

## **Kiss Me Goodnight, Mrs. CEO 1811 C1812 engagement party**

“Oh!” Yin bei answers a sound.

Inside the White Ferrari, Shi Mo gathered between his eyebrows and looked at the two figures walking side by side.

It seems that just eating together can not avoid those around her.

His Yin bei, is really grown up, no matter where you go, are easy to be chosen by men, it seems that we have to hurry the engagement party to do it.

Three days later.

A grand wedding at Hotel Z!

It was not just the world's business elite who were invited, but also the senior leaders of the Di Zun Group.

And Yin Bei is Shi Mo's fiancée, some of the old cadres of Di zun group can not help but have a big surprise!

Of course, invited as Yin bei's only friend Shen Yu Weiyi!

For the past three months, everyone had been guessing who her backer was, but no one had guessed that it would be the person on the top floor.

On the magnificent staircase, Yin bei wore a pure white wedding gown with her shoulder-length exposed. Her slightly curly long hair was

cleverly braided, making her beautiful and moving. The moment she came out, she was stunning.

Nian Yuqing, who was standing at the entrance of the staircase, looked at her beautiful and moving daughter. The corners of her mouth curled up into a smile that felt happy for her.

As she moved, her graceful figure and the applause in the banquet hall only quieted down when she went downstairs.

From the beginning until now, Yin bei had to maintain a dignified and smiling posture. It was exhausting for her!

“Now, let's invite our newlyweds to exchange rings.”

On the stage, the emcee looked at the newlyweds in front of her with a smile.

Very quickly, Shi Lian brought out a pair of couple rings. She gave the male ring to Yin bei and the female ring to her brother, Shi Mo!

The moment they put the rings on each other, it symbolized that for the rest of their lives, you only belonged to me, and I was only born for you.

“Give me a Kiss!” For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

As she watched the two of them put on the rings, Shi Lian suddenly shouted from the side!

The moment she opened her mouth, she immediately attracted the jeers of the crowd below the stage. They clapped and shouted, “Give me a kiss! Give me a Kiss!”

Being jeered at by the crowd like this, Yin bei felt so embarrassed that she could not show her face!

She looked up at the man in front of her and said in a low voice, “Don't, there are so many people.”

Although they had been intimate countless times and had lived together for three months, she still felt very shy and could not do it in front of so many people.

Looking at her blushing little face, Shi Mo's lips curled up slightly.

Then, he lowered his face and with an irresistible move, his sexy thin lips completely sealed her pink little mouth!

What he wanted was to announce to the whole world that she, Yin bei, belonged only to him from now on!

“Wu –”

Yin bei was deeply kissed by him and could not be pushed away even if she wanted to!

Finally, the kiss ended. She was so embarrassed that she could only glare at the man in front of her with dissatisfaction!

The engagement ceremony had finally ended. Now, it was time for the guests to have their own time!

After holding in her pee for the whole night, Yin bei was almost suffocated to death!

“I'm going to lie down in the bathroom!”

After hurriedly saying that to the man in front of her, Yin bei was about to turn around, but he pulled her back. “I'll go with you.”

“There's no need. You can accompany mom and the others to greet the guests!”

As he said that, he turned around and quickly rushed towards the direction of the bathroom!

She had wanted to go before the ceremony began, but the engagement ceremony could not be delayed. She could only wait until the ceremony was over. She did not expect to wait so long!

If she did not go now, she would start to doubt whether she would wet her pants!

### **Kiss Me Goodnight, Mrs. CEO 1812 C1813– a call from Shen Yu**

Shi Mo stood in the hall with a faint smile on his face as he watched her dash towards the bathroom. He only looked away when she had completely disappeared and turned around to greet the guests.

Yin bei finally felt much better when she went to the bathroom and released the pee that she had been holding in for the entire night.

When she stood in front of the sink to wash her hands, she realized that her makeup was a little messy.

Although she didn't like to put on makeup, she was a beautiful bride today. Of course, she had to look beautiful!

However, she didn't bring her makeup bag down. Instead, she left it in the lounge upstairs.

After returning to the banquet hall, Yin bei looked at Shi Mo, who was currently conversing with someone. She smiled and turned around to walk to the second floor.

