

Kiss Me 1731

Chapter 1731, Beiguang District?

“Eat This?”

Looking at the Red Apple in her hand, Yin bei finally nodded unceremoniously. “Okay!”

Zuo Weiyi smiled dotingly and carefully peeled an apple for her.

When it was dark outside the window, the door of the ward was suddenly pushed open.

The moment Nian Yuqing entered, she saw Zuo Weiyi and Shi Lian sitting by the bedside.

Nian Weiyi was stunned for half a second when she saw the two of them. Then, her gaze landed on Zuo Weiyi’s face.

The moment she saw her, Nian Weiyi was astonished.

“You Are... Madam Shi?”

“Mrs. Yin.” Zuo Weiyi smiled faintly when she saw Nian Weiyi.

She had looked much more haggard after not seeing her for a few years. Was it because of Chief Yin’s death?

At the thought of this, Zuo Weiyi walked over.

“How did you...”

“I’m here to see Bei bei.”

Nian Yuqing glanced at her daughter. She even knew that she was in the hospital. Could it be that madam Shi also knew about Bei bei’s relationship with Shi Mo?

“Lian Lian, call me Auntie Nian.”

“Hello, Auntie Nian!”

Looking at the incomparably noble Shi Lian, Nian Yuqing smiled at her. “Miss Shi is too polite.”

“How is this polite? Chief Yin is my benefactor. I will never forget this kindness.”

“Madam Shi, that incident was his responsibility. If it were anyone else, he would have done the same. You Don’t have to take it to heart.”

Zuo Weiyi pulled her to sit down on the sofa. She felt guilty towards Nian Yuqing and her daughter.

Perhaps if it were anyone else, deputy director Yin would have done the same. However, he did use his life to save her and Shi Yuting.

“It’s been a few years, but you don’t seem to be doing well?”

Nian Yuqing lowered her head. “I’m much better now.”

The two chatted briefly for a while. They didn't want to bring up the sad topic of deputy director Yin's death, so Zuo Weiyi changed the topic.

"Oh right, find a time to visit us with Bebe!"

Hearing this, Nian Yuqing hurriedly declined. "No need, madam Shi, you really don't have to do this."

"This isn't being polite. It's a necessity," Zuo Weiyi said with a hidden meaning.

Nian Yuqing paused. "A necessity?"

Zuo Weiyi glanced at Yin bei and her smile deepened. "That's right."

Noticing her gaze, Nian Yuqing turned around and looked at her daughter with a blank expression.

When she looked at her like this, Yin bei was inexplicably a little shy.

What mother Shi said was inevitable. Could it be that the ugly daughter-in-law was going to meet her in-laws sooner or later?

Pui! Pui! Pui! Yin bei, you're really shameless!

Yin bei shook off this thought in her heart!

"It's decided then. When the time is set, I'll get Shi Mo to pick you guys up." Zuo Weiyi smiled. She had already decided on this matter. Suddenly, she thought of something. "Oh right, where are you guys staying now?"

"Beiguang District."

"Beiguang District?"

"Yes."

Zuo Weiyi lowered her eyebrows. She remembered that her son seemed to have bought an apartment there as well. "What a coincidence. My Shi Mo also has an apartment there —"

Just as she was about to say something, she suddenly hesitated. She suddenly realized something and her gaze landed on Yin Bei's face.

"Didn't you guys live in the north of the city before?"

"Yes, but four months ago, you moved to City Z," Nian Yuqing replied.

"Oh..." Zuo Weiyi nodded, but she looked as if she was deep in thought.

Shi Mo seemed to have bought a house four months ago. Could it be that..

After looking at the mother and daughter once again, Zuo Weiyi did not continue this topic. Instead, she smiled and stood up. "In that case, I'll get Shi Mo to pick you up another day!"

With that, she picked up her bag and left with her daughter.

Chapter 1732 you are unfilial

Just as she reached the door of the ward, she suddenly stopped and turned around to look at the mother and daughter. "AH, it's better to wait for Bei bei to be discharged. I'll Get Shi Mo to pick you both up at Shi Mansion."

When Nian Yuqing heard this, she wanted to decline politely, but Zuo Weiyi had already pulled her daughter away. "It's settled then!"

As soon as she finished speaking, the mother and daughter's figures had already disappeared from the door of the ward.

Looking at the door that had closed once again, Nian Yuqing could only helplessly turn around and sit down in front of the hospital bed.

