

Kiss Me 251

Chapter 251: Send Her to the Prison!

“Put me down first!”

“If you have anything to say, then you better speak now!” Shi Yuting replied grimly as he glanced at her because he did not intend to put her down at all.

Zuo Weiyi felt very helpless as she turned around and looked at Bei Xingchen with a worried expression on her face. At this time, Xiangyi was helping Bei Xingchen up.

“Xingchen, are you okay?”

Bei Xingchen stood up, and she instantly felt relieved when she saw that Shi Yuting was already holding her best friend in his arms. She really had a fright earlier but fortunately for the both of them, these people had arrived right on time!

“I am fine!”

“Mr. Shi, how should we deal with Miss Jing?” Xiangyi suddenly asked Shi Yuting as he looked at Jing Xinlei who was sitting on the ground in a helpless manner.

At this time, Shi Yuting’s eyes turned dark as he glared at Jing Xinlei coldly. “Send her to the prison and tell the police officers to conduct an investigation into the murder that she had committed. Remember not to let her die. I want her to stay in prison and suffer forever.”

“Noted.”

He would have killed her with his own bare hands and let her off easy, but after thinking about what she had done to the woman that was in his arms right now, Shi Yuting decided to use a different approach to deal with her.

The best punishment for someone like her was to lock her up in prison so that she could experience a life that was worse than death!

In fact, Jing Xinlei was clear about the situation in prison.

That place was hell on earth!

She did everything possible to make sure that Zuo Weiyi would end up in that place. She had never expected Zuo Weiyi to come out of that place so easily!

“Shi Yuting! Why? Why are you treating me like this?”

Jing Xinlei yelled as she stared at his back.

She felt especially hurt when she saw that he was carrying Zuo Weiyi in his arms. Why? Why was he spoiling her so much? Why did he care so much about that woman? She was the one that he was supposed to dote on and care for!

As soon as he heard her question, Shi Yuting turned around as he glared at her coldly and indifferently.

“Are you treating me like this just because I abandoned you five years ago and took advantage of you?”

“You think too highly of yourself. If I am doing this because you left me five years ago, then you would have already disappeared from the entertainment industry five years ago,” Shi Yuting replied as he glared at her.

Jing Xinlei was surprised at his reaction. “Then, why?”

“Because you touched something that belongs to me.”

Jing Xinlei was startled when she heard his response.

His belonging? Did he mean Zuo Weiyi?

Everything he did to her was because she tried to hurt Zuo Weiyi?

Was she really so important to him?

Jing Xinlei clenched her fists tightly as she glared at the both of them with hatred and jealousy in her eyes.

However, Shi Yuting had already disappeared through the dilapidated iron door with Zuo Weiyi in his arms.

“Shi Yuting, I will never let you off even if I become a ghost!”

“Then, you can become a ghost for all I care,” Shi Yuting replied coldly through the other side of the door.

“Zuo Weiyi, I will make sure that you pay for this!”

Zuo Weiyi remained calm as she stayed in Shi Yuting’s arms while Jing Xinlei continued verbally abusing her inside the warehouse.

In fact, Zuo Weiyi had already experienced what it felt like to be locked up in prison. She could not imagine what she would do if she had to stay in prison for the rest of her life.

However...

At this time, Zuo Weiyi raised her eyes to look at the man’s exquisite jawlines.

She knew very well that prison was like hell. Did he ask Xiangyi to put Jing Xinlei in prison because he did not want to sentence her to death... or because he was being cruel to her?

This was a knot that had always existed in her heart.

Of course, she would never ask Shi Yuting to kill Jing Xinlei. All that she wanted to know was whether Jing Xinlei’s existence mattered to him at all.

As they headed toward the black Bentley, Shi Yuting could sense that the person in his arms was staring at him. Therefore, he could not help but stop in his tracks as he looked down at her.

Chapter 252: I Am Just Curious!

“What are you looking at?”

Since Zuo Weiyi had already been caught red-handed, she did not want to hide her feelings anymore. Therefore, she asked him, “Why did you decide to send her to prison?”

Shi Yuting did not reply to her question immediately. However, he narrowed his eyes and stared at her as though he wanted to see right through her.

“Are you having doubts about my intentions? Do you think that I am feeling bad for her?”

At this time, Zuo Weiyi could only try her best to avoid his eyes.

“I am just curious!”

“Since you are so curious, then why don’t you decide then?”

Zuo Weiyi raised her eyes as she looked at him with a puzzled expression on her face. “Decide what?”

“Her fate.”

Zuo Weiyi suddenly felt a little uncomfortable because of his decisiveness and direct response. Therefore, she quickly lowered her head as she replied, “I don’t want to decide! You can do whatever you want to. However, since she killed someone, I think that prison might actually be the best place for her.”

