

Kiss Me 1751

chapter 1751 Who Was That Man in?

His mother stayed at home every day. What help did she need?

With just one sentence, everyone in the Presidential Palace fell silent.

Wasn't he clearly trying to snatch someone away from Mr. President?

"I still have some matters to deal with. I'll visit you again next time." Shi Yuting suddenly stood up from the sofa.

Lu Baiyan was stunned for a few seconds. Although it was to draw in the relationship between him and Shi Yuting, since he had matters to attend to, he naturally couldn't force him to stay.

"In that case, I won't keep you."

Shi Yuting pursed his lips slightly and strode towards the door.

Looking at his father's back, Shi Mo paused for half a second and turned to Yin bei and Nian Yuqing.
"Auntie, let's Go!"

After bowing to Lu Baiyan, Nian Yuqing also left.

When the group of people disappeared at the door, Lu Ping'er immediately turned her head and looked at Lu Baiyan. "Daddy, who's That Man?"

"Which one?" Lu Baiyan turned around and looked at his daughter.

"The one who was standing just now."

"He's the Crown Prince of the Di zun group, Shi Yuting's son."

"That's him!?"

"Yes, What's Wrong?"

"Daddy, are you discussing something with the Di Zun Group?"

"Yes."

"In other words, you've been in contact with the Shi family recently?"

"I think so!"

The current Supreme Emperor was as rich as a country. There were indeed some things that he wanted to ask Shi Yuting for help.

"That's Great!"

Lu Pinger was very happy and a happy smile appeared on her face.

Looking at his daughter, Lu Baiyan did not understand.

Could This child... like Shi Mo?

If that was the case, he naturally hoped to be able to marry the Shi family into Qin Jin. This way, his position in Z country would be more stable.

Of course, some things could not be forced.

...

After leaving the presidential palace, under Zuo Weiyi's suggestion, Nian Yuqing opened a small stir-fry restaurant.

She did not have any work experience, but she was a good cook. Yin bei felt that this suggestion was very good. At least this way, her mother would no longer have to rely on others to serve others.

Hence, she set up a stall in the Snack Street.

When the stall opened, Shi Mo and Shi Lian brought many classmates and acquaintances to support the stall.

"Auntie, the rice cake you cooked is so delicious!"

Looking at the girl, Nian Yuqing smiled. "As long as you like it."

"As long as I have time in the future, I will definitely come to eat often!"

Yin bei stood at the side and took a sip of the water in her glass. Her gaze fell on the girl's face.

She remembered that this girl was the one who had an intimate interaction with Shi Mo on the day of the first snowfall.

She came here because Shi Mo introduced her to him?

What was their relationship?

The girl was eating rice cake when she suddenly met Yin bei's gaze. The smile on her face froze, and she realized that Yin bei was staring at her.

Xiang Jingmo raised her hand and waved at her.

This sudden action surprised Yin bei.

She knew me?

Then, she saw the girl get up from her seat and walk towards her.

"Hello, Are You Mexico's girlfriend?"

Yin bei was stunned.

Mexico?

"You Mean Shi Mo?"

The girl smiled sweetly. "Yes, I'm his cousin, Xiang Jingmo!"

So it was his cousin..

Thinking about how she had almost misunderstood her relationship with Shi Mo, Yin bei could not help but feel a little awkward.

“Hello.”

“Auntie’s food is too delicious! and Guan Dong’s cooking is too delicious!”

Yin bei smiled. “As long as you like it!”

As the two of them were talking, another voice sounded.

“Are you busy?”

Chapter 1752: Don’t let the good news spread to outsiders

The two girls turned their heads when they heard Wen Sheng’s voice. Xiang Jingmo was the first to speak. “Brother Mo!”

Shi Mo raised his hand and touched the top of her head. “Is it good?”

“It’s good! It’s especially good!”

Shi Mo gave a faint smile, and then his gaze fell on Yin Bei’s face. “You’re still very busy?”

“It’s all thanks to you and Lian Lian that my mother’s stall’s business is so popular!”

He smiled and pulled her into his arms. “Don’t let others get away with it. Of course I have to help my mother-in-law’s business.”

“TSK, so narcissistic!”

“Shi Mo is here.”

Seeing Shi Mo, Nian Yuqing greeted him.

Shi Mo and Yin bei walked to the stall and started to help out.

