

Kiss Me Goodnight, Mrs. CEO!

Chapter 1784 - 1784 Chapter 1785, then let me send you off!

1784 Chapter 1785, then let me send you off!

The taxi driver was getting impatient. He did not know if she wanted the car or not. He still had business to do. Time was money!

Turning around, before Yin bei could say anything, Lu Pinger had already answered for her. "No Need, you can go!"

The next second, Yin bei saw the driver drive away!

Sigh..

Yin bei watched as the taxi she had managed to stop with much difficulty left just like that. Naturally, she was anxious!

"Where do you want to go? Let Me Give You a ride!" Lu Pinger said as she looked at her.

Yin bei paused for a moment, then looked at the luxurious car behind her. In the end, she laughed awkwardly and said, “Haha, there’s no need. I’ll take a taxi myself.”

As she said that, she turned around to call for another taxi.

“Yin bei!”

Hearing her voice, Yin bei had no choice but to turn around and stare at Lu Pinger with her big, dainty eyes.

Lu Pinger, on the other hand, had an apologetic look on her face. “I’m sorry, I took the liberty to take your car away. Just let me drive you! Otherwise, I’ll feel very guilty...”

” ... ”

Her apologetic look made Yin bei unable to refuse.

“Um, Miss Lu, you really don’t have to –”

“You don’t like me?”

Yin bei paused. This was only the second time they had met. It was hard to say whether she liked or disliked him?

“Haha, I Don’t.”

“Then let me send you off!”

”...”Yin bei was still a little hesitant. After all, she did not know Lu Pinger.

“Let’s Go!”

While she was still in a daze, Lu Pinger ignored her status and walked over to her rolls-royce.

Yin bei was completely ‘stuffed’into the car by her!

“Where are you going?”Lu Pinger turned her head and looked at her.

She was going to apply for a job. For a moment, she couldn’t tell where she was going.

“Um, I’m going to look for a job.”

“Looking for a job?”

“Yes.”

“Let me introduce you!”

“Huh?”

“I happen to know a boss who needs manpower!”

”...”no way, what a coincidence?

Not long after, the luxury car stopped at the entrance of a bar.

Yin bei turned her head. Could this be the so-called job introduction?

“Let’s go in!”Lu Pinger smiled and was about to enter the bar with her.

However, Yin bei pulled her arm back.

“Miss Lu, thank you for your kindness, but the job I’m looking for is not
here.”

“What kind of job do you think it is?”Lu Pinger continued to smile at her.

“It’s not necessarily a bad job just because you’re looking for a job in a
bar. The job I introduced you to is to answer the phone and type in the
office.”

Yin bei paused. This was a bar. was there such a job?

But no matter what the job content was, she had never thought of
working here.

“Thank you so much, but I’ll pass.”

Yin bei turned around again.

But in the next second, Lu Pinger grabbed her arm. “Aiya, go in and take
a look first. If you don’t like it, it’s not too late to come out!”

“There’s really no need!” Yin bei was annoyed by Lu Pinger’s pestering.

She had already said that there was no need, why did she have to keep
holding on to her.

“Ah!”

Just as she was about to pull her hand back, Lu Pinger suddenly
stumbled backward and fell down.

“Miss!”

There was a flight of stairs behind Lu Pinger. With this fall, she fell straight down the stairs.

The two bodyguards behind her were even more frightened!

They rushed over and helped Lu Pinger up from the ground.

Kiss Me Goodnight, Mrs. CEO 1785 C1786, you tricked me?

Yin bei was still standing there in a daze.

She had no idea what had just happened!

She just wanted to pull her hand back, and before she could do so, how did she fall?

“Bring this woman back!”

The bodyguard helped Lu Pinger up from the ground as he pointed at Yin bei, who was still standing there in a daze.

In an instant, Yin bei was completely stunned!

“Miss, Are You Alright?”

As he helped Lu Pinger up from the ground, he saw that her forehead was already bleeding.