Shi Yuting smiled as he looked at the person in his arms.

Meanwhile, someone had already opened the car door for them.

This woman actually dared to doubt him! He certainly had to teach her a lesson tonight so that she would realize how much he cared about her.

Since Bei Xingchen was also injured, she was also sent to Shi Mansion with Zuo Weiyi.

Even though Bei Xingchen was also from a wealthy family, she could not stop herself from feeling a little dumbfounded after stepping into Shi Mansion.

This place was huge!

“Xingchen, is the wound on your arm okay?”

After applying medication on her own injury, Zuo Weiyi walked over to Bei Xingchen immediately.

At this time, Bei Xingchen smiled as she was not concerned about the scratches on her hand at all. Instead, she looked up at Zuo Weiyi as she joked, “Honey! I can’t believe that you are actually living in such a luxurious place!”

Zuo Weiyi could only smile as she faced her friend’s teasing.

“I am just staying here for the time being.”

She would have to leave this place one day, right? That was the only thing that ran through Zuo Weiyi’s mind.

“Yeah, sure!”

Bei Xingchen smiled as she looked at the time on her watch. “Oh my god! It’s already so late. I should go back first.”

“I will get someone to send you home.”

“Oh... will that be a loan too? You are obviously the young mistress of this house!” Bei Xingchen could not help but tease her friend when she offered to get someone to send her home.

Zuo Weiyi’s face turned red immediately from Bei Xingchen’s teasing.

After that, she quickly arranged for someone to send her friend back home because it was already late at night, and Bei Xingchen lived far from the city.

After sending her friend off, Zuo Weiyi turned around and walked back into the house.

After heading upstairs, she could hear Shi Yuting’s voice coming from the balcony.

She walked over to him out of curiosity and saw him talking on his cell phone.

Zuo Weiyi felt very comforted as she looked at his back.

After hanging up the phone, Shi Yuting turned around, and he was a little startled when he saw Zuo Weiyi standing there.

However, the corners of his lips curved upward as he walked over and wrap his arms around her.

“Did your friend leave already?”

“Yes!”

“Is your hand still hurting?”

When Zuo Weiyi lowered her head to check her bandaged hand, Shi Yuting could not help but feel a little distressed.

“It’s okay. It does not hurt that much anymore.”

“From now on, you have to tell me everything, no matter what happens or no matter what you encounter!”

Shi Yuting suddenly pulled her closer to his body as he looked at her with a serious expression on his face.

Who would have known that his heart would be crushed when he entered the abandoned warehouse and saw the sharp blade pointing straight at Zuo Weiyi? In that instance, Shi Yuting felt as though he could not breathe and that he was going to die from suffocation!

Chapter 253: Seaside Villa

When she saw the serious expression on his face, Zuo Weiyi knew that he was worried about her.

However, in that situation earlier, all that she was really worried about was whether anything bad would happen to Bei Xingchen.

This was because Bei Xingchen was her only friend, and they were closer than biological sisters!

Even though she did not have any sisters at all, she knew that Bei Xingchen would definitely be the closest sister that she ever had.

“Okay.” Zuo Weiyi nodded obediently.

After taking a shower, Zuo Weiyi climbed into bed while Shi Yuting stepped into his study room.

At this time, Zuo Weiyi could not help wondering why Shi Yuting was always so busy managing his company affairs, all day and all night. If he became the president of the country, he would definitely be so busy that he would not have any time to sleep at all.

Unknowingly, it was already late at night and Zuo Weiyi was already getting sleepy.

She leaned against the head of the bed with a book in her hand as she tilted her head and fell asleep while she was still reading her book.

As she was fast asleep, Zuo Weiyi suddenly felt a hand at the back of her waist.

She frowned as she pushed the hand away but at this time, she could feel the hand coming back to her.

This time, she could feel his hands on her pajamas before she felt soft and familiar lips brushing against her. This was his scent.

“Mm... I am so sleepy.”

“You will not be sleepy for long.”

He whispered into her ear in a low and hoarse voice.

Very soon, Zuo Weiyi gradually lost her drowsiness as she was aroused and began to welcome his sexual advances...

Early the next morning, Zuo Weiyi felt that her body was aching, and it felt like her body was breaking apart as she opened her eyes.

She really could not understand how Shi Yuting could still feel so ‘energized’ even when he was so busy with work day and night!

After that, Zuo Weiyi turned her head as she looked at the sunlight that was coming in through the windows. It felt like it was already noon.

As she looked at the time, she realized that it was already ten o’clock in the morning!

Zuo Weiyi got up immediately and quickly washed up before she went downstairs.

However, she realized that the atmosphere in the mansion was a little strange today. There was no one in the living room at all. Not even Shi Nuannuan, Aunt Yu, or Xiao Cui.

This was strange. Where did everyone go?