She raised her eyes and glanced at her daughter. "Bei bei, does madam Shi know about your relationship with Shi Mo?"

Looking at her mother, Yin bei was still a little shy, but she still nodded. "Yes."

"Shi Mo said that?"

"Yes."

Nian Yuqing lowered her face. Looking at Madam Shi's appearance, it seemed like she quite liked her daughter, but she did not know what Mr. Shi's attitude would be like.

She vaguely remembered the first time she met Shi Yuting. That ice-cold face of his was filled with an air of nobility. He looked as if no one else in this world could enter his eyes except for madam Shi. She did not know what he would think of Bei bei., ...

She already had nothing left. Her only wish was for her daughter to find a good home for Weiyi.

Even though it was still too early to think about all this.

Putting all these troublesome things aside, Nian Yuqing took the chicken soup from the side and scooped a bowl for her daughter.

"Drink it slowly. Don't burn it."The chicken soup was still hot when she took it out. Nian Yuqing couldn't help but Exhort.

Yin bei drank it all up.

Just as she put down the bowl, her phone rang.

Seeing the caller ID, Yin bei smiled and picked up the phone.

"Hello?"

"Sorry, I'm a little busy. I Can't accompany you to dinner."

"It's okay, I've already eaten!"

"Does your wound still hurt?"

"It's already much better."Facing his concern, every time, it made her feel warm in her heart.

“I’ll finish my work around 9 pm.”

“In that case, you can go straight home.”

Shi Mo did not answer her question. Instead, he asked, “Is Auntie at your place now?”

Yin bei looked up at her mother and nodded in a daze. “Yes, What’s Wrong?”

“Her body isn’t good, so it’s not suitable for her to stay up late.”

Yin bei frowned and quickly realized the meaning behind his words.

“Aren’t you going to work late?”

“Yes, I’ll Go Buy You Supper.”

Yin bei smiled.

“But, I also want my mother to accompany me.”

“You’re being unfilial.”

“You’ve been unfilial for so long?”

“You know Auntie’s health isn’t good, yet you still want her to stay up late to accompany you.”

“You’re being unreasonable.”

“Is that so?”

“Yes!”

“Pass the phone to Auntie.”

“What for?”

“You’re too embarrassed to speak, let me do the talking.”

Hearing his heavenly voice, Yin bei looked up at her mother.

But how could she hand the phone to her mother for something like this.

“Is it Shi Mo?”

Just as Yin Bei was hesitating, Nian Yuqing suddenly spoke.

Yin bei was slightly stunned. She looked at her mother and nodded blankly. “Yes.”

“I’ll talk to him for a while.”

Yin bei widened her eyes. Could it be such a coincidence?

Although her heart was filled with doubt, she still passed the phone to her mother.

After taking the call, Nian Yuqing took the phone and left the ward.

Sitting on the bed, Yin bei looked at the door of the ward from time to time. She did not know what her mother and Shi Mo were going to say.

Three minutes later, Nian Yuqing returned to the ward.

“Bei bei, Mom still has to go to work tomorrow, so I’ll go back first.”

Yin bei was a little surprised by her mother’s words.

Chapter 1733: waking up due to urination

“I’ll be leaving first. You should rest well. Mom will come and visit you tomorrow night.”

In an instant, Yin bei was stunned. Just as she was about to say that she might be discharged tomorrow, her mother’s figure had already disappeared at the door of the ward.

If it was in the past, even if her mother had a job, she would definitely stay at the hospital to accompany her. At this moment, what exactly did Shi Mo’s mother say?

After thinking for a while, looking at the phone that had already hung up, Yin bei could not help but call again.

The phone rang and was quickly picked up.

On the other end, Shi Mo seemed to know that she would call.

“What’s Wrong?”

“What did you say to My Mother?”

“Nothing.”

“Nothing. How could my mother leave on her own?”

“I just said something to her. Because I’m very busy after summer vacation, I only have time to accompany you at night.”

Hearing Shi Mo’s words, Yin bei pondered for a few seconds.

Her mother was a very understanding person. After hearing Shi Mo’s words, she must have felt that the only short period of time at night was reserved for Shi Weiyi and Shi Mo, so she didn’t want to stay and disturb them?

“Why? You Don’t like me to accompany you?”

“No, I just think that my mother is too good.”

“I think so too. From now on, we should treat her better.”

Yin bei smiled like a shy rose.

“What are you doing now?”

“I just had dinner and plan to continue working.”

“Why are you busier than the other rich second generation?”

