

**Kiss Me 1761**

chapter 1761 Can I get an autograph?

“Sit down.”

Let Her sit in the chair, Shi Mo will have to bend over to check her \* \* \* \* \*  
\* \* \* \* \*  
\* \* \* \* \*

Feeling that he wanted to bend down, Yin bei hurried to stop!

“No!”

This is a public place. It would be beneath his dignity to squat down.

“What’s Wrong?” He raised his eyes in confusion.

Yin bei smiled embarrassedly. “I’ll be fine after sitting for a while. It’s nothing!”

Staring at her, Shi Mo suddenly felt a little apologetic. “I’m sorry, I didn’t think it through.”

Towards his sudden apology, Yin bei was still a little stunned.

“You don’t have to be like this, I actually...” her gaze glanced at the peeping gazes not far away, pursing her lips slightly. “I just don’t like the way they look at you, that’s why I said it on purpose!”

Hearing that, Shi Mo was first stunned, then the corners of his lips curled up, forming a slight arc.

“Is that foot really fine?”

“It’s fine!”

As she said that, Yin bei even playfully wiggled the tip of her foot, but her gaze could not help but glance at that pair of eight centimeter high heels!

The first time she wore it, it seemed to be a little painful, but she should still be able to endure it, right?

Her gaze inadvertently looked around, but she was attracted by one figure, and then another!

“What’s Wrong?” Noticing her strange expression, Shi Mo was a little confused.

Meanwhile, Yin bei was completely flabbergasted!

She looked at Shi Mo, then looked at a few familiar figures not far away. She was so shocked that she was almost speechless.

“That... that seems to be the popular best actor, Shen Yu! ?”

Looking in the direction that she was pointing at, Shi Mo’s expression was calm. He turned around and looked at her again. “It doesn’t seem like it. It’s true.”

Yin bei was even more shocked!

“That popular actress is also in person?”

“Yes.”

Yin bei was so shocked that she took a deep breath. Never in her wildest dreams would she have thought that the popular best actor that she had been following since university would one day be able to see his real self!

“Why are there so many celebrities at this banquet?”

After taking a closer look, she realized that there were many familiar faces in the banquet hall. Although she did not recognize them, they were definitely male and female celebrities that she had seen in the Movies!

Shi Mo replied, “This banquet was originally to celebrate the opening ceremony of ‘First Love’.”

“First love again! ? It’s the movie that best actor Shen Yu and Xia Wanxing will be starring in! ?”

“MHM.”

Oh My God, she actually saw two of the best actors and actresses at the opening ceremony of ‘First Love Again’! ?

After recovering from her shock, Yin bei suddenly turned to Shi Mo and asked carefully, “Um, can I ask him for an autograph?”

Shi Mo was slightly stunned. “Who?”

“Best actor Shen!”

In the next second, Shi Mo’s face clearly darkened.

However, Yin bei did not notice it at all. She clasped her hands together and looked at him with a pair of big eyes filled with anticipation.

“You’re not allowed to go!”

The expression on Yin Bei’s face instantly froze, and then she was a little disappointed. “Why can’t I Go?”

This was her first time seeing best actor Shen in person. If she missed tonight, she might not be able to get his autograph anymore!

“There’s no reason.”

Shi Mo turned around, picked up a glass of red wine on the table, and took a sip.

Yin bei pouted unhappily. She wasn’t going? She was going alone!

Since he was the investor of this movie, someone would definitely talk to him later. Then, she would secretly ask Shen Yu for his autograph!

Chapter 1762 Can You Sign It for me?

Just as they were thinking about it, they heard a woman’s voice.

“Young Master Mo. .”

The two of them turned their heads when they heard Wen Sheng. They saw President Zhou walking over with a female artiste under him.

It was that popular actress!

She was stunned for a moment, but Yin bei’s mind was not on the female artiste. Instead, she turned her gaze to Shen Yu, who was not far away.

She turned her head and saw Shi Mo talking to director Zhou and the female celebrity.

What a good opportunity!

She peeked at Shi Mo again. After making sure that he did not have time to care about her, Yin bei lifted the hem of her dress and tiptoed towards the dazzling figure not far away!

A best actor was a best actor. No matter where he went, he would always be praised by the stars!

Yin bei squeezed for a while before pushing open the human wall in front of her and coming to the side of best actor Shen.

