

## **Kiss Me 201**

### **Chapter 201: Do You Care if I Get Engaged to Her?**

Zuo Weiyi was stunned facing his sudden words.

Did he mean the last sentence that she said in the pantry?

The reason why she confessed to him at that time was that she thought they were both going to die there. But now that she was safe and alive, she could not say it again.

Zuo Weiyi lowered her head and dodged Shi Yuting's eyes. "No, no..."

Shi Yuting narrowed his eyes. "No?"

"Yes." She nodded. She could not say those words again.

Especially when she knew that he and Tengtang Xi were about to get engaged.

Suddenly, there was a flush of blush on her fair face.

He grinned and did not expose her. He then switched the conversation to another topic. "What did you ask me just now?"

Zuo Weiyi only thought of it after listening to him.

She wanted to ask about his engagement with Tengtang Xi.

She pursed her pink lips and raised her eyes. "You and Tengtang Xi... are you getting engaged?"

She asked indifferently, but there was a trace of pain in her eyes. She looked carefully at the man's jade-like face.

Shi Yuting gently bit his lower lip and remained calm facing her question.

After a while, he lowered his head and looked at her with his deep and inquisitive eyes. He wanted to see through her heart.

"Can you answer me first before I answer your question?"

Zuo Weiyi was dumbfounded.

"Answer what?"

"Do you care if I get engaged to her?"

She was startled listening to his words.

Of course, she cared about it.

She then lowered her head and looked a little sad.

"If you don't want to say, even..."

"Answer me."

It was a command—unquestionable and overbearing although his tone was light and soft!

She glanced at him. This man was really...

Too domineering!

“Mhmm!” She nodded reluctantly.

But Shi Yuting was not satisfied yet.

“Mhmm?”

“Yes, I care!” She had no choice but to say it again.

Shi Yuting finally smiled with satisfaction this time.

Zuo Weiyi looked at him. “Now, it’s your turn to answer me!”

“Yes, next month.”

He answered too suddenly leaving her somewhat unprepared.

Next month? Was he really going to get engaged with Tengtang Xi next month?

Zuo Weiyi felt that her chest was being stabbed by something while thinking of this.

“But, I won’t marry her.”

Shi Yuting suddenly spoke as he could see the pain in her eyes.

The pain in her eyes made his heart ache.

Zuo Weiyi was puzzled.

Not marrying Tengtang Xi?

However, they were getting engaged. How was it possible to not marry her?

She was wrong.

It was none of her business whether he married Tengtang Xi or not.

Because even if he did not marry Tengtang Xi, he would marry another woman with equal status and rank, right?

She—Zuo Weiyi had no prominent identity and did not have a strong family background. She would never be the woman who would spend the rest of her life with him.

The thought of him spending the rest of his life with another woman made her heart ached as if her heart was pierced by the icicles.

“Zuo Weiyi.”

Just as she was immersed in her thoughts, his sexy and low voice suddenly spoke above her head.

She slightly raised her head and looked at him blankly.

Looking at her clear and bright eyes, Shi Yuting had never been this serious.

“Just stay by my side. Don’t leave me.”

Zuo Weiyi was stunned while looking at his serious face.

What did he mean?

‘Stay by his side and don’t leave him? But isn’t he going to be engaged to Tengtang Xi?’

### **Chapter 202: He Says that I’m His Fatal Weakness**

Shi Yuting held her tightly in his arms looking at the daze and perplexity in her eyes. He then rested his chin on top of her head. “Don’t run away from me no matter what happens.”

His words kept echoing in her mind. She gradually fell asleep in his arms when the night came.

The next morning.

Shi Nuannuan also learned of the news and immediately drove to the hospital.

She finally felt relieved when she saw Zuo Weiyi unharmed and safe.

But what puzzled her was, why was her brother here?!

Did he not forget about Weiyi? How could he have gone to the scene of the fire and rescued her?

What the hell was going on?

Shi Nuannuan was full of doubts looking at her brother who was standing by the window answering the phone.

However, Yuting just glanced at Shi Nuannuan and left the ward after he hung up the phone.