“I really don’t know how to answer your question.”

“Alright, then I won’t answer it. Anyway, if I answer it, I might not understand.”

Shi Mo chuckled and did not continue the topic.

The things that he had to inherit were usually much more than those rich second-generation heirs.

On the contrary, he should not be so busy after officially taking over the Supreme Emperor’s business.

It would take several days just to clearly differentiate the businesses under the Supreme Emperor’s banner, let alone start to understand them.

“I’m going to be busy. Have a good rest. I’ll see you in two hours.”

“Okay, you go ahead!”

After hanging up the phone, Shi Mo turned around and walked into the private room to continue the contract.

Yin bei, who was lying on the hospital bed, seemed to have nothing to do, so she took out her phone and started to play.

After playing for a while, she felt a little tired and unknowingly fell asleep.

At 9:10 pm, Shi Mo walked into the hospital room with a midnight snack.

Looking at the sleeping person on the bed, his footsteps suddenly became lighter. He walked to the Round Table and put down the midnight snack.

Walking to the side of the bed, Yin bei was in a deep sleep and did not notice his arrival at all. Shi Mo also could not bear to disturb her.

He turned around and walked into the bathroom, deciding to take a shower first.

After the contract was finished, he did not go home. Instead, he bought a change of clothes in the shop and went straight to the hospital.

He had a fetish. If he did not take a shower for a day, his mood would be very bad.

Meanwhile, the direction of Shi Mansion and the hospital was completely opposite. If he went back and forth, it would take at least an hour and a half. By that time, it would already be 11 o’clock in the night. He did not want to waste this one and a half hour.

Although the VIP Ward was not as comfortable as his home, it had all the internal organs. It had an independent bathroom and bathroom.

Shi Mo brought his change of clothes and walked into the bathroom.

When Yin bei woke up on the hospital bed, she was woken up by her pee!

In her sleep, she seemed to have forgotten where she was.

She instinctively lifted the blanket, got off the bed, and quickly rushed towards the bathroom.

So urgent!

Chapter 1734: an awkward scene

The door wasn't locked because it was already late at night and there wouldn't be any outsiders.

Opening the bathroom door, Yin bei didn't even look at the scene inside. She directly rushed in, took off her pajamas, and sat down on the toilet!

Phew..

Yin bei heaved a sigh of relief as though a heavy burden had been lifted off her shoulders. However, she didn't expect that when she raised her eyes, she would be completely dumbstruck!

At this moment, Shi Mo was also holding a towel and looking at her in a daze.

She actually charged in just like that?

Yin bei looked down and when she saw the area below the man's abdomen, her pair of clear black eyes widened to the size of copper bells!

That, that was the man's..

It was the first time she had seen the male symbol of an adult man. Yin Bei's fair and clean face instantly turned red like a strawberry, and it was filled with an uncontrollable shyness!

"That... I, I didn't see anything!"

She pulled up her pajamas in a fluster, and like a little rabbit, she swiftly dashed out of the bathroom!

Then, with a bang, she slammed the door!

Whoosh..

Her face was so hot, so hot, so hot!

Yin bei, who had rushed out, used her hand to touch her face, and she felt as if her face was burning!

At this moment, even though Shi Mo was slightly surprised by her sudden action of rushing in, but after he calmed down, his sexy thin lips couldn't help but raise slightly.

She actually said that she didn't see anything, so was she planning to not take responsibility?

After putting on his clothes, Shi Mo walked out of the bathroom.

Hearing the sound of the door opening, Yin bei immediately turned around as if she had seen a ghost, glaring at Shi Mo who had walked out.

"He, Hello..."

For a moment, Yin bei, who didn't know how to open her mouth, suddenly blurted out these words.

Shi Mo stared at her, then secretly curled his lips, ignoring her. Instead, he walked to the sofa at the side and placed the clothes he had changed into into a paper bag.

Yin bei pursed his lips and looked at his actions. Suddenly, he remembered something.

“That, you... why are you bathing here?”

She had never thought that Shi Mo would bathe here. Their family was obviously well-off, wasn't it? There was no need for him to come here to bathe.

After putting the clothes away, he turned around and looked at her with his black eyes.

This glance made Yin bei inexplicably avoid his gaze.

It was so awkward. Right now, her mind was filled with his naked appearance. Ugh... she even felt that she had become so dirty!

“I wanted to come over earlier to accompany you.”

”...”for a moment, Yin bei was still a little stunned by this sudden remark.