“It hurts...” Lu Pinger frowned, but she looked at Yin bei, who was still in a daze. “Yin bei, I was just trying to help you find a job. Why... Why did you push me?”

Yin bei was taken aback by Lu Pinger's sudden words, and she immediately had an answer.

She frowned and looked at Lu Pinger in disbelief. “You tricked me?”

Although she wasn't sure why, she was sure that Lu Pinger was trying to frame her!

Whether she pushed her or not, how could she not know!

But why? Why did she do that?

Before she could think about it, one of the bodyguards had already walked over and escorted her to the black car.

“What are you doing? Let Go of me!”

She wanted to struggle, but she did not know what was waiting for her!

She did not push Lu Pinger, but why would she frame herself..

At noon.

Yin bei, who was supposed to be back early, was nowhere to be seen. Nian Yuqing could not help but call her.

However, the phone rang for a long time, but no one picked up.

Helpless, she could only call Shi Mo again, thinking that she was at his place.

“Hello, Shi Mo!”

Shi Mo had just walked out of the office and was about to have lunch.

“Auntie.” For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

“Shi Mo, is Bei bei at your place?”

Hearing this, Shi Mo's footsteps stopped, and his eyes suddenly darkened.

“She's not here.”

The words 'she's not here' were like a thousand kilograms of stone, instantly suffocating Nian Yuqing.

Her daughter would never be like this. Even if she did not come to eat, she would definitely call ahead of time.

Before Shi Mo could ask, Nian Yuqing had already hung up the phone anxiously. In the blink of an eye, she called Mu Dan.

However, when she dialed the number, the answer was the same as Shi Mo's.

The more she thought about it, the more uneasy Nian Yuqing felt.

In her anxiety, her phone rang again. It was Shi Mo calling.

“Auntie, what happened?”

“Bei bei, she hasn't returned since she left this morning. She's never been like this... I called her, but no one picked up. Do you think... something happened to her...”

At this moment, Nian Yuqing was so anxious that tears were streaming down her face.

Her daughter knew that she would be worried, so she would call her in advance no matter what. At this moment, her phone was still on, but no one picked up.

Could it be that she was tricked into going in while looking for work and was placed under house arrest?

Just like those MLM companies that were reported on the news.

Thinking of this, Nian Yuqing became even more anxious!

“Don't worry, I'll send someone to look for her right away!”

Shi Mo, who was equally anxious, could only comfort Nian Yuqing first.

He was also clear about Yin bei's character. She would definitely not let her mother worry about anything.

There were no less than ten calls, but the other party still did not pick up.

An hour had passed, but the people that Shi Mo sent out did not find anything!

“Young Master!”

Looking Up, he saw Arnold hurriedly walking in, as if he had received some news.

“Someone saw Miss Yin talking to a young woman at nine in the morning. I checked the surveillance cameras at the intersection of the residential area and found...”Arnold hesitated.

“Speak!”

“Miss Yin got into the President's daughter's car at that time.”

Hearing this, Shi Mo's eyes darkened. “Lu Pinger?”

“Yes!”Arnold continued, “Miss Lu and Miss Yin went all the way to the bar. I heard that the two of them seemed to have an argument at the bar's entrance.”

Because there were no surveillance cameras at the bar's entrance, Arnold was not very clear about the truth of the matter.

Shi Mo's handsome brows furrowed slightly.

Why would Yin Bei have an argument with the President's Daughter?

“And then?”

Meeting his eyes that were as deep as the night, Arnold's expression darkened. “After that, I heard that she was taken away. I suspect that Miss Yin should be at the presidential palace right now.”

“Prepare the car and head to the Presidential Palace!”

As soon as he finished speaking, Shi Mo stood up and walked towards the door of the office!

About 40 minutes later, the Black Bentley stopped in front of the luxurious presidential palace.

“Shi Mo, why are you here?” Because the relationship between the two families had been relatively harmonious for the past two years, Lu Baiyan did not greet him politely and called Shi Mo by his name.

However, seeing his swift and decisive manner, Lu Baiyan, who had just returned, was slightly surprised.