Zuo Weiyi frowned before she suddenly heard Shi Yuting's voice behind her.

"You have finally woken up?"

Shi Yuting had been busy working in his study room but when he heard the sound of footsteps in the living room, he knew that she was already awake. That was why he had walked out of his study room.

Zuo Weiyi looked at him as she asked, "Where is Nuannuan and Aunt Yu? Why don't I see anyone in the house at all?"

"I have transferred them elsewhere," Shi Yuting replied as he walked over to her. After that, he embraced her as he placed his hands around her slender waist.

Zuo Weiyi had a blank expression on her face.

"Transfer? Where did you transfer them?"

Xiao Cui had always been very careful and meticulous when she did her job. Moreover, Aunt Yu had already worked for him for such a long time. Why did he transfer them away?

"You will know when we arrive," Shi Yuting replied with a smile on his face as he walked her toward the door.

Zuo Weiyi was very confused.

They entered his blue Ferrari before Shi Yuting drove his sports car to the road in a swift manner. Zuo Weiyi felt that this was a completely unfamiliar route to her.

About twenty minutes later, they finally arrived at a villa by the beach.

As soon as they got out of the car, Zuo Weiyi could hear Shi Nuannuan's voice even though she could not see her.

"Weiyi, you are finally here!"

Zuo Weiyi turned around when she heard her name. She then saw Shi Nuannuan running along the beach bare-footed as she enjoyed the beautiful view and landscape around her. Xiangyi was standing right beside her.

Zuo Weiyi could not help but wonder if Shi Yuting knew that Shi Nuannuan was in love with Xiangyi.

After glancing at Shi Nuannuan, Zuo Weiyi turned around and stared at the man beside her, puzzled.

"What are we doing here?"

Shi Yuting chuckled as he held her hand and walked her toward the spectacular seaside villa.

Chapter 254: Custom-Made Especially for You

Shi Yuting pushed the door open and they were greeted by a sea of flowers.

Zuo Weiyi was extremely shocked!

Purple carnations!

Zuo Weiyi was very surprised when she stared at the sea of flowers in the courtyard. She turned around and looked at the man before she said, "This is..."

"Custom-made especially for you. We will be living here from now on."

Zuo Weiyi stared at him in disbelief.

Live here? What was he saying?

Shi Yuting could not help but frown when he saw the expression on her face.

"Why? Don't you like it?"

When Zuo Weiyi finally regained her composure, she quickly replied, "No. It's just that... why are we living here instead of Shi Mansion?"

Shi Yuting stared at her for a long time but he did not give her an answer. Instead, he placed his arms around her as he walked her into the villa.

Even though this villa might be smaller compared to Shi Mansion, it was very exquisite and chic. It was also very warm and comfortable.

As soon as Zuo Weiyi entered the living room, she realized that Aunty Yu and Xiao Cui were also here.

It turned out that they had already been transferred here.

After walking around the first floor and checking out the courtyard, Shi Yuting also brought her to the balcony on the second floor as they looked out at the sea. The view from the balcony was spectacular as they had an amazing view of the endless blue sea and sky. The scenery from the seaside villa was incredible.

Moreover, the purple carnations in the courtyard made everything look even more beautiful!

Zuo Weiyi could not help but feel very warm and happy when she looked at the purple carnations.

He did not just buy a pot of those flowers but instead...

But Zuo Weiyi could not understand why he would buy the seaside villa. Moreover, why would he even think of planting these rare purple carnations in the courtyard?

She turned around and looked at him questioningly.

Shi Yuting pulled her closer to him as he hugged her from the back before he rested his head on her shoulder.

"No matter what you see or hear, you have to believe me. I..."

'Love you.' Shi Yuting did not know how to say it.

This was because he always believed that a man's love for a woman should be proved through actions and not words.

He wanted to confess his love but he hesitated for a moment. Zuo Weiyi turned around to face him as she waited for him to continue his sentence.

Shi Yuting paused as he felt embarrassed for the first time in his life when he met her eyes.

He glanced at the ring on her ring finger before he raised his hand and held onto her hand. After that, he gently stroked the one and only unique ring that could be found in this world.

“In my life, you will be the only one that I will put a ring on. There will never be a second time.”

Zuo Weiyi was stunned by his sudden confession. So, she raised her eyes to look at him because she did not understand what he was trying to say.

“What is wrong with you?”

She felt that Shi Yuting was a little different today.

Even though these words sounded really sweet to her, she wanted to know what was happening. She wanted to know why he was suddenly saying all these.

Was he acting on a whim because they were facing this beautiful scenery? Is that why he was making this promise?

“Weiyi!”

When Shi Nuannuan saw both of them embracing one another on the balcony, she could not help but beckon and call for Zuo Weiyi to come to the beach with her.