When she arrived at the lounge, she sat in front of the mirror and had just finished applying her makeup.

At this moment, her phone suddenly rang.

She turned around and glanced at the caller ID.

Shen Yu?

Yin bei was stunned, and she hesitated for a long time before picking up the phone.

“Hello?”

“Yin bei...” on the other end of the phone, Shen Yu's voice sounded slightly pained!

On the other end of the phone, Yin bei seemed to have noticed it as well, and when she recalled that he was sick, she was so shocked that her face went ghastly pale. “Shen Yu? What's wrong? !”

“I... I'm in the hotel's parking lot... can... can you... come over...”

As she listened to his stuttering and struggling voice, Yin bei could not help but think of the time when he had a seizure in country Y!

Oh My God! Could it be that he had a seizure again and did not bring any medicine? ?

“Y-you didn't have a seizure again, did you? !”When she thought of the last time he had a seizure, Yin bei could not help but feel worried for him!

“I'm out of medicine... Can You...”

Yin bei listened nervously, but before she could finish her sentence, there was no sound on the phone!

Her heart could not help but become even more nervous!

“Shen Yu! ?”

No matter how she called out, there was no response from the other side.

In a moment of desperation, Yin bei had no choice but to rush out of the lounge and head downstairs to the living room in a Panic!

She originally wanted to inform Shi Mo, but when she arrived downstairs, he was nowhere to be seen!

Since she couldn't find him, she didn't dare to stay for even a moment. She rushed out of the hall all the way and entered the elevator to press the '1' button.

At this moment, Shi Mo came to the washroom to look for her because he couldn't see her return.

But he noticed that there wasn't anyone inside.

Where did she go?

He returned to the living room and looked around, but he still couldn't find her.

Feeling helpless, Shi Mo went upstairs and went to the lounge, but he found that no one was there.

Standing in the lounge, Shi Mo frowned slightly, and a vague sense of uneasiness appeared.

He took out his phone and dialed Yin bei's number, but the ringtone came from his right.

When he turned around, he saw Yin bei's phone lying in front of the dressing table.

He looked at the phone in his makeup bag. It was obvious that he had been here before.

Yin bei rushed out of the elevator and arrived at the parking lot behind the hotel. She anxiously searched for Shen Yu's SUV!

There were many black cars, and it was night time, so it was not easy to search.

“Shen Yu! ?”

Afraid that he would die without medicine, Yin bei could not help but feel even more anxious!

After a few months of being together, Shen Yu had indeed become her only friend. She could not just stand by and do nothing between friends.

“Shen Yu! Where are you! ?”

Under the night sky, her vision was a little blurry. Yin bei could only shout Shen Yu's name. As she shouted, she circled the parking lot behind the hotel to look for him.

**Kiss Me Goodnight, Mrs. CEO 1813 C1814– A Shocking Conspiracy**

Finally, a familiar car and license plate entered her line of sight. It was Shen Yu's!

“Shen Yu!”

Seeing the familiar black SUV, Yin bei rushed over.

However, through the windshield, she did not see Shen Yu's figure in the car.

Strange, where is he?

Yin bei was puzzled and frowned. In the next second, a force suddenly grabbed her!

“Ah!”

She instinctively cried out in surprise. When she regained her senses, Shen Yu's handsome face crashed into her line of sight!

And at this moment, she was also pushed against the car door by him!

Yin Bei's eyes widened. She was almost scared to death by him!

“You...”her black eyes sized up the man in front of her. She realized that he was fine and did not seem to have a seizure.

“Shen Yu, are you okay?”

Shen Yu only looked at her. His dark eyes were fixated on her, but his grip on her wrist tightened.

After a while, Yin bei realized that she was pushed against the car door by him. She was not used to his approach.

“You...”she was about to pull her hand back when he suddenly pulled her into his arms!

Her eyes widened, and before she could figure out what was going on!

Suddenly, a series of blinding flashes flashed before their eyes!

It was the reporters!

When she came back to her senses, she saw a group of reporters swarming over, taking pictures of her and Shen Yu with their cameras!

“Shen Yu, may I ask what is your relationship with Miss Yin Bei?”

“Miss Yin bei, may i ask what is your relationship with Shen Yu? Isn't this your engagement party with Mr. Shi? Why are you meeting Shen Yu Here?”