It wasn’t easy for her to squeeze in, but before she could say anything, best actor Shen suddenly opened his mouth and said to some of the people who were chatting with him, “I’m sorry, excuse me.”

After saying that, he turned around and walked in the direction of the resting room of the venue.

Go!

It wasn’t easy for her to squeeze in!

Looking at the receding figure, Yin bei had no choice but to lift the hem of her skirt once again and quickly chase after him.

After much difficulty, she finally caught up to a corridor, but she did not see the figure of best actor Shen.

Strange, she had clearly seen him walking over!

She searched around, wanting to find Shen Yu’s figure. Step by step, she walked towards the stairway of the hotel.

At this moment, Shi Mo had disappeared in the blink of an eye, and Yin bei’s expression darkened.

Raising his gaze, he could not see her at all in the huge banquet hall. In the blink of an eye, where had she gone?

When he thought about how she said that she wanted to get Shen Yu’s autograph, Shi Mo’s gaze naturally turned to the spot where Shen Yu was standing just now.

However, there was no sign of him either.

He disappeared at the same time?

Suddenly, a trace of worry flashed across his heart.

“Young Master Mo?”

Seeing that he was in a daze, director Zhou’s conversation stopped abruptly and he called out softly.

Shi Mo turned his gaze to director Zhou. “Sorry, I have something on.”

After saying that, he left indifferently.

“Hey, Young Master Mo –” director Zhou wanted to say something, but Shi Mo completely ignored him.

On the other side.

Yin bei, who was holding her skirt, seemed to have heard a sound coming from the stairs. Could It Be Shen Yu?

Without thinking too much, she directly walked towards the corner.

She slightly poked her head out and indeed saw Shen Yu’s figure standing at the entrance of the stairs, as if he was eating something.

Because his back was facing her, Yin bei could not see clearly. She could only see him raise his hand and put a small bottle to his mouth.

Was it medicine? was best actor Shen Sick?

“Who is it? !”

Shen Yu, who had calmed down, seemed to have noticed the movement behind him. His heart panicked for a moment.

He suddenly turned his head and saw a delicate figure standing at the entrance of the corridor!

Faced with his abnormal reaction, Yin bei was still stunned for a moment. But on second thought, perhaps she had really scared him, so she smiled brightly. “Hello!”

Seeing her innocent smile, Shen Yu was slightly stunned, and the small bottle in his hand tightened.

Then, he put on a big celebrity’s friendly face and smiled. “What’s the matter?”

Yin bei smiled like a blooming flower, “Can I go over?”

“Of course!” Shen Yu smiled and put the small bottle into his pocket.

“Hehe, can you help me sign it?”

Looking at the pretty figure walking over, Shen Yu still had a hint of wariness in his eyes, but it disappeared in the blink of an eye.

“Of course.”

Chapter 1763 what did you see?

“Hey...”Yin bei was overjoyed. She never thought that she would be able to get best actor Shen’s autograph in her lifetime!

She opened her makeup bag and tried to look for a pen, but the next second, her hand that was zipping stopped.

This bag was given to her by Shi Mo today. Where was the pen?

But it wasn’t easy to meet best actor Shen. If she didn’t get his autograph, she would definitely regret it for the rest of her life!

“Don’t you have a pen?”

Staring at the top of her head, Shen Yu suddenly asked.

Yin bei looked up and smiled awkwardly. “Yes, I don’t have a pen...”

“Use Mine!”

Shen Yu was quite generous. He casually took out a pen from his pocket.

“Where do I sign?”

Yin bei looked around and couldn’t seem to find a place to sign her name.

In the end, she could only helplessly reach out her palm. “Sign here!”

Even though she might wash it off when she returned home at night, it was better to sign it than not to sign it!

Shen Yu smiled. “Okay!”

Then, he took off his pen holder, took her hand, and wrote his name in his palm.

“I’m sorry to ask, but did you see something just now?”When he was signing, Shen Yu suddenly spoke, and a cold light flashed across his malicious eyes.

Yin bei was shorter than him, and she had her head lowered, so she could not detect Shen Yu’s expression at this moment.

“Just now?”She raised her eyes and looked at the handsome man in front of her.

“Yes.”His action of signing the autograph also stopped. Compared to signing the autograph, he seemed to care more about Yin bei’s answer.