Looking at his disappearing back, Shi Nuannuan turned and rushed to the bed. “Weiyi, what the hell is going on? Haven’t my brother forgotten about you?”

Zuo Weiyi did not know how to answer her either.

This was because Shi Yuting only gave half of the explanation yesterday. Hence, she could not guess his thoughts.

“I don’t know... he just said that he was pretending.”

Shi Nuannuan frowned and asked suspiciously, “Pretending? Why?”

“He said... I am his fatal weakness.”

Zuo Weiyi had been thinking of this line the whole morning. She still could not think of any deeper meaning in it.

But Shi Nuannuan seemed to have some idea about it when she heard this sentence.

Fatal weakness?

Could it be that Brother already knew about Grandfather's threat to Zuo Weiyi? Thus, he had pretended to have amnesia to protect her.

She knew that Zuo Weiyi was very important to her brother!

Shi Nuannuan felt happy for Zuo Weiyi while thinking of this.

But, her brother and Tengtang Xi were going to be engaged next month. She was worried and hesitated about whether she should let Weiyi know about it.

Even if she knew about it, what could she do?

Grandfather would never let her enter the Shi family due to her inferior status unless Grandfather suddenly changed his attitude. But, how was that possible?

Shi Nuannuan thought that it was impossible!

Shi Yuting returned to the ward again after a while.

He walked over to the bed and suddenly picked up Zuo Weiyi.

Zuo Weiyi was startled by his sudden move. Her eyes widened. "What are you doing?!"

"We're leaving the hospital!"

He was already walking outside while carrying her in his arms the next second after he finished speaking.

Shi Nuannuan also followed behind them with a puzzled look. She chased after them and asked, "Brother, why are you in such a hurry to leave the hospital? She still hasn't recovered yet, has she?"

Shi Yuting did not even care about what Nuannuan had said. He just held Weiyi and went straight to the black Bentley that was waiting at the door.

Shi Nuannuan also quickly rushed into the car and closed the door.

Zuo Weiyi seemed to realize something looking at the man's calm face while sitting in the back seat. She could not help but ask, "Has something happened?"

Shi Yuting raised his eyes and slightly smiled. His eyes were full of affection. "The air in the hospital is not good."

Zuo Weiyi only stared blankly at him, listening to his calm statement.

Was it really just because of the air quality in the hospital?

The window slowly went down. He then turned to look at Xiangyi who also standing outside. Shi Yuting then ordered coldly, "Get rid of them."

### **Chapter 203: Back to the Shi Mansion**

Xiangyi nodded after receiving his order. He then turned and walked to the black Audi behind.

Shi Nuannuan and Zuo Weiyi who was in the car were in a daze.

A black car gradually began to follow behind the black Bentley that they were in when they started the car.

When the cars drove into the suburbs, the black Audi suddenly stopped in front of that car blocking their way.

Because of that, the black car had to stop.

Xiangyi slightly grinned looking at the sturdy men in suits walking down the car.

One of the men looked at Xiangyi coldly and said, "Xiangyi, are you trying to stop me?"

Xiangyi slightly smiled. "I have no choice. Mr. Shi is my master."

"Do you know the consequences of offending the Speaker?"

"Didn't I say it just now? Mr. Shi is my master."

The man was looking at Xiangyi coldly.

\*\*\*

The car arrived at Shi Mansion half an hour later.

Aunt Yu was surprised seeing Shi Yuting holding Zuo Weiyi in his arms.

Aunt Yu had grown affectionate toward Zuo Weiyi after spending so much time together.

She also thought that perhaps only Miss Zuo was the most suitable woman for the young master in this world.

Aunt Yu quickly ordered the kitchen to prepare many nutritious foods after learning that Zuo Weiyi was injured in the fire.

Zuo Weiyi raised her head and looked at the man beside the bed after they were back in the familiar master bedroom again.

She could still remember what Shi Le had said the last time.

What if his grandfather knew that she had gone back to Shi Mansion? What should she do?