Because she wanted to come over earlier to accompany her? That wouldn't mean that she would come to the hospital to take a bath.

Meanwhile, Shi Mo could see her confusion. He pursed his thin lips slightly, but he didn't expose her. Instead, he turned around and walked towards the Round Table.

“I brought you supper.”

That's right!

From the beginning, she could smell the fragrance!

Forgetting the awkwardness just now, Yin bei walked towards the Round Table and saw that there were all kinds of supper on it.

“Mu Dan said that you like to eat these.”He took out the packed kebabs and a portion of fried noodles.

These were bought from the night market's food stalls. This was also the first time Shi Mo went to such a place to buy food.

Seeing her favorite kebabs, Yin bei beamed with joy!

“En!”

She couldn't wait any longer, picked up a mutton kebabs and started eating.

Seeing that she was eating with relish, Shi Mo's mood seemed to be following her around.

After eating the supper, Yin bei was greatly satisfied.

It was already late at night, so she took a simple shower and then lay on the hospital bed.

Shi Mo directly laid down on the sofa.

The sofa in the hospital was not as big as the one at home. On the other hand, with Shi Mo's height of 1.8 meters, lying down on it seemed a little out of place.

Chapter 1735 the sofa was a little small

"Are you sleeping well?"

Knowing that he still had to work tomorrow, would he sleep well if he just stayed on the sofa for an entire night?

Looking at him, Yin bei was a little worried.

The sofa was at the other end of the bed. Shi Mo was lying on it, and their gazes met.

"Sure."

"But, that sofa seems to be a little too small to sleep on you..."

Glancing at the sofa that was only big enough for the three of them to sit on, Shi Mo felt wronged by his height of 1.86 meters.

Shi Mo looked at her but did not say anything else.

In the next second, he suddenly stood up and walked straight towards the hospital bed.

Yin bei did not understand what he was going to do. In the next moment, Shi Mo had already lifted the thin white blanket on her body and leaned forward to lie down on it. who was beside her.

"..."

Looking at him, Yin Bei's face was blank.

"You..."

He glanced at her slightly, his black eyes staring at her face. "It seems that this place is indeed a little more comfortable."

Yin Bei's eyes widened. A man's aura assaulted her face, and she could clearly feel his heartbeat.

She lowered her head, feeling inexplicably shy.

"What if a nurse comes..."

"It's fine." He closed his eyes and hugged her to sleep.

She looked up at his confident expression.

This fellow was too narcissistic.

However, Yin bei was still a little worried. They were still university students, yet they were 'sharing a bed'. Wouldn't it be bad if someone saw them?

However, Shi Mo had already closed his eyes and did not speak anymore.

The night was quiet and deep.

Yin bei, who was lying on the hospital bed, did not fall asleep. Instead, she became more and more awake!

Hu..

What should she do? She simply could not fall asleep with him hugging her like this.

At this moment, she seemed to be able to clearly hear the 'Plop Plop Plop'sound of her heart beating in her chest. It was like a deer bumping around!

"You can't fall asleep?"

In the quiet night, the man's voice suddenly sounded. It was like the sound of flowing water, reverberating in the valley. It was exceptionally pleasant and pleasant to the ears.

It also caused Yin bei who had her eyes closed to instantly open them!

When she raised her eyes and met his deep gaze, her heart trembled again.

"Mm."She nodded.

Even though she had been very close to him before, but this was the first time they shared a bed.

The man glanced at her but did not speak again. Instead, he suddenly lowered his face and kissed her with his thin lips..

A kiss caught Yin bei off guard, and her heart beat even faster!

This kiss did not go on for very long. Very soon, Shi Mo released her.

"Go to sleep. I still have to wake up early tomorrow."

After being kissed by him, Yin bei felt that she might not be able to sleep tonight!

Fortunately, as the night gradually approached, Yin bei was finally pulled into eunuch Zhou's dream.

On this page, she slept very soundly, and even had a wet dream!

In the dream, she and Shi Mo kissed under the Maple Tree, and then..

"Miss Yin Bei?"

"Yes?"

"Miss Yin Bei?"

Ah?

In a daze, she suddenly heard someone calling her name. She was woken up from her sleep, and when she woke up, she saw the nurse standing in front of the bed.

She then looked to her side. Shi Mo was no longer there.

She sat up and looked at the nurse. She saw that she was staring at her with a smile.

Because she was dreaming just now, Yin bei did not know what she was smiling about. She subconsciously raised her hand to wipe the corner of her mouth. Could it be that she was drooling in her dream just now?

