, she knew what these men wanted to do to her!

Never! She would never let herself be like this!

Her sharp eyes turned scarlet as she stared straight at ye Xiaomeng. "You better let me die here. Otherwise, I will definitely make you pay a hundred times or even a thousand times for what I have suffered today!"

"Is that so? Don't worry. Once you've been played by them enough, I'll send you to Hell."

Yin bei clenched her fists tightly. Her nails penetrated into her flesh, but she didn't feel any pain at all.

Shi Mo..

In her despair, the first person she thought of was Shi Mo. however, at this moment, he was thousands of miles away. He might even be angry with her.

Chapter 1724 calling for help, was the only chance for Weiyi to survive

Would she come to save her?

The answer would definitely be: No.

If she had known earlier, if she had known earlier that she would die today, she would definitely not have answered him in that way.

She would have said, "Shi Mo, when do you plan to marry me?"?

However, was there really no chance for her to say anything else?

No, she absolutely did not want her life to end tonight, much less be bullied by these scum!

“Help! Help!”

Even though the hope was slim, it was not too late. She believed that there would be a few people who might pass by and hear her cry for help!

“Chi! Yin bei, I really did not expect that you would also need help from others?”

Looking at her desperate cry for help, ye Xiaomeng felt extremely happy!

“Help, Help!”

Yin bei completely ignored her words. Right now, every minute and second was precious to her. She didn't want to waste time talking to ye Xiaomeng!

At this moment, calling for help was her only chance of survival. How could she give up until the last moment?

“Help, Help! Is there anyone? Rape! Murder!”

She used all her strength, really using all her strength. She only hoped that someone could hear her cry for help.

Although this was a dark alley, there were residential buildings on both sides. If she shouted like this, wouldn't she be discovered?

Realizing this, ye Xiaomeng immediately ordered, “Shut her mouth!”

Afraid of being discovered, another man quickly used a handkerchief to shut Yin bei's mouth!

“If you want to do it, Hurry Up! Once you're done, send her to hell!”

“I'll go first!”

Looking at Yin bei who was tied up and unable to move, the man in the lead immediately began to unbuckle his belt. “Hurry up and strip her of her clothes!”

In order to save time, the man spoke again.

Soon, two men came forward and laid their hands on Yin bei!

“Wu — Wu!”

Yin Bei, whose mouth was gagged, instantly fell into endless fear. She watched as one of them tore her blouse apart!

“RIP —”

In an instant, Yin bei's eyes were empty and dull, as if her soul had been taken away.

She was only nineteen years old, when had she ever experienced such a thing..

“Wu! Wu...”

She began to stomp her feet as hard as she could as she struggled. Because it was convenient to play with them, those people did not tie her feet, but her hands!

“Hurry up and hold her down!”

The man could not get close to her because of her random kicks. Naturally, he had to eat the swan meat that reached his mouth!

“Wu Wu!”

“Over there!”

At this moment, an urgent voice suddenly sounded at the entrance of the Dark Alley!

Everyone looked up in horror. In an instant, they saw a group of people darting in from the entrance of the alley!

“Someone’s coming. Let’s Go!”

Realizing that the person who came was very likely to save Yin bei, ye Xiaomeng immediately retreated!

“Stop them! Don’t let any of them go!”

In the Dark Alley, someone gave an order!

Being suddenly attacked by a group of people, the few hooligans were instantly dumbfounded. Before they could react, they were already controlled by the group of people who rushed in, and they were unable to break free!

“Who are you? What are you doing! ?”Ye Xiaomeng, who was about to escape, was also instantly controlled by someone!

“Are You Miss Yin Bei?”

In the dark night, Yin bei could not see the person’s face clearly, nor could she speak. She could only nod her head vigorously as if she was pounding garlic.

The man squatted down and took the handkerchief from her mouth.

Chapter 1725 I Want to ask it myself!

“I... I’m Yin Bei!”

“Take them all away!”

The man gave the order and then untied the ropes on Yin bei’s hands.

After a fight and a heavy blow, Yin bei was already exhausted. Just as she stood up, she stumbled and almost fell down again. Fortunately, the man who was holding her stretched out his hand!

“Miss Yin Bei?”

The man looked down and saw Yin bei who had fallen into a coma!

At the same time, on the Outer Ring Road, a Blue Spyker sports car was speeding toward the center of Z City at a speed of 200 kilometers per hour!