She remembered that the last time when she met Shi Yuting in a restaurant, his grandfather got to know about it within half an hour.

"Shi Yuting, is it okay for me to come back here?"

"You are my woman. What's wrong with living here?" He looked at her delicate face and smiled.

"It's alright. You staying here is the best!" Shi Nuannuan who was at the side also spoke.

But, she was a little worried thinking of Grandfather's threat to Zuo Weiyi.

She remembered that if Zuo Weiyi continued to be with Brother, Grandfather would not give her a second chance.

However, since Brother had decided to bring Zuo Weiyi back, he must have found a way to protect her, right?

She believed that Brother would protect Zuo Weiyi well since he cared so much about her!

Shi Nuannuan was relieved upon thinking about this.

Then, the mobile phone rang.

Zuo Weiyi and Shi Nuannuan both turned and found out that Shi Yuting's phone was ringing.

He took out his phone and glanced at the caller ID above. His expression darkened.

He then took the mobile phone and left the master bedroom. He walked to the study room next door.

He brought the phone to his ear after pressing the answer button.

Then, Shi Le's strong voice immediately sounded from the other end of the phone before he could even speak.

"Do you think you can compete with me now?"

"Grandfather, you are thinking too much," Shi Yuting said calmly.

"Thinking too much? Then tell me, why do you keep that woman by your side?! Even pretending to have amnesia to protect her?!"

"If you didn't try to manipulate and interfere with my life, I wouldn't have had to deceive you like this!" This was the first time Shi Yuting confronted his grandfather!

Shi Le was very angry and disappointed in Shi Yuting after hearing his words.

He believed that everything he had done for Shi Yuting was for his future.

"I'm manipulating your life? Have I not done all of this for you?!"

#### **Chapter 204: Grandfather Knew About It?**

"In your view, maybe it is."

"You!" Shi Le was so angry that his hand was shaking.

The grandson that he had been proud of over the past twenty-eight years was actually fighting with him for a woman with inferior status. Did he still take him as his grandfather?!

"No matter what, I will never let you be with that woman!"

Shi Yuting remained calm facing Shi Le's anger. "Similarly, no one can destroy anything that belongs to me."

"Shi Yuting!" Shi Le completely lost it after listening to Shi Yuting's refute. "Don't you forget, everything you have today was given by me!"

"If you want to come back, you can do it anytime!"

“You!”

Smash!

Shi Le was so angry that he smashed the phone!

Shi Yuting only heard the dialing sound after that.

“Go and invite Tengtang Li here. Just tell him that I want to bring forward the engagement and change the location to City Z!”

Shi Le’s face was dark while standing in the magnificent living room as he spoke to the guard at the side.

Shen Lanzhi who was sitting on the sofa was puzzled.

She had never seen him so angry before. That phone call just now must have angered him. That phone was obviously from Yuting. What did he say that made his grandfather so angry?

Shen Lanzhi could not help but worry.

Was the woman that his grandfather mentioned Zuo Weiyi?

Did Shi Yuting bring her back to Shi Mansion?

“Father, do you want me to go to Country Z to persuade Yuting?”

Shen Lanzhi spoke after Shi Le had calmed down a little bit.

Shi Le glanced at her and tried to be calm.

“It’s the same in the end. Either way, the marriage with the Tengtang family has been decided. If he wants to be with that woman, he will have to give up his rights and the position of the president!”

Shen Lanzhi was worried after hearing his words.

\*\*\*

Shi Yuting returned to the bedroom after putting the phone away. He was quickly greeted by Zuo Weiyi and Shi Nuannuan’s gaze as soon as he entered the room.

They both heard the confrontation he had just now since the study room was next door and the balcony windows were opened.

“Was it from Grandfather?” Shi Nuannuan looked at him and asked carefully.

Shi Yuting glanced at Zuo Weiyi and said softly, “Yes.”

“Grandfather already knows about it?”

“Yes.”

Shi Nuannuan could not help but worry.

She did not know what her grandfather would do to Zuo Weiyi.