She felt that the corner of her lips was clean. It should be that she was not drooling. Then why was the nurse smiling?

“What, What’s Wrong?”

The Nurse’s smile made Yin bei inexplicably feel a little scared.

“Nothing. Just now, Miss Yin bei seemed to be Dreaming?”

Chapter 1736 was different today

Eh! ?

Yin bei looked at the nurse in surprise. She even knew about this?

“Did... did I do something strange?”

“PFFT!”

The nurse suddenly covered her mouth and laughed coldly!

Yin bei felt even more strange.

Did she really do something strange just now?

The nurse looked up and smiled at her. “Did Miss Yin bei have a beautiful dream?”

“Just tell me directly, what did I do?” If this continued, she would definitely be driven mad by this nurse’s beauty!

“You seem to be kissing someone...”

Oh, my God!

Yin bei lowered her head, wishing she could dig a hole to hide herself!

She was so embarrassed!

In the dream, she was indeed kissing Shi Mo. could it be that she was pouting and kissing someone at that time?

Looking at her embarrassed expression, the nurse smiled and checked her wound.

“Miss Yin bei, do you still feel uncomfortable anywhere?”

Knowing that she was embarrassed, the nurse did not smile. Instead, she started her work with a serious expression.

Yin bei raised her head and looked at her. “No.”

“If there’s no problem, you can be discharged today.”

“OH.” She nodded and looked behind the nurse.

It was strange. Shi Mo had already gone to the office so early in the morning?

“UM, when you came in, didn’t you see anyone?”

The nurse was a little stunned by her question.

“Who?”

Yin bei paused. She thought of the kiss in her dream and the ‘sharing bed’ from last night. In the end, she did not mention Shi Mo’s existence.

“Uh, it’s nothing.”

“If there’s nothing else, I’ll make a move first. Your family will be here in a while. Ask him to come over and go through the discharge procedures before you can leave.”

“Alright.”

After the nurse left, Yin bei took out her phone and looked at the time.

It was only seven o’clock, so early.

But Shi Mo went to the office so early? Why didn’t he wake her up.

She thought for a moment. Perhaps he didn’t want the nurses to come to check on the ward early in the morning and see them sleeping together, so he left early in the morning?

Just as she was thinking, the door to the ward was pushed open.

She looked up and saw Shi Mo walking in with breakfast.

“You didn’t leave?”

“It’s so early. Where are you going?”

He walked over and put down the breakfast. There was a bowl of millet congee, egg pancakes, and fried dumplings.

“I thought you went to the office.”

“Not today.”

She was stunned and puzzled. “What’s Wrong?”

“It’s the weekend.”

“Aren’t you usually busy on weekends?”

“It’s different today.” He answered her question as he took out his breakfast and laid it out one by one.

“How is it different?” She looked at him curiously and asked.

“You’re discharged from the hospital.” After setting up the breakfast, he turned his head and looked at her. “Then go to my house.”

Yin bei paused for a moment. There was a look of surprise between her brows. “Go to your house? What for?”

“My mother wants to take you and Auntie for a meal. I heard that it was decided yesterday?”

Uh, it was only past seven, yet he already knew about this?

“Then last night, you said that you had to wake up early today. I thought you were going to the office.”

“Weren’t you worried that the Nurse would see something that you shouldn’t?” That was why he wanted to leave before the nurse made her ward rounds.

Yin bei instantly understood.

So he was thinking of her.

The two of them had just eaten breakfast when Nian Yuqing arrived.

“Mom, aren’t you still working today?”

“Shi Mo called me in the morning, so I took a day off.”

The job that Nian Yuqing was looking for was to be a maid in someone else’s house, so there were no weekends or rest days.

Chapter 1737: visiting Shi Mansion

“You were discharged from the hospital today. Why didn’t you tell Your Mother Yesterday?” If she had said that earlier, she would have applied for leave in advance.

“I had planned to tell her when you left yesterday, but you left too quickly!”

Looking at her daughter, Nian Yuqing smiled gently. She did not blame her.

“Does the wound still hurt?”

“I can’t feel the pain anymore.” Yin bei shook her head.

“That’s good.”

“You can go now.”

Just as he was done with the discharge procedures, Shi Mo walked into the ward and said to the mother and daughter.

After leaving the hospital, Shi Mo drove his car to the main entrance of the hospital. Perhaps it was because of his eye-catching appearance, or perhaps it was because the limited edition luxury car was too eye-catching, but as soon as he arrived at the entrance of the hospital, he immediately attracted a lot of attention.