“Where is Yin Bei?” Shi Mo's face was cold. Even if the person standing in front of him was the president of a country, he was not afraid at all.

Hearing Shi Mo's words, Lu Baiyan was slightly startled.

“Yin Bei is?”

“Between 9 am and 10 am, someone saw my fiancée being taken away by your daughter. If Mr. President is aware of this, I hope that you can return my person to me. No matter what she did wrong, I will bear the consequences.”

His words were simple and clear, without any hesitation.

As the president, Lu Baiyan soon understood what had happened. For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

“I just came back, so I don't know what happened.” After saying that, he turned to look at the direction of the second floor. “Tingfang!”

He called out, but there was no response.

The Butler walked over. “Sir, Madam has gone to the hospital.”

“Hospital?” Lu Baiyan frowned.

“Yes, I heard that eldest miss was pushed down the stairs and is currently in the hospital receiving emergency treatment.”

Hearing this, Lu Baiyan and Shi Mo were stunned.

Especially Shi Mo, his heart was obviously in pain.

“Pushed down the stairs by someone? Who! ?” Lu Baiyan's face instantly darkened!

“This old servant isn't clear about this. Madam instructed you to immediately go to the hospital after you return.” The Butler wanted to

Speak just now, but he did not expect that there would be another guest.

Lu Baiyan was naturally worried about his daughter's accident.

He turned around and looked at Shi Mo. "Shi Mo, something happened to Ping 'er. I have to go to the hospital as soon as possible. As for the matter you mentioned, I will get to the bottom of it."

As soon as he finished speaking, he had already turned around and left the presidential palace.

The Butler's words unconsciously made Shi Mo worry even more.

Lu Ping 'Er's injury was related to Yin Bei?

Looking up at Lu Baiyan's departing figure, Shi Mo did not hesitate to follow him.

They arrived at the hospital. Due to the disparity in status, they took all the private passages.

When they reached the exclusive floor and pushed open the door of the ward, they saw Ji Tingfang sitting in front of the hospital bed with Lu Pinger lying on it.

"Baiyan!"

Upon seeing Lu Baiyan, Ji Tingfang immediately stood up with tears in her eyes. "You're finally here, our Pinger..."

“Daddy...”

Kiss Me Goodnight, Mrs. CEO 1787 C1788– Serious Injuries

Lu Pinger lay on the bed, looking very weak. As soon as she opened her mouth, she suddenly fainted!

“Pinger!”

Seeing this, Lu Baiyan was so frightened that his face changed. He rushed to the front of the bed and asked, “Pinger, what's Wrong?”

“Pinger, my Pinger... call the Doctor!”

Walking into the ward, Shi Mo calmly stared at the scene in the ward.

There was indeed a bandage on Lu Pinger's forehead. What about Yin bei? She stood there again.

At this moment, Shi Mo was still most worried about Yin bei's whereabouts.

If Lu Pinger fainted, he might not be able to find out Yin bei's whereabouts for a while.

Not long after, two doctors rushed into the ward with heavy expressions and examined Lu Pinger.

“How's the situation?” It had to be said that Lu Baiyan still had his dignity. The moment he opened his mouth, the two doctors were scared out of their wits.

“President, the young miss' injuries...” the doctor glanced at Ji Tingfang from the corner of his eye. Because his back was facing Shi Mo, he did not notice it.

“Speak! Don't stutter!” In Lu Baiyan's eyes, the doctor's unnaturalness was just because her injuries were serious, so he did not dare to speak carelessly!

“Eldest miss's injuries are more serious, and she might even have a concussion... or, it might cause amnesia.”

p-n-d-n-o-v-e-l、(c)om “What...” Lu Baiyan's expression suddenly changed.

“Aiya... My Ping 'er, Tell Mom who hurt you. Mom will definitely bring the culprit to justice and let her rot in prison!”

As soon as the Doctor finished speaking, he heard Ji Tingfang crying with Snot and tears.

“I don't want to see what you just said in my daughter's body! No matter what method you use, you must cure my daughter!” Lu Baiyan's loud voice resounded throughout the entire ward, it was enough to tell how furious he was about his daughter's injury!