“Are you saying that you take medicine?”Yin bei smiled. She completely did not notice the dangerous glint in Shen Yu’s eyes.

“You saw it?”

When she spoke again, Shen Yu’s voice clearly became colder.

Yin bei noticed his slightly cold expression, but she did not understand the reason for his change.

“Are you... Sick?”Looking at his eyes, she asked with extreme caution.

Because this best actor Shen seemed to be in a bad mood!

Shen Yu's gaze darkened, sizing up this innocent little woman in front of him.

"What exactly did you see?"

Yin bei was stunned and said embarrassedly, "I saw you taking your medicine, so I asked if you were sick."

After looking at her for five seconds, the coldness in Shen Yu's eyes faded slightly.

"Yeah, I have a slight cold and haven't recovered yet."

"Oh, I See!"

Yin bei looked as if she suddenly understood!

After looking at her for a while, Shen Yu's gaze moved away and landed on her palm once again, finishing the last word 'Yu'.

Shi Mo had just found the place where he bumped into Yin bei's hand. In an instant, a trace of displeasure filled his chest!

"Shi Mo!"

Hearing the sound of footsteps, Yin bei turned her head and saw Shi Mo walking out from the stairwell.

Staring at Shen Yu's hand, Shi Mo walked over with a dark expression on his face.

His next action was to snatch the delicate hand that was holding onto Shen Yu's palm. A strong possessiveness filled the entire stairwell.

Shen Yu was momentarily stunned by the sudden appearance of Shi Mo..

However, as the main character of this movie, she was naturally not unfamiliar with Shi Mo's face.

Only Yin bei knew that he was definitely angry when she saw his expressionless face!

However, she only wanted an autograph. Why was she angry?

Shi Mo's extremely invasive gaze swept over Shen Yu, and in the next second, he pulled Yin bei and turned around.

Knowing that he was angry, Yin bei did not say anything else. She did not even dare to say goodbye to Shen Yu.

Shi Mo's face was gloomy the entire way as he pulled her into the banquet hall. This was the first time Yin bei had seen him so unhappy.

Chapter 1764: angry, jealous

After passing through the banquet hall, Shi Mo pulled her directly out of the hotel.

Standing in the elevator and looking at his displeased side profile, Yin bei considered for a long time before saying embarrassedly, "Are you angry?"

He glanced at her, but didn't say anything.

Yin bei was stunned by his gaze, as if she was really angry.

"I'm just going to get an autograph..."

"..."she remained silent.

"You're really angry?"

"..."she remained silent.

After exiting the elevator, Shi Mo did not pull her anymore. Instead, he walked out of the elevator and headed straight for the main entrance.

Yin bei was slightly stunned before she hurriedly chased after him!

Even though his footsteps were fast, he still waited for her to get into the passenger seat before driving away.

Along the way, Shi Mo did not say another word. Yin Bei's face was filled with grievance.

Why was he so unhappy just because he wanted an autograph?

"Don't be angry. If worst comes to worst, I won't want an autograph the next time I see him..."

"You still want the next time?"

Shi Mo finally opened his mouth, but what he said made Yin bei speechless.

"No! What I said was... There won't be a next time!"

After he finished speaking, there was another deathly silence..

Finally, she made it to the entrance of the hotel and got out of the car. Shi Mo still did not care about her and continued to walk towards the entrance of the hotel.

"Shi Mo!"

She had to jog to catch up with his footsteps!

However, Shi Mo did not have the intention to stop.

"Ah!"

Suddenly, she screamed from behind!

Shi Mo's footsteps stopped and he turned his head with a hint of worry. He saw her bending her body and one of her hands was touching his ankle.

His heart suddenly tightened as he took large strides over.

"What's Wrong?" His deep voice carried a hint of heartache as he bent over to check on her foot.

However, just as he bent over, Yin bei suddenly raised her head with the same smile on her face. "Don't be angry anymore, Alright?"

Looking at her smiling face, Shi Mo paused for a moment. The next second, he realized that she was just faking it.

The heartache had dissipated, but the worried expression on her face immediately turned cold again. She turned around and ignored her once again!

She actually had the mood to joke around!

"Hey! Shi Mo!"

After being together for more than two years, this was the first time Yin bei realized that Shi Mo was so difficult to coax!

She lifted the hem of her dress slightly and chased after him.

However, every time she lifted her foot, the space between her brows could not help but Twitch!