After getting into the car, he did not drive towards the direction of Beiguang District, but Shi mansion instead.

Although she had received Zuo Weiyi's call in the morning, Nian Yuqing was still a little worried.

After all, the Shi family was not an ordinary person.

"If we go, won't it be too troublesome?"

Looking at Shi Mo in the driver's seat, Nian Yuqing asked softly.

"It won't."

Shi Mo replied softly. In the blink of an eye, the Blue Spyker had already arrived at Shi Mansion.

After alighting from the car, Yin bei was instantly stunned when she saw the magnificent european-style buildings in front of her.

This... wasn't this too luxurious? It was even more luxurious than the z nation's presidential palace.

That's right, she seemed to have heard that Shi Mo's father had once ascended the throne of C Nation's president. For some unknown reason, he took the initiative to abdicate.

She knew that Shi Mo's background was very powerful, but at this moment, Yin bei felt that the gap between their statuses was really insurmountable.

Looking at the majestic mansion in front of her, Nian Yuqing who got off the car was also stunned for a moment.

This was much bigger than the villa they had previously lived in.

"Yin bei!"

The mother and daughter pair saw in a daze that a figure immediately dashed out from the carved gate. It was Shi Lian!

"Lian Lian!"

Seeing Shi Lian, Yin bei smiled at her.

Then, Zuo Weiyi also walked out from behind her.

"Come in quickly!"

Pulling Yin bei along, Zuo Weiyi liked her very much!

"Madam Shi, you're really too polite."

"Madam Yin, if you say that again, I'll be embarrassed."

Zuo Weiyi and Nian Yuqing looked at each other and smiled. Then, they walked into the living room.

Upon entering the living room, Yin bei was once again stunned by the magnificent scene before her.

She could not imagine how much money Shi Mo's family actually had?

Soon after, the sound of lazy footsteps could be heard from the top of the stairs.

Everyone's gazes turned over, only to see a noble figure slowly walking down.

Looking at the figure slowly walking down the stairs, Yin bei recognized it at a glance. That person must be Shi Mo's father, right?

It was because he looked just like him, and he was so young.

She finally understood why Shi Mo was so handsome. It was indeed because of his strong genes!

"Daddy!"

Seeing Shi Yuting, Shi Lian immediately ran over and held his arm intimately.

Shi Yuting's gaze fell on his beloved daughter's face. The doting look in his eyes made anyone who saw it envious.

Not far away, when Yin bei saw this scene, she could not help but think of her father being alive.

When she was young, after her father got off work, she also ran to him like that and hugged his thigh, saying, "Dad, you're back!"!

He was like a big tree, protecting her and her mother, shielding them from the wind and rain.

But now, everything no longer existed.

PS: I recommend Mia's new book, "Young Master Jue, late at night busy!" Honey Babies, remember to pay attention to it, collect + Comment + recommendation ticket, Tonight at 10 o'clock Group RED PACKET! February 24,2017

Chapter 1738 was quite approachable

Stroking his beloved daughter's head, Shi Yuting walked towards the center of the living room together with Lian Lian.

Looking at the king-like man in front of her, Nian Yuqing bowed to him. "Mr. Shi."

"There's no need to be so formal. Have a seat."

As soon as she finished speaking, Shi Yuting was the first to sit down on the sofa. Shi Lian naturally sat beside him.

The warmth of the family in front of her made Yin bei extremely envious.

"Where's old Mister Shi?"

"Grandpa's body is old, and his legs aren't convenient anymore. He's on the second floor," Zuo Weiyi said to Nian Yuqing with a smile.

"Then I'll go up and say hello to Bei bei."

To Nian Yuqing, Shi Le was also a big shot. Since he was here, there was no reason for him not to say hello.

“There’s no need to go too far. Grandfather and mother will come down for dinner later.”

After taking a glance at Zuo Weiyi, Nian Yuqing did not insist further.

“Bei bei, can I bring you to visit our house?”

Shi Lian was not interested in the adults’ conversation. On the contrary, she felt very bored.

Thinking about the first time that Yin bei had come, she planned to bring her to visit the entire Shi mansion.

Perhaps it was because of the nobility of Shi Mo’s father’s residence that Yin bei, who was sitting on the sofa, had always felt a nameless sense of oppression in the living room. She felt very uncomfortable.

Hearing Shi Lian’s words, she could not wait to agree. “Sure!”