After that, both of them headed down to the living room. Shi Nuannuan looked very happy and excited as she exclaimed, “Hurry up! Let’s go to the beach and play!”

Shi Nuannuan grabbed Zuo Weiyi’s arm as she dragged her toward the door.

No!

After taking a few steps, Shi Nuannuan suddenly turned around.

“Let’s change our clothes. We should only go after changing our clothes!”

Shi Nuannuan continued dragging Zuo Weiyi as they headed toward the second floor.

“Nuannuan, what are we changing into?” Zuo Weiyi asked as she looked around the room on the second floor. Shi Nuannuan was already looking through the closets as she searched for the perfect outfit.

“Of course, we are changing into our swimsuits! You should hurry up and change now!”

A swimsuit?

Chapter 255: A Perfect Figure

In her twenty-one years in this life, she had never bought a swimsuit in her life.

Of course, this was because she did not know how to swim!

“I don’t...” Zuo Weiyi looked at Shi Nuannuan, embarrassed.

As soon as she heard Zuo Weiyi's words, Shi Nuannuan raised her head as she frowned and asked, "You don't have a swimsuit?"

"Yes."

"It's okay! I have many swimsuits! Anyway, we have almost the same figure!"

Therefore, Shi Nuannuan was very excited as she handed one of her new swimsuits over to Zuo Weiyi. However...

Both of them were indeed about the same height and body shape. However, their chests...

"Are you... D cup?" Shi Nuannuan narrowed her eyes as she glanced at Zuo Weiyi's chest.

Zuo Weiyi nodded her head slightly as she looked at Shi Nuannuan who was still in disbelief. "It seems like..."

"You look so slim but you are actually a D cup..." Shi Nuannuan said as she lowered her head and she looked at her chest, which was barely a B cup...

How could it be? They obviously looked like they had the same type of figure. However, when they put on a swimsuit, Zuo Weiyi's chest was obviously much bigger than her! Moreover, she could not even fit into her swimsuit at all.

After glancing at Zuo Weiyi's chest, Shi Nuannuan pouted as she turned around and took out a sky blue colored swimsuit from another suitcase.

"This set will definitely suit you then!"

After that, Shi Nuannuan motioned for Zuo Weiyi to change into the swimsuit.

In fact, this set had already been sitting in her suitcase for a long time. Who would have known that it would finally be used today!

In fact, Shi Nuannuan had bought this swimsuit when she was shopping with her classmates. Back then, the only reason why she bought a D cup swimsuit was that she wanted to save face in front of her classmates.

In fact, she was only a B cup...

Shi Nuannuan could not stop feeling a little envious as she looked down at her two delicate little bunnies.

Why were Zuo Weiyi's breasts so big while hers were so small?

After a short while, Zuo Weiyi finally put on the swimsuit. Since she had never worn anything that was so revealing before, she could not help but feel a little uncomfortable.

In fact, she felt a little naked.

This was because she was not used to wearing any low-cut clothing either.

At this time, Shi Nuannuan was still a little envious.

“Nuannuan, do you have anything slightly... bigger than this?”

After getting dressed, Zuo Weiyi could not help but feel that the swimsuit was a little too tight for her.

Shi Nuannuan turned around and as soon as she saw Zuo Weiyi, she felt that she was about to have a nosebleed because she looked extremely hot!

Indeed, if Zuo Weiyi had never put on the swimsuit, no one would have known that she had such a good figure! This was because her figure was never so obvious when she wore her usual clothing.

“Sister-in-law, you have such a perfect figure! I am so envious of you!”

Shi Nuannuan pouted and was filled with envy as she looked at Zuo Weiyi.

Zuo Weiyi felt a little embarrassed as her young sister-in-law was staring at her body.

However, this was not the first time that Shi Nuannuan had looked up to her. Therefore, she had already gotten used to it.

Zuo Weiyi smiled at this time as she replied, “You have a very nice figure too!”

“Is that so? I am just a B cup...”

In fact, Shi Nuannuan felt that she might not even have a B cup if she was a little thinner!

Zuo Weiyi continued smiling as she said, “I think that yours is a perfect size.”

Shi Nuannuan finally felt a little comforted after listening to Zuo Weiyi’s words.

She held Zuo Weiyi’s hand and she could not help but ask her a question as they walked toward the beach.

“Sister-in-law, do you think that... all men like women with big breasts?”

Shi Nuannuan asked in a very low voice as though she was trying to verify something.

Zuo Weiyi turned around and looked at Shi Nuannuan as she raised her brows slightly.

She did not know if all men liked big breasts, but Shi Yuting would not have liked her simply because of this, right?

As she glanced at the expression on Shi Nuannuan’s face, Zuo Weiyi finally understood why she was asking her that question.

Chapter 256: What are You Looking At?

Was she worried that Xiangyi would not like her because of this?