“Hello?”

“Young master, Miss Yin bei has been found.”

“Location.”

“Central Hospital.”

“Hospital?”

“Yes, when we found Miss Yin bei, she was injured –”

Before the other party could finish speaking, Shi Mo had already cut off the call and stepped on the gas pedal to reach 240 yards! (the plot requires, reality must not imitate!)

It was already 0:20 am when they arrived at the Central Hospital!

Meanwhile, Yin bei was still unconscious on the hospital bed.

“Go and call the doctor over. I want to ask him myself!”

The moment Shi Mo entered, he took a glance at Yin bei who was unconscious on the bed. The first thing he said was to call the doctor over.

The bodyguard who was waiting in the ward received Wen Sheng’s order. He nodded slightly and walked out of the ward. Not long after, the doctor arrived.

“How is she?”

“She suffered a heavy blow to the head. There are also injuries on her palms and wrists. They should be caused by nails and ropes. However, she is fine now. She will be fine as long as she wakes up.”

Hearing the Doctor’s words, Shi Mo frowned slightly.

“Ropes?”

His deep gaze suddenly turned towards the bodyguard.

“When we found Miss Yin bei, she...”the bodyguard could also tell that Miss Yin bei seemed to be very important to the young master, so what he was about to say next might make him furious.

The bodyguard wanted to say something, but he hesitated, which made Shi Mo’s face even darker.

“At that time, Miss Yin bei was tied up by someone, and a group of hooligans were planning to bully her... But we arrived in time, and Miss Yin bei was unharmed.”

As expected, just as the bodyguard finished speaking, Shi Mo’s face instantly turned terrifyingly cold!

“Where is she?”

“She’s already in custody, waiting for you to deal with her personally.”

While they were talking, the phone screen on the bedside table suddenly lit up.

The bodyguard walked over, picked up the phone, and presented it to Shi Mo with both hands.

“Because it’s a call from Miss Yin bei, I didn’t dare to pick it up carelessly. I was also afraid of disturbing Miss Yin Bei’s rest, so I set it to silent mode.”

Shi Mo glanced at the phone and immediately picked it up.

“That, it seems to be Miss Yin Bei’s mother. She has already made more than ten calls.”

Due to the sudden turn of events, the bodyguard wanted to pick up the call, but he did not know if he should tell his mother about Miss Yin Bei’s accident. In the end, he simply did not pick up the call.

Shi Mo shot a glance at the bodyguard, then picked up the phone and walked to the window.

“Hello?”

The call was finally picked up. Nian Yuqing’s heart was about to settle down when she heard that it was not her daughter’s voice, but..

“Shi Mo?”

“Yes.”

For a moment, Nian Yuqing could not be blamed for thinking too much.

It was already early in the morning. It should have been her daughter who picked up the call, but it was Shi mo. this..

“Why is it you? Where’s Bei bei?”

It was already so late. Could it be that they... were together?

On the phone, Shi Mo was silent for a few seconds.

“Auntie, I’m very sorry. Yin bei... something happened to her. She’s currently in the hospital.”

Nian Yuqing felt her heart skip a beat when she heard that!

Chapter 1726 was Shi Mo’s phone

Ever since her husband passed away, her daughter was her only lifeline!

After asking for the hospital’s address, Nian Yuqing hung up the phone and rushed to the hospital!

“What... What’s going on?”

Looking at her daughter lying on the bed, Nian Yuqing’s heart ached.

“Auntie, don’t worry, it’s fine.”

Seeing her worry, Shi Mo said softly.

Since she was fine, Nian Yuqing was naturally at ease.

It was 1:40 am, but she was not sleepy at all. She stayed by the bedside until dawn.

Early in the morning, Yin bei, who had been unconscious for the whole night, finally woke up.

“Bei bei!”

Nian Yuqing stayed by the bedside the whole night. She did not even blink her eyes, hoping that she would wake up.

“Mom...”

Seeing her mother, Yin bei tried to sit up. Seeing this, Nian Yuqing quickly reminded her, “Don’t move. You’re still injured!”

Only then did Yin bei stop moving. Looking at the pure white room, she realized that she was in the hospital.

The scene from last night instantly flooded her mind. So she was saved?

She looked up, as if she was trying to find another figure.