The two girls stood up and held hands as they headed up to the second floor.

“This is my parents’ room and my great-grandfather’s room...” after dragging her around the second floor, Shi Lian brought her to the third floor.

“My brother and I both have rooms on the third floor. This one is mine. Do you want to go in and take a look?” After arriving at the door of her own room, Shi Lian turned around and asked Yin bei with a smile.

Yin bei nodded. “Yes!”

“It’s so beautiful. It looks like a princess’s room...” looking at the various decorations in the room, it really looked like a princess’s room in a fairy tale.

“Hehe, my daddy made it for me! Although I like it very much, when I grow up, I feel that it’s not suitable for this kind of room.” After graduation, she planned to let her dear daddy redecorate the room.

“Your Daddy looks like he’s very difficult to get close to.” Although Shi Mo looked like his father, this did not seem like it.

“Is that so? But after a long time, you’ll realize that my daddy is a very nice person!”

Will he? Yin bei smiled, it was hard to imagine.

“Didn’t my brother give you this kind of feeling?” Shi Lian turned her head and suddenly asked.

“No, your brother is quite approachable.” Although she had previously thought that he was difficult to get close to, after dating him, she realized that he was quite approachable.

However, Shi Lian looked at her suspiciously. “Are you sure?”

“Isn’t he?”

“You don’t know. On My 18th birthday, I brought a few classmates back. Every one of them liked my brother, but none of them were favored by him! My classmates all asked me if my brother was very difficult to get close to? Because he always treated others coldly.”

Hearing Shi Lian’s words, Yin bei couldn’t help but recall.

When she first met Shi Mo, he indeed had a cold expression and didn't even pay attention to her when she spoke to him.

Since when did he make her feel that he was very approachable?

She couldn't remember.

"Furthermore! When my brother was in the company, he gave others the same feeling. Do you feel that my father gives others a very oppressive feeling?"

With me in chapter 1739, you won't get lost

"Yeah, it's as if the surrounding air is alive because of him."

"My Brother didn't?"

"No!"

"That's for you. Only the people closest to him will smile."

Really?

Thinking about it, it was indeed rare to see him smile at others in the past.

"Let's go, I'll show you my brother's Room!"

Pulling her along, the two of them went to the next room together.

Compared to Shi Lian's room, Shi Mo's room was much simpler and more monotonous.

The entire room was mostly decorated in black and gray, giving off a very clean and neat feeling.

Looking at the large bed, Yin bei's mind suddenly flashed back to the scene of 'sharing a bed and sleeping together' at the hospital last night, and she could not help but blush.

"Your brother's room is so simple."

"Mm, he doesn't like things that are too troublesome, just like his personality."

After the two of them finished touring the room, they came to the back of the villa. There was a huge swimming pool.

"Brother likes to swim in the morning. Every morning, he would—" Shi Lian said. Suddenly, as if she had thought of something, she turned her head and looked at Yin bei.

She looked at her suspiciously.

"What's Wrong?"

Yin bei was somewhat puzzled by her gaze.

"My Big Brother actually didn't come home last night. Was he accompanying you at the hospital?"

Yin Bei's face flushed red again when she was asked.

“Yes.”

“Your faces are so red. Did you guys do something shameful?”

“No!” Yin bei immediately denied reflexively!

Shi Lian Snickered silently.

Looking at her blushing face, there must be something going on since she didn't do anything shameful!

“What are you talking about?”

While the two of them were talking, a deep and deep voice suddenly sounded from behind them.

Yin Bei and Shi Lian both turned their heads and saw Shi Mo standing at the glass door.

“Brother!”

Glancing at the two of them, Shi Mo's gaze finally landed on Yin Bei's face before walking towards her.

“Lian Lian —”

Behind him, Zuo Weiyi's voice sounded.

“Mommy!”

“Come here for a moment!”

Smiling as she looked at her daughter who was standing beside Yin bei, Zuo Weiyi waved at her.

“Alright!”

Shi Lian ran over happily!

In an instant, only Shi Mo and Yin bei were left by the huge pool.

The two of them walked along the pool for some distance before arriving under the umbrella.

“Your house is so big that I would get lost.”

“With me around, you won't get lost.”

Yin bei pouted, but her heart felt strangely sweet.

“Come here.” He suddenly raised his hand and beckoned at her.

Yin bei, who was leaning against the Recliner, was stunned. “What?”

“I have something for you.”

Curious about her, she could not resist his temptation and eventually walked over.