“Miss Yin bei, may I ask what are your intentions? On one hand, you're engaged to Mr. Shi, but on the other hand, you're in a hurry to go on a date with Shen Yu. Could it be that the person you like is Shen Yu and not Shi Mo?”

“Miss Yin bei! May I ask what you mean by 'return to my side'? Could it be that you've dated Shen Yu before?”

“Mr. Shen Yu, could you please explain what's going on?”

Shen Yu turned his head and his face was as cold as ice. “When we were in country Y, we did have a relationship.”

”...”Yin bei turned her gaze and looked at Shen Yu in disbelief.

Why did he say that? Was this the reason he tricked her into coming here?

“Why did you say that? Why! ?” Looking at Shen Yu, Yin bei was filled with anger as she roared!

She treated him as a friend, but he used her and even put on such a ridiculous show. What was his motive?

Facing her, Shen Yu's heart twitched slightly. His dark eyes seemed to be enduring something.

At the same time, in the banquet hall.

Shi Mo could not find Yin bei upstairs or downstairs. At this moment, there was a commotion in the banquet hall.

“Something big has happened. I heard that the bride-to-be is having a tryst with best actor Shen Yu Downstairs!”

“Really? Are you sure?”

“If I'm sure, I'll know once I go down and take a look!”

1814 Chapter 1815, you actually want to destroy me?

Then, as if they had heard some shocking news, half of the guests rushed out of the banquet hall one after another!

Looking at the figures that were originally rushing towards the door, Zuo Weiyi, Shi Yuting, and the others also frowned slightly. In an instant, they did not know what had happened.

In the parking lot.

Looking at the man who had remained calm the entire time, Yin bei wished that she could kill him!

This group of reporters had obviously come prepared. They had long known that such a scene would happen here!

However, she did not understand why Shen Yu would do this!

“Why, why on Earth would you do this! ? I've always treated you as a friend, and you actually want to destroy me?”

Today was the day she and Shi Mo were engaged. The scene of him hugging her would definitely be taken by the reporters. Once these photos were released tomorrow, she would definitely fall into a state where everyone would point their fingers at her!

Shen Yu looked at her but did not say anything.

Yin bei sneered, "I don't care what your motive is. From today onwards, I, Yin bei, will never have a friend like you!"

As she said that, she turned around, wanting to push aside the human wall in front of her and rush out of the siege of the reporters!

"Miss Yin, please explain yourself. What is your relationship with Shen Yu? And why are you engaged to Mr. Shi?"

"Miss Yin, is it really as Shen Yu said? Did you two date back when you were in country Y?"

"Then aren't you the secret girlfriend of Mr. Shi Mo in college?"

"Or did you fall in love with Shen Yu at that time? Did you get engaged to Mr. Shi Mo just to get a huge fortune from the Shi Family?"

Listening to the reporters in front of her, Yin Bei's mind was in a mess!

How could her relationship with Shi Mo be easily violated by them!

For the first time in her life, Yin bei felt that the profession of a reporter was so infuriating!

"Shut your filthy mouths! My relationship with Shi Mo is not something you can taint!"

"Miss Yin bei, are you angry from embarrassment?" A reporter asked boldly.

Yin bei's sharp eyes immediately swept towards the reporter who spoke.

"Are you asking me?"

"Yes, after the matter was exposed, you were too ashamed to face Youyou's words, so you became angry out of humiliation?"

"Then do you think you're Worthy?"

The reporter paused. There were few people who could be so calm and rational under their sharp words.

“With just you bunch of parasites and black sheep living in society, other than distorting the truth and attacking people personally, what is there to be angry about?”

One sentence made the group of reporters speechless.

After a long while, someone continued, “Miss Yin bei, please don’t change the topic and answer our –”

“You Want to know?” Before the reporter could finish his sentence, Yin bei’s sharp gaze immediately shot over!

The reporter swallowed his saliva. As a reporter, this was the first time he had been rendered speechless by someone else!

“Yes... Please Answer!”

Yin bei smiled instead, “You don’t deserve to know!”

Explaining to this group of scums would make her feel like she had sullied the relationship between her and Shi Mo..

“They’re over there!”