Nian Yuqing saw through her thoughts. “Shi Mo had something on and left.”

Hearing her mother’s words, Yin bei retracted her gaze and did not look for Shi Mo’s figure anymore.

“Bei bei, what happened? Why are you so heavily injured?”

Her daughter did not have any grudges with anyone. To suddenly suffer such an injury, Nian Yuqing was puzzled.

Looking at her mother, Yin bei remembered what happened last night.

“It’s nothing. When I went back yesterday, my phone was stolen, and I got injured after fighting with the gangsters.”

In order not to worry her, Yin bei simplified the matter and did not tell her everything.

“Robbery?” Nian Yuqing’s eyes widened in shock!

Yin bei nodded. “Yes, but it’s fine now. Don’t worry too much.”

Even though she said that, how could Nian Yuqing not be worried?

She was a girl after all. Although she had learned a few self-defense techniques from her father, compared to those gangsters, her weak kung fu was no threat at all.

“Say, you’re a girl. Why do you have to fight with the gangsters? We can buy your phone if you steal it. If anything happens to you, what will happen to Mom in the future?”

Yin bei knew that her mother was worried about her, but that was her personality. How could she not get her phone back after it was stolen?

Besides, that phone was given to her by Shi Mo!

“Mom, that’s Shi Mo’s phone. I don’t want it to belong to someone else,” Yin bei said as she lowered her head.

At that moment, the door to the ward was pushed open.

Both mother and daughter looked up and saw Shi Mo walking in.

Knowing that the two were dating, Nian Yuqing was worried, but she also admired Shi Mo..

If she entrusted her daughter to him, she would be at ease. What worried her was his status as the sole heir of the Di Zun Group.

He and Bei bei were people from two completely different worlds. Would they eventually end up together?

Would Bei bei be qualified to live in a wealthy family again?

“You’re awake. How Do You Feel?” Glancing at the mother and daughter, Shi Mo walked straight to the bedside. He sat down on the edge of the bed and stared at her as he asked.

“Pretty good.”

“Are you feeling any discomfort?”

“No.” She shook her head.

She raised her hand to stroke the hair on her head. Shi Mo turned his head, suddenly looking at Nian Yuqing.

“Auntie, I’m here. Go back and rest.”

“It’s fine, I’m not tired.”

“She’s already fine. There’s no need for her to stay. You haven’t slept all night. Go back and rest first.”

Chapter 1727 Do You Have No Flaws?

Upon hearing that her mother had been waiting here the entire night, Yin bei was extremely astonished!

“Mom, you didn’t sleep the entire night?”

“Mom is fine.”

“You can go back now. I’m fine now. I should be able to be discharged from the hospital today, right?” She suddenly turned her head and looked at the man in front of her.

She really did not like staying in the hospital because it was boring and uncomfortable!

Shi Mo stared at her for a few seconds before saying lovingly, “You don’t like being hospitalized that much?”

Yin bei nodded honestly. “Yes!”

Looking at the two of them, the corners of Nian Yuqing’s mouth curled up slightly.

Although she didn't feel tired, at this moment, it was really not suitable for her to stay here.

"Bei bei, then mom will go back and make some food for you. I'll bring it over to you later."

"Okay!"

Looking at her daughter with a smile and carrying her bag, Nian Yuqing got up and left.

"Wait for me," Shi Mo said, then followed Nian Yuqing's voice out of the ward.

Seeing him leave as well, Yin bei was still a little puzzled.

"Auntie."

Behind her, Shi Mo's voice sounded. Nian Yuqing stopped in her tracks and turned to look at him.

"I'll get someone to send you back."

Nian Yuqing was taken aback and quickly rejected him. "There's no need. I'll take the bus back myself. It's not far."

"I'm Yin Bei's boyfriend. You Don't have to stand on ceremony with me." His tone was gentle, but he spoke respectfully to Nian Yuqing.

Nian Yuqing wanted to reject him, but she saw Shi Mo speaking to the bodyguard behind him. "Drive. Send him to XX District."

"Yes!"

The bodyguard respectfully accepted the order. Seeing this, Nian Yuqing knew that it was difficult to decline, so she did not say anything more. She followed the bodyguard to the elevator.

Shi Mo returned to the ward. The bored Yin bei was looking at her wechat moments on her phone.