"Shi Mo!"

After entering the elevator, Shi Mo did not close the elevator door immediately. Instead, he waited for her to enter before pressing the button.

"Don't be angry, Alright?" She was like a spoiled child, not knowing how to appease this Buddha!

However, Shi Mo did not say a word to her until she entered the room.

It was as if after a joke just now, he was even angrier.

"Rest early."

After sending her back to her room, Shi Mo turned around and was about to leave.

Seeing this, Yin bei quickly hugged his arm!

He turned around and looked at her expressionlessly, "What are you doing?"

"You're not allowed to leave!" She looked at him.

"I'm going back to take a shower."

"Then why are you still angry?"

He did not answer. Whenever he thought of her holding hands with Shen Yu, he felt a never-before-seen jealousy assaulting every cell in his body!

"Take a shower first, we'll talk later."

After pulling his arm away from her fingertips, Shi Mo turned around and personally helped her close the door.

Seeing that the door was closed, Yin bei sighed.

It seemed like she had to find a way to coax him!

“AH, it hurts!”

As she turned around, she felt the pain under her feet again, causing her to frown!

Chapter 1765 I go to buy medicine, wait for me obediently

She bent down, took off the pair of high heels on her feet, and then staggered to the sofa.

She lowered her head, lifted her slender jade-like feet, and took a look, only to discover that the heel and instep were actually ground up by the high heels, two big blisters.

No wonder it hurts so much.

She frowned, a little distressed about her feet.

She did not expect that being a woman was not easy, especially a woman who wore high heels!

It hurt so much. What should she do?

She did not know if applying some medicine would work.

However, looking at the entire hotel suite, there did not seem to be any medicine that could be applied.

Forget it, I should take a bath first!

After taking off her high heels and stepping on the floor barefooted, she did not feel any pain. She took her clothes and went into the bathroom to take a bath.

After soaking herself in the bathtub, Yin bei was still thinking about how to coax Shi Mo..

It was just an autograph, why was he so unhappy? Could it be that he had a grudge against Shen Yu?

It was not impossible.

“Ah!”

While she was deep in thought, Yin bei suddenly frowned and let out a scream!

Then, she lifted her beautiful legs from the bubble in the bathtub with a pained expression.

“It hurts, it hurts, it hurts...”

She lifted her feet to take a closer look and realized that the bubble on her feet had burst at some point in time. After it had seeped into the water, it was so painful that tears were streaming down her face!

It was probably because she had rubbed against the bathtub just now.

She stood up with difficulty and walked to the shower to rinse her body. Then, she wrapped a towel around her body and walked out.

Sitting on the sofa, she wanted to take a look at her feet, but at this moment, there was another knock on the door.

Turning her gaze to the tightly shut door, Yin bei frowned as she stood up and walked up.

Opening the door, she saw Shi Mo in his home clothes and the fragrance of his bath.

Seeing her frown, Shi Mo's eyes darkened. "What's wrong with you?"

Yin bei pursed her lips and lowered her gaze. "My feet hurt."

"..."

Shi Mo lowered his eyes and saw her bare feet on the floor. Then, he noticed that the instep of her feet was suddenly very red.

He frowned and stopped the next second to check on her feet.

There were several blisters.

It had been like this since just now?

He looked up at the little woman in front of him and bent over to pick her up. Then, he walked towards the sofa in the living room.

After he put her down gently, he squatted down and checked carefully.

"It's been like this since just now?"

Yin bei pursed her lips and did not speak.

"Why didn't You Say Anything?"

As soon as she finished speaking, she recalled the scene at the entrance of the hotel when she came back.

So she was not faking it at that time. She only pretended to be faking it so that he would not be angry?

Thinking of this, Shi Mo could not help but blame himself.

He stood up and stared at the person on the sofa. His voice was very soft. "Don't move. I'm going to buy some medicine. be good and wait for me to come back."

After saying that, he turned around and left Yin bei's room.

Not long after Shi Mo left, a violent wind suddenly raged outside the window, and lightning flashed.

Was it going to rain again?

Looking out of the dark window, Yin bei was a little worried that Shi Mo would get wet.

About ten minutes later, Shi Mo's figure walked in from the door. He was holding a box of medicine in his hand, but his entire body was drenched.

Seeing Shi Mo like this, Yin bei was momentarily stunned.

