

Kiss Me Goodnight, Mrs. CEO 1801 C1802– I'll take you to the staff restaurant!

“You can do some simple work for the time being. Make 20 copies of this document and hand them over to my office!” After throwing the document down, the man glanced at Yin bei before turning around and returning to his own office.

Glancing at the few words on the door, it turned out to be the manager of the planning department!

The 20-cent document was quickly copied. Throughout the morning, Yin bei was not very busy.

“Hey, have you guys heard? This Yin bei actually didn't get in on her own, but was recruited internally!”

“No wonder, I was wondering why a newcomer suddenly got in.”

“Hey, who is her background? She is just a small intern, but she can easily enter the Overlord Gate. She must have a strong backer, right?”

“Who knows? She must be another department manager's Honey!”

Yin bei had nothing to do to begin with. Suddenly, she heard criticism coming from the desk next door, and it was about her..

It seemed that without any background, she really couldn't enter the Di Zun Group.

But... which department manager's honey? PFFT..

Hearing the suspicions of the female colleagues, Yin bei played with the pen in her hand and couldn't help but secretly laugh.

When a male colleague saw this, he could not help but be stunned. Then, he leaned over and softly knocked on the partition of her desk.

“Hey.”

When Yin bei heard this, she looked up and saw that the man looked to be of the same age as her.

“They were talking about you just now. You actually laughed?”

“What does it matter? Anyway, it's just their guess. It's not true.” Yin bei was very relieved about this and did not take it to heart.

pan-d novel.com The male colleague couldn't help but look at her in surprise.

She was really a special girl. If it was someone else, even if they didn't dare to stand up and rebuke them, they wouldn't be happy about it!

“You're really special.” The male colleague smiled and then went back to his work.

Special?

To Yin bei, this was a compliment! She couldn't help but feel a little proud.

The whole morning passed leisurely. Although there was nothing to do, sitting for the whole morning was indeed a little sore.

During lunch time, Yin bei stretched and rubbed her shoulders, because it had been a long time since she sat like this without moving. She didn't expect it to be so tiring! For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

“Do you have any friends here?”

The people in the general office dispersed one after another. Yin bei was also planning to follow them to the canteen for lunch when a male voice suddenly sounded from behind her.

She turned her head and realized that it was a male colleague who had spoken to her earlier.

“Me?”

“Yes!”

Yin bei lowered her eyes and thought for a moment.

The only person she knew in the supreme emperor was Shi Mo, and she definitely could not say his name here, so..

“I didn't.”

“You really didn't?”

Yin bei smiled, indicating that she really didn't!

“Then I'll take you to the staff restaurant!”

“Okay, thank you!” It was her first time here, and she really didn't have a sense of direction. It was naturally great to have someone take her there!

“Let's Go!”

Seeing that she agreed, the male colleague seemed to be very happy.

At the same time, in the top-floor office.

At 12 o'clock Sharp, there was a knock on the office door. The secretary walked in.

“CEO Shi, is your lunch still reserved at the same restaurant as before?”

In front of the office desk, Shi Mo looked up at his watch. “I'll go out to eat by myself today.”

“Alright.”

After hearing that, the secretary nodded and left.

At this moment, Shi Mo stood up and left the office. He took the elevator to the staff cafeteria.

Kiss Me Goodnight, Mrs. CEO 1802 C1803, Eat Together?

Seeing that the big BOSS, who was rarely seen in a hundred days, actually came to the staff restaurant, some of the relevant leaders could not help but be a little surprised.

“President Shi, why are you here?” When the logistics department leader learned of his arrival, he personally came out to welcome him. “Are you going to eat here?”

“I’ll get someone to prepare a private room for you immediately!”

Shi Mo raised his hand, but his gaze penetrated through the glass door and looked into the employees’ dining room. “No need, I’m just looking around.”

“Eh!” The manager was flattered!

After saying that, he quietly stood at the entrance of the dining room, his gaze locked onto Yin bei who was sitting in a corner with a tray in her hand.

After buying her meal, Yin bei found a corner seat. Just as she sat down, a shadow descended from the opposite side.

She subconsciously raised her head and saw that the male colleague who had brought her to the restaurant earlier had also arrived.

“Want to eat together?” The male colleague asked with a smile.

Yin bei looked at the huge seat beside her and could not refuse, so she smiled and said, “Sure!”

When he saw the figure of the opposite sex walking towards Yin bei, Shi Mo, who was standing at the door, frowned slightly.