Hearing the sound of the door opening, she looked up. Before she could say anything, the phone in her hand was snatched away by him.

"What?"

"Rest well and take a look at your phone after you're discharged from the hospital."

"But I'm a little bored." She was really bored.

"Are you bored with me around?" He stared at her and asked.

Yin bei was stunned. This man was really narcissistic!

However, he was right. With him around, she wouldn't be bored!

"Then... why don't You Peel an Apple for me?" Yin bei enjoyed his pampering.

She was a little worried about what would happen to her if one day, Shi Mo was no longer around?

She would definitely feel that her world had turned gray.

He smiled gently and really walked to the Round Table. He took out an apple from the basket and peeled it.

His knife skills were very good, and Yin bei was stunned by what she saw!

From the beginning to the end, the apple skin did not break!

“Shi Mo, do you have no flaws?”

Seeing that he had finished peeling an apple, Yin bei could not help but ask.

In her eyes, Shi Mo seemed like a perfect person, and she could not find any flaws at all.

“You Want to Know My Flaws?”

“Yes, do I?”

He stared at her, and a deep smile appeared in his eyes. “So you want to know?”

“Yes!”

“Why don’t you... use the rest of your life to find out?”

Yin bei was stunned.

Use the rest of her life to find out?

Does that mean that he plans to spend the rest of his life with me?

Thinking of this, Yin Bei’s heart was filled with sweetness. She also looked forward to that day.

With his hand, she opened her mouth wide and took a bite of the apple. She chewed it a few times and swallowed it down her throat.

Suddenly, Yin bei widened her eyes and stared in shock at the apple in his hand that she had taken a bite of. “HMM... this apple is so delicious! How can there be such a delicious Apple!”

Looking at her appearance, it seemed that the apple was exceptionally delicious. For the first time, Shi Mo’s curiosity was piqued.

Chapter 1728 had no ‘what if’

“Is it that delicious?”

Yin bei nodded her head vigorously. “Yes!”

She had never eaten such a delicious apple before!

Glancing at the woman in front of him, he took a bite out of curiosity and chewed on it a few times. However, he did not feel that the apple was particularly delicious.

It did not seem to be any different from what he had eaten before.

“How is it? Is it very delicious?”

Yin bei asked as a pair of beautiful phoenix eyes stared at him.

Shi Mo chewed the apple in his mouth lightly and swallowed it. "I don't think so."

"..."Yin bei was stunned as she looked at the apple.

But why did she feel that the apple was especially delicious? Could it be because she was in a good mood?

Thinking of this, she could not help but be secretly delighted.

"Are you hungry? I'll get someone to buy breakfast."

"Have you eaten?"

"Not yet."

"Then I'm Hungry Too!"

Looking at her pretty face, he raised his hand and pinched her delicate nose lovingly.

After a while, breakfast was delivered.

"My Hand..."

Initially, she was not that hungry, but the moment she smelled the fragrance of breakfast, Yin bei immediately felt her stomach protesting. She could not wait to pick up a sandwich.

However, when she raised her hand, she noticed that her hand was injured and was wrapped in gauze.

Shi Mo didn't respond. Instead, he picked up the sandwich and brought it to her mouth. His gaze was deep as he said, "I'll feed you."

Meeting his gentle and doting eyes, Yin bei smiled and opened her mouth to take a bite of the sandwich.

"Mmm..."she chewed as she said, "I like to eat it with ketchup!"

Hearing that, Shi Mo turned his head and looked around in the bag, but he did not find any ketchup.

"Ah Nuo."

Soon, the assistant, Ah Nuo, who was guarding the door, walked in. "Young Master."

"Go and buy a bottle of ketchup."

"Yes!"

"Hey, there's no need!"Yin bei suddenly said.

She thought there was ketchup, but since there was no ketchup, it was fine.

It was just ketchup, there was no need to go out and make a trip, right?

"What's Wrong?"

Yin bei smiled and said embarrassedly, "I think it tastes good with ketchup, but if there's no ketchup, there's no need to go out and buy it."

"It's good that you like it. You Don't have to care about this." As he said that, his gaze turned to Arnold again.

Receiving his gaze, Arnold bowed his head and turned to leave the ward.

Yin bei retracted her gaze and landed on the man's face in front of her.

"If you do this, I feel like I can't Leave You."

"Then don't leave."