"You..."

Shi Mo patted the rainwater off his body. Although the rain was very heavy, fortunately, the pharmacy was not too far away, so it was not completely drenched.

Walking over, he squatted right in front of her, took out the medicine, and carefully applied it on her.

Because one of the spots had already been broken, it caused some pain when applying the medicine.

Chapter 1766: jealousy can be so justified!

“Hiss...”

Yin bei furrowed her brows in pain at the spot where the pain had broken.

Shi Mo’s action of applying the medicine also came to a halt. He raised his eyes to look at her painful expression. “Bear with it.”

His actions were exceptionally gentle, as if he was afraid that he would accidentally hurt her again.

Yin bei sat on the sofa, watching as he gently and subtly took care of her.

“Shi Mo...”

“Mm,” he replied softly, but he did not raise his head. His deep gaze was fixed on her injured foot.

“Can you not be angry anymore?” Her voice softened.

“I’m not angry anymore.”

Seeing that she did not tell him about her injured foot, how could he still be angry.

After applying the medicine, he stood up. His long and narrow eyes were as dark as ink, focusing on her black pupils. “From now on, other than me, you are not allowed to have physical contact with any man.”

His sudden words stunned Yin bei. She still did not understand what he meant.

Not allowed to have physical contact with any man? What did he mean?

She looked at his dark pupils and looked at the man in front of her in confusion. An image immediately flashed in her mind.

So he saw her and Shen Yu signing the autograph, holding hands. That was why he was angry from then until now?

Yin bei suddenly laughed when she thought of this!

“You... are jealous!”

“That’s right,” he answered confidently!

Yin bei lowered her head and pursed her lips into a smile.

So Shi Mo was jealous. This was the first time she had tasted such a feeling!

“Rest early.”

It was already very late and Shi Mo was about to return to his room.

Although she was reluctant, Yin bei still nodded. "Okay!"

Shi Mo stared at her for a long while before turning around to leave.

Seeing this, Yin bei instinctively stood up.

However, when she stood up, her hands that were propped up by her sides accidentally pressed against a corner of the towel, causing her, who was standing up together, to feel a chill instantly assaulting her entire body!

Lowering her head, when she saw her naked body, Yin bei was so shocked that her eyeballs almost fell out!

"Ah! !"

She instinctively let out a shriek, causing Shi Mo, who was already at the door, to suddenly turn around. With this turn, his entire body instantly froze!

Seeing him turn around, the shriek instantly stopped. Yin bei swallowed her saliva, hurriedly picked up the towel, and turned around to wrap it around her body!

Shi Mo, who was stunned at the door, clearly felt his throat dry up.

However, at this moment, if she were to open her mouth again, it would only make her feel even more embarrassed and awkward.

After thinking for a moment, Shi Mo remained expressionless as he turned around and left Yin bei's room.

Only when she heard the sound of the door closing did Yin bei, who was wrapped in the towel, slowly turn her head around. She could no longer see Shi Mo at the door.

However, the redness on her face did not disappear in an instant. Instead, it continued until late into the night!

As she lay on the bed, the moment she thought of the awkwardness from before, she was so embarrassed that she could not control herself and could not fall asleep!

"How embarrassing... What should I do... I really want to dig a hole in the ground and hide myself!"

"AH —"

With both hands covering her face, Yin bei rolled around on the bed, unable to fall asleep no matter how hard she tried.

It was not until the sky was slightly bright that Yin bei finally fell asleep.

The next morning, Shi Mo, who was standing at the door, hesitated for a long time, hesitating to knock on the door.

The scene from last night flashed through his mind, and his throat felt dry again.

But in the end, he still gently knocked on Yin bei's door.

Yin bei, who had just fallen asleep, woke up in a daze, her eyelids especially heavy.

Chapter 1767, I'll send you there!

Her eyes were half-opened and half-closed. She got up and lifted the blanket. Using her blurry vision, she walked out of the room and opened the door.

The moment she opened the door, she saw the man in front of her. It was as if he was instantly awoken by cold water. His drowsiness was gone in an instant. All that was left was the shyness and awkwardness from last night.

"Morning, Morning!"

She raised her eyes and looked at the man. It was clearly such a familiar face, but Yin bei did not dare to look directly into those deep and dark eyes. She turned her gaze away and her face instantly flushed red!