Rushing all the way to the parking lot, someone with sharp eyes spotted a group of people not too far away!

Having rendered the group of readers speechless, Yin bei was about to leave.

But at this moment, she heard a commotion coming from the back door of the hotel.

Turning her head, under the night sky, she saw a group of people running towards her!

1815 Chapter 1816 never wants to see you again!

Under the night sky, her line of sight was very dark. Plus, she was surrounded by a group of reporters. Yin bei could not see their faces clearly, but she could see that they were wearing formal clothes. They should be people from the wedding banquet hall.

So even Shi Mo knew about it?

Following her line of sight, Shen Yu naturally turned his head. With his tall and long body, he caught a glimpse of Shi Mo who was walking quickly among the crowd.

Yin bei wanted to push away the human walls in front of her, but in the next second, her arm was suddenly pulled by someone!

She staggered and before she could stabilize herself, in the next instant, she felt a warm and moist sensation on her lips..

No matter how slow she was, she knew what it was. Her eyes widened!

“Oh, my God!”

The guests who had rushed down the stairs saw this scene as soon as they got close. They were so shocked that their mouths had turned into an “O”shape as they looked at the scene in front of them in shock!

Meanwhile, Shi Mo, who was following in the crowd, stopped in his tracks when he saw the scene in front of him.

Following that, his body was filled with rage as his dark eyes shot out a bone-chilling light!

“Pa!”

boxn ov el. c o m

A crisp and clear sound of a slap pierced through the quiet parking lot in an instant.

Everyone’s gaze turned towards Yin bei and Shen Yu.

Pushing away the man in front of her, Yin bei raised her hand and gave Shen Yu a fierce slap on the face.

Then, she squeezed out each word from between her teeth, "I've known you for so long, but I've never thought that you're such a disgusting person!"

As she said that, she wiped her mouth forcefully.

However, her black pupils flickered with tears of the atmosphere!

The friend that she had always treated sincerely, had used her just like that without any reason. Her goal was nothing more than to destroy her, and even her engagement with Shi Mo..

Shen Yu seemed to have been slapped awake as well, and he closed his eyes as if he was extremely enduring something.

Whereas in the eyes of the reporters and guests, this scene was more like a love triangle that was inextricably linked.

Was it because after the matter was exposed, Yin bei intended to hold on to the position of Mrs. Shi, so she would rather break up with best actor Shen than spare any expense?

Or was it because she saw Shi Mo arrive, so she intentionally acted for him to see?

"What's going on? Why would Miss Yin Kiss another man? Today is her and Mr. Shi's engagement party..."

Seeing such a shocking scene, some people whispered among themselves.

"It can't be another entangled love triangle, right..."

"In the future..." Yin bei's voice was a little choked up when she spoke again. "I don't want to see you again, forever!"

She felt that she was really stupid, wholeheartedly treating others as her most sincere friend. She did not expect that the other party had always been a wolf in sheep's clothing!

As she finished speaking, she shot a fierce glance at Shen Yu. Then, she turned around and was about to leave this troublesome place!

However, when she turned around, under the pitch-black night sky, she immediately saw Shi Mo standing not far away.

The instant she met his black eyes, she did not know why, but her heart was startled. She did not know if he had also seen the scene just now.

Would he be angry because of this.

Would he be like these reporters and misunderstand her.

Would he not want to see her again because of this.

She was afraid, so afraid that even her heart was trembling.

Looking at the people who were being attacked by the reporters, Shi Mo walked over step by step.

Until he stood in front of her, Yin bei could no longer hold back the tears that he was suppressing. Just like that, they flowed out of his eyes.

On his dark eyes, even if there are thousands of explanations, she could not say a word.

1816 Chapter 1817 trust, no need for words

And he did not need her to say a single word.

Under the circumstances that no one expected, Shi Mo reached out his hand and gently pulled her into his embrace. His deep and magnetic voice sounded beside her ear.

“It's alright.”

These three words caused Yin bei's tears to flow like a fountain, and she cried out in his embrace..

Feeling his tight and powerful arms, Yin bei cried like a pear blossom in the rain.

She was really afraid, afraid that he would be like them, not believing her, misunderstanding her, and not wanting her.

"Wu..." tears covered his nose and wet his shirt, but it also deeply touched his heart.