Knowing that he had a high status, Nian Yuqing naturally did not dare to let him do these things that were beneath his dignity. She hurriedly said, “No need! You guys just go and sit down!”

“It’s Alright, we’ll help you first. I want to borrow Yin bei later.” Shi Mo did not seem to mind helping out with the chores.

“If you guys have something to do, then leave first. Auntie can handle it by herself!”

“That’s right, aren’t we still here? If we can’t handle it later, Sister Lian and I will go and help too!”

“That’s right, that’s right. You guys go on a date. We’re Here!” Shi Lian, who was sitting at the table, suddenly stood up.

Shi Mo turned his head and his gaze landed on Yin Bei’s face. “What do you think?”

“Where are you going?”

“I haven’t watched the movie from last time.”

Hearing him say that, Yin bei recalled that they were supposed to watch a movie that night, but because of his mother’s matter, they canceled it.

“You guys go ahead. There are still so many children here. Don’t worry about this place,” Nian Yuqing also said.

Under the urging of their mother, Yin Bei and Shi Mo finally left the food stall.

After watching a movie, it was still early, so the two of them went to the mall for another round.

For the first time, Yin bei realized that shopping in the mall could be a beautiful and happy thing even if she didn’t buy anything!

However, it was inevitable for girls to see things that they liked, and they would be instantly fascinated.

“Like?”

Shi Mo saw a scarf in a daze, and it was a man’s style.

“Eh?” Yin bei came back to her senses. “No!”

She was thinking that the things in this mall were quite expensive, and she wondered how much that scarf cost.

“Let’s Go!”

She took the initiative to pull him to the escalator.

“Ah, I want to go to the bathroom!”

Just as they reached the elevator, Yin bei suddenly spoke.

“I’ll wait for you.”

“Okay!”

She smiled and turned around to walk towards the washroom.

Shi Mo waited for her at the same spot.

However, Yin bei did not go to the washroom. Instead, she went to the store to check the price of the scarf.

Fortunately, it was not that expensive. At least, it was within the price range that she could accept.

“Shi Mo!”

Shi Mo stood at the same spot and looked in the direction where Yin bei had disappeared. Suddenly, he heard someone calling his name behind him.

Wen Sheng turned his head and saw a face that he was not familiar with.

“Do you remember me? !”

It was not until that figure came closer that he remembered that she was the president's daughter, Lu Pinger.

"Yes," he replied softly and did not pay much attention to her.

"You... are alone?" Lu Pinger looked around and did not see anyone else with him.

"No."

"Oh, Um... can I buy you a drink?"

"No, I'm not interested and I don't have time."

Lu Pinger was surprised by his indifference.

She was the daughter of the president. Anyone who wanted to get close to her could queue up overseas, and no one would reject her.

Chapter 1753: I'm Afraid I Can't Be Your Friend

Shi Mo was indeed different from the rest!

His indifference made Lu Pinger even more attracted to him.

"Alright then! Can I become friends with you?" She asked again.

Shi Mo glanced at her. As she was the president's daughter, he couldn't be too direct with his words.

"I'm afraid I can't Be Your Friend."

"Of course not. I want to be friends with you!" Lu Pinger said with a smile. Her eyes were filled with adoration for him!

It was not that Shi Mo could not see it, but she was of noble status. If he could ignore it, he would just ignore it.

He did not speak. Instead, he turned his gaze in the direction that Yin bei had left and coincidentally saw her return.

As he approached, he realized that he was talking to a girl. For a moment, Yin bei was stunned.

She remembered that the girl was... Mr. President's daughter! ?

Seeing Yin bei, Shi Mo's relatives smiled faintly.

Seeing that smile, Lu Pinger's gaze naturally followed his gaze. Only then did she notice Yin bei's figure walking over not too far away.

Having met her once before, she quickly remembered that Yin bei was the daughter of her nanny.

"You're back."

Looking at her, he spoke softly, took her hand and held it in his palm.

Yin bei glanced at him and her gaze fell on Lu Pinger's face. She was indeed a person from the upper class. She could casually chat with the president's daughter.

Meanwhile, Lu Pinger's gaze fell on Shi Mo's hand that was holding hers. They were... a couple?

But Shi Mo was the Crown Prince of the Di Zun Group. This girl was merely the daughter of a nanny, yet she was able to walk together with Shi Mo? This was too far-fetched.

"Let's go."

Shi Mo opened his mouth and took a glance at Lu Pinger. He nodded slightly and pulled Yin bei towards the escalator.