Zuo Weiyi decided to ask Shi Nuannuan as she thought about it.

“Are you worried that Xiangyi would not like you because of this?”

Shi Nuannuan suddenly blushed because she did not expect Zuo Weiyi to see right through her.

However, Shi Nuannuan did not have many friends, and it seemed as though Zuo Weiyi was the only person she could have a heart-to-heart talk with.

Nowadays, she felt as though she was a drug addict! If she did not see Xiangyi for an extended period of time, she would feel extremely uncomfortable and her mind would be filled with visions of him!

Therefore, Shi Nuannuan did not hide her feelings from Zuo Weiyi.

Anyway, she was certain that Zuo Weiyi already knew that she was interested in Xiangyi since a long time ago!

“So, what do you think? Will he dislike me?” Shi Nuannuan asked as she looked at Zuo Weiyi with a concerned expression on her face.

In fact, Shi Nuannuan had always been the kind of person who was extremely warm and kind. She also had a strong personality and she was courageous enough to love and hate without any hesitation at all.

Even though she was born into a rich family, she did not look down on anyone else or treat anyone as though they were inferior to her in any way.

As Zuo Weiyi thought about it, she felt that both of them were really alike!

“Why would he dislike you? Xiangyi will never despise you!”

“Are you sure?”

Shi Nuannuan felt so much more relieved as soon as she heard Zuo Weiyi’s words.

She had to find the perfect time to confess her feelings to Xiangyi!

After that, both of them went downstairs in their swimsuits. After wearing the swimsuit for a short while, Zuo Weiyi finally got used to it, and she did not feel as uncomfortable as she did before.

As soon as they came down the stairs, they immediately attracted the attention of the two men of the opposite sex in the villa!

When Shi Nuannuan said that they were going upstairs to change clothes, Shi Yuting did not know that they were actually going to change into swimsuits!

Shi Yuting was stunned for a few seconds when he saw Zuo Weiyi walking down the stairs with her fair belly and slender legs completely exposed. When he turned around, he saw that Xiangyi was also looking in their direction at this time!

It was human nature was every man to feel possessive over his own woman. Therefore, Shi Yuting’s face turned dark immediately when he saw another man staring at his woman when she was so scantily clad.

“What are you looking at?”

As soon as Xiangyi heard his words, he turned his head immediately and did not dare to continue looking at Zuo Weiyi and Shi Nuannuan who were walking down the stairs together.

In fact, he was not staring at Miss Zuo earlier but...

Even though he had already worked with Shi Yuting for so many years, this was the first time he had ever seen the young lady dressed like this, and he was attracted to her immediately.

He did not know what was going on but he knew that it was completely impossible for them to be in a relationship because of the disparity in status between him and the young lady.

As soon as he saw Xiangyi turning away, Shi Yuting walked toward Zuo Weiyi and Shi Nuannuan before he picked up a suit jacket on the back of a sofa.

At this time, Zuo Weiyi had just arrived at the bottom of the staircase. Without saying a word, Shi Yuting draped the suit jacket around her immediately.

Zuo Weiyi was taken aback as she stared at the man in a daze.

It was obvious that he was unhappy.

“Who asked you to dress like this?”

Zuo Weiyi was even more surprised when she heard his reproachful tone. Zuo Weiyi turned her head to look at Shi Nuannuan.

At this time, Shi Yuting realized that this was obviously Shi Nuannuan’s idea!

But, why did Shi Yuting look so upset?

“Why? Don’t I look good?”

She thought that he was unhappy because she did not look good in the swimsuit.

“Yes, you do not look good at all!” Shi Yuting replied with a dark face.

Shi Nuannuan was not happy at all when she heard her brother’s words!

At this time, she could not stop herself from protesting, “How does she not look good? She looks amazing! Tell me, which part of her does not look good?”

Chapter 257: Why Do You Want to Show It to Others?

She had such a sexy figure, and this sky blue swimsuit fitted her perfectly!

Shi Nuannuan really could not understand. Did her brother really have bad eyesight, or was he mad because he felt that her figure was not good enough?

They were obviously dressing like this so that they could impress the people around them!

“You were the one who dressed her up like this?”

Shi Yuting turned his head before he stared directly at Shi Nuannuan.

“Yes! Weiyi has such a beautiful figure. Wouldn’t it be a pity if she did not wear a swimsuit at the beach?” Shi Nuannuan admitted calmly as she looked at her brother.

Anyway, Shi Nuannuan felt that Zuo Weiyi should just show off and allow others to appreciate her perfect figure!

“Why would it be a pity?” Shi Yuting asked as he glared at his sister.

“Because no one will be able to see her good figure!”

“Why do you want to show it to others?” Zuo Weiyi could just show it to him alone! She belonged to him anyway!