It was only his first day here, and he was already being accosted?

Seeing that he had been staring at the restaurant, the manager of the canteen, who was still standing guard, felt a little uneasy.

What was this big boss doing down here? Could it be that the food in the canteen was not good enough? Or had someone reported him?

Otherwise, why would this boss come to such a place out of the blue?

“Boss Shi, is there something wrong?”

Shi Mo retracted his gaze and turned to look at the manager. “Do people in the company usually eat outside, or here?”

This question was obviously a test.

If they all ate outside, wouldn't that mean that the food in the cafeteria wasn't Good? Then he would have committed a huge sin!

“Hehe... Some people will eat outside too. After all, the entire overlord has an hour and a half break at noon.”

“I see.” For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

He turned around and walked towards the elevator.

The cafeteria manager had a puzzled look on his face. Looking at his back view that suddenly left, he was at a loss. He couldn't figure out the big boss'actions and thoughts at all!

After lunch, Yin bei had just returned to the general office when her phone rang.

Seeing the familiar name on it, the corners of her lips curled up as she picked up the call.

“Hello?”

“Are you full?”

“Yes!”

“Starting tomorrow, have lunch with me.”

Yin bei paused for a moment. “How can that be? You said that you wouldn't interfere with me.”

“I said that I wouldn't interfere, and that's only within the scope of your work!”

“But you said that you wouldn't publicize our relationship. If we were to have a meal together, not everyone would know.”She had only been here for a day, yet people were already suspecting that she was the mistress of the higher-ups. If they were to find out that she was Shi Mo's girlfriend in the future.., even if she were to achieve outstanding results in her work in the future, the moment she heard that it was because of Shi Mo's relationship, she wouldn't want to!

“Take my private elevator to the top floor. No one will see us.”

Yin bei paused for a moment, seemingly unable to find any reason to reject him.

However, she still could not help but ask, “Why did we have to eat together all of a sudden?”

“The food in the canteen is not nutritious.”

“I think it's pretty good. We can order whatever we want to eat. It's economical and affordable!”

“Eat at my place. It's free all year round! It's more affordable!”

”...”nonsense!

“But I think the food in the staff restaurant tastes pretty good too. Besides, if I don't eat in the restaurant every day, they'll definitely suspect me.”

“Don't worry. The Overlord has two staff restaurants. If you're not in Restaurant 1, they'll think you're in Restaurant 2.”

Chapter end

Kiss Me Goodnight, Mrs. CEO 1803 C1804, secret girlfriend!

“Why do you have to have dinner with me? Didn't we agree that when we get to the company, we'll be the boss and subordinate who won't interfere with each other?”

“If I don't interfere with this, my wife might even run away with someone else.”

”...”Yin bei was stunned.

His wife ran away with someone else? What did that mean?

“It's a deal then.”

Without waiting for her reply, Shi Mo had already hung up the phone.

Looking at the phone that had been hung up, Yin bei pursed her lips, still thinking about the meaning of that sentence just now.

What did he mean by his wife running away with someone?

His wife was obviously talking about her, who was she running away with?

Thinking about her activities for the entire morning, other than printing the 20-cent document, she seemed to be daydreaming in front of her desk, and then she was having dinner with Xiao Zhang..

Uh, Xiao Zhang?

As if she suddenly thought of something, Yin Bei's eyes widened!

Could it be that he saw her having dinner with Xiao Zhang, so... he was jealous! ?

No, how could he see her having dinner with Xiao Zhang? ? Could it be that her whereabouts had been under his 'surveillance'the whole time! ?

Unknowingly, lunch break had passed, and some of the employees had already returned to the office one after another, beginning the busy afternoon.

Throughout the afternoon, other than copying things, Yin bei was running errands and things like that. She was quite free.

Just as she sent a report to the manager's office, she heard the gossips of the female employees the moment she returned.

“Hey, did you guys hear that the big boss actually went to employee cafeteria No. 1 today? !” For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

“No Way, is that true? ! The Big Boss went to the employee cafeteria? Who Did you hear that from? !”

“It's true! Someone saw the big BOSS go to the restaurant to inspect it. I heard that he went to see if the food in the cafeteria was good.”

“Oh my god... it was such a good opportunity, but I didn't see the Big Boss!”

“Cheh, what's the use of you seeing it? I heard that our Big Boss had a secret girlfriend when he was in University!”The female employee said with a disappointed and regretful look.