"That person just now, is she the President's Daughter?"

"Yes."

"Are you friends with her?"

"No."

"Weren't you chatting just now?" Yin bei was curious.

"Are you sure you're friends just because you're chatting?"

It was already 9:10 pm when they walked out of the mall.

"Then why is she looking for you?" Sitting in the passenger seat, she asked curiously.

He leaned over and fastened her seatbelt, but he did not sit in the driver's seat. Instead, he leaned closer to her and stared at her face. "She seems to be interested in me."

"..."

Yin Bei's eyes widened. "You're too narcissistic!"

He chuckled softly, but in the next second, he could not help but kiss her.

It had not been long, but it was as if he had not kissed her for a century.

The kiss did not stop. After a long while, Shi Mo finally let go of her. His eyes were burning, and his voice was low and hoarse. "I really hope that you can graduate soon."

Yin bei panted heavily, not understanding what he meant.

Why did he hope that she could graduate soon?

Back at the food stall, Nian Yuqing was still busy.

After sending Yin bei over, Shi Mo did not go back. Instead, he stayed behind to help the mother and daughter until 10:30 am before he closed the stall and went home.

Not far away, a figure stood there, staring at the food stall in a daze.

He is the noble status of the Di zun group Prince, actually so low status, to help this mother and daughter handyman?

Lu Pinger could not imagine why he would do that.

_____ * * * _____

It is said that graduation is far away, but in the blink of an eye, Yin bei also ended the university life, and read Yuqing's snack stand is more and more popular, can be said to be famous far and near!

After graduation, Yin bei was busy looking for a job, and at the same time, she helped her mother's snack stall.

Chapter 1754 together?

In this bustling metropolis, it was not easy to find an internship.

"A serving of fried rice cake!"The customer's voice broke Yin bei's train of thought.

She quickly came back to her senses and helped her mother take care of her business.

Her cell phone rang. Yin bei took out her cell phone to take a look and saw the familiar name.

"Hello?"

"What are you doing?"

"Helping my mom at the Food Stall!"

"I'm going to country Y for a business trip tomorrow."

Yin bei was stunned when she heard the voice on the phone.

Country y was so far away. It would take more than ten hours by plane.

"Will you be going for a long time?"

"About a week."

"Oh..."

Although she was reluctant, Yin bei did not say anything.

"We'll Go Together?"

Yin bei was stunned.

"Together?"

"Yes."

"You're going to take care of some things. Why should I go?"

"I need an assistant."

Yin bei hesitated.

Although he had been very busy since graduation, he still had time to have a meal every day. This trip to country y meant that they would not be able to see each other for a week. They were on opposite ends of the Earth.

However, after graduation, Mu Dan got married and did not live in beiguang district. If she went, her mother would be the only one left. She was worried.

“I won’t go. I still have to work.”

On the phone, Shi Mo was silent.

“Have a safe trip. I’m hanging up.”

Because it was the busy time at the moment, Yin bei was about to hang up.

“Wait!”

On the other end of the phone, Shi Mo spoke once again. Her action of hanging up the phone stopped.

“You’re really not going?”

“I...” She wanted to say that it wasn’t that she wasn’t going, but that she was worried about her mother.

“I don’t have any work experience. Even if I Go, I won’t be able to help you. Furthermore, my mother isn’t able to leave, so forget it.”

What she said wasn’t a reason for Shi Mo..

“I’m busy, I really have to go!”

Without waiting for a reply, Yin bei had already hung up the phone.

Because she really had to be busy!

“Here are three servings of fried rice cake!”

“Okay, I’ll be right there!”

As the night deepened, the customers at the food stall gradually became fewer and fewer.

At 10 am, after helping her mother clean up the stall, the two of them returned to Beiguang district.

After graduation, Yin bei found out that her grandfather had not bought this house for them. The one who had bought it was Shi Mo..

After returning to her room, Yin bei had just finished showering and was about to lie on her bed when her phone rang. It was a wechat message.

She picked up her phone and immediately saw Shi Mo’s familiar nickname.

[I’m downstairs.]

Yin bei paused and hurriedly ran to the window to look down.

As expected, she saw a familiar figure standing under the Four Seasons Green.

“Mom, I’m going out for a while!”

Walking out of the bedroom and passing by the living room, Yin bei hurriedly shouted at Nian Yuqing before rushing out of the door.