Then, his sharp eyes slightly lifted and landed on Shen Yu's face in front of him!

Upon meeting his sharp eyes, Shen Yu was not afraid, his face remained calm.

However, as he looked at Yin bei sobbing in his arms, his heart felt like it was being stabbed. He felt a little regretful for what he had done tonight.

As for what he had done tonight, Shi Mo did not bother to say a single word to him!

boxn ov el. c o m

Instead, he bent down, picked up the person in his arms, turned around, and walked towards the entrance of the hotel.

He had only taken a few steps when he suddenly stopped.

Then, a chill spread in all directions. "Whoever dares to expose this matter, feel free to try."

As soon as he said this, the surrounding air seemed to drop a little, making people feel as if they were in an ice cellar in an instant!

Looking at the receding figure, the reporters secretly swallowed their saliva, not even daring to breathe loudly.

Were all the men in the Shi family so powerful?

Shi Yuting was, and so was Shi Mo. the moment he opened his mouth, there was a danger that could not be ignored!

It was not until Shi Mo's figure disappeared at the back door of the hotel that Zuo Weiyi, Nian Yuqing, and Shi Lian came back to their senses and hurriedly followed him!

After entering the hotel, Shi Mo did not bring her back to the hotel. Instead, he passed through the hall and went straight to the main door.

When he arrived, his car was parked at the front door.

After getting into the car, Shi Mo made a call to his father, Shi Yuting.

Leaving just like that, the guests also needed to be comforted.

When they reached the apartment they were staying in, Zuo Weiyi, Nian Yuqing, and the others also arrived.

Nian Yuqing naturally saw the scene in the parking lot clearly.

However, when they saw it, it happened to be when Shen Yu was kissing her, and they naturally missed the 'forced' scene, so they had no idea how that scene actually happened.

Looking at her daughter who was still sobbing, Nian Yuqing felt her heart ache.

From the looks of it, she must have suffered a great grievance.

But wasn't she in the Wedding Banquet Hall? When did she run down and end up in the parking lot with Shen Yu?

Shi Lian looked at her mother. She wanted to comfort her, but she couldn't find any words of comfort. She didn't know what had happened either.

Only when Yin bei's mood had completely calmed down did Nian Yuqing speak.

“Don’t cry anymore. Tell me, what happened? Weren’t you and Shen Yu Upstairs?”

After such a scene had happened, the Shi family’s reputation might have been affected. Of course, her daughter’s grievance made her heart ache even more.

Yin Bei’s eyes were red. She looked up at her mother and then lowered her head.

“I received a call from Shen Yu. He said that he was in the parking lot and that his illness was acting up. He didn’t bring any medicine with him, so he asked me to go over.”

Hearing this, Shi Lian frowned.

“Acting up? Is that Shen Yu Sick?”

Yin bei nodded. “When I was in country Y, I met him once. Because the situation was very dangerous, I ran down from the wedding hall.”

1817 Chapter 1818, what do you have to say

Shi Mo stood at the side, quietly watching her and listening to her retelling.

“And then? Why are there so many reporters there? and...” afraid that she would be upset., nian Yuqing paused for a moment before speaking, “What happened between you and Shen Yu? Weren’t you always friends? Why... why did he do that?”

Yin bei could not understand this at all.

“I don’t know.”

Upon hearing her answer, Zuo Weiye and Shi Lian looked at each other and were even more confused.

Then, Zuo Weiye sat on the edge of the bed and patted Yin bei’s hand, “It’s Alright, rest well. Let Shi Mo go and investigate everything.”

“Yes, yes, yes. You should rest well. Leave the rest to my brother!”

Looking at Zuo Weiyi and then looking at Shi Lian, Yin Bei was glad that under such circumstances, Shi Mo’s mother and sister actually chose to believe her and did not despise her because of that.

“Anyway, the engagement ceremony has been successfully concluded. Don’t think too much about it. As for that Shen Yu, after we find out the reason, I’ll make sure that he can’t survive in the entertainment industry. I’ll help you vent your anger!” Zuo Weiyi smiled, she patted her chest and promised!

Even though she wasn’t familiar with that Shen Yu, he actually did such a thing to Yin bei. Even if she didn’t do it, she believed that her son wouldn’t let him off so easily!