“Secret girlfriend! ?”Hearing this, another female employee suddenly turned her head and stared at the colleague who spoke.

“Yeah, what's Wrong?”

That person turned his head and suddenly narrowed his eyes as if he had thought of something. His gaze glanced at Yin bei who was not far away, “You guys said that our planning department just had a newcomer, but the big boss who never went to the staff restaurant suddenly went...”

As if she had confirmed something, the gossipy female colleagues instantly turned their eyes to Yin bei!

At this moment, Yin bei seemed to have heard something interesting. She turned her head and met the astonished eyes of the three employees!

As if she had noticed, the female employees immediately looked away and continued to discuss in a low voice, “Do you think that Yin bei's backer is the one at the top? !”

“How is that possible? !”

“That might not be the case. If she doesn't have a backer, how could an ordinary university graduate like her get into the Overlord Class? !”

“That's right... Oh my God! If she's the secret girlfriend of the Big Boss, then wouldn't she be the future mistress of the Overlord Class? !”

“Bah Bah Bah, don't make wild guesses. Don't you think about it? If she really is the girlfriend of the Big Boss, how could she be a small

intern here? She would have long replaced the one in the top-floor secretarial room!”

After hearing what she said, the other two could not help but silently agree with her.

It made sense. With the big boss as a backer, how could she be a mere assistant after entering supreme? She would have long gone to other departments to become a high-ranking official, or the president's personal secretary!

Chapter end

Kiss Me Goodnight, Mrs. CEO 1804 C1805, you've already done it!

“That's true, looks like we've really overthought it...”

“That's right, alright, Hurry up and get to work, or else we'll get scolded again!”

“Right, right, right, get to work!”

As they spoke, the few female employees started to do what they were doing.

When Yin bei heard this, she could be considered to have heaved a sigh of relief. She was afraid that they would guess that she was Shi Mo's 'secret lover'!

At 5:20 pm, the day's work was finally over.

“How is it? Are you used to it?”

Driving the Blue Spyker, Shi Mo glanced at Yin bei, who was leaning against the passenger seat tiredly.

“Yeah, it's alright.”

“Tired?” Seeing how tired she looked, Shi Mo's heart ached.

However, Yin bei opened her eyes and smiled at him. “Not really. I just felt that after work, I had a lot of time and didn't get used to it for a while.”

“Then don't do it anymore.”

“No, it wasn't easy for me to get my own official job. Besides, I've already decided that I must work hard and get a job!”

“You've already done it.”

“What?”

“A job.”

Yin bei was stunned and her bright eyes moved slightly. “Really? It's only my first day in here.”

At the traffic light, he turned his head and smiled. He lovingly pinched the bridge of her nose. “Girlfriend, you've been promoted to Mrs. Shi.”

Yin bei finally understood after he said that, but at the same time, she was a little shy.

“How can this be called a promotion!”

Seeing her shy look, Shi Mo's lips curled slightly. He did not continue this topic.

At six o'clock, the sky was gradually darkening.

This was also the busiest time for Nian Yuqing, as it happened to be dinner time.

“Are we going to my mother's Place?” For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

Yin bei was about to say that she was going to her mother's place to take a look, but when she looked out of the car window, it was not the way back to the apartment, but the direction of her mother's snack stall.

“Yes.”

When Shi Mo was thinking about it, after moving in together, she had to work during the day, so she could only accompany her mother during this time at night.

Yin bei knew that she was transparent in front of Shi Mo. he knew all of her thoughts.

After helping out at Nian Yuqing's food stall for a while and having dinner, the two of them returned to their new apartment together.

After taking a shower, it was already nine o'clock in the evening.

Feeling a little tired, she went back to her room to sleep. She did not know how long she had slept, but in her daze, she felt her body fall into a warm position.

She moved slightly, as if she had been woken up by a shock.

“Did I Wake You Up?”

His gentle and deep voice came from above her head. Yin bei frowned, and her eyelids were so heavy that it was difficult for her to open them.

She seemed to be really tired these few days, but in reality, did she do anything? Why was she so tired?

“I'm so tired.”

“Then sleep.” He hugged her and slept together.

The next day.

After resting for a night, Yin bei's body finally felt much more relaxed.

She woke up early when she had a job. When she opened her eyes, she saw a handsome face that was as perfect as a sculpture!

Shi Mo's eyes were closed, as if he was still not awake.