“Hey! Bei bei, you –”

Nian Yuqing wanted to say something, but her daughter’s figure had already disappeared at the door.

“This child, why is she wearing pajamas and going downstairs?”

She ran all the way downstairs, but the figure that had been standing under the four seasons green earlier had disappeared at some point.

Yin bei did not have the time to recover her senses when she felt a strong hand suddenly grab her. Then, with a strong force, she was pushed against the wall!

It was 10:50 am in the middle of the night. The lights in the residential area were dim, and there was no one around. For a moment, Yin bei was still a little scared, thinking that it was some bad person.

It was not until that familiar smell came into her nose that she was sure that the person in front of her was Shi Mo..

“You’re scared to death — oh –”

Chapter 1755 can prevent me from getting sick

The kiss covered her like a storm. As she grew older, the 22-year-old Yin bei could be considered a mature little woman.

At this moment, she did not even realize that she had come down in her pajamas.

Shi Mo raised his hand and touched her silky pajamas. In an instant, his entire body froze, as if he had been touched by an electric current.

In the next second, he felt an obvious commotion below his abdomen.

He had thought that he would be able to marry her after graduation, but he had never expected that after taking over the supreme emperor, he would be so busy every day that even his date with her had become extravagant.

The kiss stopped and he let go of her slightly. His voice was hoarse and carried a thick breath. “You actually came down dressed like this?”

Yin bei was delirious from the kiss, and she panted heavily.

She did not know if she was sick, nor did she remember when it started. Every time he kissed her, if it was too long, her body would become unusually hot. At first, she thought it was because of the weather, but it was obviously not the case.

Because in winter, she had the same feeling.

“You... When you gave me the news, I had just taken a shower...”

Her eyes were blurred, and she could only see the man's jade-like face under the moonlight, and his dark eyes that were as dark as the starry night.

His face was close to hers, and he stared into her eyes. His voice was hoarse and sexy, full of temptation.

"Would you like to go with me?"

"What?"

The sudden words made Yin bei, who was already out of it, unable to recover for a moment.

"Come to country Y with me."

As soon as he finished speaking, he could not help but seal her rosy lips once again.

He did not know how much longer he could endure and how much longer he would have to wait before he could bring her back to the Shi family.

"Oh..."

He could not take it anymore. That warm feeling had returned!

"Shi... Shi Mo..."

She did not know how to dispel the inexplicable heat in her body. All she knew was that the deeper he kissed her, the stronger the heat.

Shi Mo also seemed to have sensed that something was wrong with her. She had indeed grown up, and her body was gradually reacting.

She pushed him away, but she had to hold onto his neck to barely stabilize herself.

He spoke again, "Shall We Go Together?"

"But... I can't put my heart at ease with my mother."

She lowered her head and finally gave the real reason.

"I'll arrange for someone to take care of Auntie. You Don't have to worry about that."

"But, I won't be of much help to you even if I go." She looked up. After the kiss ended, the heat in her body gradually subsided.

"Who said that?"

"HMM?"

"If you go, you can prevent me from getting sick."

Yin bei was puzzled. "Getting sick? Why would I get sick when I'm Fine?"

"Lovesickness."

With just one sentence, Yin Bei's heart was like honey mixed with sugar, sweet to the core.

“Mrs. Shi, have you thought about it?” He lowered his head to gaze at her and asked softly.

“I’m not Mrs. Shi!”

“You will be sooner or later.”

“Then, I’ll go up and discuss it with my mother.”

“Okay.”

After sending her to the door, Shi Mo did not go in.

Because it was already late at night, he was afraid of disturbing Nian Yuqing’s rest.

“Give me a reply.”

Standing at the door, he was reluctant to part with her.

“Okay!”

It was not until the door was closed that Shi Mo turned around and left.

Back in the living room, Nian Yuqing seemed to have fallen asleep. However, in order to give Shi Mo an answer before the next day, Yin bei finally pushed open her mother’s room door.

Nian Yuqing was just about to fall asleep when she heard the sound of the door opening and could not help but turn her head.

“Bei bei.”

“Mom.”

“What’s Wrong?”

Yin bei walked into the bedroom and sat down by the bed. “Mom, I…”

Chapter 1756: Sleep and give me a call when you wake up

She wanted to speak but hesitated, not knowing how to open her mouth.

“Was it you, Shi Mo, just now?” Nian Yuqing suddenly asked.