The two doctors were also trembling with fear when they heard this, but they were not very worried. For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

“Yes, yes, yes, we'll go down and have a seminar now!”

After saying that, the two doctors left the ward one after another.

Shi Mo stood at the same spot until the two doctors brushed past each other. Then, he turned around and walked out as well.

“Stop.”

The two doctors were about to return to their offices when they heard a cold voice behind them.

The two of them kept their backs straight. When they turned around, they saw that the man had a cold expression on his face and a pair of dark eyes staring straight at the two of them. The coldness emanating from his entire body made people avoid him and not dare to approach him easily.

Naturally, the two doctors were no strangers to Shi Mo..

In the entire city Z, who didn't know about Shi Yuting and the Di Zun Group? And Shi Mo's birth was destined to be incomparably honorable from the very beginning! From the very beginning, he was the focus of attention of tens of thousands of people in City Z!

“Mr. Shi... is there something wrong?”

“Is what you said just now true?”The moment he spoke, the surrounding air seemed to have frozen into ice.

The deterrent power revealed by the man's dark eyes was enough to make people tremble in fear.

The two doctors looked at each other, not understanding why Mr. Shi would ask about the president's eldest daughter's injury. Could it be that, as outsiders had said, the Shi family and the Presidential Palace were going to have a marriage alliance?

If that was really the case, then the entire country would really be under the control of the Lu and Shi families! The entire Z country would be able to do whatever they wanted!

Uh, it seemed that if the two families did not have a marriage alliance, they could still do whatever they wanted!

“What you're asking is about Miss Lu's injury.” Because he was not sure, the doctor could not help but ask a question back.

He looked at Shi Mo cautiously, afraid that if he made a mistake, he would offend this great Buddha in front of him!

Chapter end

Kiss Me Goodnight, Mrs. CEO 1788 C1789– Lu Pinger's amnesia

Shi Mo's sinister eyes swept across the two of them, but he did not speak.

“Uh, Miss Lu's injury is indeed very serious, but we will think of a way. Don't worry,” the Doctor said respectfully.

For some reason, when they were facing Shi Mo, it actually made them more nervous and timid than when they were facing the president.

The word 'awe-inspiring without anger' was tailor-made for him!

Shi Mo was expressionless, and his dark black eyes kept glancing at the two people in front of him.

After a long time, he opened his thin lips and said in a cold voice, "You'd better tell the truth. Otherwise, your families will be implicated."

His words made the two doctors' faces freeze.

They did not know what he meant.

Logically speaking, if the crown prince and Miss Lu were a couple, shouldn't they be anxious and worried when they heard that her injuries were serious? Why did they see anger on his face?

Shi Mo turned around and left after he finished speaking.

A few hours passed, but Lu Pinger still did not wake up.

She only woke up when it was dark.

"Daddy..."

"Pinger, you're finally awake. How Do You Feel?" Lu Baiyan asked worriedly as soon as she woke up.

Ji Tingfang also went over and looked at her worriedly.

"Ping 'er, Tell Daddy and Mommy if you're still feeling unwell. Ah!"

“I...”She looked weak and fragile, as if she could be broken with a puff of wind.

Then, she looked up and happened to catch a glimpse of Shi Mo who was still standing in the ward.

As expected, he did not leave.

To Lu Baiyan and Ji Tingfang, Shi Mo only existed because he cared about their daughter. For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

“Shi Mo,”Lu Pinger said. The moment she saw Shi Mo, the corners of her mouth curled up.

Seeing the smile on their daughter's face and the happy look in her eyes, Lu Baiyan and Ji Tingfang both knew that their daughter had been interested in Shi Mo since two years ago. However, due to her status as the president's daughter, she had never confessed to him.

After all, she had a high status and was a girl. It was definitely not appropriate for her to confess to him.

However, when he thought about how Shi Mo had said that his fiancée had been taken away by his daughter, Lu Baiyan could not help but feel a little worried.