She did not understand why did they have to ally through marriage with the Tengtang family when their family was already so powerful and strong. Was it true that Shi Yuting would not be elected as the president without marrying her?

She too hoped that her brother would become the president. However, she felt sorry for him if he needed to sacrifice his happiness to become the president.

The Shi family was strong, rich, and powerful. Moreover, Grandfather was the Speaker. Brother had also built his own business over the past few years. Was that not enough?

Shi Yuting walked pass Shi Nuannuan and sat on the edge of the bed.

He smiled at Zuo Weiyi.

“Are you afraid?”

Zuo Weiyi was stunned.

She immediately reacted.

“No. I just heard that if you don’t marry Tengtang Xi, you will lose the position of the president.”

Zuo Weiyi was very touched at this moment.

She had thought that she was just a sex partner to Shi Yuting. But she just found out today that it was not the case.

### **Chapter 205: Shi Yuting’s Story**

Regardless of whether their relationship had a good ending or not, at least the man in front of her cared about her.

She seemed to live a happier life than her mother.

She did not have a reputable status nor did she have a good family background. But, did they really need these things to determine whether they were right for each other?

“No one can take away what I want.” Shi Yuting smiled while looking at the worry on her face.

He was bound to become the president.

He was a businessman. How could he get to this position he was today without any means?

She was in a daze looking at the calmness on his face.

How could he still laugh when things had come to this point?

\*\*\*

Shi Yuting went to Di Zun after settling matters with Zuo Weiyi in the morning.

Of course, he had increased the number of bodyguards and guards in Shi Mansion. He had also left Xiangyi who had always been following him there.

In the bedroom, Shi Nuannuan had been accompanying Zuo Weiyi all day long because she was afraid that Zuo Weiyi would be bored. They also went to the garden to breathe some fresh air sometimes.

During the autumn season, there might be not many colorful flowers, but one could still witness the beauty of withered maple leaves.

Shi Nuannuan and Zuo Weiyi sat side by side on the bench. They were sharing their childhood stories with each other.

“You probably don’t know this, but my brother was popular with girls when he was a kid. He was always followed by a bunch of little girls behind him!”

Shi Nuannuan felt very proud when she said that.

Zuo Weiyi was a little stunned when she heard Nuannuan’s words.

“Nuannuan, how do you know about that?”

Nuannuan was still not born yet when Shi Yuting was in kindergarten.

She remembered that Nuannuan was the same age as her. She was a few years younger than Shi Yuting!

“My mum told me about it. She always went to see Brother in the kindergarten secretly. That’s how I know about it!”

Zuo Weiyi was puzzled while listening to her.

She frowned and looked at Shi Nuannuan. “Go to see your brother secretly? Why did she have to do it secretly?”

It should be normal for parents to go to kindergarten to see their children. Why did she have to do it secretly?

Shi Nuannuan paused. Her excited face turned gloomy.

Zuo Weiyi seemed to realize her change of expression and slightly frowned.

“Because...” Shi Nuannuan raised her head and forced a smile. “My mother entered the Shi family later.”

“When my brother was born, Father was forced to marry another woman due to his family status. At that time, Mother was pregnant with Brother and had taken Brother away. However, the woman that Father married could not have a child, so they adopted Shi Tiannan.

“But Grandfather has always felt that Shi Tiannan was not related to him. Then, Grandfather found out about Brother’s existence by accident one day. So, he took Brother into the family when he was four years old. Father was not divorced with Shi Tiannan’s mother at that time. Hence, Mother could only go to kindergarten secretly to watch him whenever she misses him.”

Zuo Weiyi was shocked after learning about Shi Yuting’s story.

If that was the case, Shi Yuting was the same as her. Was he an illegitimate child too?

However, he was much luckier than her.

Because even though he was the illegitimate child, he was brought back to the Shi family fairly and squarely.

Unlike her, even after she had changed her surname, she still could not talk about her identity freely elsewhere.

“Shi Tiannan, was it the man who came the last time?”

### **Chapter 206: The Ring On Her Ring Finger (1)**

So, Shi Yuting had an elder brother.