The mischievous her had a smile on her lips. She used her hair to gently rub against his tall nose bridge.

In the next second, Shi Mo, who had his eyes shut, suddenly flipped over and pressed her under him. “Sneak Attack Me?”

Caught red-handed, Yin bei felt a little awkward. “You're... Awake?”

Shi Mo, who was looking at her but did not say a word, glanced at her pink lips. He then raised his head and met her pitch-black pupils. “You're in good spirits?”

Kiss Me Goodnight, Mrs. CEO 1805 C1806, Uninvited Guest!

“You're in good spirits?”

From the depths of his smiling eyes, Yin bei seemed to have sensed danger. She hurriedly pushed him away and was about to get out of bed!

“I'm going to be late. Hurry up and get up!”

However, the man was as steady as a mountain. Under her push, he did not move at all!

“It's the weekend today.” He exhaled like an orchid. Looking at the person beneath him, it was as if he was only staring at a delicious breakfast.

The weekend?

After careful calculation, it was really Saturday today.

No wonder Shi Mo, who usually woke up earlier than her, had not woken up today.

However, before she could think about it carefully, the man's Hot Lips covered her pink lips in the next second.

Very soon, the hand that was already ready to move reached into her warm skin through her pajamas and swam around..

Initially, she thought that she had managed to avoid the previous night, but she did not expect that it was a blessing rather than a curse. If it was a curse, she would not be able to avoid it. In the morning, she was eaten clean by him!

After being tormented by him, Yin bei fell asleep once again, exhausted.

When she woke up again, it was already ten o'clock in the morning.

“You're Awake?”

The moment she walked out of the bedroom, she saw Shi Mo sitting on the sofa reading a document. She, who was wearing her pajamas, walked over just like that.

He put down the documents in his hands, raised his hand, and pulled her into his arms.

“Why are you so busy on the weekend?”

“Yeah, I'm going to the manor later. These are all things that I'll need later.”

“Later?” Sitting in his arms, she turned her head and asked.

“Yeah. Do you want to Go Together?”

Yin bei thought for a moment. “No, it's the weekend today. I want to go back and accompany my mother.”

He pursed his lips and smiled gently. He did not force her. “Then I'll send you over later. I'll pick you up later.”

“Okay!”

“Go Wash up first. I'll go prepare breakfast.” For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

“Okay!”

She stood up and went back to the bathroom to wash up.

When she came out again, Shi Mo had indeed prepared breakfast.

After breakfast, Shi Mo first sent her back to beiguang district, but he realized that Nian Yuqing was not at home at all.

After making a phone call, he found out that she had gone to the snack stall early in the morning.

Her daughter was not around, so she would only appear lonely if she stayed in the apartment alone. It would be better to go to the snack stall, which would be more lively.

After sending her to the snack stall, Shi Mo drove to the manor to discuss some matters. Yin bei was in the shop, helping her mother prepare the dishes for dinner.

After working for a while, an unexpected guest suddenly came.

“Business, are we still doing business?”

It was noon, which was also lunchtime.

However, Nian Yuqing only started doing business at night.

Hearing the voice, the mother and daughter turned around and found Ji Tingfang and Lu Pinger standing at the door.

Although they hadn't seen each other for two years, when Nian Yuqing saw Ji Tingfang, her expression still changed slightly, obviously a little surprised.

Then, she walked over and said respectfully, “I'm sorry, but we only start our business at night?”

“At night? But I'm hungry now. Since this is a restaurant, then give me a few dishes!”

After saying this, Ji Tingfang turned around and sat down at the dining table. She even wiped her face with a tissue in disgust before sitting down.

Nian Yuqing was stunned and didn't know how to respond for a moment.

The person standing in front of her was the president's wife. It was not like she had not experienced her personality before.

Seeing the mother and daughter sitting down, Yin bei, who was behind Nian Yuqing, could not help but walk out. She glanced at Ji Tingfang and Lu Pinger.

She asked unhappily, “What are you doing here! ?”

Seeing Yin bei, Lu Pinger turned her gaze over as well.

She did not understand why Shi Mo was so protective of such a down-and-out mother-daughter pair!

Kiss Me Goodnight, Mrs. CEO 1806 C1807, Take Yin bei away!

“What else can we do? We're here to eat, of course.”

Lu Pinger gave Yin bei a contemptuous look. She looked elegant and noble, her eyes full of arrogance.