Looking at her mother, Yin bei nodded. “Yes!”

“I came to look for you so late, is there something you need?”

Yin bei felt that having such a mother was truly the happiest thing in the world.

She must have known that there was something that she was unable to say, which was why she took the initiative to ask.

“He’s going to country y tomorrow. He wants me to go with him.”

Even though they had been together for three years, this was their first time traveling alone together. She did not know if her mother would mind this matter.

As someone who had been through this, Nian Yuqing knew that this society had long paid attention to free love. She was also very assured that she would entrust her daughter's life to Shi Mo..

After a hundred years, he would be very confident that he would be able to take care of his daughter.

As for the other matters, they were all matters of the younger generation. As the older generation, she did not want to interfere too much.

"Are you worried about Mom?"

Staring at her daughter, Nian Yuqing asked.

Yin bei nodded. "Yes."

"Go. Don't worry about Mom. You're already so old. Since you have the opportunity to go overseas, it's also good to take a look."

"Then your stall..."

"It's been two years. It's not like the beginning. Mom can handle it by herself. Besides, you won't be gone for long."

"Yeah, for a week."

"Go ahead. If there's really anything, Mom can give you a call too, right?"

Looking at her mother, Yin Bei's heart was filled with gratitude.

She knew that her mother never objected to what she wanted to do.

She could not help but hug her mother. "Mom, it's so good to have you."

Nian Yuqing smiled and ruffled her soft hair. "Silly child, if mom doesn't treat you well, who else can she treat?"

"Alright, it's late. Hurry up and rest. Don't you still have to go to country Y with Shi Mo Tomorrow?"

"I'll sleep with You Tonight!"

Nian Yuqing smiled gently. "Okay."

Before going to bed, Yin bei sent a message to Shi Mo..

The next morning, the two of them boarded a private plane and flew to country Y.

When they arrived at the designated hotel, Shi Mo booked two rooms. Due to the time difference, it was already nine o'clock in the morning when they arrived in country Y.

However, Yin bei still felt very sleepy and did not manage to recover from the time difference.

When they reached her room, Yin bei did not even have the time to put her luggage away before she fell onto the bed, feeling sleepy.

"So Sleepy?"

Shi Mo walked to the side of the bed and looked at her, who was sleeping with her eyes closed.

“Mmm...”

She used her face to rub against the soft bed, but the drowsiness grew stronger.

“Are You Hungry?” Because he had not eaten breakfast, he planned to let her finish eating before sleeping.

“I want to sleep...” she closed her eyes and answered him in a daze.

At ten o’clock, he still had to personally make a trip to the branch office to have an important meeting.

“Go to sleep then. Call me when you wake up.”

“Okay...”

After taking one last look at her sleeping face, Shi Mo lowered his head and pressed a kiss on her lips before turning around and leaving her suite.

After returning to his room, he took a document and went to the branch office of the Di Zun Group with his assistant.

...

Yin bei slept soundly this time.

When she opened her eyes, the sun was blazing outside the window.

She rubbed her drowsy eyes and looked at her phone. It was already 2:40 pm.

She looked at the empty room. She remembered that Shi Mo’s room was right next to hers. He should be back by now, right?

She walked out of the bedroom and into the living room. The moment she came out, she saw Shi Mo push the door open and enter.

“You’re awake.”

“Mm.”

He walked over, his eyes as warm as jade. “Are You Hungry?”

Chapter 1757 You’re My Wife, Why Bother Me?

She nodded. She was really hungry.

“Wait for me, I’ll go down to eat in a while.”

“Okay, are you done?”

“Not yet, let’s eat first.”

She did not say anything else until he was done. The two of them then left the hotel and found a restaurant to eat.

In the afternoon, Shi Mo still had to continue to be busy. Yin bei had nothing to do and wanted to go with him. However, she was afraid that she would disturb his work, so she gave up this idea.

“Do you want to go with me?”

After sending her to the hotel entrance, Shi Mo suddenly spoke just as she was about to get out of the car.

He was afraid that she would be bored if she stayed in the hotel alone.

However, after going to the branch office, he had a meeting to attend, so he could only let her stay in the lounge. It seemed that she was equally bored, so along the way, he hesitated whether he should bring her along.

Upon hearing this, Yin bei stopped opening the car door and turned to look at him. “Go to your branch office?”

“Yes.”

“Will I disturb you?”