“Yeah! But their relationship isn’t that good. Even though they’re brothers in public, but in truth... He wants my brother dead!”

Zuo Weiyi was once again stunned by her words.

Shi Tiannan had made an impression of a gentle person in her mind last time they met. To hear that his actual person was this unsightly, she was shocked.

As expected of the relationships in rich families, how complicated.

While they were talking, Zuo Weiyi’s phone suddenly rang.

She looked down at her phone and saw that it was from Gu Yansheng.

Now that she thought about it, after such a big incident in Zuoyue, Yansheng probably came back.

“Hello?”

“Weiyi, where are you? Are you alright?!”

As soon as she picked up the call, Gu Yansheng questioned her rapidly, his tone full with anxiety.

He had never expected this kind of incident would happen after he left.

When he heard that she was trapped on the 28th floor and was not found by the firefighters, he grew even more uneasy.

Hearing his concerned voice, Zuo Weiyi smiled, “I’m fine. Are you back in Country Z?”

“Yeah, I just arrived. Where are you right now?”

“I... I’m in Shi Residence.”

Upon hearing so, Gu Yansheng was surprised.

He slowly opened his mouth after a few moments, “You went back to Shi Yuting?”

Even though he appeared to be calm, sadness still seeped into his tone.

Zuo Weiyi nodded. “Yeah.”

“Why did you go back? He has forgotten about you.”

That day at the restaurant, when he saw her agonizing expression, he swore to himself that he would take care of her for an eternity. Yet, she had still crawled back to Shi Yuting with a body full of wounds.

Was he really that important to her?

Listening to his words, Zuo Weiyi only smiled silently.

“He has always remembered me, but it’s a long story. Yansheng, thank you for taking care of me all this time, I... can never thank you enough.”

Her words broke his heart.

What he wanted was not her thanks.

“Have you thought it through properly?”

“Yes.”

The moment Shi Yuting dashed into the fire to save her, she was ready to give up everything. Even if it meant giving up her life, she still wanted to stay by Shi Yuting’s side.

Gu Yansheng stayed silent for a long while before finally speaking again, his voice melancholic.

“Alright then. How about this, we’ll talk later. I still need to finish up some work.”

He did not want to say goodbye.

He was willing to wait for her, even if it would take a lifetime. If there came a day where Shi Yuting hurt her again, he would still be standing there and waiting for her.

“Okay, good luck!”

Zuo Weiyi grinned and hung up.

It was not that she did not know about Gu Yansheng’s feelings, but she had already given her heart to another man.

Gu Yansheng returned in the evening.

With a fruitful one day and night rest, Zuo Weiyi appeared to be better.

After eating his dinner, Shi Yuting headed to the study and finished up some work, then went to his bedroom. The person on the bed had already sunk into a deep slumber.

He walked to the side of the bed and stared quietly at her sleeping face. He took a long moment before he finally turned around to the bathroom to take a shower and then climbed into the bed.

With his body half sitting half lying on the bed, he took out a delicate box, one that had accumulated an amount of dust. He opened the box and inside laid the couple rings he bought before.

He turned his head and looked at her face. Shi Yuting gently took her hand and slid the platinum ring onto her ring finger.

**Chapter 207: The Ring On Her Ring Finger (2)**

Zuo Weiyi sensed some movements in her sleep, but she only moved without opening her eyes, continuing her sleep after adjusting to a more comfortable position.

Looking at her childish sleeping face, Shi Yuting's lips curved up into a perfect smile. He lay down and took her in his arms, slowly drifting to sleep...

\*\*\*

On the next day.

Zuo Weiyi woke up at 7:15 in the morning. She opened her eyes and the man beside her was already gone.

After resting for two days, her mental state was getting better.

Since she had slept earlier the day before, her drowsiness was gone as soon as she woke up, so she climbed out of bed.

Yet, when she sat up and raised her hand to lift the blanket, she saw the platinum ring on her finger.

She was surprised and confused.

This ring...

Was it not for Jing Xinlei? She remembered that he had never gifted it to her, but it was kept in the drawer by the headboard.