Noticing the obvious uneasiness on her face, Shi Mo was also stunned for a moment, as if he knew the reason why she was embarrassed.

"Didn't sleep well?"

Seeing her slightly dark circles, he asked softly.

Yin bei turned around and walked to the sofa. "Yes!"

He walked over and his gaze fell on her ankle, throwing the awkwardness from last night to the clouds.

"Are your feet better?"

Yin bei sat down and pulled her bare feet out of her slippers. She looked up and said, "Much better."

He walked to the sofa and thought about the scene from last night. Yin bei did not have the courage to raise her head. She could only keep her face down and avoid his gaze.

But he seemed to have noticed her awkwardness. If this continued, wouldn't he not be able to see her face for a long time?

He did not intend to do that.

"You will see it sooner or later. What's there to be shy about?"

He said it calmly, but it shocked Yin bei so much that she instantly lifted her face and looked at the man in front of her in astonishment.

That was her body! He actually said it so calmly!

However, what did he mean by 'you will see it sooner or later'?

"You..."

"You're going to marry me sooner or later anyway, aren't you?"

"..."

She paused for a moment and was actually speechless.

Although this sentence sounded a little overbearing, it seemed to be promising something to her at the same time, causing a sweet feeling to flash through her heart instantly.

However, after he said that, it was as if the awkwardness from last night was really gone, making Yin bei feel much more at ease instantly.

However, the moment she felt at ease, sleepiness also came over her.

"Are You Hungry?"

"I'm fine, I'm just very sleepy."

"What Time did you sleep last night?" He guessed that it was probably because of that incident that she did not sleep well last night.

She looked up and glanced at him, then pursed her lips. "I didn't sleep until dawn."

"..."

Didn't that mean that she only slept for two hours?

"I'll go buy breakfast. You Go and sleep for a while."

She nodded happily!

The moment she got up, Shi Mo suddenly bent down and picked her up!

Yin bei was still a little stunned. She didn't understand his sudden action. She just stared at his handsome face with her phoenix-like eyes.

His thin lips curled slightly. His eyes were filled with affection for her. "I'll send you there!"

"My leg is healed!"

"I want to Hug You."

He replied softly with two words, then carried her towards the bedroom.

When he reached the bedroom, he gently put her down, and then reluctantly planted a kiss on her forehead. Only then did Shi Mo turn around and leave.

After gently closing the door, he did not immediately go to buy breakfast. Instead, he went back to his room to bring his laptop over and directly sat down on the soft sofa.

At the same time, in Z country.

At seven o'clock in the evening, it was the time for guests and friends to fill their seats.

Shouts came from the booth table. "Lady boss, another plate of peanuts and stir-fry from the farmers' market, and three bottles of beer!"

“Okay, I’ll be right there!”

Although she was a little busy, when she thought about how business was so good, Nian Yuqing was very happy no matter how busy she was.

Chapter 1768 causing trouble

With the booming business, she did not have enough manpower on her own. Thinking that she could earn quite a lot in a month, after Yin bei left, Nian Yuqing hired a helper.

In addition, Shi Lian and Mu Dan would come to help from time to time, so she was not that busy!

“Hurry up, bring this to the guest on the table over there.”

“Okay!”

A few dishes and beers were served on the table. Before the men finished their drinks, they immediately called for the bill.

“Bill!”

“Hey! Coming!”

A big sister who was the same age as Nian Yuqing walked over and wiped her hands on her apron. She looked at the dishes and drinks that the people at the table had ordered. After calculating, she smiled and said, “One hundred and twenty dollars!”

Hearing this, the man’s face immediately fell. “What! ? This little thing costs one hundred and twenty dollars! ?”

Being yelled at by the man, the big sister was obviously a little scared!

However, as a hired helper, the big sister was very dedicated. Although she was afraid of the gangsters in front of her, she still had to charge a fee. After all, these dishes not only cost money, but also cost money, it was also the hard work of the Lady Boss.

“Sir, because you ordered a lobster tail, it is indeed so much –”

“This lobster tail is so disgusting, and you still dare to charge so much money! ?”

Before the big sister could finish her words, the leader of the men roared again! It scared the big sister so much that she instantly fell silent!

Nian Yuqing, who was not far away, naturally heard the quarrel not far away. She put down the work in her hands and walked over.

“What’s going on?”