He hugged her and smiled. “You’re my wife, why would I disturb you?”

She smiled. “Then... I’ll go for a Tour?”

“It’s my honor!”

The two of them drove to the subsidiary company of the Di Zun Group.

Although they only came here occasionally, Shi Mo’s independent office was set up on the top floor.

“I have a meeting, about an hour and a half.”

“Okay, then I’ll wait for You Here!”

He raised his hand and touched the top of her head, his eyes full of affection for her. “If you want to drink anything, just tell the people outside.”

“Okay!”

After Shi Mo left, Yin bei toured the entire office. Although it was not as grand as the head office, it was more magnificent than an ordinary high-level office.

After all, the office was only this big, and she finished touring it in a few minutes.

Yin bei walked to the leather sofa and sat down, intending to read a magazine to pass the time.

She was very clear that Shi Mo had already tried his best to find time to accompany her, but he was still here on business, so he couldn’t always accompany her.

Perhaps it was because the office was too quiet, and she couldn’t find anyone to talk to. As she watched, Yin bei leaned back on the sofa and fell asleep once again.

Rumble —

She didn't know how long she had slept. When she woke up again, Yin bei was awakened by the sound of thunder!

She opened her eyes abruptly. She was really frightened.

She looked out the window again. Suddenly, a fierce wind raged, and a bean-sized rainstorm hit the windowsill!

Perhaps it was because of the rainstorm, but it was already dark outside the window before five o'clock.

Yin bei got up and planned to walk to the window to watch the rainstorm.

Just as she was halfway there, there was a sudden 'Kacha'sound.

Then, the entire office was dark..

Rumble —

There was another burst of lightning and thunder. Yin bei could not help but swallow her saliva.

She was not timid, but now that she was standing in a completely unfamiliar and empty house, and there was no light, she could not help but feel a little apprehensive.

It was better to go out first.

Yin bei swallowed her saliva again and turned around, planning to stay outside for a while.

However, just as she was about to turn around, there was a sudden burst of lightning and thunder. Following that, a figure suddenly appeared before her eyes. Under the illumination of the Lightning, she could only see a woman with heavy makeup..

"Ah! !!"

The scream pierced through the entire office building and naturally reached Shi Mo's ears, who was in the conference room.

Due to the Thunder interrupting the power supply, the entire conference room had sunk into darkness. Before he could regain his senses, he heard the scream of another woman coming from outside the conference room!

Upon hearing that familiar voice, Shi Mo's pupils constricted as his expression changed abruptly. In the next second, he had already stood up and rushed out of the meeting room!

Chapter 1758 was wrong to scare you.

"Ah! !!"

Yin bei thought that she had seen a ghost when she saw that face covered in heavy makeup under the Lightning. More importantly, she felt as if her feet were frozen and she couldn't move at all!

A scream resounded through the clouds, causing Shi Mo, who had yet to reach the office, to feel even more anxious!

"Yin bei!"

“Ah! Ghost! !”

“Ghost! ? Where’s the Ghost! ? Where’s the Ghost! ?”

All of a sudden, the ‘female ghost’ had a frightened look on her face as she looked around for the figure of the ‘ghost’! She seemed to have been frightened by Yin bei as well!

“Ah! The female ghost has spoken!”

Yin bei closed her eyes and let out another scream!

The ‘click’ light suddenly lit up, and the entire office was brightly lit.

Feeling that the room was brightly lit, Yin bei stopped screaming. When she opened her eyes, she saw a female employee wearing a uniform standing in front of her. She was wearing thick makeup!

“Yin Bei?”

At this moment, Shi Mo had also arrived at the office. When he entered, he saw the pale-faced Yin bei, and his heart ached.

Yin bei was still in shock. She turned her head to look at Shi Mo who had walked in.

“What’s going on?”

In his memories, Yin bei was not someone who was afraid of thunder. Could it be that she was afraid of the Dark?

However, he had never heard her mention it before.

Looking at Shi Mo and Liang Tang’s office, Yin bei heaved a sigh of relief.

“It’s nothing...”

She lowered her head. She was quite frightened. Fortunately, it was just a false alarm.

“Go get a glass of water.”

Shi Mo turned his head and instructed the secretary beside him.

The secretary nodded and in the next second, she had already turned around and left.

Seeing that nothing had happened, the others also dispersed.

Holding her in his arms and sitting down on the sofa, Shi Mo was still a little worried. His voice was gentle as he asked, “What did you see?”