“Uhhh...” Shi Nuannuan did not know what to answer when Shi Yuting continued questioning her. She did not know why they should show off their perfect figures to other people but she felt that they should do so simply because they had a good figure.

However, she was at a loss for words when she faced her brother.

Forget it, it did not matter anyway!

“Come on, Weiyi! Let’s go to the beach now. Just ignore my brother.”

As soon as she spoke, Shi Nuannuan held onto Zuo Weiyi’s arm as she dragged her toward the door.

However, Shi Yuting stopped them immediately.

“You can go out and play but you have to change out of the swimsuit first!”

“Brother, don’t tell me Weiyi has never revealed her cleavage when she attends all of those banquets with you? The only difference is that she is showing off her belly today! Why are you so petty?”

Shi Nuannuan could not stop herself from complaining as she glared at her brother.

Of course, Shi Yuting was more than willing to admit that he was petty.

“Yes! I am very petty. Do you have any objections?”

Shi Nuannuan raised her head but when she met his sharp gaze, she no longer had the courage to talk back to him.

At this time, Shi Nuannuan pouted as she said, “No....I have no objections at all.”

Zuo Weiyi felt very helpless at Shi Yuting’s insistence and she had no choice but to go upstairs and change into a white and flowy dress.

Anyway, she did not mind not wearing a swimsuit since she did not know how to swim!

After lunch, Shi Yuting left the seaside villa and did not come home even when it was already late in the evening.

At this time, Zuo Weiyi stood on the balcony on the second floor as she stared at the road that was not too far away. The sky was already getting darker but Zuo Weiyi could not see any vehicles on the road at all.

Was he not coming home today?

“Miss Zuo, your dinner is already ready.”

Aunty Yu's voice rang behind her. Zuo Weiyi turned around before she asked, "I don't need to wait for him to come back?"

Aunty Yu pursed her lips tightly together before she smiled and replied, "Mr. Shi will not be coming home for dinner tonight."

Zuo Weiyi glanced at Aunty Yu before she replied, "Oh."

After that, Zuo Weiyi went downstairs.

As she stared at Aunty Yu who was walking in front of her, Zuo Weiyi suddenly asked, "Aunty Yu, do you know why we moved to this seaside villa?"

They were already living in a beautiful mansion. So, why did he spend so much money to buy this seaside villa?

Zuo Weiyi knew that Shi Yuting was rich, but was it not a waste of money to buy an extra villa?

As soon as Aunty Yu heard her question, she paused slightly before she turned around and said, calmly, "I do not know the reason but Mr. Shi always has a reason for everything he does. Miss Zuo, you do not need to think too much about this."

Zuo Weiyi lowered her head as soon as she heard Aunty Yu's words.

She was not thinking too much but she had a very strange feeling about this situation, and she could feel a strange emotion tugging at her heart.

Shi Yuting did not come home even after Zuo Weiyi was done with her dinner. Therefore, after taking a shower, Zuo Weiyi got into bed alone.

As soon as she got into bed, her cell phone suddenly rang.

Chapter 258: Mr. Shi Left Early in the Morning

As soon as she saw the familiar number on the caller ID, she answered the phone immediately.

"Hello?"

"What are you doing now?"

Zuo Weiyi smiled as soon as she heard his deep and sexy voice. After that, she smiled before she said, "I am getting ready to sleep now."

"Can you sleep so early?"

"Well... not yet but I will try to. What about you? Where are you, and what are you doing now?" This was the first time she had ever asked him where he was and what he was doing.

She wanted to know what he was doing now.

"I am dealing with some work now. I will come back later."

"Okay then."

Zuo Weiyi instantly felt relieved as soon as she heard his words.

Initially, she was afraid that Shi Yuting had prepared this place as a residence for her just so he could leave her here and only come and see her whenever he wanted to.

She was really afraid that this was the case.

After hanging up the phone, the night started getting later.

In the middle of the night, Zuo Weiyi was in a daze when she suddenly felt a warm body holding her in his arms. Zuo Weiyi did not open her eyes because she was really sleepy. Therefore, she continued sleeping after finding a comfortable position.

Zuo Weiyi woke up early the next morning, and she could see the beautiful sea through her bedroom window. At this time, the sea breeze blew gently at her, bringing coolness into the bedroom.

As soon as Zuo Weiyi woke up, she frowned when she realized that the spot on the bed next to her was already empty.

He came back so late last night. Why was he up so early in the morning?

When she looked at the clock, it was five minutes before seven o'clock in the morning.

Zuo Weiyi got out of bed before she washed up and went downstairs in her slippers.

"Miss Zuo, you are up so early today!"

At this time, Xiao Cui was busy cleaning up in the living room. Therefore, she raised her head and greeted Zuo Weiyi as soon as she saw her coming down the stairs.