Upon thinking about that, Zuo Weiyi could not help but turn her head and pull open the drawer.

The delicate box was gone.

She blinked for a few seconds and began to think.

Did she put on the ring herself while she was sleepwalking?

She did not have a history of sleepwalking.

So, what was with the ring? Why was it on her finger?

Zuo Weiyi had many questions but no answers.

At this moment, there was a knock on the door.

"Weiyi, are you awake?"

It was Nuannuan outside, her gentle voice asked caringly.

Zuo Weiyi raised her gaze to the door and got off the bed. She walked to the door and opened it.

"Oh, you're awake! Breakfast is ready, let's eat together?"

Facing Nuannuan's kindness, Zuo Weiyi's heart was filled with warmth.

She smiled. "I still haven't cleaned myself up, you go first."

“Sure! We’ll wait for you.”

Shi Nuannuan said with a smile and left.

Zuo Weiyi closed the door. She walked toward the bathroom while still thinking about the ring.

After changing into a more comfortable casual outfit, Zuo Weiyi walked downstairs.

In the living room, Shi Yuting sat on the sofa with an English newspaper in his hands.

Meanwhile, Shi Nuannuan was watching some drama on television.

Seeing that there was nothing interesting, she turned to her brother. As she wanted to come up with a conversation with him, her eyes caught the ring on his finger. Her eyes instantly sparkled.

“Brother! When did you start wearing a ring? It’s so unique!”

The ring looked familiar to her, but she could not figure out where she had seen it before.

Shi Yuting moved his gaze from the newspaper and directed it at Shi Nuannuan after glancing at the ring.

He frowned slightly. “Why? Do I look weird with a ring?”

“No! You look good in anything!” Shi Nuannuan announced proudly.

Her brother was the most perfect man in the world, of course, he looked good in everything.

As their conversation ended, footsteps were heard from the staircase.

“Weiyi!”

Shi Nuannuan bounced toward her, her face shone in excitement.

When she walked toward her, her eyes widened.

“Oh! It’s a couple’s ring!”

Looking at her shocked expression, Zuo Weiyi was startled. She turned her head and followed Nuannuan’s gaze to her hand that was on the staircase handle.

So, Nuannuan had seen the ring.

But, how did she know that this was a couple’s ring?

Yet, before she could ask, a figure approached and pulled her by her waist.

### **Chapter 208: The Ring On Her Ring Finger (3)**

Without wasting another second, the man spoke with his perfect voice, “Let’s eat.”

Zuo Weiyi was whisked away in his arms, leaving Shi Nuannuan behind with a face full of admiration.

Look at them, what a match made in heaven!

Look at their figure, their height, how well they complimented each other!

Oh, how she wished to find a man to be in a romantic relationship with like this.

As she thought about it, Xiang Yi's handsome face suddenly flashed in her mind.

She froze for a moment.

Weird, why did Xiang Yi appear in her head?

She shook her head in hopes to shake his face away from her mind but to no avail.

Damn it, what was wrong with her?!

At the dining table, Aunt Yu filled a bowl of herbal soup for Zuo Weiyi.

"Miss Zuo, quickly drink this. It's good for your body."

Looking at the soup Aunt Yu had passed to her, warmth flooded her heart.

"Thank you."

She took the bowl and thanked Aunt Yu politely.

Aunt Yu replied with a gentle smile and silently withdrew herself from the table.

Shi Yuting sat in front of her and began to drink his porridge slowly.

While Zuo Weiyi was drinking her soup, she was still thinking about the ring.

There was no ring on her before she went to sleep last night. Would Shi Yuting know how it had ended up on her fingers?

Upon thinking about this, she looked at the man.

At the moment she laid eyes on him, she noticed the ring on his finger. A platinum ring that shared the same design as hers.

Was that not the 'Only One' ring?!

Confusion flashed in her eyes.

Coincidentally, the man in front of her also looked up and they locked eyes.

Zuo Weiyi was slightly stunned when she met his dark eyes, but she still asked, "Uh... That ring..."

She pointed at the ring on his hand but did not know how to continue her question.