The big sister turned her head and looked at her with a troubled expression. “Boss, these gentlemen feel that it is too expensive and refuse to pay the bill...”

“Did I say that I won’t pay! ? Did You F \* cking do it on purpose! ?” As he said that, the man raised his hand as if he wanted to hit the big sister!

The big sister was scared out of her wits and quickly hid behind Nian Yuqing!

Nian Yuqing, who was the wife of the bureau chief, naturally could not tolerate this scene. "Sir, are you trying to hit someone!?"

"I'm willing, what do you care!?"

As he said that, the man seemed to be even more furious. He raised his hands and lifted the table!

"Crack! Crack!"

In an instant, the sound of the plates breaking attracted the attention of other pedestrians and customers.

These men were obviously looking for trouble. The lobster tails on this stall were famous for being delicious. They felt that it was very affordable to charge such a small amount of money. The food was delicious and cheap, it was simply much better than those big restaurants!

Knowing that Nian Yuqing was an orphan and a widow, some of the customers who frequented the stall naturally could not stand it anymore. They could not help but stand up.

"I say, sir, why are you unreasonable? There are so many dishes. How is 120 yuan expensive? If you continue like this, I will call the police!"

As soon as the man finished speaking, the leader immediately shot a fierce look at him. He casually picked up a beer bottle from the table next door and smashed it on the head of the man who was helping them!

"Bang!"

The violent sound caused the man's head to instantly bleed!

Nian Yuqing was shocked speechless when she saw this!

"What are you adults for!"

As she spoke, she quickly helped the man who had been knocked down to his feet.

At this moment, the leading man said again, "Smash it for me!"

As soon as he finished speaking, the other men who had come with him began to smash tables and chairs!

"Don't do this..."

Looking at the stall that she had worked so hard to build up being destroyed just like this, Nian Yuqing felt a wave of anxiety and heartache in her heart. She wanted to stop him, but she was all alone.

Chapter 1769 the people in the luxury car

Not far away, the figure sitting in the car calmly watched this scene. "Are you sure that Shi Lian and the others won't come tonight?"

"Yes, miss. . It's already been confirmed."

Hearing this, the girl's lips curled up into a proud smile.

To dare to snatch her sweetheart, she would definitely make sure that the mother and son would have no place to stay in City Z!

"Don't... Don't do this..."

Seeing the seats that she bought with money being destroyed one after another, Nian Yuqing was at a loss!

At this moment, five or six men in black suits suddenly rushed in and quickly subdued the men who were causing trouble!

Nian Yuqing was stunned by this sudden scene.

"Send all of them to the police station!"

In a luxurious car not far away, the girl's expression changed slightly when she saw a few men in black suddenly appear. "What's going on? Who are those people?"

She asked the driver in front of her. The driver glanced in the direction of Nian Yuqing's stall. Judging from the skills of those people, they were obviously well-trained.

"It might be someone arranged by Shi Mo.."

"Let's Go!"

After hearing that, the girl was a little anxious. She could not let Shi Mo know that she was the one who instigated the incident tonight!

After sending the troublemaker away and sending the warm-hearted man who was beaten into the hospital, the remaining few men started to clean up Nian Yuqing's mess again.

Nian Yuqing walked over to the person in front of her who she did not know at all. There was still some fear on her face.

"You... You Are?"

Hearing her voice, the leader turned his head slightly and bowed respectfully to her. However, he did not speak and continued to clean up the mess.

Only when the mess was cleaned up did the group leave.

However, after this mess, the business for the night was definitely not going to work. Nian Yuqing could only go home first.

But who were those people just now? Where did they suddenly come from?

Meanwhile, Shi Mo was in country y. his phone suddenly rang halfway through his business.

"Hello?"

His gaze was still fixed on the email file in his computer.

“Young Master Mo, something has happened to Madam Yin’s stall.”

Hearing this, Shi Mo’s dark eyes darkened, and the hand that was driving the mouse also stopped.

“What’s going on?”

“There are a few men causing trouble, and this subordinate is still investigating the cause.”

“Is there anything wrong with them?”

“Madam Yin is fine. She has already returned home.”

Shi Mo was silent for a few seconds before saying, “Find out what’s going on.”

“Yes!”

After hanging up the phone, Shi Mo raised his eyes and looked in the direction of the bedroom before getting up and walking over.