He had always thought that his daughter and Shi Mo would become a couple, and that the Lu and Shi families would definitely become Qin Jin. In the end, a fiancée appeared.

Who Was Yin Bei? She sounded familiar.

Hearing Lu Pinger's voice, Shi Mo walked towards the hospital bed.

“Miss Lu.”

Although Lu Pinger was weak, her tone towards Shi Mo was very calm.

“Shi Mo, we've known each other for more than two years. Do you have to call me Miss Lu?”

“You're the President's daughter. I naturally don't dare to neglect you.” Shi Mo's face was always dark.

Lu Pinger forced a smile. “If that's the case, then can I allow you to call my name? That wouldn't be considered neglect, right?”

Shi Mo did not reply. Instead, he glanced at her and suddenly changed the topic.

“Miss Lu, is Yin bei at your place?”

Just as he said this, Lu Pinger suddenly turned her head and looked at her parents. “Oh right, Daddy and Mommy, why Am I at the hospital?”

Hearing this, Lu Baiyan and Ji Tingfang were both stunned.

Shi Mo's eyes darkened and his brows furrowed.

“You... Don't know how you got here?” Looking at his daughter, Lu Baiyan's brows were filled with worry.

Chapter end

Kiss Me Goodnight, Mrs. CEO 1789 C1790 was about Yin bei. She did not remember anything about her

Could it be that her daughter had lost her memory?

“I don't remember...”Lu Pinger shook her head.

“Then you don't remember how you were injured?”Lu Baiyan asked again.

Lu Pinger still shook her head.

“I don't remember.”

Lu Baiyan stared at his daughter in disbelief.

“Then what do you remember your name?”

“Daddy, What are you talking about? I'm Lu Pinger, your daughter!”

He remembered everything.

At that moment, Lu Baiyan couldn't figure out what was going on, so he had no choice but to call for a doctor.

The doctor told him that Lu Pinger's condition might only be temporary because she had suffered a huge shock during her injury, which might have caused her memory to be sealed at that moment, hence, she could not remember anything that happened at that time.

“Does that mean that she will still remember it?”

“Yes, that's possible, but it's also possible that she won't be able to remember it.”

After hearing the Doctor's words, Lu Baiyan could not be said to be worried. After all, other than that memory, everything else about his daughter was normal.

“By the way, Shi Mo, did you ask me something just now?”

On the hospital bed, Lu Pinger suddenly looked at Shi Mo and asked with a smile.

Shi Mo's expression was calm, but his cold eyes were observing Lu Pinger's expression.

Did she really lose her memory, or was it a fake memory loss?

“Yin bei, did you see her this morning?”

“Who is Yin Bei? I don't remember, nor have I seen her before.”

Shi Mo's eyes darkened. If he came tomorrow and her answer was still the same, wouldn't that mean that she would never be able to find Yin bei?

Thinking of this, Shi Mo's gaze turned to Lu Baiyan. “Mr. President, please tell me, who are the bodyguards by Your Daughter's side today? I believe they should remember what happened.”

Hearing what he said, Lu Baiyan finally came to a realization.

That's right, his daughter always had bodyguards wherever she went, so they definitely knew what happened today.

“Wait a moment, I'll make a call to ask.” For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

As he spoke, Lu Baiyan took out his phone.

However, the call did not go through.

What was going on?

He looked up at his daughter. “Ping 'er, where did Xiao Yue and Ah Mei go?”

Because they were bodyguards, Lu Baiyan arranged for two female bodyguards for her.

“They went to do something for me.”

“What is it?”

Lu Pinger was stunned for a few seconds. She tilted her head and thought for a while. “I . . . Can't remember what it is.”

Lu Baiyan was stunned, while Shi Mo felt a pang in his heart.

As long as it was related to Yin bei, she could not remember anything..

There was a moment of silence in the ward. At this moment, Shi Mo's phone rang.

He looked down at the caller ID. It was Nian Yuqing.

Seeing that the sky had darkened and that Shi Mo's people had yet to send any news back, Nian Yuqing could not help but feel even more worried.