Shi Yuting lowered her eyes and glanced at the ring.

"What's wrong?"

His answer baffled her.

What was wrong? He was asking what was wrong?

“Why is that ring on your hand?”

Shi Yuting frowned. “I’m wearing my own stuff, is that weird?”

Zuo Weiyi paused for a while and realized she had gotten the subject wrong.

So, she asked again, “I mean, why is this ring on my hand?”

“You don’t like it?” He asked.

She was surprised again.

“Isn’t this ring for Jing Xinlei?”

“Who said it is for her?”

Facing his question, her mind was blank.

During Jing Xinlei’s birthday, did he not choose these rings specifically as her gift?

Did she remember wrongly? Maybe these rings were not the ‘Only One’ edition. Those were the exclusive ones, the only ones in the world.

She raised her hand and looked at it closely. The word ‘only’ was carved on the ring.

Well, these were the rings.

“But, that day you...”

She still wanted to say something but Shi Yuting suddenly stood up.

He walked around the dining table and stopped at Zuo Weiyi’s side. He placed one hand on the back of her chair and rested another on the table, his body slightly bowed down to look at her delicate features.

“Eat more. I’m going to the office.”

He smiled and in the next second, he planted a kiss on her lips.

Zuo Weiyi’s eyes widened. That was unexpected!

### **Chapter 209: Commotion At The Entrance!**

There were maids and Aunt Yu around them, yet he had still kissed her in front of them?

Zuo Weiyi frowned for a second. In the next, her face turned red in embarrassment. Oh, how she wished to hide in a hole!

Looking at her blushing face, Shi Yuting curled his lips into a smirk. He stood up again and walked toward the door.

Seeing that his figure had disappeared into the corner, Zuo Weiyi was still stunned.

She looked down at the ring on her finger, sinking into deep thoughts.

What did he mean just now?

Was this ring not meant for Jing Xinlei from the start?

Zuo Weiyi did not dare to make any assumptions.

At this moment, Shi Nuannuan approached her. She turned around to glance at where her brother disappeared to before taking a seat beside Zuo Weiyi.

Since she did not witness the kiss, Shi Nuannuan was confused as to the reason for Zuo Weiyi's red face. So, she asked bluntly, "Weiyi, are you feeling unwell? Why is your face so red?"

As she heard this question, all the embarrassment backtracked to her. It even made her feel extremely awkward. If she could, she would hide her head under the table!

"N- Nothing!"

Shi Nuannuan only blinked in confusion.

After eating breakfast, both of them sat on the sofa in front of the television.

As they were absorbed in watching their show, a commotion from the entrance broke their attention.

Zuo Weiyi and Shi Nuannuan both turned their heads to the entrance. Shi Nuannuan stood up and walked to the window to examine the commotion.

She saw Xiang Yi and a few bodyguards standing at a place nearing the courtyard. A row of men in black was standing in front of them.

"Xiang Yi, you seem to be confused about your own identity."

Facing one of the men in black, Xiang Yi smiled faintly. "Hei Long, I know you're from the Master Speaker. But the man I, Xiang Yi, serve is Mr. Shi. Without his permission, I cannot allow you to step into his residence."

"We're only obeying Master Speaker's orders."

"Same as us. We heed to Mr. Shi's command."

"Do you not understand which will lead to heavier consequences if you plan to disobey one of their orders?" The man named Hei Long questioned.

Even if it was Mr. Shi, he would obey the Master Speaker! However, this Xiang Yi publicly defied his words in front of him, who was a man under the Master Speaker. He was asking for death!

"I understand, but my life is in Mr. Shi's hand. So, it is natural for me to execute his orders."

"You will die just to protect a woman that has nothing to do with you. Is that worth it?"

"Butler Hei, you're thinking too much into it. I'm merely carrying out my task given by Mr. Shi."

"So, you're saying that if we want to walk into that door behind you, we should go through you first?"

Xiang Yi smiled. "Precisely."

Normal people would not dare to break into this residence, but Hei Long was not a normal person, so he dared to do so.