Gently turning the doorknob, he pushed the door open and entered. The person on the bed was still sleeping soundly.

After pondering for a few seconds, he gently closed the door again, then walked over to the window and made a call to Nian Yuqing.

Nian Yuqing had just arrived home when she received his call.

“Hello?”

“Auntie.”

“Shi Mo, it’s so late. How did you have time to call? Where’s Bebe?” In order not to let the two people far away worry, Nian Yuqing said with a smile.

“It’s not late. It’s morning here, and she’s still sleeping.”

After he said this, Nian Yuqing realized that country Y and country Z had a time difference.

“Oh, I forgot.”

“Are You Alright?”

Suddenly, Nian Yuqing was stunned. Could it be that Shi Mo knew about what had just happened?

“You mean...”

“Someone is causing trouble at your stall.”

As expected.

They knew so quickly. Could it be that those men in black were Shi Mo’s Men?

Chapter 1770 saw Shen Yu again

"I'm fine, don't worry," she said softly. She didn't expect them, who were far away, to have already arranged for someone to protect her in secret.

"It's good that you're fine."

Nian Yuqing seemed to have suddenly thought of something, and hurriedly said, "Oh right, Shi Mo, don't Tell Bei bei about this first, in case she gets worried again."

If she came back with a fuss, wouldn't that delay Shi Mo?

He was going to country Y on a business trip, so he naturally couldn't let Bei bei continue being willful over such a small matter.

Moreover, she was already fine, so there was naturally no need to mention it.

Shi Mo hesitated for a few seconds before replying to Nian Yuqing's words, "Alright."

After hanging up the phone, Shi Mo turned around to look in the direction of the door, then walked to the sofa and continued to deal with matters.

It was not until 11:33 in the afternoon that Yin bei, who was in the master bedroom, woke up in a daze.

She woke up from hunger!

It was not until he heard the sound of the door opening with a click that Shi Mo lifted his gaze. He saw Yin bei wearing a sleepy outfit and walking out with drowsy eyes.

He stood up and smiled faintly. He walked towards her and said in a gentle and delicate tone, "You're awake."

Yin bei nodded. "Yes."

"Hungry?"

"Yes!"

"Then hurry up and wash up. We'll go down to eat later."

"What time is it?" She remembered that he had said that he was going to buy breakfast.

"It's already noon."

It was already so late?

Yin bei turned her head and looked out the window. The sun was indeed shining brightly.

She returned to her bedroom and went into the bathroom to wash up. She was completely awake.

After changing into a new set of clothes, the two of them left the hotel and went to the bustling streets. They were ready to find a restaurant to have lunch with.

"Wait for me here. I'll go park the car."

"Okay!"

After knowing that her foot was injured, Shi Mo did not want her to walk for too long. After letting her get out of the car at the entrance of the restaurant, he drove his car to the parking lot.

“Wow! It’s Shen Yu!”

Yin bei stood where she was and looked in the direction where Shi Mo had parked his car. Suddenly, a crazy sound rang out. Before she could look in the direction of the sound, a force crashed into her!

Yin bei staggered a few times, but she still could not stabilize her body. Just as she was about to fall, a strong hand suddenly grabbed her.

“Are you okay?”

She looked up and met a pair of long and deep eyes.

“Shen Yu?”

Seeing Shen Yu, Yin bei was a little surprised.

She used the force to stabilize her body and pulled her arm away from his palm.

“Look, our best actor Shen is so warm. He actually held his fans with his own hands. He’s so close to the people!”

Hearing the criticism from the side, Yin bei turned her head and glanced at the group of crazy female fans.

“It’s you.”

Shen Yu also noticed that she was the girl who wanted to sign the autograph yesterday.

Looking at Shen Yu, Yin bei smiled slightly. Thinking of the reason why Shi Mo was jealous yesterday, she did not say anything more. Instead, she turned her head and looked in the direction where Shi Mo had parked the car.

“Waiting for your boyfriend?”

From the possessive gaze and actions of Shi Mo yesterday, Shen Yu guessed that he was the boyfriend of the girl in front of him.

“Eh? That’s right!” Yin bei smiled. After all, he was an actor that she had always loved. She could not turn a blind eye to him.

“Are you here for dinner?”

“Yes!”

“Hey, do you guys think that girl is a fan of Shen Yu? Why did she talk to him for so long?” The crowd of fans started to suspect.