Zuo Weiyi smiled as she glanced at Xiao Cui before she looked around the living room to search for Shi Yuting.

"Mr. Shi left early in the morning."

When Xiao Cui saw Zuo Weiyi looking around the living room, she immediately knew that she was looking for Shi Yuting. Therefore, she could not help but speak up directly.

As soon as Zuo Weiyi heard Xiao Cui's words, she felt a little disappointed.

He used to leave the house at half-past seven in the morning but he left the villa so much earlier today.

But since they moved all the way to the seaside, it was normal for him to leave earlier because the distance from the seaside villa to Di Zun Group was much longer.

Zuo Weiyi calmed herself down when she thought about this.

However, she did not see Shi Yuting for the entire day.

Zuo Weiyi waited until dinner time but Shi Yuting still did not come home. She tried to stay up to wait for him but it seemed as though he was going to come back even later than he did the night before.

When Zuo Weiyi looked at the clock again, it was already two o'clock in the morning. It was total silence outside the window and there was no sound at all except for the sound of the waves.

Zuo Weiyi could not stay awake anymore, and she finally closed her eyes as she drifted off to sleep.

In the middle of the night, Zuo Weiyi suddenly felt the familiar warm body temperature wrapping his arms around her again. This time, Zuo Weiyi opened her eyes immediately.

She could not see the man's face since it was so dark but she could feel his warm and slow breathing against her face.

"Why did you come home so late?" Zuo Weiyi asked softly.

Shi Yuting frowned slightly before he moved a little closer to her and smelled the soft fragrance of her hair.

"I have been very busy with work lately. Did I wake you up?"

"No. I wanted to wait for you to come home but I accidentally fell asleep..."

As soon as he heard her words, Shi Yuting squinted immediately. "You were waiting for me to come home?"

"Yes." Zuo Weiyi nodded. Since it was so dark in the bedroom, she could not see the faint smile on his face at this time.

She was waiting for him to come home because she wanted to ask him why he had been coming back so late for the past two nights.

However, Shi Yuting was thinking of something else!

Chapter 259: No Appetite

"You miss me?"

"Huh?" Zuo Weiyi was slightly taken aback, and she raised her head to look at the man but she could not see the expression on his face since it was so dark.

Before she could even react, she suddenly felt a familiar softness brushing against her lips. In the next second, Shi Yuting started kissing her aggressively.

He could not bear to wake her when he came home every night because she was already fast asleep. He really did not expect her to be waiting for him to come home today. Therefore, he no longer needed to restrain his desire for her.

After a short while, Zuo Weiyi was finally liberated. After that, she thought that she would finally be able to get a good night's rest. However, the man beside her suddenly got out of bed.

She turned around to look at him and saw him walking toward the closet before he put on a pink shirt that he had taken out.

What? He was not going to sleep?

Even though Zuo Weiyi was exhausted, she sat up and asked, "Are you leaving already?"

"Yes." Shi Yuting looked at her as he nodded.

"But you did not sleep at all..."

Shi Yuting walked toward the bed before he leaned down and planted a kiss on her flawless forehead. "I am not tired. Have a good rest, okay?"

After he was done speaking, Shi Yuting straightened out his clothing before he turned around and walked downstairs.

Zuo Weiyi was very sleepy. Therefore, she closed her eyes as soon as he disappeared from behind the bedroom door.

Zuo Weiyi slept all the way until noon before she finally opened her eyes and woke up from her sleep.

When she looked at the time, she realized that it was already twelve o'clock in the afternoon!

SheAt this time, she quickly got up and washed up immediately.

As soon as she opened the bedroom door to go downstairs, she saw Xiao Cui standing in front of her room. It seemed like she was getting ready to knock on her bedroom door.

"Oh, Miss Zuo, you are already awake? Lunch is ready."

Zuo Weiyi smiled when she saw the smile on Xiao Cui's face.

"Okay."

Shi Nuannuan had also slept in today and when she finally came downstairs, Zuo Weiyi was already seated at the dining table.

"Wow! There are so many delicious foods today!"

Shi Nuannuan instantly felt refreshed when she saw all the delicious and nutritious food on the table. Therefore, she quickly sat down at the dining table before she started eating immediately.

Zuo Weiyi was sitting directly opposite her but she had no appetite today.

Perhaps, it was because she was too tired from last night.

Shi Nuannuan happily gobbled down her food but she suddenly realized that Zuo Weiyi who was sitting directly opposite her was not eating at all. Therefore, she looked right at Zuo Weiyi before she asked, "What is the matter with you? The food is not to your appetite?"

Zuo Weiyi pursed her lips slightly when Shi Nuannuan suddenly asked her the question. She was also at a loss for words.

"I don't know. I have no appetite. Maybe it is because I slept too late last night..."