Previously, he seemed to have heard what she said in the corridor, but he did not believe in ghosts and gods.

The secretary brought some tea and Yin bei took a sip to calm herself down.

“The power was suddenly cut off just now. When I turned around, I saw a woman with heavy makeup. Because it was too dark, I could not see clearly. There was a strong wind and lightning outside. I subconsciously thought that I saw a ghost.”

After saying that, she felt a little innocent.

They said that people were scary and scary to death, but she was the one who almost scared herself to death!

However, why did that person paint his lips so red for no reason? The foundation was too thick, and it didn't look bloody at all. Under the Lightning, it was really quite scary!

"Who was the one who came in just now?"

Shi Mo raised his head and asked the secretary at the side.

The Secretary was stunned for a moment. She remembered that other than herself and some of the higher-ups, the only woman who came here was her assistant, Xiao Weiyi.

Looking at the president, Xiao Mei seemed to be in trouble.

"It's my assistant, Xiao Mei."

"Change it. You Don't have to come tomorrow."

As soon as she finished speaking, even Yin bei felt that she was making a mountain out of a molehill.

Just as she was about to speak, the secretary could not help but intercede on Xiao Mei's behalf.

"President, Xiao Mei was just afraid that Miss Yin would be scared after the power went out, so she came to see —"

Before the secretary could finish speaking, she met Shi Mo's sharp gaze and did not dare to say anything more.

"Shi Mo, you're exaggerating. She didn't do anything wrong. Why did you fire her for no reason?" If she really wanted to blame someone, she could only blame the sudden power outage. Under the Lightning, she mistook the employee for a 'female ghost'!

"I was wrong to scare you!"

Yin Bei:" ..."

The Secretary:" ..."

This president dotes on his girlfriend. He really dotes on her so much that she is completely unreasonable!

Chapter 1759: You and I will go together

Yin bei's mouth twitched awkwardly.

She was still in the state of looking for a job. She knew that a job was not easy to come by for everyone who worked hard outside. If her assistant was fired because of this, she would definitely feel guilty!

"Uh, I was just scaring myself. At worst, you can just tell her not to wear heavy makeup in the future. Firing her is a little too serious."

Hearing that, Shi Mo was silent for two seconds. Then, he raised his deep gaze and looked at the secretary who was standing quietly at the side. "Inform everyone that from tomorrow onwards, all female employees in the company are not allowed to wear heavy makeup! Once they are discovered, they will be fired!"

When the secretary heard that, she knew that Xiaomei had escaped a calamity. She immediately smiled and bowed. "Yes!"

After saying that, she quickly turned around and left the office.

"I'll send you back to the hotel first."

"Aren't you in a meeting?"

"I'm fine."

Saying that, he pulled her up and walked towards the office door.

After sending her back to the hotel, Shi Mo returned to the branch office. Half an hour later, the previous meeting had already ended.

When he returned to the hotel again, it was already six o'clock in the evening.

At this time, the storm had already subsided.

Yin bei sat on the sofa and watched the television. She did not expect him to return so soon.

"Are You Hungry?"

"I'm fine." She put down the remote control and stood up. She saw that he was holding two paper bags in his hands. "What are those?"

He walked over and held her slim waist. "A gown."

Yin bei was slightly stunned. "What's it for?"

"There's a banquet at seven o'clock. Come with me."

So this gown was for her?

"Go and change. I'll wait for you."

Shi Mo lightly pursed his thin lips as he handed the two paper bags to her.

Yin bei took the paper bags and looked inside. There was a layer of exquisite packaging inside, and from the looks of it, it was quite expensive.

She walked into the bedroom and opened the two boxes. They were a pair of white high heels and a pure white evening gown with a lace collar.

She could not imagine how much it would cost to buy this evening dress that was decorated with diamonds?

Since it was a banquet, she should at least dress up a little, right?

Shi Mo's appearance was enough to make women all over the world go crazy over him. Naturally, she had to make herself more beautiful!

After applying a little lip gloss and a little mascara, her delicate and fair face did not need any foundation. It was already crystal clear. She was a typical beauty!

No, the twenty-two-year-old Yin bei did not have the naivety she had in school. She had long become a beautiful beauty!

But this evening dress..

Because the invisible zipper was at the back, ten minutes had passed, but Yin bei still could not reach the zipper at the back.