“My mom said we don't do business during the day!”Yin bei stared at the mother and daughter in front of her. Even though they were of noble status, Yin bei did not have a good expression.

She didn't believe that they would dare to break the law in broad daylight.

However, Ji Tingfang sneered when she heard her words. “We don't do business during the day, but we do it at night? That's true. This seduction of other people's husbands can only be done at night.”

Ji Tingfang's tone was casual. It seemed to be an understatement, but every word was vicious!

Yin bei clenched his fists and was about to fly into a rage, but Nian Yuqing stopped him.

She knew her daughter's character very well. She couldn't tolerate sand in her eyes, let alone seeing others insult her.

However, Ji Tingfang's status was very different. If she stirred up trouble, she would probably be sent to the Procuratorate just like two years ago.

“Madam, we really only do business at night. Even if you want to eat now, we don't have any ingredients.”Nian Yuqing still spoke nicely.

Ji Tingfang gave her a cold look. She originally wanted to pick something up after eating, but since she didn't have it, then forget about it.

She stood up and said to the two bodyguards standing behind her, “Men, bring this Yin bei back!”

After hearing that, the two bodyguards immediately rushed in and one of them dragged Yin bei out!

“What are you doing! ? Let Me Go!”

As this was a street that only started doing business at night, there weren't many people here at noon.

The reason why Ji Tingfang dared to openly take her away was because she saw that there weren't many people here.

“Yin bei was looking for an opportunity to kill my daughter. Immediately send her to the prosecutor's Office for interrogation!”

Hearing Ji Tingfang's words, Nian Yuqing furrowed her brows in disbelief.

“Madam, don't slander me. How could my Beibei Kill Your Daughter?”

“No?” Ji Tingfang sneered. “Then ask your precious daughter if she pushed my daughter down the stairs a few days ago and caused her to be hospitalized!” For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

Nian Yuqing was stunned. She turned to look at her daughter, Yin bei.

“Mom, I didn't! It was Lu Pinger who set me up. I didn't push her at all!”

Nian Yuqing naturally believed in her daughter.

However, Ji Tingfang was here to pick a fight. How could she let the mother and daughter off so easily.

“Yes or no, the Procuratorate will naturally give me an explanation. Take her away!”

At her command, the two bodyguards immediately dragged Yin bei to the black car.

“Bei bei!”

Seeing her daughter being taken away, Nian Yuqing was burning with anxiety!

At this moment, a figure suddenly flashed over and released the two bodyguards who were controlling Yin bei!

Before Yin bei could recover from her shock, she looked up and saw a familiar face.

“It's you...”Yin bei was very surprised by the man's appearance.

Shen Yu smiled, “We meet again.”

“Who are you? How dare you attack my men! ?”

Seeing that the two bodyguards were taken down, Ji Tingfang immediately walked over and glared at Shen Yu.

Shen Yu was eager to save them, so he did not care who the two bodyguards belonged to.

He turned around and saw Ji Tingfang. He was a little stunned.

This woman did not look very familiar, but he had seen her somewhere before.

He remembered, this was the Madam President, right?

“Madam, using your identity to bully a weak mother and daughter in broad daylight. If the Z country's media finds out, I'm afraid it won't be good, right?”

Chapter end

Kiss Me Goodnight, Mrs. CEO 1807 C1808– Beibei Bei's friend?

Ji Tingfang was rendered speechless by his words!

She dared to bring her people because she saw that there was no one around. However, she did not expect that Cheng Yaojin would suddenly appear and ruin her plans!

Otherwise, she would definitely make sure that Yin bei would never be able to get out of the prison after she entered the prosecutor's Office!

“Are you that male actor?” Looking at Shen Yu's beautiful face, Lu Pinger quickly recognized that he was the male celebrity that had become famous all over the world in recent years!

He was just a celebrity, yet he dared to go against her Lu family. wasn't he cutting off his own path of retreat? Did he still want to continue working in the entertainment industry?

Shen Yu smiled. “I believe this must be the president's daughter.”

“It's good that you know!” Lu Pinger acted like a queen as she looked arrogantly at Shen Yu.

However, Shen Yu took out his phone. “I've already recorded what you guys did just now. If you expose it to the media, I'm afraid that the President will also be affected, right?”

Looking at the swaying phone in his hand, Ji Tingfang and Lu Pinger were both stunned. Their expressions were extremely ugly!

The more people like them, the more they had to pay attention to their words and actions. This was because they were all being watched by others.