Amidst the crowd’s comforting voices, Shi Yuting also arrived at the couple’s apartment.

boxn ov el. c o m

However, a man was a man after all, so he wouldn’t say those comforting words.

Therefore, from the moment he entered until now, when she saw his gloomy face, Yin bei thought that he had misunderstood her and Shen Yu, so he didn’t like her as his daughter-in-law?

Even though he was Shi Mo’s father, Yin bei was always afraid of him every time she saw him.

It was also possible that it was because he was quiet and indifferent that he always gave off a cold and noble feeling, inviolable.

Following her line of sight, Shi Lian also looked at her father, who had been silent the whole time and had a cold face. She could not help but frown and look at him. “Daddy!”

Shi Yuting turned his head. “Huh?”

“Hurry up and say something!”

Shi Yuting was still a little confused. What did he say out of the blue?

“Say What?”

“Sister-in-law thinks that you’re angry and blaming her!” Shi Lian nudged him and said softly.

Even though she said it very softly, it was still heard by the others.

“That’s right, that’s right. Hurry up and say something, or else my daughter-in-law will think that you’re angry! She’s really upset now. If even we don’t believe her, she’ll jump off the building!” Zuo Weiyi also hurriedly pinched his arm, a hint!

Of course, it was also a little exaggerated.

One had to know that it wasn’t easy for Shi Yuting to open his mouth. How could he not exaggerate!

After being teased by the mother and daughter, Shi Yuting seemed to have realized it as well.

He turned his gaze and glanced at his future daughter-in-law.

Comforting people was a woman’s business. How could a man like him do it?

“I didn’t see anything.”

The moment he said that, Zuo Weiyi and Shi Lian were stunned.

Didn’t see anything? What kind of comforting words was that?

However, Yin bei seemed to have heard something. She raised her head and looked at Shi Mo’s father in surprise.

He didn’t see anything. Did he mean that nothing actually happened tonight?

“The two of you have been tired all day. Rest early.”

Glancing at his son and daughter-in-law, Shi Yuting reached out and hugged his wife. “Go Home!”

1818 Chapter 1819 was a little nauseous

Zuo Weiyi wanted to stay, but he forcefully hugged her and left. He turned around and said to Yin bei who was lying on the bed, “Bei bei, I’ll come and See You Tomorrow!”

Looking at the two figures leaving, Yin bei had a deep feeling.

She heard from Shi Lian that when mother Shi and father Shi were young, they had also gone through many hardships before they finally got together.

She also hoped that her relationship with Shi Mo would be like theirs.

“Mom, it’s very late. You should go back too. I’m fine.”

Yin bei retracted her gaze and her gaze landed on her mother’s face.

Although she was still a little worried about her daughter, it was just a false alarm.

“Then you should rest early. I’ll come and visit you tomorrow.”

“Okay.” Looking at her mother, she nodded.

“Lian Lian, send Auntie Home.”

“Okay!” Shi Lian stood up and smiled at Nian Yuqing, “Auntie Nian, I’ll send you home!”

boxn ov el. c o m

Nian Yuqing nodded and did not refuse.

After the group left, Yin bei sat on the bed, thinking about this matter in her mind.

Why did Shen Yu do this?

After spending so much time together, she could not even tell that he had the slightest bit of affection for her. Why did he suddenly do such a misleading thing to her?

“Go take a shower?”

Shi Mo’s gentle voice fell from above, breaking her quiet thoughts.

She looked up and nodded. Perhaps taking a shower would calm her down a little.

She lifted the blanket and was just about to get out of bed when a nauseating feeling suddenly came from her chest, causing her movements to stagnate and her brows to furrow slightly.

“What’s Wrong?”

Seeing that she had stopped getting out of bed, Shi Mo furrowed his brows, thinking that something was wrong with her.

After a long while, Yin bei finally suppressed that disgusting feeling and let out a deep breath.

“I’m fine, it’s just that I suddenly... feel a little nauseous.”

“Go to the hospital?” He was worried.

Yin bei raised her head and smiled. “There’s no need, I’m fine again.”

After saying that, she got out of bed. She looked as if nothing had happened and the expression on her face was very good.