Walking to the end of the corridor, Shi Mo placed the phone he had picked up into his ear.

“Hello! ?”

Before he could speak, Nian Yuqing's anxious voice came from the other end.

“Auntie.”

“Shi Mo, is there any news about Bei bei? How Is She? Is she alright! ?”

“There's news, but I haven't found her yet.”

Hearing this, Nian Yuqing was startled, and her heart grew even more anxious.

“What do you mean you haven't found her?”

“Don't worry, I'll definitely bring Bei bei to you safely.”

Despite what he said, Nian Yuqing felt as if her heart had been stabbed by something.

Why was there news, but she couldn't find her?

Kiss Me Goodnight, Mrs. CEO 1790 C1791, what do you want?

At this moment, what exactly happened to Bei bei..

Nian Yuqing felt as if her heart was being pricked by Needles.
However, she had no other choice but to wait.

That night, Shi Mo overturned the entire City Z, but he still couldn't find Yin bei and the two female bodyguards.

The next day.

Early in the morning, Shi Mo arrived at Lu Pinger's exclusive ward. At this moment, Ji Tingfang was the only one in the ward.

Hearing the sound of footsteps, Lu Pinger, who was leaning against the headboard of the bed, turned her gaze. The moment she saw Shi Mo, the corners of her lips curled up slightly.

“Shi Mo, you've come to see me?”

Ji Tingfang turned her head. In fact, she was very satisfied with Shi Mo, her future son-in-law.

She also felt that in the entire country Z, the only one who was worthy of her daughter's precious body was him.

Therefore, she welcomed his arrival.

“Shi Mo, come and sit.”

Ji Tingfang smiled at him and pointed to the sofa at the side.

Shi Mo glanced at Ji Tingfang and ignored her. His gaze fell on Lu Pinger's face again.

“Miss Lu, do you remember what happened yesterday?”

The Man in front of her made her admire him. Lu Pinger only smiled. “Yesterday? What are you talking about?”

“The whereabouts of Yin bei and your two bodyguards.”

Even when she heard the name Yin bei, Lu Pinger's expression did not change. She was so calm that she was not affected by the name at all.

“I'm very sorry. I really don't have any impression of the name Yin bei.” Lu Pinger smiled gracefully, as if she really did not have any impression of the name, “As for my two bodyguards, I only remember what I told them to do. As for what they did, I don't remember either. I believe that they will naturally come back after they finish.”

Staring at her smiling gently and gracefully, Shi Mo's dark eyes were deep. He wanted to detect something from her calm face. For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

However, even if there were traces, he still could not find out Yin bei's whereabouts from her.

“Madam, I would like to spend some time alone with your daughter. is that possible?” Shi Mo's gaze suddenly turned towards Ji Tingfang.

Ji Tingfang turned her gaze over, somewhat surprised.

However, when she realized what he had said, she naturally beamed with joy. “Of course it's possible!”

As she spoke, she stood up.

If her daughter could marry into the wealthy Shi family, then she would naturally approve of it!

This way, even if her husband became the next president, the Lu family would still have immense power and everyone would stay away from them!

After Ji Tingfang left, only Shi Mo and Lu Pinger were left in the ward. Even Arnold, who was by Shi Mo's side, left.

“Sit.”

Looking at the handsome man in front of her, Lu Pinger's eyes were filled with adoration.

If it weren't for Yin bei, a man like Shi Mo would only be suitable for her, Lu Pinger!

A mere commoner actually dared to snatch a man from her. She was simply overestimating herself!

Staring at Lu Pinger on the hospital bed, Shi Mosen's cold face remained expressionless.

He completely ignored her words and directly asked, “What do you want?”

Lu Pinger was a little surprised, but then she smiled elegantly and said, “I don't understand what you're talking about.”

“You remember everything, but you don't remember Yin bei. What's Your Purpose?”

Lu Pinger's fingers paused for a moment, then she looked up at Shi Mo with a smile. “I really don't understand what you're talking about.”