"But, no one can predict what will happen in the future. What if we —"

"As long as you don't leave, there's No 'what if'." He interrupted her 'what if'.

She looked at him. "Are you that sure?"

He glanced at her and suddenly moved closer. "Could it be that you're thinking of leaving me one day?"

"I don't think so! It's too late to like you..." she lowered her head, inexplicably shy.

But he raised her face with his hand. "I didn't hear you clearly. What did you say just now?"

"Nothing!" She avoided him and turned her face away, too shy to look him in the eye.

"Really?"

"No!"

"I clearly heard it."

"What did you hear?"

"It's too late for you to like me."

Yin bei paused and raised her eyes to glare at him. "You heard it and you're still asking me!"

She raised her hand, bashful to the point of anger. She wanted to punch him, but he easily caught her!

The next second, he could not help but kiss her lips.

The familiar softness brought about his unique warmth. Yin bei subconsciously wanted to push him away. After all, this was a hospital room.

However, Shi Mo did not intend to let go. He wanted to kiss deeper.

At this moment, the door of the hospital room was suddenly pushed open. Arnold walked in with a bottle of ketchup. Yin bei was so frightened that she hurriedly pushed Shi Mo away. However, she hurt her hand because of this.

Chapter 1729 went out and closed the door

“Hiss!”

“What’s Wrong?” Staring at her hand, he instantly took it over and lowered his eyes to check.

“Nothing.” She pulled her hand back. It only hurt a little, but it was not a big deal.

Ah Nuo stood at the door of the ward. He did not know whether he should go in or leave at this moment?

Seeing that her hand covered the big problem, Shi Mo was relieved. He turned to look at Ah Nuo and said, “Bring it over.”

Shi Mo did not seem to mind Ah Nuo’s appearance. Instead, he took the bottle of ketchup and opened it as if nothing had happened.

A sandwich with ketchup was Yin bei’s favorite. However, at this moment, she could not eat anymore.

“Go out and close the door.”

Noticing that Ah Nuo was still standing there waiting for orders, Shi Mo could see where her shyness was.

Arnold nodded and turned around to leave.

When there were only two people left in the ward, the redness on Yin bei’s face finally disappeared.

The two of them had just eaten breakfast when the ward door was opened again.

Before they saw her, they had already heard her voice.

“Bei bei, Bei bei! How are you! ? where, where are you injured?”

As soon as she finished speaking, Mu Dan, who had just entered, noticed that her head was wrapped in gauze and could not help but feel a wave of heartache.

“My dear, what... What happened to you?”

In the face of her good friend’s concern, Yin bei smiled. “No matter what happened, I’m fine now! Don’t Worry!”

Seeing that she was in good spirits and complexion, Mu Dan was relieved.

“I’ll never go on a date with haoyu again!” It was all because she had been with haoyu yesterday that such a thing had happened when she had returned home alone.

Hearing her words, Chen Haoyu felt very aggrieved.

“Dan Dan.”

“Dan what Dan? It’s all your fault. Why did you ask me to have barbecue yesterday! ?”

“l. . .”

“Alright, how can you blame this on haoyu? It’s not his fault!” Yin bei smiled and looked at her good friend.

Mu Dan looked aggrieved. "I know, it's my fault too. I shouldn't have let you go home alone..."

As she said that, she looked like a little wife who had done something wrong. She looked at Yin bei and blinked her big aggrieved eyes.

"It's not your fault. I often go home alone. Who knew that something would happen last night?"

Shi Mo, who was at the side, quietly listened to the two sisters' conversation.

"Anyway, I won't let you go home alone in the future. If you lose your boyfriend, you can find another one. If you lose your best friend, it'll be hard to find one."

Hearing this, the corner of Yin bei's mouth twitched a few times. She hoped that haoyu would not hate her!

"I won't."

Shi Mo, who had been silent all this while, spat out three words at this moment.

Yin Bei and Mu Dan turned their gazes at the same time and looked at him in confusion.

"What won't?" Yin bei asked blankly.

He stared at her with a deep gaze. "I won't let you go home alone in the future."

Yin bei was stunned.

So what he meant was, he planned to send her home in the future?

But wasn't he very busy every day? Moreover, she and he simply couldn't get together.

He didn't explain, but Yin bei didn't ask further.

Because the flower shop was still busy, after seeing Yin bei, Mu Dan and Chen Haoyu also left.