Perhaps she was too engrossed in her thoughts, as she was soaking in the bath, she actually forgot the time.

After the call ended, Shi Mo saw that she had already gone in for 40 minutes, but she still hadn’t come out. He couldn’t help but walk over and knock on the door.

“Bei?”

It wasn't until the sound of a knock on the door that Yin bei, who was deep in sleep, was startled awake. She hurriedly stood up from the bath, intending to walk to the shower to wash her body clean.

At this moment, the bathroom door was pushed open.

Without waiting for her reply, Shi Mo, who was outside the door, seemed to have thought that she might have fallen asleep.

However, the moment he entered, he saw the scene of a beauty coming out of the Bath. It made his heart race.

They had been living together for three months and were officially engaged today. However, when she presented herself in front of him without any clothes on, Yin bei was still a little shy. She hurriedly walked to the side and wrapped the bath towel around her body.

“You're Not Done Yet?” He was very calm and composed.

“I was thinking about something just now, so I fell asleep.”

He smiled gently and then left.

After taking a shower, it was already past ten in the evening.

After a busy day, Yin bei was indeed very tired.

Just as she buried her face into the pillow, a heavy drowsiness instantly assaulted her.

After Shi Mo took a shower, he came out and saw that she was in a deep sleep. Her breathing was balanced, so he naturally did not have the heart to disturb her. He hugged her and fell asleep together.

The next day.

Yin bei slept very late before waking up.

She was a little puzzled. In the past, whenever there was something on her mind, she would not be able to fall asleep. However, recently, she had been sleeping very late.

1819 Chapter 1820. He only trusted Yin bei

With a lazy drowsiness, he turned his head and saw that the seat beside him was already empty.

Looking at the time, it was 8:40.

It was so late. Shi Mo must have gone to the office.

No, they had just gotten engaged. They had agreed to travel to Hawaii for a month.

With a hint of confusion, Yin bei got out of bed and opened the door of the master bedroom, thinking that Shi Mo was in the living room or study room.

“Bei bei, you’re awake.”

“Mom?”

Yin bei was a little surprised to see her mother’s figure early in the morning.

Previously, they had discussed letting her move here to live with her and Shi Mo, but Nian Yuqing was a very sensible person. She was afraid that if she moved here, she would disturb the young couple, so she insisted on staying in beiguang district.

Looking at her daughter, Nian Yuqing smiled gently. “Hurry up and wash your face and brush your teeth. Mom has prepared your favorite breakfast for you.”

“Okay.”Yin bei smiled and was about to turn around to wash up.

As she turned around, she seemed to suddenly remember something. She turned around and looked at her mother. "Where's Shi Mo?"

"He had something to do and left. He picked me up early in the morning."

"OH."

After washing up, she sat at the dining table and looked at the sumptuous breakfast. It was all her favorite food, but when it was brought to her mouth, Yin bei did not have much of an appetite.

"What's Wrong?" Seeing that her daughter was not eating well, Nian Yuqing thought that she was still upset about what happened last night.

She looked up and glanced at her mother. Yin bei smiled and said, "Nothing."

As she said this, she reluctantly took a few more bites.

As if she had thought of something, she suddenly took her cell phone in the middle of eating, as if she was anxiously searching for something.

Such a big incident happened yesterday, but the headlines did not mention anything about her and Shen Yu?

Thinking back to what Shi Mo said when he carried her away last night, he must have controlled the situation and kept the incident from being exposed, right?

Yin bei heaved a sigh of relief in her heart. At the same time, she realized that it did not matter if everyone in the world did not believe her. As long as Shi Mo believed her, this matter would become unimportant.

At the thought of this, her appetite seemed to have become a little better. She finished all the ten thousand preserved eggs and lean meat porridge!

At the same time, on the other side.

Lu Pinger was flustered and exasperated as she found Shen Yu and showed off in his villa!

“What exactly did you do yesterday? Why didn’t the major media report what happened last night? Or did you not do what I Said?” She stared at the man in front of her, Lu Pinger acted like a queen.

Looking at the woman who was showing off, Shen Yu’s face was calm.

“I’m not sure.”

After saying that, he turned around and walked towards the sofa as if he didn’t want to bother with her.

Lu Pinger was very annoyed by his attitude!