When did this Shen Yu appear? !

When they came just now, she had clearly paid attention to them. On this street, only the mother and daughter's shop was open!

“If the two of you can be merciful, I can delete these.” Shen Yu was still smiling.

Lu Pinger was angry, but she was also afraid that the video in Shen Yu's phone would be exposed. Ji Tingfang was naturally afraid of this.

Because if it was exposed, the position of President Lu Baiyan would also be affected!

“Let's Go!”

In the end, Ji Tingfang suppressed the anger in her heart and glanced at Nian Yuqing and Yin bei.

“Delete the video.” Lu Pinger stared at the phone in Shen Yu's hand. Lu Pinger was a smart person. She would not leave without seeing him delete the video.

Shen Yu did not say anything. He moved his finger and deleted the video.

Lu Pinger and Ji Tingfang only left after he pressed the delete button.

“Bei bei, are you okay? !”

Nian Yuqing rushed over and checked her daughter up and down, afraid that she would get hurt.

“Mom, I'm fine.”

After saying that, Yin bei turned her head and looked at Shen Yu.

“Why are you here?” They had met in country y a few days ago, but he had actually appeared here.

Shen Yu smiled. “Didn't I say that I'm also from Country Z?”

Yin bei remembered when he said that.

“This is Auntie, right?” Shen Yu's gaze landed on Nian Yuqing's face.

Yin bei looked at her mother and introduced her with a smile. “Yes, my mother!”

“She's... a friend of Bei bei's?”

The word 'friend' made Yin bei feel elated. If she could become friends with such a big celebrity, she would have no regrets in this life!

However, before she could speak, Shen Yu said, “Yes, my name is Shen Yu. Nice to meet you, Auntie.”

“Hey, nice to meet you!” Seeing that he had saved her daughter, Nian Yuqing was naturally polite to him. She quickly beckoned him to sit in the shop. “Come in and have a seat.”

Shen Yu did not stand on ceremony. His tall and straight figure walked into Nian Yuqing's small shop.

“Drink some water.” Nian Yuqing poured him a glass of water.

It was already noon. After Nian Yuqing poured the water, she walked into the house and planned to cook a few dishes for lunch.

“Aren't you afraid that your fans will go crazy after seeing you coming out like this?”

Sitting in front of a square table, Yin bei looked outside the door and confirmed that he really came out alone.

Kiss Me Goodnight, Mrs. CEO 1808 C1809, Mr. Shi, we meet again
Shouldn't big stars like them always have bodyguards with them?

Shen Yu smiled and placed the mask and sunglasses on the table.
“There's this.”

Looking at the sunglasses and mask, Yin bei remembered that the news on TV was like that. If a celebrity went out shopping, they could just wear sunglasses and a mask.

“You and your mother are doing business here?” Shen Yu looked at the two storefront rooms. They were very small, so they should be the food stalls for the evening. Otherwise, there would not be enough seats for customers.

Yin bei smiled and shook her head. “My mother made this place. I work elsewhere.”

Shen Yu nodded and did not ask any more questions.

The two of them chatted and Nian Yuqing's food was ready.

Although he did not know Shen Yu's identity, judging from his clothes, he was not an ordinary person.

This meal was mainly to thank him for saving his daughter.

Under her insistence, Shen Yu did not delay any further.

“It's all home-cooked food, don't mind it.”Nian Yuqing smiled. As her daughter's friend, she naturally welcomed them.

Shen Yu took a bite, but gave Nian Yuqing a big thumbs up!

“Delicious!”

Nian Yuqing laughed at his praise, “Then eat more.”

To these young people, she felt as if she was looking at her own child, very amiable.

Halfway through lunch, the sound of an engine suddenly came from outside the door.

The three of them turned their heads and saw a cool sports car parked in front of the shop.

The car door was opened, and Shi Mo walked straight to the door of the shop.

Yin bei was a little surprised when she saw Shi Mo walking over.

Didn't he go to the manor? Why did he come back so soon? It had only been two hours.

“Shi Mo!”

She got up and walked around the dining table.

Seeing the person walking out, Shi Mo lovingly pulled her into his arms. “Are you eating?”

Yin bei's mouth froze in embarrassment. For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

He hasn't seen Shen Yu yet, right?

“Shi Mo, why are you here at this time? Have you eaten?”

At the dining table, Nian Yuqing also stood up, intending to help him with his bowl and chopsticks.