...

In the afternoon, Yin bei's spirits were much better. From the looks of it, she could definitely be discharged tomorrow.

The reason why she was kept in the hospital for observation today was mainly to see if she had a fever. If she did not have a fever, it meant that her injuries were fine.

"Young master, Mr. Shi's call."

Not long after lunch, Arnold entered the ward. He looked at Shi Mo and said in a low voice. He was holding Shi Yuting's phone in his hand.

Chapter 1730 the arrival of Zuo Weiyi and Shi Lian

"I'm going to take a call," Shi Mo said to Yin bei who was lying on the hospital bed. He got up and left the ward.

Looking at his back, Yin bei pursed her lips.

He had been very busy after the summer vacation, but today, he had stayed in the hospital for more than half a day.

A few minutes later, Shi Mo returned to the ward. He looked at her with reluctance.

He walked to the side of the bed. Yin bei could tell that he seemed to have something on.

“I have to go to the office.”

Thinking about it, it made sense. He had already been delayed for half a day!

It seemed that this second-generation rich kid was not like those people on TV who drove luxury cars and went clubbing all day, idling around.

“You Go!”

“Then I’ll come and have dinner with you tonight.”

Knowing that she would be bored if she stayed alone in the hospital, he did not want to leave unless he had no other choice.

“There’s no need for that. You should be busy. If it’s dinner, my mother should be here.”

He pursed his lips and revealed a smile. He did not reply.

He lowered his head and planted a kiss on her lips. Shi Mo stood up and left.

Just as he opened the door, two figures suddenly appeared at the door.

“Mother?” Shi Mo looked at his mother, Zuo Weiyi, and then at his sister, Shi Lian, who was beside her. He was slightly surprised by the appearance of the two of them.

He had never mentioned Yin bei’s injury to them.

“Where’s Yin Bei?”

Zuo Weiyi glanced at her son and ignored him. Instead, she pushed him away and walked straight into the ward.

“Yin bei!”

Seeing Yin bei leaning against the hospital bed, Zuo Weiyi walked over with a smile. Then, she caught a glimpse of her injured forehead and could not help but feel a pang of heartache.

“Are you feeling better? Does it still hurt?”

Yin bei was also surprised to see Zuo Weiyi and Shi Lian who had suddenly appeared.

“Mother Shi, Lian Lian, why did you...”

“What did you do? Who Did It? Did you tell my brother? Let him help you teach those scoundrels a lesson!”

Yin bei smiled awkwardly at Shi Lian.

“Hehe, it was just a small accident.”

“Young master, it’s time to leave.” Shi Mo was still standing at the door. Arnold could not help but urge him. After all, Mr. Shi was still personally waiting for him at such an important meeting.

Hearing Arnold’s voice, Zuo Weiyi, who was sitting by the bedside, turned her head and said, “Mo Mo, your daddy is still waiting for you at the company. Hurry up and go. It’s good that Yin bei has me and Lian Lian Here!”

After taking a look at the three people in the ward, Shi Mo finally turned around and left the hospital with ease.

With Zuo Weiyi and Shi Lian’s company, Yin Bei wasn’t bored at all throughout the day.

When the sky turned dark, Zuo Weiyi and Shi Lian did not seem to have any intention of leaving.

“Mother Shi, are you... Alright?”

They had been accompanying her for the entire afternoon. She was worried that they would delay their own matters.

However, Zuo Weiyi smiled at her. “Ever since I married Mo Mo’s father, I have nothing to do almost 365 days a year. I have nothing to do!”

“I’m fine too. It’s my summer vacation!” Shi Lian also raised her hand and said.

She was afraid that Yin bei would be bored in the hospital alone after they left.

“Bei bei, can I call you that from now on?” Looking at Yin bei, Zuo Weiyi suddenly said in a friendly manner.

Yin bei was stunned at first, then she nodded blankly and said, “Sure.”

Yin bei felt very sweet towards Shi Mo’s mother’s friendly attitude.

Zuo Weiyi’s smile widened. “Do you want some fruit? I’ll Peel it for you.”

“No need, I’ll do it myself.”

“You’re Shi Mo’s girlfriend, and also the future daughter-in-law of our Shi family. You Don’t have to be so polite with me!” Zuo Weiyi smiled as she took the fruit knife and an apple from the basket.