They were ordered by Shi Le to take away Zuo Weiyi. They could bear any consequences that happened here.

As he heard that, Hei Long took a step back and did a hand gesture, commanding two sides of the men in black to start moving.

After receiving the signal, the men in black began to execute their mission.

In just a moment, people from both sides were fighting.

Even though Hei Long was a man beside Shi Le, Xiang Yi's men would not lose to him.

In the house, Shi Nuannuan was feeling anxious for no reason as she was seeing the fight.

She noticed that Hei Long was a man at her grandfather's side. He was rumored to be cruel and no matter what orders her grandfather gave him, he would do whatever it took to achieve it!

### **Chapter 210: How Dare You Punch My Xiang Yi?!**

"Weiyi, stay here! No matter what happens, don't go out!"

After saying that, Shi Nuannuan dashed to the entrance like a wind.

Zuo Weiyi was still shocked. She walked to where Shi Nuannuan stood and looked outside the window just to see Xiang Yi and his men fighting with other people.

Her eyes widened as she stared at the commotion in the courtyard.

"Hei Long! What are you doing!"

In the courtyard, Xiang Yi was facing off with Hei Long. When he heard Shi Nuannuan's voice from his back, he was distracted for a second and that led to a fierce punch from Hei Long.

Shi Nuannuan saw that and fury burned in her heart.

"Sh\*t! Hei Long, how dare you punch my Xiang Yi?!"

As she finished her sentence, Shi Nuannuan bolted between Xiang Yi and Hei Long. She swung her fists clumsily like a newborn fawn.

If they were roadside gangsters, her fists would be useful. But, in front of Hei Long, it was nothing.

Xiang Yi was already distracted when Shi Nuannuan had suddenly interrupted them and he was further stunned by her words. With that, he was punched again by Hei Long.

This time, a trail of blood spilled from the corner of his lips. Shi Nuannuan caught sight of it immediately and pouted angrily like a furious bunny.

"Hei Long, I dare you to punch him again!"

Even if Shi Nuannuan was being annoying, Hei Long still dodged all of her attacks skillfully and sprinted toward Xiang Yi.

She was planning to throw a punch on Hei Long's poker face, but her fists landed on air instead.

At this moment, Shi Nuannuan was like a car that had lost control. Because of the force she threw in her punch, her body gradually tilted downwards.

Oh no, oh no, she was going to fall!

Her eyes widened as she screamed in her heart.

Before her head kissed the ground, a hand suddenly wrapped itself around her waist and took her to a graceful spin. She turned around and saw Xiang Yi's suave features.

Looking at the face in front of her, Shi Nuannuan was astonished. Her eyes were as wide as saucers, staring at him without blinking.

Holy cow, when did Xiang Yi become so handsome...

Staring at his face again, Shi Nuannuan gulped.

After both of her legs landed on the ground steadily, Xiang Yi let go of her. "Miss, are you alright?"

Shi Nuannuan snapped out of her infatuation when she heard his deep voice, her face flushed pink.

"I'm- I'm fine!"

She unconsciously placed her hand on her heart.

Shit, what was this feeling?! Her heart was pumping hard!

As the two of them were talking, Hei Long sprinted toward them again.

Xiang Yi was quick. He wrapped his arm around Shi Nuannuan's waist again and dodged Hei Long's attack with a twirl.

"Miss, please step aside."

Xiang Yi said to Shi Nuannuan. To take care of her while fighting Hei Long, the task was undeniably too difficult for him.

Yet for Hei Long, it was the perfect chance to defeat Xiang Yi!

Seeing that he could win, he dashed toward Xiang Yi.

Xiang Yi turned his head. With a sharp glance, he defended himself from Hei Long's punches and quickly counterattacked.

The fight lasted twenty minutes, but the victor was still undetermined.

As he confronted Xiang Yi, Hei Long finally spoke up, "Are you sure you want to defy Master Speaker?"

Xiang Yi smiled. "I would never expect Butler Hei to be such a forgetful person. I have said it before and I will say it again, I only take orders from Mr. Shi."