Shi Mo turned his head and first saw Nian Yuqing, then saw Shen Yu who suddenly appeared here. His brows furrowed slightly.

Noticing his slightly gloomy expression, Yin bei couldn't help but think, oh no, another misunderstanding.

“Mr. Shi, we meet again.”

Looking at him, Shen Yu was very humble.

Shi Mo glanced at him but did not speak.

At this moment, Nian Yuqing had already brought a pair of bowls and chopsticks over.

“Sit down quickly, let's eat together.”

Yin bei's gaze shifted and quickly pulled Shi Mo's hand. “Yes, yes, yes, let's eat together!”

Then, she pressed him to the seat beside her and sat down.

“Why is Mr. Shen Here?”

Shi Mo turned his head, not to ask Shen Yu, but to look at Yin bei with a smile.

When she thought about how he was jealous of Shen Yu back in country Y, Yin bei was at a loss for words. She was afraid that the more she explained, the more confused she would become.

“Uh, he's... just passing by.”

“Oh, he's just passing by and decided to stay for dinner.”

”...”as expected, the more she explained, the more confused she became!

Hearing their conversation, although Nian Yuqing did not understand what was going on, she could tell that Shi Mo did not seem to like Shen Yu very much.

As someone who had been through this before, she quickly saw the faint jealousy on Shi Mo's face.

“Previously, Bei bei and I ran into some trouble. It was thanks to this Mr. Shen that Bei bei was not taken away by the Madam President.”

Hearing this, Shi Mo's face darkened, and he looked up at Nian Yuqing. “What happened?”

Kiss Me Goodnight, Mrs. CEO 1809 C1810, then why are you so sullen

Nian Yuqing paused for a moment. She did not intend to tell Shi Mo about this matter, but she let it slip again.

“It's nothing, it's already settled.”

Shi Mo obviously did not believe her. Based on Lu Pinger's personality, how could she let it go so easily.

Leaving was only temporary.

He turned his head and looked at Yin bei again.

Meeting his dark eyes, Yin bei pursed her lips. “It's still the same matter from last time. She wanted to accuse me of intentional injury, so she got someone to bring me away today. Fortunately, Shen Yu helped.”

As she said the last sentence, she carefully observed Shi Mo's expression, afraid that he would be angry.

After hearing her words, Shi Mo glanced at Shen Yu. The slightly cold expression on his face suddenly eased up a little.

He was a person who kept his work and personal life separate. If he had not appeared, perhaps Yin bei would have really been taken away by Lu Pinger.

After lunch, Shen Yu did not disturb her too much. He left on the pretext that he still had to record the program in the afternoon.

On the way back to the apartment, Shi Mo's face was always dark. Yin bei thought that he was angry.

“You, are you still angry?”

Turning her head, she looked at the man driving the car. Yin bei spoke softly, her bright eyes revealing a hint of observation.

Wen Sheng turned his head and looked at her calmly. “No.”

“Then why are you looking so dark?”

“I'm thinking about something.”

His calm tone did not make him seem angry.

However, Yin bei found it strange. Why wasn't he angry today?

After returning to the apartment, Shi Mo went straight to the study.

Yin bei sat on the sofa and turned on the television with nothing to do.

After watching television for a while, she unknowingly felt a little sleepy, so she lay on the sofa and gradually fell asleep.

After Shi Mo finished dealing with the matter, he came out and saw her sleeping on the sofa. He walked over, gently picked her up, and walked towards the bedroom. For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

After covering herself with the thin blanket and gently kissing her forehead, Shi Mo was finally willing to leave.

When Yin bei woke up again, it was already pitch black outside the window.

She got up from the bed and walked out of the bedroom, but she did not see Shi Mo's shadow.

Yin bei could not help but frown. She walked to the study room, but there was still no sign of him.

Not Here?

She took out her phone and was about to make a call when the doorbell rang.

She walked over and opened the door. Two familiar faces immediately entered her line of sight.

“Bei bei!”

“Mother Shi, Lian Lian.”

“Surprise! ?” Looking at Yin bei, Shi Lian was also very excited!

“How did you...”

Zuo Weiyi smiled. “Aren't you going to invite us in?”

Yin bei was stunned for a moment before she reacted. She quickly moved aside. “How could this be!”

The mother and daughter walked in. Yin bei closed the door and turned around. She saw the mother and daughter carrying a lot of things as they walked towards the dining room.