Moreover, this evening dress was too silky. She felt that it would slip off her shoulder if she did not carry it.

Standing in front of the floor-to-ceiling mirror, she intended to look at herself in the mirror while reaching for the zipper on her back. However, no matter what she did, it was still unable to reach her.

Shi Mo, who was waiting outside the door, saw that she had already entered for 40 minutes but had yet to come out. He could not help but stand up and walk to the door.

"Yin Bei?"

"Ah?"

In front of the floor-to-ceiling mirror, Yin bei turned her head in a fluster. That was because at the same time that he spoke, the evening gown on her body had slipped off her shoulders once again! She had instinctively thought that Shi Mo would push the door open and enter!

One had to know that other than the evening gown on her body, she was only wearing a small piece of clothing and a breast patch!

Turning her head around, seeing that there was no movement from the room door, Yin bei heaved a sigh of relief as if a heavy burden had been lifted off her shoulders.

Chapter 1760 can you help me..

This damned evening gown, why is the zipper so hard to pull?

But if this goes on, I can't let Shi Mo be late for the banquet, right?

After thinking for five seconds, Yin bei raised her eyes and looked at the tightly shut door.

She knew that Shi Mo was standing outside.

"Are you done yet?"

His deep and magnetic voice sounded from outside the door once again.

They had already been together for so long. Actually, it didn't seem like it would be a big deal to zip it up?

With that thought in mind, Yin bei swallowed a mouthful of saliva and dragged the evening gown towards the tightly shut wooden door step by step.

Click

The door was opened. Shi Mo looked up and saw the abnormally shy Shi Mo. Her pink lips were tightly pursed, and one of her hands was still clutching the collar of the evening gown, as if she was afraid that it would fall off.

This was the first time Shi Mo saw her meticulously dressed up, and his gaze instantly became dull.

Following that, his gaze fell on her hand that was tugging on the collar, thinking that she did not like to wear such a style.

“You don’t Like It?”

Withdrawing his gaze, he asked softly.

Yin bei raised her eyes and glanced at him. “Um... can you help me zip up?”

Shi Mo froze. In the next second, he raised his hand and pulled her slender body over, turning her back to him. Then, he reached out and slowly zipped up the zipper on her back.

After zipping up, he turned her body around and stood in front of him. Yin bei was a full head shorter than him.

“Done?”

“Yes!”She nodded.

The corners of his lips curled up. “Let’s Go!”

The two of them left the hotel together. Fortunately, they were not too far from the banquet hall, and they arrived ten minutes later.

The main character of this banquet was not Shi Mo. It was only because he was an investor that he showed his face.

But even so, the moment the two of them entered, they still stunned everyone!

“Oh my God, who are those two?”

“I don’t know who they are... I only know that they are so handsome, so beautiful...”the other woman also stared at the two figures who walked in through the door with infatuation.

However, Shi Mo did not mind those astonished gazes, as if he was already used to them. On the other hand, it was Yin bei’s first time participating in such a large banquet, and she was being stared at like this, causing her to find it difficult to get used to it.

“Aiya, Young Master Mo, you’re finally here. It’s truly my honor!”

Very quickly, the host of the banquet came forward to welcome Shi Mo’s arrival!

Shi Mo reached out his hand to shake Shi Mo’s hand, but did not say much.

Firstly, he was not interested in such an occasion, and secondly, he noticed Yin bei's discomfort.

"It's young master Mo, so you're the investor of this movie!" When someone heard the word 'young master Mo', they naturally recognized Shi Mo's true identity.

However, what they did not expect was that Shi Mo, who was far away in country Z, would personally attend this banquet.

"So handsome..."

Yin bei was not far away, so she naturally heard the conversation between the two women.

So there were so many women who were spying on him in the outside world!

Thinking of this, Yin bei could not help but hold Shi Mo's arm tightly.

Feeling the strength of her fingertips, Shi Mo looked at her slightly. His deep eyes were filled with love and tenderness. "What's Wrong?"

Yin bei raised her head and met his burning gaze. "The shoes are a little high. I'm not used to it."

"Then let's go over there."

Even though she was only showing her face, it was not good for her to leave immediately.

"Okay!" She smiled and nodded at him!

Shi Mo turned around and looked at director Zhou. "Director Zhou, we'll be taking care of ourselves. Please excuse us."

"Alright, Alright, just take care of yourself."

The two of them walked side by side to the dining chair in the hall.