"I wanted to wake you up for breakfast earlier in the morning but Mr. Shi told me that you have just fallen asleep. He told me to only wake you up if you are not awake by lunchtime..."

Aunty Yu spoke when she saw that Zuo Weiyi was not eating at all.

After listening to Aunty Yu's words, Zuo Weiyi started blushing immediately.

He had actually said that to Aunty Yu? What would people think if he told them that she did not fall asleep until dawn? Was he not giving them a clue about what they were doing last night?

Zuo Weiyi's face turned even redder as she thought about this. She wanted to hide under the table!

At this time, Shi Nuannuan suddenly asked, "Weiyi, you only fell asleep at dawn? Why?"

Zuo Weiyi could only stare blankly at Shi Nuannuan who was looking at her innocently.

"Insomnia?"

"Yes!" Zuo Weiyi replied before she lowered her head and pretended to eat something.

She really did not understand whether Shi Nuannuan really did not know what she was doing, or whether she was asking her that question on purpose.

Shi Yuting continued staying out late and coming home very late at night for the next few days. Zuo Weiyi did not know what he was up to.

Chapter 260: Guests

After staying at the seaside villa for more than a week, Zuo Weiyi had gradually gotten used to life here.

She got up early in the morning before going downstairs.

However, Zuo Weiyi did not see Shi Nuannuan during breakfast that morning. Therefore, she raised her head before she spoke to Xiao Cui who was standing near her.

"Where is Nuannuan? Is she still sleeping?"

"No. The young lady went out early in the morning. It seems as though there is something she has to do."

"Oh."

Zuo Weiyi let out a simple 'oh' before she lowered her head and continued eating her breakfast all by herself.

Since Shi Nuannuan was out today, Zuo Weiyi felt even more bored since she was home alone.

The doorbell suddenly rang when she was watching television, after having her breakfast.

Zuo Weiyi frowned slightly.

They had only moved into this seaside for less than a week. Who could it be?

Zuo Weiyi turned her head toward the door, and she saw that Xiao Cui had already gone to open the door.

After a short while, a few figures walked through the door. Zuo Weiyi was shocked when she saw the people who were walking into the villa at this time. She could only stare at them as she stood up from the sofa slowly.

Shi Le was not the only person to walk through the door but Tengtang Xi was also with him.

Zuo Weiyi subconsciously clenched her fists involuntarily. She did not know what was Shi Le's purpose in coming here today. Was he trying to force her to leave Shi Yuting again?

After stepping into the villa, Tengtang Xi looked around the villa before she smiled satirically as she stared at Zuo Weiyi and said, "So, this was where he was hiding you all this while?"

Zuo Weiyi had a calm expression on her face as she faced the haughty and arrogant Tengtang Xi. After that, she asked in a cold voice, "What are you doing here?"

Tengtang Xi was a little surprised that Zuo Weiyi could still be so calm and composed at this time. However, she did not say anything at all because Shi Le was with them.

Tengtang Xi knew very well that their purpose in coming here today was to tell Zuo Weiyi that she was going to be engaged to the president of C Country tomorrow. Therefore, she would officially become the youngest first lady in history!

Tengtang Xi felt extremely contented and satisfied at the thought of it.

Shi Le had a cold expression on his face as he sat on the sofa.

"My grandson will be getting engaged tomorrow. At the same time, I hope that you know your own place and where you stand. Please do not become like your mother who is a third party in someone else's relationship. I hope that you will not become someone who would destroy other people's families, just like your mother did."

Shi Le's words were very sharp and offensive, and even though it seemed as though he had no malicious intentions, his words were like a thousand daggers stabbing into Zuo Weiyi's heart.

Don't become like her mother?

Jiang Huaiyuan was the one who destroyed her mother twenty-one years ago but why did everyone think that her mother was the third party instead?

Back then, her mother had already chosen to leave her useless father. However, if it was not because of his petty tricks and threats, her mother would not have been deceived, and she would not have become his secret mistress!

Her mother was obviously the victim!

"Please do not insult my mother. She has never done anything to harm anyone in this world!" Zuo Weiyi replied indifferently because she completely disagreed with Shi Le's words!

"Like mother, like daughter. Do you really think that your mother's actions were very glorious?"

Tengtang Xi could not help but speak up when she saw the calm and indifferent expression on Zuo Weiyi's face. Every word that she speak was like a dagger that was aimed straight at her heart.

Zuo Weiyi clenched her fists tightly together. Her mother was already dead. So, why were these people still trying to humiliate her?

Therefore, Zuo Weiyi turned around and glared at Tengtang Xi before she said in an ice-cold tone, "Whatever my mother did, has nothing to do with you at all. You are just an outsider who has no right to speak to me at all!"

"You!" Tengtang Xi was at a loss for words because she did not expect Zuo Weiyi to be so arrogant and confident even at a time like this.