Shi Mo raised his hand and pulled her into his embrace, sitting on his lap.

“Hand.”

Shi Lian obediently stretched out her hand, thinking that he was going to place something in her palm, so she opened her palm.

“What is it?”

Shi Mo’s palm had a unique bracelet. In the middle of the bracelet, there was a dark green gem and a beautiful shell hanging down every inch.

He put the bracelet on her left wrist.

“Why did you suddenly give me a gift out of Nowhere?” Looking at the unique bracelet, Yin bei asked curiously.

Shi Mo looked up and his gaze landed on her face. “I thought it was very beautiful, so I bought it.”

Yin bei also felt that this bracelet was unique. There was actually a shell on it.

Dark Green, a shell..

She suddenly raised her head and looked at the handsome face in front of her. “Does this bracelet have a name?”

“No, why don’t You Pick One?”

“Mo bei!” Yin bei said without thinking!

Chapter 1740 would tell

“PFFT!” Shi Mo could not help but laugh coldly. “Why don’t you call it a green shell?”

In the deep sea, there really was a type of shell called a green shell. It could be eaten, but he had never heard of a shell called ‘Mo bei’.

Being teased, Yin bei immediately lowered her head.

“I’ll call it Mo bei.”

Glancing at her disappointed little face, he suddenly said.

Yin bei looked up. She knew that he was taking care of her feelings, but her heart was still sweet.

..

After lunch, Nian Yuqing and Yin bei planned to leave.

However, before they left, Zuo Weiyi called Yin bei into the room.

“Shi.”

“Come here.”

Yin bei walked over and stood in front of Zuo Weiyi’s dressing table.

“This is for you.”

Zuo Weiyi handed an exquisite box to Yin bei and said with a smile.

Yin bei was stunned as she could not see what was inside. "What's This?"

"It's a small gift for you!"

"I can't accept this." Yin bei was about to decline, but Zuo Weiyi insisted that she accept it.

"How can I not accept it? This is the first time mother Shi has given a gift to her son's girlfriend as a future mother-in-law. If you reject it, I'll be very sad!"

After hearing her words, Yin bei really had no way to reject it.

"Then what's in this box?" If it was too valuable, she really did not dare to accept it!

"This present is a small hope that mother Shi has entrusted to you. I believe that you will be able to use it after you graduate!"

After graduation?

What exactly was in this box?

Hearing her words, Yin bei became even more curious. However, in front of Zuo Weiyi, it was not appropriate to open it directly.

"Take it. If you don't need it, you can return it to me later!"

Unable to refuse, Yin bei accepted the gift in the end.

...

In the afternoon, after sending the two of them back to Beiguang District, Nian Yuqing was the first to alight from the car.

When Yin bei also unbuckled her seatbelt, Shi Mo, who was in the driver's seat, suddenly said, "Come with me to a place."

Yin bei stopped unbuckling her seatbelt and looked up at him. "Where are you going?"

"We'll know once we get there." As soon as he finished speaking, he looked up at Nian Yuqing, who was still standing by the side of the car waiting for her. "Auntie, I'm taking Yin bei Somewhere."

Nian Yuqing glanced at Shi Mo. when they went to the Shi family's house today, judging from Mister Shi's attitude, he didn't seem to dislike Bei bei. With his intelligence, he should have been able to tell that Bei bei and Shi Mo were dating and didn't give Bei bei any face, he must have tacitly agreed that the two of them were dating?

Now, she didn't have to worry that this relationship would have no results at all.

Looking at Shi Mo, Nian Yuqing smiled warmly. "You guys go ahead."

The Blue World Knight left. Yin bei didn't know where he was going to take her, so she sat in the passenger seat with nothing to do and opened the present that Zuo Weiyi had given her.

When she saw the glittering jewelry inside, Yin bei was completely dumbfounded!

Inside... was a princess crown!

This thing looked very noble. Why would Shi Mo's mother give such a valuable thing to her?

"What's Wrong?"

At the intersection of the Red Street lights, Shi Mo turned his head and glanced at her. He happened to catch a glimpse of her surprised side profile.

Yin bei slowly turned her head. "Why did your mother give me such an expensive gift?"

Not knowing what she was talking about, Shi Mo leaned over slightly and caught a glimpse of the glittering crown.

"Perhaps, you'll need it in the future."

He turned his head and his gaze fell on the red light ahead.

"How could I possibly need it! ? This is a crown, I'm not a Princess!"