“Shen Yu, are you out of your mind? How dare you treat me like this? !”

Shen Yu ignored her and walked straight to the sofa to sit down. He lit a cigarette and took a deep breath. Smoke filled the air.

“You underestimate Shi Mo too much.”

“What?” Lu Pinger did not seem to understand. She walked to the sofa and looked at Shen Yu with a frown.

Shen Yu’s mind was filled with guilt towards Yin bei when he thought about what happened last night.

He closed his eyes and swallowed him with self-blame.

“I’ll do as you say, but Shi Mo only trusts Yin bei.”

Lu Pinger was stunned. How was this possible! !

She had accidentally discovered that Shen Yu and Yin bei were very close. She had initially planned to let him cause a misunderstanding between Shi Mo and Yin bei, but she did not expect that the two of them were purely friends.

However, she was really unwilling to watch Yin bei and Shi Mo get engaged!

And by chance, she actually saw Shen Yu, a male star who was famous all over the world, taking drugs!

“You mean, he saw you and Yin bei together and didn’t believe that there was anything between the two of you?”

“Yes.”

“How is that possible!”

Shen Yu looked up at Lu Pinger, who was furious from embarrassment.

If he hadn’t been threatened by her, the person he didn’t want to hurt the most in his life was Yin bei.

“How is that impossible? The relationship between Shi Mo and Yin bei can not be shaken by anyone. So, you’d better give up on this idea!”

“I don’t believe it!”

“Up to you.”

Staring at Shen Yu, who was leisurely sitting on the sofa, Lu Pinger suddenly narrowed her eyes. “Did you regret it and tell Shi Mo and Yin bei that all of this was just a scheme between you and me?”

Shen Yu looked up and immediately put out the cigarette butt in his hand.

“Before you came here, I did plan to tell Yin bei that all of this was just an unscrupulous ploy by you, Lu Pinger!”

“You Dare! ?”

Shen Yu glanced at her.

Before the incident, he might not have dared.

But after the incident, he felt that there was nothing that he did not dare to do.

Lu Pinger smiled. "If you dare to tell anyone about this, I guarantee that your reputation will be destroyed and you will never be able to enter the entertainment industry!"

"I believe you."

Lu Pinger was stunned and the smile on her face disappeared.

"You still dare to do this if I believe you?"

"Why wouldn't I Dare?"

"Don't you want your status in the entertainment industry anymore?"

"I don't want it anymore, so you can do whatever you want."

After saying that, Shen Yu ignored Lu Pinger. He stood up and walked straight towards the door.

After a long while, Lu Pinger finally came back to her senses. She turned around and looked at Shen Yu's back as he left!

If she ran to tell Yin bei all of this, Shi Mo would definitely find out by then. She absolutely could not!

"Shen Yu! Stop right there!" Lu Pinger finally reacted and chased after him!

Shen Yu chased her all the way downstairs, but he ignored her. Instead, he walked straight out the door.

"Shen Yu, if you dare to tell Shi Mo and Yin bei about this, I will never forgive you!"

Lu Pinger followed him out. When she looked up, the person in front of her made her stop in her tracks.

“Shi Mo...”

Looking at the man in front of him, Shen Yu did not seem surprised. He calmly stopped and looked Shi Mo in the eye.

Lu Pinger, who saw Shi Mo, instantly felt extremely guilty and uneasy. It was as if a bloody storm was waiting for her!

“I should have said that if I touch her again, I will have to bear all the consequences. Not only you, but also your father and the entire Lu family!”

As he said this, Shi Mo’s cold eyes locked onto Lu Pinger. The threat in his eyes was enough to destroy everything.

Lu Pinger was threatened by his words. Her face instantly turned as pale as snow.

“I... I didn’t...”

“I’ve said it before. I hate women who overestimate themselves the most.”

Lu Pinger did not know what he would do next. However, everything she had now could not be destroyed by him!

After all, he was just a businessman. She did not believe that he could really touch her Lu family!

“Shi Mo, aren’t you overestimating yourself? No matter what, my father is the president of a country. Can you really touch the Lu Family?”

Shi Mo smiled. “Why not give it a try?”

After saying that, he ignored Lu Pinger and turned his gaze to Shen Yu.