“Big Brother has something on and can't come back for dinner, so he asked me to come over to accompany you!” After placing the things on the dining table, Shi Lian turned around and smiled at Yin bei, “But after my mommy found out, she insisted on coming over to accompany you for dinner!”

Hearing her daughter's words, Zuo Weiyi was still a little embarrassed. She smiled at Yin bei and asked, “Bei bei, do you mind if I interfere between you young people?”

Yin bei smiled. “Of course not!”

“What a sensible and obedient child. My Son's taste is really too good!” Zuo Weiyi had a look of delight on her face as she turned to look at the kitchen. “Quickly take out the plates, let's have dinner!”

“Alright!” Shi Lian replied as she rushed to the kitchen and brought out the plates, bowls and chopsticks!

After distributing the dinner, the three women began to enjoy it.

Kiss Me Goodnight, Mrs. CEO 1810 C1811, the wedding date was approaching

“Oh Right!” During the meal, Zuo Weiyi seemed to have thought of something. She took out a wedding gown photo album and pushed it in front of Yin bei, “Beibei, take a look at what style you like. Once you've chosen it, Tell Mommy. Mommy will get the designer to come over tomorrow and tailor it for you!”

Zuo Weiyi hadn't gotten engaged yet, but she couldn't wait to change her words first.

It wasn't 'Shi Mama' But 'Mama'!

Yin bei was naturally a little shy, but she still lowered her gaze and looked at the style of the wedding dress in the photo album.

“How many sets do you want to choose?”

“Five sets for taking wedding photos, and the other one is for you on Your Wedding Day! If you use it together, it'll be six sets!”

Zuo Weiyi was experienced, so she naturally understood the process.

“You have to choose so many?”

“Of course!”

Yin bei smiled and finally chose six sets of wedding dresses!

After dinner, Zuo Weiyi and Shi Lian waited until Shi Mo returned before leaving.

“Where did you go?”

Holding her hand, they sat down on the sofa. He pulled her into his arms and said, “I took care of some things.”

“Have you taken care of them?”

“Yes.” He lowered his head slightly and his gaze landed on her fair and pretty face. His eyes were as warm as jade.

The next day, before Yin bei woke up, Zuo Weiyi brought a top designer to Shi Mo and Yin Bei's apartment to tailor-make a wedding dress for her.

After tormenting herself for the whole morning, it was finally over.

Yin bei felt like she was about to collapse from exhaustion!

Three months. It was neither long nor short.

In the blink of an eye, the wedding date was approaching.

During these three months, Yin bei also discovered something. After that incident, Lu Pinger and Ji Tingfang no longer caused any trouble for her and her mother. They just happened to bump into each other occasionally.., lu Pinger merely shot her a glance and left calmly.

If this was in the past, she would definitely cause trouble for her?

“What are you looking at?”

At the entrance of the restaurant, Shi Mo brought his car over and saw her staring blankly in one direction. For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

It was only when he spoke that Yin bei retracted her gaze and walked over to open the door of the passenger seat.

“I saw Lu Pinger just now.”

Shi Mo was unmoved. He started the car and turned the steering wheel.

The more Yin bei thought about it, the more she felt that something was wrong. She turned to look at the man in the driver's seat.

“Did you... say something to Lu Pinger or did you do something?” Otherwise, how could she be so obedient!

Shi Mo pursed his thin lips and only spoke two seconds later, “I just gave her a warning.”

“What warning?” Yin bei was curious.

“In the future, if you and Auntie get hurt, I will blame it on her.”

”...”she was the president's daughter!

“Then why should she accept your warning?”

Shi Mo glanced at her and smiled, but did not say anything.

After lunch, the two returned to the company and got off at the intersection in front of the company as usual.

Shi Mo sat in the car and watched her back as she walked towards the office building.

“Hi! Yin bei!”

Yin bei was walking when a familiar voice sounded behind her.

She turned around when she heard the voice and saw her colleague, Cui Minghao, walking towards her.

“Little Cui.”

“You're eating outside?”

Yin bei paused for a moment before chuckling, “Yeah.”

“No Wonder I haven't seen you around the canteen lately.”

“Hehe, sometimes I go to Canteen No. 2, and sometimes I eat outside.”

“OH.”

“What About You? Are you eating outside too?”Yin bei asked casually as the two of them walked side by side towards the company's entrance.

Cui Minghao lifted the coffee in his hand. “No, I'm a little sleepy in the afternoon, so I came out to buy a cup of coffee!”
